SLOVENIAN MORNING
DAILY NEWSPAPER

NO. 33

CLEVELAND, OHIO, THURSDAY MORNING, FEBRUARY 9TH, 1933

LETO XXXV.—VOL. XXXV.

V Detroitu je prišlo do kr- vavih nemirov v štraj- ku avto delavcev

Detroit, 8. februarja. Naj-
manj pet stavkokazov je bilo
močno ranjenih sinoči, ko so ho-
teli zasesti voz cestne železnice,
ki naj jih odpelje proti tovarni
Eriggs Manufacturing Co., kjer se
vrši štrajk avto delavcev. Na-
padeni so bili od štrajkarjev.
Sam Reed, zamorski stavkokaz,
81 let star, ki je bil ustreljen od
nekega policista, se nahaja v
umirajočem stanju v bolnici.
Ostali štirje stavkokazi so dobi-
li rane z nožem, ki pa menda ne
bodo nevarne. Štrajkarji, ki pi-
ketirajo Briggs tovarno, so po-
stali nevoljni, ko so prišli iz to-
varne skebi, kjer so vedrili že
par dni pod protekcijo kompani-
je. Ko so se pojavili skebi iz to-
varne, je nastal splošen boj
med stavkarji in skebi. Poli-
cist Koontz, ki je hotel vzpostavi-
ti red, je bil pri tem napaden od
skeba Reeda, ki je vihnel želez-
no baro nad njegovo glavo. Poli-
cist je potegnil revolver in
streljal na skeba.

Zet umoril tasta

Pred 12. leti je Anton Pelle-
grino poročil hčer Josepha Cor-
sello, 2601 E. 125th St. Šest let
je stanoval tast pri zetu, pozne-
je pa v New Yorku. Zadnjih
šest mesecev je Pellegrino po-
stanoval bival pri tati, toda je
pripotoval pred enim mesecem.
V tork večer se je Pellegrino
vrnil. Ker je bil zunaj mrz, za-
stast Corsello ni hotel pogrnati
zeta iz hiše, toda včeraj zjutraj
mu je namignil, da je najbolje,
da gre. Zvečer je prišel Pelle-
grino na dom svojega tasta, po-
kazal revolver, rekoč, da se ne
more seliti, ker nima denarja.
In začel je streljati. Ubil je svo-
jega tasta in ranil svojo ženo.
Policija sedaj išče morilskega
lopova.

Zgovorni odvetniki

V Clevelandu se je te dni vr-
šila zanimiva obravnava radi
pasjega jpopada. John Mann-
ing je tožil Wm. Kerstingerja,
da je pes slednjega Manninga
ugriznil. Kerstinger je pa na-
jel tako zgovornega odvetnika,
da je nazadnje vse kazalo, kot da
bi Manning ugriznil psa Kerst-
ingerja, in je bila tožba vržena
iz sodnije.

Mesto skrbi

Še nikdar v zgodovini mesta
se ni prijaviло toliko moških
proseč za prenočišče kot včeraj
zvečer. Ob 10. uri je bilo v
Wayfarers Lodge, 1,147 moških
v gorkih posteljah, 75 so jih
poslali v Congress hotel, 80 k
Salvation Army, ostale v druge
prostore. Vsega skupaj je iska-
lo 1,612 mož prenočišče in vsi
so ga dobili. 5,116 gorkih kosil
in večerij je mesto razdelilo za-
stoj.

V bolnici

V ponedeljek se je podala v
Emergency bolnico na 55. cesti
Miss Caroline Kašič (Kasik),
stanujoča na 6410 St. Clair Ave.
Morala se je podvreči operaciji.
Prijateljice in znanzi jo lahko
obiščejo. Upamo, da se zopet
kmalu vrne domov zdrava.

Vreme

Tekom letošnjih zim nismo
imeli še tako mrzlega vremena
in zametov, kot smo jih bili de-
ležni včeraj in danes. Kot pravi
vremenski prerok, je prišel
blizzard iz Chicage odkoder pri-
haja vse hudo in — Barbičevi

Roosevelt kliče ameriške governerje na posveto- vanje 6. marca

New York, 8. februarja. Dva
dni potem, ko bo novi predsed-
nik Roosevelt zaprisežen, se bo-
dosta sestali v Washingtonu gover-
nerji 48 ameriških držav, da se
posvetujejo z Rooseveltom glede
nujnih zadev, ki nadlegujejo
danes ameriški narod. Govorilo
se bo o znižanju davkov, o nasi-
lni prodaji hiš in farm, o brez-
poselnosti in o reorganizaciji
državnih in mestnih vlad. Nar-
odni odbor demokratske stranke
je na poziv Roosevelta razpo-
slal povabila vsem governerjem
vseh 48 držav. V vabilu je po-
vedano, da bo governerska kon-
ferenca s predsednikom raz-
pravljala sledeče: O davkih, ki
jih naklada zvezna, državna in
posamezne mestne vlade, in ki
eden drugemu nasprotujejo ter
so na ta način postali največje
bremne za ameriške davkoplačevalce.
Kako bi se dalo na naj-
bolj uspešen način pomagati
ameriškim brezposelnim s po-
močjo federalne vlade. Kako
naj se da preprečiti nasilna pro-
daja hiš malih posestnikov, zla-
sti pa malih farmerjev. Kako
naj se zasadijo obširne pokrajine
z novimi gozdovi in se pre-
prečijo letne nesreče ob povod-
njih.

Bivši župan sploh nikjer ni plačal računov

San Francisco, 7. februarja.
Vodstvo tukajšnjega hotela San
Francisco je vložilo proti bivšemu
županu Jimmy Walkerju iz
New Yorka tožbo za plačilo \$2-
009, kar je bivši župan potrošil
v hotelu, ko se je nahajal pred
dvema letoma tu, da je deloval
za oprostitev Tom Mooneya.
Kljub ponovnim pozivom, da
Walker plača račune, se slednji
nikdar ni zmenil za plačilo.
Vodstvo San Francisco hotela je
vložilo tozadevno tožbo pri višji
sodnji v New Yorku.

Odpotoval v Columbus

Danes zjutraj je odpotoval
Mr. John Potokar, lastnik prve
slovenske izdelovalnice mehkih
pijač v Clevelandu, v Columbus,
Ohio, kjer se bo sestal z več se-
natorji in državnimi poslanci
glede ogromnega davka, ki ga
namerava država Ohio upeljati
na mehko pijačo. Računa se, da
bi novi davek znašal en cent na
steklenico mehke pijače. Z Mr.
Potokarjem je odšlo tudi več
drugih znanih izdelovalcev me-
hke pijače. Resnica je, da od
te nedolžne pijače vlada ne mo-
re dobiti \$10,000,000 na leto, kot
se pričakuje, in bi enaka postava
naravnost konfiscirala lastnino
izdelovalnic mehkih pijač. Mr.
Potokar se vrne v petek večer
ali v soboto zjutraj.

Zgubljen posluš in delo

Tekom zadnjih treh let se je
javilo pri clevelandski družbi,
ki skrbi za gluhe ljudi, 1532
oseb, ki so izjavile, da so zgubi-
le posluš pri svojem delu, in s
posluhom so seveda zgubili tudi
delo. Devet je bilo med njimi
odvetnikov, ki pravijo, da so nez-
možni nadalje opravljati svoje
delo, ker ne morejo slišati svo-
jih klientov. V resnici, vsako-
vrstne nadloge tepejo ta svet.

Princeznja

Družini Rudolph in Dorothy
Sajovec, 6406 Varian Ave., so
vile rojenice prinesle zalo hčer-
ko. Iskrene čestitke! Mati in
otrok se nahajata v Providence
bolnici.

Lepo priznanje

Glasi K. S. K. Jedno-
te, uradni časopis najsta-
rejšje slovenske podporne
organizacije v Ameriki,
prinaša v poročilu uredni-
ka-upravnika, Mr. Iva
Zupana, kot je bilo poda-
no letnemu zasedanju
glavnega odbora K. S. K.
Jednote, sledeča dejstva
glede tiskarne "Ameriške
Domovine," kjer se tiska
"Glasi" že zadnjih 10
let, v skoro 20,000 iztisih,
na osemih straneh teden-
sko. Mr. Zupan piše:
"Glede postrežbe in dela
od strani tiskarne, moram
dati lastnikom iste vse pri-
znanje in pohvalo. Vse
izvršujejo točno in pravil-
no. V kratkem se bom pre-
selil v novo pisarno mo-
dernega posloja "Ame-
riške Domovine." V tako
lepi, svetli, veliki in sani-
tarni pisarni nisem še nik-
dar delal tekom mojega
19-letnega uredovanja pri
listu..." Ameriška Do-
movina je hvaležna za to
priznanje, ki prihaja iz is-
krenega srca. Po izjavi
mestnih in državnih stro-
kovnjakov in nadzornikov
bodo novi pisarniški pro-
stori "Ameriške Domovi-
ne" odgovarjali vsem po-
stavnim in sanitarnim za-
htevam.

Nadškof nastopil za so- cializiranje naroda

Praga, 8. februarja. 80 let
stari bivši nadškof v Pragi, dr.
Kordač, ki je bil prisiljen radi
nesporazuma z Vatikanom od-
stopiti od nadškofijskega urada,
priobčuje v nekem katoliškem
časopisu zahtevo, da se država
socializira. Pravi, da je duhov-
ščina naredila to napako, da je
dognala nasprotnika v sociali-
zmu. Posledica tega je baje bi-
la, da se je revni svet odvrnil od
cerkve, ker misli, da drži s ka-
pitalizmom.

Roosevelt vabi Romun- sko radi vojnih dolgov

Bukarest, 8. februarja. No-
vo izvoljeni predsednik Roose-
velt je poslal povabilo zastopni-
kom romunske vlade, da pridejo
in se dogovore glede vojnega
dolga, ki ga imajo v Zedinjenih
državah.

Hitler ne želi svoje plače kot državni kancler

Berlin, 8. februarja. Vodja
nemških fašistov, novi nemški
kancler, Adolph Hitler, se je od-
rekel svojih plač kot državni
kancler, ki znaša 48,000 mark
na leto, ali nekako \$7200 na le-
to. Hitler trdi, da dobiva dovolj
plače od svojega pisateljstva,
da lahko živi.

Rojak umrl

Sibirski zima, ki se je privla-
čila v Cleveland iz zapada, je
dosedaj zahtevala že precej žr-
tev. Dvajset oseb je umrlo ra-
di mraza, med temi štiri v državi
Ohio in ena v Clevelandu. Kot
žrtev je podlegel rojak
Louis Koman, 68 let star mož,
stanujoč na 13101 Crossburn
Ave. v West Parku. Mož je ži-
vel v neki šendi in je bil že
precej oslabil. Padel je mrtev
na tla, ko je korakal po cesti.
* Umrl je grof Apponyi, zna-
jni ogrski državnik.

Zanimive vesti iz življenja naših ljudi po ameri- ških nasebinah

Very Rev. Blaž Jerkovič, ki
je bil okoli Božiča zavratno na-
paden v svojem župnišču v Chi-
cago in oropan, je te dni zopet
ozdravel in zapustil bolnišnico.
Isti dan je prejel iz Rima spo-
ročilo, da je bil izbran za pro-
vincijala hrvatskih frančiškan-
ov v Ameriki.

V Gilbert, Minnesota, je umri-
l rojak John Gasperlin, star 55
let, doma blizu Kamnika na Go-

mestu Ely, Minnesota, kjer Slo-
venci gospodarijo, volitve za no-
vi mestni čarter. Državljanom
se priporoča, da pazno prečita-
jo določila novega čarterja pre-
dno volijo o njem.

jo bodo postavili v nove prosto-
re SND, da bodo lažje postregli
gostom, zlasti pa delegaciji S.
D. Z., ki bo imela konvencijo v
Girardu drugo leto. Peč so ku-
pili s posredovanjem Mr. A. Gr-
dina. Zavedni so naši Girard-
čanje, da pridejo celo tako daleč,
samo da se drže gesla: svoji k
svojim.

Povabili so nas na prijeto
zabavo, ki se vrši v Girardu 25.
februarja, ko predstavi Gospo-
dinjski klub SND igro "V Ljubl-
ljano jo dajmo." Po igri bo ples,

du. Gostoval bo oktet pevskega
zboru "Zvon" iz Clevelanda,
dalje bosta kazala slike iz do-
movine Mr. A. Grdina in Mr.
Mihael Telich, kar bo jako zani-
mivo.

Kakor so nam prijazni Girard-
čanje povedali, jih pride večja
skupina v soboto na razstavo
Jugoslovanske soles moderne
umetnosti, ki se vrši v SND v
Clevelandu, kar je res požrtvo-
valno od njih.

Poroča se, da je novi predse-
dnik Roosevelt se že odločil za se-
dem izmed svojih desetih novih

ralnega poštarja, in Miss Fran-
ces Perkins iz New Yorka za de-
lavsko tajnico.

Vinska trgovina v Jug- oslaviji nazadovala

Belgrad, 7. februarja. V Ju-
goslaviji se je lansko leto pro-
dalo za 450,000 galon manj vina
kot leto prej. Laška vina izpod-
rivajo jugoslovanski pridelek.
Tudi davki na vino so v Jug-
oslaviji jako visoki.

Sijajna razstava

Sinoči je bila otvorjena
umetniška razstava v Slo-
venskem Narodnem Do-
mu, ki je tudi za naše raz-
mere nekaj izvanredno po-
membnega. Kdor je bil
navzoč, in kdor ima čut
za slovenski napredek,
kdor se raduje nad uspe-
hcm naše mladine na
umetniškem polju, je vi-
del, da smo naredili toza-
devno krasen napredek.
Ako ne napredujemo v tr-
govskem in društvenem
polju, pa smo videli, da v
teh časih depresije je bilo
stotice mladinskih sil po-
svečenih napredku na kul-
turnem polju. Naj opo-
mnimo naše ljudi, da tra-
ja razstava še danes, v če-
trtek, v petek in v soboto,
ko se zvečer zaključí s
petjem in pozneje s ple-
som v S. N. Domu. To bo
v soboto. Medtem pa je
razstava odprta vsak več-
er do sobote, in ponovno
in iskreno apeliramo na
naše ljudi v žirnem Cleve-
landu, da pridejo in si
ogledajo to razstavo, ki je
za naše razmere v resnici
sijajna. Pridite, prosimo!

Star duhoven obtožen in obsojen na Ogrskem

Budapest, 8. februarja. Pred-
tkušajno kazensko sodnijo je bil
obtožen in obsojen 73 let stari
katoliški duhoven Johann Hock,
bivši predsednik ogrskega revo-
lucionarnega narodnega sveta
v letu 1918. Trinajst let je po-
tem živel v tužjemstvu v pre-
ganstvu, in ko se je vrnil, so ga
aretirali. Obsojen je bil, da je
sramotil vlado. Dobil je deset
let ječe.

Ogromen pridelek zlata v pretečenem letu

New York, 7. februarja. V
letu 1932 se je na svetu pridobilo
za \$494,240,370 vrednosti zlata.
Nikdar prej se ni v enem samem
letu dobilo še toliko zlata iz zem-
lje. Produkcija v letu 1931 je
znašala \$458,212,560.

Predsednik Hindenburg dobil kraljevi obisk

Berlin, 8. februarja. Danski
kralj in kraljica, ki sta včeraj
potovala skozi Berlin v Cannes,
sta obiskala predsednika Hin-
denburga.

Izvrstni radio aparati

Tvrdka A. Grdina & Sons je
dobila zastopstvo za najboljše
ameriške radio aparate RCA
Victor po imenu. Ti aparati,
najmodernejši na polju radio
tehnike, se prodajajo za skrajno
nizko ceno \$19.95. Pridite jih
poslušati. Opozorjamo tudi na
veliko razprodajo, ki se te dni
vrši pri tvrdki s pohištvom A.
Grdina & Sons, na 6019 St.
Clair Ave. in v podružnici na
15301 Waterloo Road.

Cene vodi

Utilitetni direktor Bruegge-
man je naznanil mestni zbornici,
da bo prihodnji teden znižal ce-
ne mestni vodi. Koliko bo zna-
šalo znižanje, še ni gotovo.

Listnica uredništva

Naročnik. Računa se, da ve-
lja davkoplačevalca države Ohio
zasedanje državne postavodaje
dnevno \$10,000.

Senat je poveril novemu predsedniku skoro dikta- torsko oblast pri vladi

Washington, 8. februarja. —
Skoro nepričakovano je prišlo
glasovanje v zveznem senatu,
da se poveri novemu predsedni-
ku Rooseveltu nekaka diktator-
ska oblast, da popolnoma spre-
meni razne urade pri vladi Zedi-
njenih držav, kot on sprevidi,
da je najboljša za napredek in
bolj uspešno poslovanje v zvez-
nih uradih. Nikdar pred Roose-
veltom ni dobil kak predsednik
še toliko moči in zaupanja od
strani senatne zbornice. Seve-
da mora potrditi še zbornica po-
slancev glasovanja je senatne
zbornice, predno postane odred-
ba pravomočna. Senat je podo-
lil novemu predsedniku tako
moč, da slednji lahko reorgani-
zira vse urade zveze vlade, in
če slučajno kongres tega ne bi
odobraval, tedaj mora narediti
izredno postavo proti predse-
dnikovim odredbam, katero po-
stavo pa novi predsednik lahko
vetira, in mora kongres potem
ponovno voliti z dvotretninsko
večino, ako hoče preglasovati
predsednika, kar se pa ne bo
zgodilo, ker ima Roosevelt v
obeh zbornicah veliko večino.
Kako bo Roosevelt uporabil svo-
jo moč, se bo videlo dva meseca
potem, ko bo nastopil vlado.

Ženska odvetnica je zna- la oprostiti klijenta

New York, 8. februarja. Od-
vetnica Madeline Fina je za-
govarjala na sodnji Fr. Dello,
obtožena, da je poneveril \$534
bančnega denarja. Odvetnica je
prosila sodnijo, da potlači obto-
žbo, ker je Frank Dello medtem
vse peneverjeno svoto poravnal.
Toda sodnija je zavrnila proš-
njo. Nekoliko zardela je potem
odvetnica izjavila, da je poročila
obtožena pred 6. meseci, in
da je izvršten mož. In sodnik je
dejal: "Kot moje poročilo dari-
lo oprostim obtožena in ga Vam
izročim v varstvo do konca živ-
ljenja."

Zaprti prostori

V teh časih, ko se je ogrom-
na množica ameriškega nara-
da postavim potem pri volit-
vah izjavila proti hinavski pro-
hibiciji, pa so zvezne sodnije še
vedno na delu, da zapirajo urad-
nim potom prostore, kjer se je
kršila prohibicija. Tako je vče-
raj zvezna sodnija v Clevelan-
du dala zapreti 14 takih prost-
orov.

Cene prascem

Radi nenavadno hude nevihte
v osrednjem zapadu, radi kate-
re je bil transport blaga po žele-
znici močno oviran in ni mo-
glo blago pravočasno dospeti v
mesto, so poskočile včeraj cene
svinjskemu mesu za 50 do 75
centov. Farmerji so prodajali
pri živi vagi prešiče po \$4.50,
dočim so bili 3. jan. po \$3.40.
Tudi cena teletni se je zvišala.

Tretja obletnica

V petek, 10. februarja, se bo
brala sv. maša zadušnica v cerk-
vi sv. Vida ob pol sedmih zju-
traj za pokojnim Frank Kra-
mer ob priliki tretje obletnice
njegove smrti. Prijatelji in so-
rodniki ranjkega so vabljeni.

Brezposelni študirajo

Vodstvo Cleveland kolegija na-
znanja, da se nahaja med štu-
denti nad 20 odstotkov brezpo-
selnih, ki želijo z nadaljnimi štu-
dijami si zboljšati svoj položaj.
* 225 delavcev je dobilo včeraj
delo v East Liverpool, Ohio.

Župan Miller bo razložil svoj načrt za direktno delo v petek popoldne

Cleveland. — V petek popo-
ldne bosta zborovala dva odseka
mestne zbornice, finančni odsek
in odsek za javno blagostanje.
Zborovanje bo javno, in tekom
tega zborovanja bo župan Mil-
ler natančneje razložil poslova-
nje svojega načrta glede pod-
pore v blagu brezposelnim ali
glede direktne podpore s tem, da
se brezposelnim preskrbi delo in
sami plačujejo za svoje potreb-
ščine. Župan Miller je izjavil,
da bo v petek popoldne odgovo-
ril na vsa vprašanja, ki so na-
stala, odkar je bil prvič v javno-
sti prinesen njegov predlog za
direktno delo brezposelnim. Kot
znano je župan Miller predlagal,
da se potroši na leto \$9,200,-
000 za plačo brezposelnim, na-
mesto da bi vlekli podporo. Vče-
raj je imel skupni mestni in
okrajni odbor dobrodelnih družb
zborovanje, pri katerem se je
sklenilo, da se naprosi Rekon-
strukcijsko finančno korporacijo
v Washingtonu, da posodi
Clevelandu dva milijona dolar-
jev za podporo brezposelnim.
Župan Miller je zahteval, da se
ne naredi prošnja za točno po-
sajlo, dokler se v petek popo-
ldne tozadevno ne debatira, na-
kar bo mestna vlada zahtevala
\$4,000,000 posojila od iste vlad-
ne korporacije, da se z omanje-
nim denarjem plačuje za dela
brezposelnim. Župan Miller je
obenem včeraj izjavil, da časo-
piše ne prinaša točnih poročil
glede njegovega programa za
delo brezposelnim. Časopisje
piše stvari, katerih on nikdar ni
izjavil, ker posamezni reporter-
ji iščejo v njegovi izjavi senza-
cijelnosti. Absolutno je župan
zavrnil sumničnja, da želi po-
magati samo demokratom, ki so
brez dela. To sumničjenje je po-
bil z izjavo, da mestna vlada ne
bo izbirala delavcev, ki pridejo
pri tem v poštev, pač pa dobro-
delne družbe, ki poznajo kdo je
brez dela, kdo je simulant ali
ne. Odbor, ki bo imel nekako
diktatorično oblast nad poslova-
njem županovega načrta, pa bo
sestal iz sledečih oseb: iz načel-
nikov posameznih odsekov do-
brodelnih družb, iz predsednika
okrajnih komisarjev in predse-
dnika apelatne sodnije. Dotični
bodo imeli nadzorstvo, komu se
podeli delo, ne pa vardni vodite-
lji ali kakih politični strankarji.
S tem bo mestna vlada dokaza-
la, da dobijo delo oni, ki so po-
trebni in ki so priporočani od
dobrodelnih družb.

Nego si je zlomila

V soboto je padla rojakinja
Mrs. Mary Vilar, stanujoča na
14305 Thames Ave. tako nesre-
čno na uličnem pločniku, da si
je v dveh krajih zlomila nogo.
Bila je odpeljana v bolnico, kjer
so ji povezali nogo, in se sedaj
zdravi doma. Želimo ji skoraj-
šnjega okrevanja.

V Maple Heights

ga.

V skupni borbi

Vi ste član te ali one slovenske bratske podporne organizacije. Redno vsak mesec plačujete svoje prispevke za skupne stroške poslovanja, za smrtnino, za bolniško podporo in za druge dobrote in podpore, katerih ste deležni, ako zbolite ali ako se vam pripeti nesreča pri delu ali sicer na kak drug način.

Prispevki, asesmenti, kot jih imenujemo, so pri naših slovenskih bratskih organizacijah primerno zelo malenkostni. Proračuni so na take svote, da naše organizacije ravno komaj sproti shajajo, ne da bi bile možne ustvariti pri teh asesmentih rezervo, ki bi bila dobrodošla v slučaju epidemije ali nepredvidenih dogodkov.

Oni, ki ste člani raznih bratskih podpornih organizacij, ste je imeli bridke skušnje, da ste morali od časa do časa plačevati izvanredne asesmente, doklade in izredna plačila, kar vas gotovo ni veselilo, zlasti pa ne v sedanjih časih. Enake naklade se najraje plačujejo v bolniški sklad, ki je pri večini bratskih podpornih organizacij vedno raje okoli ničle kot okoli tisocev.

Slovenska Dobrodela Zveza je edina slovenska bratska podporna organizacija v Ameriki, ki dela pri tem izjemno. Ne samo, da Slovenska Dobrodela Zveza v vseh dvindvajsetih letih svojega obstanka ni še nikdar razpisala izrednega asesmenta na svoje člane, pač pa je njena uprava tako točna in pazljiva, da se je v bolniški skladu od postanka Zveze do danes nabrala svota denarja, ki je večja, kot pa znašajo skupni fondi vseh ostalih bratskih podpornih organizacij v Ameriki, kar se tiče bolniškega sklada.

Pri vsem tem pa Slovenska Dobrodela Zveza točno plačuje vse zahteve za bolniško podporo vsem članom, ki se točno držijo pravil in so v resnici potrebni podpore. Vsak član plačuje svoj asesment v prepričanju, da kadar bo potreboval, da dobi svojo podporo. Glede te bolniške podpore je pa v teh dnevih depresije postala stvar zelo delikatna.

Kdor čita uradna glasila raznih bratskih podpornih organizacij, ta je zadnja leta opazil, da mnogi člani izkoriščajo svojo Jednoto, svojo Zvezo s tem, da simulirajo bolezen. To se pravi, da se naredijo bolne, dočim niso v resnici bolni, in vlečejo podporo iz skupne blagajne. Poznano je dejstvo, ko je neko društvo v Kanadi, ki pripada k slovenski bratski podporni organizaciji v Zedinjenih državah, v enem letu potregnilo \$9,000.00 bolniške podpore, dočim je v istem času, tekem enega leta, plačalo v bolniški sklad samo \$1,200.00. Ti "bratje" so torej odnesli v enem letu \$7,800.00 več iz skupne blagajne, kot so pa v njo plačali.

Da v takih okoliščinah ni mogoče iti naprej nobeni bratski podporni organizaciji, je očitno. Krivi so takozvani simulanti, ki se množijo v vrstah naših bratov in sester zadnje čase v vedno večjem prirastku. Končno so pa krive tudi razmere. Je tisoče slučajev, ko bi se član ali članica ne bi javil ali javila bolnim za vsako malenkost, ako bi bili redno zaposleni in imeli zaslužek. V teh časih depresije pa se kaj lahko zgodi, da člani javljajo vsako malenkostno slabo razpoloženje za — bolezen in vlečejo podporo v stoterih slučajih. To so takozvani simulanti. Še potem, ko so normalno zdravi, odlašajo javiti se tajniku, da so ozdraveli, in zdravniki, ki imajo mnogo enakih slučajev, seveda ne morejo takoj uganiti in odločiti, kdaj je tak simulant v resnici zdrav. Naše bratske podporne organizacije plačujejo letno na ta način kakih \$100,000 bolniške podpore za same simulantne, izkoriščevalce bratskih podpornih organizacij.

Dolžnost slehernega poštenega in razumnega člana vsake bratske podporne organizacije je, zlasti pa članov Slovenske Dobrodelne Zveze, da pazno čuvajo na take simulantne in vsak sumljiv slučaj nemudoma sporočajo na pristojni društveni ali zvezni urad. Stvar je namreč sledeča: bolniški sklad je za prave bolnike, ne pa za simulantne in izkoriščevalce. Resnično bolni so upravičeni do polne podpore, in če pa bomo tako podporo dajali usiljivcem, simulantom, bomo kmalu izpraznili dno bolniške blagajne potem bomo pa plačevali izredne asesmente ali naklade. In kdo se jih ne boji v teh depresijskih časih?

Bratje in sestre, pazite na svoje bolne članе, in če so slednji v resnici bolni, kot ste se prepričali pri svojem obisku na domu bolnika, tedaj jih pošteno priporočajte v podporo. Ako pa imate dvom o boleznih bolnika, tedaj je vaša sveta dolžnost, da to nemudoma sporočite svoji društveni seji, v vašo lastno korist in v korist vsega članstva. Dajte bolnikom, kar jim gre, toda poženite simulantne iz društvenih vrst, da se ne boste pozneje kessali.

Euclid, O.—Dan za dnem sem pričakoval, kdaj se bo oglašil naš poročevalce, sedaj sem pa zvedel, da je bil od Turkov ranjen. Kriv si je sam, ker ni ubogal Uršule, ki je vedno povdarjala, da v slogi in z družinimi hotmi bomo zmagali. On je hotel s par fanti pognati vse Turke, kar se mu pa ni posrečilo. Upam

pa, da rane niso prenevarne in scasoma se bodo tudi zacelile. Za bodoče jim pa priporočam, naj se drže složno skupine in večine, pa ne bo noben ranjen.

Igra "Turški križ" je bila bolj obiskana kot smo pričakovali. Precej ljudi se je moralo vrniti, ker ni bilo več sedežev. K temu so veliko pripomogli naši Bar-

H. GREGORY PRUSHECK, naš rojak in umetnik, ki je učitelj Jugoslovanske šole moderne umetnosti, ki ima od 8. do 11. februarja razstavo v Slovenskem narodnem domu na St. Clair Ave., Cleveland, O.

bertončanje. Žal, da nismo prej vedeli za njih prihod, da bi jim boljše postregli. Vsi smo bili prijetno iznenadeni nad njih prihodom. Naj omenim še, da so se naši fantje nekoliko jezili, ker so barbertonski fantje vsa naša dekleta pobrali za ples, tako da je naših le malokateri prišel na vrsto. Zato so pa sklenili, da jim bodo to tudi v tem oziru povrnili o prvi priliki. Torej najlepša hvala vsem posebnikom iz Barbertona in upamo, da se zopet kmalu vidimo.

Domačinom pa obljubljam, da bomo imeli za prihodnjo igro Ribničana v dvorani in ne na odru, kot pri igri, da če bo potreba, bo dvorano razrinitil, da vam ne bo treba iti domov. Enako se tudi vam zahvaljujem in želim, da nas tudi prihodnjič v enakem številu posetite. Zagotovim vam, da bo prihodnja igra še bolj igrana, ker smo dobili precej dobrih novih moči v naše društvo. Obenem apeliram na vse rojake in rojakinje, ki imate veselje do dramatike, da pristopite k dramskem društvu "Naša zvezda." Clanarina je samo 10 centov na mesec. Seje se vršijo vsak četrti petek v mesecu v Slovenskem društvenem domu na Recher Ave.

Hvala poslovodju Slovenske zadružne zveze, Mr. Malovašiču, za dar v gotovini, ker se ni mogel udeležiti predstave. Ker ni to njegov prvi dar, apeliram na rojake, da podpirajte tiste, ki podpirajo nas. Slovenska zadružna zveza je delavska ustanova. Kljub prizadevanju verižnih trgovin, da jo ugonobe, lepo napreduje. Ker je cena enaka in postrežba pa boljša, prepričajte se sami in spoznali boste, da je to resnica.

Hvala tudi gospodični Rozi Zdešar, ki je igrala na harmoniko ter se prikupila občinstvu, da smo se že bali, da ne bo igre, ker je morala tolikokrat nastopiti. Enako se moramo zahvaliti tudi gospodični Elsie Belgan, ki je igrala na havajsko kitaro ter tudi pokazala lep uspeh, posebno če se še upošteva, da se uči šele par mesecev. Le tako naprej, Elsie, pa se ne boš nič bala nastopiti prihodnjo sezono.

Ne smem pa pozabiti naših mladih pevke: Silvie Mlač in Josie Medvešek, od katerih je občinstvo zahtevalo, da bi še in še pele. Najlepša hvala in upam, da vaju bomo še slišali.

Hvala tudi režiserju in igralcem, ki ste mu šli na roko, ker kljub vsem zaprekam, ki ste jih imeli, je bila igra dovoljno izpeljana. Obenem se moram pa tudi zahvaliti vodstvu Slovenskega društvenega doma, oziroma

oskrbniku Mr. Math Debevcu, ki nam je šel v vseh ozirih tako lepo na roko.

Ker se ne morem zahvaliti vsakemu posamezniku, kar bi vzelo preveč prostora, zato se

Z narodnim pozdravom,

John Mevla, član društva.

WYN FIELD:

ŽENSKÉ NA OTOKU OSHIMA

Otok Oshima leži kakih 66 milj od Japonske države in je bil mnogo stoletij kot nekaka ječa za razne politične in tudi druge kazence. Danes je otok uspevajoč, kjer se prebivalci bavijo s poljedelstvom, ribolovom in živinorejo.

Tujcem je otok Oshima najbolj poznan radi ognjenika Mihara, iz katerega se vedno kadi. Namenili smo se, da gremo na vrh vulkana in se podamo zgodaj zjutraj, po tečem zajtrku na pot. Najeli smo vodnika in ko se nam ta zjutraj predstavi, smo se nemalo začudili, ko smo videli, da ni moški, ampak ženska. Tukaj se nam je prvič predstavilo, da opravljajo na tem otoku vsa važnejša dela ženske. Naša vodnica je bila mala, slabotna ženska. Povedala nam je, da je stara šestdeset let in da gre vsak dan na vrh vulkana. Res se je izkazala, kot večša in pa zelo vztrajna ženska.

Po dveurni hoji v hrib, smo prišli na konec gozdnatega pasja. Tukaj smo našli udobno kočico, ki je služila obiskovalcem vulkana za počivališče in kjer se je dobil okusen prigrizek in tisti večni japonski čaj. Ko smo zunaj na verandi srebrali čaj, smo videli ženske, ki so nosile iz doline polne posode vode na glavi — dve uri daleč v hrib.

Zopet smo se napotili naprej. Za nami je ostala vsa kultivirana zemlja. Zdelo se nam je, kot bi stopili v čisto nov svet. Dospeli smo do malih vzboklih hribočkov in zajed, kar vse je nastalo od strjene lave. Po strmih pobočju smo dospeli prav na rob vulkana. Iz žrela se je kadilo in vonj po žveplu je polnil naša pljuča. Bilo je res zanimivo.

Ko smo se vrnili nazaj v hotel, si je vsak vzel kopel. Zanimalo vas bo, ako povem, da to ni bila kopel z vodo, ampak — mlekom, kozjim mlekom. Vode namreč tukaj zelo primanjkuje, koz imajo pa veliko in mleka jim vedno toliko ostaja, da napolnijo banje z mlekom za kopel. Razume se, da je to jako osvežujoča kopel.

Ko so v preteklih letih pošiljali na ta otok politične in druge zločince, so vedno poskušali ubediti. Ako kazenci na svojem begu niso dospeli do kakega oto-

vam vsem delavcem in posetnikom, ki ste pripomogli do take lepega uspeha, prav iskreno zahvaljujem.

Z narodnim pozdravom,
John Mevla, član društva.

ka, so žalostno poginili na odprtem morju. Kljub nevarnemu podvetju, so vedno in vedno skušali pobegniti. V kaki viharni noči, ko niso bile straže tako budne, so se splazili jetniki na obrežje, vzeli kak čoln in odveslali na slepo srečo na morje.

Žene na otoku Oshima so znane po svojih krasnih, dolgih lasih. Ni redko, da se vidi žensko, kateri segajo lasje do tal. To bujno rast las pripisujejo olju, ki ga pridelujejo iz nekega drevesa, s katerim si mažejo lase. To olje je znano tudi na Japonskem in vsak, ki obišče te kraje, prinese steklenico tega olja v dar svojji ženi, ali sestri.

Otok meri v obsegu samo trideset milj. Delo povčini opravljajo ženske, moški pa živijo jako leho in udobno življenje. Kadar je na Japonskem kak moški, ki se mu ne ljubi delati, mu svetujejo, naj gre na ta otok, kjer bo kmalu dobil kako žensko, ki bo delala zanj in ga preživljala, ker tukaj je mnogo več žensk kot pa moških. Kadar mora ženska nositi kako breme, pa naj bo malo ali veliko, ga vedno nosi na glavi.

Domačini pravijo, da izvirajo iz ponesrečenih mornarjev, katere je baje poslal kitajski cesar Šihuang Tin na ta otok, da mu prinese sok nekega drevesa, ki je človeka pomladi. Ladja se je pa na čereh razbila, nekaj mornarjev, ki so imeli seboj tudi svoje žene, se je rešilo na otok in tako se je zarodilo današnje pleme. Noben noče priznati, da so morda kaki potomci političnih kazencev, ki so se naselili na otoku po prestani kazni.

Konec velikega tirana
Največji ekstremist in tiran francoske revolucije je bil Jean Paul Marat, ki je s svojo krvoločnostjo prekosil celo Dantona in Robespierrea.

Marat je bil rojen leta 1744, in sicer kot sin kalvinskih staršev. Preden je prišel v Pariz, je študiral medicino, toda v tem mirnem poklicu ni našel dovolj razmaha in poleta svojim idejam. Ko je napočila revolucija, se je kmalu dvignil med njene prve voditelje, med katerimi je bil znan kot eden najkrvoločnejših. V tem času je živela v kraju

Calvados mlada, krasna 25-letna deklica, po imenu Šarlota Corday. Svojo izobrazbo je dobila v nekem samostanu, nato pa je odšla k neki svoji prijateljici, pri kateri je živela. Ker je bila močne, moške volje, se je kmalu pričela z vsjo intenzivnostjo zanimati za potek revolucije ter prišla do prepričanja, da je Marat zver, katero bi bilo treba odstraniti, če se hoče zaveziti prelivanje krvi. Dolgo je premišljevala, kako bi bilo mogoče odstraniti krvoločnega tirana, in ko je naredila svoj sklep, je pisala svojemu očetu, da namera prvo odpotovati v Anglijo ter se umakniti francoskemu revolucionarnemu vrvežu.

V resnici pa ni šla v Anglijo, marveč v Pariz, kjer je sklenila umoriti Marata.

Ko je dospela v Pariz, je Šarlota izvedela, da je Marat bolehen in da se ne udeležuje narodnih konvencij, pač pa da se mora zdraviti in negovati doma. Pri daljšem premišljevanju je pisala Maratu pismo, v katerem ga je prosila za avdijenco na njegovem domu, češ, da mu ima sporočiti važne stvari o protirevoluciji, katero kujejo njegovi sovražniki. Pismo je sklenila sama oddati, zato se je napotila do Maratove hiše, kjer je, trdno odločena, potrkala na njegova vrata. Odprla ji je Maratova priležnica in gospodinja, kateri je Šarlota izročila svoje pismo s prošnjo, naj ga nemudoma odda Maratu.

Marat, ki je bil takrat 49 let star se je nahajal pravkar v kopeli, je prečital pismo ter naročil svoji priležnici, naj privede v kopalnico Šarloto, da izve od nje nadaljnje podrobnosti. Dejstvo, da se je nahajal v kopalnici, ga ni niti najmanj vznemirjalo.

Šarlota je vstopila ter pričela Maratu opisovati namišljeno zaroto in mu naštevati imena zarotnikov. Marat si je pomel roke ter vzkliknil: "Prav, prav! Vsi ti bodo končali pod giljotino!" Ko je izrekel Marat besedo giljotina, je v deklici zavrela kri, v trenutku je potegnila skrit nož ter ga zasadila Maratu do držaja v levo stran prsi, naravnost v srce. Marat je imel še toliko moči, da je zaklecal svoji gospodinjji in priležnici: "Pomagaj, draga!" nakar je omahnil brez moči v kadunjo.

Iz druge sobe sta tedaj prihitela gospodinja in neki moški, ki se je tam nahajal, ki sta brž planila k Maratu, ki je ležal polpotopljen pod vodo, dočim je stala poleg njega mirno njegova morilka.

Moški, ki je prihitel z gospodinjjo v sobo, je zgrabil bližnji stol ter z njim brutalno udaril Šarloto po glavi, da se je slednja takoj zgrudila na tla, Maratova gospodinja pa se je sklonila nad smrtno ranjenega Marata ter pričela obupno jokati.

Šarloto so seveda takoj odvedli in zaprli, in ker je Marat umrl, je bilo iz vsega početka jasno, da je tudi njena usoda zapечатena. In res: pred revolucijo (Dalje na 4. strani)

Če verjamete al' pa ne.

Jaz sem še vedno rekel, da mi smo mi, ki se ne bojimo vsake smeti, ali kakor je ranjki Kundec večkrat rekel: "Kaga se pa bajema!" In da je to resnica, naj vam dokazuje naslednja prigodbica, ki se je odigrala zadnji torek zjutraj, nekako ob tistem času, ko so začeli mlekarji razvažat mleko. Prav za prav se je prvo dejanje začelo že v pondeljek večer, ampak igralci so stopili na oder šele v torek zjutraj, torej lahko trdim, da se je drama igrala v torek zjutraj.

Ker je pondeljek že od pamtiveka nesrečen dan, tudi mi nismo bili zadnji pondeljek za drugo rabo, kot da smo prijeli vraga za roge in nadaljevali tam, kjer smo v nedeljo nehali, to je pri ohajčanu in marjašu. Se reče, saj midva s prijateljem Jimom ne bi šla v pondeljek večer nikamor drugam, kot spat, da ni prišel doktor Jim na nesrečno misel, da nam je prinesel iz Floride nekaj lepih rib, ki jih je baje sam vjel. Te ribice nam je spekel Marian Mihaljevich, ki je doma iz Dalmacije, torej ima že v ta malem prstu vse recepte, kako se morske ribe v primernem položaju spravi na krožnik. In ker ribe niso dobre, če se jih hitro ne spravi s poti, zato je bilo neobhodno potrebno, da spravimo ribjo stvar s poti takoj v pondeljek. To nam je služilo tudi za lep izgovor doma, češ, da se človek mora odzvati v ljudnemu vabilu, ker sicer je zamerar.

To je nekak uvod k poznejši drami. Se v starem kraju smo slišali, da se riba ne počuti dobro, če ne plava, zato smo se tudi v pondeljek tega skrbno zavzeli in lahko rečem, da riba je plavala kar se da in če se ne motim, je pri nekaterih še plavala ves dan v turek in še precej časa v sredo.

Potem smo se pa počasi organizirali in pozabili na ves svet, tako nekako, kot zadnjič enkrat prijatelj Jim, ki mu je bila žena bolna, pa mu je grenko očitala, ko je prišel od marjaša pozno domov, če ne ve, da ima doma bolno ženo. Pa je Jim odkritosrčno rekel: "Veš, nate sem bil pa čisto pozabil!" Takega odkritosrčnega človeka ima še Bog rad in tudi žena je kmalu po tistem ozdravela, da bi ne bilo kak pomote.

Marjašarjem je lahko dopovedat, kako naglo mine ura pri kartah. Enkrat talaš, pa je tri ura zjutraj. Ampak naše ženske nam tega ne verjamejo. Ko nam je zmanjkalo ohajčana in smo bili prepričani, da ga ob tej uri nikjer dobili ne bomo, smo sklenili, da gremo domov. Prav prijatelja je bila vožnja proti domu, posebno še, ker so bila tla spolzka in smo se vozili nekaj časa tako, nekaj časa pa tako. In tukaj hočem opisati, kaj se je pripetilo enemu mojih prijateljev, ki se je vozil proti Colliwoodu. Ime bomo zamolčali, pa saj bo morda kdo vseeno potuhtal, da je bil junak te zgodbe eden izmed nas; ki stanujemo na vzhodu.

Prav počasi je vozil, da bo dlje lušno in si je izbral pot ob jezeru, skozi vasico Bratenahl, kjer patrolirajo ponoči isti policisti, katerim nihče prav ne vozi. Če voziš prehitro, te ustavi, če voziš počasi, jim pa zopet ni prav. Niti če se ustaviš sredi ceste z avtomobilom, da bi mola zadremal, te ne puste pri miru. Torej naš prijatelj je furu lepo po ovinkih in onkraj 105. ceste, naenkrat vidi ob strani ceste dva avtomobila in nekaj ljudi. Vesta, Slovenci smo mehkočuten narod in nas nesreča bližnjega takoj gane do solz. Tako si je mislil tudi naš rojak, ki je takoj čutil silno usmiljenje do avtomobilistov, ki morda potrebujejo pomoči.

Mlinarjevi

Za "Ameriško Domovino" prestavil M. U.

"I, pa povej vendar!" je pro- sila Apolonija.

"Zelo enostavno. Nekaj bi mo- rala narihtati. Potem bi de- jala Stran mora, izpred oči, saj ne povzroča drugega nego le skrbi in nadlego! Potem začneš tuliti kakor priklenjen pes, in rečeš, da nočeš. In konec bi bil ta: Konrad mora pod nož, pri Bogu, mora v šolo!"

Apolonija ga je na lahno su- nila. "Prav hudobna pobalina sta, ker nočeta uvideti, da sta vredna šibe. Očetu povzročata mnogo skrbi!"

"O, nikakor ne!" sta zagodla Urh in Konrad obenem. "Skrbi že ne, pač pa strup in jezo! Ne more naju trpeti!"

SESTO POGLAVJE

Nekje nedelje popoldne potem ko so bili spravili oves, je Apo- lonija prebirala v kuhinji seme- na, ki jih je pridelala na vrtu. Zunaj je bilo tako viharno, da je veter pihal v kuhinjo celo pri zaprtih oknih in vratih in ji od- našal lupine po tleh. Medtem ko je zbirala izmed semena li- stičje in bilke, se je spomnila, da je imela mati prav gosto zimnato sito. Kam je le neki to prišlo? Gori v podstrešju je najbrž. Poiskala je ključe ter se odpravila po stopnicah. Pod- strešje je bilo razdeljeno v več kamer in se je raztezalo pod vso streho. Odprla je kamro, kjer so spravljali zrnje in potem tret- jo, kjer so bile nanizane vreče, ki jih je kupil Mlinar kje v sem- nju ali pa pod roko. Tu je bilo temno, ker so bile vreče naniza- ne preko oken. Mlinar si je ohetal od te kupčije velikega do- bička. Ko je tipala po ozkem prehodu med vrečami in se ke- sala, da ni vzela sveče s seboj, je začela godbo. Postala je. Od nje le prihaja godba? Zdelo se ji je, da mora biti nekdo skrit med vrečami. Ali pa prihaja od spodaj gori? Vtaknila je ključ da vstopi v zadnjo čimnato. Tedaj je začela ropot. Malo pre- strašena je obstala. I, pač je najbrže veter kaj prebrnil, ko sem odprla vrata!

Kašča je bila prazna, lepo po- metena. V enem kotu je bila nekaka shramba. Tudi so bile tam spravljene prazne vreče, za- boji za žito in sita. Tu je pričela iskati. Najprej pa je vendar le hotela napraviti nekoliko re- da, kajti vreče in rešeta in sita so bila razmetana, kakor da so tu gospodarili otroci. Dvignila je težak zaboj. Te- daj — smeh in hihitanje in še predno se je mogla poredi pre- strašiti, se spoznala Teklo. Isto- časno pa so se zganile tudi dru- ge skrinje in vreče in izmed ro- potije so se pokazali med glas- nim smehom, najprej Lucija, po- tem Lovrenc in še mlinarski po- močnik s črnim kodrom na čelu. Lovrenc je končno prišel do sape ter se pričel opravičevati: "Saj veš, da bi radi na ples za sv. Katarino. Kako pa naj se naučite dekleti plesati, ko je do najbližnjega soseda tako daleč. Pa sem jaz prevzel učenje, a Martin pa pomaga proti mali napitnini kot muzikant. — Ni- kar ne delaj takega obraza, Apo- lonija," je prosil. "Saj ni ničesar slabega na tem. Skril smo se pač samo zato, ker smo misli- li, da prihaja oče. In kako se postavi obe dekleti? Ali ho- češ videti? Nu, nikar vendar ne stoji, kakor da ste zaspali! Ka- dar brat in sestra plešeta, tedaj joče hudič!"

Martin je igral na prevrnje- nem čeburu. Lovrenc je objel Lu- cijo in zaplesal, medtem ko je Tekla brenčala: "Sitiš, šotiš moraš znati!" Apolonija je še vedno imela

tak obraz, da je plesočima pre- šel smeh iz oči in pa gibčnost iz nog. Ob takih pogledih vendar ne moreta plesati! Niti Tekla, niti Lucija niste več hoteli.

Nenadoma pa je dejal Mar- tin: "Da sem jaz Apolonija, tudi jaz bi bil užaljen! Mar je ona babica, da je ne povabite k ple- su?"

Ah, saj to je bilo! Obe de- kleti ste skočili k njej obenem ter jo prosili, naj bi poskušala kako navadno polko.

Apolonija je ob Martinovih besedah, čigar predzniki koder ni mogla trpeti, pordečela celo gori pod lase. Kajti on je uga- nil nje misli, še natančneje nego ona sama. V glavo ji je padlo: Ne, ničesar zlega ni, če se brat- je in sestre uče drug drugega plesati. Tako je navada, in kdor se hoče postaviti, se mora tudi pokazati ob praznikih. Čemu pa niti ne mislijo, da bi tudi jaz ra- da plesala? Mar sem grbava, ali tako pusta, kakor smrten greh ali že tako stara — v eden- indvajsetem letu? Morebiti za- to, ker pravijo, da pojdem v sa- mostan? Saj tako nameravajo tudi druge, ki jih pa kljub temu vabijo na ples. Ali pa zato ker nimam fanta, ki bi me popeljal? Ne, ne, ne zato, pač pa zato, ker sem le dekla v hiši, da brišejo čevlje obme. Zato ker vsakdo le po meni povprašuje, zato me smatrajo za napol zavrženo cu- njo, ki seveda ne more biti mla- da.

"Ne, ne, le pustite me!" je de- jala odločno. "Jaz nisem ne- deljski, pač pa vsakdanji konj!"

"Zakaj je nisi povabil?" je za- šepetala Lucija bratu, ko sta zo- pet plesala.

Resnično, najprej je moral pomisliti in šele potem je lah- ko odgovoril: "Tako je pač, ka- kor bi bila naša mati! In ker povsod zapoveduje, a češče še bolj ukrene nego sam oče, za- to tudi človek že ne ve, da je tu- di ona še mlada." Uvidel pa je, da se mora radi tega celo pred hlapcem sramovati. Zato so se tudi vsi štirje sedaj oklenili Apolonije ter jo skušali prepro- siti, a nekoliko tudi prisiliti. Po- kazali so ji najprej zeksšrit in polagoma se je udala, najprej seveda le nekoliko nejevoljno, a potem pa kakor tisti, ki noče drugemu pokvariti veselja. V resnici pa se je veselila, a ne samo zato, ker je bila žalitev po- ravnana, pač pa tudi, ker je že- lela, da bo prav tako in nastopa- lja prav tako, kakor se spodobi za polnoveljavno in spoštovano hčer iz dobre hiše. Se od matere sem ji je ostalo v spominu, da, v krvi: "Taka je že prastara na- vada. Tako moramo tudi mi. Tega se moramo držati!" Zato tudi ni hotela ona veljati za "zakisano" staro devico ter sa- mo pri vratih gledati, kadar so šteli in klicali mlade ljudi. Bila je sicer nekoliko zavaljanega telesa, a marsikatera suha rakla je imela debelejšje noge. Nje no- ge so bile izredno majhne, a nje meči kaj lepi. "Pravo nogo za ples imaš," je hvalil Martin, ko je baš iztrkaval orglice.

"Ti ne bi smel gledati sem!" se je sramovala Apolonija in potegnila krilo do gležnjev.

Šlo pa je hitro izpod rok. Najprej se je bolj učila z opa- zovanjem, potem pa je pričela tudi poskakovati. Bilo jih je se- daj pet, tako da so lahko napra- vili sedaj dva para. Apolonija ne bi strpela, da bi v katerem- koli oziru zaostajala za svojima sestrama.

MILO URBAN:

ŽIVI BIČ

Roman

Moko in druge jestvine so jim delili v trgovini pri Aronu. Mno- gi sploh niso hodili ponje, ker so bile drage in za nič. V Razto- kah so imeli moko iz lastnega ži- ta. Toda nesrečna vojska je se- gla tudi po tej. Prisiljeni od gosposke so jemali mlinarji od nje določeni del, pri tem pa tudi nase niso pozabljali, tako da so ljudje odvažali samo ostanke. Če so kupovali moko, so jo kupovali največ pred prazniki za potice, zamesene z vsakovrstnim zlom. Če je imel Aron drugo delo, je puščal ljudi cele ure stati pred trgovino. Zato je izkupil polno najrazličnejših prifkov, t o d a Aron si iz njih ni nič storil. Bil je gospod. Pred nedavnim je bil še revež, ki je stal pred svojo kramarsko budo in vlekel Razto- čane za suknjo vanjo; danes pa je imel novozidano veliko hišo, stranska poslopja iz opeke in par krasnih konj. Troje otrok, dva sinova in hči, je študiralo v Budapešti. V bankah je imel, kakor se je govorilo, težke tiso- čake.

Ljudje so dajali, toda niso po- zabljali, da dajo in da dajo pris- silno. Zapomnili so si to zelo dobro. Vedeli so, koliko so zno- sili notarjem kokoši in gosi, ve- deli so, koliko so izdali krvavo prisluženega denarja za državna posojila, da bi se vrnil domov oče ali sin. Bili so taki, ki so znosili skoraj ves denar, vrnil pa se ni nihče. Slišali so samo, kako ta ali oni vidno bogati, kako sre- di te revščine, sredi tega joka si- jajno živi.

Ljudje so vedeli, da je vse to plod njihovega dela, njeovega potu, ki so si ga gospodje nace- dili v svoje lonce.

In to povsod. Povsod. Kamorkoli si šel, povsod so se pritoževali.

"Gospodje nas obirajo, gospo- dje se redijo od naših žuljev." "Ej, gospodje, gospodje!" Res je, da je ljudstvo javno molčalo, ker je moralo, toda pe- sti so se vsak dan, vsak mesec bolj grozeče stiskale pod gora- mi krivic, ki so se valile z vseh strani. Valile so se kakor vode in poplavljevale vse, ljudje pa so škripali z zobni in stiskali pe- sti.

Stiskali so pesti. "Le počakajte!" so žugali, "le počakajte!"

Niso vedeli, kaj bo iz tega, to- da stutili so, da se bo nekaj zgo- dilo, da se nekaj mora zgoditi. Ta slutnja se je prijemala lju- di kot kužna bolezen in jih na- padala v spanju, v bedenju in kjerkoli so bili. Oni pa so ho- dili bolni kakor v polsnu in ča- kali, da se nekaj zgodi brez njih, da se nekdo, močan kakor Bog, maščuje nad krivicami, storje- nimi nad njimi.

Toda nikogar ni bilo. Ljudstvo je pri tem čakanju odrevenelo kakor jata jerebic, ko jastreb zakroži nad njimi ... XVI

Eva Hlavajeva svojega stanu ni tajila prav nikomur. V pisa- ni ruti, z bledikastim obličjem jo je bilo videti vsak dan, kako je odhajala iz nove lesene hiše za vodo na delo. Šla je nekol- ko- tegobno in počasneje, toda vztrajno kakor nekda, z rokami zagriženimi v delo, ki je kar gorelo v njih. Bila je sama pri hiši; vse gospodarstvo je ležalo na nji, zato se je moralo pošteno

obračati, če je motela obvladati vse delo.

Res je šlo to težko. Eva Hla- vajeva je morala sama vpregati ter prijemati za plug in kesneje celo za koso. Najeti ni mogla nikogar, kajti denarja je bilo treba plačati, denarja pa ni ime- la. Pa tudi če bi ga bila imela, bi ji jo ne pomagalo, ker je bilo v teh časih dinarja sploh težko dobiti. Vsak je delal samo zase, da bi se obvaroval pred gladom, ki je visel nad vasjo kakor težka mora.

Z raz- nimi gesli so izvabljali od nje- ga zdaj denar, zdaj zopet pridel- ke in se redili pri tem. Ko je ljudstvo ta gesla spoznalo, so za- čeli uporabljati slepila. ja razmotrivalo o inicijativnem predlogu, ki ga je stavilo društvo Slovan št. 3 SDZ. Naše društvo je odglasovalo z večino glasov, da ne podpira predloga in to iz razloga, ker je naše društvo stavilo pred štirimi meseci približno enak predlog, pa ga ni ti eno društvo in tudi št. 3 ni podpiralo. Zato se nam vidi, da ni potreba drugega predloga v tako kratkem času, ko je članstvo ravnokar enega zavrglo.

Z bratskim pozdravom, za društvo Glas Clev. Delavcev št. 9 SDZ:

Joseph Ponikvar, tajnik.
(pečat)

Članstvu dr. št. 14 SDZ

Namenil sem se napisati par vrstic na članstvo društva Clevelandski Slovenci, št. 14 SDZ. Upam, da je večini članstva znano, da bo dne 9. marca 1933 minilo dvajset let, kar je bilo naše društvo ustanovljeno. Nimam namena danes pisati za 20 letnico, v tej zadevi bom poskusil napisati nekoliko zgodovine društva drugi mesec. Moj namen danes je, opozoriti članstvo, da smo na zadnji seji dne 8. januarja nekoliko debatirali in sicer, da bi napravili nekoliko domače zabave ob priliki 20 letnice. Na zadnji seji se je takoj nekoliko članov prigrabilo, kakor se je ta stvar uredila, namreč, da vsak član, ki se prigrabi bo plačal \$1.00 in bo potem imel vse prostoto. Da boste razumeli, to ni splošno članska obveznost, to je, da bi moral vsak član prispevati po \$1.00. Le kateri more in katerega veseli taka domača zabava.

Opozarjam vse člane, kateri se zanimajo za prireditev domače društvene zabave, da se gotovo udeležite seje dne 12. februarja v navadnih prostorih, da se bomo še nadalje pogovorili o tej zadevi. Pred vsem pa pomnite, da če se ta zabava priredi, da nima društvena blagajna za slučaj izgube na prireditvi, nobenega opravka. Ako bi bila slučajno izguba, je obveznost vseh tistih članov, kateri bodo pripravljeni, ves primanjkljaj pokriti. Nasprotno pa, ako bi od prireditve kaj ostalo, se bo pa dalo društveni blagajni. Tak je bil namen na zadnji seji in s tem še ni rečeno, da mora ostati tako. Glede tega ne bo odločeval kak posamezen član, ampak bo odločilo članstvo. Ravno tako bo tudi članstvo na seji odločilo, kdaj se bo prireditev vršila. Take stvari se rešujejo na seji, ne pa po privatnih domovih. Torej vas prosim, da pridete 12. februarja na sejo in se bo vse uredilo v splošno zadovoljnost. Bratki pzdraz,

Frank Končan, predsednik.

Iz urada društva št. 14 SDZ
Opozarja se vse člane društva Clevelandski Slovenci št. 14 S. D. Z., da se gotovo udeležijo redne mesečne seje 12. februarja 1933. Začetek seje je ob 9:30 dopoldne. Na dnevnem redu je razprava glede zabavnega večera ob priliki 20 letnice obstanka. Obenem se bo tudi razpravljalo o inicijativnem predlogu društva Slovan št. 3 SDZ.

Z bratskim pozdravom,
John Zupančič, tajnik.

V obvestilo članstvu društva št. 27 SDZ
Članstvo društva Blejsko jezero št. 27 SDZ se opozarja, da je bil sklep na decembrski seji društva, da se obhaja 10 letnico ustanovitve društva. Ker je bil v ta namen tudi izvoljen odbor, da gre za to prireditev na delo, je odbor že jako aktiven za to prireditev.

Tega odbora je bil sklep, da se vrši praznovanje 10 letnice 2. aprila t. l. v obeh dvoranah Slov. Del. Doma z različnim programom, ki bo odgovarjal za to priliko. Torej se vas še sedaj na to opozarja. Odbor je tudi določil, da se gre do tega časa tudi na krako kampanjo za novo članstvo.

Torej ste vsi člani in članice prošeni, da greste v tem oziru na roke temu odboru, da pojačimo našo postojanko ob tej priliki. Člane za Slovensko Dobrodelno Zvezo se še vedno dobi, samo dobre volje je treba. Ne pozabite, da dobite za vsakega novega člana po \$1.00 od zveze in društvo vam bo dalo pa tudi \$1.00, torej dobite za vsakega novega člana \$2.00, kar je v teh časih že nekaj, kar šteje. V slučaju pa, da kateri pride k tajniku in se sam prijavi za pristop, dobi istotako popust na assessmentu za gori navedeno vsoto.

Tukaj imate torej lepo priliko, da pristopite k temu društvu oziroma k Slovenski Dobrodelni Zvezi. Ta bratska organizacija vam do danes nudi še vse najboljše pogoje v bolniški podpori, operacijah in odškodninah. In kar je poglavito: pri zvezi do sedaj še ni bilo nobene naklade v kak sklad. Kar plačate pri vstopu v društvo, tako boste plačevali dalje.

Ravno tako naj bo apel na starše, ki ste že člani tega društva in ki nimate vpisane svoje otroke, da iste ob tej priliki vpišete za 10 letnico obstoja društva. 15 centov na mesec je jako malo, ako pomislite, da so vaši otroci s 15. letom zavarovani za \$500.00.

Kljub tem resnim časom, v katerih živimo že precej let, ne smemo priti do obupa, pač pa ravno sedaj naj bo naš namen iti na delo z večjo energijo, z dobro voljo. Da, ravno sedaj se potrebuje večjega sodelovanja, kot kdaj prej. Ker so torej resni časi, moramo biti tudi mi toliko bolj aktivni, delavni, čuječi za naša društva, odnosno organizacije.

Kadar imate delo in dober služek, takrat vam društvo, oziroma organizacija ni toliko potrebna, kot sedaj. V tako resnih časih pa, kakor jih imamo danes, moramo gledati, da smo protektni v slučaju nesreče in boleznih.

Torej, kot sem v začetku omenil, bratje in sestre, ob priliki našega 10 letnega jubileja, pojdimos vsi na delo za društvo in povzdignimo ter pomnožimo naše vrste. Ustanovnikom tega društva bo to v največje priznanje s tem, da vsi po svoji moči pridobimo ob tej priliki nekaj novih članov in članic, najsi bo odraslem ali mladinskem oddelku. Prepričan sem, ako se potrudimo in gremo vsi na delo, kdaj se bo prireditev vršila. Take stvari se rešujejo na seji, ne pa po privatnih domovih. Torej vas prosim, da pridete 12. februarja na sejo in se bo vse uredilo v splošno zadovoljnost. Bratki pzdraz,

Frank Končan, predsednik.

Lodge Slovan, No. 3, sends the following resolution for consideration:

'Lodge Slovan, No. 3, at its regular monthly session Dec. 21, unanimously agreed that the following be presented to the supreme board and the general membership of the Slovenian Mutual Benefit Association for a general vote:

On page 61, paragraph 5, Association's by-laws, concerning voluntary suspension.

'Lodge Slovan, No. 3, motions that the above named paragraph be stricken from the by-laws of the Association, by reason of the fact that it does not take into consideration the present economic conditions and therefore has proven harmful to the members and the Association as a whole.

'The lodge further motions that it be replaced with the following article:

'1. Members who have for some time been unemployed and cannot pay their assessments, are privileged to announce themselves passive in their lodge.

'2. Every lodge must examine all such members at their meetings, and if they find all evidence presented by such members to be true, the lodge will except the member as passive. The lodge secretary will fill in for him the necessary forms issued from the supreme office of the Association, which must then be signed by the lodge president and treasurer and stamped with the lodge seal.

'3. The lodge secretary will then send the correctly filled form with the member's signature and the lodge seal, to the supreme office of the Association with the monthly statements.

'4. Passiveness will be granted for a period of six months, but in cases of extreme need, and if the lodge sees fit, it can be extended for another period of six months.

'5. A passive member is still a member of the Association, but with curtailed rights.

'6. Such a member has no voice in matters concerning the lodge or the Association; he cannot vote or be elected into

any office of the Association or the lodge.

'7. The Association is in no way obligated to the passive member except in payment of the death benefit in case of death; the passive member is not eligible for sick and accident or operation benefits.

'8. When the member again becomes able to pay his assessments and if the term of passivity has not expired, he must reinstate himself as a member in good standing; the subordinate lodge and the supreme board reserve the right to demand his reinstatement if they find he is able to pay his assessments.

Mary Ivancic, member of lodge No. 11, reported sick Dec. 9, 1932 and well Jan. 9, 1933. Her sick benefit form shows only one physician's visit and therefore the Association will not pay any benefit.

lucijskim tribunalom je bila sojena na smrt.

Na morišče je stopila šarlotka z mirom, ki je ni prej nikoli zapustil. Preden je položila svojo lepo glavo pod nož, se je ravnala in rekla: "Maščevalcem žrtve tirana, in ni mi žal, da sem to storila!"

Okoli morišča je bilo celo morje ljudstva, toda samo eden izmed navzočih je imel dovolj poguma, da je dvignil v njem prilog svoj glas. To je bil Adam Lux, odbornik mesta Mentana. Ko je padlo rezilo giljotine, vzkljnil: "Ta ženska je bila večja kakor pa Brut!" (Brut je umoril — kakor znano — rimskega Cesarja. Op. urednika.) Out of the Mail Bag

By THE FOX

Well, Fritz, it looks very much as if the new officers elected to lead the Slovenian Young Men's Club out of its doldrums, are going to put plenty of snap and action into that group. The lads will make their debut in a first social to be held at the St. Clair Bathhouse Saturday evening, Feb. 18. Looks like the good old reputation stock is going to move up. The boys plan many surprises and here's one little feller who's going to be there—even if he has to play the part of "One-Eye" Connelly.

Thank You, Ed

See by the last issue the editor is giving this scrivener a break by putting my weekly headache in the first column. Even if it is only a temporary make shift it isn't so bad for a beginner. The same can happen to you, you and you. Don't overlook the news items. That's the principle item on our menu. C'mon, S. D. Z., let's join hands.

Still Going Strong

Them there Modern Crusaders of the Northeast section of this fair city of ours are so popular and so active, that you just can't keep them out of the headlines. They so licked depression at their recent birthday party that they are now going to accommodate you in deluxe fashion at their monthly get-togethers. But de luxe things cost more, ergo the ante is being raised from 10 to 15 cents. Still cheap enough for the great time you have. Incidentally, have you heard that this Omerza guy is one of the reasons why Jack Nagel's Crusaders are so popular?

Circling

We welcome a new addition to the scrivening fold. That "Lone Rider" fellow. Perchance he is one of the six-day bike racers who forgot to go home after it was all over—or was to dizzy. Aside to L. R.: All right, but we'll have to eat those ducks while sleigh riding next July. Broil them in the sun and fool the depression, eh what?

Soap Box Stimulant

To my contemporary on the opposite side of the page I must perforce toss a bouquet or two for his column of last week. That's the sort of thing we need. We hope plenty members answer your call to the pen and ink. C'mon, contributors, join that great big S. D. Z. parade!

CRUSADERS TO HAVE MONTHLY SOCIAL FEB. 15

Jack Nagel's Orchestra to Supply Music for Dancing

By FRANK YARM

Now that the Modern Crusaders' Fifth Anniversary is history and has been duly listed in the records as another big achievement for the group, the Collinwoodites fall back into their usual routine of sponsoring their already far-famed after-the-meeting monthly socials.

The date of the next social is Wednesday, Feb. 15. And as this happens to be the day after St. Valentine's Day, it affords all of you a splendid opportunity of dropping out to the Slovenian Workingmen's Home, Waterloo Rd., and showing off all the Valentines you received. And then again, think of all the opportunities of reciting the pretty verses to the partner while dancing. (You supply the verse, the Crusaders the partners.)

Seriously, the social will be in keeping with the precedent set in past similar affairs. Jack Nagel and his popular Crusaders will supply the music. The band is improving with every appearance and their following and fame in enjoying a proportionate increase. Which should mean that a record crowd will be on hand for the party.

Admission is only 15 cents, with the refreshments being sold at the usual prices. So dig down into the old stocking and treat yourself to a good time at the Modern Crusaders' monthly joyfests.

Have you talked to your friend about joining SDZ yet? Remember it's up to you to get one new member this year.

PAY HERE

Mrs. Marie Bambich wishes to notify all members of the Martha Washingtons that she will receive lodge dues any Monday, Wednesday and Friday, between 6 and 7 p. m., at her home, 1089 E. 68th St.

In offering this special service, the lodge secretary hopes the members will find it convenient to keep up in their regular payments.

FIVE FOOT FOUR, TRINKO ENTERTAIN AT S. Y. M. C. SOCIAL

Enthusiasm is rapidly spreading throughout the S. D. Z. world and in local social circles concerning the social to be sponsored by the Slovenian Young Men's Club Saturday evening, Feb. 18, at the St. Clair Bathhouse.

It seems just like old times for the boys who are endeavoring to rejuvenate the dormant club that was once known as the most active English-conducted lodge in Cleveland some three years ago.

Among their more prominent achievements of the past is the boxing show, held exactly four years ago. It is history that the biggest paid crowd ever assembled in the Slovenian National Home, about 1,400, attended this gigantic show, which featured Eddie Simms in the main go and the immortal "Lindy" Kotnik-Yeager bout in the semi-final. The latter battle, as you probably all know, stole the show and is still occasionally talked about.

Well, the Young Men are looking for another Class A

YOUNG MEN MEET

All members of the Slovenian Young Men's Club are requested to attend the group's regular monthly meeting at the St. Clair Bathhouse Wednesday, Feb. 15, at 8 p. m.

Final arrangements for the social to be held on Feb. 18, will be made at this time.

Featured on this coming social. Featured on the bill are the Five Foot Harmony Four, accompanied by Joe "Shorty" Kallister and his accordion. The local quartet, rapidly rising in fame, consist of Andy Stupeck, Eddie and Cy Seifert and Ed Buehner.

Tony Trinko's Trio will synopate the pop tunes for the dancers. Teeney Strauss, banjoist, and Tony Veihar, drummer, complete the musical ensemble.

Beside the above mentioned entertainers, the committee has a surprise in store for all the guests. It is expected that the party will attract one of the largest crowds ever to attend a social at the Bathhouse.

Be an asset to your lodge not a liability.

CENTRAL COMMITTEE MEETS FRIDAY NIGHT TO PLAN BIG BAZAR

By MARTIN VALETICH JR.

Tomorrow night the Central Committee will swing into feverish action once again with a meeting at the supreme office headquarters. It is urged that all members attend so that plans can be formulated for the Penny Depression Bazar, to be sponsored by the group May 28, 29 and 30.

At the Central Committee executive meeting on Thursday, Feb. 2, the Slovenian Young Men's Club, with Ed Kovacic as its spokesman, appealed to the assembly for assistance, without which, the club would find it necessary to disband.

Since the S. Y. M. C. was the pioneer English-conducted lodge of S. D. Z. (organized 1925), they are deserving of all possible support and upon this theory the Central Committee promised them such support in all of their undertakings, but in order not to set a precedent which in the future might prove disadvantageous, they were compelled to deny them financial aid.

In keeping with their promise to co-operate, the Central Committee immediately took over the distribution of tickets for the first of a series of reconstruction socials which they had advocated. This social will take place at the St. Clair Bathhouse on Feb. 18. All groups receiving such tickets are urged to make it a complete success since it is a case of life or death to a fellow branch—and surely our spirit of S. D. Z. fraternalism cannot countenance the latter!

WASHINGTONS HAVE VALENTINE GUEST NIGHT HOP FEB. 17

A Valentine Guest Night Social will be the offering of the up-and-coming Martha Washington lassies for this month. And a choice tid-bit it will be, too. The party will take place at the Knaus' Hall Friday evening, Feb. 17, and the low admission price of 10 cents coupled with the many attractions the committee has planned for the evening insures a very large crowd.

There will be dancing to music furnished by the Germ Brothers. There will also be card playing and if you should happen to be jig saw puzzle crazy, there will be a large assortment of those on hand, too.

As a special added attraction the girls are going to find the most popular young man and young lady of the vicinity. In order to help decide this all important question they have decided to award a prize to the member of each sex receiving the most Valentines at the gathering.

The Valentines—pretty, comic and otherwise—will be available at the hall at most reasonable prices and the club has likewise provided for speedy delivery services. There will be a mailbag, mailman and everything. In fact, everything but a postage charge!

Then to top it all off, the committee has made arrangements for an ample supply of refreshments of all descriptions. They further promise that these will be of the best.

Executive Committee meeting minutes will be found on Page 4.

ance at the meeting, asking them to continue their work for the Association.

The board agrees to give these members a new hearing, the president naming Kushlan, Brezovar and Kacar to conduct the hearing. He instructs this committee to notify all parties to appear in the office of the Association at the time agreed. The supreme jury committee must also be present.

Dr. Kern explains that when he approves a sick benefit form he approves only the illness and that this does not necessarily mean that the board does not have the right to reject it. The reason for so much illness at the present time is influenza, which is prevalent in many communities. Recommends that an appeal be made to the lodges that they keep a stricter check on their sick members, and that members refrain from reporting themselves sick for every small ailment.

Report of the supreme medical examiner accepted. Motion made and passed that Dr. Kern visit all members of lodge Kras, who are simulating illness and who have not yet declared themselves well.

Agreed that Actuar Coy be retained for the year 1933. The president adjourns the meeting at 12:40 p. m.

EUCLID GROUP OFFERS NOVEL PARTY FEB. 11

Jackie Zorc Plays for Dance at Recher Ave. Home

By FAY DEBENJAK

Have you ever attended a Hard Time party? If you have, then you already know the wonderful time you'll have at the Modern Knights' Hard Time Dance to be held at the Slovenian Society Home, Recher Ave. And if you haven't then you just can't afford to deny yourself the pleasure to be had at this affair Saturday night, Feb. 11, 1933.

Of course, the main attraction at such an affair is that you can wear your oldest and, incidentally, most comfortable, clothes and shoes and still be very much in style for the occasion. In fact, the older, more ragged and more patched your costume, the more stylish you will be. Unquestionably a hard time dance in very much in keeping with the present economic conditions.

And speaking of economic conditions, recalls that the admission price is in keeping with the times and the theme of the party. It will only cost you 25 cents for admission and you are assured you'll certainly get your money's worth. The admission gives you a chance on the valuable door prize which is to be given away, too.

Music for the dancing will be in the capable hands of Jackie Zorc and his merry lads, who will wax melodious until early Sunday morn. And as has been the practice of the Modern Knights in their past affairs, refreshments will be of the best and at reasonable prices.

Here's a chance to doll up in your oldest clothes and have a good time among a jovial crowd at a most reasonable cost. Who says, "depression?"

EASTERN STARS TO HOLD SOCIAL MONDAY, FEB. 27

By "DOC" GREGORCIC

Inactive in a social way for the past few months, the Eastern Stars will get back into the swim with another social Monday, Feb. 27, at the Slovenian Home, Holmes Ave. Johnny Gribbons and his Jazz Boys will play the dance music in their catchy style. Admission is only 15 cents and refreshments will be served at depression prices.

The Blue Boys Club, whose membership includes several Eastern Stars, are celebrating their First Anniversary Sunday, March 5, at the Slovenian Home, Holmes Ave. There will be a chicken dinner and dancing. All for only 25 cents. Joe Baldi and his Merry-Go-Rounders will furnish the musical entertainment.

Cards were sent out urging all members to attend a special meeting on Feb. 6. Seven members attended. Which proves that the members are forgetting their New Years resolution to make "1933 their banner year." However, the seven members who attended were not discouraged and continued with plans to enlarge the club treasury. They will, however, need the support of the entire membership if the plans are to be carried to a successful conclusion. Show them you are with them.

By SOPHIE KLEMEN

If you didn't attend the Modern Crusaders vaudeville show on Jan. 29, you missed one of the greatest performances ever put on by any S. D. Z. lodge in Cleveland and the Crusaders should be congratulated for the success of their fifth anniversary affair! Frank Oblak's acting alone was certainly worth while seeing. Mitzi Grdina, Five Foot Harmony Four, Banjo Buddy and Ken Williams sure put on fine acts and received a hearty of applause for their efforts.

Oh where, oh where, can they be? Can who be? Why the Barberton gals! Rudy Macek of Magic City Juniors and his fellow members attended the Modern Crusaders anniversary alone!

I have two suggestions as to whom the Fox may be. It may be one Modern Crusader or more, but I think either Joe Muzic or Martin Valetich Jr., have something to do with it. The Sunday address in the rear mezzanine might of been the check room, Joe!

The Eastern Stars writeups after a long absence are again reappearing in the S. D. Z. News. Who can this writer, "A Lone Rider" be? What has happened to John Menart, "A Starlite," "Doc" Gregorcic and Teenie Sajovec? Wake up, boys, spring fever isn't here yet!

The Comets' next meeting will take place on Monday, Feb. 13, at Florence Briel's home, at 24465 St. Clair Ave. Members please be present!

Three important days to be kept open in February! First is the Modern Knights' Hard Time Dance on Feb. 11 at Recher Ave. Admission is only 25 cents. There will be a door prize so come and wear your old ragged clothes! Second is the Modern Crusaders social on Wednesday, Feb. 15, on Waterloo Rd. Admission is 15 cents and you can dance to that popular orchestra which entertained you at their anniversary. Why you remember, of course, Jack Nagel's Crusaders! Third is the Slovenian Young Men's Club first social at the St. Clair Bathhouse on Feb. 18. Tony Trinko will entertain. Get your invitations at Blatniks, 6304 St. Clair Ave.

Miss Fay Debenjak, known to the S. D. Z. News readers as "Smiles," was hostess at a birthday party given in her honor at her home on Goller Ave. last Saturday, Feb. 4. Among the familiar faces known the S. D. Z. News readers were Miss Albina Gabrenja, Comet pxyry; Popeye Modic, a Crusader; Andy Gerl and Herman Stupica, members of Modern Knights.

Prove your loyalty!

MINUTES OF SUPREME BOARD MEETING JAN. 22

Jan. 22, 1933

Supreme President Frank Cerne opens the meeting at 8:35 a. m.

All members present except Frank Jaksic who comes in later.

Reading of the minutes of the previous meeting; accepted as read.

Reading of the minutes of the business committee of Jan. 20; accepted as read.

Reports of the board members.

The supreme president explains that the premiums on the smallest surety bonds are \$5 and as a result of this the total bill is somewhat higher this year.

Reports that he attended the meeting of lodge Naš Dom, No. 50, and saw that it is progress-

ing very nicely and that the members are working for the Association. He enjoyed a pleasant evening.

The president states that some few of the lodges are drawing large sums from the sick benefit fund, and particularly lodge Kras which this month drew more than \$1,400 and last month more than \$1,100. Lodge Volga has also been drawing large amounts in sick benefits.

He invites the board members to the Fifth Anniversary celebration of lodge Modern Crusaders, No. 45 which will be held the afternoon and evening of Jan. 29.

Concerning the letter from lodge No. 27, asking that something be done about sick benefits, he reports that the com-

mittee appointed to study this matter has done nothing as yet because they are waiting for the yearly statement.

Kushlan reports that he went to Columbus with Jaksic to attend the tax case hearing. The hearing was granted on an appeal after our Association was taxed on the basis of an insurance company, along with several other fraternal organizations. It will be necessary to go to court again and it is his opinion that we will win the case inasmuch as fraternal organizations do not operate for profit and therefore should not be taxed.

The following members of lodge No. 23 attended the meeting and were given the floor: Skok, Starin and Kline. They recommend in the name of

their lodge that their matter be settled peacefully, but they request the supreme board to give them another hearing because the supreme jury committee did not examine them. They state they are not guilty, therefore they cannot accept any punishment nor any suspension of sentence. They wish that this matter be settled as soon as possible because they wish to go ahead with agitation for new members. They wish an immediate hearing by the supreme board because it is too long to wait until the next convention and because the lodge suffers from public opinion.

The supreme president promises that the board will do their best about this matter and thanks them for their attend-

FRANKIE SIMMS KAYOES GORDON AT COSHOCTON

Back into that old-time form that stamped him as one of the most feared heavyweight battlers in the country is Frankie Simms, local glove topper.

Last Monday Frank journeyed to Coshocton, O., to trade leather with Big John Gordon of Seattle, Wash. The first round had no more than started when Big John was groveling in the resin, listening to the referee toll off a ten-count. A right did the trick.

The largest house ever to see a boxing card in Coshocton attended the show mainly to see Frank, who is well known there, perform.

OREL DRAMATIC CLUB TO STAGE PLAYS AT KNAUS' HALL FEB. 19

"Betty's Butler" is the title of one of the three one-act plays which will make up the program of the Orel Dramatic Club at Knaus' Hall on Sunday, Feb. 19. It is a romantic comedy which contains many amusing situations. A brief summary of the plot follows:

Betty Barton is a young society miss whose mother has succeeded in making a favorable match for her daughter with Dick Russell, a young man in her own circle. The match had been made after it had been definitely ascertained that Jerry Moore, who had been Betty's sweetheart since childhood, would settle down to live in London, after traveling with his mother for many years. Two years elapse and Jerry is found serving in the capacity of a butler in the Barton household under the name of Jordan. He has not been recognized as Jerry Moore and is engaging more and more of Betty's attention unknown to her fiancé, Dickie. When Mrs. Russell happens to drop in for a visit with Mrs. Barton things begin to happen in rapid order and many laughs are in store for the audience.

The competent cast includes Ann Urbas as "Betty," Rudolph Kasunic as "Jordan," Sophie Turk as "Mrs. Barton" and Vera Mismas as "Mrs. Russell."

During the intermission there will be entertainment provided in the form of singing and banjo playing by Joe "Banjo Buddy" Sodja. The Arcadian Melody Pilots will play for the dance following the program.

The scene of the affair is the St. Christine's Auditorium and the time is 8 p. m.

This will be a very good place and time to send that Valentine to your friends and Valentines will be on display at the hall and can be purchased for a small sum. Miss Frances Sokach will act as the "mailman," which will assure everyone of a fast or speedy delivery. The Misses Fox and Gombach will serve as cigar girls.

The proceeds of this dance will go into the church treasury.

PARISH GROUPS OFFERING BIG VALENTINE HOP

The Holy Name Juniors are putting their efforts toward the big Valentine dance, which they are sponsoring in union with the Young Ladies' Sodality. This will be a very merry affair, with music furnished by Red's Rhythm Rioters.

Recently Johnny decided to stage a comeback and proceeded to gather musical talent from all over the city with the result that he now leads a five-piece orchestra known as Johnny Gribbons' Jazz Joy Boys Orchestra.

His outfit consists of Johnny Staners, saxophone and clarinet; Tony Kuhel, banjo and guitar; Frank Smole, drums; Bill Tess, trumpet, and finally Johnny, himself, keying an accordion.

The band shows great promise of once more bringing Gribbons' name to the fore in local musical circles.

For the third time within the past month, Billy Burns, local welterweight prize, will be basking in the glare of the section's flistic spotlight.

Tonight Billy is scheduled to meet Tex Takla of Mt. Clemens, Mich., in a 10-round battle at Massillon, O. Their clash will headline the card.

Billy already possesses a victory over Takla, having decisively whipped him in a six-round bout at Canton, O., recently. Yet the latter insisted on a return match. Billy readily acquiesced and now will be out to chalk up even a more decisive win. This time he hopes to emerge the winner by a knockout.

RECEIVES GIFT

Miss Louise Komin, instructress of the Collinwood Sokol girls, was presented a solid gold pin last week as a token of appreciation of her work by the members of the group.

INTERLODGE QUINTS BEGIN SECOND ROUND OF PLAY AT BATHHOUSE WEDNESDAY NIGHT

Next Wednesday evening the cage quints in the local interlodge basketball loop will line up at the barrier for the second and final round of competition on the league schedule.

All the clubs will resume their hostilities on an even footing once more, with the so-called weaker teams of the league eagerly looking forward to displacing the pace setters of the first round. Close followers of the circuit anticipate a much closer and heated race in the coming bracket of play.

Looking over the schedule for the opening tilts, we find two of the strongest squads in the circuit coming to grips again. They are the Pioneers, who are the defending champions, and the Loyalties, who are regarded by many as the real "dark horse" of the loop. Bolstered by the addition of Casimir Nerowski, a former East High luminary, the Loyalties give potential evidence of going places in the coming round.

No matter who wins, their squabble the year, with the Pioneers attempting to add the name of the Loyalties to their list of victims once again.

Johnny Peck's Clairwoods, who, too, looms as one of the choicest tidbits of the loop.

Modern Crusaders over Serbians. Clairwoods over St. Joes. Progressives over Eastern Stars. Pioneers over Loyalties.

are casting envious glances at the loop tiara, are expected to have an easy time with the St. Joseph Sports.

The complete schedule: Serbian Club vs. Modern Crusaders, 6:45. Eastern Stars vs. Clairwoods, 7:30. Pioneers vs. Loyalties, 9. Comrades vs. Loyalties.

St. Josephs vs. Clairwoods, 7:30. Eastern Stars vs. Progressives, 8:15. Pioneers vs. Loyalties, 9. Comrades vs. Loyalties.

LORAIN SINGING SOCIETY ELECTS OFFICIAL GROUP

Frank Ambrozic Is Chosen President for Coming Year

By HERMINA ZORTZ LORAIN, O.—The first annual meeting of Our Home Singing Society was held on Jan. 29 at the Slovenian National Home here, at which time officers were elected for the year. Those elected were: Frank Ambrozic, president; Carrie Jacopine, vice president; Mary E. Polutnik, secretary; Fannie Jevce, treasurer; Mary Pavlovic, recording secretary. Mr. Louis Seme was again re-elected director. The publicity board, entertainment and other committees were likewise selected at the time.

All the new officers are capable and energetic, and under their leadership it is expected that even higher goals may be reached than those attained in the past.

Hard Journey

Beginning with the initial concert held in November, 1931, and ending with this year's joint concert of three choral groups, the society has rounded out a most successful year. The path between these two milestones, to be sure, has been far from a smooth one, but with patient and steady stride and expert guidance by Director Seme, the trip was made without serious mishap.

None can force the nature of the road the group will have to traverse during the coming 12 months or what pitfalls may confront them, but with the same universal co-operation that was enjoyed during the organization's first year of existence, they should accomplish as much—if not appreciably more.

Theory of Music

Many may be interested to know that beginning next month the usual singing practices are to be diversified by the introduction of a new study, namely that of the theory of music. This particular study is being introduced not only to acquaint the club members with the basic principles of music, but also to promote a greater love and appreciation of this art.

In order that each member may derive the full benefit of the singing practices, promptness and regular attendance are essential. An urgent call is sent out to all the members of the group to put their shoulders to the wheel so that the Our Home Singing Society may enjoy as successful a year in 1933 as it did in 1932.

Johnny Gribbons Back in Musical Limelight

A few years back Johnny Gribbons, former flyweight champion, had one of the best known orchestras in the vicinity and was very much in demand at parties and dances.

For some reason or other his popularity as a band maestro started to decrease very rapidly, until he finally decided to disband. Subsequently Johnny played solo number on his accordion at various night clubs in the city. His latest venture in that field was with the popular George Williams' Orchestra.

Recently Johnny decided to stage a comeback and proceeded to gather musical talent from all over the city with the result that he now leads a five-piece orchestra known as Johnny Gribbons' Jazz Joy Boys Orchestra.

His outfit consists of Johnny Staners, saxophone and clarinet; Tony Kuhel, banjo and guitar; Frank Smole, drums; Bill Tess, trumpet, and finally Johnny, himself, keying an accordion.

The band shows great promise of once more bringing Gribbons' name to the fore in local musical circles.

SURPRISED ON RETURN

Mr. Fred Sternisha was the innocent victim of a surprise party at his home last Saturday evening.

Mrs. Sternisha, Fred's wife, was the one who planned the affair, aided by Fred's numerous acquaintances.

A most pleasant time was had by all.

CLAIRWOODS WIN

By their 29 to 27 victory over the Loyalties last night, the Clairwoods tied the Pioneers for first honors in the Interlodge loop. Zalokar and Johnny Peck starred for the winners.

The second round begins next week. Other results: Progressives 27, Serbian A. C. 19. St. Josephs 30, Eastern Stars 15. Modern Crusaders 27, Comrades 25.

TOUGH LUCK!

Jack Vidmar Under Operation at Inopportune Time

One of the year's outstanding hard-luck stories was revealed when Jack Vidmar, 17 years old and junior at Cathedral Latin High, was taken to Charity Hospital last Monday afternoon for an appendicitis operation. He lives at 626 E. 124th St.

The tough luck does not terminate at this point, as Jack was scheduled to appear as end man at the school's annual minstrel show.

The operation also makes it impossible for the youngster to fulfill a 13-week contract with Vincent Trebley over Station WTAM. Jack plays the piano and Vincent sings.

John L. Mihelich, former Slovenian councilman and one of the local group of citizens who are intensely interested in Cleveland's civic development, was formally installed as president of the American Equality League at that organization's installation banquet and dance held at the Slovenian National Home last Sunday evening.

Every one of the members of the league commented favorably on the selection of Mr. Mihelich as president and highly praised his executive ability and splendid civic record compiled as member of the City Council.

The league, which was organized after the World War, is constituted of representatives of all the foreign elements in Cleveland and their primary interest is in obtaining equal rights for their respective nationalities. An attempt will be made by the league to secure an equal consideration in the immigration laws and all matters pertaining to quotas.

Sunday's affair was marked by a galaxy of locally prominent men who addressed the gathering at the call of Toastmaster Judge Levine. Among them were the new president, John L. Mihelich, former City Manager William R. Hopkins, Judge Bradley Hull, Lewis Drucker, Felix Matia, Judge Frank J. Lausche, Louis Petrash and Anton Grdina Sr.

CARNIVAL A SUCCESS

The first basketball carnival of the Holy Name Juniors was a real success, some 150 patrons being on hand to see the thrilling battles put on by the teams.

The Modern Crusaders beat the Eastern Stars by a score of 44 to 39. Kalin led both teams in scoring with 18 markers. The St. Joseph's Sports KSKJ beat the Holy Name Juniors in another good battle by a score of 40 to 33.

Jackie Zorc furnished the music for dancing after the games and all spent a real enjoyable evening.

The Juniors are now planning their second carnival, which will be held at Roosevelt gym on Friday, Feb. 24. At this time the Juniors will play the church team from Barberton. The Rev. A. L. Bombach was formerly pastor there.

ROGUES CLUB, SLOVENIAN MUNY "C" QUINT, LEADING DIVISION IN TITULAR SCRAMBLE

A basketball quint, comprised mostly of local Slovenian lads, is accorded the distinction of being one of the most aggressive and highly feared teams entered in the merry battle for the Class C muncy championship. The club we have reference to is the Rogues, and if they continue to perform in their present manner, they'll literally walk away with their group championship—if not the league title.

They boast an exceptionally strong offensive attack. In fact, they've been averaging better than 33 points per game and at present are heading group 3 in the C division with a record of four wins and one loss, not including a long list of exhibition contests they have won.

On the team roster are Eddie Peck, Jack Lunder, Lefty Golobic, Bill "Itchy"

VICTOR KNAUS ONE OF FEW SLOVENIANS TO MEET COOLIDGE

One of the few Slovenians ever to be granted an audience with the president of the United States is the honor claimed by Mr. Victor J. Knaus, 1052 E. 62d St.

Mr. Knaus was invited to a reception by the late Mr. Coolidge and his wife in 1926. After the reception there was dancing in the Blue Room, with the president's band playing the music. The group was also at liberty to roam over the entire first floor of the White House.

Mr. Knaus at present is a linotype operator for the American Home Publishing Co., of which he is part owner.

UPSETS FEATURED IN NORWOOD HOME LOOP BOWLING ACTIVITIES

Bowling activities in the Norwood Home League continued to be of a rather mediocre nature as far as scores were concerned. However, several mild upsets were recorded, with two of the leading quints suffering unremediated defeats in the rolling-off of last week's tilts.

Frank "Twin" Yerse paved the way as the Zakrajsek Undertakers handed the Demshar Builders a double dose of losses. "Twin" hit 595 on 184, 233 and 178 to help the Zaks roll up a 2679 total. Imkce, with 573, starred for the Builders as they clicked off a 2621 aggregate.

With Kogoy blasting 171, 200 and 223 chapters for a 594 set, the Candy Men captured two settos from the Potokar Five. A 531 by J. Bokar was the Popmen's best effort.

Taking advantage of the A. Grdina & Sons' inability to fell the maples with any reasonable amount of success, the Bukovnik Studios administered a double defeat to the second place Mortician outfit. Lou Sterle cracked a 546 for the Photographers and Harry Lausche coroscated for the losers with a 543.

The best kegling of the week was turned in by the Slapnik Florists in whitewashing the Norwood Sports. "Big Six" Alich and E. Radcliffe each blasted a 592 series. Radcliffe's set included 222 and 202 games, while Alich banged a 213 opener. The Florists downed 2693 maples and the Sports scattered 2421 pegs.

LIBRARY LISTS SEVERAL BOOKS ON "MAD MONK"

"Rasputin and the Empress," one of the season's outstanding pictures, now being shown at the Ohio Theater, is the tragic story of the downfall of the Russian dynasty.

The St. Clair Branch Library is offering some interesting reading material both on the subject of this play and on the Barrymores themselves.
