

### Papež Janez Pavel II. končal uspešen obisk v Veliki Britaniji

CARDIFF, Wales. — Papež Janez Pavel II. je končal svoj 6-dnevni obisk v Angliji v tem mestu in odpotoval v Rim. V Walesu je bil papež komaj 10 ur, imel je sestanke s predstavniki lokalne angleške in katoliške Cerkve, maševal pred 100.000 verniki in govoril na zborovanju, ki se ga je v deževnem vremenu udeležilo 37.000 mladih ljudi.

Prebivalstvo Walesa šteje 2,7 milijona, od teh je komaj 270.000 katoliške vere.

Na letališču Rhoose v Cardiffu je Janez Pavel II. izrazil svojo zahvalo angleškemu ljudstvu in posebno kraljici Elizabeti II., ki jo je srečal v Buckingham Palace.

V svojih govorih, pridigah in kratkih pogovorih z novinarji je papež poudarjal potrebo, da so kristjani enotni, da si prizadevajo skupno za mir in ljubezen med ljudmi. Molil je za vse žrtve vojne na svetu. Tu je imel posebno v mislih vojno v južnem Atlantiku med Anglijo in Argentino, čeprav o tej vojni ni neposredno komentiral.

Papež je v svojih sestankih z voditelji angleške anglikanske Cerkve poudarjal potrebo, da se rimsko-katoliška in anglikanska Cerkve zblížujeta. Pred 443 leti je namreč takratni angleški kralj Henrik VIII. pretrgal odnose z Rimom in ustanovil neodvisno angleško Cerkve, katere zemeljski poglavar je bil on sam. Ta tradicija se je nadaljevala in ima to vlogo danes Elizabeta II.

Duhovni poglavar anglikanske Cerkve je canterburjski nadškof Robert Runcie, s katerim se je sestel nekajkrat Janez Pavel II.

Demonstracije protestantov so bile šibke in niso papeža nič motile. Varnostni ukrepi okoli papeža so bili izredno strogi, policisti pa res niso imeli posebnih težav.

### Kilajska vlada izgnala ameriško študentko, zaročeno s Kitajcem

PEKING, Kit. — Pretekli petek so kitajski policisti aretirali 28-letno ameriško študentko Liso Wichser in jo obtožili vohunjenja za CIA. Kitajci smatrajo za tajno vse, kar ni bilo uradno objavljeno ali sporočeno.

Ameriško državno tajništvo je takoj vložilo protest pri kitajskem zunanjem ministrstvu, posredoval je tudi zvezni senator Howard H. Baker (D-Tenn.), ki je trenutno na obisku v Kitajski.

Končno so Kitajci popustili. Rekli so, da bodo gđ. Wichser izpustili pod pogojem, da zapusti Kitajsko v 48 urah.

Opazovalci kitajskih razmer menijo, da je bila Lisa Wichser aretirana in potem izgnana iz države zato, ker se je zaročila z nekim kitajskim študentom. V zadnjih mesecih skušajo kitajske oblasti preprečevati osebne stike med Kitajci in tistimi, ki obiskujejo državo ali tam študirajo.

### Danes začetek sestanka na vrhu v Franciji; strah pred teroristi

VERSAILLES, Fr. — Danes se bo v sloviti versailleski palači začel sestanek na vrhu, ki se ga bodo udeležili voditelji sedmih pomembnejših zahodnih držav. Gostitelj letošnjega sestanka je francoski predsednik Francois Mitterand.

Ameriško delegacijo vodi sam predsednik Ronald Reagan, ki bo ostal v Zahodni Evropi deset dni. Obiskal bo tudi Zahodno Nemčijo in ameriške vojske, nastanjene v tej državi.

Državniki bodo posvetili največ pozornosti gospodarskim problemom, pri tem pa se osredotočili na vlogo v svetovnem gospodarstvu, ki jo igrajo ZDA. Zahodnoevropske države in Japonska so silno nezadovoljne z gospodarsko politiko Reaganove administracije in predvsem z izredno visoko obrestno mero v ZDA. Zaskrbljeni so tudi zaradi ogromnih primanjkljajev v ameriških zveznih proračunih zadnja fiskalna leta. Ti primanjkljaji namreč zelo pospešujejo nadaljevanje visoke obrestne mere.

Od predsednika Reagana bodo njegovi sobesedniki zahtevali učinkovitejše ukrepe zoper visoko obrestno mero in zmanjševanje proračunskih primanjkljajev.

S svoje strani bo Reagan prosil zahodnoevropske države, naj ne sodelujejo s Sovjetsko zvezo v gradnji plinovoda iz Sibirije v Zahodno Evropo, naj omejujejo posojila in drugo finančno oz. gospodarsko sodelovanje z ZSSR in drugimi državami sovjetskega bloka. Od Japoncev bo predsednik ZDA zahteval ukrepe, ki bodo olajšali ameriški izvoz na Japonsko.

V zadnjih dneh je bilo v Franciji in Zahodni Nemčiji več primerov terorizma. Zaradi tega so varnostni ukrepi v Versaillesu in okolici izredno strogi. Med drugim imajo nekatere teroristične skupine protiletalske rakete in drugo sodobno orožje.

### VREME

### Poučevanje slovenščine med rojaki v Avstraliji

IV.

Združenje od vsega začetka vedno in povsod podpira enake pravice za vse jezike. Zato je vedno proti poskusom tistih, ki — pod videzom narečnih podobnosti — odrekajo neodvisnost kateremu koli jeziku. V tem ni toliko neznanja kot zakrinkanega političnega rovarjenja. Slovenščina ni vindišarsko ali alpsko-kajkavsko narečje; makedonščina ni južno-srbsko ali zapadno-bolgarsko narečje. To so v matični deželi narodni jeziki, ki so znanstveno dovolj utemeljeni z lastno knji-

ževnostjo ter lastno kulturo. V hrvaškem književnem jeziku se danes poučuje na univerzah v Zagrebu, Osijeku, Splitu itd. ter vseh drugih sohlah. Vpeljava tega jezika v države šole je bila izvršena v Viktoriji šele lansko leto, ko je bilo končno zlomljeno dolgoletno nasprotovanje.

Ni pozabiti, da je bilo Združenje slovenskih učiteljev ustanovljeno prav v namenu, da se uveljavi slovenski jezik v avstralskem šolskem sistemu kot enakoveren jezik vsem ostalim jezikom. Prav tako v sredstvih obveščanja,

## VEČ ZNAKOV NEENOTNOSTI V ARGENTINSKI JUNTI; ANGLEŽI ŽELIJO ZMAGO

LONDON, V. Br.; BUENOS AIRES, Ar. — Najnovejši podatki o poteku boja na otoku East Falkland govorijo o stalnem napredovanju angleških čet, ki baje obvladujejo položaj in se pripravljajo za napad na Port Stanley. Do tega napada naj bi prišlo v prihodnjih dneh. Kot kaže, Angleži so prepričani, da bo ta napad uspel v sorazmerno kratkem času, da pa bodo izgube na obeh straneh precejšnje.

Britansko stališče se ni nič spremenilo. Vsaka ustavev sovražnosti mora biti nedvoumno vezana z brezpogojno argentinsko obveznostjo, da bo Argentina takoj začela umikati svoje sile s Falklandov, poudarjajo angleška premierka Margaret Thatcher in njeni predstavniki. Ta predpogoj pa je za Argentino še vedno nesprejemljiv.

Opazovalci argentinskih političnih razmer zatrjujejo, da so v zadnjih dneh opazili več znakov neenotnosti v argentinski junti. Nekateri člani junte javno govorijo na primer o potrebi nove vlade narodne enotnosti, ki jo naj bi bili sestavili ugledni predstavniki argentinske družbe.

V New York je prispela delegacija, ki ji načeljuje častnik argentinskih letalskih sil Jose Miret. Delegacija je prinesla s seboj nove predloge, ki jih je izročila generalnemu tajniku Združenih narodov Javierju Perezu de Cuellarju.

Nov argentinski načrt predvideva takojšnje premirje, potem bi se začela pogajanja o skupnem umikanju argentinskih in angleških sil. Argentinci menda ne zahtevajo več kot predpogoj, da Anglija najprvo prizna končno argentinsko suverenost nad Falklandskimi otoki.

Predsednik Ronald Reagan in državni tajnik ZDA Aleksander M. Haig pritiskata na go. Margaret Thatcher, naj pristane na kompromisno rešitev namesto, da izsiljuje vojaško zmago nad Argentino. Ga. Thatcher je menda jezna nad tem pritiskom in želi, da bi angleške čete premagale argentinske. Angleži so na pragu popolne vojaške zmage, pravi ga. Thatcher, zakaj naj bi bili zadovoljni s kompromisom?

Ce bi sprejeli Reaganov in

Haigov predlog, poudarjajo Angleži, bi lahko Argentinci in tudi drugi morebitni agresorji prišli do zaključka, da se jim izplača reševati probleme z uporabo vojaške sile.

### Zadnje vesti

## Pred štiridesetimi leti

(Drugo nadaljevanje)

Videli smo, kako je profesor Ehrlich preprečil, da bi po razbitju slovenske odporne koalicije na univerzi leta 1933 partija s subverzijo prevladala v razdruženih študentskih društvih, ki so se znašla nepripravljena, da bi se tej partijski taktiki mogla hitro in uspešno zoperstaviti. To vrzel je izpolnil dr. Ehrlichov ključni vpiseg v letih 1933-34. Tega mu partija ni odpustila.

V času, ko se je na univerzi razvijala široka ideološka borba, je kralj Aleksander skušal utrditi in ustaliti svojo unitaristično diktaturo. Da bi le-tej dal videz širše politične osnove, je kralj kot pripravo na javne "volitve" septembra leta 1931 improviziral novo, edino dopustno "politično stranko" JNS (= Jugoslovanska nacionalna stranka). JNS je bila sestavljena iz nekaterih politikov, ki so odpadli od opozicionalnega jedra vodilnih srbijanskih strank — "radikalne" in "demokratske" — ter iz delov SDS (= Samostojna demokratska stranka), ki je po prvi svetovni vojni nastala med "prečanskimi" Srbi, zajela pa je tudi glavnino slovenskih "liberalcev". Ime te uradne JNS pod predsedstvom generala Živkovića naj bi demonstrativno simboliziralo končni namen dvorske diktature, da bi iz zgodovinsko in zavestno avtohtonih narodov prejšnje "Kraljevine Srbov, Hrvatov in Slovencev" —, ki jo je kralj po uvedbi diktature preimenoval v "Jugoslavijo", ime, ki ga je po vojni prevzel tudi Titov režim — zvarila enoten "jugoslovanski narod". Že prej, v začetku 1929, pa je kralj nekdanjo svobodomiselnost organizacijo "Sokol" podrževal kot edino dovoljeno in od države financirano mladinsko telovadno organizacijo.

Tako so se manjšinski slovenski "liberalci" oz. njihovo vodstvo pridružili dvorski diktaturi. Ta njihova odločitev proti demokraciji in slovenstvu pa je v njihovih vrstah povzročila razkol. Manjši del "liberalcev", predvsem izobraženstvo, se je od vodstva odcepil, da demonstrira zvestobo slovenstvu in demokraciji. Že večkrat omenjeni študentski "Triglav" je to slovensko liberalno krilo predstavljal na univerzi, dokler ni podlegel partijski subverziji. Literarni kritik Josip Vidmar pa je s svojo knjigo "Kulturni problem slovenstva" (1932) postal simbol svobodomiselnega odpora proti jugoslovenski diktaturi.

Štiri internirani politični prvaki podtalne SLS so medtem bili prepeljani v druge južne kraje. Dr. Korošec je drugi del svoje internacije preživel na otoku Hvaru. Tam sva ga po posredovanju in v spremstvu ing. Lamberta Murija —, ki je do internacije bil Korošček osebni spremljevalec potem, ko se je dr. Korošec po izstopu iz Živkovićeve vlade avgusta 1929 vrnil v Ljubljano — poleti 1934 obiskala s pokojnim Francetom Casarjem. (Casarja so septembra 1943 iz sedsede ubili VOS-ovci, ko se je vračal iz Turjaka v Ljubljano.) Casar je bil eden prvih v Ehrlichovem krogu študentov leta 1932. Od nas drugih ga je odlikoval izreden čut za politično taktiko. Ker sem jaz bil bolj filozofsko-analitično nagnjen, sva se v bojih na univerzi spopolnjevala, poleg tega pa sva postala tudi najozja osebna prijatelja.

Obisk na Hvaru je za naju bilo prvo osebno srečanje z dr. Korošcem. Kot večina Slovencev sva ga tudi midva občudovala kot posebej blago karizmatično kontinuiteto slovenstva v neenaki borbi za narodno-politično samostojnost še iz časov pred prvo svetovno vojno, ko je kot mlad in privlačen načelnik kluba slovenskih poslancev dr. Korošec slovel kot najboljši govornik v dunajskem parlamentu. Zagorel, zdrav in naravno impozanten naju je sprejel z očitnim zadovoljstvom. Najprej naju je poučil o pravih internacijah in o pripravljenih podrobnostih najinega večdnevnega bivanja na Hvaru in dnevnih pogovorov z njim tako, da ne bi izzivali pozornosti njegovih iz Beograda poslanih "angelov varuhov". V sledečih razgovorih se je zanimal za dogajanja na ljubljanski univerzi, ki sva mu jih podrobno opisala. Vzpodbujal je, naj vztrajamo, pri tem pa ne pozabljamo na važnost umirjenega nastopanja in primerne taktike. Izrazil je posebno zadovoljstvo, da nam na univerzi pomaga profesor Ehrlich, o katerem je s povdankom povedal, da ga smatra za najbolj izobraženega in razgledanega slovenskega duhovnika. Po večdnevni razgovorih smo skupno sestavili nekaj programatičnih in taktičnih vodil za nadaljno borbo, dr. Korošec pa jih je lastnoročno napisal in jih nama dal, da jih neseva v Ljubljano. Ob slovesu nama je svetoval, naj še nekaj dni uživava poletne lepote Dalmacije. Zato smo z ing. Murijem z izletniško ladjo odpluli proti

## Beseda iz naroda...

## Pomlad leta 1942

CLEVELAND, O. — V zgodovini narodov in v življenju posameznikov lahko mnogo krat pokažemo na obdobja, letnice, ali celo čisto določene datume, ki je narod, ali človek, napravil neko usodno, nepreklicno odločitev; odločitev, ki je potem sprožila vrsto drugih dogodkov in oblikovala narodovo ali človekovo bodočnost.

V našem življenju, v življenju slovenskih generacij, ki bi jih zdaj že lahko označevali kot "žrtvovane generacije", brez ozira na to, na katerem oltarju, je bil tak čas odločitve — pomlad leta 1942.

Slabo leto potem, ko se je sesula stara Jugoslavija in je tudi italijanski okupator pokazal isto odločenost izbrisati naš narod z naše zemlje, kot si je prizadeval Nemec od vsega začetka okupacije, je postalo tudi jasno, da so med nami samimi na delu ljudje s čisto svojimi načrti za bodočnost našega naroda, ljudje, ki so v kalnih vodah okupacije razpeli svoje mreže in lovili vanje zbegane in nepoučene ljudi.

Slovenska mladina iz obeh tradicionalnih političnih in ideoloških taborov tistega časa, je bila edina in enem: da je treba domovino spet osvoboditi izpod tuje oblasti in da to ne bo mogoče brez boja. Toda v ta prizadevanja, različna kot so bila, v te načrte, ki so obsegali vse od pasivnega do aktivnega odpora, so se pričela vpletati namigovanja o nekakšnih domačih "izdajalcih", začule so se sprva prikriti, nato odkrite grožnje in končno je bila v jezik našega človeka uvedena ledeno mrzla beseda: likvidacija!

Dubrovniku, od tam pa nazaj v Split in domov. Ob povratku v Ljubljano me je čakala kartica iz Hvara, na kateri so bile tri besede v latinščini: "Portes fortuna adiuvat" ("močnim sreča pomaga") ali — po krščansko — "pogumni so deležni božje pomoči". Karta je bila podpisana z dogovorjeno Koroščevo šifro.

Dne 9. oktobra 1934 je kot strela z jasnega neba udarila vest, da je neki bolgarsko-makedonski atentator ubil kralja Aleksandra, ko se je le-ta v Marseilles-u izkrcal iz vojne ladje za uradni obisk v Franciji. Kot kristjani in demokrati smo odločno odklanjali vsako politično nasilje, pa naj je bilo uradno ozgoraj ali zahrbtno od spodaj. Zato smo obžalovali tudi umor diktatorskega kralja. Dr. Korošec je poslal sožalni brzojavki kraljici Mariji in kraljevemu bratranču knezu Pavlu, ki je tedaj postal načelnik novega tričlanskega kraljevskega nameštništva. Izrazil je tudi željo, da bi se v splitski luki poklonil kraljevski krsti, ko bo priplula z isto ladjo iz Marseilles-a. Tako je tudi napravil, knez Pavle pa je odredil, da se politični interniranci vrnejo na svoje domove.

V Ljubljani je dr. Korošec zopet stanoval v Marijanišču, ki je bil dom za katoliške srednješolce. Tam je imel skromno stanovanje dveh sob. Kmalu po njegovi vrnitvi iz internacije sva ga s Casarjem zopet obiskala in mu predložila naslednjo zamisel. Po petih letih diktature se med študenti čuti velika potreba, da bi se boljše seznanili z javno zatrtimi političnimi vprašanji, posebno z ozirom na nove perspektive po smrti kralja Aleksandra. Ali bi dr. Korošec bil pripravljen pomagati? Toda kako, ko pa mu režim še vedno ne dovoli javnih sestankov, izjav ali govorov?

Problem smo rešili tako, da sva s Casarjem s posebno skrbno zaupnostjo organizirala skrivno prihajanje zapovrstnih skupin izbranih študentov iz vseh katoliških društev v Koroščevo stanovanje na večerne seminarje v zimskih mesecih 1934-35. V teh razgovorih jim je dr. Korošec razlagal dogajanja, ki so bila privedla do Aleksandrove diktature, razloge svojega vstopa v prvo Živkovićevo vlado in one, zaradi katerih je že avgusta 1929 iz vlade izstopil. Po pojasnilih v zvezi z nastankom in pomenom Slovenske deklaracije januarja 1932, je dr. Korošec izrazil mnenje in upanje, da bo knez Pavle pogloma prevedel državo iz diktature v prehodno stopnjo k zopetni demokratizaciji političnega življenja.

Teh zaupnih seminarjev se je udeležilo kakih 120 študentov, preizkušenih v ideoloških borbah na univerzi. Uspeh je bil velik. Udeleženci niso le ohranili konspirativni značaj teh skupinskih srečanj z dr. Korošcem (niti režimska policija, niti sovražna partija zanje nista zvedeli), temveč so se od njih mnogo novega naučili, česar jim nihče drugi in nobena knjiga takrat ne bi mogla dati. Ob soočenju z avtorjem velikih slovenskih političnih odločitev od Dunaja preko Ljubljane do Beograda so udeleženci teh sestankov tudi neposredno zasluhteli mojstra redke politične umetnosti. Za soudeležene študen-

Nismo se takoj zavedli njegove resnične pomena, toda do pomladi leta 1942, ko je bilo treba napraviti veliko odločitev, sta postali kristalno jasni dve dejstvi: da pomeni "likvidacija" v resnici navaden umor in da je uvod v vsak umor — sovraštvo. Mi pa smo smatrali, da je v tistih časih bolj kot kdajkoli poprej, potrebna narodna edinost in ta je možna le v ljubezni, ne v sovraštvu!

Ljubezen pa je omahovala; stara nezaupanja so na stežaj odprla vrata tuji filozofiji revolucije; razprtije, ki bi jih bilo mogoče poravnati s prudenimi pogovori in zdravo pametjo, so se reševale z revolverji in boj proti tujemu osvajalcu se je pričel spremenjati v neusmiljeno iztrebljanje domačih nasprotnikov, resničnih ali namišljenih. Življenja so bila likvidirana, hladno in preračunano, kot se likvidirajo zastareli dolgovi ali neuspešni posli.

Vso zimo je trajalo to blazno ubijanje in ko je prišla pomlad, je slednjič padla beseda: DOVOLJ! 17. maja 1942 je odšla v slovenske gozdove prva skupina oboroženih nacionalnih borcev, da započne resnični odpor tujemu okupatorju in ustavi nasilje, ki ga je med naše ljudi zasejala rdeča revolucija. Tako se je začel slovenski protikomunistični upor.

Od tistih sedemnajstih fantov, ki so pred 40 leti krenili v gozdove, sta danes živa samo dva; vmes so tisoči drugih žrtev, vaški stražarji in četniki, vrtni domobranci in civilisti, kar je preživelo, je ali v tujini ali pa zavito v molk doma. Ne po krivdi teh

žrtev, po krivdi kratkovidnih svetovnih politikov, je revolucija triumfirala v naši domovini in jo narod prenaša še danes.

Toda boj gre naprej, barikade še niso podrt; kjer so nekoč stali preprosti slovenski fantje, stoje danes celi narodi, boj pa je isti: med resnico in lažjo, med temo in lučjo, med dobrim in zlom.

Zveza društev slovenskih protikomunističnih borcev TAVOR bo za konec tedna, 20. junija t.l., na Slovenski pristavi počastila spomin prveborcev slovenskega protikomunističnega upora, kakor tudi spomin vseh, ki so jim sledili. Bili so del nas vseh, borili so se za našo svobodo, padli so, da bi mi živeli, zato smo jim dolžni spoštovanje in zahvalo. To pa jim bomo izkazali najlažje z udeležbo na proslavah na Slovenski pristavi 19. in 20. junija.

## Romanje v Lemont

CLEVELAND, O. — Vsako leto, ko se bliža čas romanja v Lemont, se mi nehotne vrača v spomin, kako smo doma nestrno čakali dneva, ko pojedemo na božjo pot, tako majhni kot veliki.

Moja prva božja pot je bila iz Črnuč pri Ljubljani na Smarno goro, ko mi je bilo šest let. Prišli so tudi moja stara mama iz Gorenjskega in smo šli na Mali Smaren, na moj in mamin god. Peš seveda, bilo je dobri dve uri hoda.

Se težje sem čakala tiste sobote in nedelje, ko sem prvič šla s svojim stricem na Brezje, to pa je bilo štiri ure hoda od stričevega doma. Tedaj sem imela enajst let. Ko se nama je odprl pogled na Brezjansko cerkev, je ravno pozvonilo k neki pobožnosti, nikoli ne bom pozabila občutja, ki me je prevzelo.

Prav z istimi občutki se

te so ta zaupna srečanja z dr. Korošcem bila in ostala edinstvena doživljanja, saj česar podobnega ni bilo ne prej, pa tudi ne več pozneje vse do Koroščeve nenadne smrti decembra 1940.

S Casarjem sva o teh seminarjih predhodno obvestila profesorja Ehrlicha, ne da bi ga poskušala vplesti v njih pripravo. Bil je vesel, da sva jih zamislila in uspešno organizirala tako, da je veliko število katoliških študentov iz prvega vira spoznalo slovensko politično problematiko. Vsi trije pa smo vedeli, da profesor Ehrlich pri teh skupinskih srečanjih študentov z dr. Korošcem ne bi želel sodelovati, ker je svojo svetovalno vlogo v študentskih društvih pojmoval teološko in filozofsko, ne pa neposredno politično. Vem pa, da ga je kmalu nato dr. Korošec sam povabil na osebno obisk, ker je želel tudi od njega zvedeti o ozadju in razvoju ideološke borbe na univerzi in mu morda tudi zaupati kaj več glede predvidenega političnega razvoja v državi.

Po smrti kralja Aleksandra je knez Pavle kmalu zamenjal poslednjo kraljevo vlado. Na čelu nove vlade je bil bivši minister dvora Bogoljub Jeftić kot politično manj eksponirana osebnost — predznak začetege rahljanja 6. junarske diktature. Razpisane so bile nove javne volitve z možnostjo, da poleg JNS —, ki je še vedno bila edina dovoljena politična stranka —, smejo nastopiti tudi neformalno organizirane kandidatne liste. V Sloveniji je dr. Korošec v imenu ilegalne SLS proglasil volilno abstinenco. V ostalih delih države, predvsem na Hrvaškem, pa je dr. Vladko Maček, naslednik ubitega Stjepana Radića v vodstvu ilegalne HSS (= Hrvatska seljačka stranka) —, ki je decembra 1934 bil amnestiran iz večletnega političnega zapor —, organiziral kandidatno listo "Združene opozicije", ki se ji je pridružila večina srbijanskih "Demokratov" in del "Radikalov" ter drugih. Tudi v Sloveniji se je nekaj manj pomembnih osebnosti pridružilo Mačekovi listi. Tudi komunistična partija, ki je izven univerz komaj životala, se je skušala prilepiti na listo "Združene opozicije", pa ji to ni uspelo.

Uradno prirojeni izid javnih volitev, ki so se vršile dne 5. maja 1935, je bil: Jeftić (JNS) nekaj nad en milijon in pol glasov, Maček (Združena opozicija) pa nekaj več kot en milijon. V Sloveniji se je v kljub uradnemu prikrižanju pokazal znaten uspeh volilne abstinence, za katero se je dr. Korošec odločil, da bi preprečil popolno bi-polarizacijo v državi, ki bi mogla onemogočiti miren prehod iz diktature v obnovev demokracije in v zvezno preureditev države. Tako sta dr. Maček in dr. Korošec, vsak na svoj način, dosegla, da so volitve za šestojanuarski režim tako slabo izpadle, da je kraljevo nameštništvo po volitvah povabilo Jeftića, naj poda ostavko svoje vlade, kar je on storil. Nato pa je prišlo do odločilnega političnega preokreta.

(Nadaljevanje prihodnji petek)

vsakokrat bližam tudi cerkvi Marije Pomagaj na ameriških Brezjah — v Lemontu. Ko zavije avtobus iz glavne ceste po klancu proti samostanu, vem, da tudi vsakega drugega romarja prevzame ganotje in občuti, da je prišel na poseben kraj, kjer se bo srečal z nebesko Materjo, ki ga bo potolažila in navdala z novim pogumom in navdušenjem, kjer bo odložil težave in skrbi.

Letos bo prihod v Lemont povzdignila tudi navzočnost mariborskega škofa dr. F. Krambergerja, ki nam bo poleg pozdravov iz domovine prinesel tudi najnovejših vesti, kako napreduje proces za proglasitev svetniškega kandidata A. M. Slomška blaženim.

Majniška Ave Maria nam je lepo predstavila mariborskega škofa in v jasnih besedah orisala največje Slomškovo delo — preselitev sedeža in novo razmejitev lavantinske škofije, kakor tudi opannila na veliko Slomškovo ljubezen do njegove matere in materine besede, česar smo v današnjih časih navdse potrebni.

Odločimo se torej in se v čim večjem številu odzovimo vabilu Slomškovega krožka na romanje, ter se tam zgrnimo okoli Marije Pomagaj in okoli šestega Slomškovega naslednika, in skupno prosimo za dobrine, ki jih svet kljub visoki tehniki in vsemu razkošju ne premore.

## Mladi harmonikarji navdušili

CLEVELAND, O. — Pogosto slišimo, da gre naša slovenska skupnost h koncu, da ni več dosti mladih in tudi ne starejših rojakov, ki so pripravljani žrtvovati svoj čas in talent, da pomagajo pri ohranjanju slovenskega kul-

turnega zaklada. V tej trditvi je res precej resnice, res pa je tudi, da imamo med nami še veliko zavednih rojakov in rojakinj, ki garajo na kulturnem polju z vso vnemo in precejšnjim uspehom.

Eden teh rojakov je brez dvoma Rudi Knez, ki vodi skupino "Mladi harmonikarji". Člani in članice Mladih harmonikarjev so gotovo med najmlajšimi, aktivnimi v naših pevskih, glasbenih in drugih organizacijah, zato tudi nimajo veliko izkušenj. G. Knez je sprejel zahtevno nalogo; ko se je odločil, da jih bo vodil in vodil. V mnogih ozirih je treba začetni prav na začetku z najosnovnejšimi navodili in vajami.

Da so g. Knez in njegovi pomagači kos svoji nalogi, je bilo razvidno vsem, ki so prisostvovali letošnjemu koncertu Mladih harmonikarjev 22. maja v šolski dvorani pri Sv. Vidu. Mladi harmonikarji so navzočim nudili izvrstno sestavljen spored slovenskih pesmi in melodij z odlično izvedbo. Ocene so vedno subjektivne, vendar zdelo se je mnogim, da je bil letošnji koncert kar najboljši v zadnjih letih.

Spored je vseboval 22 točk, med katerimi so prevladovale znane narodne. Nastopili so celoten zbor, solisti; solistke ter manjše pevске in glasbene skupine. Čeprav so bili na odru predvsem zelo mladi fantje in dekleta, večjih solist drsiljavev ni bilo, kar priča o dobri vzgoji in disciplini pri skupini.

Sodeč po aplavzu v dvorani, so navzoči najbolj topla nagradila fantovski zbor, ki je presenetil z odličnim petjem dveh pesmi: "Na nebu zvezde sevajo" in "Če študent na razjo gre". Navdušenost občinstva je vidno navdušila mlade pevce in celo dirigenta Kneza. Upati je, da bodo Mladi harmonikarji obdržali ta "fantovski zbor" in mu zupali več pesmi na bodočih koncertih.

Med glasbeniki je igral dobro solo harmonikar Martin Rovnan, razveselil navzoče pa je živahen nastop Johna Gorsheta, ki je igral bariton.

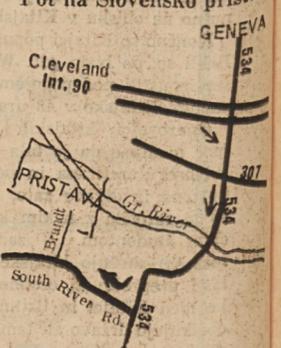

Emily Gorshe in Katja Zerkrajšek sta lepo zapeli "Kaj ne bila bi vesela", Mary Ann Gorshe in Mimi Rezonja pa "Mornarček". Emily Gorshe je tudi pela duet s svojim bratom Dominikom. Čedini sta zapela "Pod to goro zelena".

Tisti, ki so iz enega ali drugega vzroka zamudili koncert, bodo imeli priliko svoj izgubo vsaj deloma nadomestiti, ako bodo prišli to nedeljo popoldne na Slovensko pristavo. Pristavo bodo odprli za letošnjo sezono, gostovali bodo Mladi harmonikarji in tudi U.S.S. godba na pihala. Tisti pa, ki bodo na obisku v okolici Toronta 25. julija, bodo lahko videli Mladi harmonikarje na tamkajšnjem Slovenskem dnevu.

Čestitke g. Rudiju Knezju, njegovi ženi Ani, Tonecu Nemcu, ki je pripravil kitariste, ter vsem drugim, ki pomagajo Mladim harmonikarjem!

# MLADI SLOVENSKI ŠPORTNIKI

CHICAGO, Ill. — V kratkem času delovanja naših mladih, organiziranih v čikaškem Slovenskem Športnem Klubu, so že pokazali izredno delavnost in sposobnost v raznih športnih področjih, posebno v hockey-u, nogometu in smučanju. Sodelujejo tudi v družabnih prireditvah in so nosili glavno breme lanskega silvestrovanja v našem mestu. V aprilu so povabili "Slovenski športni klub" iz Toronta, Kanada, na prijateljsko tekmo v hockey-u, ki se je vršila ob lepi udeležbi prijateljev v veliki South West Hockey areni. Tekma je bila navdse napeta in zanimiva. Naši hokejisti so pokazali izredno lepo in dinamično igro.

Napovedovalec je bil Drago Horvat in navijači so nagradili igralce z navdušenimi aplavzi. Med čikaškimi hokejisti so se posebno izkazali Gregoričevi fantje z več goli in Tonči Leskovar se je postavil s hatrickom (3 goli). Čikažani so odnesli zmago in so na večernem banketu prejeli krasni prehodni pokal s slovenskim napisom. Naravno, Torontčani so takoj napovedali revanžo drugo zimo in sicer na njihovem domačem polju v Torontu. Krasne uniforme in sliko na njihovih srcah je umislil John Burjek ml. V senci čikaških nebotičnikov se blesti Klubovo ime SLOVENIJA.

Prvi slovenski hokejski team "Slovenija" v Chicagu in menda tudi doslej prvi v vsej Ameriki, sestavljajo naslednji igralci, od leve proti desni v prvi vrsti: Jimmy Gregorič, Roger Wroblewski, Mike O'Donnell, Wally Fila. Stojijo: Predstavnik arene, Tony Gregorič, Louie Gregorič, Frank Baskovich, Dale Trinko, Chuck Koester, Tom O'Donnell in Tonči Leskovar.

Skoraj vsi člani Slovenskega športnega kluba so vključeni tudi v Ameriško-slovenski katoliški jednoti — KSKJ.

Mladim odličnim športnikom želimo še mnogo uspehov!

## Misijonska srečanja in pomenki

### 562. Salezijanski brat Rafael Mrzel

svoje zadnje pismo takole končuje: "Se glede delitve čeka MZA. Del, namenjen za bivšega misijonarja brata Janka Hribarja, še čaka — mi namreč ni znano, kje se nahaja. V jeseni lanskega leta sem vam na kratko javil, da je on menjal status in dobil razrešenje obljub in se poročil. Od nas se je povsem oddaljil, če bi se pa kdaj še pri meni oglasil, mu bom pač moral njegov del nadomestiti. V sili sem namreč že tudi od njegovega dela delil. Bil bi vam zelo hvaležen, če bi mi povedali svoje mnenje glede tega denarja, da ne bi bilo kakšne zmede glede namena daru.

Smo blizu prelepih velikonočnih praznikov. Iz vsega srca voščim vam in vsem vašim predragim sodelavcem, misijonarjem v zaledju, polnost velikonočnega veselja! Fakor se jaz vas stalno spominjam v svojih skromnih molitvah, tako tudi vas prosim za duhovno pomoč. V P. svetih Sreih hvaležen brat

Rafael Mrzel, SDB." P.S. Brata Mrzela obveščamo, naj delež pomoči MZA, ki je bil namenjen g. Hribarju, uporabi za najbolj uboge v svojem delokrogu. Za g. Hribarja pa molimo, da bi ostal dober katoličan in delal dobro, kjerkoli bo že živel.

### Sr. Anica Miklavčič, kanosijanka iz Hong Konga,

piše 12. maja, da se pogostoma sedaj lahko pogovori z misijonarjem Pavlinom, katerih salezijanski zavod je blizu delokroga, kjer ona sedaj v župniji deluje in pomaga posebej pri pripravah za krst Kitajcev, sem in tja pa tudi kakega Japonca. Pošilja ponovno znamke in FDC in je zelo vesela, da je tako blizu kitajske celine, kjer je toliko let že popreje misijonarila. Bila je tudi vesela poročila o misijonskem Simpoziju v Rimu, kjer je bil prisostvoval tudi njen stari prijatelj misijonar Majcen.

### Brat Zdravko Kravos,

College Stoll, AKONO B.P. 48, CAMEROUN, se je oglasil 10. aprila g. Tusharjevi iz novega naslova. Takole piše: "Predraga gospa, najlepše pozdravljam Vašo družino in vse, ki z vami sodelujejo. Prav vesel sem bil, ko sem dobil Katoliške Misijone iz Argentine in sem videl vaše obraze na sliki. Cek MZA je že v dobrih rokah. Hvala Bogu, jaz nisem izgubil niti pare, če je kakšen ček prišel prepozno. Od meseca julija bom v zavodu Akono. To je malo mestece na jugu Jaunde, blizu Mbalmayo; če imate kakšno karto, lahko najdete na zemljevidu. Danes smo končali duhovne vaje. Je Velika sobota in sem za vas vse in vse Slovence po svetu molil. Molili smo tudi za poklice. Gre sicer počasi tukaj, pa vseeno gre. V tej deželi so bolj prepričani

katoličani, kot kjer sem bil prej v Obessi. Tukaj pojejo po latinsko, znajo v domačem jeziku vse stare molitve, npr. Kri Kristusova, posveti me. Lepo pojejo Salve Regina, Tantum Ergo Sacramento. Afriška Cerkev išče svoj obraz in ga bo dobila. Bo več petja in plesa, več zunanosti, Bog se jim smeje in jih ima rad. Naše delo z mladino gre dobro naprej. Niso vsi, ampak tudi nismo sami. Bog dela v vsaki osebi, pri enem je bolj zahteven, pri drugem pa potrpežljiv. Drugo šolsko

leto vam bom kaj več povedal o tem velikem zavodu, kjer bo moje delo isto, kot je bilo v Obessi. Najlepše pozdrave vsem v MZA, Vaš prijatelj Marist Br. Zdravko Kravos."

### Br. Leopold Vidmar, D.J.

se je 13. januarja oglasil iz Catholic Church Raghampur, P.O. Nepalganj, 24 Parganas, West Bengal, India: "Najlepša hvala za vaš lep dar od MZA in prav tako za vse novice. Tudi jaz mislim na vas vse in za vse molim. Naj vam Bog stotero povrne, kar za nas napravite. Moje zdravje še kar gre, saj po 80 letih ne smemo kaj več pričakovati. Kljub vsemu sem še zelo zaposlen z zidavo cerkva, semenišč, višjih šol, ki jih vodijo naši patri. Ena stavba še ni popolnoma dokončana, pa me že čaka druga. Ravno sedaj delam v dveh: eno višjo šolo, ki jo vodijo naši patri, in nižja, ki jo vodijo domače sestre. A že se mi obetajo dve novi stavbi. Težava je v tem, če vzamemo kontraktorja, gre polovico denarja za stavbo, polovico pa v kontraktorjev žep. Tega pa naše finance ne zmorejo. Tako vidite, da vaše molitve me še ohranjajo krepkega, da zmorem še hoditi naokrog za nabavo materiala in podobno. Še enkrat prisrčna zahvala vsem in vsakemu posebej za vse, kar za nas na terenu storite. Vse lepo pozdravlja brat Leopold Vidmar, D.J."

### Misijonar Stanko Cikanek

v pismu g. Tusharjevi med drugim omenja: "V novih KM sem na naslovni strani opazil prizor od vašega srečanja s papežem in na strani 377 z msgr. Jezernikom, Vodopivcem ter z misijonarjem Majcenom. Slučajno je v isti številki KM poročilo o misijonu v Ranomeni, kjer sedaj dela g. Rok Gajšek. Naj omenim, da vse tiste stavbe, ki še vidijo na fotografijah in na skici: župnišče, hiša za goste, kuhinja, mizarska delavnica misijona in še zlasti velika stavba sestrskih hiš z dispanzerjem za gobavce, sva vse zgradila v štirih letih s kolegom Silvotom Cesnikom. Sama sva vodila vsa dela, sama sva vse premerila in zakoličila, edino le načrte za večino stavb nama je naredil francoski misijonar Pere Benoit. Cerkev je bila edina misijonska stavba, ki je obstojala že pred prihodom Silvota in mene na misijon v Ranomeni. V 50 km oddaljenem misijonu Midongy pa sva zgradila tudi veliko cerkev in župnišče. To je bil eden najtežjih misijonov na področju, ker je visoko preko gorovje v drugi pokrajini in dostop zaradi slabe poti silno težak. Danes niti Silvota niti mene ni več tam, ker sva oba odšla zaradi boleznih — kot pionirja sva silno trpela. Silvo je po mojem odhodu še kakšno leto nadaljeval, pa tudi on je moral oditi na zdravljenje v Francijo, kjer je tudi ostal in vstopil k lazaristom. Jaz pa sem po dveh letih bivanja v Londonu odpotoval na južno poloblo, kjer že pet let v Braziliji delujem. Kako čas hiti! Naj vam še povem, da moje delo na Madagaskarju, kakor tudi tukaj v Braziliji stalno spremlja vaša pomoč iz Amerike in Kanade. Gospod Wolbang je Silvotu in meni ogromno pomagal preko dobrotnikov in sodelavcev v MZA. Bog Vam plačaj za vse!

Lepo pozdravljeni in Bog blagoslovi vas in vse moje dobrotnike v MZA kot vse farne žene, ki tako lepo in skrbno pripravijo in odpošljejo pakete. Vaš Stanko Cikanek."

### Sr. Ernesta Kosovel

se je kratko oglasila iz Trsta in sporočila, da pošilja MZA več zavrtkov znamk. Iz Indije se je oglasila sr. Medvešek, ki omenja, da bodo za Veliko noč imeli nekaj krstov in kmalu za tem celo vrsto birmancev. Ljudje imajo zelo radi svetinjske in rožne vence. Če jih ima kdo kaj pri rokah, bi bila zanje zelo hvaležna.

Iz Kenye se je oglasil misijonar Stefan Burja, ki je poslal razmnoženino v italijanski. Ob priliki bomo glavno vsebino objavili v MSIP. Pravi, da bo do konca avgusta še v Kenyi, nakar se bo vrnil za 3-4 mesece v Argentino. Po treh letih dela v Afriki se čuti zelo utrujen. Naučiti se je moral v tem času tri jezike: italijansko, angleško in posebno kikuio-domačinski jezik, ki je zelo težak. V svojih molitvah se spominja vseh MZA dobrotnikov in za vsako žrtev, ki jo doprinešajo za misijonarje. Lepo pozdravlja in Bog z vami, Stefan Burja."

## Added Dimension

By STAN J. KUJAR

The planting of vegetables and plants in many gardens in the St. Clair area and other outlying communities has been occurring for the past few months. Only recently have buds given way to blossoms, seedlings to green growth, and prunings to extended foliage.

The sweat from the brow is now replaced by a grinning smile, knowing of a delight that will be appreciated internally and externally shortly.

Another blossoming to occur in mid-July this year will be the St. Vitus Summer Festival. This year's festival, however, will have an added dimension, reminding one and all of the many talents and abundant creativity of parishioners of St. Vitus.

The Festival Committee began meeting in November, 1981 to evaluate and propose a bold and ambitious plan, in conjunction with this year's Golden Jubilee of St. Vitus Church.

Many hours have been spent incorporating comprehensive plan to represent the many cultural facets of St. Vitus. As of this writing, I believe the initial goals and objectives set forth by the committee have been met. The Committee sought to include the following:

- ★ — Provide live entertainment.
- ★ — Present St. Vitus to the Greater Cleveland area.
- ★ — Upgrade the visual appearance of St. Vitus.
- ★ — Extend the variety of events and games.
- ★ — Enhance public awareness of St. Vitus.

The Committee contacted

various cultural groups and dance bands to perform at this year's festival. Thirteen such acts have agreed to participate. Weather will not be a factor since a large outdoor canvas tent, 40 feet by 100 feet will act as a cover for these acts.

A tour of St. Vitus Church and rectory will be provided, to display the unique architectural designs of both buildings.

Dinner tables will be decorated with a vase, containing red and white carnations, plus a more appealing decoration of the auditorium.

Electronic video games, a dunk dolly, outdoor booths, and another outdoor canvas tent for pastries and short-order food items will also be included. An added feature will be bingo.

A redesigned poster, plus upgrading of newspaper, radio, and television exposure should reach many more people in the Greater Cleveland area than has been previously possible.

This is only a general description of this year's festival. Detailed information will be provided in the near future. A designed brochure, with details, will be provided for parishioners when they receive raffle tickets and a general letter later in June.

As a final note, those who will participate in the festival, either as volunteers or participants, should remember that St. Vitus will be putting its best foot forward to the Greater Cleveland area. The outcome of the festival, in the final analysis, will leave a lasting impression on all — that St. Vitus is a leading and living parish.

## SLOVENIAN FOLKLORE HOLIDAY SET JULY 3, 4

The Slovenian Folklore Institute of America will once again be hosting the 2nd Annual Folklore Festival in America. Last year the folklore festival was accredited by many scholars as being a very great success.

This year will be even better than last. Everyone who attends will have a most enjoyable time watching the exuberant young dancers from Canada and America alike. They will be wearing intricately designed costumes from the many beautiful regions of Slovenia; the regions of Koroška, Prekmurska, Gorenjska, Stajerska, Dolenska, Primorska, Belokrajnska and Ribnica.

Many aspects of Slovenian life will be portrayed in the different styles of dances. The happy polkas and waltzes will make you dance in your seat. The shepherds, blacksmiths, peasant men and women in the fields, washerwomen, wedding marchers, along with many others, will portray the lives

of our early forefathers. The Slovenian Folklore Institute will be joined in the festivities by singers, dancers, and musicians from London, Hamilton, Chicago, Toronto, Fairport Harbor, Barberton, Cleveland, etc.

The festival will come to life on the 3rd and 4th of July at Pristava in Geneva, Ohio. Being one of the dancers with the Slovenian Folklore Institute, I am really looking forward to the festival with great excitement. I enjoy dancing because it allows me the excellent opportunity to express my wonderful heritage and how proud I am of it.

In addition to the dancing and singing, you will have the chance to socialize with fellow Slovenians of all ages, and taste and enjoy the Slovenian pastries as well as other delicious delicacies.

Don't miss the fun and excitement. Hope to see you there!

## Hren-Kleinhenz Wedding

Karen Rose Hren, daughter of Mrs. Joseph Hren of Parma Heights and the late Mr. Hren, was married on May 29 to John Edward Kleinhenz, son of Mrs. Henry Eugene Kleinhenz of Lorain and the late Dr. Kleinhenz.

The DSPB Anti-Communist group of Slovenians had a full church Sunday at the Our Lady of Lourdes Shrine on Chardon Rd., Euclid. Because of the threatening rain, the Mass was held indoors at 11:30 a.m. for the first time in years. Usually the Mass was held at the beautiful outdoor Grotto.

The main celebrant of the Mass was Father Joseph Cvelbar of Florida, formerly of Pennsylvania, and Father Paul Krajnik of Lorain, O. Joseph Melaher and Joseph Likozar were commentators.

Among those seen at church was Senator Frank J. Lausche. Others came from all over the state including a car full from Toledo.

At 4:00 p.m. Slovenians gathered near the foot of the big cross at All Souls Cemetery to pray for the deceased Slovenian people. Father Cvelbar and Father Joseph Boznar, pastor of St. Vitus, read the prayers.

## Be On The Alert

There are two women in their 40's and 1 mah in his 60's, six feet, three inches tall, weighing about 250 lbs roaming the St. Clair area playing the "Pigeon Drop Con Game".

Do not take money out of the bank and give it to these people for any reason whatsoever.

Please be alert and alert the persons in our community to what is going on.

If these people approach and offer you money they say they found, call the police right away. You don't get something for nothing.

This information was called in to our office May 18 by Bob Novak (ex-Councilman) who said someone on Bonna lost \$7,000.00. Please, neighbors, don't give your money away — no matter how legitimate the reasons may sound.

## Eckart Against New Euclid Income Tax

Editor:

As Chairman of Euclid Finance Committee (8 years), and completing 18 years as Councilman-at-Large,

I would be remiss if I did not speak up on Issue 6, an increase in our City income tax from 1.5 to 2%.

It has been my sole duty and responsibility as Chairman to probe into the financial stability of our fine city during these trying times.

The number of employees was very often incorrect, and several corrections had to be made.

My point is that we do not know the accurate count of City (of Euclid) employees. Our population has decreased from a high of approximately 70,000 to the present census figure of 59,999. Population decreases do indicate cuts of non-essential employees and can be made without jeopardizing our services.

Regarding the additional revenue and passage of tax to 2% (which will double our income tax 100% within the last three years), will generate approximately \$3,000,000 or a total of \$12,900,000 for a full year at the new rate.

At the present time, our actual General Fund activity from income tax as of 4-30-82 is \$4,209,210 for a four month period. This amount is only off about \$9,000 for the same period ending 4-30-81.

Therefore, I really cannot blame our crisis on the income tax flow, but on the spending and hiring practices of the Administration. We over-spend in various accounts approximately \$1,000,000 in 1981.

At that time, I made recommendations to hold the line on purchases, a freeze on hiring new personnel, no replacement of employees who retire or leave, curtail vehicles for personal use, research use of smaller cars for City purposes.

Upon passage of the last income tax, additional people were hired (for political reasons) which has jeopardized the veterans of our work force who deserve a fair wage increase. I firmly believe the increase of non-essential personnel has contributed to undermining on the dedication of our experienced work force.

The Administration slogan is, "I don't want to lose it". Dear Taxpayers, we will lose it — the good services, the good safety forces of this city if we do not heed the Chamber of Commerce remarks, as stated in the Sun Journal of 5-13-82, that they were most critical of the city's failure to develop a long-range plan to deal with economic situations past, present and future. There is only one plan now — to get more money or to jeopardize the community by severe cuts in safety and other essential personnel. I would strongly accept and support the Chamber of Commerce offering of help, along with other professional people, for special management and fiscal responsibility study.

For the record, I am opposed to any cuts of our safety forces. A strong safety force is needed in these times of unrest, unemployment, and, most of all, increase in crime. I have tried to look at the positive side of this issue, but I must vote No on Issue #6 because the true facts are not there — and this crisis did not happen overnight.

Edward J. Eckart  
Chairman  
Finance Committee  
Euclid City Council

P.S. — Dear Seniors of our fine city: The programs that you enjoy will not be jeopardized because our General Fund Account does not contribute to support your programs. Funding comes from other sources.

## Does Your Congressman Represent YOU?

Editor:

Say, pardon me, how do you spell abortion?

Me? I spell it M-U-R-D-E-R. That's not the way many of our politicians in Washington spell it, these days.

It seems to be the penalty of a human being not being wanted. It is a crime punishable by death, it would seem. Because it cannot defend itself, it pays with its life.

The people in Washington blithely ignore the Fifth Commandment brought down by Moses: THOU SHALT NOT KILL.

On the other hand Motherhood has always held a special significance among the Slovenian people. Slovenian literature is filled with praise for the Slovenian mother. A good example is Ivan Cankar who wrote some of the most beautiful poetry in prose remembering his mother.

Therefore it is especially painful to have a representative of us Slovenians in Washington, who not only condones abortion but actually votes in favor of it. This matter is a disgrace for us Slovenians especially Catholics. And other Christians and Jews are not exempted, since we all believe and try to live by the Judeo-Christian principles and tradition.

You say it is not murder? You say it is up to the woman to decide for her own convenience whether to kill or not to kill? Let me tell you, an immortal soul is infused in the tiny little thing at the moment of conception. And we are allowing a dastardly

crime to be committed against a helpless unborn child, with an immortal soul.

Don't be influenced by all the pretty things being printed and said about our wonderful representative in Washington. Look at the record of how he has voted. Now if you are for all he has voted, fine and dandy. Elect him again.

However, every conscious Slovenian and Catholic, as well, who thinks that abortion is killing, should not cast a single vote for the man who will not be representing you in Congress. This is the way our government system works. We can weed out all undesirables from our government. The power is in the vote. Ask your representative how he voted in Congress. Was he for abortion. (Not how he feels about it, but rather does he go to church? Does he believe in the Ten Commandments in making decisions in Washington?)

Politicians have high-priced PR men getting their pretty stories in the news media. These public relations men are most probably paid lucratively by taxpayers like you and me.

Don't vote for a candidate to represent you in Washington if he does not vote in Congress by your standards, whether you are Slovenian, Catholic, Christian, or Jew.

## Dennis Eckart Rejects Personal Tax Break

Congressman Dennis E. Eckart (D-Ohio) announced he has refused to take advantage of the new tax breaks Congress voted to give to all Members this year, and that the decision will cost him more than \$7500 in taxes he wouldn't have to pay.

"I'm going to take only the \$3,000 deduction Members of Congress have been permitted to claim for years, because I continue to oppose the new tax break. I am working to repeal the legislation permitting this deduction, and I oppose the underhanded and sneaky way this legislation was passed through the House without the knowledge of Members casting their votes," Congressman Eckart said.

The Fairport Slovenian Club Button Box Players will be sponsoring its 2nd annual Polka Festival Saturday, June 12 from 2 p.m. until midnight.

The American Mutual Life Assn. Recreation Center is located on Kniffen Road in Leroy, Ohio.

The event which last year drew hundreds of button box music fans from Northeastern Ohio and Western Pennsylvania, promises to be bigger and better this year, according to Warren Fabian, secretary of the Slovenian Club and spokesman for the musical group which recently made a guest appearance on Polka Varieties television show.

"We'll be having continuous music from 2 p.m. until midnight," he said.

Button box bands from Chicago, Herminie, Pa., Lorain, Mahoning Valley, Maple Heights, Euclid's St. Stephen Church, West Park, and the Buttons and Bows will all be performing thruout the day.

Guest appearances will also be made by Joe Kusar and his kids and the Geneva Grape Dancers.

Refreshments to suit every

taste will be available for the dancing and listening crowd.

Tickets are available for \$2 if purchased in advance, and \$2.50 at the gate. For ticket information call the Fairport Slovenian Club at 357-5046 or Warren Fabian at 944-3649 or any member of the Fairport Button Box Players group.

Musicians with instruments will be admitted free. Adequate parking facilities are available for buses.

"If you can't make it to Slovenia this summer, the next best thing is to come out on June 12 and enjoy a bit of the Old Country traditional music," Mr. Fabian suggests. Weather permitting, bandstands will be set up both in the pavilion and on the outdoor dance floor.

The Citizens Service Request forms are available at the St. Clair Business Association Office, if more forms are needed beside the one printed herein.

### Pharmacy and Your Health

### TAKE WITH WATER

By

Bogomir M. Kuhar, R.Ph.

Water is abundant and so commonplace that we tend to forget how important it is to our total health. Taking appropriate amounts of water with certain medicines is important for a variety of reasons:

● Medicines in tablets and capsules must be disintegrated before they can be absorbed from the intestine tract, mainly, and the stomach, less so. Water promotes this disintegration and, thus, absorption. Of course, absorption is necessary for transportation of the medicine by the blood circulation to the various body organs.

● Water dissolves and dilutes many medicines and renders them less irritating

to the stomach.

● Water adds to total circulating body water and prevents potent drugs from becoming unduly concentrated in the body. Taking adequate water with medicines is, therefore, especially important in the elderly who may often be in a dehydrated condition due to other factors.

● Certain medicines (e.g. bulk-forming laxatives like Metamucil) require the presence of water in order to achieve maximum effectiveness.

● Some sulfonamide (sulfa) antibacterial agents form crystals in the urine and may cause kidney damage unless adequate water is present to dissolve these useful drugs. C. S&S, 1982.

Just published. A new book in its monographic series: Leskovsek, Valentin, Yugoslavia; A bibliography. Vol. 3. New York, Washington, Studia Slovenica, 1980. 120 p., \$9.00.

This is a comprehensive compilation of books, research reports, doctoral dissertations, graduate theses and a few important articles in non-Yugoslav languages.

Similar in format to the second volume, the bibliography contains around 1400 entries and is divided in two main subject areas: the Land and the People, with various subfields under each. The up-to-date information supplied by the bibliographic citations are arranged alphabetically by author, followed by title, place of publications and publisher, year and pagination and all other pertinent bibliographic details necessary to trace many important but elusive sources. Of special interest is the section on Emigration which itself covers 16 pages (over 180 entries).

The fourth and last volume (History, Law and State, Communist Party of Yugoslavia, Regional studies, Reference Works) will be published in not too distant future, thus bringing to conclusion a useful multivolume and multilingual reference work. ### Lorain Button Group Has New Album

Lorain Slovenian Button Accordionists • Lorain, Ohio

The Lorain Slovenian Button Accordionists of Lorain, Ohio proudly announce the release of their first recording. Titled, "Down Home Polkas and Waltzer-Slovenian Style", the album consists of 15 polka and waltz selections all performed on the button accordion. It was recorded this past year at Peppermint Productions in Youngstown, Ohio.

The phenomenal resurgence in popularity of the button accordion in recent years has encouraged the formation of button accordion clubs throughout the country.

The group's performance

on the album is superb throughout. The music is a blend of Slovenian folksongs, classic melodies from the 1920's by legendary Slovenian-American button and chromatic accordionist Matt Hoyer, newer favorites, and three new original compositions performed solo by their composers. Four of the group selections are vocals; these are sung in Slovenian and English. Button accordion enthusiasts will be interested to learn that the classic Mervar button accordion is featured on a majority of the songs.

We are also thankful for the past projects by the KSKJ, the P.A. System in our church, the new floor in the Music Room and the basketball backstops in the gym. We are reminded of their generosity when we use these items.
