VESTI Z INDUSTRIJSKEGA POLJA

Željezarji se združujejo proti openišarstvu.—Delavski gosposinje proti openišarstvom metodam mesarjev. — Na jugu zopet stavka več kot tri tisoč tekstilnih delavcev.

New York, N. Y. — Delavci v železniških delavnih New York, New Haven & Hartford, dveh glavnih novoangleških železnicah, se združujejo proti openišarstvom razmeram v železniških delavnih. V New Yorku so obdržali zastopniški delavci iz petnajst delavnic svoje zborovanje, da se posvetujejo o načrtu za ofenzivo. To je prvi združen pokušaj za odpravo openišarstvih razmer na novoangleških železnicah. Namen tega gibanja je izboljšati zaslužek in razine v delavnicah.

Seranton, Pa. — Delavske gosposinje agitirajo od hiše do hiše v interesu stavkajočih mesarskih delavcev in voznikov, ki so zaposleni pri mesarskih trdnah Armour, Swift in Wilson, ki težje vidijo organizirana delavska kot trn v peti.

Te velebarske tvrde so izprle svoje delavce z dnem prvega aprila.

Greenville, S. C. — V južni Karolini je zopet več kot tri tisoč tekstilnih delavcev na stavki, ko so zastavali delavci pri Lydia kompaniji blizu Spartanburga. Vzrok za stavko je bil ta, da je kompanija najela nekega tujea priganjaškega delovodja. Delavci zahtevajo, da se ta delovodja odlovi.

Marion, O. — V tekstilnih tovarnah v tujaknjem mestu in Clinchfieldu je bilo odlovljenih trideset tekstilnih delavcev, ker so pristopili v delavske organizacije. Ukazali so delavcem, naj podpisajo pogodbo poltega kužka, delavci so pa kot moške odklonili tako ponujanje.

Taklci v tej tovarni zaslužijo po \$15.00 na teden, a delati morajo 74 ur in pol v tednu, delavke pa zaslužijo komaj po enajst dolarjev na teden. Neke delavske, stara štirinajst let in ki dela samo osem ur na dan, je zaslužila na teden \$2.60.

Boston, Mass. — Delavci v čevljarstvih tovarnah zaslužijo po \$14.65 na teden. Komisia za najnižjo mezdo je odredila, da se naj uvede s prvim junijem minimalna mezda. Podjetniki se imajo zahvaliti najvišjemu federalnemu sodišču, da jim ni treba uvesti minimalne mezde.

Delavke, ki šele prično delati v čevljarstvih tovarnah, zaslužijo komaj po deset in dvanajst dolarjev na teden.

Asheville, N. C. — Unija stavbinskih težakov v tujaknjem mestu se je organizirala in določila minimalno mezdo na 40 centov na uro. Stavbinski težaki so zamorski delavec.

Chicago, Ill. — Organizirani tesaraki delavci, ki delajo v delavnicah in ne na stavbah, so obdržali svojo staro mezdo, dolar dvajset centov na uro. Stavka teh delavcev je pričela z dnem prvega junija, ker jim podjetniki niso hoteli plačati več kot 90 centov na uro.

West Frankfort, Ill. — D. B. Cobb, predsednik westfrankfordskega poddistrikta rudarske organizacije v dvanajstem distriktu rudarske organizacije, je proti L. Lewisu, predsedniku rudarske organizacije izposloval sodnijsko prepoved, ki določa, da izvoljeni odborniki subdistrikta odbrže svoje sedeže, če, da hoče Lewis in njegovi proviziorni odborniki iziniti izvoljene odbornike brez zaslišanja z njih mest. Cobb obtožuje Lewisa, da je tako diktatorično akcijo podvel

Prohibicijski izgubili kratko puško!

Zanprej smejo streljati samo v silobranu. To je menda Hooverjeva odredba. Dva nova suhaška umora.

Washington, D. C. — Seymour Lowman, pomožni zakladničarjski tajnik, ki ima izvajanje prohibicije v svojem področju, je 17. junija odredil, da prohibicijski širim čezele ne smejo več imeti pušk s prikrajanimi cevmi v svoji službi. Kakor poročajo, je predsednik Hoover sam zahteval to odredbo. Hoover je zadnje dni prejel obilo protestov in apelov na pomoč proti rampantnim prohibicijskim, ki streljajo kot guericile in ubijajo ljudi. Odredba se glasi, da odslej smejo federalni prohibicijski nositi samo revolverje, ki jih smejo rabiti le v silobranu, če so napadeni.

Buchanan, Ga. — Prohibicijski Luke Balenger je zadnje nedeljo ustrelil mladega moža, ki ni ustavil svojega avtomobila na cesti. V avtu ni bilo nobene pljače. Prohibicijski je v zaporu obtožen umora.

Newport, Ark. — Deputiserif George Johnson je zadnje nedeljo zvečer ustrelil dečka Glenn Quaya, o katerem je mislil, da je bil pijan. Johnson je v zaporu obtožen umora prve vrste. Ječa je zastražena, ker se je bati linčanja.

International Falls, Minn. — Tujaknjši državljani so 17. t. m. ponovno apelirali na predsednika Hooverja, naj ne dopusti, da bi bila obtožba proti prohibicijski Whiteju, ki je po nedolžnem ustrelil Henry Virkulo na cesti, zavržena.

Detroit, Mich. — Kanadski oblastniki so izjavili, da invazija Kanade po ameriških prohibicijskih in vohunih mora biti končana. Kanada bo zahtevala smrtno kazn za vsakega invaderja, ki ubije kanadskega državljana.

Kongres bo razpravljal o suhaških umorih

Pričakuje se, da bo Hoover posvetil pažno regulaciji glede rabe orožja od strani prohibicijskih agentov.

Washington, D. C. — Poskus, da vlada razoroži suhaške agente, bo podvzget najbrže že ta teden v kongresu. Za to akcijo se zavzema več naprednih kongresnikov in senatorjev, ki čakajo samo še podrobnejših poročil iz Plattburgha, N. Y., kjer so bili dne carinski uradniki zopet ubili nekega mladega fanta in tako pomnožili vrsto umorov v imenu prohibicije.

Posledica pritiska na zakladniški department, da omeji morilne manjše suhačev, bo nedvomno ta, da bo Hoover preiskal regulacije glede rabe orožja od strani prohibicijskih in tako ugotovil, dali niso metode agentov, ki imajo na vesti tri umore v preteklem tednu, preostre. V odgovornih vladnih krogih se vzdržuje govorica, da bo Hoover izrekel o tem v kratkem definitivno mnenje.

Angleško letalo padlo v morje; 7 mrtvih.

London, 18. jun. — Pasažirsko letalo "City of Ottawa," ki je redno nosilo potnike in tovor med Londonom in Parizom, je sčezal padlo v morško obino tri milje od Anglije. Sedem potnikov, med katerimi sta dva Američana, je utonilo. Stirje potniki, pilot in mehanik so se rešili.

v Kansasu in Kanadi. Menil je, da Lewis rajše vidi, da je organizacija popolnoma uničena, kakor da dovoli, da velja beseda katerega onih, ki se ne strinjajo z njim v zadevah organizacije.

Lewis in Harry Fishwick nista podala nobenega komentarja. V rudarskih krogih pa govorijo, da se komunisti tudi zahtevo, ako je treba, na "buržuazni suh."

JEKLARSKI DELAVCI ŽRTVE KREDITOV

Posebno ob trdih časih so delavci primorani jemati vse na upanje.

Pittsburgh, Pa. — "Kako sodite o kreditnem sistemu za delavce?" Načelnik kreditnega departmenta ni pomišljal dolgo, ampak je odgovoril hitro: Da ni dober za delavce. Pittsburgh Mercantile kompanija se je nastanila blizu vrat, ki vodijo v jeklarsko podjetje Jones & Laughlin Steel korporacije v Pittsburghu. To podjetje je najstarejše v zakajenem mestu. Preživelo je vsa druga podobna podjetja.

Do leta 1904 so vodili to trgovino kot kompanijako. V tem letu je bila reorganizirana in je dobila sedanje ime. Večino njenih delnic lastujejo glavni delničarji jeklarske korporacije. Prav nobena tajnost ni, da je glavni namen Pittsburgh Mercantile kompanije vsako leto skupiti lep dobiček. In tega napravi precej.

Vzroke za visok dobiček je iskati v tem, da se delavcem odtrga direktno od mezde za dolg v trgovini, preostanek, ako ga je kaj, se pa delavcem izroči kot mezda. Nekateri se ujamejo v kreditni pasti in obvisje v nji, iz katere ni več rešitve. V jeklarni del delat tisoč delavcev. Dva tisoč jih dela na drugi strani reke, drugi pa na južni strani. Delavci iz obeh podjetij pa kupujejo svoje potrebščine v trgovini Pittsburgh Mercantile kompanije. Tako se zgodi, da vsa mezda več kot polovico delavcev vedno v prodajalno.

V trgovini je nagradja skoraj vse, kar delavska družina potrebuje za svojo borno, prehranjev. Delavce lahko tu kupi pohištvo, obleko ali pa živila. Cene so visoke, dobiček pa velik.

Socialni delavci nič kaj radi ne vidijo te trgovine. Neki socialni delavec se je izrazil, da spada 80 odstotkov onih, ki se zglasilo pri njem za pomoč med delavce, ki kupujejo v tej trgovini. To pa zopet prihaja od tod, da ti delavci ne kupujejo za gotovino. Menil je, da je skušal delavce pridobiti za to, da napravijo proračun za svoje potrebščine, a delavci se mu smejejo.

Pittsburgh Mercantile kompanija spada med sedem trgovin, ki jih lastuje Jones & Laughlin Steel kompanija. V Aliquippu, v kateri ima kompanija tovarno, v kateri je zaposlenih poldrugi tisoč delavcev, je trgovina Pittsburgh Mercantile kompanije največja v mestu. Vrhlega je še pet trgovin raztresenih po rudarskih mestih, iz katerih jeklarska korporacija prejema svoj premog.

Kadar postane delo neredno, da delavci delajo le nekaj dni v tednu, se delavci največ zadože, kajti delavci in njih družine morajo vseno jesti, ako so delavci tudi doma. Preden napoči plačilni dan, je gotovina pošla. In delavcem ne preostane drugega, kot jemati življenjske potrebščine na upanje, ako žele ostati s svojimi družinami pri življenju.

Kongres dovolil prvo pomoč farmarjem

Poldrugi milijon gre za upravne stroške reliefa.

Washington, D. C. — V ponedeljek je Hoover dobil \$151,500,000 kot prvo vsoto, ki se porabi v svrhu opomoči farmarjem. Obe kongresni zbornici sta hitro dovolili ta denar iz določenega fonda pol milijarde dolarjev. Poldrugi milijon dolarjev od dovoljene vsote je namenjen za upravne stroške farmskega odbora, ostalih 150 milijonov pojde za posojila organizacijam in svrhu stabiliziranja cen farmakim pridelkom. To je menda vse, kar dobe farmarji to leto.

Obtožnica proti ple-ninarjem zavržena

Sodniku se je zdelo preostro in jo je vrge s sodnijskega koledarja.

Hackettstown, N. J. — Skupaj sklanfane obtožnice proti tujaknjim pletinariskim delavcem je sodnik Rungon v Belvideru vrge s sodnijskega koledarja. Tovarnar Otto Shubert je dal a-retirati stavkarja Reno Panetta in Joe Exposita in ju odgnati pred mirovnege sodnika. Aretacija je izvršil kar sam kot izredni policaj. Mitrovni sodnik ju je seveda obsojal na denarno globo in na izgubo avtnih licenc. Exposita je bil obtožen, da je tulli pregledno, ko je vozil mlomovnarje. Panetta je bil pa svojem avtu in gledal, kako stavkokaži odhajajo na delo v tovarno Hackettstown Hoslery kompanije. Oba sta vložila priliziv.

Sodnik je te smešne obtožnice vrge s sodnijskega koledarja, ker so bile preostroje.

Voliva govornja \$5000, če mu kdo dokáže okroglost zemlje.

New York. — Wilbur Glenn Voliva, poglavar krščanske katoliške apostolske cerkve v Zion Cityju, Ill., se je to dni vrnil z drugega potovanja po svetu — in spet se je vrnil prepričan, da je zemlja ravna plošev. Topot je Voliva tako navdušen za svojo "reanico," da je pripravljen plačati \$5000 v gotovini onemu, ki mu dokáže, da je zemlja okrogla. Pravi, da je prepotoval 20,000 milj s parnikom, vlakom in avtom in povsod je videl — ravne zemljevide, in to je en dokaz! Dalje je rekel "sveti" Voliva, da vsak šolarček lahko izračuna s triangulacijjo, da je solnce oddaljeno samo 2700 milj od zemlje! Taka je ta reč.

ČEVLJARSKI BARONI ŽELE KONČATI SPOR

Želja po miru se je pojavila nepričakovano.

Boston, Mass. — Stavka čevljarstvih delavcev je stopila v enajsti teden, a vrste stavkarjev so še vedno cele, medtem ko se vrste podjetnikov že precej mapejo. Dve tvrdki, ki pripada k podjetniški organizaciji čevljarstvih tovarnarjev, sta zopet sklenili mir s svojimi delavci.

Organizacija podjetnikov obdržava svoje seje skoraj vsak dan, ker bi večina podjetnikov najraje videla, da je spor z delavci izravnna. Vzrok je seveda tale. Ako se petnajst parov čevljev pošlje veletrgovcu, da jih proda, prav zanesljivo se jih vrne trinajst parov, čed, da je delo slabo. Stavkokaži so lahko stavkokaži, niso pa izurjeni čevljarstvi delavci, ki producirajo prve vrste produkt. Tako zdaj stvar izgleda.

V Haverhillu, Mass. prihaja kriza za čevljarstvo industrijo zaradi spora med čevljarstvi podjetniki in delavci. Ta spor se je pojavil zaradi nove pogodbe. Organizacija zahteva, da se uvede zopet mezda izza leta 1927 in 44 ur dela v tednu. Pri tvrdki Millehen je stavka in tvrdka je ponudila delavcem neke vrste sadrušen dobička delžen sistem izravnava spora, da zlomi stavko. Organizacija je protestirala pri Društvu haverhillskih čevljarstvih tovarnarjev. Dogodi se lahko, da se iz tega majhnega spora razvije splošna stavka čevljarstvih delavcev.

Železniški pisarji zahtevajo krajši delavnik

To je sredstvo proti znižanju števil zaposlenih železniških pisarjev.

Boston, Mass. — V Panenu Halli so se zbrali zastopniški železniških skladišnih pisarjev, da razpravljajo o svojem položaju. George M. Harrison, predsednik organizacije skladišnih delavcev in pisarjev, je naglašal potrebo, da se uvede šest ur dela dnevno za železniške pisarje in skladišne delavce. Ameriške železnice se bodo združile v osemnajet ali dvajset železniških sistemov in odlovljenih bo na tisoče železniških pisarjev. Da se kaj takega ne zgodi, je treba akrajšati delavni čas.

Podpredsednik C. R. Pricehand je tolmachi taktiko organizacije, urednik strokovnega glasila železniških pisarjev je pa na široko govoril o zahtevah železniških pisarjev.

Dalje bodo omejili kampanjske stroške, da ne bodo več smeli konservativci in liberalci razpolagati z milijoni za volilne kampanje.

Vtisi slikarja Peruška iz stare domovine

Prvi vtis, ki ga je dobil naš delavski umetnik, je dober.

"Prosveta" je zadnje dni prejela prvo pismo našega ameriško-slovenskega delavskega umetnika, slikarja H. Gregorja Peruška, iz Ljubljane, kamor je dopel zadnje dni maja na svojem obisku stare domovine.

Perušek piše, da prvi vtis, ki ga je dobil, je dober. Vae-mu je novo. Kraji, ki jih je poznal, ko je bil še deček, so danes vsi drugačni — zato pa zanj toliko bolj zanimivi.

Ko je prišel prvič v Ljubljano, se je bil "lagubil." To se pravi, da se ni dal nikomur poznati. Preveč je bil izmučen od potovanja in hotel je najprvo imeti dovolj počitka. Seveda kasneje je bilo vse all right.

Ko se je "podal," je hitro našel nove prijatelje, ki so mu razkazali mesto in ga pogostili. Dne 4. junija je imel zelo zanimiv dan. V družbi s Miletom Klopčičem si je ogledal grad, ki je umetnika jako zanimal. Še bolj ga je zanimal razgled po mestu.

"Vae ko živdovje se skupaj drži kakor indijanske "pueblos" na zapadu Amerike ... Ozke ceste se vijajo v zares krasnih, primitivnih potezah ... Tak je bil moj prvi pogled z grada na Ljubljano in v daljave. Cisto moja barva Bojim se, da me ta barva in forme prevzamejo premočno ... Precej sem še navdušen za delo (slikanje) ..."

Ne dopade se mu pa ljubljanski zrak, kadar ni sapa; preveč je zaдуhel. Obiskal je tudi gore na Gorenjakem in z velikim veseljem je gledal v doline, ki so "posejane s tistimi belimi vasi-cami."

Cisto je pomislil, da je kdaj prej hodil po vaseh in stezah svojega rojstnega kraja, ker je "narava res predelala mene all sebe."

Dne 3. junija je bil umetnik gost Antona Kristana, ki ga je vodil po velesezmu v Ljubljani. Z njima je bil tudi Mile Klopčič (znani delavski pesnik), ki je "zelo navdušen in fejat fant," kakor nam piše Perušek, Kristan mu je priredil zelo zabaven večer. Tone Kristan je velik gentleman in prvi Amerikanec, ki ga je našel v Ljubljani; saj pozna Ameriko, prav dobro pozna. Tako je bil Perušek že precej "doma."

Seznani se je tudi s slikarjem Jakopičem. Imeniten mož! Izrazil in resen. Prvkar se je odpravil v Zagreb, kjer je bila odprtvena njegova razstava 8. junija. Seveda je posestil Jakopičev paviljon, potem pa pojde na Jakopičovo razstavo v Zagreb, kjer ostane par dni.

Na velesezmu ga je zanimala mašinerija in nekatere druge stvari. Pohištvo je lepo in močno, toda vleče preveč no nemakoa-avstrijskih vzorih.

Perušek je tudi opazil, da ljudje doma delajo čisto počasi. Nikamor se jim ne mudi ... Časa je dovolj — ima vremena. Samo v trgovinah malo pohite, če pride novinec. A tudi to je dobro. Da je v vaaj malo razlike od Marshall Fieldove prodajalne ... Ameriški denar nima tam dosti veajve. Lahko ga zjutraj nametš poln kos in popoldne je kos že prazen ...

Iz Zagreba se vrne na Gorenjako in ogleda si še druge domače kraje, potem pojde v Dalmacijo, Bosno in Hercegovino. Proti jeseni obišče Španijo, ako bo vse v redu z njegovim zdravjem. In o priliki bo spet poročal. Ima dosti novic, toda "niso vse enake."

Otrok umri radi zastrupljenja.

Chicago. — Chester Kwiatowski, star sedem let, je v ponedeljek umri na posledicah zastrupljenja, njegova dva brata in sestrica pa sta bila odpeljana v bolnišnico in se nahajata v kritičnem položaju. Zdravniška preiskava je pokazala, da so bili zastrupljeni z arzenikom. Mati otrok ni mogla pojasniti, kako je prišlo do zastrupljenja. Oblasti so uvedle preiskavo.

CESTNOŽELEZNIŠKI DELAVCI ŽELE UNIJO

Cestnoželezniška družba ne pozna milosti a starini uslužbenec.

New York, N. Y. — Okoli pet in trideset cestnoželezniških uslužbencev je zaposlenih pri ulični, nadulčni in podulčni železnici v New Yorku. Kompanije ne tekmujejo med seboj, katere bo prva uvedla delavne razmere, ki odgovarjajo zahtevam organiziranih delavcev. Te so zadovoljne, dokler so delavci zadovoljni. Ne godrnjajo in se ne postavijo v bran. Izučeni delavci, ki bi zaslužili od petdeset do 70 dolarjev na teden, zaslužijo samo od \$35 do \$38 na teden, ako delajo 50 ur v tednu. Stražniki na podulčni železnici zaslužijo še veliko manj in sicer od \$25 do \$32 na teden, a delati pa morajo po 60 ur v tednu.

Prodajalci voznih listkov delajo po 24 ur nepretrgoma. O-poldne in zvečer imajo malo odmora, da hitro povlečijo svoj borni obed. Ti zaslužijo po petdeset centov na uro.

Družba izmenjava in nadomestuje svoje stare vozove na ulični železnici z novimi. Zdaž uvaja take vozove, na katerih opravlja delo motornika in sprevoznika samo ena oseba. Razume se, da družba odsilvija stare uslužbence, ki so dosegli starost petdeset let. Take razmere so zopet obudile med uslužbenci želje po organizaciji. Ali kdo dvigne prvi zastavo odpora kdelško? To je pa vprašanje, ki čaka na rešitev.

Vesti iz Jugoslavije

MARIBORSKI DUHOVNIKI OBDOJENI RADI "MUSKATELCA"

Dne 23. majnika se je zopet vršila pri okrajnem sodišču v Mariboru razprava proti članom načelstva katoliške "Osrednje vinarne zadruge v Mariboru" radi ponarejanja muškateleca. Obtoženi so bili radi tega, ker jih je prejšnji član načelstva, ki ni hotel več trpeti tega početja, ogradil državnemu pravdniku, da je dal muškateleca, ki ga je zadruga izredno dobro prodajala po Mariboru in okolici gostilničarjem, preiskati po državnem kemičnem preizkuševališču in še drugih kemikih, ki so ugotovili, da je ta muškatelec umetno narejen.

Pri zadnji razpravi, ki se je vršila pred 14 dnevi, je zagovornik obtoženih, dr. Veble, odklonil na koncu razprave sodnika, češ, da je pristranski, ker je rekel, da je krivda obtoženih že dokazana in da vsled tega ne rabi novih dokazov. Tudi so se obtoženi pritožili, ker ni bilo javnega obtožitelja.

In tako se je vršila nova razprava pred nabito polno dvorano, ker so se za ta muškateleški proces, za katerega vlada po celi Sloveniji velikansko zanimanje, začeli zanimati tudi mariborski pravnik in pa tudi vsi poročevalci časopisov so prišli poslušati razpravo o čudovitem muškatelec iz Melja.

Razprava je trajala do pol 4. ure popoldne in je bil posebno izčrpno zaslišan kot zvedenec kemik dr. Casafura, ki je tudi preiskal obtoženega muškateleca. Toda čim dalje se je razpravljalo, tembolj je postala jasna resnica, da je bil preiskani muškatelec katoliške vinarne zadruge narejen, kar je z vsjo odločnostjo potrdil dr. Casafura. Obtoženi so imeli pri tej razpravi že kar tri advokate dr. Butarja, dr. Vebleta in dr. Stora. Zasebno udeleženo gospo Milko Pihlerjevo, ki je tudi ogradila ponarejanje muškateleca in plačala zvedencem za preiskavo, pa je zastopal dr. Reisman, ki je predlagal še nove dokaze, kako je načelnik vinarne zadruge gospod Košar nabiral bezeg po viničarjih pri Sv. Bolfenku in kupoval špirit pri tamonjem trgovcu, nadalje dokaze o poslovanju revizorja zadruge gospoda Tirša itd.

Sodnik pa je smatral, da je dokazov za enkrat dovolj ter je izrekel sledečo sodbo:

Obtoženi člani načelstva vinarne zadruge se obsodijo radi ponarejanja muškateleca po zakonu o živilih, oziroma vinskem zakonu in sicer: 1. posestnik Ivan Lorbek na 2000 din. ali 6 dni zapore, 2. katehet na gimnaziji Alojzij Rezman na 300 din. ali 2 dni zapore, vinski kletar Ivan Gerlič na 600 din. ali 6 dni zapore, pomočnik Franc Kovačič na 300 din. ali 2 dni zapore, načelnik zadruge Robert Košar na 3000 din. ali 6 dni zapore, kaplan in podravatelj Cirilove tiskarne in občinski svetnik Franc Hrastelj na 1500 din. ali 4 dni zapore, medtem ko se Ignac Tirs oprusti iz razloga, ker ni bil član načelstva zadruge. Nadalje se obsodijo obtoženi v plačilo stroškov kazenskega postopanja, tako in 910 din. odškodnine gospoj Pihlerjevi za preiskavo muškateleca.

S tem je torej zaenkrat afera mariborskega muškateleca končana.

DRUŠTVENE VESTI

Društveni piknik.

Clinton, Ind. — Naznanjam rojakom v clintonski in okoliških naselbinah, da se je združilo šest društev SNPJ z namenom, da priredi skupni piknik dne 23. junija. Ta društva so: št. 50, št. 218, št. 221, št. 305, št. 461 in št. 474 SNPJ. Piknik se vrši v prošlavo 25 letnice SNPJ.

V slučaju slabega vremena se bo piknik vršil dne 30. junija ravno na istem prostoru, in sicer na Topolovskovi farmi. Ob tej priliki nas bo posetil govornik iz gl. urada SNPJ, brat Filip Godina, upravnik Prosvete. Uljudno vabimo vse članstvo omenjenih društev SNPJ in ostale rojake ter rojakinje, da nas posetijo v obilnem številu. V slučaju slabega vremena dne 23. junija, bo govornik vseeno nastopil, in sicer v Pasaventovi dvorani na Sedmi cesti in Oak ulici ob pol 3. popoldne.

Slične prilike še nismo imeli v tej okolici, zato pa pohitimo vsi na ta sestanek, piknik in veselico. Godba bo izvrstna, okrepčil ne bo manjkalo. Veselični odbor je pridno na delu, da bo vsem postreženo prvovrstno. Na svidenje dne 23. junija!

Frank Mazely, tajnik.

Smrt člana.

Calumet, Mich. — Društvo št. 62 SNPJ naznanja žalostno vest, da je izgubilo iz svoje srede mladega člana John Pečavarja v najlepši starosti komaj 23 let. Omenjeni član je bolehal dalj časa na proletarski bolezni sušici. Po nasvetu svojega zdravnika se je podal pred enim mesecem v bolnišnico v Houghtonu, Mich., v trdni nadi, da se mu ljubo zdravje zopet povrne. Ali usoda je hotela drugače. Kakor blisk se je razglasila žalostna novica po vsem Calumetu in okolici dne 5. junija, da je naš mladi brat John Pečavar umrl. V društvu št. 62 SNPJ je pristopil, ko je bil star 17 let. Umrl je bil rojen in vzgojen v Calumetu, kjer zapuška še zdrave in čile roditelje ter mlajša dva brata in sestro kakor tudi večje število ožjih sorodnikov.

Pogreb umrlega se je vršil dne 8. junija, kateremu je prisostvovalo društvo št. 62 in tudi položilo venec na krsto umrlega kot zadnje slovo svojemu zvestemu bratu. Za pogrebom je slo večje število rojakov in prijateljev spoštovane rodbine Pečavar, ki so s tem izkazali družini svoje sočutje.

Dragi Ivan, počivaj v miru! Pogrešali te bodo v prvi vrsti tvoji roditelji kakor tudi tvoji mlajši bratje in sestra; pogrešali te bodo tvoji znanci in prijatelji, katerih ni majhno število, kakor tudi vse članstvo št. 62 S. N. P. J., kojega si bil zvesti član do svoje skrajne ure.

Zapustil si nas v bolj jadni, zaspal si mirno nam za večno, počivaj sladko v zemlji hladni.

Družni Pečavar izrekam na tem mestu moje globoko sožalje.

Paul Shultz, sr.

Sheboygan, Wis. — Naznanjam vsem Jugoslovanom v tej okolici in bližnjih naselbinah, da priredi društvo "Moderns" št. 634 SNPJ piknik ali izlet v znanem Susatovem gozdu dne 30. junija.

Naš izlet bo nekaj posebnega, zato uljudno vabimo vse naše rojake Jugoslovane, da nas posetijo. Za dobro postrežbo bo skrbel odbor. Na programu bodo tekme za moške, tekma za ženske in tekma za mladino. Izredno lepe nagrade so pripravljene za vse tekme. Najsrčnejši na izletnem prostoru bo dobil mlado jagnje.

Zabave bo torej obilo za vse. Zato pa se nikar ne pozabite udeležiti našega izleta. — Kajli-pot za goste iz bližnjih naselbin, ki se pripeljejo z avtom po državni cesti št. 141: Peljite se do Union avenije, vzhodno po Union ave. do 12. ceste, potem krenite južno po 12. cesti, mimo pokopališča do šume, kjer bo naš napis.

Na svidenje 30. junija! Član društva.

Članstvu društva 312.

Collinswood, O. — Članstvu društva "Vipavski Raj" št. 312 SNPJ naznanjam sklep društvene seje z dne 17. maja, ki se glasi, da vsi člani, ki se ne udeležijo seje vsaj enkrat v treh mesecih, bodo suspendirani. (Glej 16. člen, 8. točko pravil na 52. in 54. strani.) Gre edino za interese nas vseh, radi tega pa je naša dolžnost, da skupno delujemo za koristi društva in jednote.

Naše seje so vsaki mesec važne in resne. Treba je, da se jih udeležujemo. Redno opominjanje je brezpotrebno, vsekakor pa je potrebna pomoč od strani članstva. — Prihodnja seja bo šestmesečna ali polletna, zato upravičeno lahko pričakujemo velike udeležbe. Društvo šteje 160 članov in sedaj nima nobenega bolnika. Zato pa lahko vsi pridete na sejo.

Dalje opozarjam člane in članice na sklep 9. konvencije glede naročnine na dnevnik Prosveta. Kjer sta dva člana SNPJ v družini, se doplača za enoletno naročnino \$3.60, kjer so trije, se doplača \$2.40, posamezni člani pa plačajo \$4.80. Glede tega se prigrisate društvemu tajniku, da vam uredi vse potrebno. Omenim naj tudi to, da po 1. juliju bo asement povišan v en in dvadolarški sklad po 6c na člana, člani zavarovani za \$3 bol. podpore plačajo 41c več kot sedaj. Chas. Benevol, tajnik.

V nedeljo "Savin" piknik.

Chicago, Ill. — Soc. pevski zbor "Sava" osek kluba št. 1 JSZ, priredi v nedeljo svoj običajni poletni izlet ali piknik na Steržinarjevem vrtu v Willow Springsu. Ta vrt je že aplošno znan kot eden najboljših za slične prireditve. Je zelo prostoren in na njem so lepa košata drevesa, dovolj sence za vse, da se ubranijo pekocih žarkov poletnega solnca. Prostrata dovolj za razne igre in tekme, katerih bo gotovo dovolj. Steržinar je zgradil tudi lep plesni paviljon, na katerem se bodo omi, ki imajo še lahke noge poljubno vrteli.

Odbor pevkega zbora "Sava" je preskrbel, da bo fihna postrežba v vseh ozirih in za vse, lačne in žejne. Vstopnina je samo 25c, torej tako mala, da jo bo lahko utrpel vsakdo. Pri plesu bo igrala izvrstna godba, kakršno je le bilo mogoče dobiti, in igrala bo poleg navadne ameriške "jazz" tudi lahke starokrajске valčke in poskočne polke, da se bomo tudi mi stari enkrat lahko pošteno zavrteli po "starokrajsko" zunaj na prostem.

Rojaki v Chicagu in okolici! Udeležite se tega piknika. Ne bo vam žal. Zabavali se boste prav po domače in zunaj v prosti naravi. Veselični prostor je itak skoro že vsakemu znan, kdor ga ne ve dobro kje je, naj se pelje za Archer "streetkar" do postaje na 48th al Cicero in Archer ave., kjer dobite Joliet streetkaro (ne vzemite Willow Springs karo) in peljete se do "Red Gate Stop", kjer izstopite in ste na veseličnem prostoru. Kajti "Joliet Street Car" se ustavi ravno pri Steržinarjevem vrtu. Na svidenje v nedeljo pri Steržinarju! P. O.

Piknik društva št. 311.

Avti bodo na razpolago in bodo brezplačno prevažali izletnike na pikniški prostor. Čakali bodo v Pekinu pri mostu od 12. do 8. No-sill bodo napisali "SNPJ." Avti bodo vozili tudi nazaj s piknika do mosta od 6. pa do 7:30.

Članstvu dalje naznanjam, da je bilo na redni seji dne 2. junija sklenjeno, da kdor članov se ne udeleži piknika, bo moral plačati v blagajno \$1. Od te obveznosti bodo izvzeti le tisti, ki se bodo z zdravniškim priporočilom izkazali, da so bili takrat bolni. Pripravljalni odbor bo vse preskrbel, da ne bodo izletniki trpeli ne seje in ne gladi. Vse bo pripravljeno in za vse. Torej ni nobenega vzroka, zakaj bi se ne udeležili našega piknika dne 23. junija. Udeležite se vsi okoliški Slovenci in Hrvati ter vsi ostali Slovani iz okolice.

Na veselo svidenje dne 23. junija! — F. Wolgemuth, tajnik.

Velik izlet društva "Pionirjev."

Chicago, Ill. — Naše čikaško mlado društvo "Pioneer", št. 559 SNPJ, priredi tudi letos svoj izlet ali piknik, kot ga je lansko leto. Letošnji bo presegal v vsem lanskega. Piknik ali izlet se vrši na Steržinarjevem vrtu, kot se je lansko leto. Ta izlet je namenjen v prvi vrsti naši mladini, t. j. otrokom. Vrši se 28. julija. Otroci so popolnoma prosti vsake vstopnine, in ne samo to, dobijo tudi po 50c vrednostnih kuponov, za katere potem lahko dobijo kar bodo poželeli. Poleg tega bo dobil vsak otrok, ki pride na ta piknik, krasno darilo. Veselični odbor je na delu, da dobi v najem par "ponijev", na katerih bodo lahko otroci jezili po veseličnem prostoru — in to brezplačno. Za otroke bodo tudi razne tekme in igre. Kdor bo najboljši, bo dobil krasen dobiček. Za starejše bo na razpolago plesišče, na katerem bo igrala prvovrstna godba, nadalje vsebuje program tudi razne tekme za starejše. Kdor bo najboljši priden, bo dobil krasno darilo. Nadalje bo oddan krasen "Eight Tube Radio Receiver Set", in sicer onemu, kateremu bodo bogovi najbolj naklonjeni: kdor bo imel "ta pravo" vstopnico, tisti ga bo dobil. Poleg tega so še razna darila, ki se bodo razdala posetnikom. Natančnejši program bo priobčen v kratkem. Opozarjamo pa še sedaj, da si zapomnite: V nedeljo 28. julija nikakor drugam kot na piknik Pionirjev! — P. O.

Mladinski izlet v Detroitu. Detroit, Mich. — 14. julij je izbran za prvi piknik društva "Young American" št. 564 SNPJ. Ta piknik — naj bo takoj povedano — ni samo za omenjeno društvo. Dva faktična vzroka sta na mestu, da se jih ohrani v spominu slovenskega gibanja v Detroitu.

Prvi: Najvažnejša potreba tu v Detroitu je Slov. nar. dom. Na ta dan bo društvo "Young American" št. 564 SNPJ dalo 50% čistega prebitka za S. N. dom. Če tukaj se vidi, da radi pomagamo, da se prej uredi ideja za gradnjo S. N. doma.

Drugi: Društva SNPJ, takozvana "Young SNPJ", so še od lanskega leta, ko se je vršil piknik, objubovala, da pridejo zopet to leto obiskati svoje bratsko društvo. Kakor se čuje, pridejo iz Chicaga, Clevelanda in iz bližnjih mest. Lanako leto so "Young Americans" bili gostje društva "Comrades" v Clevelandu, kjer se je vršil sestanek, na katerem je bilo zastopanih 18 angleško goviljuočih društev SNPJ. In letos je v Detroitu dne 14. julija velik dan za vse — stare in mlade.

Pridite vsi stari pionirji obiskat nas na znameniti dan, da se sami prepričate, kaj vam je rodila SNPJ. In vračali se boste domov zadovoljni in ponosni. Torej 14. julij je dan za "Young Americans" in njih goste, ter dan za Slov. nar. dom. Pazite na oglas, kateri bo natanjen v "Prosveti" dne 10. julija v obilnatni številki.

Prostor, kjer se ta piknik vrši, je Slovencem dobro znan, ter na lepem kraju, in sicer na 9 Mile rd. E. med Dequindre in Ryan roadom. Lansko sezono je imelo društvo "Young American" piknik na tem prostoru.

Vincent J. Kenleh, član "Young Americans."

Va. — Naznanjam članstvu društva "Slovenski Rožmarin" št. 388 SNPJ, da se v čim večjem številu udeležijo redne mesečne seje, ki se bo vršila dne 7. julija, pričetek točno ob 10. popoldne, v prostorih brata Joe Železnika na Ossegu, W. Va. Brate in sestre uljudno vabimo, da se udeležijo te seje, ker podano bo poročilo polletnih računov med društvom in jednoto. Kdor se ne udeleži te seje, se bo z njim postopalo po pravilih. Imamo več članov, ki se ne udeležujejo niti trimesečnih sej in tudi ne polletnih, kar pa je važno za vsakega dobrega člana in članico.

Opozarjam člane, da vzamejo prestopne karte takoj, ko se izsele in živijo v bližini kakšnega drugega društva SNPJ. To je potrebno radi društvenih zadev, kakor tudi radi vseh samih, da se tako v slučaju bolezni ali nezgode preskrbimo, da ne pridejo nepotrebne stitnosti valed malomarnosti, pa ste prikrajšani na podpori. Navadno v takih slučajih prizadeti dolgi tajnika ali pa

društvo, v resnici pa je le njegova lastna krivda.

Rosie Drazenovich, tajnica.

ZAKAJ SLOVENSKA NARODNA PODPORNJA JEDNOTA IZDAJA SVOJE PUBLIKACIJE?

To je vprašanje, ki zasluži odgovora in o katerem bledetajo že mesece, da leta, Slovenski narodni jednoti sovrážni listi in oni, ki vedoma ali nevedoma potvarjajo resnico, ker se ne strinja z njih nazori o človeškem življenju in o uredbah pametne človeške družbe.

Pribita resnica je, da SNPJ ne izdaja svojih rednih in izrednih publikacij za šport, ali da se baha z njimi, češ, da druge jugoslovanske podporne organizacije se nimajo tako izpopolnjenega tiska, kot ga ima ona. Ravnotako je pribita resnica, da SNPJ ne izdaja svojih rednih in izrednih publikacij, da ima nekaj ljudi delo in zaslužek. Kakšni so vzroki, da izdaja svoje publikacije?

Na to vprašanje nam odgovarja v prvi vrsti njena zgodovina, ki je precej dobro poznana v ameriški slovenski javnosti in njenimi člani. Tudi pravila od tretje redne konvencije v La Sallu, Ill., ki je uvedla mesečnik kot prvo njeno publikacijo do vključitviš pravil, ki jih je sprejela deveta redna konvencija, povedo, zakaj SNPJ izdaja svoje publikacije.

Ako pogledamo njena pravila, se prepričamo, da jednota izdaja svoje redne in izredne publikacije za propagando svojih idej in razširjenje svojega delokroga.

Treba je izvesti tudi, kakšne so ideje SNPJ. Pogledati nam je treba zopet pravila, ki so v veljavi do dne 1. julija in po dnevu 1. julija t. l. naprej do prihodnje konvencije, ki jih bo izpremenila, ako bo videla potrebo za to.

V XII. členu čitamo, da se jednotine publikacije urejujejo v duhu načel naprednega, politično in strokovno organiziranega delavstva in v duhu prvega odstavka načelne izjave Slovenske narodne podporne jednote.

Člani SNPJ vemo, da se prvi odstavek načelne izjave glasi: "Slovenska narodna podpora jednota je ustanovljena na svobodnomislalnem temelju."

Ravnotako je članom SNPJ znano, da je v II. členu Namen in Sredstva—zapisano, da je namen Slovenske narodne podporne jednote podpirati svoje člane duševno in jih dvigniti kulturno z zbujanjem demokratične zavesti.

Ako poznamo resolucije glede svobode tiska zadnje konvencije in druge resolucije prejšnjih konvencij, ki niso bile preklicane, razumemo prav dobro, zakaj Slovenska narodna podpora jednota izdaja svoje redne in izredne publikacije.

Ko je bila ustanovljena Slovenska narodna podpora jednota, je bila finančno tako šibka, da ni mogla izdati svojih publikacij. Ustanovitelji SNPJ so se zavedali, da podpora organizacija, ki je bila ustanovljena s popolnoma drugimi načeli in drugim namenom, kot že obstoječe slovenske podporne organizacije in v kateri se njeno članstvo po največ zbira iz delavskih vrst in izmed malih biznismenov, da njeni člani poleg grotne podpore potrebujejo tudi duševno, pa so sprejeli enega izmed že obstoječih listov, ki odgovarja njih načelom, naukom in namenom, za uradno glasilo z upanjem, da izdajajo svoje publikacije, ko to dovolijo finance njih organizacije.

To upanje je izpolnila še le tretja redna konvencija, ki je zaključila izdajati svoj mesečnik. V teku par let se je pokazala potreba, da se jednotino glasilo poveča. Četrta redna konvencija v Clevelandu je sklenila, da se mesečnik izpremeni v tednik, da organizacija dobi bolj izpopolnjeno in povečano sredstvo za propagiranje svojih idej. Slovenska narodna podpora jednota ni kar čez noč povečala izdajanje svojih rednih in izrednih publikacij. Stopala je previdno naprej in stopnjema je razvijala svoj tisk. Na milwauski konvenciji je svoj tednik povečala v tednik s štirih na osem strani. Kasneje je SNPJ izpremenila svoj tednik v dnevnik, pričela je izdajati Mladinski list in izdala je lepo število podučnih knjig za ameriške razmere.

Kaj je vodilo ustanovitelje in člane SNPJ do tega spoznanja in akcije? Ako napadajo organizacijo od vseh strani, ker zastopa nove ideje in cilje, tedaj mora ta organizacija imeti orožje, da se brani in odbija napade, ki lete od vseh strani nanjo. Orožje samo pa ne zadostuje.

Izvežbati je treba tudi armado, ki zna rabiti to orožje, da ne odbija le napadov, ampak da tudi zmaga in doseže uspehe.

Ko se je ustanovila SNPJ, so njeni ustanovitelji in člani, ki so pristopali vanjo prva leta, dobro razumeli, da ogromno večino članstvo tvorijo delavci, ki so kot sinovi kmečkih staršev v starem kraju imeli malo pojma o sporih med delavci in lastniki sredstev za blagovno produkcijo in distribucijo, ako niso v starem kraju že delali v industriji. Večina teh izseljenikov je bilo vrženih iz mirnega življenja na deželi v ameriško industrijo, v kateri so jih smatrali za dobrodošlo sredstvo za pomnožitev bogastva lastujočega razreda. Bili so večinoma brez izkušenj in poznanja one strašne gospodarske pošasti, ki ji na kratko pravimo kapitalizem in ki pije in uživa kri in mozek delavnega ljudstva po vsem svetu, kjer se je udomačila.

Ustanovitelji in prvi člani SNPJ niso pohajali visokih solj v starem kraju, kajti za take ljudi je bilo še dosti kruha v starem kraju in ni jim ga bilo treba hoditi iskati v daljni svet, ampak bili so delavci in mali trgovci in obrtniki. Vse znanje, kar so ga imeli, so si pridobili sami s čitanjem in študiranjem dobrih knjig in resnimi pogovori med seboj o zgodovini, gospodarskih, političnih in drugih vprašanjih, ki so važna in se pojavljajo vsak dan v človeškem življenju. Primerjali so teorijo s prakso in bili so obenem učitelji in učenci. Učili so se sami od drugih in obenem učili druge. Ta globoka želja po izobrazbi in spoznanju resnice ter učiti druge, ki je zakopana v srcih delavnega ljudstva, je povzročila, da je Slovenska narodna podpora jednota pričela izdajati svoje publikacije.

OPAZOVANJA

Kolumbi zraka postajajo majhni. Izvršen je deseti polet iz Amerike v Evropo. Trije Francozi so se pripeljali v Ameriko leteli domov. Polet z ostri strani v Ameriko je nevarnejši. Avanturna stran prekomorskih poletov je pri kraju. Tudi junastvo te vrste nima več bleška. Avijacija postaja business.

Zadnja avantura in slava še čaka nekoga, ki izvrši neprestani polet okoli sveta. To pride v enem letu ali dveh — in potem hajd masna produkcija letal za vsakdanjo potrebo! Ameriška prosperiteta, o kateri se toliko poje, pa mora poskrbeti, da bo vsaka delavska družina imela svoje letalo kakor ima danes svoj druzinski avto... (Kdor kljub temu še nima avta, naj izve, da ima drugi delavec, ki je bolj reven kot on — dva.)

Ameriška metodistična (protestantska) cerkev odobrava u-morje, ki jih izvršujejo prohibicionisti dan za dnevom. Voditelji metodistov izjavljajo, da so njegovi prohibicionisti upravičeni ubijati ljudi ne glede na to, če je kdo ubit po nedolžnem.

Neki karikaturist je narisal suhača, ki je na tabli desetih je božjih zapovedi prebral peto "Ne ubijaj" in jo nadomestil s "Ne ubijaj" in jo nadomestil s "Ne pij". V tem je skoro več resnice kot satire. Moderni puritanski fanatiki so dekretirali novo dogmo, ki se glasi, da je uživanje opojnih pijač krivoverstvo. Po starem cerkvenem pravu se krivoverstvo kaznuje s smrtjo — kar se tudi izvršuje brez procesa.

Katoliška cerkev je v srednjem veku zahtevala — in zahteva — da je bilo ustrezno — smrt- hrvaški delavec, brat Rimac.

GLASOVI IZ NASELBIN

Akronski Slovenci za svoj Dom.

Akron, O. — Kakor so naši rojaki v drugih naselbinah prišli na idejo o potrebi skupnega doma, tako smo tudi tukajšnji Slovenci prišli do enakega sklepa, da potrebujemo svoj Narodni dom, in sicer vsi Slovenci skupaj iz Akrona in Kenmora (sedaj spada Kenmore pod Akron).

Zbrali smo se skupaj — okrog 20 — ter vsi z navdušenjem pozdravili to prekoristno idejo. Ker pa je vsak začetek težak, najbolj seveda glede finančne podpore, smo sklenili, da priredimo skupni piknik v ta namen, ki se bo vršil dne 23. junija. In ker se gre za narodno stvar, ste najuljudneje vabljeni vsi, da se polnoštevilno udeležite našega prvega piknika za Slovenski narodni dom v Akronu.

Veselečni odbor bo preskrbel vse potrebno, kar spada na piknik: okusen prigrizek in pijačo ter godbo za ples. Pridite vsi, tudi rojaki iz bližnjih naselbin. Rojaki, sodelujte pri tej dobri stvari, ker pri tem se gre za skupni hram, narodno središče, v katerem se bomo lahko shajali na naših prireditvah in ob drugih prilikah. Zato pa vsi na delo, da bo še takoj prva prireditev v ta namen dobro pokazala, da se tukajšnji Slovenci zanimamo za zgraditev Slovenskega narodnega doma.

Piknik se vrši dne 23. junija pri dobroznanem rojaku Joe Lanku (po domače pri Zagarčku) na Springfield cesti. Na svidenje! Frank Kocjančič.

Veselica Jugoslov. doma. Warren, O. — Ni potrebno, da bi podrobno opisoval kako velikega pomena za naselbino je, ako ima svoj Narodni dom. Kajti odkar Dom obstoji — in to je že nad dve leti, — se je izkazalo, da služi svrham, katerim smo ga zgradili. Zato pa je tudi naša dolžnost, da ga podpiramo v vseh ozirih ter da ga čim prej izplačamo. Dne 22. junija priredi Dom plesno veselico in prebitek je namenjen: Domovi blagajni. Torej v dober namen. Ali bomo mi storili našo dolžnost na-

no kazeti za ljudi, ki so učili, da se zemlja vrtila okoli solca; nauk te vrste je bil krivoverški za tiste lepe čase. Dalje je cerkev diktila smrtno kazeno za "carovništvo", ki se je tudi smatralo za krivoverstvo. Metodisti nečejo zaostajati. Hudič noče iti s sveta. Če ni eden, je drugi.

Detinaka paraliza. Br. Rimac iz Detroita je objavil v hrvatskem komunističnem listu serijo člankov, v katerih "analizira" zadnje konvencijo S. N. P. J. Od prve do zadnje besede v teh člankih odseva tista bolezen, s katero je pokojni Lenin označil mentalno akrobatstvo nekaterih svojih pristavev: otroška paraliza!

Pisec nima najmanjšega pojma o razmerah, ki so porodile S. N. P. J., niti o pogojih njegove uspešnega razvoja in napredka; ne ve ničesar o naših težkih bojih s klerikalno reakcijo prvih deset let, ne pozna faktorjev, ki so vplivali, da je jednota premagala krize, skratomre, ki jih izvršujejo prohibicionisti dan za dnevom. Voditelji metodistov izjavljajo, da so njegovi prohibicionisti upravičeni ubijati ljudi ne glede na to, če je kdo ubit po nedolžnem.

Krona Rimacove kuku-filozofsuhača, ki je na tabli desetih je božjih zapovedi prebral peto "Ne ubijaj" in jo nadomestil s "Ne pij". V tem je skoro več resnice kot satire. Moderni puritanski fanatiki so dekretirali novo dogmo, ki se glasi, da je uživanje opojnih pijač krivoverstvo. Po starem cerkvenem pravu se krivoverstvo kaznuje s smrtjo — kar se tudi izvršuje brez procesa.

To je vse, kar je potrebno komentirati glede omenjenih izredkov težke bolezni, katere se je nalezel drugače lahko pošten hrvaški delavec, brat Rimac.

LISTNICA UREDNIŠTVA.

Opetovano smo že na tem mestu povedali vsem oglaševalcem priredb, da zvezna pošta prepoveduje prebati naznani, kjer se omenja srečanje ali loterijo. To je protizakonito in naši dopisniki bi morali to upoštevati. Loterijska naznanila torej ne smejo v list. Toliko v pojasnilo vsem tistim, ki so poslali notice o srečanju.

Mulberry, Kans. — F. S. — Bo priobčeno po 1. juliju. — Pozdrav!

Zelig, Ill. — M. C. — Priobčimo po 30. juniju. — Pozdrav!

Povest "Frank in Helena," ki je bila pretrgana v par srednjih številkih, se bo nadaljevala s prvo številko prihodnjega meseca. Mati in dva otroka umorjeni. Detroit, Mich., 18. jun. — Ana Chabinski in njena dva mala otroka so bili večer najdeni mrtvi v njih stanovanju v River Rouge. Ubijalec jim je razbil glave z železnim drogom. Policija je pričela z zasledovanjem moža umorjene, ki je pred tremi meseci odpotoval v Cleveland za delom in se od takrat ni nič oglasil.

An Explanation

Canonsburg, Pa.—I have been a silent member of the SNPJ for quite a while—just taking it all in and not having anything to say. It is now time to set things right before our readers.

At first, a few certain members of our Lodge weren't satisfied with the offices they were holding and wanted to be something better. Well, they finally have reached that end. One certain member was always writing articles in the Prosveta about Friendship, Harmony, how the Lodge was progressing, how some of the members were quarrelling and, last of all, writing up articles that inferred things about a few of his brothers and sisters.

As long as A. H. Riska was President there were a few stubborn ones and now that J. F. Kutch is our new President there are still stubborn ones, but they are taking a far different course than the others took. They are keeping their mouths shut and not printing any articles in the Prosveta which is, after all, the best way.

When the Lodge was first organized there were only about ten members. At that time A. H. Riska was President, oftentimes he would get disgusted and thought of having the members all transferred to the old Lodge.

Anthony Kastelic of San Francisco, one of the delegates of the ninth convention, writes that our people of the far West are pleased with the action of the convention authorizing Prosveta to accept contributions for the release of Mooney and Billings. Our English locals must not forget that Mooney and Billings have been convicted in fraudulent testimony during the war hysteria, which testimony has since either been relinquished or found untrue.

Andy Grum of Detroit writes that he had spent a few days in the mountains of Pennsylvania following the convention. He has again returned and tells us that the new English local is doing well. Detroit has a big Yugoslav population. People from various parts of the country have assembled there, so the possibilities of the Young Americans and the new Lodge are great.

That Detroit trip for July 13 and 14 is certain. It was not possible to secure special rates on the train, consequently we have been obliged to sign up a dandy comfortable bus. Pioneers and friends desiring to go must sign up and leave a deposit with one of the committee. Fifteen are already signed up. Only 35 can go comfortably into the six wheeler bus. See other articles on this page.

Are you going to be among the first people who will try out the dance pavilion at Sterzinar's Grove, Willow Springs? The other day a few of the Pioneers inspected the place and we thought it looked dandy. It has been the custom for our weather men to pour showers for the past few weeks. Now that the pavilion is there, dancing will continue on Sunday, June 23, at Sava's picnic, even though it might rain. Everybody is invited. Tickets are only 25 cents.

Our Pioneer Indoor Ball team lost its first game to the Stalwarts of Kenosha, Wis., by a score of 6 to 2. Only for a few miscues the score might have been different. Surprisingly enough our newly composed players showed up well against an aggregation that has been playing steadily together for a number of years. The work of John Petenel, our new pitcher, deserved the game, as one of the scorers had only five hits chalked up against Johnny, while the Pioneers were collecting seven. Errors made things bad for the pitcher, however. Joe Buric showed his wares in the outfield. We have never seen Joe play before, but know now that he is a capable fly ball chaser for the outer field.

Eddie Gardner was the only Pioneer to get two hits. He performed as usually, very well about first base. To our surprise Jack Grosser tried to fill in Joseph Krasovec's shoes. Joe can't play because of a bad knee. Jack did well at that and as the season goes on will make a first class catcher. John Vogrich performed in his usual good style, as did Frank Vidigar, Frank Buric, Matt Vidigar, and Louis Kramer, and our newcomers, Jerry Kosina and Val Vidigar helped the gang along. Next Sunday the boys will play at Sterzinar's Grove at Willow Springs at Sava's picnic.

Grand Junction, Colorado.—Lodge No. 655, SNPJ, held an election of officers at the meeting on June 9.

Louis Florjancic, who was our Treasurer, was elected Secretary until the regular election in December. Our former Secretary, Anna Koehner, resigned her position. Anton Kosmack was elected Treasurer. The same Recording Secretary was retained.

Our President, Anton Blasic, who has been falling in health, gave up his position. Julia Blasic, his daughter, will be our President. She will be under the guidance of her father, who led us until now.

We now have all the offices filled by young people, with the exception of the Treasurer. The older members will sit back and watch us go. They will be there to guide us along if we should happen to take the wrong path. Fraternally.

Julia Kosack, Recording Secretary.

Incognito's Flashes

The June meeting of the Chicago Pioneers will take place on Friday evening, June 21, at the usual place. Besides the picnic, the Detroit trip and other important discussions will take place. The drawing will be for \$5.00. We urge all our members to be present. Applicants nominated in May should be examined for this meeting.

Speaking of the picnic, it is our earnest desire to have this year's Big Prize and Juvenile Picnic of the Pioneer Lodge surpass even last year's, in attendance, gifts, prizes and in general publicity for the Lodge and Society. Any member wishing to be represented on the list of contributors or one securing contributions, please notify your officers or Louis Zele, chairman of the picnic committee.

Mary Ann Keatner writes for 25 more picnic tickets. Mary feels that she will probably need more, as she sells these. In the contest for the picnic she now has Dorothy Compare, Alice Artach, Jenny Zadel, Aphrodite Zaveritnik, Catherine Berk and Mary Keatner. As others inform us we will add them to the list. How about the boys? Oscar Godina, John Rak, Frank Buric and the president are the only ones so far enlisted. Looks like it's going to be easy for two of them.

Bertha Mladic has undergone an operation for appendicitis. She is now at the St. Anthony's Hospital, where members can visit her. We wish her a speedy recovery. Stanley Archel is still at the County Hospital.—Mary Zele at 3225 S. Lombard (6200 W.) is recovering from her operation.—Pioneers should visit them at every opportunity.

Wolverines No. 677

Detroit.—The members of the newly organized Lodge "Wolverines," No. 677, SNPJ, are giving a dance and program on the day when the new Lodge will be officially initiated into the SNPJ. This affair will take place on Saturday, June 29, at 7 p. m. sharp at the Slovane Workers' Home, 437 So. Arterial avenue. A good time is assured to all present.

The following program will be presented: (1) A live picture of the SNPJ, presented by Bro. Chasen of Lodge No. 518, SNPJ. (2) Address by an organizer of the second English-speaking lodge in the SNPJ, the "Young Americans," who stand today the second largest in the SNPJ; the credit for the Lodge's success goes to none other than Sister Jeannette Kenich. (3) Brother Herman Regel, President of the "Young Americans," will deliver an address. (4) Bro. L. Spolyar of Lodge No. 121 SNPJ. (5) Bro. Jos. Klanchnik Sr., President of No. 518 and organizer of the new Lodge, and (6) Bro. Peter Benedict Sr., also an organizer of the "Wolverines," will deliver addresses on struggles which are confronting every new lodge and how to overcome obstacles to build up the new Lodge that is bound to grow. (7) Bro. Frank Klanchnik of "Wolverines" will tell the audience how anxious he is to get this new Lodge started.

Young Americans and all other members of the SNPJ are most cordially invited to attend this affair. Let us give this "new baby" a good start. Let's not fall them. Dancing will follow the program, music to be furnished by a peppy orchestra.

On July 14 Young Americans Lodge 564 SNPJ will give their annual picnic at Nine Mile and Ryan road. Those who attended their picnic last year will know that a good time is in store for them. We are expecting a lot of out-of-town visitors this year. So let's all attend this affair and make it a big success. On the same day another Slovane organization is planning a picnic, a Singing Society. I will explain this, so as to avoid any hard feelings. Before we rented our picnic grounds, we went to the owner of the grounds where Slovane usually rent, and asked him about the dates rented by Slovane, but he would not show us the book nor tell the dates taken. So we went and rented July 14 on different grounds. It may be added that the mentioned singing club had the grounds rented about a year in advance, but the truth is, they never let any one know. So it can readily be seen that it is no fault of ours that there actually will be two Slovane picnics on one and the same date.

To members: Due to the fact that our regular monthly meeting falls on the same day as our picnic, it is necessary that we change our meeting date, which will be announced in the Prosveta later. Fraternally, Andrew Grum Jr., Sec'y., Young Americans.

Mulberry, Kans.—The Sunflower Lodge met last Friday night, June 14, with almost 100% attendance. The Sunflower members surely are working hard in this jubilee campaign. We have a number of new members "to ride the goat" every meeting night. The Sunflower spirit is never to quit. Although our hard work doesn't increase our membership much, because the boys and girls in Kansas have traveling fever (we have them in Chicago, Detroit and in Cleveland), but nevertheless we have the credit in the supreme office for proposing them.

While in Chicago attending the ninth regular convention of the SNPJ, Andrew Grum, Sec'y. of the Young Americans of Detroit, said to me, "If Chicago and Cleveland have gotten as many members from the Sunflower Lodge as we have, your Sec'y. surely has got a job issuing 'transfer cards.' But our spirit so far has been 'Lose one and gain two,' and that makes the bunch work so much the harder.

The Sunflower baseball team has been unable to book any games with the SNPJ branch in Kansas so far, but are trying to get a number of them organized to get the young Slovane interested in the English movement of the Slovane National Benefit Society. We would like to see the Lodge at Breezy Hill, Yale, and some of the branches in the southern part of our district organize some baseball teams. Because you have plenty of young Slovane in your lodges. We would also like to know when the bunch in the South End is ready to organize an English-speaking branch. Just let us know and we will be down and help you out. The bunch at Yale, Kans., has just about started out; we are going to try and help them. Keep it up, Yale, we'll do our best.

Frits Bolah says, "Everybody on their toes for Sunday." We have a tough game on with the Minden Giants. They have played a number of games this season already, and we are playing real good ball. So, boys, let's go to Minden Sunday and bring back the victory.

The report from the Manager last night was that he has got games booked for the Sunflower team for six weeks. Any SNPJ branch that wants a game with the Sunflower team will have to call or write to William Strah.

F. L. Pres. Sunflowers.

Candid Comments

By a Comrade. A few more weeks and then our Moonlight Ride. Now is the time for those who have not sold their quota of tickets to make the final drive. With the warm weather we have been having, individuals are prone to listen to you when you mention a cool and refreshing ride on Lake Erie after a hot summer day's work. Do not consider yourself out of running for the prizes being offered by Messrs. Mecnik and Cerne. Let's go.

On July 14 a group from Cleveland will leave for Detroit to frolic with the Young Americans. Some are going via boat and others will drive. A royal reception is being prepared by the Young Americans. Those interested should get in touch with Joe Pifolt or John Alich. Boat will leave around 10:30 p. m. Saturday night, and we will be back in town Monday morning. Start saving your pennies now for dollar's worth of fun at the Young Americans picnic, July 14.

Following in line with other successful organizations the Slovane Senior school which has recently completed its second successful year, will also have a hike together with members of the Comrades Hiking Club, Sunday, June 23, meeting at Kushlan's, proceeding to Nottingham and then south. Another good time in store for those who come.

One of the biggest crowds in recent years attended the Junior Slovane school picnic making it a success and providing additional financial means for helping the school to maintain its good work. Quite a number of Comrades and members of the Senior school were in attendance, helping out.

Last week a group of Comrades and other friends of Miss Carmen Zorman were entertained by her parents at their home, at a graduate party. "Longwood's" loss, and some one else's gain." Carmen is now

ready to battle against the best that the world has to offer and all her friends are congratulating her on the completion of her course and success in any future steps she may undertake. The crowd stayed until the wee hours of the morning, enjoyed the splendid repast prepared by Mrs. Zorman and thoroughly appreciated the wonderful playing of Mr. Zorman.

Now that more space has been allotted, the editor can make our section very interesting. Most of the younger folks have no idea of their home land, customs, language, etc. An article each week about the Slovane, where they originated, habits, and country, would be interesting and appreciated by all.

Just because summer is down is no sign that there should be any let-up on the part of individuals in securing new members. The list at Kushlan's is growing day by day. Is your name on it?

Lately have noticed the absence of many familiar names on this paper, especially so in regards to the weaker sex. What has happened to Anne Golob, of the Pioneers, Frances Garbor, of the Buckeyes, Josephine Podpadek from the Strugglers, Jean Nagode from the Loyalties, Ceila Strifof and Ann Erste from the Comrades, Ann Jereb from the Zippers and others. Their articles were always read with interest.

The Cerne-Comrade boys are sailing right along. Most of the games are being played at White City and more rosters are wanted. Agreements have been made that the team standing highest in percentage between the Comrades, Loyalties and Progressives will be declared the winner to represent our section and battle the Western Division champions in Cleveland on Labor day. Plans are already being made for a gigantic program that day. More details will be published later.

Bits by a Little Bit

Cleveland.—The Senior Class of the Slovane School ended its school year on Friday, June 7. The students were very ambitious and hard-working. They produced a one act play, "Toma," arranged several social gatherings, and held a private party to end the school year. Besides this, each student has a class pin and will receive an annual. Their teachers were Edwin Primoshic and Vatro Grill. They hope to have a larger enrollment in the fall. The young American Slovane are urged to enroll in September.

Plans are under way for a trip to Detroit to attend the picnic of the Young Americans. The Pioneers of Chicago are planning to be there. Any one wanting to make the trip should get in touch with Joe Pifolt or John Alich.

July 28 is the date of the first Comrade outing. Kosicek's farm in North Madison has been selected as the scene of another good time. There will be ball playing, games of different kinds and swimming. Hold this date open, because you are assured of a good time.

Bill Vidmar graduated from the Law College of Western Reserve University last week. Previous to that he graduated from John Carroll. Congratulations, Bill. We all hope you will succeed.

The way in which the Comrade boys have won their last two games reminds me of that historical event, "Sherman's March to the Sea." They won their last game with the Progressives by the score of 9 to 0.

Whenever I see a new Oldsmobile on the street, the first thing I say to the driver is, "Did Joe Birk sell you this car?" And I invariably receive an answer in the affirmative. Success to you, Joe.

The Comrades Hiking Club and the Senior Class of the Slovane School will go on a joint hike on Sunday, June 23. They will meet at Kushlan's store at 8 o'clock; then go by street car to Frances Gerbic's home in Collinwood, and from there start to hike to Petkovsek's farm in Lyndhurst, where they will spend the rest of the afternoon. Anyone wanting to join the crowd should get in touch with the members.

Tony Kushlan has been carrying an empty cornucopium around in his mouth for the past two weeks. Are you cutting your teeth, Tony, or waiting for some one to come along and fill it?

Who is going to sell the most tickets for our Moonlight Ride? The three prizes that are being offered are worth striving for. Don't forget that the proceeds will go toward a fund for the support of our baseball team. Additional tickets may be secured at Kushlan's.

Julia Mecnik is feeling younger each succeeding day since that party given in her honor. I'll tell you, folks it feels good to know you aren't being forgotten.—Auf wiedersehen!

Strugglers Snapshots

By Lily of the Valley. The Strugglers' officers are being approached constantly by such questions as "What is wrong with the Strugglers?" They say that at one time, when they came to our meetings, they had the "pick of the crowd" when one was in need of company, but now it's different. A very sad story. Gone, going, gone. They are falling in line. "Ramona" and "Cream" left us, followed by Sis. Tolar. It's true, we are in need of new members, but why all go at one time?

Strugglers inaugurated their grand opening last Sunday before a large crowd, by battering the strong Angelo Auto team by score of 8 to 4.

Congratulations to our Sec'y, Sis. Mandel and Jack Widmar. Their engagement was announced Saturday. Also that of Louise Globocnik and Bro. Ogrinc. Oh, what am I to do? Won't somebody bring me a sparkler, too?

Groseman, Strugglers' pitching ace, allowed only two hits and breezed 12 of the visitors. His record for three games this season is a total of 1 hits and 41 strikeouts. Hurrah!

My wish is just one: "Canary," "Sawdust" and "Lindy," don't leave us like the others. Keep on struggling, boys. Your past work was appreciated and we can't let you go. Please.

Who said we are not getting a farm? Watch this column next week. It won't be long now.

It's a lucky month for us here and still luckier in England, where the British Labor Party, headed by their real leader MacDonald, took the elec-

Monitor Lauds SNPJ

In the May issue of the Fraternal Monitor, America's foremost recorder in the Fraternal Benefit Society field, and a periodical of comment on present events and their forecast of the future, the editor lauds the progress and expansion of the Slovane National Benefit Society. The article has been written on the occasion of the Twenty-fifth anniversary of our Society and its ninth regular convention. It gives due credit to the perfected new sick benefit insurance plan now in use by the Slovane National Benefit Society.

Herewith we give the article verbatim as it appeared in the Fraternal Monitor for May: Observing the twenty-fifth anniversary of its founding, which was in April, 1904, the Slovane National Benefit Society has experienced a most remarkable growth and expansion in this quarter of a century. Today the Slovane National Benefit Society has forged ahead of its two older contemporaries in the Slovane fraternal field and has become the largest in the United States with a membership of 61,000 in its adult and juvenile classes.

This Society has held its ninth regular convention in its own building, at 2567-2569 South Lawndale Avenue, Chicago, Ill., on May 13-21. This meeting was attended by supreme officers and representatives of local lodges to the number of 230.

That the Society is a most progressive one is manifest in its publication of its own official publication, and a daily at that. It is called "Prosveta," and is printed in both the Slovane and English tongues. It also publishes a monthly magazine for juvenile members printed in both languages. The printing of its publications and all printed matter required for the Home Office is done in its own plant, owned and operated by the Society, in its own building. This printshop has proved a profitable asset to the Society.

Considered numerically, the Slovane represent a small nationality. It is estimated that there are approximately 250,000 in the United States. With these figures in mind, when one realizes that there are over 100,000 members of the Slovane fraternal societies it must be admitted that these people are most unusually well organized in the fraternal field.

Lodge News Notes

ALL ABOARD FOR DETROIT!

We will be singing: "Highways Are Happy Ways," on Saturday and Sunday, July 13 and 14. The Pioneers are to invade the Young Americans of Detroit, Michigan, and later—the land of pre-war (?)—well—to Dominion of Canada. According to our present plans we expect to leave at 1 p. m. Saturday, July 13, arriving in Detroit about 11 p. m. the same evening, returning the following night.

A 35 passenger six wheeler bus with individual air cushion seats has been chartered. A similar bus has been inspected by four Pioneers and we all agreed that it will serve our needs very well, and much better than the bus used for last year's Cleveland trip.

Any one desiring to make the trip must sign up with one of the committee not later than July 1. The first 35 to sign up will ride in the first bus.

The round trip fare is \$6.50 a person. Deposit of \$3.50 must be made when signing up.

Those who have ridden the bus to Detroit recommend the trip. So here is your chance, Chicagoans, and Pioneers especially, to make the trip to see Detroit and Canada.

ELECTION OF OFFICERS.

Grand Junction, Colorado.—Lodge No. 655, SNPJ, held an election of officers at the meeting on June 9.

Louis Florjancic, who was our Treasurer, was elected Secretary until the regular election in December. Our former Secretary, Anna Koehner, resigned her position. Anton Kosmack was elected Treasurer. The same Recording Secretary was retained.

Our President, Anton Blasic, who has been falling in health, gave up his position. Julia Blasic, his daughter, will be our President. She will be under the guidance of her father, who led us until now.

We now have all the offices filled by young people, with the exception of the Treasurer. The older members will sit back and watch us go. They will be there to guide us along if we should happen to take the wrong path. Fraternally.

Julia Kosack, Recording Secretary.

CARDINALS!

Bridgeport, O.—It won't be long now till our 4th of July celebration. We certainly intend to have one grand time. We want every one to come, for I am sure they will enjoy themselves.

That certainly was a nice little game our team played with Canonsburg, even if we did lose one. But we won one and that is what counts. Hope we beat Cuddy Sunday. Hope the Warbler hasn't stopped warbling at this season of the year.

What about Ike and Mike? Don't be bashful. And don't forget about the next meeting, especially the girls, as the boys are going to feed us—and HOW! Also are going to have a little music and we can stop around some.

But remember the FOURTH as it is our First Anniversary and we are going to make it a success. (Not maybe, either.)

Well—see you all at the next meeting. Betty Seuschek.

MODERNS' PICNIC.

Sheboygan, Wis.—Attention, members of Lodge Moderns, No. 634, SNPJ, and all Yugoslavs in this vicinity! On June 30, our Lodge will have a big picnic in Susha's woods. Our picnic is going to be the greatest fun of the season. Do not fail to attend this rare jubilation out in the wide open spaces. Plenty of fun awaits all. Races for all.

There will be races for men and for ladies, as well as races for children, and boys' potato bag races. Contestants will get valuable prizes. The boy or girl bringing in the most picnicers will also get a prize worth the effort.

Notice, out-of-town visitors, coming over Highway No. 141: Drive to Union avenue, and east on Union avenue to 12th street, then proceed south on 12th street, past the cemetery, until you see the sign "Mekakeke."

What's that?—you would ask—meaning the word "Mekakeke." That's our beautiful lamb which we are going to give away to the lucky bidder. And let me tell you, the lamb is very much alive, too!

Don't forget, boys, it will give you a good meal, or, if you so prefer, you will have a nice little plaything this summer.

Come and get it, June 30. Pub. Com., Lodge Moderns.

EDITOR'S NOTE.

Cuddy, Pa.—Communication signed "Pub. Com." entitled "Tough Schedule" lacks the required signature and for that reason cannot be published.

Topics of the Week

The Sunjars Lodge, No. 632, attendance prize for the month of June was awarded to Brother F. Blazovich. It is equivalent to one month's dues. It says to attend the Sunjars monthly meetings.

The chairman of the Sunjars Picnic Committee has donated two prizes which shall be awarded to the two sisters who shall sell the most tickets to the Sunjars-Integrity Silver Jubilee Picnic to be held on Sunday, August 18, at Sterzinar's Grove. Sisters of the Sunjars as well as the Integrity Lodge are eligible for these prizes.

The Sunjars as well as the Integrity not only preach co-operation for the American-speaking subordinate lodges, but actually put their theory into practice by staging the first joint picnic under the auspices of two American speaking lodges at Chicago on August 16 at Sterzinar's Grove. We hope to see that the next year all the American-speaking lodges in Chicago or vicinity will stage one co-operative joint picnic.

The greatest victory for the Americanization of the Slovene National Benefit Society was not achieved when the convention approved the Athletic resolution, or when the convention also made the American language the official business language for the SNPJ, or when the convention elected four youths to represent the American born Slovenes on the Supreme Board, but the victory was achieved when the convention voted to defeat the four-page American edited weekly and granted in its stead three pages in Prosveta to American edited reading matter. We must note that the official edition of Prosveta contains about two pages of Slovene advertisements and at least from one half page to a page of official reading matter. After July 1, if our elders desire to enjoy the official Prosveta, they must learn the American language as more reading matter shall be published in English than in Slovene. Because of this fact the first three pages in Prosveta should be devoted to the American edited reading matter. Brother Brinocar's argument and logic is well taken when he said that "the prestige of the Society as a Slovene organization was given a big blow" by defeating the four-page American-edited weekly.

The four-page American-edited weekly recommended three pages for adult American-speaking members and one page of reading matter for the juvenile members, but under this plan the Slovenes would have retained their eight pages of Slovene in every official issue of Prosveta. Whatever gains the American-speaking members made with reference to additional reading space in Prosveta, it was made at the sacrifice of the Slovene pages. This was the verdict of the Slovene delegates themselves. If it is their sincere desire to shorten the life of the Slovene atmosphere in the SNPJ, it is well and good as far

as we are concerned. We can now demand greater Americanization, and at the next convention we ought to get at least two more additional pages for American reading matter, and the convention in 1937 doing as their predecessors did should completely change the Prosveta into an American-edited publication. On the other hand, if the Slovene delegates did not vote as their constituents desired them to vote, then such lodges should recommend this change through an initiative, and propose a four page American-edited weekly with an eight page Slovene edited Prosveta.

The convention increased the assessment to the Special Benefit Fund for three cents per month per member. The major argument which won this increase was that this convention should do something for the old members. That superannuated members may make application to the Supreme board for relief. This increase shall add about fourteen thousand dollars annually to the Special benefit fund. In view of the fact that the convention increased the assessment to the Special benefit fund, the members would be justified in defeating the pension initiatives when they are presented for ratification.

The convention also increased the Operation benefit fund by three cents per month. This fund has an annual deficit of about fifteen thousand dollars. Either the assessment had to be increased or the benefits to members had to be reduced.

I was in favor of reducing the benefits, because most of this operation benefits find their way into the pockets of doctors, often "quack" doctors. In some instances, the medical fee to members would be much less if our Society did not pay such high operation benefits, because if the doctor did not know that our members were reimbursed for their expenses, they would charge less. When I was a member of the Supreme board, a series of events arose in the State of Minnesota where a doctor recommended every one of his patients who was a member of the SNPJ to be operated, and charged him as his fee for the operation whatever sum was stated in the by-laws. After investigating, it was discovered that one member of the SNPJ who was his patient gave him a copy of the by-laws of the SNPJ. The doctor made a thorough study as to how much this Society pays for the various operations. After that, every patient of his who was a member of the SNPJ, needed serious operations. This doctor had a gold mine as long as the scheme worked. There is more than one doctor that exploits the SNPJ by recommending to his SNPJ patients operations which they do not need. Lower operation benefits would do away with this evil because such unethical practice would be unprofitable to the "quack" doctors.

A GLORIOUS VICTORY FOR LABOR.

The Nation in a recent number comments on the British Labor election achievement rejoicingly and writes in part:

A glorious victory for Labor. That is what the success of the British Labor Party is—a glorious victory not only for the party of progress in Great Britain, but for progressives all over the world. There is not a true liberal anywhere whose pulses were not quickened as he read of this tremendous achievement of a workingmen's party which twenty-nine years ago held only two seats in Parliament. Despite discouragement, despite defeats, despite the world war with its baneful influence upon all liberal causes and humanitarian impulses, British Labor has gone on triumphantly. . . . Labor won the so-called "flapper vote" and has beaten inefficient and militaristic conservative ministry. It has done this under the leadership of Ramsey MacDonald, the man who refused to uphold his country when it went to war in 1914 and was then overwhelmed with charges of cowardly pacifism and pro-Germanism—as fell to the lot of every man who at that time kept his sanity intact. . . . This election achievement is so colossal that we confess to be little moved by the press gossip that Labor cannot hold its dominance long. Stuff and nonsense! Failure is unthinkable if Ramsey MacDonald keeps his health, if he will keep himself free for the big issues.

MIDWEST LEAGUE

The bid for the 1929 Mid-West League was prayed open last Sunday at Chicago. Both Waukegan and Kenosha teams traveled to Chicago to meet the Integrity and Pioneer boys, respectively, and both of the visiting teams went home with the bacon. The Waukegan Sports Club defeated the Integrity team by a score of 9-8, while the score of the Stalwart-Pioneer affair was 6-2.

Score by Innings: Waukegan 9 0 1 3 0 0 2 0 - 9, Integrity 0 0 0 2 0 1 1 0 - 8, Kenosha 9 2 0 0 2 0 2 0 - 6, Pioneers 1 0 1 0 0 0 0 0 - 2

Games for this month: June 23—Waukegan vs. Stalwarts at McKean's Grove. June 30—Pioneers at Waukegan. August Kramer, Secretary.

HOT TIPS

St. Louis, Mo.—The Spirit of St. Louis Lodge held their monthly meeting on June 14, which was a success. —Chas. Kacin was early—something unusual.—We had some visitors from Granite City. There were about twelve of them.—We hope we will be able to induce the Granite City bunch to join our Lodge.

As usual we had part of our orchestra at the meeting to furnish the entertainment. M. Graboyan was the auctioneer, and he sure did give the crowd a laugh in trying to get rid of the lunch boxes.—After the meeting we had ice cream, soda, etc.

Members, do not forget our trip to Livingston, Ill., on June 30. The Spirit of St. Louis will be guests of Sister Vertovsek in Livingston, Ill., on June 30. The fellows are requested to bring their bats and other baseball paraphernalia, if they have any. The members are to engage in a baseball game amongst themselves in Livingston, if possible.

Yours until Niagara Falls, Buddie.

JUBILEE PICNIC.

Detroit, Mich.—This is one of the series of articles written concerning the 25th anniversary Jubilee picnic to be held at Dequindes and Ryan Roads on Aug. 4.

This great event is sponsored by all the SNPJ lodges in Detroit: 121, 518, 564 and also the new Lodge organizing on the West Side called the "Wolverines."

It has been decided upon it the last meeting that the admission fee shall be 35c, and members paying their dues with their respective secretaries shall receive a ticket for the same.

This shall be the first time in SNPJ history in Detroit that members from all lodges shall meet together.

There shall be plenty of entertainment for the old and young, so let us all show our loyalty to this great day, the 25th year jubilee picnic, by attending in full numbers from all lodges. Joseph Hilschler Jr., Mem. of Pub. Com.

The article "Jugoslavia—the Land of Contrasts" will be concluded next week.

LODGE NO. 589

Canonsburg, Pa.—It seems as though lightning struck the weak spot of Pioneer baseball team as we report a sad and true story. After playing such wonderful baseball the early part of the season, we find the team in what seems to be a slump. Fort Pitt Bridge Works beat our team in a close game and made it two defeats, score being 6 to 5. Then the strong Elmira team that beat us 1 to 0 on a previous occasion was beaten in a 10-inning game; score 7 to 6. The strong Washington County Champions of last season visited us and were also presented a defeat by our boys when they managed to come out on the long end of a 5 to 3 score.

June 8, 1929, which has been designated by the Club team routers as a red letter day, in memory of the day in which the strong Canonsburg Cubs team fought the greatest uphill battle of their existence. Every one felt certain that the SNPJ team would come out victorious in the eighth inning when we led 8 to 3—but, oh! That fatal ninth. Did our team figure that we were too far ahead to lose? Well, if they did, they've learned the lesson of their lives, for the Cubs had pronounced in full force and sent 7 runs across the plate and won the game. They've received revenge for the 10 to 6 and 8 to 9 beatings they received last year. That's that, and June 8 will be remembered as a great day by baseball followers and players. Those of our players who could not put a size seven on their heads June 7 could put a six on June 8. Also, the Cubs find some of their players wearing smaller head sizes. All of this without cold water bags.

June 9 will also be remembered by some. Bridgeport Cardinal SNPJ team had the honor of beating our team for the first time in six attempts within two years. The morning game also resembled that of the previous day, somewhat, and the Cardinals emerged with victory 5 to 3. But the afternoon game was a little different, as our team displayed real form and beat them in a 3 to 2 contest. One of the most remarkable plays ever witnessed by the fans was a fast triple play pulled off in major league style and, incidentally, this set short what seemed a certain rally for victory. After two men hit safely and were on first and second, Kinkas hit the ball for a drive, but Turk—made a one hand catch and snapped it over to Sincio and then to Hostinski, for a wonderful play. Remarks and compliments to both teams were made and, judging by the score one can feel confident that there are at least two real SNPJ teams in the East.

During the last week we again met the County Champs, Washington Shrontz Rangers, this time they could not afford to lose, so they gathered up everything that was good and beat us 7 to 2. And another tie game with Cecil A. A., 4-4. This brings us to 16 victories, 5 defeats and 2 tie games. Not so bad; could be better.

WARNING: Look out, Cleveland, we intend to see you soon. J. F. Kutch.

LOCAL ITEMS.

Springfield, Ill.—In local papers recently there was much written about school commencements. Looking through them we found that thirteen of those graduated were Slovenes and Croatians, and most of whom were children of parents in the SNPJ fold.

From the High school our Sister Anna Palla, Recording Secretary of our branch, was graduated. Miss Anna found time to take a very active part in our Lodge, without letting it affect her studies, being an honored student and playing on the High school orchestra, which was first place in the state contest, and then took part in National contest at Des Moines—failing to place, there, however.

The writer hopes these thirteen students continue their education and uphold the record of our having one or more graduated from High school every year.

From the standpoint of Slovene Sports locally, a big step forward was made last Sunday, by the formation of a Sport Club. There were not so many present at this meeting, but those who were, showed an unexpected amount of interest and enthusiasm for the proposition. The next Sport Club meeting will be held June 26 at Frank Patia's, with an open invitation to all to attend.

Not forgetting June 30, for that is the date of our "Lincolnton Stunt Picnic," you know, where we combine "Whoops" with "Domazabava" on the shady lawns and in the cool Dance Pavilion with the good old accordion entrancing. Many games. A's, yes!

An auto or more will furnish transportation from the end of East Capitol avenue trolley line on 26th street to the Grove, from 2 p. m. until 4 p. m. for those picnic bound. Lincolnton Pub. Com., Joe G. Brinocar.

"Bare" All Night.

Two bluejackets were watching the bathing girls at Atlantic City when one of them pipes up: "Do you think the girls could wear their bathing suits much smaller?" "I don't know," said his shipmate, "but there's a bare possibility."

"Horseman Captured"

Columbus took a chance, so I guess I will, too. Here it goes. I'm going to relate to you some of the latest gossip. The last of the Three Horsemen is captured and seriously wounded. Details: "Ramona's" gone, but not forgotten. Early in the morning last Saturday, while taking my morning stroll, I found what I thought was a barber's convention, but upon investigating I found that all of the eight best men, including "Ramona," were in the barber shops getting their faces doctored, etc. The only casualties that occurred were Johnnie "Sawdust" Marlett (got a piece of his toe cut off), and "Kanary" Koss (got a clean bald head instead of a permanent wave). The rest of the boys only received slight injuries.

They then rode to the "chapple," and as soon as the church caretaker has seen "Kanary" coming, he held up the wedding and called up the Construction Co. Their duty was to brace up the steeple for fear it might collapse when "Kanary" entered. After everything was well braced and in safety first of condition, the door was opened.

"Leona" Perusek and "Anglebar" Tolar started to argue seriously, as to who would buy the admission tickets. Everything was settled when "Peanuts" Tolar explained: "Admission for us Strugglers is free." They continued down the aisle and in a few short minutes the "nut" was tied.

Then "Ramona" asked if he could come back again sometime, where "Cream" makes her first debut as Mrs. Perusek by handling "Ramona" at ten yard setback. Onward they journeyed to the photographer where the "pro-file" was corrected and pictures taken.

In the evening they returned to the Slovene Workmen's Home and on entering saw "Lindy" Lokar dressed in her Sunday's regalia, looking great. The outfit suited "Lindy" very well, and it brought to our minds the days when 18th amendment was in bloom. The only mistake we noticed was that he held only one bottle (but they increased later on). The dancing and celebrating stopped at 12 when—?

During the pillow dance (pustertanz) we noticed "Tootsie" Dolak sitting on a keg of near beer weeping in distress. When asked what was wrong, she replied: "Oh, my sisters has all the luck."

Everything went fine until 3 a. m. when something happened to "Lindy." We found him directing his famous quartet in a very rough manner. "Halfpint" Spavec is the chief tenor of this outfit. Boy, you should hear them. You would think you were in heaven listening to the angels rehearsing.

At six a. m. the wedding party adjourned and with only two broken hearts in view (listed by expressions), namely, "Sawdust" Marlett and "Lindy" Lokar. The rest of the gang looked cheerful. They disappeared to their places of rest.

Next afternoon upon investigating "Ramona" found that someone stole his clothes, which were returned by two poets, because they claimed they couldn't sell them. Thus ended the capture of our gallant Horseman. Luck and joy to the happy pair! Shapeless Wonder.

Stalwarts-Illria Picnic

Kenosha, Wis.—As the summer months come slipping slyly upon us, we turn our attention to all outdoor activities—playground ball, baseball, tennis, golf, and what not. There is, however, only one outdoor recreation in which the old and the young can both enjoy and participate at the same time. And that is the picnic.

The Stalwarts again have combined with the Illria Lodge No. 38 in an attempt to stage one of the greatest picnics that the Slovenes of this city ever witnessed. The committees of both Lodges have been working strenuously for the past two months and have arranged a program that will, without a question, equal all previous ones.

The picnic will be held June 23 at McKean's Woods—a grove that is known throughout the city as the most adequate spot to suit the occasion. For the benefit of those who did not attend the Stalwarts' picnic last year, the grove is covered with approximately 1200 acres of the very best shade trees, a dancing pavilion with a capacity for 200 couples, a regulation playground ball diamond, and an ample parking space for 50 cars.

The main event of the day will be a game between Waukegan, the Midwest champs of '28, and the Stalwarts, last year's runners up. Races for the young, old, and heavies will follow immediately after the game. As an added attraction and the final event, the picnicers will wind up with the famous "Honey-moon Race." This race was first introduced into the SNPJ picnics by the Sunjars Lodge last year and, from all observations, the crowd just went wild with laughter and contented felicity.

The gate will be opened at 10:30 a. m. to all SNPJ members and their friends. The music is assured by the committee to be entertaining to the highest degree. And the refreshments will be none other than the finest—the kind that have plenty of vim, vigor, and vitality, if you want to call it such. Now with such an account of what the picnic will be, how can anybody resist from going? John E. Meuser, Sec'y.

PICNIC OF LODGE 608.

Kenosha, Wis.—On June 23 the Stalwart and Illria Lodges will hold a joint picnic at McKean's Grove. The park is an ideal place for such an outing, affording plenty of shade, spacious grounds, and an excellent dance pavilion. The big event of the day will be a game with Waukegan. The Stalwart lads have been practicing for several weeks and will play the visiting team a hard game. Several races have been planned in which the young and old can participate. One race that is expected to cause much merriment is called the "Honey-moon Special." Come and go home with a light heart. Dancing will follow with two accordions furnishing entrancing tunes. If good weather prevails throughout the day, you may be assured of spending the day with us wisely and without regret. Arthur A. Niemi.

TOUGH BUT CALM

It seems that no one is going to mention his stay in Chicago during convention time, and since no Strugler is writing anything, I decided to give a brief synopsis of my visit and sojourning in the so-called "Garden of Paradise."

My visit to the Chicago dungeons of those desperate men was a thrill. The cheerful greetings were great. When accepted as their guest, I became scared and worried a bit, and felt as if I was doomed to go to—, but it turned out all right. To be sure, I was introduced to no greater personages than "Scarface Al" and many of his associates. Among them were also "Trailer," "Lonesome Luke," "Peanuts," etc.

The first stronghold they have taken me to was the home of the "Big Three," composed of three damsels. They've treated me like a prince. They've taken me to the Cook county Criminal building and jail, which, by the way, is one of the largest of its kind in the country. It was there and then that I met some of my former pals now kept under ground. They've placed me in the cell on the 12th floor, formerly occupied by a desperate boy, my warm friend of the days gone by. He was happy in his abode, and, in fact, he confided to me that he much rather stays up there than he would in the basement. For, he said, in that way he is much closer to the heaven. I agreed.

Our next stop was the famous little town Cicero, one of the best suburbs of the "Windy City." There we have had the opportunity to witness the manufacture of machine guns, bullets and all other protective instruments of human ingenuity. Marvelous, simply marvelous. Ye Got! What they can all do in Chicago—and in Cicero! You'd be surprised.

Well, to make a long story short, I was then ready for my departure, and my pals "spirited" me to the La Salle street station, where they've "quizzed" me into a fast express bound for the calm and peaceful city of Cleveland. At the same time my pals' sincere wish was that I'd soon return while "Scarface Al" is in the pen, so that they can appoint me his successor. I was of a different opinion, however, and told them that the Strugglers in Cleveland need me and that I need them. So they agree to grant me a 60-day leave of absence.

My sincere regards and best wishes to my Chicago pals, hoping to see you all in the near future, the middle part of the next month.

Johnnie "Lindy" Lokar.

"THREE MILE LIMIT"

Waukegan, Ill.—Three Mile Limit is to be a new column conducted by one self-named "Billie," for the sole purpose of entertaining the average reader's mind after a solid day of toil. So, gentle readers, take my articles fight-hearted and with a smile.

A. Calcareo, or, rather, to personal friend like me, you are just Tony. Your article of last week is to be commented on. We have been aware of the fact that our teams were pretty nifty, however, it took some one like you to tell the universe about them. Nice work, kid, and don't forget you promised us more! It is my idea that you and I should collaborate and "show up" these women folks, there is a saying which runs something like this—"It takes a man every time." — By the way, one of our chief duties would be to find out why Mary Agnes Rodnik changed her mind so suddenly about leaving us. Do you suppose it could be for the same reason that "On Wisconsin" is her favorite song?

Far be it from me to class myself as a poet, but how can one help it if he has talent and nature gifted him with the ability of rhythms such as: "Among us we have a girl named Ann, whose delight it is to come home with the milkman."

To-night is the night of the Second Annual Wiener Roast, sponsored by the Little Fort Lodge. Each and every member should be present at the meeting with short and snappy statements, so we can adjourn early and drive out to the "sticks." Mary "Dee" has charge of all the refreshments and, from sideling reports, there is to be a generous supply. Don't let a golden opportunity of feasting out in the open pass you by!

It will be but a waste of time for my readers to make any attempts to find out who I am, as my name shall stay "under cover" for an indefinite time.

RULE II.

Fair and Foul Ground. The foul lines shall be drawn in straight lines from the outer corner of the home plate, along the outer edge of the first and third bases to the boundaries of the grounds so that the bases shall come within the diamond. All space inside of these lines shall be considered "fair ground" and all space outside of these lines shall be considered "foul ground."

RULE III.

The Ball. The ball shall be 16 inches in circumference not less than 8 ounces nor more than 8 1/2 ounces in weight, made of a yielding substance covered with a skin. Should the ball become ripped or torn during the game, a new one shall be substituted. The official ball is the "Ranch No. 110," 16-inch in seam indoor ball.

RULE IV.

The Bat. The bat shall be 2 1/2 feet long, not more than 2 inches in diameter at the largest part, and shall be made of wood. Under no circumstances shall metal be used to give weight to the bat.

RULE V.

The Players. Ten players shall constitute a side. The players' positions shall be such as shall be assigned them by their captain, except that the pitcher shall take his position within the pitcher's lines as defined in Rule VI, while in the act of delivering the ball to the bat. There shall be three outfielders, right, left and center; right and left shortstops; three basemen and the battery (pitcher and catcher) making ten players on each side.

RULE VI.

The Pitcher. The pitcher shall take his position facing the batter, with both feet on the pitcher's plate, and when in the act of delivering the ball to the bat must keep one foot in contact with the pitcher's plate. He shall not take more than one step in the act of delivering the ball to the bat, but he shall not be restricted as to curving the ball. The arm, however, must be swung parallel with the body. Before delivering the ball to the bat the pitcher shall hold it fairly in front of his body and in sight of the umpire.

Note.—In the preliminary movement of the pitcher, the arm does not have to be swung parallel with the body, but only on the final swing when delivering the ball to the bat.

RULE VII.

The Game. A game shall consist of nine innings for each contesting club, unless the side first at the bat scores less runs in nine innings than the other has scored in eight innings, in which case the game shall terminate; or, if the side last at the bat in the ninth inning scores the winning run before the third man is out, in which case the game shall terminate.

RULE VIII.

A Tie Game. If the score is a tie at the end of the ninth inning, play shall be continued only until the side first at the bat shall have scored one or more runs than the other side in an equal number of innings, or until the other side shall score one or more runs than the side first at the bat.

RULE IX.

A Forfeited Game. A forfeited game shall be declared by the umpire, in favor of the club not at fault, at the request of such club, in the following cases: 1. If the entire number of players necessary to constitute a team fails to appear upon the field, or, being on the field, fails to begin the game within thirty minutes after the umpire has called "Play" at the hour appointed for the beginning of the

game, unless such delay in appearing or in commencing the game is unavoidable.

2. If, after the game has begun, one side refuses or fails to continue playing, unless such game has been suspended or terminated by the umpire.

RULE X.

Substitutes. The base runner shall not have a substitute run for him without the consent of the captains of the contesting teams. If the substitute is not already in the lineup, the base runner must retire from the game.

RULE XI.

Choice of Innings. Home team has choice of innings, except in final or semi-final games, when choice is made by flipping a coin.

RULE XII.

Good and Bad Balls. A ball, legally delivered by the pitcher, which passes over any part of the home plate, not lower than the batsman's knees nor higher than his shoulders, is a good ball. Any other ball delivered to the batsman is a bad ball, it being assumed that the batter is standing in an erect position.

RULE XIII.

Balks. A motion by the pitcher to deliver the ball, whether he is on the plate or not without doing so or holding the ball so long as to unnecessarily delay the game, constitutes a balk.

RULE XIV.

Illegal Balls. Preliminary to pitching, the pitcher shall take his position facing the batsman, with both feet on the pitcher's plate, and in the act of delivering the ball to the bat shall keep one foot in contact with the pitcher's plate, as defined in Rule VI. He shall not raise either foot until in the act of delivering the ball to the bat, nor take more than one step in such delivery.

RULE XV.

Dead Ball. Any pitched ball striking the batter is a dead ball, but does not entitle him to a base. If the batter intentionally gets in the way of or interferes with any legally delivered ball, a strike shall be called. If it should be the third strike, the batter is out, and no base can be run on that ball. Exception—If a pitched ball strikes the ground and then strikes the batter a ball shall be called.

RULE XVI.

Not in Play. In case of a foul strike, foul hit ball not legally caught out, dead ball, or base runner put out for being struck by a fair hit ball, the ball shall not be considered in play until it is in the hands of the pitcher standing in his box.

RULE XVII.

Block Ball. A block ball is a batted or thrown ball that is stopped or handled by any person not engaged in the game.

1. Whenever a block occurs, the umpire shall declare it; base runners shall not be allowed to run the bases, but must stop at the last base touched until the ball has been returned to the pitcher and the umpire calls "Play."

2. Special ground rules may be made allowing a certain number of bases on a fair hit into the crowd (or a thrown ball) in which case the above sections are void.

RULE XVIII.

The Scoring of Runs. One run shall be scored every time a base runner, after having legally touched the first three bases, reaches the home plate before three men are put out. If the third man is forced out, or is put out before reaching legal base, a run shall not be scored.

RULE XIX.

Fair and Foul Balls. 1. A batted ball which strikes in-side or on the foul line is fair, the first point of contact with the ground, object or fielder deciding, regardless of where it afterwards rolls.

2. A batted ball first striking outside the foul line shall be foul.

3. A foul ball is a strike, except after two strikes, unless it be caught.

RULE XX.

Foul Strikes (Illegal Hit). A foul strike is a ball batted by the batsman when any part of his person is on the ground outside the lines of the batsman's position.

The hope of the world is in the younger generation. Civilization can only be saved by its children, and not by them if they are brought up like their elders, in the same narrow way. —Philip Gibbs.

Only those people who start something can fail. The failure then has some satisfaction in knowing he tried—and trying is no disgrace though the attempt be a failure.
