Narodni dan SNPJ v Clevelandu

Narodni dan SNPJ je skoro tu. O tem letnem slavlju članstva Slovenske narodne podporne jednote je bilo že precej dopisov v Prosveti. O njem so že pisali Petrovich, Barbič, Jankovič, Stokel, Terbižan, sestri Jerič, Spilar, L. Medvešek in nekateri drugi in jaz ne vem, kaj bi še pristavil, da bi pomagalo do večje udeležbe.

Ugotoviti moram, da so pripravljali odbori pridno na delu. Odborom načeljuje Petrovich, Lisch, Zarnik, Stokel, L. Medvešek, Zorman in sestra Jerič. Njih imena jamčijo, da se bo velika priredba izvršila v najlepšem redu.

Program je sledeči:
 V soboto, 5. septembra, je sprejemni večer v Narodnem domu na St. Clair Ave., kjer se bo vršil ples. Za ples bo igral najbolj popularni slovenski orkester v Clevelandu, ki je poznan tudi drugod. To je Peacock orkester.

V nedeljo, 6. septembra, se vrše tekme za prvenstvo, popoldne pa se vrši krasen program v auditoriju Narodnega doma na St. Clair Ave. Na tem programu bodo sodelovali izključno člani mladinskega oddelka SNPJ. Podali bodo nad dvajset točk, in sicer pevskih, glasbenih, plesnih etc. Navzliv mnogim točkam pa program ne bo trajal več kot dve uri in pol.

Govorniki bodo trije: Math Petrovich, ki bo pozdravil navzoče v imenu federacijskih odborov in nato predstavil gl. predsednika Vinka Cankarja. Drugi govornik pa bo priljubljeni in simpatični clevelandski župan Frank Lausche. On bo govoril v slovensčini, katero dobro obvlada. Po programu se vrši ples, za katerega bo zopet igral John Peacock.

V ponedeljek, 7. septembra, se vrši skupna seja, forum in kosilo. Vršil se bo tudi lep pevski program, na katerem bodo sodelovali priznani clevelandski pevci in pevke. To priredbo bo vodil Cam Zarnik, drugi gl. podpredsednik SNPJ.

Bratje in sestre SNPJ! Narodni dan SNPJ se letos vrši v drugačnih razmerah kot druga leta, a zato ne sme biti nič manj uspešen in nič manj pomemben! Odbor je storil svoje in vse lepo pripravil, vi pa storite svojo dolžnost, namreč da se v velikem številu udeležite tega slavlja in tako pokažete, da je v vas vedno veliko zanimanja za našo veliko SNPJ.

Posetniki bodo imeli ob tej priliki priložnost ogledati si prvo razstavo Slovenskega narodnega muzeja, ki se bo tudi vršila v Narodnem domu na St. Clair Ave. Ta razstava bo sicer skromna, kot so skromne vse stvari malih narodov v tujini, a toliko bolj pomembna, ker bo pokazala naše prizadevanje na kulturnem in društvenem polju v zadnjih 50 letih.

Na gotovo svidenje 5., 6. in 7. septembra v Clevelandu!
Milan Medvešek.

Na dneve SNPJ bo veselo
 Cleveland, Ohio.—V sredo, 19. avgusta, smo zopet zborovali odbori, ki imamo v rokah priredbo treh dni SNPJ 5.-6.-7. septembra v naši metropoli. Ko je že prej prišlo na tega dopisnika vprašanje po predsedniku odbora, kaj imam poročati o dnevu SNPJ, je bil odgovor: Saj lahko čitate v Prosveti. Oglasil se je tajnik federacije Joseph Terbižan, ki je smatral da vodi moje poročilo naše posetnike v drugo mesto, to je v Chardon!

meni znano (ker ne delam kopij), sem zapisal "do Chardon ceste", katera se imenuje "Route 6" in ne "City of Chardon", ki leži štiri milje še naprej od federacijske farme SNPJ.

Kdor se bo pa držal tega, kakor je zapisano: "Obrnite na levo, ko pridete do ceste številka 6 ali Chardon ceste po cesti 91 iz Twinsburga ali 14. ceste," bo moral priti v Cleveland ali na Euclid ave., kakor je poročano v Prosveti v št. 162 z dne 17. avgusta. Torej so far so good! Če bi kdo hotel v Chardon, bi moral seve zaviti na desno.

Danes sem čital oglas za zganje, ki se je glasil: "Clear heads choose America's favorite Whiskey C..." Po naše bi se to glasil: "Treznina glava se najraje odloči za dobro poznano ameriško zganje C..." Da, sem si mislil, ampak, kadar je steklenica prazna, niso te glave več trezne in ne vedo, kako odločajo in kaj je dobro.

No, kaj pa smo sklenili radi pijače? To je važno vprašanje za one, ki bi radi vedeli, če bo kaj v steklenicah. Yesser! V soboto bo imel baro v oskrbi sam Anton Vavpotič, ki je bil tudi delegat 12. konvencije (SSPZ) in Anton bo gotovo vedel, kakšno postrežbo hočejo posetniki iz tujih držav naše ameriške Unije. Reklji so tudi, da bo precej bartenderjev točilo take pijače, ki spadajo na veselicu ali dneve SNPJ. In v kuhinji bo imela vsa oskrba mrs. Frančekin, ki je članica Sokolic št. 442. To je vse, kar vem za soboto.

V nedeljo pa bo glavni točaj Krist Stokel, podpredsednik 12. konvencije SNPJ. On tudi ve, kako se mora servirati našemu človeku, da bo zadovoljen. Listke za nabavo pijače boste lahko kupovali pri Tratnikovi, popoldne pa na navozu sam Ludvik Medvešek, ki bo upokojen ob petih ali šestih in nadomesti ga mrs. Zaman, žena delegata 12. redne konvencije SSPZ.

Naš Jože Durn bo prodajal v nedeljo popoldne vstopnice in mrs. Žerovnik, tajnica Sokolic, pa zvečer.

Ignatz Rugelj bo glavni vratar v nedeljo. Milan Medvešek se je tudi prijavil. Karl Samanič in Toni Slinčič imata gotovo dela menda tudi pri vratih (vsaj tako imam zaznamovano).

V ponedeljek bodo razne razprave ali forum in potem "Victory Dinner", ko bomo že zbili Japonce. Čemu bo "zmagovalna južina", boste izvedeli od Camilusa Zarnika, kojega naloga je, da vas nasiti, kakor sin tesarja, ki je nalomil par hlebov in "spohal" nekaj rib za pet tisoč ljudi. Če se bo to posrečilo Zarniku, potem bo velikanski dobiček v blagajni federacije.

V torek bodo pa "mački" za one, ki se bodo preveč zanimali za "lukusus", ki ga priporočajo "clear heads", ampak proslava pa bo le.

Kdaj boste mene videli, ne vem jaz, niti moj "bos" ne; kakšen "run" mi bodo določili za nedeljo, 6. septembra, bomo videli. Ampak tam pa le bom! In želim vas videti.

Vedite, ker mi usoda ni bila naklonjena, da bi bil bogat, zato delam, a kljub temu me veselijo in vidim vesele ljudi, posebno izven naše metropole.

Če bo do takrat še kaj treba poročati od moje strani, bom poročal. Saj nekaj vas je le še, ki pogledate pod podpisom, če je "ta pravo" ime. In prav je, če urednik preplonka ime na vrh, ker tam je glava.
Frank Barbič.

Vsi in vse v metropoli na SNPJ Day!
 Cleveland.—Bratje in sestre velike Slovenske narodne podporne jednote! Blizu se čas naše velike proslave. Ali ste se že odločili, da pridete v našo metropolo 5. in 6. septembra na dan SNPJ? Upam, da ste se vsi, ki ste zdravi in ako vas nujno delo ne zadržuje ali kaka druga nujna zadeva. Malo nujna zadeva pa bi ne smela priti v poštev, kajti clevelandsko članstvo, posebno pa oni, ki so se priglasili za delo, vas pričakuje in se še vedno prijavljamo.

Torej pridite, bratje in sestre in drugi rojaki od blizu in daleč, da vam postrežemo. Radi storimo se tudi ni bati, kajti imamo pripravljene tudi močne Ribničane. Ako bi kljub temu ne mogli vsi v Slovenski narodni

dom, vas bomo pa odpeljali v SDD ali pa na izletniške prostore SNPJ, čeprav ob tej priliki ne bo piknika na teh prostorih. Radi vojnih razmer (procednih sredstev) smo morali prečrtati naš prvotni načrt.

Posebno pa velja to moje povabilo mojim dobrim prijateljem v naselbinah, katere sem obiskal zaporedoma leta 1939, 1940 in 1941. In te so La Salle, Oglesby, Peru, Chicago, Waukegan-North Chicago, Milwaukee, Sheboygan in Kenosha. Največ veselja imam do mojih prijateljev v La Sallu, Oglesbyju in Depuevu. Mogoče boste rekli, zakaj ima "večni popotnik" najbolj na piki ravno te naselbine. Well, tam smo se imeli prav izvrstno leta 1939. Proslava se je sicer vršila v La Sallu, ampak Oglesby, Depue in druge naselbine so delovale skupno. Ej, podpisani ne bo pozabili do smrti, kako je bilo lušno. Samo preveč je bilo vroče in moja družba iz metropole se je bridko pritoževala, ker ni mogla spati. Družba pa je bilo v vseh ozirih izvrstno, skoraj tako kot v Strabanu leto pozneje (Strabančanov tudi letos ne bo manjkalo v Clevelandu).

Torej moji prijatelji in odborniki družite, kot Frank Martijani, Vinc Obed, Frank Kotar, Leo Zevnik, Frank Udvanc in Fred Malgai, ki bo gotovo nosil zastavo kot član gl. nadzornega oddelka, upam, da se vidimo. Ti, Fred, povabi vse rojake v La Sallu in okoliških naselbinah. Vsi vi, stare korenine pri SNPJ in v delavskem gibanju, organizirajte vse okoli in povabite na pomoč še Franka Nadevšnika, Krnca, Hodkota, L. Višnikarja in vašega koncilmana (če je še) br. Pavliho. Seveda morate pripeljati s seboj tudi svoje ženice, kajti brez ženskega spola ni nikjer prave zabave. Za bečlarje samostojnike kot so Frank Petek, Matič Bergles, Maček in Anton Džič pa imamo pripravljeno dekleta, ki so "za devet". (Kar "večnemu popotniku" se priporočilo, pa se bo mogoče kaj dobilo brez provizije—samo par "železnih" bo zadostovalo.) V Depuevu se priposodim stari korenini Vincentu Omahnu, dalje tajniku in gostilničarju Mathu in Petru, ki bodo organizirali vso naselbino.

Kaj pa na ameriški Vrhniki? (Waukegan-North Chicago.) Tam pa povabim Rudeta Skalo in tudi njegova korajžna Rozi mora priti z armado drugih tamkajšnjih rojakov in rojakinj. Rudi in Rozi, ne bom pozabil vajine postrežbe, ko sem večkrat pri vas prenočeval. Želim, da vam tudi jaz in moja Cilka malo povrneva, kakor tudi če več drugim. Le pridita in mi prej naznanita.

Dalje naj se pridružijo dr. Andrey Furlan, Nace Jereb, oba Žagarja, F. Kucler, poslovodja zadruge Matt Ogrin, Brencel, Zakovšek, Možek, Nagode, oba Bartelna, Grobarjevi, čevljar John Gantar, Tone Gasar, Kavčnik in vsi Meseci, da se boste pogovorili z Mattom Mesecem in drugimi metropolskimi vrhnici. Tudi vi pripeljite s seboj svoje boljše polovice in še druge rojake, kajti imate veliko svojih sorodnikov in prijateljev v Clevelandu. In sedaj se vam nudi prilika kot nalašč.

Kaj pa velika vas Chicago? Tam pa bodo organizirali vse skupaj glavni odborniki in izvršni uradniki pa uslužbenci SNPJ. Ne smem pozabiti mojih dobrih pa veselih prijateljev Franka Bizjaka in "strica" Franka Tavčarja. Pa tudi Tone Garden naj pokaže, kaj ga je potegnilo, da je okleval v svojem bečlarskem stanu. Vi trije poskrbite za zastavo in organizirajte v vašem slavnem krogu take, ki so za ponočnjaško krokanje, za katere ne bo treba prenočiti v postelji. (Bingo!)

V Milwaukeeju pa bodo skrbeli večni tajnik društva 16 Frank Perko (pri katerem prenočim in sem izvrstno postrežen), dalje stare korenine France Puncar, Jože Vidmar in Louis Ambrozij. Poleg vaših žena naj vam pomagajo organizirati skupino vse Kristine in tudi ne smemo izostati one, ki sližijo na ime Mary ali Marička, Johance in druge, posebno pa ne Musičeva. Pa tudi želim, da priklenka vaš stalni zastopnik Lojze (tudi zanj imam "punco za devet").

V Sheboyganu bo pa menda skrbel moj dobri prijatelj in "boarding boss" Martin Jelenc s pomočjo Franka Stiha in tajnika društva 334 in njegove žene Frances Milostnik. Za Detroit pa ne skrblimo preveč, ker bodo gotovo skrbeli za dobro reprezentacijo Peter Benedikt (zastavonoša), Andrew Grum, Rudi Potočnik, Mentoni, Gorup, Travnik in pa Tone Jurca, ki ima sorodno delo kot zdaj "večni popotnik". Leo Junko, pravi bojevnik, bo pa vse skupaj priganjal s palico. V Strabanu, kot sem slišal, je pa že vse pripravljeno, tako tudi v več drugih pennsylvanski naselbinah. Za Ohio se pa ne bojimo. Jože Jež bo vse priganjal, ker obenem bomo proslavili tudi ohijski dan SNPJ. Torej pozdravljeni in pridite!

Anton Jankovich.
Publiciteta dneva SNPJ
 Cleveland, O.—Včeraj je bila sobota. Dasi je nekaj narobe z našo pošto, da nisem prejel povabila na sejo federacije, sem se kljub temu udeležil, ker vem, da je ta seja vsako četrto soboto. In to radi tega, ker se bliža naš dan SNPJ, ki nam bo prinesel goste z vseh vetrov Združenih držav. In če bi na to vsakdo pomislil, bi bila naša seja obiskana v veliko večjem številu, kakor pa je bila, ker udeležba je bila piskava. Če ne bi bili štiri gl. odborniki navzoči, skoro ne bi bilo kvoruma za to sejo. Pa smo poročali oni dan v The Cleveland Pressu, da imamo 28 družtev v Clevelandu, v sled česar bi moralo biti navzočih 56 zastopnikov!

Gotovo bo kdo rekel, kje si pa bil ti prej? To vprašanje je neumestno, če ima Cleveland, kot se rad ponaša, nad 5000 članov SNPJ v oddelku odraslih. Ti bi ja lahko pošljali vsaj trideset zastopnikov na vsako mesečno sejo, da ne bi bilo tako prazno na seji. Ker jih ni bilo tam, so morali oni, ki so bili navzoči, razpravljati, kako dobiti večje število zastopnikov na seje clevelandске federacije SNPJ.

Bili so navedeni razni vzroki radi slabega obiska, posebno dolga in vsakdanja dela, ki jih morajo opravljati delavci sedanje dni. Vzrok je bil tudi premešana seja s četrte nedelje popoldne na četrto soboto zvečer, ko gre mladina rada plesat in stari gredo s svojimi boljimi polovicami v kinogledališče, ker so se modernizirali. Tudi naš Joseph Durn je imel vzrok, da sedaj ne more prihajati, mora pa biti upoštevan, ker Jože ima "variety" trgovino, ki je ob sobotah odprta do pol desetih zvečer. Ampak Jože se je kljub temu udeležil te seje, ker se zaveda svoje bratske dolžnosti in nadomestovalega je Mary v trgovini za časa njegove odsotnosti. Radi tega se apelira na vse one, ki so prevzeli dela za dan SNPJ pri svojih družtvih, da se odzovejo, da bomo lahko postregli našim oddaljenim gostom, da nas ne bodo kritizirali pozneje, kako slabo so bili postreženi v Clevelandu.

Na društva bi tudi apeliral, da pošljejo na sejo federacije svoje zastopnike in če ni drugače, naj jim povrnejo vsaj voznično, recimo pol dolarja ne bilo preveč. Morda bo potem boljji odziv.

Govorilo se je tudi, da se mladina ne udeležuje, ker ji ni ugodno, kadar prinaša zadeve atletike na dnevni red. Kar se tiče tega dopisnika, mu ni nikoli ugodno, pa najsi bo kar koli na sejah; če bi se oziral na to, bi ga nikdar ne bilo na sejo. Glavno je, ali te potrebujejo na sejah ali ne, in če te ne si sprejel, potem vrši svoje dolžnosti.

Torej ne pozabite dnevoev SNPJ 5.-6.-7. septembra, ki se vrše v naši metropoli na East 64th in St. Clair Ave. Vsi oni, ki nimate poznanosti, se prijavite, da boste imeli kje spati. Ludvik Medvešek je oni, ki bo sprejel vaše prijave in vam določil prostor. Naslov je: Ludvik Medvešek, 6409 St. Clair ave., Secretary Lodge 5, Cleveland, O. Če bi izgubili to Prosveto, pogledjte v imehik glavnih odbornikov in dobite naslov Milana Medveška, naslovite nanj in on bo oddal očetu Ludviku.

Torej vsi člani SNPJ v Clevelandu (ti John Sorc tudi), pridite in pokažite, da boste pomagali

do uspeha dneva SNPJ in potresti gostom, bratom SNPJ in drugim posetnikom v vseh ozirih. Odzovite se pozivu na delo povsod, kjer vas potrebujejo.

Frank Barbič član odbora za publiciteto dneva SNPJ.

Določbe naše kampanje zmage

Kampanja zmage SNPJ ima dvojni namen: 1) povečanje članstva jednote in 2) povečanje bojnih sredstev Združenih držav za dosego zmage v sedanji vojni.

Kampanja se vrši za pridobivanje članov v oba oddelka SNPJ in traja od prvga dne marca 1942 do zadnjega dne februarja 1943.

Kampanja je odprta vsem društvom in posameznim članom SNPJ in vrši se po vsem področju jednote na ta način, da so društva grupirane po podpredsedniških distriktih jednote, katerih je šest, vsak distrikt je pa razdeljen v države, iz katerih obtoji: na ta način so v teku tri tekme: splošna, distriktna in po državah.

Voditelja kampanje zmage sta gl. predsednik Vincent Cankar, ki je predsednik kampanje in Mihael Vrhovnik, direktor mladinskega oddelka, ki je direktor kampanje, nato pa pridejo distriktni podpredsedniki iz gl. odbora kot pokrajinski direktorji in končno društveni tajniki ter posamezni člani. Dolžnost vseh teh je, da kampanjo oglašajo in organizirajo vsa možna pota in sredstva za povečanje članstva v društvih in mladinskih kroških ter povečanje aktivnosti jednote.

Zmagovalci na splošno, po distriktih in po državah bodo določeni na sledeči način: društvo SNPJ, ki dobi v teku te kampanje največje število novih članov, bo zmagovalec v kampanji zmage SNPJ na splošno; društvo SNPJ, ki dobi največje število novih članov v svojem distriktu, bo distriktni zmagovalec; društvo SNPJ, ki dobi največje število članov v svoji državi, v kateri je pet ali več društev SNPJ, bo zmagovalec v kampanji zmage po državah. Na enak način bodo določeni posamezni člani z zmagovalci in vsak tak zmagovalec bo upravičen do nagrade, kakor je določeno v naslednjih vrstah.

Vse kampanjske nagrade v tej kampanji morajo biti izplačane v formi federalnih obrambnih dolžnic (bondov) in znakm raznih denominacij kot sledi:

	Društvo	Posameznik
Prvi zmagovalec na splošno	\$100.00	\$50.00
Drugi zmagovalec na splošno		50.00
Distriktni zmagovalec	50.00	50.00
Zmagovalec po državah	25.00	25.00
Mladinski krošek na splošno	25.00	

Poleg gornjih nagrad jednota izplača še sledeče POSEBNE nagrade posameznim tekmovalcem ali netekmovalcem, ki v teku kampanje dobe nove člane kot sledi:

Za vsakega mladinskega člana za vsako zavarovanje	\$1.00
Za vsakega odraslega člana za \$250 zavarovalnino	1.00
Za vsakega odraslega člana za \$500 zavarovalnino	2.00
Za vsakega odraslega člana za \$1000 zavarovalnino	4.00

Najmanjše število novih članov, ki jih dobi društvo ali posamezni član za dosego nagrade po državah, distriktih ali na splošno v kampanji zmage SNPJ mora biti pet in dvajset (25), bodisi odraslih ali mladinskih članov ali obojih skupaj.

Mladinski člani, ki prestopijo iz mladinskega oddelka v oddelak odraslih in se zavarujejo za \$500 ali manj smrtnine, ne štejejo v tej kampanji kot novi člani, ampak oni mladinski člani, ki se ob prestopu iz mladinskega v oddelak odraslih zavarujejo za več kot \$500 smrtnine, bodo prišteti kot novi člani. Višja smrtninska zavarovalnina se računa kot nov član in društvo ali posameznik, ki pridobi mladinskega člana za oddelak odraslih, dobi popolen kredit za to.

Tekmovalci so upravičeni do redne kampanjske nagrade šele potem, ko je od njih pridobljeni član vplačal tri assemente, gl. izvršni odsek pa sklepa, če se nagrada izplača v teku tega časa. Nagrade na splošno, po distriktih in po državah se izplačajo tri mesece po zaključku kampanje zmage.

Zdravniško preiskavo novih članov plača jednota, in sicer do zneska \$2.00 za odrasle člane in do 50 centov za otroke. Zdravniška preiskava za otroke se pa po zakonu ne zahteva nikjer razen v državi Ohio.

Društva in posamezni člani, ki hočejo tekmovali v kampanji zmage SNPJ, naj se prijavijo kampanjskemu direktorju Mihaelu Vrhovniku, kateri jim pošlje zadevno listino. Vaak tekmovalci, ki se prijavijo, naj pokaže svojo sposobnost s tem, da priloži prijavi prošnjo novega člana, katerega je dobil. Tekme se lahko udeležijo člani mladinskega oddelka kakor oddelka za odrasle.

Posamezni tekmovalci morajo vpisati nove člane v društva svojega distriktu, v katerem stanujejo, drugače ne bodo deležni kredita. Kredit za nove člane se ne bo prenašal, ko ga enkrat prejme in vpisje glavni urad jednote.

Vsak društveni tajnik ima dolžnost, da s prošnjami novih članov obenem pošlje imena in naslove tekmovalcev, katerim gre kredit za pridobljene člane.

Vsak tekmovalec v kampanji zmage in vsak nov član, pridobljen v tej kampanji, je upravičen do posebnega znaka (campaign pin) kampanje zmage SNPJ.

Geolo te kampanje je— POMAGAJMO AMERIKI Z NOVIMI ČLANI ZA SNPJ!

Naša akcija po vojni

Zmaga Amerike in zaveznikov nad nacifašističnim očitcem pride prav gotovo, vprašanje je le, kdaj pride. Medtem, ko se vojna vrši in ko naši mladeniči in mlajši moške odhajajo drug za drugim na bojišča, je potrebno, da mi starejši razpravljamo o zadevah, ki nujno nastopijo z zmago Združenih narodov.

Prej ko kaj drugega pride po zmagi rehabilitacija osvobojenih dežel. To bo prva zadeva. Evropske dežele, iz katerih bodo nacifašisti izgnani ali se prej pobegnejo, bodo na robu kasa. Prebivalstvo, kolikor ga bo še doma, bo izstradano in klase ga bodo bolezni. To prebivalstvo bo moralo biti najprej nasičeno, oblačeno in dobiti bo moralo streho, da lahko v varnem zavetju okreva.

To bo prva naloga Amerike same poleg vseh privatnih pomožnih akcij, med katerimi je tudi naš Jugoslovanski pomožni odbor, slovenska sekcija.

Amerika je edina, ki bo v stanju dati takoj potrebna živila za izstradana ljudstva Evrope in Azije, dati potrebna zdravila za prvo pomoč in obleko, toplo odejo ter druge najnujnejše potrebščine, ki so absolutno neobhodne za ohranitev življenja. Amerika naravno ne bo čakala konca vojne. Čim se odpre invazija evropske celine in čim bodo morja očiščena od sovražniških podmornic, bodo ameriški parniki takoj odpluli, naloženi z živili, zdravili in drugimi potrebščinami; te zaloge bodo sledile zmagovitim armadam in takoj bodo dostavljene v osvobojenih krajih. Nujne potrebščine bodo gotovo poslane v tovornih letalih.

Čim pa bodo osvobojeni ljudje za silo postavljeni v normalno življenje, tako da bodo organizirali časno politično oblast in sami sodelovali v nešteti obnovitvenih akcijah, bo njihova prva skrb, da najdejo svoje. Nasilno izseljene in povsod razproščene ljudi bo treba poiskati in spraviti domov. To ne bo lahko delo.

Vzemimo Slovenijo. Morda do pol milijona naših ljudi se bo nahajalo ob zmagi daleč od svojega doma. Oni, ki so v Srbiji, bodo vsekakor prvi prišli domov. Transportacija teh ljudi, zlasti bolnikov, bo težka stvar; za ta posel bo vsekakor potrebna posebna akcija s pomočjo Rdečega križa in pomagati bo morali ameriški denar. Še težje pa bo dobiti domov tisočere izgnance, ki so jih nacijaki dvijaki odvlekli v Nemčijo, na Poljsko in nekam v Rusijo, kolikor bo sploh še živih in toliko pri zdravju, da bodo mogli na pot.

Obnova vsega življenja bo zahtevala silnega dela in trte. Ljudje, ki jih svoboda najde doma, ne bodo zmogli tega dela. Vzemimo le eno obnovo—obnovo šole. Slovenska šola je danes uničena. Računajmo z gotovostjo, da učiteljev, ki ostanejo pri življenju, ne bo pet ali deset odstotkov. Ali bo šola čakala, da se najolajajo novi učitelji? Kdo jih bo nadomestil?

Skrbni ljudje se že danes bavijo s tem vprašanjem. Poljaki so že toliko dosegli, da se že danes v Ameriki vežbajo poljski učitelji—v Ameriki rojeni—ki pojdeto po osvoboditvi na Poljsko, da obnove šole. Čehi tudi delajo silne načrte.

Vse kaže, da je imel Lojze Adamič prav s svojo idejo "Two-Way Passage," sicer ne tako, kakor si je on to zamislil, ampak v nekem oziru bo na njegovo. Evropski emigranti v Ameriki bodo res morali do neke meje sodelovati pri obnovi stare domovine, kjer so bili rojeni. Morda bo potrebno, da se vrnejo v svoj kraj posamezniki, ki so strokovnjaki ali intelektualci vsaj zdaj, da nadomestijo sposobne moči v tem ali onem oziru; morda bo potrebno, da se vrne na stotine starih priseljencev in potrebno bo tudi, da pojde tja na stotine sinov in hčera priseljencev.

Če je za Poljake praktično, da že šolajo v Ameriki bodoče poljske učitelje, bi moralo biti to praktično tudi za Slovence. Mi imamo tukaj veliko število mladih učiteljev in učiteljic, ki ameriške generacije, ampak nesreča z njimi je, da razumejo le malo ali nič slovenskega jezika, kateri je prvi pogoj za slovenskega učitelja v starem kraju. Potreben je torej poseben tečaj, ki bi pripravil naše učitelje za njihovo nalogo v stari domovini, kolikor se jih priglasi za ta posel.

Toda še prej, predno bomo resno mislili na učitelje in druge sposobne moči, bo potrebna obnova zdravia in zdravih stanovanj. Tukaj bo naš pomožni odbor poklican na sodelovanje in čakati ne bo smel niti en dan. Kako pa si zamisljamo pomožno akcijo tega odbora? Ali morda mislimo, da bo pošiljal reči v zavojih po pošti—kakor mislijo oni nativni rojaki, ki pravijo, da bodo "se sami pomagali svojim, kadar bo pot odprta"? Radovedni smo, koliko jim bodo mogli pomagati na svojo pest!

Da bo pomoč količkaj izdatna—da ne bo pomožna akcija izgledala skrajno mizerna in smešna—bi moral pomožni odbor naložiti takoj kar celo ladjo srednje tonaže s potrebnimi in jo poslati v Susak in Trst, tam pa bi že morala biti na mestu posadka, ki bi odpeljala blago z avtotruki na vse tarani.

Ali računamo z akcijo te vrste? Če računamo, se silno smešimo, ako mislimo, da bo zadostovalo \$25,000 ali \$50,000. Treba bo najmanj sto tisoč dolarjev!

Kdo nam bo pa dal sto tisoč? Mar nam bo dal predsednik First National banke v Chicagu ali New Yorku ali Standard Oil Company of Indiana?

Naka! Sami moramo poseči v svoj žep. Koliko pa smo že posegli?

Le čakajmo, bratje in sestre, le čakajmo!—Počakajmo, saj imamo dosti časa!—Le počakajmo, da bo prej "pot odprta"!—Le čakajmo, bratje in sestre, le čakajmo!

Od društva 184 Springfield, Ill.—Naše društvo 184 SNPJ je zopet izgubilo članico. Dne 8. avgusta smo spremlili k zadnjemu počitku sestro Mary Molle. Družini izrekamo naše sožalje!

Tudi od tukaj je že odšlo precejšnje število slovenskih fantov k vojakom. Oni, ki pridejo domov na dopust, izgledajo dobro in se pohvalno izražajo o vojaški hrani.

Piknik, ki ga je priredilo naše društvo 2. avgusta, se je povolno obnesel kljub sedanjim razmeram. Na seji je bilo sklenjeno, da se za del dobička kupi vojni bond. Društvo se lepo zahvaljuje vsem, ki ste se udeležili, kakor tudi članom, ki so na ta ali oni način pomagali do uspeha. Hvala tudi našemu godcu, ki zna spraviti vse v veselje. Torej še enkrat hvala vsem!
Društveni odbor.

Zahvala dolgoletnega tajnika Davenport, Iowa.—Po 39-letnem bivanju v Waukegan-North Chicago, Ill., smo se sedaj ustanovili v tem mestu. Kar se tiče Davenporta, Rock Islanda in Molina z okolice vred, vse je lepo in prijazno in se pisu te vrstic dopade. Tudi zrak in podnebje je bolj milo, kar dokazuje vsak dan jutranja rosa. Toda o vsem tem ne bom pisal, ker človek si mora natančneje ogledati in se od bližje seznaniti s krajem in njegovimi zanimivostmi, če hoče stvari opisati.

Namen teh vrstic je, da se zahvalim gl. izvršnemu odesku SNPJ za darovano zapesno uro, ki je lepa in finega izdelka, kot priznanje za moje dolgoletno tajništvo pri društvu Slova 14 SNPJ v Waukeganu. Ko sem ogledoval uro in čital prijazno pismo gl. tajnika Freda Vidra v priznanje za moje delo, ki sem ga izvršil za društvo in jednoto, me je kar pretreslo pri srcu in tudi iznenadilo. "Glej, John," sem si mislil, "to je tudi nekaj, ko dobiš za delo dar: zlato uro, ki te bo spominjala na pretekle dogodke..." Tako priznanje človeka je bolj zadovoljnega stori. Torej še enkrat lepa hvala za vse skupaj. Vam želim vse najboljše, jednoti pa velikega uspeha.

Lepa hvala tudi Društvu Slova št. 14 za priznanje in dar v vsoti \$25, kakor tudi za drugi dar od sedanjega odbora, katerega je izročila sestra Grohar moji ženi. Torej ostanite zdravi in delujte tudi z novim tajnikom za društveni napredek roka v roki kakor ste z mojo ženo.

Verjemite mi, da tajnik s plačo, ki jo dobiva, ni preplačan, kajti njegovo delo ni nikdar končano. Ko pobere asessment, odpošlje denar kamor spada, naredi račune in opravi druga manjša dela, katerih je veliko, delo pa ni izvršeno. Treba je stopiti za novimi člani in za naročniki Prosvete. In čim več narediš tem več ti kaže. To se pravi, da tajniško delo ni nikdar dovolj dovršeno. Seveda, ako tajnik samo asessment pobira, to je lahko. Ampak če tajnik samo to opravlja, društvo in jednota ne napredujeta, marveč stoji vse v mrtvili. Nekateri veliko pišejo, ampak to nič ne koristi, če ni podprto z osebno agitacijo. Če se hoče doseči uspeh za jednoto, je treba iti od hiše do hiše, kakor beršč. V tem imam izkušnje.

Ko sem v začetku leta 1919 prevzel tajništvo, je društvo štelo 184 članov v odraslem in 112 v mladinskem oddelku. Ko sem delal par let in je bil uspeh, sem naredil sklep, da bom to saržo toliko časa držal, da bo društvo štelo 500 članov v odraslem oddelku. Toda sem se uračunal, čemur je precej pomagala kriza in potem se bolezen (ni treba povedati, da sem precej gluh). Vse to človeku precej škoduje pri takem delu. Vseeno smo dosegli nad 400 članov v odraslem oddelku in 240 v mladinskem. Slednji se je počasi izčrpal na sedanje število, toda šteje še vedno nad 100 članov. Ampak če premislimo, smo tudi tukaj lepo napredovali, ker je k angleško po-

slujočemu društvu Little Fortu prestopilo od našega društva nad sto članov. Jednota torej ni bila na izgubi.

Ne smem pa pripisati vsega uspeha sebi, kajti ta zasluga gre tudi nekaterim drugim bivšim uradnikom. Ko je bil na primer br. Frank Zupc družtveni predsednik, je velikokrat prišel k meni na dom in me vprašal, kako gre in če je treba kaj narediti, ali pa rekel: "Storimo to in to." Bil je vedno pripravljen delati za društvo. Tudi sedanji blagajnik L. Ogrin je skrben in rad pomaga. Tudi bivša blagajnika Jakob Jereb in Joseph Mesec sta bila vedno pripravljena na sodelovanje.

Ko človek premišluje, če bi bili vsi člani taki, kako velik uspeh bi bil potem. Torej sodelujte z novim tajnikom, pomagajte mu in mu boste dosti olajšali delo in tudi uspeh bo toliko večji pri društvu, kakor pa, če bo osamljen in povrh še "špi-kan". So še tudi taki člani, toda kaj se hoče.

Upam in sem uverjen, da sva z mojo ženo ves čas delala za procvit društva št. 14 kolikor je bilo nama mogoče. Vem tudi, da društvo ni imelo naprtilik ali slabih posledic, pa bilo to v naših vrstah ali med društvom in jednoto.

Torej še enkrat lepa hvala za priznanje, kakor tudi za sodelovanje članom in glavnemu uradu. Bratski pozdrav vsem skupaj!
John Artach. 14.

Članstva društva V boj 53

Cleveland.—Vročni dnevi poletja gredo k zatonu (To poletje nisimo poznali posebne vročine, več pa dežja.) Upamo torej, da bodo seje naših društev bolj posečane. Za društvo, ki šteje nad 500 članov, pa nas pride na sejo le okrog 15 ali 20, ni preveč častno. Zato je želeti, da se člani kot tudi članice, katerih je lepo število pri našem društvu, odzovejo in pridejo na sejo.

Naše seje se še vedno vrše vsako drugo nedeljo v mesecu dopoldne v SDD. Ne zahteva se od vas, da ste navzoči na vsaki seji, je pa dolžnost vsakega člana in članice, da pride vsaj enkrat vsake tri mesece. Naše seje so kratke in jedrnat. Zadnje čase tudi nimamo preveč tistih vročih debat, katerih se nekateri tako boje—ali pa se izgovarjajo radi njih. Naša prihodnja seja bo 13. septembra in torej upamo, da se vidimo v večjem šte-

vilu. Priporočljivo je, da se vsaj bolniški obiskovalci odzovejo in poročate o stanju bolnikov, na vsak način pa morate sporočiti to z dopisnico. Tudi dolžnost od-bornikov je, da so na vsaki seji. Članstvo vam je poverilo urad, ki od vas zahteva, da ste na vsaki seji. Le dober tehni vzrok vas opraviči za odsotnost.

Dalje vam tajnik priporoča, da ste bolj redni v plačevanju svojega asessenta. Ni častno za društvo, ko je čas, da se pošlje asessment v glavni urad, toda tajniku še vedno ni plačalo asessenta sto ali več članov. Res je, da vas veliko plačuje po prvem v mesecu ali za dva meseca skupaj, ampak je mučno za tajnika, ki bi rad uredil račune po prvem v mesecu, pa je še toliko grešnikov zunaj. Prosim torej članstvo, da upoštevate to.

Želel bi tudi, da bi se člani v tej kampanji malo bolj zavedali svoje dolžnosti in pridobili kaj novih članov. Če se majhna društva upajo dobivati nove člane, bi moralo biti pri velikih društvih več odziva med člani, ki bi bili pripravljene agitirati. Še vedno se dobre nove člani, ako imamo resno in dobro voljo, da jih poiščemo. Res imamo v našem Clevelandu veliko konkurenco od drugih organizacij, ampak nas je v metropoli lepo število in tudi polje obširno, in sicer veliko bolj kot po malih nase-lbinah.

Kaj mislite, bratje? Ali ste pripravljene na sodelovanje za pridobivanje novih članov? Mi sicer napredujemo, toda lahko bi še bolj, ako bi imeli nekaj več agitatorjev v tej važi kampanji zmage. Posebno je priporočljivo, da pojačamo naš mladinski odesek, ki je majhen napram članstvu v odraslem oddelku. Torej malo več dobre volje in kooperacije je potrebno tudi pri tem. Odbor, odnosno tajnik tudi ne zmore vsega. Poleg tega pa imamo vsi enake pravice in imejmo tudi enake dolžnosti.

Na bolniški listi so sledeči člani: John Traven, Jenhie Snel, Katarina Milanič, Ana Naglič, Joseph Starman, Frank Koren. Vsem želimo skorajšnjega okrevanja. Za veliko društvo kot je naše smo glede bolezni še na precej zdravi podlagi, kar tudi želimo v bodoče. Boljši je, da človek v zdravju plačuje asessment, kakor pa da bi si nakopal bolezni, ki pride rada sama od sebe.

Dan naše letne priredbe se bolj in bolj bliža. Vršila se bo 8. novembra. Na prihodnji seji bomo morali o tem razpravljati in torej pridite v velikem številu. Ta datum si pa že sedaj rezervirajte za poset vaše društvene veselice, kakor bodo tudi bratje od drugih društev dobrodošli med vbojčani. Če hočemo, da bomo prispeva-

li v razne svrhe, za kulturna in druga prizadevanja, ko je vedno toliko prošenj na sejah, je potrebno, da od časa do časa napravimo kak "groš" za društveno blagajno. Za to moramo poskrbeti tudi iz razloga, da nam bo mogoče nabaviti čim več vojnih bondov, kajti s tem pomagamo za poraz največje brutalnosti v zgodovini človeštva — nacifašizma—da bo končno res zavladala demokracija in svoboda vsem narodom in pravičnost vsemu človeštvu.

Od našega društva je do sedaj pobral Stric Sam že 16 članov v armado. Zadnje čase sta odšla Albert Starman, sin našega Vinkota Starmana, in Paul Prostor, sin Johna Prostorja, kakor tudi Frank Kastelic—druge sem že prej objavil. Torej lepo število od našega društva, ki sestoji večinoma iz starejše generacije in precejšnjega števila žensk. Vsem želimo hrabrosti in srečnega povratka, starišem pa bodrilnosti. Mi, ki smo doma, skušajmo doprinesiti svoje k skupni zmagi.

Rudarski baroni pobirajo člane SNPJ

Nanticoke, Pa.—Naše društvo Temelj naroda 447 SNPJ je v enem mesecu izgubilo dva člana. Dne 14. julija se je smrtno ponesečil v rovu v Dunlu, Pa., Louis Hribar, član našega društva. Dne 13. avgusta pa je bil Joseph Hudnick tako močno poškodovan v rovu blizu Mine Glen Alden Co., da je drugo jutro ob 6:30 umrl v State Hospitalu v Nanticoku. Hribar zapuščica tri brate v Ameriki, Hudnick pa ženo Klaro, dva sinova in hčer. Društvo 447 SNPJ izreka sorodnikom obeh pokojnih iskreno sožalje.

Piknik društva 407 dobro uspel Windsor, Heights, W. Va.—Želim poročati o pikniku, ki ga je imelo naše društvo 407 SNPJ. Ko smo v soboto pripravljali to in ono, je bil fajn dan, kot našlašč za piknik, toda komaj smo skončali z delom, se pa stemni, se vlije in nastane nevihta kot da bi hotel vrag vse vzeti. Imeli smo že netranje prostore: preskrbljene.

Menil sem, da ne bo nikogar blizu v takem vremenu. Nekdo me ogleduje in pravi: "Ne bodi žalosten, še fajn dan boste imeli." In tako se je zgodilo. Ljudje so pričeli prihajati od blizu in daleč—iz Ohija in tudi iz Penne. V imenu našega društva se vam prav lepo zahvalim za poset, ob priliki pa vam vrnem. Hvala delavcem in delavkam, ki ste tako pridno stregli gostom. S tem smo tudi dobro podprli društveno blagajno.
Končno naj še opomnim člane

našega društva, da se v polnem številu udeležite prihodnje seje 6. septembra ob 1. popoldne. Sila-li boste poročilo o pikniku, o seji JPO-SS, o federaciji in o nekaj posebnega. Na tej seji bomo namreč distriktni podpredsednik James Maglich, ki nam bo poročal nekaj važnega o kampanji zmage. Torej se prihodnje seje udeležite vsi.

Naš finiki "Slovenec"

Evleath, Minn.—V 39. februarju Prosvete z dne 25. februarja 1942 je bilo v koloni Domače vesti poročano o rojaku Arthurju Lampetu. Ko sem podpisani čital, sem se vprašal: Od kod ta Arthur Lampe, naš rojak? Sa ga dobro poznam in vem, da se je rodil od finskih staršev!

Takrat sem se spomnil, da sem bil pred časom osebno v neki slovenski hiši v Chisholmu in rojakinja me je vprašala, če poznam Arthurja Lampeta. Da, sem rekel. Povedala je, da je bil pred kratkim tamka ja Lampe in z njim vred je bil neki Slovenec, ki je pravil, da je Arthur Lampe sorodnika drja. Lampeta iz Ljubljane, da je torej naš rojak, ne more pa govoriti slovensko, ker je bil rojen v Ameriki. Jaz pa sem ženi pojasnil, da ga prav dobro poznam, da je po narodnosti Finec in v njem je prav toliko slovenske krvi, kolikor je v meni finske.

Bratje Slovenci in Hrvatje! Arthur Lampe je naš "rojaki" vsaka štiri leta, kadar so volitve, po volitvah pa je spet eden in isti Finec!—John Agnich st.

Pomožna akcija v St. Louisu

St. Louis, Mo.—Vsi veste, da se nahaja svet v krvavi vojni. Največ seveda trpijo mali narodi tam, kjer je Nemeec iztegnil svoje krvave kremplje. Slovence, ker smo ravno na meji, smo strašno prizadeti. Od vseh strani čujemo o grozotah, o kakršnih še ni slišal svet. Da bodo tisti reveži, ki bodo še ostali živi, v strašni potrebi, kadar bo konec tega klanja, o tem ne sme biti dvoma.

Rojaki: Vsak izmed vas ima bližnje ali daljnje sorodnike tam, ki bodo potrebni pomoči. Živež, obleka, seme, živina in mnogo drugih stvari bo potrebni.

Ali jih bomo pustili v potrebi? Mi, ki smo edini, da jim lahko pomagamo in odkoder pričakujejo pomoč? Tudi mi delamo težko, ali imamo mir, da lahko uživamo, kar imamo. Rojaki! odbor za pomoč Slovincem, ki je pod državno kontrolo s "permittom" 488, vas bo obiskal v bližnji bodočnosti. Dajte, kar vam je mogoče. Vsak cent bo prišel, kamor je namenjen.
Na vojni razstavi, ki se je vršila od 21. junija pa do 15. julija, je govoril vladni zastopnik in je rekel tole: "Vi, ki ste tu, ne veste, kaj je trpljenje. Od vas se pričakuje, da napolnite ladje, ki vam bodo na razpolago, ker vam da bo imela polne roke in ne bo mogla izdatno pomagati vsem. Skrbela pa bo za prosto transportacijo."

Rojaki! Kdor nima srca iz kamna, bo storil vse, kar je v njegovi moči, da bo pomoč večja, kajti le s skupno pomočjo se bo dalo kaj doseči in pomagati tudi tistim sirotam, ki nimajo ničesar, da bi jim pomagal.
Vaši bratje krvavijo, pomagajmo jim!

Predsednikova kolona

Pred nami je velika reč Približal se je spet čas, ki ga članstvo naše jednote običajno vsako leto z nekakim posebnim veseljem pričakuje. To je letna slavnost dneva SNPJ, katero obhajamo vsako leto ob priliki davnostnega praznika in kar bo letos 5-6-7. septembra v Clevelandu, O.

Kakor vsako leto do sedaj, tako želimo seveda tudi letos, da bo ta naša skupna prireditev velika in lepa ter impozantna čim najbolj mogoče. Ni dvoma, da je iste misli vsak dober član jednote. Saj le tedaj bo ta reč res vredna naše velike organizacije, v katere imenu jo prirejamo. In uspešno bo, samo ako hočemo!

Res je, da nam bo letos manjkalo precej naše mladine, zlasti fantov, ki so že morali iti v vojske; res je, da so ljudje bolj zaposleni, da je nekoliko težje radi prevoza in še marsikaj, kar nam na delati ovira. Toda tega se ne smemo ustrašiti. Kajti posebne in drugačne razmere, ki letos vladajo, so v nekaterih ozirih tudi nam v prilog, oziroma nam lahko pripomorejo do uspeha. Predvsem so naši ljudje sedaj precej bolj pri denarju kot so bili v časih gospodarske depresije, kar je gotovo eden najvažnejših pogojev za večjo udeležbo. In tako se smelo pričakuje, da bo topot z nami mnogo tistih, ki se včasih radi denarnih sredstev niso mogli udeležiti. Sploh pa se moramo zavedati, da baš sedaj, ko veliko naših mladih članov radi vojne dolžnosti ne bo moglo biti z nami, se moramo brigati za uspeh naših prireditev ter aktivnosti sploh mladih bolj tisti, ki smo doma. Kajti mi hočemo našim fantom, ko se vrnejo, s ponosom pokazati, kako verno smo jim čuvali to dobro organizacijo, da smo bili ves čas živo zainteresirani in delavni nanjo ter jo ohranili ne samo žive in zdrave, temveč smo tudi skrbeli, da je rasla s svojim pravcem naprej in postala medtem še bolj prominentna in jaka.

Kakor znano, je za dober uspeh take prireditve potrebno glavno dvoje, to je dobri priprav in obilne udeležbe. Kar se tiče priprav, smo lahko že vnaprej prepričani, da je vse O. K. Kajti naši Klevelandčani nosijo upravičen sloves že dolgo, da so mojstri v takih rečeh, poleg tega pa imajo na razpolago spremno in sploh več priložnosti kot menda kjer drugje v ameriški Sloveniji. In kakor so že sami poročali prikrat v Prosveti, se vse pripravljeno delo vrši v najlepšem redu. Poskrbeli so, da nas bodo lahko pogostili in da bomo našli med njimi obilo razvedrilnega užitka.

Da—klevelandska društva s svojo federacijo na čelu so organizirala izvrstno pripravljani odbor, ki je pridno na delu že precej časa. Oni se trudijo in skrbijo ter nas vabijo in od nas drugih je sedaj odvisno, kako bomo reagirali. Od ostalih članov v Clevelandu in od drugod v Ohio, in zapadni Penni, Zapadni Virginiji, Michiganu, Indiani, Illinoisu in tako dalje je odvisno, kako se bomo odzvali ter sploh, kakšen uspeh bo našega letošnjega slavlja dneva SNPJ. In najbolj primeren odgovor bomo dali ter se najbolj moško odrezali, ako se udeležimo, udeležimo vsi in vsakdo izmed nas!

Vse naše slavnosti dneva SNPJ, ki smo jih do sedaj imeli, so bile dokaj lepo in svečano obhajane. Menda vsakdo, ki se jih je udeležil, se je vračal zadovoljen in s ponosom domov. Vsi smo pa lahko že vnaprej prepričani, da letošnja slavnost ne bo zaostala za ničemer, kar se raznih zanimivosti in privlačnosti tiče, glede zbirkega programa pa bo prekašala vse druge. Vsaj tako nam obetajo. Naša slovenska metropola je velika in nam res lahko pokaže mnogo lepega. In pokazala nam bo spet topot. Poleg raznih iger in tekem, pri katerih se bo največ udeleževala mladina, bo tudi kulturni program, ki bo nudil prijetne zabave in razdravna razvedrila za vse, torej tudi za starejše. Zlasti pomembna imata biti nastop mladine.

Torej ne pozabimo, da ob priliki delavskega praznika vodijo vsa pota v slovensko metropolo na našo veliko narodno slavnost dneva SNPJ. In ne pozabimo nadalje, da čim več nas bo, tem lepše in uspešneje bo vse skupaj.

Zato vsi na slavnost dneva SNPJ, kdor le more!—V. CAINKAR, gl. predsednik.

Federacije SNPJ

Seja federacije na antracitu Wilkes-Barre, Pa.—Naznanjam vsem zastopnikom federacije in vsem članom SNPJ na trdem premogu, da se bo vršila federacijska seja v nedeljo, 27. septembra, ne pa prvo nedeljo v septembru, kakor je bilo poročano v zapisniku. Vzrok, da je bila seja prestavljena, je, ker bo treba rešiti več zelo važnih stvari. In tako je odbor uvidel, da je bolje, da se federacijska seja vrši zadnjo nedeljo v septembru.

Torej udeležite se te seje v velikem številu. Vršila se bo v Forest Cityju ob dveh popoldne v Zvonovi dvorani.

John Kogoy, predsednik, Mihael Binjak, tajnik-blagajnik.

Piknik kansaške federacije SNPJ Arma, Kans.—Včasih so se naša društva kar kosala, katero bo prej imelo svoj piknik. In kako tudi ne! Saj je tako prijetno v hladni senci priti skupaj s prijatelji pri kozarcu "ječmenovca". In poleg tega je navadno vselej prišlo v blagajno tudi nekaj "copakov", ki so zelo prav prišli.

Toda letos je vse tiho, in kot izgleda bomo imeli v celi sezoni le par takih priredb. Pričakovati je torej, da bo naš letni piknik kansaške federacije SNPJ, ki se vrši v nedeljo, 6. septembra, na Strietovi farmi, prav dobro obiskan. Preprostost piknikov se človek res naveliča, kot vsake druge stvari, toda redka sprejemba je vedno zaželjiva. In tako je tudi z društvenimi priredbami.

Ker je "naš" Kansas letos vse prej kot suh, kar je nekaj ne navadnega, smo pripravljene tudi na nepotrebno zunanjo pomoč na tisti dan. V slučaju dežja se namreč priredba vrši v yalski dvorani. Ampak upamo na najboljšo. In ker se vsake rase tudi ne ustrašimo, pridemo skupaj na Strietovi farmi in se pogovorimo: farmarji, kateri izmed njih ima letos debelejši krompir, bivši premogarji pa—

30-letnica društva 190 St. Michael, Pa.—Naše društvo 190 SNPJ priredi plesno zabavo v proslavo svoje 30-letnice v soboto zvečer, 5. septembra, pričetek ob osmi uri. Govornik bo gl. predsednik Vincent Cainkar. Za ples bo igrala Koračinova godba Slovense Aes.

Uljudno vabimo vse članstvo SNPJ iz te okolice, da nas številno posetijo na tej proslavi, mi pa vam bomo v enakem slučaju vrnili. Zabava se bo vršila v klubovih prostorih—Workmen's Educational & Social Club. Za obilen poset se priporoča.—Odbor.

Plesna zabava društva 6 Sybas, Pa.—Društvo Bratstvo 6 SNPJ priredi plesno zabavo v soboto zvečer, 29. avgusta, v svo-

delu in tako so srečni, da jim ni treba v armado. Ne ve se pa nič, kako in kaj bo še, kajti naše društvo se vam že vnaprej zahvaljuje in vabi na poset ob blizu in daleč, v enakem primeru pa vam vrnemo.

Lorenz Kaučič.

Fraternal Aid in the War Program

Following is an article entitled "Fraternal Societies Aid in the War Program" written by D. E. Bradshaw, president of WWL fraternal society...

It is well known to all of us that fraternal societies flourish only in democracies, and are harassed, if permitted at all, in totalitarian lands...

There are eight million persons in 101 thousand local lodges of fraternal societies in the United States and Canada. This group of people, organized for mutual helpfulness to members and families...

Practical ways in which the force of the fraternal benefit system may be directed to the successful issue include:

The giving of comfort to father and mother when the son leaves home to join his fellows at the front. Though these parents are proud when the boy goes away to fight for his country...

In no other place so much as the soldiers' camp are letters from home folk received with so much joy. Word to the man in the military service that friends at home are behind him in every effort to win this war stimulates his eagerness to give everything...

In most fraternal lodges hangs the flag of our country, and the pledge of allegiance is regularly given in concert. The lodge is the forum where we may develop a keener appreciation of the freedoms named in the Bill of Rights...

We should urge our members to volunteer for any kind of service connected with the Office of Civilian Defense and should, of course, render one hundred per cent cooperation with such agencies as the American Red Cross, the U. S. O. and other kindred organizations.

We should, as fraternal societies, as local lodges and as individual members purchase to the limit of our ability War Savings Stamps and Bonds. It matters not that this may mean personal sacrifice in many cases...

Let us accept graciously the necessity for a changed way of living. The small self-denials we now must practice are likely soon to be greatly multiplied. Many articles we consider essential are going to be missing as soon as present inventories are exhausted...

Where lodge halls are adjacent to military camps, we should make an effort to open them for recreation to the men in the armed forces under the direction of the United Service Organizations.

We should urge our groups to contribute in ever increasing numbers to the nearest blood bank.

We should be very careful not to impart any information that may come our way which might give comfort to our enemies. We should be particularly sure that we make no destructive criticism during the course of this war, of either our civil or military officials...

We must preserve the legacy that is ours, a legacy assured by the founding fathers, and consecrated on a hundred battle fields. This means one hundred per cent concentration of the power of our own group with all other Americans in the successful prosecution of this war.

Gowanda Boosters

GOWANDA, N. Y.—The monthly meeting of our SNPJ lodge was not attended very good. What the reason is we can not answer. It comes back to my mind that once upon a time the meetings used to be so well attended that everyone in town was talking about our lodge...

they are holding on September 4 at the Slovene Hall. As most of you know, the feature of this event is the film called "Professor Mamlock." It shows the brutality of Fascism and Nazism! Everyone is welcome to this affair.

There is also a picnic being held in Gowanda on August 30. Everyone is welcome and there is going to be good music.

There are still too many shreds and shards of isolationism in the pattern of our country's life. This we must remember next November.

ACHIEVEMENT AWARDS FOR OUR JUVENILE LITERARY AND DRAWING CONTEST WINNERS

ACHIEVEMENT AWARDS FOR OUR JUVENILE LITERARY AND DRAWING CONTEST WINNERS. These beautiful trophies, each of which is emblematic of high achievement honors, will be awarded to the winners of the "Our School" literary and drawing contest conducted for Juvenile members and Circles in the Mladinski List.

The two trophies on the right and the two on the left are individual prizes to be awarded for the best written contributions and the best drawings during the year. The remaining three trophies in the center will be awarded to the first, second, and third place Juvenile Circles having the best contest record for 1942...

The "Our School" contest, effective since January 1, will close with December's issue of the Mladinski List. That means that our juvenile members, who are interested in writing and drawing, have three more chances to "strike while the iron is hot," as there are but that many more issues of the Mladinski List left before the contest ends.

JUVENILE DIRECTOR.

Veronian News

VERONA, PA.—Notice, Veronians. When anyone is leaving to serve our country in any branch of service, please get in touch with your scribe here at the Veronian Club, 222 Arch St., or call Oakmont 8886, about a week before your departure, so that arrangements can be made for a farewell party.

Veronians that have left without our knowing, but who, on their furlough, will be honored and feted are Elmer Mehelic who enlisted in the amphibious forces of the marine corps, and Thomas Solomon, who enlisted in the navy.

The mystery as to how John (Rock) Lesar got his nickname has never been solved to this day. Was it because of the time when learning how to swim? He would always sink like a rock. Or was it at the time when Johnnie used to be quite a boxer, keeping in the pink of condition and as hard as a rock?

Visiting at the club over last week-end was Mr. Ujcich from Pittsburgh, Max Kumer and family from Universal, Ramblerettes from Harmarville, Melles and friends from Penn Township, John Krulc's crowd from Uniontown and Albert Pasawick's gang from Cleveland.

Mary Elean Mehalick, Steffie Krulc, Francis Pavelko and Mag. Cestnik are the girls who are always down at the club, dancing and having fun.

The Veronians are proud to have such two members as Larry Cassol who is vice pres., and Martin Vrbancic, who is sec. in our Veronians. Yes, sir, those of their pictures that appeared in our Prosveta, were all right.

To all Victory Membership Campaigners: Keep up the good work for your SNPJ and the United States. Also special congratulations to John Berufaidi of Sygan and John Mandlich of Piney Fork, Ohio, from the Veronians.

Everyone is wondering when Sandy, Matt Kern's dog, is going to become a Veronian. When Matt's around, this dog just can't be kept away.

Soon Eddie Rusakewicz who is a contractor, his wife and baby and his brother Frankie will be on their way to some distant port of the United States, to fill another contract for our Government.

Pudgie and Budgie, funny nicknames, but that's what these two juveniles are called by their parents. First a fine little dancer, a daughter of Mr. and Mrs. Pavelko, second a youngster who, we hope, isn't like his dad, always looking for a place to nap, is the son of Mr. and Mrs. Klaus.

Boost the pace and build the power of America's armed forces. Buy Bonds.

when Matt Kern announced that he didn't break a hundred on the golf course.

Who had the biggest crowd there? You guessed it, Universal. Those Comets sure have a swell gang, and it's too bad that Michael Kumer and Gish and his wife missed a swell time. After it was all over every one said thanks to the host Elmer and hostess Jennie Eiffler for a swell time with suggestions that another Sunday get-together be held in the near future.

Little Fort News

WAUKEGAN, ILL.—The Jugoslav Rally held in North Chicago last Sunday under the sponsorship of Slovene lodges in Waukegan and North Chicago turned out quite a success. Many thanks must be given to those workers who lent their services for this affair.

Attention, Waukegan SNPJ members interested in bowling: A meeting will be held this Thursday, August 27, at Slovene Home for all members desiring to bowl this coming season.

This 'n' That

Seen at the Jugoslav Rally were a number of Little Fort members in service. One of them, home on a week-end pass from Camp Grant, was our own Henry Belec. Hank is with the Medical Corps at Camp Grant.

MILLIE SIMCIC, 588.

Musketeers' Musings

MOON RUN, PA.—It's about time that I get out my typewriter and pen a few lines to let you know that we "Musketeers" still exist.

A Fall Dance has been scheduled for October 18, at the Slovene Hall, Moon Run. So won't you keep that date reserved for us, the MUSKETEERS? Full particulars will be in later issues.

On account of the Labor Day weekend the September meeting date has been changed from the 6th to the 13th, but at the usual time 11:00 a. m. Members please note the change of date and be at the meeting.

From Clairton, Pa., we welcome to our fair town the Princes, Frank, Chris and Ronnie. We hope to be seeing lots of you from how on.

To the Veronians: Congratulations, the best of luck and best wishes. Your Club certainly is grande, reminds me of Conesaut Lake. Can't blame you from being proud of it.

Musketeers have ten members serving in the armed forces. To you, other SNPJers and friends serving here, and abroad, we wish you the best of luck, we miss you, boys, and hope that you'll soon be back with us.

The Shannon Postmaster says that Christy gets more letters from various camps than anyone out there. Keep it up, Christy, we know they all love to receive mail.

Golden Eagles

Meeting Minutes

GIRARD, OHIO.—The committee which solicited funds for the Russian Relief reported a very successful collection. More than ONE HUNDRED dollars was sent to our Main Office for this most worthy purpose.

Many of our SNPJ lodges are eliminating their affairs but the Eagles will keep on as before. On OCTOBER 10, the Eagles will open their annual Fall dance. This will take place at the Slovenian Hall.

September 12

brings with it a place to go and something pleasant to do. This is the day that the Eagles have set aside to enjoy themselves. In order not to hoard all of the happiness for themselves, they have invited Lodge 48. Here is what will happen. Somewhere near the Avon Park Roller Rink the people will select some ground suitable for corn roasting, wiener roasting and a good stump on which to put several barrels of beer.

Here is all the money you will need—Seventy-five (75) cents for couples, fifty (50) cents for men who are coming all by their lonesomeness and twenty-five (25) cents for those girls who were not fortunate enough to nab a man.

Juvenile Circle

First let's remember that these meetings have been changed from the second Friday to the second Sunday of each month. Two new members were bought in to be proposed into our Eagles. Both are boys—Freeman Hake and Freddie Fabec.

Just recently read in the Sharon Herald the engagement of our popular member, Brother Joseph Valentinc, now in U. S. Navy and a first class seaman, located at Southport, N. C., to a very nice and popular Croatian girl, Miss Gloria Yapunich.

Sharon Keystoneers

SHARON, PA.—The Keystoneers' picnic, Aug. 16, was almost a success, if it wouldn't be for that surprising rain to scare the people away. But they soon came back again. The crowd was very jolly. And why not, with all the musicians around, namely our own Mitzie Anzur, Frank O'Korn, Melvin Rossman of Youngstown, Johnnie Kertell of Bessemer and Stan and Millie Novak.

Much credit goes to our three bartenders, Stan Paulenich, Rudy Shine, and Tom Dimoff. Also to Jack Zagger, Peter Garm and Jessie Godina for the picnic arrangements.

These willing workers are a fine example for our Keystoneer lodge. But where are the others? We all get the same benefit from our lodge treasury. Come around sometimes, you other members, and help us out. No lodge is a success without help and work.

We are now planning for a dance Sept. 26. Attend your Sept. 3 meeting at 8 p. m. And PLEASE pay your monthly dues on time! Make it easy for our Sec'y Al Cvelbar. You can also pay to our Treas. Jack Zagger.

Our Vice Pres. Max Macek, was called to the Army. We are very sad to lose this fine member and a willing worker. All the luck to you, Max! And to your and our friend Frank Mlakar, who also left.

NICK MEHALI, Sec'y.

October 10, the night of the Eagles dance, the Circle will give away a TWENTY-FIVE DOLLAR DEFENSE BOND. Tickets have already been ordered and will soon be in the hands of the members.

The Circle picnic held at Liberty Park several weeks back was a genuine success. Fannie Milavec was largely responsible for the twelve gallon container of lemonade. Everybody was disappointed because swimming was not a part of the day's entertainment.

OFF THE RECORD—All those of you who intend to remain in Girard on Labor Day should make it a point to visit the Ohio Leather Workers' Union picnic at Avon Park. Joe Umeck has assembled another orchestra and will play during the afternoon.

Fred Klucik, our Chorus Director (Juvenile), left last Friday for military training. Freddie did an excellent job in his department and during his stay here he made many friends. Eagle and Lodge 49 members gave Freddie a party before his departure.

Matt Masle was home recently on a seven day furlough. He is in training at the Great Lakes Naval Station. Say, Waukegan, he visits your town now and then and would like to get acquainted with some of the Slovene people there.

Just recently read in the Sharon Herald the engagement of our popular member, Brother Joseph Valentinc, now in U. S. Navy and a first class seaman, located at Southport, N. C., to a very nice and popular Croatian girl, Miss Gloria Yapunich.

FRANK REZEK, 643.

Dance of Lodge 345

SOUTH FORK, PA.—South Fork Lodge 345 SNPJ will sponsor a dance on Saturday, August 29, 1942 for the benefit of the Home Defense Fund of South Fork.

Music for your dancing will be furnished by the well known Vincent Bukovec and his orchestra. Dancing will be from 8:30 till 12 (25c) cents.

We hope that all of our members will show that they are true Americans by attending this dance, which is for a very worthy cause.

If you don't dance you will end up listening to the polkas and eating some really delicious Slovenian sausage.

his Week

By Louis Beniger

I have written here recently barely scratched the surface of terror and oppression to which people have been subjected in Europe (Coastland) under the rule of Hitler...

In connection with this I have read Louis Adamic, who, in "The Return," tells how the Italian terrorized our people in Trieste, resorting to the lowest kind of brutality in the process of crushing every trace of Slovene culture...

are we to go about in helping liberate our people from the shackles of Fascism? Is it within our power to do anything in this respect other than to recite their names before the world? As American citizens, can we take up the cause and help them to free their roads are open to us in championing their one main desire to be free and united with their brethren in a united Slovenia?

The Slovenes, Croats, Serbs and Hungarians belong to one Slavonic race, they are neighbors and their languages are very closely related. It is natural and logical that we should think of them as a single political and economic unit, while each retains its cultural autonomy. And American citizens we, the Yugoslavs in America, can come forward with a vigorous and definite program based on the widest democratic principles which will—at the same time and at the right place—bring our people across the sea rightfully belongs to them.

early next month the Slovene section of the Yugoslav Relief Committee is scheduled to meet in Cleveland. It is understood that one of the topics will be the political questions regarding Slovenia. The committee should work out a program whereby the Slovenes in America will be able to launch a political campaign based on the principles of the Charter and the Four Freedoms. We must be prepared for the time when another peace conference takes place at the end of the present conflict, and it is certain that at that time Washington, Moscow and London will play the leading roles.

ST. LOUIS, MO.—Did you read the brief report of our Supreme Board's semi-annual meeting? Our report is kinda expanding, as we're proud of the SNPJ assets which have passed the 10 million marker, gain in membership, the generous donations to the American Red Cross and the Russian Relief Fund. Also that the Juveniles permitted to organize drills with special uniforms, too! Juvenile Advisers conference held next year is urgent and advise your cooperation with the Juvenile Director.

contestants in the SNPJ Victory Campaign will receive their attractive pins and buttons (Victory for America and SNPJ) this week from Sec'y, and those of you who fail to receive one, should hustle out to a number of new members. The Eastern and Midwest lodges are having a real tug-o-war in this Victory Campaign.

each day the date is drawing near to the SNPJ Day in Cleveland and "We Spirits" are wondering if a fairy could come along, bringing the mileage between Cleveland and St. Louis shorter. Up to present time there are doubts if St. Louis will attend the affair, but the writer as well as the rest of the local SNPJ boosters are yearning to be there. "We" you the best of success, Cleveland.

and That!—Bro. J. Spiller writes that he was unable to attend the Board meeting, due to his work and working 7 days weekly. He is disappointed how essential it is to his defense. He is returning home from the Cleveland meeting. Bro. Frank Barbic has stopped in St. Louis. Eugene who is in the Department Field, Ill. (30 miles from St. Louis). Eugene and his wife are with the Spillers. Bro. Spiller don't worry, Bro. Barbic can do anything. We will do it, as he is one of our best. We are glad to hear from you. Write to hear from Mike and appreciate if his letter was continued the next week's articles. Bro. Spiller has written an interesting letter, stating that he will not forget the Spirits. Write to him and send him \$2.00.

FLASHES

By DONALD J. LOTRICH

CHICAGO.—An even dozen juvenile members and three additional adult members were initiated at last Friday's Pioneer meeting. This brings the Pioneers back into the campaign again. Several others are ready for the physical examination and for acceptance at the forthcoming meeting. This will enable the Pioneers to keep their stride as the largest local lodge of the SNPJ. The meeting itself was not so well attended but we took care of a lot of business. We set up a committee to take care of the new bowling league, ordered one hundred copies of a pamphlet on the Poll Tax issued by the Workers' Defense League and gave a lot of attention to the Prize Picnic.

Last Sunday's Pioneer Picnic was a pretty nice affair. The attendance was pretty good and the services were rendered in good fashion. The sky was clear but it was very cool. Every child in the grove received the usual allotment of free chips, we had some races for the children, some of our people played tango, others participated in two other concessions, while still others played ballina and horseshoes. Anton BASHA and Anton ANDRES each secured the "get acquainted" prize. We had good dance music by the Gradisek-Omerza orchestra and good spirit prevailed throughout the day. A reasonable profit will be netted. We are thankful to all who attended and participated.

From Great Lakes, Illinois, we learn that Edward BERNIK is attending regular classes and that he will be graduating on September 16. He sends best regards to the Pioneers.—Louis and Eleanore KRAMER

Victory Dance of Keystoneans

HERMINE, PA.—After a long absence from these columns the Keystone lodge again breaks into print. Although we have carried on the routine matters of conducting a fraternal body in the proper manner, thereby increasing our membership to 132 adult members and 26 juveniles, we have been very lax socially. Which, I believe, is why our columns were missing for such a long time.

Now, we are announcing our Victory dance to be held Monday, Sept. 7 (Labor day) at the Slovenian Hall. Music to be furnished by that ever popular Frank's Trio. Plan to be with us this day and spend an enjoyable evening within our midst.

Our Soldier Members. Our lodge, as probably is the case with every lodge, has not escaped the responsibilities of our present world conflict. To date we have given 11 members to Uncle Sam. The SNPJ, according to last week's Prosveta, has given 1287 members. (This figure is increasing daily and this issue probably carries the nearer correct number.) So that freedom, as we Americans know it, shall not vanish from this earth. Those of you who have not yet been called, let's do the next best thing to promote this cause, let's head the pleas that we give at least 10% of our earnings towards the purchase of bonds and stamps. Ironically enough that same money that you have lent may be used to equip you after you have been called. Let's make our motto "All Out for Victory" true. Let's not forget our members in the service. Let's do them justice.

The Supreme Board has announced that an initiative will be prepared concerning the payment of mortuary benefits for members who pay the supreme cost, their life, on the battlefields in this war. The membership shall decide on this question in a referendum, which is as it should be. What are the provisions that must be amended? Are we going to reduce the amount of the policies that the soldiers now have and are

MER have gone to Brainerd, Minnesota, for their vacation. In these spots the fish are plentiful. Only a week ago patrons of the Slovene Labor Center had a chance to taste some of the Northern Minnesota fish which were sent there by Joseph TURPIN.—William B. PUTZ, who formerly operated the Boulevard Flower Shop, is now at Camp Swift, Texas. Army life hasn't been so bad for him, he tells us.—The latest word is that Anton HRAST is now somewhere in Ireland with the American Army.—A baby arrived in the family of Marie STRAUS and we learn that both are doing all right.—A note from the Post-War World Council tells us that India will be the subject of their discussion Thursday, August 27, at 77 West Washington Street. In addition to Anup Singh, E. Stanley Jones and Maynard C. KRUEGER are booked to speak. There is no admission charge.

A few inquiries have been received on the transportation for the National SNPJ Day from Chicago. Let us repeat that the Railroads are not giving any concessions on fares and that a large number must travel together to secure a special coach. The round trip fare on the Nickel Plate Road is \$11.50 and the New York Central charges \$13.44. The Nickel Plate has two trains daily to Cleveland, one at 9:40 a. m., arriving at Cleveland at 5:50 p. m., and the other at 11:30 p. m., arriving at Cleveland at 7:59 a. m. The New York Central has several trains throughout the day. Unless more of you sign up to travel together it will not be possible to make arrangements for a special coach.

keeping in force? Are we going to let them down?

To my mind the policies now in force should not be changed, no provisions should be altered. That is my humble opinion and may be wrong. But I do believe that this question demands more explanation from the Supreme Board. I hope to see a detailed explanation regarding this matter in an early issue. The membership is eager to know the pro and con. What do the writers in these columns think? Let's give this question due concern. I say leave the policies now in force intact, at least a while longer. Our organization is not as yet in danger. When that time comes the principles that are our foundation will see us thru. It is not the soldier members who may fall on the battle fields that will break our organization, then why should we lower their mortuary benefits?

Lucky Stars' 12th Anniversary

IMPERIAL, PA.—The Imperial Lucky Stars will celebrate their 12th anniversary by sponsoring a dance in the local Slovene Home on Saturday, Sept. 26, beginning at 8:30 p. m., featuring Martin Kuko-vich and his orchestra. You know the orchestra and you know the town so what is there to stop you from attending?

The \$25.00 war bond will be given away at this dance. Only a few tickets left, so see your lodge secretary or ticket committee if you are out. All returns must be made no later than Sept. 13, which is the date of our next lodge meeting. On the sick list are Ed Tuminski and Margaret Millon; stop in and say "Hello." It will be appreciated, I'm sure. Each month we get one or two new members; this does not break any records, but it surely helps in the campaign. Don't forget to attend the Sept. 13 meeting as committees will be elected for the dance.

Italian Atrocities In Slovenia

Prosveta's Editor Protests in The Nation

The Nation, a widely-known weekly magazine of liberal trend, published in its issue of August 22nd the following Letter to the Editor:

ITALIAN BEHAVIOR Dear Sirs: Writing in The Nation of August 1 on the unfairness of those who expect the Italians to revolt against fascism without delay in order to regain the respect of the world, M. T. Maestro, Italian News Editor, Columbia Broadcasting System, says: "I think that the Italians already deserve the respect of the world because, in spite of having been poisoned for twenty years by a fascism which has been kept alive and prosperous by the reactionaries of the whole world, they have behaved in this war as a civilized people." Mr. Maestro should be more explicit. What Italians have behaved in this war as civilized people? Fourteen months ago the Italian army, jointly with the German Nazi hordes, brutally attacked and subjugated the Slovenes, together with the rest of the Yugoslavs, and ever since this unhappy people has been

subjected to mass-murder, pillage, and suppression of their language. Perhaps Mr. Maestro would think this Slovenia "incident" should be taken lightly because the Slovene people is one of the smallest in the world and matters little, and because those Slovenes who defend themselves, their wives and children, are called "bandits" and "communists" by their Italian exterminators. But the Slovenes want to live in the land which has been theirs for more than a thousand years, and no honest man who believes in democracy and justice can reproach their resistance. I wish some honest, democratic Italian in America—and I know there are many such—would speak up and condemn these crimes; I wish some honest and courageous Italian, like Gaetano Salvemini, would tell openly in the American press that those Italians, who are guilty of the mass-terror in Slovenia and elsewhere, behave no better than the German Nazis do and that they merit the same punishment. IVAN MOLEK, Editor, Slovene Daily Prosveta, Chicago, Ill.

Juvenile Circles

Youth of America Circle No. 47

JOHNSTOWN, PA.—The Youth of America Circle held its regular weekly meeting this evening in the Slovene Hall in Moxham. The partial schedule for this week's activities is as follows:—

Tuesday—2 p. m.—First Aid class; 7 p. m.—Practice for entertainment program.

Wednesday—1 p. m.—Hike; visit the fox farm and the new airport; collect leaves and flowers for Circle scrapbooks; 6:30 p. m.—Executive committee meeting; 7:15 p. m.—Rehearsal.

Thursday—2 p. m.—First Aid class; 7 p. m.—Rehearsal; 8 p. m.—Literary meeting.

Friday—2 p. m.—Clear the orchard for the corn roast; 6 p. m. to 7:—Corn roast.

Last week we again succeeded in collecting several tons of scrap material. We already have stoves, beds, mattresses, etc., waiting for us, so there's nothing we can do but have another drive on August 27. You really should see this enthusiastic group when it comes to work. After working strenuously all day long on Tuesday, I almost had to beg them to quit at 6 o'clock in the evening. Then on Wednesday we again worked all day long, until we thought it was humanly impossible to raise the hammers once more. However, to make the flattening of cans more interesting, we pretended they were Nazis and Japs, and I wish you could have seen the hammers fly then. The very thought of that gave us renewed strength. Adolph, Benito and Hirohito were lined up before the firing squad (with all apologies to the cans for making such a comparison), and we crushed them beyond recognition, just as we expect the Allied Nations to do in the near future.

With a part of the proceeds received for the scrap, we're going to purchase some First Aid equipment. Something seems to tell me that with the approaching football season, we'll be needing adhesive bandages, antiseptics, etc. However, I'm keeping my fingers crossed when splints are concerned. James Pinelli, our treasurer and football captain, sustained a leg fracture last week while playing football. We know that Jimmy can't speed up his recovery, but we'll all miss him until he'll be able to be with us again. James Woods has been appointed football captain to replace Jimmy. I hope the same fate doesn't await him.

Ether Holmek and Reginald Tereck, two of our youngest members, had tonsillotomy operations recently. These two are going to sing a duet on our program, but we can't have any rehearsals until their throats are healed thoroughly.

Our library must be given due consideration, if we are to have a choice collection of books. The remainder of that "scrap" money will be used to buy new editions for our members to enjoy. Reading seems to be a favorite hobby in our Circle. Next Monday evening, after our business meeting is adjourned, we're going to have a "Scavenger Hunt." If anyone comes knocking at your door, be prepared to search for some "crazy" item you may have either in your attic, cellar or even garage. The younger members will remain with me in the hall where we'll have fun playing games.

This evening we had a quiz just to see how little we really know about our own SNPJ. Hectographed sheets with thirty questions and answers were given to the members so that they can study them. Two weeks from tonight they'll be given an identical list of questions minus the answers. The member who makes the highest grade on this test will be given a dollar's worth of defense stamps. Who will be the lucky winner?

The Honor Member for the month of July is Thomas Churchey. Every month we select the one person who was outstanding in Circle activities and place his name on our Honor Roll. Tommy well deserves that recognition. He never misses a meeting, takes part in all our activities and has been a successful mushball manager of the boys' team. He cooperates readily with the group in all enterprises, is reliable and trustworthy, and never finds anything too difficult for him to undertake. Tommy is going to be a freshman in high school this year, so you know he is quite young—only fourteen years old. He is already a leader upon whom we can depend at all times. Let's hope his enthusiastic spirit is contagious, for we need more Tommys to make this a happy and peaceful world.

OLIVIA CHUCHECK, Manager.

Circle No. 40 Activities

GOWANDA, N. Y.—After a long absence from the Prosveta, I again thought it a very good idea to start again. As manager of the Circle I am very proud of it because its members are very hard and faithful workers. They began last January to collect old paper and other vital articles for national defense and through this hard earned money we have purchased a War

Bond and put the rest of the money into our local treasury. The collection is being done by the boys. The girls were selling patriotic pictures, helping to raise money.

While I am on the subject of Bonds, I indeed must give the children credit the way they are buying war bonds and stamps. At least 80% of them have bonds and stamps and still continuing. The great work of our children!

Although we haven't reported much through the Prosveta and Mladinski List, much about our actions, but one of the Boosters member is giving us away in columns of Prosveta. Yes, we have an orchestra started and going along very fine. We also have a drill team started and will be practicing in near future. Now that the Supreme Board passed a motion to support drill teams every Circle should begin to act.

Thanks for the compliments, Lou, and wishing you a lot of luck when you go to serve Uncle Sam. Your friends and Boosters lodge will miss you, Lou.

To raise more money for our Circle, our girls are at it again. Now they are selling Christmas and all occasion cards. Anyone interested in this and willing to help our children instead of some individual financially please get in touch with undersigned and I will see that they take your orders. Keep up the good work, girls!

O, yes, we are having our 3rd Anniversary of the Circle on October 10. This being our very first event by ourselves the children are surely glad and hope that they will have full support of their parents. We will try to get the latest movies from Slovenia through the SNPJ. Will have a short play and other Circle talent that we have built up to now. So keep this date open for your good time.

The Circle members are going to miss the wonderful support which was given to them by our parent lodge, member Sister Josephine Samson. She is retiring from grocery business. To you, Sister Samson, our Circle is wishing that your remaining years be all of good health and happiness.

As per our membership campaign I sure hope we would have more members to go out and canvas for new members. Although all of applicants proposed by yours truly are juveniles, but they are the ones that are going to uphold our organization when we are gone.

Yes, folks, we will have a movie in the Slovene Hall on Sept. 4. This affair is sponsored by All Slav Committee and you sure must see this picture, and not only you but your children also. This is one hour and 45 minutes talking film "Professor Mamlak", exposing nazism and fascism. Members of local lodges, please attend in full number. The admission is 20c for adults including tax, and 15c for children under 16 years of age. After all the proceeds are going to be used for a very worthy cause, for war relief of our allies, etc.

This will be all for this time, and let's keep the ball rolling for more members.

ROSE MANEGAR, Manager.

Dawn of Youth Circle

GIRARD, OHIO.—Our Dawn of Youth circle had a lovely time at an outing at Liberty Park on Aug. 9. In spite of a slight drizzle of rain we all enjoyed ourselves watching or participating in the games. Ernest Perechlin was the champion runner of the boys, and I believe that he won most of the prizes also. Other awards for the various races were won by Frieda Perechlin, Elaine Augustine, Henry Leskovec, Gilbert Robsel, Bobby Amey, Thomas Ritter and others. Adviser Mary Macek was kept busy bringing the material for the games to the park, and boy, I can still taste Fannie Milavec's lemonade! All the members who attended the outing had a grand time and we hope that we may be able to have something like that again next year.

Our last meeting on August 14 was well attended. Plans are being made to sell a war bond which will be given away on the Golden Eagles' dance sometime this fall. Meetings are going to be held on the second Sunday of the month at 2 p. m. from now on. Remember that the next meeting will be on September 13.

Walter Jones received the insurance award.

The Juvenile Chorus sang on Jack Persin's program two Sundays ago. Our thanks to Anton Nagode, Rudy Gallice, Steve Sedajko, and Joe Cherne for taking the group to the Warren station, and also Jack for letting us appear on his program.

On August 18 the members of the chorus and their families held a party for Freddie Klueck at Nagode's place. I suppose most of you have heard that Freddie left for the Army last Friday. There was a nice crowd at the party and everyone enjoyed themselves. Joe Umek was on hand to furnish the music for dancing. Freddie was presented a service kit by little Mollie Perechlin while the chorus sang "You Remember Pearl Harbor". Everyone will certainly miss Freddie. The chorus enjoyed working with him immensely and appreciate very much the time and effort that he has devoted to them. Good luck to you, Freddie, and may you always remember us!

This 'n' That.—Rose Zouli recently spent three weeks with her cousin Rose Mlaker in Farrell, Pa.

Cleveland SNPJ Lodges Form Bowling League

CLEVELAND, O.—Friday, Aug. 28, the initial bowling meeting of the 1942-43 season will be held at the Slovene Workmen's Home on Waterloo Road. At all previous Athletic League meetings the bowling site was decided on and approved. Since most of the lodges interested are situated in Collinwood and the St. Clair E. 62nd street district, the St. Clair Eddy's Recreation was chosen. This is the half-way point between the two sectors. The alley manager was contacted and alleys were reserved for 3 o'clock on Sunday afternoons. This would also include the women bowlers who are to have their own league. All lodges interested in having teams, contact your writer at the Slovene Home this Friday. The season will start Sunday, Sept. 13.

To all Utopians who wish to bowl this season: Come down or send word to the meeting so teams can be formed. Also all members who plan to participate in the SNPJ Day Golf Tournament. Let's get those entries in! Saturday, Aug. 29, is the deadline!

SNPJ Wolverines

DETROIT.—The Wolverines 13th annual field day held Aug. 9 was a grand success. A large crowd was on hand to help us celebrate this event. The Wolverines wish to thank the Young Americans, Loyalties, also the many out-of-town and Detroit SNPJ members that were in attendance at the field day.

The sports program results were: The ladies softball team defeated the men's team by the score of 5-0. And in the tug of war, the single men, with Laddie Zindar, Lefty Kovach and Frank Kern, defeated the married men with Leo Bernick, Larry Bernick and H. Rupert. Frank Yankovic and his orchestra gave the crowd the best in music. All in all everyone seemed to have a good time.

Meet the Champs of Detroit and district 3 for 1942. It's the Wolverines softball team. Our team defeated the Young Americans by the score of 8-4 to gain the right to play in the finals at Cleveland. Our boys hit the ball hard for 11 hits against 8 for the opposition. Ed Bernick, star Wolverine pitcher, did a good job in holding down the heavy hitters of the Y. A., while Werbecky was no match against the hard drives from the bats of the Wolverines.

Here is the lineup and the new Champions of Detroit that met and defeated the Young Americans:

Joe Kern, ss.—Rudy Bernick, 3rd b.—Hank Bosich 2 b.—Frank Cerne, r. f.—Leo Bernick, 1st b.—John Ryan, l. f.—Andy Klarich, r. f.—Larry Bernick, c. f.—Al. Maccani, c.—Ed. Bernick, p.

Larry Bernick, team manager wants every member of the team to get as much practice before the playoffs as possible. Due to the different shifts our boys are working it will be impossible to call a practice. So get out in your back yard or in some neighboring lot and get lots of practice; get in shape for the big day.

Friendly Views: Postcards from Mike Kumer, now located in St. Petersburg, Fla. How about dropping a line to Mike at his present address (603rd Technical School Squadron Flight 2). Also Joe and Rose Cerne vacationing in Mineral Ridge, Kansas, and Berchie Naprudnik visiting Milwaukee.—The first to arrive at Horwath Park were Al Raines and Rose Mary Rossa of the Cleveland Loyalties. Rose Mary Rossa wants a promise to attend the next Loyalty affair.—A Yamnik visiting from Milwaukee; he is a brother of the popular Bart Yamnik.—Thanks to Jo Klarich and the Klarich family for showing Elis Rupert such a nice time. Credit to Mrs. Andy Klarich and Berchie.

All persons wishing to purchase any Frankie Yankovic's orchestra phonograph records can get them by contacting Laddie Zindar—we will print his address in our next issue. Rudy Kovach, brother of our popular Lefty, was on hand at our field day. Ruddy is now located in New York. He is a former star athlete from Mineral Ridge high school, Kansas. Always on hand at all SNPJ affairs are Mrs. Charlotte Benedict and Mrs. Mary Ann Golear and their mother Mrs. Anzie. All players are asked to get in touch with Al Mazzani for information in regards to the trip to Cleveland. Also give him your size for a Jersey, pants and hat for the coming softball game in Cleveland, as new outfits will be purchased. H. RUPERT, 677.

Attention, Bowlerettes

CLEVELAND, OHIO.—All good, medium and novice bowlerettes are urged to join their lodge team. Each team from every lodge is expected to attend the first and final meeting of the SNPJ Ladies Bowling League of Cleveland at Slovene Workmen's Home on Waterloo on August 28 at 8 o'clock.

Officers, team drawings and other official business shall be completed so that the league schedule will begin on the second Sunday in September (Sept. 13) at St. Clair Eddy Bowling Alleys promptly at 3 o'clock.

Unless the teams are represented at the meeting, no place will be held open for them in the league. Therefore attend the meeting.

The Struggle of Light Against Darkness

A Speech Delivered at Yugoslav Cultural Garden Manifestation, Cleveland, Ohio, Aug. 16, 1942

By SAVA N. KORANOVICH

This beautiful city of yours, Cleveland, is possibly the best place to have manifestations such as this. I am not sure whether there is any other American city which so well represents the picture of America and the idea of America, as does Cleveland: "A nation of one people from many countries." You are not only the cross-section of America, you are a miniature of Europe in fact.

The best example of how peoples of different races, different backgrounds and tongues, different religions (Christians, Jews, Buddhists) can live together interwoven, competing in culture and progress—show how they can live together if there is no hatred and fear. As soon as fear appears, with it comes hatred. Hatred is destruction not construction. It destroys, it does not build. Instead of competing in that which is good, it competes in evil.

Now, try to imagine this progressive city of Cleveland governed by the principles of hatred and fear. What would happen to all of you, to your institutions, culture and prosperity? Withing 24 hours you would be involved in destruction, darkness, blood and flames. Instead of presenting your cultural deeds to mankind, you would have ruins, ashes and corpses.

The leaders and ideologists of Fascism and Nazism want to impose their views upon humanity, the view that hate of man against man, and hate of nation against nation is the basis of human society. On this basis they have proclaimed the absurd theory that their race is superior to other races, so that they can dominate the world and throw humanity into the flames of destruction in the name of that superiority. In a nation, each state, they have tried to introduce hatred and dissension before they came in with tanks and planes. In each nation they have tried to provoke civil war in order to disintegrate and weaken from within.

There has been a similar danger for America. Hitler and those blind people who still do not realize the seriousness of Hitler's aims, would like to see this wonderful country infested by intolerance and dissension. Racial hatred and chauvinism would replace racial tolerance and harmony, depriving America of the fundamental ideas upon which it was built. It would also mean depriving America of the role which she is going to play in history. Hitler provoked war against all those who believe in the equality of man and who do not want racial prejudice, those who respect man and his dignity. In this way Hitler succeeded in forming against himself a united front of the self-protection of good. Whoever smashes this front stands consciously or unconsciously on the front of evil.

We Yugoslav—Serbs, Croats and Slovenes—had the tragic fate of finding ourselves on the largest crossroad of history. Over us, through the centuries, has flowed the flood of wars and struggles of survival. From the extreme Yugoslavian north to the Balkan south, Slovenes, Croats and Serbs through the centuries had to employ their best energies for the protection of a bare survival. In the past 600 years, we have had a total of 20 years of united freedom. Today, this is being paid for very dearly. However, if our best energies went only for the preservation of national existence, we have succeeded to contribute precious achievements to the culture of the world.

Here in America, in freedom, the prosperity of the American people is inseparably bound to the work and deeds of our Yugoslav people, from the fishermen of the Pacific and the miners and workers of Pennsylvania and Ohio, to the very heights of science. One could not

imagine America without freedom, and one could not imagine American prosperity without the power of electricity. What electricity means in present day's life and work was made possible by the discoveries of a great Yugoslav American. When you press an electric button, have in mind that the discoveries which will not be outlived and which cannot die, the deeds of our genius Tesla, made possible from the bridling of Niagara to radio emission.

But also the deeds of your brothers, the Serbs, Croats and Slovenes from the Vardar to the Triglav, like the peasants, like the workers and intellectuals in the forests, mountains, and valleys of that beautiful country, regardless of sacrifice not only for their survival but for the ideals of humanity, at this instant is the most valuable contribution to the culture. Should such battle not be successful all humanity with its culture and civilization will sink into the darkness of barbarism.

Today's battle is a battle for the existence and the maintenance of culture and humanity. Harmony and the spirit of collaboration and unification of all forces of the good against the forces of evil are needed more than ever. Unified thought and collaboration from within here in America is most essential. The common effort of the United States, China, Great Britain, revoltingly oppressed Europe and Russia, at the same time and for the same goal, will crush the forces of evil, and will make the forces of light, good, justice and human dignity rule over the world free from fear, hatred and want in the spirit of Roosevelt.

Why Labor Should Buy War Bonds

Much of the cost of this tremendous effort should be paid out of current income. To this end our people are urged to buy War Bonds. In this way civilians who cannot enter active combat units have opportunity to contribute to the routing of the greatest military threat that has over-shadowed civilization in modern times.

Through such participation all our citizens can say effectively that such barbarities as the violation of Poland, the dismemberment of Czechoslovakia, the overrunning of France, the mutilation of the Scandinavian and Balkan peoples, the bombing and attempted destruction of England, the invasion of Russia and other unspeakable atrocities of Nazified and Fascistic degenerates shall not be permitted to blight America, "Land of the Free and Home of the Brave."

—(Ray Scott, Editor Brotherhood of Locomotive Firemen and Enginemen's Magazine)

It's just as vital to union brothers and sisters to get their 10% minimum for War Bonds and Stamps up on the line as to pay union dues. The two assessments go hand in hand. For union dues we expect job security and industrial democracy and for War Bonds and Stamps we're insuring national security and international democracy. We've got to buy War Bonds and Stamps with every cent we can spare to insure the closed shop for international democracy.

Work Shirts

It's hard to get a good work shirt. CU found in tests of forty-three brands, ranging in price from 74c to \$1.79. More than half the samples shrank so badly that they could not be worn comfortably after washing. Six of these were marked Sanforized! 24 brands were skimped one to five inches in the chest. 13 were an inch or more short in the armhole. Only 12 of the 43 brands had correct collar measurements.

Most of the shirts were lacking in needed reinforcements, and only four had the number of stitches per inch called for in Federal specifications for work shirts.

Price bore little relationship to quality. Two shirts at around \$1.25 came out the highest, although many more expensive brands were included in CU's tests. Shirts were tested for fit, design, workmanship, washability and durability. The Best Buys as listed in this month's issue of Consumer Reports were: Hale Brothers Double Duty (Chambray, \$1.19); Sears Hercules Cat. No. 622 (Chambray, \$1.25 plus postage); Ward's Cat. No. 3083 (Chambray, 74c plus postage). The first two mentioned were highest quality of all shirts tested.

A work shirt wearer who has been buying one of the brands which rated low in CU's tests can save \$6 a year by switching to one of the Best Buys.

Union Made Work Shirts

The following work shirts tested by CU are union made, under contract with the United Garment Workers of America, AFL: Oakshoob E'Gosh; Lee; The Brave Men; Headlight; Sweet-Oat. The following is union made under contract with the Amalgamated Clothing Workers of America: Melton.

Smaller But Wiser

Too many people have the impression that pretty soon there'll be hardly any goods to buy, and that therefore intelligent choice will be impossible. That's a long way from the truth, points out Consumers Union in its August Reports. Most of the consumer goods no longer manufactured are in the luxury class. Products in the field of food, clothing and shelter have been hit much less, and these basic needs will continue to be met no matter how sharply civilian consumption is cut. Furthermore, we have always spent three-fourths or more of our incomes for these necessities. And buying them will be a vastly more complicated and important job.

There will continue to be numerous conflicting brands and claims. Quality will fall rapidly, but not evenly, among the brands, so that it will make a decided difference which brand you buy; even small savings will be vital, weighed against increasing taxes; and as goods are rationed, it will be doubly necessary to get durable products because they will have to last longer.

Buy less but buy better, CU advises. Careful buying has become not only a personal protection but a wartime duty.

Mail Order Insurance—II

Many workers buy mail order life insurance because it requires "no

medical examination." But this no-medical-examination feature is pretty much a fake, points out Consumers Union in its second article on family group life insurance. For in effect, the medical examination is not eliminated, but postponed until after death.

In taking out a typical mail order policy, the client is required to state that neither he, nor any member of the family group insured, has or has ever had any "disease of the brain or nervous system, heart or lung, cancer or tumor of any kind, vertigo, hernia, rheumatism, tuberculosis, gonorrhea or ANY OTHER DISEASE OR INFIRMITY." After death the company can usually determine by questioning the physician or examining hospital records, whether or not the statement of sound health was true. If it was untrue, the policy is void and no payment need be made. Yet, many persons sign such a statement in good faith.

Even if the insured person was in sound health, and the company has no excuse to hold up payment, it frequently is able to settle for less than the amount due. Mail order insurance companies, though licensed by only one state, do business in many states. Most of their clients live outside the company's home state. If they don't like the way their claims are handled, they must travel to the home state and file suit. Since the amount of insurance is usually small, it's often cheaper to accept any settlement offered than to go through the expensive court procedure.

Big Business Not Afraid of Inflation

Is Against Wage Increase— "On Principle"

Contrary to all the propaganda for wage freezing, business leaders don't believe wage increases will cause inflation, points out BREAD & BUTTER, weekly bulletin of Consumers Union, in the second part of its analysis of wage-freezing.

"We follow the business journals closely," comments BREAD & BUTTER, "and recently we have noticed a trend forming. It seems that business, speaking to itself, is taking an entirely different view of the current inflation scare than a great many of its representatives take, speaking to the rest of us."

"Business, discussing the matter with itself, thinks that the inflationary effect of wage increases and consumer buying has been much over-rated. It thinks that there is much loose thinking on the subject of inflation."

"We do, too. We think that some of the business interests, including the newspapers, have been responsible for much of it. We suggest that they bone up their own organs of opinion."

"For instance, the business magazine United States News has this to say about the War Labor Board's stabilization of hourly wage rates at a level 15% above that of January, 1941 (to match the rise in living costs):

"Many industries have not given raises in wages of that size. If all manufacturing industries now raise their hourly wage rates to a point 15% above January 1941, a total of about \$400,000,000 will be added to wage income. If industries other than manufacturing do the same, that will mean another \$400,000,000 added. Yet this total increase is little more than 1 per cent of the wage and salary bill of \$75,000,000,000 for 1942. If increases for white-collar workers are added, the total would rise. In itself however, this does not spell inflation."

"We should like to add a couple of comments to this statement. Seventy-five percent of consumers units (families and individuals living alone) this year will receive less than \$2500. And 43% of our factory workers are earning less than 70 cents an hour—less than \$30 a week.

"Yet the authoritative Heller Committee declares that a minimum wartime budget necessary to maintain a family of four at a level of health and decency requires about \$30 a week. This allows for the purchase of War Bonds and curtailed buying of scarce consumer goods."

"The present living standards of many workers' families, as measured against this standard, are already dangerously low. But consumer and labor groups will accept lower standards if the war effort demands."

"It is the demand that wages be frozen while prices, higher incomes and corporate profits rise, and the charge that wage increases have practically brought us into inflation, that have rung the alarms in labor ranks."

"Business Week takes a rap at the theorists who have been talking wildly about how 'hot money' is creating a dangerous situation by bidding frantically for a decreasing supply of consumer goods:

"Even when all types of consumer goods were in ample supply—automobiles as well as oranges—and people were flocking to buy in fear of shortages, spending was less than anticipated. Less by as much as \$4,000,000,000 a year, according to one Department of Commerce estimate."

"A second departure from theory came when our output of 'hard goods'—automobiles, refrigerators, radios, and such products—was curtailed to make way for arms. . . Henderson's researchers have found scant evidence of a spree on buying power diverted from 'hard goods.'"

"A final indication that consumer spending habits are exceedingly inelastic came this spring. Then, although the stores still had large inventories to sell, the buying of apparel and other 'soft goods' fell off."

There will still be more purchasing power than goods, but less of it should be considered

"hot," or dangerous to the price structure.

"And the Wall Street Journal reports that the public is helping to lick inflation. Specifically:

"People are buying less . . . paying off debts . . . saving more."

"Such facts lead the United States News to conclude:

"Don't get too excited about the prospect of runaway inflation during the war. It doesn't appear to be in the cards."

"We agree," says BREAD & BUTTER, "that the war inflation will be kept within bounds. But even a controlled increase of 10 or 15% a year can bring critical hardships to low-income families. Such an advance threatens from rising food prices, piercing of retail ceilings and quality depreciation."

"But the quotes above suggest that business itself doesn't put much stock in the inflation boogymen used to scare the public."

as a gift. Do you think the insurance companies are sending such gifts to our boys in the armed forces? You bet not! They'll take, but not give.

Post cards were received from Sis. Sophie Vertovsek who visited her sister in Cincinnati. Sis. Mary Petrovich from Chicago visiting friends and relatives, and Mary Maurich who says she's enjoying Detroit.

Bro. Joe Gasperich certainly surprised us, when he said his wife presented him a son. Congratulations, and we expect a new juvenile for our Sept. meeting, Joe.

The committee selected for the Yugoslav Relief are: Sis. Mitzi Sveglitch and Frances Zimmerman, Bro. Stanley Schober and Tony Petrovich Sr. Because we have selected this committee is no sign that "We" leave all the work for them. We must, everyone of us, do our part, regardless.

Bro. Frank Mance (a Spillery's cousin) from Red Lodge, Montana, spent a week here. Says he likes the West.

Wonderings—We wonder how Bro. F. Barbic likes our streamline trolleys? We wonder why we haven't a local Slav U. S. O. Center. The boys certainly would appreciate such a move. Sis. Lorraine Kuntz, member of the U. S. O., was recently interviewed during an Army program on Station WEW and her photo appeared in a local newspaper, dedicating a branch U. S. O. Center. We wonder where Bro. Frank Roman spent his week's vacation? We would like to hear from Walter Branich who is stationed at the West Lakes. We are still waiting for the Baumgarth Juvenile. The stork has made reservations with the Lonorics, Kokals (F), and Yartzas. Boy, is our Juvenile Dept. going upward. Bro. Pete "Fappy" Dolence spent a few days in Livingston, Ill.

The Spirits wonder if their plans for their 14th anniversary will be interrupted due to present day conditions. The date has been set for Nov. 14. We would appreciate if other lodges in this vicinity would keep this date open, so that two affairs on the same date would not be held.

LODGE SECRETARIES AND PROSVETA REPRESENTATIVES PLEASE NOTE!

Many members who were formerly members of both SNPJ and BSPZ society, are under the impression that since the merger, having two certificates, they are paying and are entitled to two copies of the weekly (official organ) Prosveta. This is not true. Each member, whether or not he was member of both societies before the merger, pays only once—10c per month—for his weekly Prosveta. Please take this into consideration, and especially when several members of one family give up their weeklies toward a subscription to the daily Prosveta. PHILIP GODINA, Manager.
