

THE RESULTS OF INTERNATIONAL CO-OPERATION AND ITS EFFECT ON THE CENTRAL LIBRARY

Anna Dömötör

*Central Library, Veszprém University of Chemical Engineering
Veszprém, Hungary*

The Veszprém University Library co-operates with foreign university libraries in the following fields:

- document exchange
- document delivery service
- complex co-operation with 8 fellow-university libraries
- participation in IATUL's work.

The numerical results of the international activity of the Veszprém University Library will be presented.
