Avtna industrija ima zdaj prosto pot

無條件降服

Ta dva bosta zdaj zobala iz rok našega generala. To se pravi, da bo cesar Hirohito, ki ga vidite tukaj na sliki, pokorni sluga generalu MacArthurju, ki bo vrhovni poveljnik okupacijske sile na Japonskem. Japonsko "božanstvo" bo moralo biti pridno, če ne...

Zraven na levi pa vidite v japonsčini napisano "brez pogovora vda". Kdor ne verjame, naj gre pa sam vprašat. Japonska in kitajska pisava se čita od zgoraj nizdol.

AMERIKANCI BODO JUTRI ZASEDLI DEL JAPONSKE

Manila, 25. avg. — General MacArthur naznanja da se bodo jutri prve padalne ameriške čete na tla 18 milj od središča Tokia. Toda s svojo glavno okupacijsko armado bo prišel pa MacArthur na Japonsko šele v tork.

MacArthur je ukazal japonski vladi, naj gleda na to, da ne bo jutri nobeno japonsko letalo v zraku v okrožju Tokia. Od danes naprej ne sme leteti nobeno japonsko letalo več kot dve milj od obrežja na morje. Od jutri naprej pa se ne sme pokazati nobeno v okrožju 90 milj okrog Tokia, kjer se bodo spustile na tla ameriške padalne čete.

To je odredil MacArthur radi tega, da ne bo napravljati kak vročerjen japonski pilot zmed in neprilik, predno bo podpisal kapitulacijo, kar se bo izvršilo v petek 31. avgusta na ameriški bojni ladji Missouri v Tokijskem zalivu.

V Tokiu govorijo, da se bodo vsule ameriške okupacijske čete po Japonski v velikem številu na 2. septembra. MacArthurjev glavni stan tega ne omenja. Japonski glavni stan je danes poročal, da bodo vse japonske oborožene sile vzete iz okrajev, kjer se bodo izkrcali Amerikanci, da ne pride do kakih komplikacij. Vse ozemlje okrog Tokia bo že danes prosto vsakih oboroženih japonskih enic.

Ameriške čete, ki se bodo spustile na tla jutri blizu Tokia, obstojajo iz tehničnega osebja, ki bo pripravilo letališče Tsugi, da bo popolnoma v redu do torka, ko pride sem MacArthur s svojim štabom.

Newburžani bodo slavili svojega župnika

Letos je 30 let, kar župnikuje pri sv. Lovrencu v Newburgu Rt. Rev. kanonik John J. Oman. To bodo hvaležni farani slavili z lepim programom v nedeljo 2. septembra. Proglasili so ta dan kot farni praznik, za katerega vlada največje zanimanje.

te sitne zadeve, da ne bo stvar zbudila preveč pozornosti.

Ford je začel delati nove avte, ko so drugi industriji še gledali okrog sebe. Zdaj bi pa radi, da bi OPA še zadrževal dovoljeno ceno novim avtom, da bi druga avtna industrija med tem dohitela Forda z novimi izdelki in bi šli potem vsi nakmalu na trg.

Program bodo pričeli s zahvalno sv. mašo ob enajstih, pri kateri bo navzoč tudi clevelandski škof Hoban. Društva in posamezniki se bodo zbrali pred SND, na 80. cesti, odkoder bo slavnostna povorka v cerkev sv. Lovrenca. Hiše ob teh cestah bodo vse v zastavah, robniki pričestni vsi pobeljeni.

Po sv. maši bo pa slavnostni banket v zgornji dvorani SND na 80. cesti. Prvotno je bil določen banket za cerkveno dvorano. SND je dal dvorano za to priliko brezplačno. Vodstvo se zaveda, koliko je storil g. kanonik Oman za uspeh te narodne ustanove.

Cerkveni odbor je preskrbel vse potrebno, da bo banket nad vse sijajen in postrežba najboljša.

Kar je glavno je to, da si pravočasno preskrbite vstopnice in sicer vsaj do torka 28. avgusta.

Dobite jih pri vseh cerkvenih zastopnikih fare sv. Lovrenca in v uradu Amerikanske Domovine. Cena vstopnicam je samo \$2.50.

Dodaj se je odzvalo že tudi mnogo odličnih gostov, ki se bodo udeležili te slavnosti, med njimi clevelandski župan Tom Burke. Vabljen je tudi guverner Lausche, ki pa še ni sporočil, če bo mogel priti.

Newburžani! Na vas je leželo, da bo ta dan največji v zgodovini vaše naselbine. Slavljenec to tudi gotovo v polni meri zasluži.

Washington, 24. avgusta. — Urad za vojno produkcijo je danes odstranil vse kvote na izdelavi potniških avtov. To pomeni, da ima avtna industrija svobodno pot, da napravi kolikor hoče ali more novih avtov.

Prej je bila v veljavi odredba, glasom katere so smeli napraviti samo toliko potniških avtov, kolikor je ta urad dovolil.

Urad za vojno produkcijo pravi, da je odvisno število novih avtov za civilno prebivalstvo popolnoma od avtne industrije.

Vendar je urad določil, da novi avti, ki so izdeani zdaj, ne smejo imeti petega kolesa ali "spare." To kolo ima še vedno v oblasti urad za kontrolo cen. Ta urad je začel pregledovati zalogo avtnih koles, da bo določil, kdaj smejo novi avti dobiti peto kolo. Uradniki so mnenja, da ne bo trajalo dolgo in tudi peto kolo se bo lahko dobilo z novimi avtomobili.

Odpravljen je tudi restrikcija za izdelavo taksijev, ambulanc in mrljskih voz.

Restrikcija na izdelavi komercialnih truckov je bila odpravljena že pred več dnevi.

Mesto bo zgradilo novo centralno tržnico brez davkoplačevalcev

Mestni finančni direktor Sweeney je povedal, da bo mesto Cleveland zgradilo novo centralno tržnico za vsoto \$850,000, ne da bi za to plačali davkoplačevalci kak cent.

Vrhu tega bo mesto povečalo tržnico na zapadni 25. cesti in Lorain Ave. za vsoto \$150,000 in sicer tudi to brez bremena za davkoplačevalce.

Mr. Sweeney je rekel, da bo mesto izdalo bonde za \$1,000,000 za te projekte, toda ves ta denar bodo plačali nazaj namerniki stojnic na teh tržnicah.

Z gradnjami bo mesto začelo prihodnje leto in to bo del programa, ki ga ima mesto v načrtu za izboljšavo mesta po vojni.

Nova centralna tržnica bo postavljena preko ceste od sedanje.

Kongres bo določil uradni konec vojne z Japonci

Washington. — Predsednik Truman je rekel, da bo prepustil kongresu odgovornost, da uradno in legalno določi dan konca vojne. Od tega je veliko odvisno, ker je bilo v času vojne mnogo odredb, določenih samo za "dobo vojne." Predsednik Truman bo potem, ko bodo Japonci podpisali kapitulacijo, naznanil konec vojne z Japonci, a kongres bo potem s proklamacijo razglasil konec 2. svetovne vojne.

Kongres se bo zbral k zasedanju 5. septembra. Vpeljal bo tudi zopet standard čas za Zed. države, ki so na vojnem času od 9. feb. 1942.

ANGLIJA JE ZELO HUDO PRIZADETA

Stric Sam je zadrnil mošnjo in Angleži se bridko pritožujejo.

London, 24. avg. — Angleški premier Attlee je povedal v poslanski zbornici, da je prišla Anglija v zelo resen finančni položaj, ker so Zed. države nenadoma zaprele posojilni sklad. Bivši premier Churchill je pa izjavil, da ne verjame, da bi bila to zadnja beseda iz Zed. držav.

Premier Attlee je rekel, da je angleška vlada upala, da posojilni sklad ne bo prenehal brez posvetovanja med obema državama.

Churchill je izjavil, da ni nikdar mislil, da bodo Zed. države postopale tako trdosrčno s svojo zvesto zaveznico (Anglijo), ki je držala trdnjavo, dokler se je Amerika oboroževala.

Fakt je, da bodo šle potrebščine iz posojilnega sklada Zed. držav toliko časa, da bo predsednik Truman razglasil konec vojne z Japonci. To bo menda še kak teden dni.

Predsednik Truman je izjavil pred časnikarskim poročevalci, da je ukazal prenehati z ogroženim posojilnim skladom takoj, ko so sovražnosti ponehale. Izjavil je tudi, da se s tem ni mislilo zadati udarca Angliji.

Premier Attlee je povedal poslancem, da bo morala zdaj Anglija za vse blago iz Zed. držav plačati, ali pa si zagotoviti kredite.

Še na mnoga leta!

Jutri bo praznovala svoj 57. rojstni dan Mrs. Josephine Blatnik, 568½ Front St., Berea, O. Njena hčerka Mrs. Ralph Stephenson ji je naročila kot vezilo Ameriško Domovino, ki ji bo gotovo v prijetno razvedrilo. Želimo ji še mnogo let zdravja in zadovoljstva.

Važna seja

Kaj pravite

Kdor pozna delovanje dekana Matije Škrbca, pač ne bo mogel trditi, da je zato bežal iz domovine, ker je bil izdajalec in da se je zato umaknil pred kaznijo. Dekan Škrbec je bil navdušen Slovenec in vse njegovo življenje je bilo posvečeno skrbi za reveže. S pisem teh vrstic sta bila skupaj pri vojaki, še predno je šel Matija v bogoslovje. Že takrat je pokazal, da je vedno na strani zatiranih in ni pustil, da bi kdo prostake šikaniral.

Kako so ga upoštevali vojaki, kaže to, da je samo enkrat vzrotil, ko so vojaki preklinjali, pa niso ob njegovi navzočnosti nikoli več. Rekel jim je: "Fantje, kaj vas ni sram, da rabite take grde besede, ko ima slovenski jezik vendar toliko lepih izrazov!"

Ko je vladal v Jugoslaviji za kralja Aleksandra pravcati teror, ko ni smel že nihče javno izjaviti, da je Slovenec, se je dekan Škrbec, ki je takrat služboval v Kranju, potegnil neustrašeno za pravice naroda. Posledica je bila, da so ga državni pandurji aretirali, ko je šel v cerkev. Bil je zaprt kot nevaren protidržavni element dlje časa, ampak vdal se ni.

Pa naj bi bil tak človek izdajalec slovenskega naroda, ki ga išče Titova komunistična vlada, da ga postavi ob zid? Tudi Nemci so ga iskali ob času okupacije, pa jim je srečno ušel. En sam črn madež ima dekan Škrbec na sebi in ta je, da je proti komunizmu. Ta madež je dovolj velik po mnenju "demokratske" vlade v Sloveniji, da se ga — likvidira.

Nek naš odlični rojak, rojen v Ameriki, ki ima danes visoko državno službo, je oni dan izjavil v našem uradu: "Verjemite mi, da je danes večje klanje v stari domovini, kot je bilo pa ob času vojne!" Te besede je slišal tudi rojak, ki je vsaj dozdaj vneto pisal v svojem listu o "veliki svobodi," ki jo je prinesel Tito slovenskemu narodu. Ampak rojak ni upal reči našemu obiskovalcu, da laže.

Na radiu iz Moskve je nekdo pred par dnevi zatrjeval, kako je milijone in milijone Mavrov iz Španskega Maroka dobilo dovoljenje, da so smeli preko Portugalske v Španijo, kjer so morili komunistične reveže. V resnici šteje ves Španski Maroko komaj 750.000 duš, vseh starosti in obojega spola. Torej ne more biti govora o kakih "milijonih." Ampak, seveda, propagandi je dovoljeno vse in ruska propaganda gre zdaj na tem, da se vrže španska in portugalska vlada.

S smrtjo dr. Malija je izpraznjeno v Clevelandu mesto častnega jugoslovanskega konzula. Dr. Maliju ni urad prinesel drugega kot skrbi in stroške, ker mu niso plačali niti za znamke za uradna pisma. Ampak če hoče dati jugoslovanski konzulat temu častnemu uradu kake prerogative, pa že nekaj prinese. Zato ni čudno, če so se že pojavili aspirantje za ta urad. Baje se posebno poteguje nekdo, ki ima že zdaj dve službi, eno mu plačujejo davkoplačevalci, drugo naročniki. Kot je slišati, je gostil v svoji hiši v Clevelandu nedavno dva Titova uradnika, ki naj bi "rekli" besedo na pristojnem mestu za to koritce. Zato pa piše in lomi kopja za Tita, da se kar poti. Menda ja, če mu bo pa to prineslo novaca. Saj ni še nikoli pisal za nekaj, kjer ni videl zase dobička. To je vse lepo in nihče mu ni nevošljiv. Samo če ne bi venomer vpil, da dela za narod! Kadar bomo kaj več zvedeli o tem, bomo že povedali.

Ono popoldne smo sedeli v senci, pa smo zaslišali gori v drevesu dva vrabčiča, ki sta si pripovedovala, da je prišlo do diplomatskih zapletljajev, če ne morda kar do preloma med Titom in Adamičem. Morda so med njima medeni tedni že končani, kaj pravite? Bogve, zakaj je zamera? Pa menda ja ne to, ker ni Tito takoj, ko je dobil Jugoslavijo v svojo rdečo pest, poklical gospoda Lojzeta domov na kako častno mesto? Fant ima denar, zdaj bi rad pa še čast. Prvo mu je dala Amerika, drugo bi rad od domovine. Pa če kaj vemo, iz te kaše ne bo moke.

Najbolj se je treba smejati tistim (ali bi jih pomilovali), ki na vsa usta vpijejo, da lažemo, ko pišemo o razmerah v domovini. Mi imamo za svoje trditve absolutno zanesljive in verodostojne vire. Kakšne vire imajo pa oni za trditve, da ne pišemo resnice? Ali so bili mar tam? Ne, ampak vpijejo samo to, kar jim položi propaganda na jezik. To se pravi: dano jim je na izbiro, da ali verjamejo nam, ali pa drugim. Ali verjamejo nam, ki smo med njimi že več kot 30 let in v vsem tem času ne morejo niti enkrat reči, da smo zavajali. Ali pa verjamejo takim, ki so jih že nešteto krat potegnili. Če že ne njih, pa druge, kar ni nobena tajnost. Imeli so bridke izkušnje s milijondolarskim fondom, pa jih še niso izmodrile. Spet so vsedli na limanice in zopet bodo vlekli kratko. Ali verjamejo raje nam, ki smo že več kot 30 let neprestano med njimi, ali pa raje verjamejo: Adamiču, ki do zadnjega časa Slovencev sploh poznati ni hotel in ki sam pravi, da je v teh 30 letih, kar je v Ameriki, skoro pozabil svoj materinski jezik. Toda ker smo v svobodni Ameriki, vsak lahko verjame in sledi komur hoče — vsak po svoje. Samo če bi dovolili tudi nam, da bi delali — po svoje.

BESEDA IZ NARODA

Farani svojemu župniku kanoniku Omanu ob 30 letnici

Anton Meljač
(Konec.)

Nekateri taki rojaki so tudi med nami ameriški Slovenci in tem je treba pouka. In taki ljudje bi morali čitati "Newburške novice" in se po njih tudi ravnavati. Da je kanonik Oman zaslovel med vsemi Slovenci po širni Ameriki, je temu dokaz tudi to, da je bil osem let duhovni vodja Kranjsko slovenske katoliške jednote. Kako lepi in zanimivi članki so bili v Glasilu naše Jednote izpod njegovega peresa. Vsak teden je g. Oman pisal v slovenski in v angleški za nas starejše, v angleški za mlajše in tako je s svojimi spretno roko in zanimivimi članki skrbel, da je imelo članstvo vedno dovolj dobrega in podučnega čtiva. Da, resnično je bil kanonik Oman dober duhovni vodja naše katoliške jednote. S svojimi spisi in govori je tako vplival na rojake, da so pri vseh krajevnih društvi pridobivali na članstvu.

Kranjsko slovenska katoliška jednota je dolžna veliko zahvaliti kanoniku Omanu. Pod njegovim duhovnim vodstvom je pridobila Jednota na tisoče novega članstva in njeno Glasilo je bilo tiste čase tudi zanimivo. Pa pogledimo, kaj še drugi govorijo in pišejo o našem častitem kanoniku Omanu. Ob srebrnem jubileju mašništva je pisal ljubljanski škof vladika Rožman kanoniku John J. Omanu v pozdrav:

"Srebrni mašniški venec vidimo, da ga poklonimo duhovniku Gospodovemu, ki 25 let deluje v potu svojega obraza obdeluje vinograd neumrljivih duš, kateremu je izročil Odrsenik po svojem odposlancu — škofu v oskrbo. Iz česa pletemo ta venec? Iz zlahtnih rož spoštovanja najprej, ker ima tako svetla in posvečevalna pravila, ker je posredevalec milosti, brez katere se nihče zveličati ne more. Koliko večje je spoštovanje tedaj, če je nosilec duhovniške časti spoštovanja vreden, tedaj se stan in oseba zlivata v en predmet našega globokega spoštovanja. Med rože spoštovanja pa vpletamo cvetke hvalečnosti za vse obilne milosti, katere je srebrnomašnik v 25 letih svojega duhovskega službovanja vli v neštete duše nedolžnih otrok in v duše umirajočih, da so polni zaupanja in hrepenenja odšli v večno domovino. In še cvetlice ljubezni denemo vmes, saj vsi veste prečastitega gospoda srebrnomašnika je gnala ljubezen do neumrljivih duš v duhovniški stan in ga goni dan in noč, da se trudi in žrtvuje, da dela in moli samo za to, da bi duše svojih dragih faranov rešil za zveličanje. Njegova ljubezen sega daleč čez meje fare sv. Lovrenca, obsega zlasti vse Slovence v Združenih državah. Kje še ni pridigal za misijon ali drugo pobožnost? Kje še ni spovedoval cele dneve in večere? Za vso to nadnaravno ljubezen mu more vrniti le ljubezen.

Končno pa na gosto posadimo še venec cvetja s prošnjo Jezusu, naj svojega zvestega služabnika še dolgo ohrani." To so zlate besede prevzisenega škofa dr. Gregorij Rožman. O, ko bi bilo mogoče, da bi bil tudi sedaj škof Rožman navzoč ob 30 letnici Omanovi, odkar deluje med nami. Kako veselo bi si stisnila desnici in kako pristrčno bi se pozdravila. In vemo, da bi mu škof Rožman veselo čestital tudi sedaj.

Vsem nam je že znano, da se sedaj nahaja škof Rožman v pregnanstvu. Bežati je moral škof z mnogimi duhovniki in tisoče vernega ljudstva je bežalo iz svoje rojstne domovine Slovenije. Bežati so morali pred svojimi propadlimi in nevernimi brati. To je žalostno dovolj, tukaj v Ameriki se pa še dobijo ljudje, ki te propalice partizanske proslavljajo in jih prištevajo med junake, a ubogo revno ljudstvo se jim nič ne smili.

Dragi farani fare sv. Lovrenca! Vsi vemo, da je g. kanonik Oman veliko dobrega storil za našo faro, lepo nas je učil, vselej nas je svaril, kadar je videl, da je to v našo korist. Vsi smo mu dolžni veliko zahvalo. Zatorej spoštujemo ga še naprej tako, saj je on naš duhovni oče, ki res prav po očetovski skrbi za nas. Newburška fara slovi daleč naokrog in ta sloves je dobila po zaslugah Fathera Omana.

In sedaj, ko naš dobri dušni pastir kanonik Oman obhaja 30 letnico dobrega in uspešnega delovanja med nami, zato se skupno zahvalimo Bogu za vse te številne dobrote. Prvo nedeljo, to je, 2. septembra bo tisti srečni in veseli dan, kajti ravno na ta dan bo 30 let odkar je naš župnik kanonik Oman pri fari sv. Lovrenca. To bo slavnostni dan za vse farane. Vse naj bo temu primerno tudi posnaženo in vse praznično obleženo. Tudi cerkev bo lepo ozaljšana in tudi zvonovi bodo ta dan gotovo lepše peli ter faranom oznanjali, da se vrši nekaj izrednega ta dan. Torej v nedeljo 2. septembra vsi farani sv. Lovrenca na plan. Lepo bi bilo in tudi častno, če bi se vsa društva iz fare odzvala in skupno korakala od SND v cerkev. Maša bo ob 11 in sicer slovesna, katero bo daroval sam naš slavljencec ob navzočnosti drugih gg. duhovnikov. Navzoč bo tudi naš dnevniški prevzisen škof ter mnogo zunanjih gostov.

Zato pa, farani, pokažimo ta dan, da resnično ljubimo in spoštujemo svojega dušnega pastirja.

Castiti g. kanonik Oman! Vaše besede so obrodile tisočeri sad v zadnjih 30 letih v naši fari. Bog je blagoslovil Vaše delo in ljubi Bog naj Vam da trdnega zdravja še mnogo let ter naj blagoslovi Vas kakor tudi nas vse farane. Ob 30 letnici bivanja med nami, Vam kličemo: Bodite pristrčno pozdravljeni!

Oltarna društva

Na zvezini seji Oltarnih društev je bilo sklenjeno, da pridemo v nedeljo 26. avgusta v Providence Heights iz vseh starih vetrov in se zahvalimo Mariji naši nebeski materi, da je te strašne morije enkrat konec in da se tudi me pridružimo tisočeri množici, ki je bila zbrana na božji poti v Carey, Ohio.

Neka ženska, ki je bila tam, mi je povedala, da ko je v torek zvečer naš predsednik Zed. držav po radiju naznanil, da je konec vojne, je vsa zbrana množica naenkrat pokleknila in glasno molila v zahvalo Bogu in Mariji. Saj bi bil človek že skoro mislil, da ne bo te strašne vojne nikdar več konec, a zgodilo se je po besedah sv. evangelija, ki pravi: radi izveljenih bodo prikrajšani tisti dnevi... Vedite, da je Bog še vedno močnejši kot pa poglavar pekla.

Vsi častilci in častilke Matere Božje in Najsvetejšega zakramenta pridite v nedeljo, pa naj bo dež ali lepo vreme, saj so tudi naši vojaki morali biti pripravljeni v vsakem vremenu, da se skupno zahvalimo Materi Božji, ki je uslišala naše prošnje in molitve, da bomo, če Bog da, že skoro zopet videli svoje sinove, brate in može, ki se bodo vrnil iz bojnih poljan. Zato prosimo Marijo, da jih varuje tudi še sedaj, kajti pot z raznih bojišč je še dolga in nevarna. Spomnimo pa se v molitvi tudi tistih, ki so dali svoje življenje za domovino, naj jim bo Bog milostljiv sodnik.

Torej, vse članice Oltarnih društev, člani Najsv. Imena in sploh vsi, ki mislite, da je treba zahvale Bogu in Mariji, pridite v nedeljo v Providence Heights, da se skupno zahvalimo v molitvi. Obenem pa se spomnimo tudi naših trpečih bratov in sestra v stari domovini, naj jim bo Marija tolažnica in pomočnica v teh žalostnih časih. Pristrčno pozdravljamo vse častilce in častilke Jezusa in Marije ter vam kličemo na svidenje v nedeljo v Providence Heights.

Anna Gliha.

ENGLISH NEWS

ST. VITUS

(Continued from page 4)

Addison Rd. whose name he did not recognize as being Slovene until later, when typing up his "scoop." Glad you had such a swell time, Bam, but boy, oh, boy, you should have celebrated it with the B. G. Club at St. Vitus! Right jolly it was—a smashing success!

Baraga Glee Club

Memories, memories, days of long gone by. Yes, the aforementioned have reoccurred time and time again, as the Baraga Glee Club lassies continue their choral work on through the years. Although there were occasions when one would overhear a lassie say, "This affair is one I will always remember," we now know that for many, this statement has been converted to a great extent.

Tuesday night, August 14, 1945, will be recorded as the greatest of all days in the history of our world. Strange as it may seem, it was the day that the announcement of peace had come on this day, just as the lassies gathered in front of the school, for our regular rehearsals. The world had been expecting the news, and simply couldn't refrain from bursting forth with the joy they felt from within, once the news had been announced.

In just a few seconds one could not help but notice that the long awaited day had finally come. The members who were early to rehearsals that evening, stood outside the school somewhat dazed, and each seemed to be in her own little world, alone with her thoughts. They may have heard the whistles blowing and the church bells ringing, but these could not surpass nor disturb in any measure, the prayer that was being said deep within their hearts.

The members immediately walked to church, to which crowds were already surging. On our way we met the many servicemen home on furlough, the mother who hurried her steps much more quickly than in days gone by, for this was the day she had so patiently awaited, the fathers so proud of their fighting sons, no doubt themselves recalling their own return from the war, the young fellows who were just to be called to their country's servitude, the young girls, the young wives, some with their children, and the tiny tots, all entered into the church and kneeling with hands clasped around their heads, they said an ever grateful prayer to Almighty God and His Blessed Mother for bringing this War to an end, and giving us Peace.

The noise and tumult continued from without, but how solemn and still was the moment within the sacred walls of the church. We gathered in the church choir, and in the company of our director and our organist we began to sing, the songs we had waited to present for the longest time. This was the moment we had all patiently awaited, the time when we could sing to the Heavenly courts, in thanksgiving for the greatest blessing, PEACE, which had been restored to the world.

Our first song was the ever lovely "Holy God We Praise Thy Name." The congregation and all joined in to give praise to our Lord. As we sang, many of the lassies were seen with tears in her eyes, but they were both tears of joy and sorrow. "Mother at Your Feet is Kneeling," "On This Day, Oh Beautiful Mother," the "Ave Maria" and "Mary Guard Our Valiant Hero's," were other hymns sung by the girls.

Words cannot express the beauty and loveliness of our Blessed Virgin's altar aglow with lights and candles, "Mary help our absent loved ones," and how many gold stars radiated from the Honor Roll. We hadn't forgotten the countless number of our parishioners, young fellows, who have given their lives so that we may have had this Peace. It was to you, and others in our armed forces that we had offered our songs. You can be certain that your loved ones had remembered you in their prayers and hymns of praise that day. For that was your Mom, and Dad, sister and brother, and just a little bit from the street, as well as your buddy who may have been much more fortunate than you so much so as to be home at the time peace had been announced, yes, they were the ones who had entered into the church, just as soon as the bells resounding victory, pealed forth.

We raise a salute to all the gold stars of our parish as also to the mothers who knelt that day in solemn stillness, and fingered their beads and prayer books, offering prayers for the absent loved ones. Your prayers will be heard as through Mary to Jesus, your burden will be lightened and some day you will meet your loved one in Mary's heavenly abode.

Together the lassies knelt, and led the congregation in prayer, that all our servicemen return soon, and that Mary watch over our gold stars, wherever they may be.

How proud the lassies will be when some day they can tell their children how they sang in the church choir the day Peace was restored to the world. Will this be a memory? With our continued prayers we will turn it into a lasting memory, never to revive the hardships of War again. "GOD BLESS AMERICA."

OUR BROTHERS
Yes, the end of the War meant the return home of the many brothers of our lassies. Helen Meglich had a wonderful reason to smile, and she can well be proud, as she has four brothers in the service, Julie Godic has three, and Mary Alice Klemencic and Mary Mezic, both have two brothers in the service. There are sixteen members having one brother in his country's service. Not to mention the countless number of friends and "certain someone's," of the lassies who will be coming home.

May the day come very soon when we'll all meet together in the school hall, and sing to our hearts content. An invitation is extended to you all, and may you enjoy your WELCOME HOME. Many thanks to you all, for your part in this War, may God Bless You, and may the day come soon, when you will join your loved ones, and the Baraga Glee "Slovenske Dekle," in singing such favorites as "Kaj nam pa morejo," and "Mi se mammo radi." Here's to all the fellows, wherever you may be, the lassies are proud to say "Kadar boš nazaj prišel, pojdi v solo, kjer se bomo zabavali." Until then ZIVJO.

TUESDAY NIGHT SURPRISE
Our director El, received a two-fold surprise a week ago Tuesday, first Victory had been announced, and upon the lassies arrival to the school hall, she was surprised to be greeted by the lovely "Happy Birthday" greeting, sung by the girls and also to find that they had planned a Birthday party in her honor. Plans for the party had been made long in advance, and as a coincidence both occurred at the same time.

Seeing that it was Victory Day as well, a number of the lassies stood at the school entrance and invited other friends who were touring the neighborhood that evening, down into the hall, where all joined together, in a gala night of dancing and singing, both English and Slovene medleys. Refreshments were served buffet style with a lovely birthday cake as its centerpiece. Music was furnished by Matt Milnar and Suzy.

Among servicemen present were Pfc. Allan Kingsett and Sgt. Joseph Masar, being entertained by our Prexy Ann Pernach. By the way this serviceman is Ann's friend, Holy Name Juniors present were Tony Stanich, Joe Hacc, Don Mocnik and Freddie Merhar, who joined the group, and from what was witnessed they had a wonderful time. Also present were Messrs. Brodnick, Bransel, Frank Vovko, and Ed Merhar. It was nice seeing you, Ed, here's an invite to join us more often. Jessie August was seen in the company of her fiancée, Sammy Milnar, as well as Mickey Samadole, who sat on the sidelines. We'd like to have the honor of your presence at more of our affairs, Jessie, Sammy, and Mickey.

Father Baraga was amongst the crowd. It was grand having you with us again, Father. From what was heard, Father had a very nice trip. "Sunshine Kay from Colorado," was seen enjoying the hospitality of the Cleveland Slovenes.

The majority of the lassies gathering in groups and discussing the homecoming of the fellows now in the service. Smiles seemed to have won over every personality that evening.

A wonderful time was had by all. As the night came to a close all departed to their homes with a feeling of joy, that the coming dawn would bring another day, and this day would be one minus the treachery of War, although we'll always remember those who never will return.

The following day, the lassies were seen at Mass, and later in the afternoon attending and making visits to the church, as the Blessed Sacrament was exposed throughout the day, with devotions in the evening which brought to a close a day of prayer and thanksgiving. OUR GOLD STARS WERE NOT FORGOTTEN.

Our prayers at this time are for member Doty Petrincic's brother who is "missing in action." He was a member of the ship Indianapolis. "Mary, Star of the Sea, help your loved one, and bring him back home, to his loved ones."

DO YOU TUNE WJW SUNDAY? ? ?
Again, Mr. Harper of WJW gave a wonderful account of St. Mary's Sunday game. This time he used the superlative "Excellent," as a description of our pitchers great work. Quoting him: "Mr. Richard Malovasic pitched an excellent game, striking out 18 men and giving two hits, walking not one man. St. Mary's beat the 'Twentieth Century's' team, 6 to 0. Sunday we play the V. F. W. Post 1500. The time, 4:00 p. m., Diamond No. 5. Hope to see all there!

CHAMPS OF 1945
Official word has been received that St. Mary's C. Y. O. girl team has taken the East Side Championship with honors. Last Tuesday afternoon Mr. Raymond of the league presented the beautiful trophy representing our great victory.

Immediately upon receiving the official word, Father Celestnik hurried to Bleep Coombs to make arrangements for the purchase of jackets for the club. Nice work, girls! Congratulations to you!

Frank Ivancic, son of Mr. Joe Ivancic of Madison, O., has been honorably discharged from the army. In service three years, he was overseas 34 months. During that time his duties led him into Africa, Tunisia, and was at the invasion of Anzio Beach, Italy, then he was sent to France, Germany and Austria.

On a 21-day furlough from the South Pacific is Francis L. Krall, S. I. C. son of Mr. and Mrs. Joseph Krall. He is staying with his wife, Agnes and son, Gerald, at 9702 Gerald Ave., where friends can visit him.

WE GAVE THANKS
Sunday was proclaimed as the day of prayer and thanksgiving for victory over Japan. At our Church, we thanked God by our Adoration of Him in the Most Blessed Sacrament throughout the day. Yes, Our Lord was "kept company," by someone all during the day. We can be sure we tried to express our gratitude. Those who did not, ask yourselves if you were one of the ungrateful nine of the Last Sunday's Gospel. The least a cheerful giver would expect is gratitude. Are we doing, at least, that little bit? ? ? AROUND HOME
Louis Jerkic of School Ave. just completed his training in Texas. As our church bells rang out the joy of the Wars end, Louis walked in on his folks. What added surprise that the Jerkic's had is undecipherable.

Welcome home, Louis, do have a nice time and may you be with us for good, soon!

A START IN NURSING
Sodalist Amelia Hrasar is home enjoying a two-week vacation, after six months of nurses' training at St. Alexis School of Nursing under the U. S. Cadet Nurses Program. Last Tuesday, August 14, the Capping Ceremony was held at St. Alexis Auditorium and at that time Amelia and her classmates received their nurses' caps. The ceremony was short but impressive and included both the Florence Nightingale and U. S. Cadet Nurse Corps Pledge. It concluded with the Star Spangled Banner which was a fitting patriotic ending, since the President's announcement of the Japanese surrender had preceded it by less than an hour. After her brief vacation, Amelia will return to St. Alexis to continue her training while serving at the hospital. So far she has enjoyed the work and done very well in her studies.—we hope she will continue to do so.

SODALITY NEWS
We are having our annual birthday party for the girls at St. Joseph's Orphanage tomorrow, August 26. Arrangements have already been made for refreshments and gifts. All the Sodalists are requested to attend so be sure to get together and come. We want to make this one big success. The orphanage is located on Lake Shore Blvd., about a block west of E. 185 St. Take the Nottingham-E. 185 St. bus to the end of the line and then walk west on Lake Shore Blvd. for about a block. We are planning to see all of the Sodalists there at 2:30 p. m., since this is our first big affair this summer. The party will last until 5 or 5:30 in the afternoon.

WE GAVE THANKS
Sunday was proclaimed as the day of prayer and thanksgiving for victory over Japan. At our Church, we thanked God by our Adoration of Him in the Most Blessed Sacrament throughout the day. Yes, Our Lord was "kept company," by someone all during the day. We can be sure we tried to express our gratitude. Those who did not, ask yourselves if you were one of the ungrateful nine of the Last Sunday's Gospel. The least a cheerful giver would expect is gratitude. Are we doing, at least, that little bit? ? ? AROUND HOME
Louis Jerkic of School Ave. just completed his training in Texas. As our church bells rang out the joy of the Wars end, Louis walked in on his folks. What added surprise that the Jerkic's had is undecipherable.

A START IN NURSING
Sodalist Amelia Hrasar is home enjoying a two-week vacation, after six months of nurses' training at St. Alexis School of Nursing under the U. S. Cadet Nurses Program. Last Tuesday, August 14, the Capping Ceremony was held at St. Alexis Auditorium and at that time Amelia and her classmates received their nurses' caps. The ceremony was short but impressive and included both the Florence Nightingale and U. S. Cadet Nurse Corps Pledge. It concluded with the Star Spangled Banner which was a fitting patriotic ending, since the President's announcement of the Japanese surrender had preceded it by less than an hour. After her brief vacation, Amelia will return to St. Alexis to continue her training while serving at the hospital. So far she has enjoyed the work and done very well in her studies.—we hope she will continue to do so.

MOTHER'S LAMENT

Nothing can be more sad to a parent, teacher, or a leader of youth than to see a child, which was under their guidance, to turn out to be a disappointment. What heartaches such must cause to their loved ones. Every last effort of the parents and teachers is spent only that the child might not want. The gratitude for their troubles is never showed them.

The following is a very descriptive poem of a disappointed mother who did only the best that she could:

"How strange it seems to bring a son through life's grave problems, one by one, To keep a vigil at his crib, To change his diapers and his bib, To rout the measles and the mumps, To tend to all his childhood bumps, To cry a bit as he grows tall, Yet certain he is worth it all, And then when you are feeling smug— To find you've raised a good for nothing mug."

We learn, when it is too late at times, that we reared an ungrateful child. Our lesson should be that we consider the foundations as most important. In teaching, do we strive to inculcate habits of unselfishness, self-sacrifice and mortification in our children? If these habits are well founded in a youth's life, we can guarantee ourselves we will not need to worry when the child will meet up with difficulties. It's mind will know enough always to choose what is right.

THREE DOWN, THREE TO GO

The final score of Sunday's game against the "Twentieth Century Stoves" was 6 to 0. Not bad at all to see another win on our side. Even the umpire marvelled at our sportsmanship. This exhibition was held at Gordon Park, Diamond No. 5. Credit is due to the hard work and cheerfulness of the whole team. Now, keep up this spirit for the next few games.

WERE YOU THERE? IF NOT, WHY NOT??

To see the game as our team played Sunday was more than a treat for all. The sportsmanship, the spunk and what have you just could not be beat. Truthfully, the spirit is better every Sunday. Maybe this will even build up a spirit that will capture the Championship for our team. Who knows? We are not the only ones that noticed these fine qualities, but even the umpires and score keepers remarked about them. Keep it up, boys!

Our "Whitey Boy" Kapor, did some fast trekking down to first a couple of times. You certainly have speed! His fielding in right field is still superb. We can't comment on his stealing, for he played too well for description, Sunday.

Wow! Did you see Joe Ferra catch that difficult fly in short right field? We can't figure you out, Joe. How do you get you there so quickly, and how can your arms stretch so far? Any answer for us??

Good natured "Sonny Rotar" kidded the opposing catcher while at bat. We heard him say to "Lefty" Malovasic: "This is one of you fan's who wears long pants," poetic like, we thought.

While cheering, one of the fans asked: "What is good for a horse throat?" Father Ceslesnik without hesitation answered, "Oats and Hay." Did that stop him from asking more questions? We'll say it did!

Someone remarked to the two priests present that they shouldn't be encouraging the boys to steal too much. The answer given to the observer: "Here is one time stealing is morally correct. We only wish that more people would learn about this kind of stealing."

Talking of stealing bases: Pike caused himself to be played for at second. The pitcher threw a wild throw as Ferra, then on base, scored and Bill came right after him. What excitement won't do to a team, eh, guys??

Our ever loyal fan, Father Ceslesnik, predicted we would begin to score in the fourth inning. Two runs came in, but we would like to know the secret of Father's marvellous calculations of our scoring.

Grounders are the kind that puzzle a fielder a great deal. Proof?? You have it in the two ground hit balls by "Chuck" Smrdel and Joe Smiklas. Both received two bases for their smart playing. It seems the infielders don't have just enough practice in stooping.

All being said and done, much credit is due to the splendid pitching of "Lefty" Malovasic and the alertness of "Sonny Rotar," playing as catcher.

Imagine, "Lefty" struck out 18 opponents, walked none and gave only four hits. Now, don't leave us for the supposed vacation you planned in New York. You better stick around Cleveland for at least three weeks yet, "Lefty."

SPORTS

Changing the jeering of the top Cleveland crowd for 1945 into prolonged cheering, the Indians Sunday staged an impressive rally for an even break with the Washington Nats in the stadium.

Their seven-game victory string snapped when they bowed in the opener, 7-1, the Indians blasted over nine runs after two were out in the seventh to take the finale, 9-3, and chase the headaches of 29,510 observers.

However, there was one severe headache in the tribe's ranks and it caused much concern. Allie Reynolds, whose excellent pitching earned him his 13th triumph, suffered from a collision with Second Baseman George Myatt of the Nats and was sent to Lakeside Hospital for observation.

Their power short-circuited and their ace hurlers failing them, the Indians Monday night absorbed two extremely painful shutout beatings from the red-hot Washington Nats in the stadium.

A throng of 24,611, which boosted the attendance for the series to 54,121, groaned as the tribe fell, 7-0, at dusk and 6-0 under the floodlights.

The double defeat dropped the tribe seven games behind the leading Detroit Tigers, five and one-half games behind the Nats and one to the rear of the Chicago White Sox. And the St. Louis Browns climbed into a virtual tie with the Redskins for fourth place.

Washington's surging Nats Tuesday continued the process of deflating the Indians' chances and moved within one game of the first-place Detroit Tigers by hammering another impressive 11 to 8 victory in League Park.

The tribe dropped into fifth place, only a half game ahead of the New York Yankees.

Reaching four pitchers for 15 hits, six of them for extra bases, the Nats made it three in a row, four out of five and clinched the series—first the Indians have lost since July 18.

It was another long and gloomy day for the Indians and 7,500 suffering fans in League Park Wednesday.

Washington's Nats, never missing a trick, crushed the tribe in both ends of the double-header, 3-0 and 6-5, in 11 innings, for their sixth victory in the seven-game set, five of them in succession.

Concluding their western tour with a mark of 13 decisions in 20 games, the Nats are a half game behind the Detroit Tigers, exactly where they were when they started the trip.

Major League standings as of Wednesday are as follows: American League: Detroit, Washington, Chicago, St. Louis, New York, CLEVELAND, Boston and Philadelphia. National League: Chicago, St. Louis, Brooklyn, New York, Pittsburgh, Boston, Cincinnati, Philadelphia.

T/SSGT. BILL TOFANT

T/SSGT. Bill Tofant, son of Mrs. Rose Tofant, 17814 Neff Rd., is now with the occupation army in Germany and does not expect to come home this year, although he has been in the army 42 months, 16 months of which has been spent overseas. Participating in battles on four war fronts, England, France, Holland and Belgium, it was the battle of Bastogne which was most exciting, where General McAuliffe of the 101st Airborne Division answered the German ultimatum with: "Nuts!" Bill was captured there for 16 days before he was liberated. For holding Bastogne, all of them received ribbons from England, Holland and France as well as the Presidential Citation and Bill also has the Bronze Star Medal. He also has the Purple Heart Medal which was given him for injuries received in Holland when their plane was shot down and Bill was in the glider behind the plane. His mother has many souvenirs which he sent home from Germany and while he spent a few days in Rome, he sent home a blessed rosary. Before his entry into service, Bill served with the Cleveland Police Department and once also edited our English page.

S/Sgt. Joseph G. Snyder, son of Mrs. Frances Snyder, 1050 E. 67 St., has been awarded the Air Medal and the Oak Leaf Cluster, with a citation which reads: "For meritorious achievement while participating in aerial flight from January 26, 1945 to May 8, 1945 in Belgium and Germany. An Air Corps Liaison pilot, Sgt. Snyder successfully completed 70 missions during this period. Many of these sorties were flown over enemy territory and in adverse weather conditions. Sgt. WEDDING BELLS

Today at 9 a. m. at St. Vitus Church, a wedding ceremony will unite Miss Sophie Novak, daughter of John Novak of 7417 Lockyear Ave., and Otto Seliskar, son of Anton Seliskar, R. F. D. 2, Madison, O.

A soldier was returning from the village, having had a haircut, when he met his captain carrying golf-clubs. "If you're returning to camp, Jones," the Captain said, "would you mind putting these clubs in my office for me?"

"Certainly, sir," answered Jones, slinging them over his shoulder. A little nearer the camp he met the colonel.

"Good-morning, sir!" Jones said, saluting smartly.

"Morning, Jones!" answered the colonel genially. "Been for a round of golf?"

"Oh, no, sir; I've been having a haircut."

Shopper: "How much are your potatoes worth now?" Clerk: "Frankly, lady, they're worth no more than they ever were, but they're costing about six times as much."

"Say, you want to get married?" "For vy I shall get me married?" "Well, old Cohen the banker is going to settle a big dowry on his daughters. He has one daughter eighteen years of age to whom he will give \$10,000 when she is married. He has another daughter twenty-eight years old, to whom he will give \$20,000. He has another daughter forty-five years of age, to whom he will give \$30,000. 'Hain't he got a older von?"

An obstetrician, who is very conscientious about telling only the truth, has adopted this strategy. When asked by proud mothers what he thinks of their babies, he always shakes his head admiringly and says with special inflection, "Now there is a baby!"

A woman may put on a riding habit and never go riding. She may put on a bathing suit and never go swimming. But when a woman puts on a wedding gown—she means business.

Belated greeting and felicitations to our pastor, Msgr. Ponikvar and to Father Andrey, who celebrated birthdays this past week. To both of our wishes for much happiness and contentment AD MULTOS ANNOS! Monsignor also celebrated a patronal feast yesterday, which calls for more congratulations!

WILL TAKE PERPETUAL VOWS TOMORROW

A very happy bit of news reached us recently. Brother Frank Mocnik, S.M. of Mount St. John, Dayton, Ohio, who is the son of Mrs. Mary Marinko, 6713 Bonna Ave. will take his perpetual vows as a member of the Society of Mary tomorrow morning at profession ceremonies.

Although your friends back here at St. Vitus cannot witness this beautiful and edifying ceremony, we assure you we'll be there with you in thought and prayer, Bro. Frank, asking God to shower His servant with an abundance of grace and blessings.

Br. Frank Mocnik, S.M. was a mass server and a very active organizer and member of the Junior Holy Name Society for a number of years. He also edited the Junior Journal for some time.

Congratulations to Mrs. Marinko, her family and especially to Bro. Frank upon this happy occasion!

SHOWER

Miss Mary Luznar, member of the St. Vitus Theatre Guild, Young Ladies' Sodality and CYO was pleasantly surprised with a bridal shower, held at the school hall this past week. Her relatives and numerous friends presented her with lovely gifts of linen and other household articles.

Mary will become the bride of Mr.

George F. Wald of Ohio on Saturday, September 2.

In anticipation of this we are already extending wishes for much joy and your married life, Mary. A very interesting letter this week from Hawaii describes V-J Day as "Furious bedlam"—he obtaining material published he ran across a Leo.
