Zanesljiva zmaga za kanadsko skupnost; nova ustava že letos?

MONTREAL, Kan. — Na pokrajinskih volitvah, ki so bile pretekli tork v Quebecu, je okrog 60% vseh volivcev glasovalo proti predlogu, naj se začnejo pogajanja med quebeško in kanadsko vlado o mirni odcepitvi Quebeca iz kanadske skupnosti. Okrog 40% volivcev — skoraj vsi francosko govoreci — je glasovalo za predlog.

Analitiki torkovih volitev menijo, da je angleško govoreca manjšina v Quebecu glasovala enotno proti predlogu in da se ji je pridružila polovica vseh francosko govorečih državljanov v pokrajini.

Rene Levesque

Najvplivnejši za govornik predloga je quebeški ministrski predsednik Rene Levesque, ki je bil izvoljen leta 1976. V teh 4 letih vladanja je pa Levesque dosegel več ugodnosti za svojo pokrajino in nekateri njegovi podporniki so menili, da ni več potrebe za odcepitev Quebeca.

Kanadski ministrski predsednik Pierre E. Trudeau, ki je tudi doma v Quebecu, a zagovarja enotnost Kanade, je rekel po volitvah, da potrebe za Kanada novo ustavo. V tej ustavi bi bile določene razne jezikovne in druge pravice, ki bi pripadale ne samo Quebecu, ampak vsem kanadskim pokrajinam.

V Iranu usmrtili 29 ljudi zaradi trgovanja z raznimi mamili

TEHERAN, Iran. — Samozvani iranski sodnik ajatola Khalkhali je organiziral in vodil sodno obravnavo zoper 30 ljudi, obtoženih trgovanja z mamili, jih proglasil za krive ter nato obsodil vseh 29 moških na smrt, edino žensko pa na dosmrtno ječo. Smrtne obsedbe so bile že izvršene.

Doslej je Khalkhali že obsodil na smrt več kot 300 Irancev. Iranski predsednik Eani-Sadr je nasprotoval najnovejši sodni obravnavi, a ga Khalkhali ni upošteval in je ravnal kar po svoje.

Khalkhali je bil tisti, ki je razkazoval novinarjem ostanke ameriških vojakov, ki so umrli med neuspešnim posegom v Iranu pred tedni.

Iranski voditelji so pa res zaskrbljeni zaradi uživanja mamil v svoji državi. Poznava- lci iranskih razmer menijo, da uživa mamila več kot 2 milijona Irancev.

Nemiri v Južni Koreji se množijo; vojska strelja na izgrednike

KWANGJU, Juž. Kor. — Izgredniki so prevzeli oblast v tem mestu, v katerem biva 800.000 ljudi. Policija in vojska sta se umaknili v predmestje in čakajo na okrepiteve.

V nemirih v Kwangju-ju je v zadnjih dneh umrlo več kot 25 ljudi, več sto jih je pa ranjenih. Policija in vojska nočeta sporočiti točnejših podatkov.

Poveljstvo vojske v okolici Kwangju-ja je pa izdalo poročilo, v katerem trdi, da so izgredniki vdrlji v orožarne v mestu in odnesli več sto strojníc in več avtomatičnih pušk. V orožarnah je bilo tudi precej streliva tako, da so izgredniki sedaj močno obo- roženi.

Izgredniki imajo v svojih rokah tudi več oklopnih vozil, ki so jih že uporabili proti vojski, pravi poveljstvo.

Opazovalci izgredov menijo, da bo južnokorejski samodržec, gen. Cun Do Hwan odredil vojaški napad na Kwangju. Ker se je udeležilo demonstracij v mestu do 200.000 ljudi, napovedujejo, da bi bila borba med vojaki in obožovalci iz gredniki kruta in krvava.

Demonstracije v drugih južnokorejskih mestih še niso dosegle obsega kot v Kwangju-ju, stanje v vsej državi je pa zelo napeto.

Dve potniški letali se za las izognili hudi nesreči v Chicagu

CHICAGO, Ill. — Na glavnem chicagskem letališču O'Hare je skoraj prišlo do trčenja dveh potniških letal, na katerih je bilo 251 potnikov in članov posadke.

Med pristajanjem je pilot letala letalske družbe American Airlines opazil, da bo na stezi ob istem trenutku neko drugo letalo. Pogumen pilot je odpovedal pristajanje in se s tem izognil hudi nesreči.

Najbližja razdalja med obema letalom je bila le 100 čevljev, kar je silno nevarno.

Zadnje vesti

• New York, N.Y. — Danes zjutraj so dosegli sporazum o 4-letni delovni pogodbi za stopniki Unije profesionalnih baseballskih igralcev in Zveze lastnikov profesionalnih baseballskih ekip. Strajka, napovedanega za danes, ne bo.

• Vancouver, Wash. — Predsednik Jimmy Carter je obiskal prizadeto območje v okolici vulkana Mt. St. Helens. Rekel je, da kaj takega še ni nikoli videl.

Gospodarske razmere v ZDA se slabšajo; zastoje bo zelo globok

WASHINGTON, D.C. — Gospodarstveniki s o g l a š a j o, da se še nadalje slabša stanje ameriškega gospodarstva in da bo letošnji zastoj zelo globok. Kar je najbolj vznemirljivo, pravijo ekonomisti, je dejstvo, da se gospodarski zastoj razširja od gradbeništva in avtomobilske industrije na druge panoge gospodarstva.

Nekateri ekonomisti trdijo, da bo letošnji zastoj eden najglobljih v zadnjih 35 letih in da se bo približal zastoj, ki je bil v letih 1974-1975, kateri je bil najgloblji po drugi svetovni vojni.

Število brezposelnih delavcev znaša danes kar 7,3 milijone ljudi, a bo ostalo brez dela še nadaljnjih 1,500,000 delavcev.

Depresija v ameriški avtomobilski industriji postaja tudi globlja. Načelnik predstavnika doma Kongresa Thomas P. O'Neill je izjavil, da morajo ZDA omejiti uvoz avtomobilov, izdelanih v tujini. O'Neill je kritiziral japonsko vlado, ker noče sodelovati z ZDA glede odprave tega problema.

Chrysler Corp. je poročal, da namerava zapreti tovarno v Detroitu, v kateri izdeluje svoje večje avtomobile, med njimi tipa New Yorker, Newport, Dodge St. Regis in Plymouth Grand Fury. Razen luksuznega New Yorkerja teh avtomobilov ne bo več.

Cvijetin Mijatović že postal predsednik jugoslovanske države

BEOGRAD, SFRJ. — Po pravih sistema kolektivnega vodstva, ki si ga je zamislil in uzakonil pok. jugoslovanski voditelj Josip Broz Tito, je državno predsedstvo najvišje državno telo v Jugoslaviji. V tem telesu je sedaj 8 članov, ker je bil Tito devet. Vsaka republika ima po enega zastopnika, kakor tudi vsaka od obeh avtonomnih pokrajin.

Jugoslovanska ustava je določila, da je bil Tito dosmrtni predsednik Jugoslavije. Vsako leto so pa Tito in drugi člani državnega predsedstva izvolili nekoga med njimi, ki je postal podpredsednik države, in sicer za eno leto. Ko je umrl Tito, je bil ta podpredsednik Makedonec Lazar Koliševski, ki je potem postal predsednik Jugoslavije.

Kmalu nato so izvolili člani predsedstva Cvijetina Mijatovića, ki zastopa Bosno in Hercegovino, kot novega predsednika. Ker je Koliševskega mandatna doba potekla že 16. maja, je odslej Mijatović jugoslovanski predsednik.

Zanimivo pri tem je dejstvo, da je novi podpredsednik Jugoslavije za l. 1980/81 predstavnik Slovenije v državnem predsedstvu, 66 let stari Sergej Kraigher. To pomeni, da bo postal Kraigher predsednik Jugoslavije maja 1981, ko bo potekla Mijatoviće-va mandatna doba.

Kadafi jevil morilci ubili dva druga glasna oporečnika

RIM, It. — Agenti libijskega samodržca Moamarja Kadafija so ubili nekega 55 let starega oporečnika v tem mestu in v Atenah pa 23-letnega priseljence iz mesta Tripolija.

V zadnjem mesecu so neznan libijski atentatorji že ubili 8 znanih oporečnikov. V Rimu se morilci ustili pismo v stanovanju ubitega oporečnika, v katerem so rekli, da bodo še naprej ubijali "nasprotnike ljudstva".

Tito je prešel v zgodovino

Seveda ni šlo vse brez napak. Stalinov sistem vladanja je ostal v Jugoslaviji še precej let po prelomu s Sovjetsko zvezo. Trajal je nekako tja do leta 1953-1956. Eden najbolj značilnih dogodkov iz tega časa je aretacija, proces in zapor zagrebškega nadškofa kardinala Alojzija Stepinca. Zapor zagrebškega nadškofa Stepinca je bil verjetno najbolj zgrešena Titova poteza v notranji politiki.

Letos je 20. februarja poteklo 20 let, odkar je Alojzij Stepinac umrl kot interniranec v svoji rojstni vasi Krašiću, njegov grob v zagrebški stolnici je pa še vedno vsak dan poln svežih rož.

Nekako od leta 1955 dalje se stalinistične metode v Jugoslaviji začnejo umikati novim, bolj humanim. Okrog tega leta so polagoma izpu- stili iz zaporov politične pri- pornike iz dobe stalinizma.

PRESEDNIK CARTER IN R. REAGAN ZMAGALA V STRANKINIH BORBAH

WASHINGTON, D.C. — Dve vodilni televizijski poročevalni agenciji ABC News in CBS News menita, da ima republikanski predsedniški kandidat Ronald Reagan dovolj podpore v svoji stranki, da je njegovo imenovanje za strankinega predsedniškega kandidata na novemberskih volitvah že zagotovljeno.

Analitiki ameriških političnih razmer soglašajo tudi, da bo v sličnem položaju v demokratski stranki predsednik Jimmy Carter po primarnih volitvah, ki bodo v državah Ohio, Kalifornija in New Jersey v tork, 3. junija.

Potek letošnjih primarnih volitev in strankinih konvencij jasno kaže torej, da bosta tekmovala novembra letos Jimmy Carter in Ronald Reagan. Nekaj nenavadnega letos je neodvisna kandidatura republikanskega kongresnika Johna B. Andersona. Javna povpraševanja kažejo, da bo dobil Anderson 12 do 15% vseh oddanih glasov. Povpraševalci pa poudarjajo, da se ta odstotek lahko povzra ali zniža do časa volitev v novembru.

Republikanski kandidat George Bush, ki je premagal Reagana na michiganskih volitvah pretekli tork z veliko večino, sedaj razmišlja, ali naj odpove kandidaturi. Priznal je, da ima Reagan veliko prednost in da nima večje možnosti, da ga prehití.

Na tiskovni konferenci, ki jo je imel v Columbusu, Ohio, je bil Bush ogorčen nad izjavama ABC News in CBS News, da je Reagan že zmaga- lno v predvolivni kampanji. Obe organizaciji pa trdita, da sta le poročali resnico in da je to tudi njuna dolžnost.

Bush je rekel, da se bo odločil v naslednjih dneh, ali bo nadaljeval s svojo kampanjo proti Reaganu. Dodal je, da ne bo sprejel pod nobenim pogojem imenovanja za

podpredsedniškega kandidata. Sen. Edward M. Kennedy trdi, da ne bo odpovedal svoje kandidature proti Carterju in celo stopnjuje svojo kritiko predsednikove sposobnosti. V govoru, ki ga je podal v ohiškem mestu Cincinnati, je Kennedy trdil, da namerava biti Carter tretji na letošnjih volitvah. Ne samo, da bo zmagal Reagan, je rekel Kennedy, ampak tudi John Anderson bo dobil več glasov, kot jih bo dobil pred- sednik. To pa bo tragedija za demokratsko stranko zato, ker bodo republikanci najbrž dobili tudi večino v obeh domovih Kongresa, kar se ni zgodilo več kot četrstoletje.

Obresna mera naglo pada; avtomobilska industrija v zastoju

NEW YORK, N.Y. — Vodilna newyorška banka Morgan Guaranty Trust je znižala obresno mero, ki jo zahteva od svojih najzanesljivejših izposojevalcev, za en odstotek. Današnja obresna mera je 16%, pred dobrim mesecem je pa bila kar 20%.

Finančniki napovedujejo, da bo padla obresna mera v naslednjem mesecu tudi do 15 aji celo 14%, kar smatrajo za velik napredek.

Zakladno tajništvo je prodalo svoje certifikate, znane pod kratico "T-bills" ali Treasury Bills, za 8,923% obres- ti. Obresna mera ni bila tako nizka vse od 13. avgusta lani. Pred enim mesecem je zakladno tajništvo morala plačevati obresno mero 15% ali tretjino več.

Tisti, ki so kupili T-bills ali Money Market Certificates pretekli mesec, bodo vsi 6-mesečno dobo prejeli še višjo obresno mero, ki je takrat veljala za te certifikate.

Prodaja avtomobilov, izdelanih v ZDA, zaostaja v primerjavi z lanskim letom kar za 33%. Najbolj prizadeti sta Ford in Chrysler, ki prodata kakih 42% manj svojih izdelkov kakor lani ob tem času. General Motors je prodala letos okrog 27% manj svojih v ZDA izdelanih avtomobilov kot lani v tej dobi.

General Motors je bil prisiljen zmanjšati svojo dividendo, ki jo plačuje svojim delničarjem, od \$1.65 za četrtletje na 60 centov. Poznava- lci avtomobilske industrije napovedujejo, da bo Ford Motor Co. morala celo odpovedati plačevanje dividend. Chrysler že več kot eno leto ne plačuje nobenih dividend.

Izvlečki iz življenja DR. VALENTINA MERSOLA

IV.

Prišlo je leto 1941, usodna doba naše trinarodne skupnosti, razkol, počasno uničevanje. Dne 6. aprila tega leta je bil izveden vojaški napad na jugoslovanska ozemlja. Nemci in Italijani, ki so zasedli del ljubljanske pokrajine, so zrezali nekdanjo veliko Jugoslavijo na dva dela.

Kmalu se je pojavila uporna fronta, katera je pa bila sestavljena večinoma iz vrst bivše kraljeve vojaške armade, njenih podoficirjev kot tudi oficirjev. Zamisel pokreta je bil patriotski, nacionalno-demokratski vezan. Prišlo pa je kasneje do nejasnosti, trenj, v katerih sta laž in komunistično trenirani agenti prevarili narod, pomen borbe in nje temelje politične sigurnosti.

Na slepo so dobro misleči borci nasledili, takozvana Osvobodilna fronta (OF) je pridobivala na moči. Kmalu je postalo jasno, da je prevara, da je borba pravzaprav bolj namenjena načinu obratovanja in želji priti do moči in trebljenja pripadnikov demokratičnega tabora.

Italijani so pridno trebili narod, zavedni Slovenci so romali v koncentracijska taborišča. Otok Rab na Jadranu in Gonars v Italiji sta bila najbolj zloglasna le-teh. Prišlo se je streljanje talcev na obeh straneh, tretji pomočnik tej moriji pa je bila OF.

Protikomunistično usmerjeni Slovenci so videli težak položaj. Vstale so obrambne vojaške edinice (vsaške staze, legionarji, takozvana bela garda). Kasneje je bila ustanovljena vojaška vojska "Domobranci" (National Guard) pod vodstvom slovenskega generala Leona Rupnika. (Njegova soproga je bila sorodnica moje žene.)

Bivši kraljevi bojovniki pa so stopili v krog gen. Draže Mihajloviča. Sprejeli so ime "Četniki". Eden slovenskih četnikov in trden protikomunist je bil Leopold Debevec, po činu kapetan, moj in naš dober prijatelj iz italijanskih taborišč. "Draža" je bil priznan od Angležev in zaveznikov, kasneje prezt in odvren, ko je leta 1943. Fitzroy McLean pripravil pot sporazumu za priznanje Tita s Sir Winston Churchillom.

"Draža" so potem partizani ujeli marca 1946 in ga brez pravega sodnijskega postopka ustrelili. Smrtno obsodbo je doživel tudi poveljnik hrabrih domobranskih edinic slovenski general Leon Rupnik v Ljubljani.

njeni nazaj v domovino tudi civilni begunci. Angleži pa so med tem nabrali že okoli 200 beguncev in jih preko Ljubelja vrnili nazaj v partizanske roke.

Preplah in zmeda sta zajela navzoče. Na dan 4. junija 1945 je prispel v Vetrinjsko taborišče sam feldmaršal Earl Viscount Harold Alexander, komandant sredozemskih vojnih operacij, ki je sprejel dr. Valentina Meršola kot predstavnika slovenskih protikomunističnih beguncev.

Dr. Valentin Meršol

Gospod zdravnik, več angleškega jezika in govoru in pisavi, je dosegel vrhunec svoje misije. Opisal je strašno tragedijo vračanih in pojasnil nadaljnji namen angleškega vojaškega vodstva vrniti preostale begunce.

Feldmaršal je takoj pokazal usmiljenje in razumevanje, čul resnico slovenske borbe proti partizanom, bil informiran, da so naši ljudje in vojska vedno bili na strani zaveznikov in poleg vsega tudi skrivali in reševali sestreljene in ranjene zavezniške pilote. Takoj drugi dan, 5. junija, je prišlo zagotovilo in odredba iz pisarne poveljstva komandanta sredozemskih vojaških sil Alexandra, da je takoj ustavljeno vsako nadaljnje pošiljanje beguncev nazaj v Jugoslavijo.

Tudi dr. Julius Epstein je v svoji pisarni izjavil potrdil resnico, da so z deklaracijo maršala Alexandra z dne 5. junija 1945 bili rešeni ne samo Slovenci in Jugoslavi, ampak tudi stotisoči Poljakov in Belorusov, takrat nahajajočih se na ozemlju Avstrije in Nemčije pod angleško zasedbeno oblastjo.

Ko se še po tolikih letih pripravimo in razglabljam, kdo nosi glavno odgovornost za ta grozna početja, je došlo, da previdno prečitata tudi ta kratek odstavek, v katerem je težka resnica.

Dr. Meršol je bil šef-zdravnik domobranske vojske, katera je bila kasneje s proglasom narodnega slovenskega zastopstva preimenovana za "slovensko vojsko", pa je takoj ob prvih vesteh, da s transporti nekaj ni v redu, vprašal visoko vojaško domobransko zastopstvo na štabu, zakaj se takoj nekaj ne uredi? Odgovor ni bil niti pretehtan, kaj šele vojaško ocenjen, saj se je glasil takole: "To so vojaške zadeve in Vas nič ne briga..." Kakšna erodnost? Kaj ni tudi dr. Meršol spadal pod našo "vojaško branžo"? Včasih riba tudi pri glavi smrdi...

Dr. Meršol se zaveda proglasitve maršala Alexandra, je ponosen nanjo, saj brez njega je ne bi bilo, mi smo mu za to ogromno junaško delo iz globine srca hvaležni. To je zgodovinski dogodek, kateri pripada demokratično usmerjenim Slovincem beguncem v listih nove in resnične tragične zgodovine našega po številu tako maloštevilnega naroda, po duhu in smelosti po korajžnega naroda.

Prav tako mu je pri srcu naš šport, posebej smučanje, življenje kmečkega človeka in sploh življenje na vasi, katera se vedno rad spominja. Vsak napredek v Sloveniji ga razveseli.

Prof. dr. Jože Jančar 60-letnik

LONDON, Vel. Brit. — Danes, 23. maja 1980, praznuje svoj 60. rojstni dan v krogu svoje družine v lastnem domu v mestu Bristol mnogim rojakom znani Slovenec dr. Jože Jančar, zdravnik profesor, psihiater.

Naš slavljenec se je rodil v Zalni pri Ljubljani. Njegov danes že pokojni oče je bil organist in cerkovnik tam, njegova mama Marija pa preprosta kmečka žena. Skupaj sta vzgajala svojo 3-člansko družino v zvestobi Bogu, narodu, vernosti in marljivosti. Obilja v tej družini ni bilo, pomanjkanja seveda niso trpeli, božji blagoslov ni zaostal.

Mladi Jože je šel skozi trdo šolo življenja v gimnaziji in na univerzi v Ljubljani, potem pa v internaciji v Gonarsu. V letih 1945-1947 je bil v raznih taboriščih v Avstriji. Leta 1948 je bil odveden v zloglasno taborišče Wolfsberg na Koroškem, kjer je vso težo križa prenašal pogumno in veselo.

Sotrpina v Wolfsbergu sta bila dva velika Slovenci, pok. gg. dr. Jože Basaj in France Kremžar. Na Koroškem je dr. Jože Jančar zbral pri raznih tamkajšnjih oblasteh še pomoč za slovenske študente in je res veliko dosegel za nje. Za vse to delo je prejel večkrat le nehalnečnost.

Sem na "Otok" je prišel z ženo Marijo l. 1948 in se naselil v Bristolu. Prvi dve leti je delal kot bolničar v bolnici, v istem mestu in je marljivo študiral angleščino. Končno se je hotel vpisati na medicinsko fakulteto v Bristolu.

Ker pa ni bilo več nobenih mest na tej fakulteti, je odšel Jože Jančar na Irsko, v mesto Galway pri Dublinu in je tam nadaljeval študij medicine. Že leta 1952 je postal zdravnik splošne medicine. Kmalu nato se je posvetil študiju duševnih bolezni in nevrologije.

Vrnil se je v Anglijo l. 1956 in dobil zaposlitev kot zdravnik v raznih bolnicah v Bristolu. V naslednjih letih je napredoval v svoji stroki in je bil l. 1963 imenovan na Bristolski univerzi za predavatelja v psihiatriji. Še istega leta je bil imenovan za člana pritožnega sodišča za duševne bolezni za zahodno Anglijo.

Napisal je že več razprav in se uveljavil s svojim delom širom sveta. Razprave so bile priobčene v britanskih, irskih, ameriških, švicarskih in danskih znanstvenih revijah. V tej stroki še vedno dela z uspehom in prinaša čast in ponos našemu narodu.

Kljub vsemu temu je mož se vedno pravi, vesel Dolenjec. Zvest je Bogu in krščanskim resnicam, Sloveniji, posebej Dolenjski in stiške mu samostanu ter slovenski kulturi. Z veseljem se sponinja naših škofov Jegliča, Gnidovca, Ujčiča, Vovka, Rožmana in Pogačnika ter dr. Korošca, Kulovca, dr. Capud a Grafenauerja in nešteto drugih.

Pri srcu so mu posebej slovenski glasbeniki Stanko Premrl, Kimovec, Bajuk in drugi. Večkrat trdi, da "šče sedaj se zavedam, kakšne velike moze smo imeli Slovenci in na kako veliki stopnji je naša kultura!"

Prav tako mu je pri srcu naš šport, posebej smučanje, življenje kmečkega človeka in sploh življenje na vasi, katera se vedno rad spominja. Vsak napredek v Sloveniji ga razveseli.

V emigraciji ima naš slavljenec polno znanecv, in pri-

jatelj. Mi, ki bivamo na Otoku, dvomimo, ako se je kdaj prej tako visoko uveljavil v visokih krogih britanske družbe kateri koli drug Slovenec.

Kakšne verske ali politične razprtije naš dr. Jože Jančar ne mara in vsakemu na lep način pove svoje mnenje. Prosimo Boga, naj nam Slovincem nakloni še mnogo tako dobrih, vrlih mož.

O dr. Jožetu naj dodamo tole za bralce Ameriške Domovine: Ze od l. 1948 je zvest naročnik in bralec lista!

Torej, g. Jože! Še mnogo zdravih in veselih let preživite v sreči in milosti božji. Vašemu delu, skrbi in dobro svojemu bližnjemu pa ves uspeh tudi v bodoče! Končajmo prav po domače:

Bog Ti daj živeti še mnogo, mnogo let,

*enkrat pa z angelci**"Glorio" zapet.**Živel naš Jože!*

To Vam iz srca žele in Vas pozdravljajo Vaši rojaki na "Otoku"

CLEVELAND, O. — Ko se bo v nedeljo, 25. maja, na Providence Heights zbrala množica Clevelandčanov, da se pri sv. maši ob poi 12. uri spomni vseh žrtev komunistične revolucije v naši domovini v letih 1941-1945, nam bo v spominu, da je ta prostor izbral naš škof Gregorij Rožman. Nič kaj mu ni ugaljal predlog, da bi se spomin zaporedoma prirejal po clevelandskih slovenskih cerkvah.

Želel je imeti kraj, kjer bodo vsi enako domači med seboj. Lurško Mater božjo je izbral, ker jo tudi Slovenci zelo častimo in v domovini ni skoraj bilo družine, da ne bi posedovala večjega ali manjšega njenega kipca.

Lurška Mati božja na Chardonu je zelo obiskovana božja pot, ki je v oskrbi redovnic sv. Trojice, je nekako v sredi vseh slovenskih domov, raztresenih po Clevelandu, je vsakemu dostop mogoč, četudi nima lastnega vozila in mu ni treba prositi za prisedež, ker more uporabiti mestno prevozno postrežbo. Škof Rožman se je zavezal, da bo tu vsak leto na tak spominški dan sam maševal, dokler bo mogel.

Dve leti, predno se je v javnosti resno pojavilo Društvo slovenskih protikomunističnih borcev, se je na Chardonu obhajal spominški dan z našo dopoldne, ki jo je daroval škof sam, in popoldne z litanijami tudi pod njegovim vodstvom.

O srednja misel je bila podarjena v spomin vseh žrtev, ki so v tistih letih nasilno izgubili življenje, od župana Smihel-Stopiče, Brulca, ki je ves čas mučenja, dokler je mogel, vzklikal: Kristus kralju; župana občine Smlednik, Burgarja, ki je v velikih bolečinah za vero in svobodo domovine zaključil svoje življenje nedaleč od doma; župana občine Senčur, Umnika, ki je zemsko življenje zaključil v tuji hiši pod partizanskimi krogli; mlekarka Ferjana, ki je v Olševku ob svoji ženi moral izkruvati v lastni kuhinji; in Ido iz Komende, ki so jo našli vso iznakaženo pod jaslimi v hlevu ter stotinam enakih primerov, ki so se tako pogosto pojavljali v naši Sloveniji.

Vsemu narodnemu trpljenju so bili domobranci krona, ki so izgoreli, kakor za časa Nerona, smolnate baklje, razsvetljujoč cesarske vrtove Rima in v množicah umirali kakor prvi kristjani v rimskih amfiteatrih. Boleče je, da so se našli Slovenci, ki so

bodo doživeli 31. maja ob 10.30 dopoldne v farni cerkvi Čudodelne Svetinje mašniško posvečenje g. Valentina Batiča, ki je pred leti pustil dobro službo, odšel v noviciat v Philadelphijo, Pa., in končal svoje teološke študije v Mary Immaculate Seminary, Northampton, Pa. Posvetil ga bo torontski pomožni škof dr. Alojzij Ambrožič. Na to sobotno slovesnost so bili povabljeni slovenski duhovniki, ki delujejo v torontski nadškofiji. V nedeljo, 1. junija, pa bo slovesna prva sv. maša novomašnika Batiča. Pridružimo se mu s svojimi molitvami, ki so najbolj dragocene za našim čestitkam. Ker je novomašnik doraščal med torontsko slovensko mladino, bo gotovo lahko napravil marsikaj zanje v letih nemirnega dozorevanja in rasti.

V Ljubljani je umrla dobra mati g. Marice Lavriša, g. Elizabeta Tomažič. Ko se je spominjamo v svojih molitvah, prosimo Boga tudi za zdravje predsednice MZA Cleveland. Veliko dobrega je MZA zadnja leta lahko izpegljala v Clevelandu z mnogimi sodelavci zaradi njene predanosti misijonski ideji. Sodelavka ga. Pavla Bolha iz Timmins, Ont., prosi molitve za njenega brata Franka Primca, ki je umrl v domovini.

Solska sestra Pulcheria iz Kansas City, Mo., priporoča v molitev brata Jožefa Ambrožiča, ki je umrl v marcu v Clevelandu. R.I.P!

V Ljubljani je Bog poklical v večnost tudi dolgoletnega pionirja jugoslovanske komunistične stranke, Josipa Broza-Tita. Pokopan je bil v Beogradu. Vsi, ki smo zapustili domovino, ker smo cenili svoje katoliško prepričanje in svobodo nad vse drugo, se duše pokojnikov lahko dnevno spominjamo v svojih molitvah. Molimo še posebej za vse naše drage in same sebe, da bi lahko ob času, ki nam ga je Gospod odločil, umrli svobodni kot božji otroci nebeskega Očeta, za katere je Kristus umrl in v nebesa odšel, na Vnebohod, da nam pripravi nebesko bivališče.

Molimo tudi, da bi živeli kot katoličani vredni poslanstva, ki nam ga je Bog dal v svobodi. Veliko je in nihče ga ne more izpolniti za nas, če ga sami ne bomo. V domovini danes mnogi umirajo brez duhovnika. V svobodi, ki jo mi vsi uživamo v novi domovini, si moramo milost krščanske smrti zagotoviti s svojim življenjem.

Sestra Anica Miklavčič, ki po izgonu iz Kitajske že leta deluje na Formozu, bo v juliju odšla v Hong Kong, ki je za kanosijanke že od leta 1860 najstarejša njihova hiša, od koder so prve sestre odhajale na Kitajsko. Od tam upa tudi sama še enkrat oditi na kitajsko celino, če se vrata vanjo enkrat odprejo. Sama si to zelo želi. Njen naslov bo: Canossian Mission, 26, Caine Road, Hong Kong.

V Rimu je umrla 17. aprila ustanoviteljica Med. i. cinskih sester v Philadelphiji dr. Ana

vse to odobraval, prežeti satanske miselnosti, da se na ta način ustvarja "boljši družabni red"!

Teško prav presojamo tiste dni iz naše sedanje udobnosti. Vsaka pristranska napihčnost tega spomina je njegova žalitev in za nas same ponižujoča. Z našimi mučenci se združimo v prošnji molitvi za obstoj in svobodo slovenskega naroda.

Janez Ovsenik

Misijonar Janko Slabe je postal v začetku januarja lep pozdrav vsem v MZA, ko se je za pomoč zahvalil. "Hvala lepa za božično pismo in pomoč, ki nam jo pošiljate. Če pošljete s. Ceciliji v Parizu vse gotovo pride do nas. Izročite mojo zahvalo vsem dobrotnikom. Že več mesecev nisem nikomur pisal. Te dneve skušam malo dolg poravnati in zaostalo nadoknaditi."

Na Pepelnico se je oglasil z otoka tudi g. Rok Gašper, C.M., hvaležen za pismo in dar vsem našim pionirjem na Madagaskarju. Vsem se priporoča v molitev in vse lepo pozdravlja.

V Južni Afriki je bil pred nekaj meseci na obisku rojak g. Gorjup iz Toronta in srečal se je z misijonarjem Albinom Kladnikom. Bolezen ga je precej izčrpala in vsem ga ponovno priporočamo v molitev.

O. Jože Grošelj je bil nastavljen na novo mesto v Zambiji, kjer bo sedaj redno deloval.

Naša farna cerkev je dobila v zvoniku lep Marijin kip, ki razsvetljuje ponoči del Scarborough, kjer Marijino Brezmadežno Srce kraljuje. Pridite pogledat, če ste kje blizu...

O koncertu "Slovenska pesem"

JOLIET, Ill. — Slovenski pevski zbor "Slovenska pesem" je v soboto, 3. maja 1980, ponovno navdušil gledalce v dvorani sv. Stefana v Chicagu, Ill. Zbor je priredil svoj tretji spomladanski koncert.

Program je bil tokrat posebno pester in skrbno pripravljen. G. Rus je navzoče vladno pozdravil ter omenil, da je zbor še zelo mlad, vendar je pa nastopil že v več krajih in je vedno doprinesel Slovencem košček domovine v svojih pesmih.

Zavese na odru so se razgrnile. Navzoči v dvorani smo videli 43 nasmejanih obrazov. Ob spremljavi komornega orkestra z univerze Roosevelt in pod vodstvom pevovodje p. Vendelina Spendova OFM je za uvod zbor zapel A. Foersterjevo Sem pevec in peti je vse mi na svetu.

Ljubezen do domovine je zadonela druga narodna. Pesem nam pravi, kdor ima srce, zna za dom solze, za slovenske domovine raj. V Dolinci prijetni je ljubi moj dom, njega nikoli pozabil ne bom.

Pesem o rojstvu, je ta človek na svet rojen, čisto nag in bos, sam pomagati si ni kos, kliče na vso moč mater na pomoč. Narodni Prleško gostovanje in o Barčici, ki po morju plava, jadra se razpenjajo, Marija sedem žalosti, obvaruj nas nevarnosti. Stritarjevo Turki na Slevici.

Zenski zbor se je prav lepo postavil, saj imajo veliko mladih deklet, ki sodelujejo v tem zboru. Zapele so: Tam na vrtni gredi raste rožmarin, Slišala sem ptičko pet', Zeleni gozd je lovčev gaj, Kjer studenec izpod skal kipi šumi, vrši veš gozd. Vrteči zbor iz opere "Večni morнар".

Moški zbor je ponosno zapel Slovenec, Mojo srčno kri škropite, po planinskih sončnih tleh, Oj, lepo je res na deželi, kjer hišca na samem stoji, Buči morje Adrijansko, saj nekdanj bilo si slovensko, ko ob tebi mesta bela naših dedov so cvetela.

Nato je mešani zbor podal pesem S. Jenka Knezov zet, najlepšo rožco bom izbral, jo svoji deklici bom dal, čeprav sem reven kmet, morda bom enkrat Knezov zet. Narodno Kramolca, Kje so tiste steziče, ki so včasih bile, se grmovje zaraslo in zelene trave. Lepa ura, sonce sije, dečva rožice suši. Pozimi pa rožice ne cveto, pušeljc pa mora bit', zelen al' plav, z njim bo fant slovo jemal.

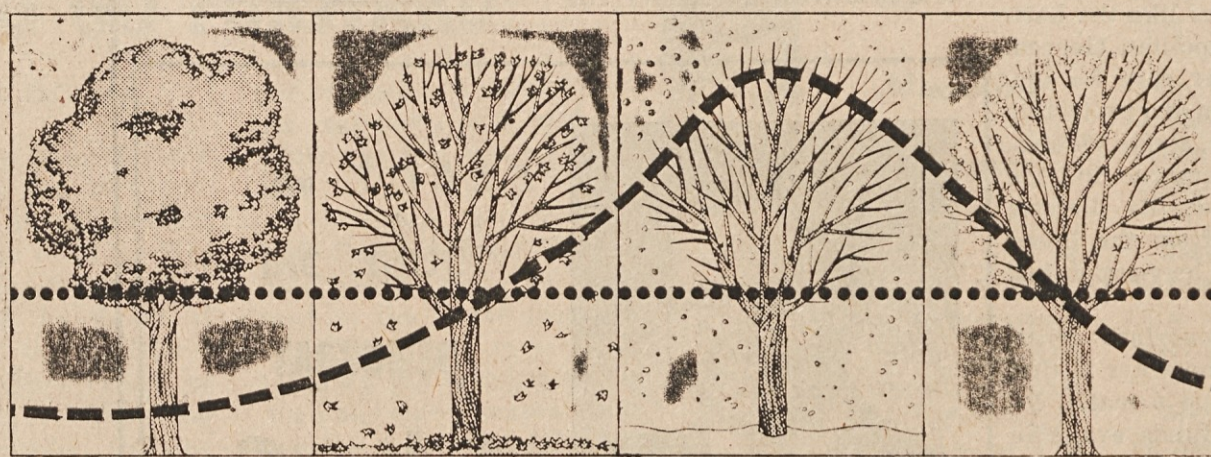

Za konec je pa zbor ob spremljavi orkestra, pianistke in plesalcev SARC podal še Kaj veseli in Le zapleši iz operete Prodana nevesta. Odrezali so se tako lepo in dovršeno, da so ju ob velikem ploskanju gledalcev še enkrat ponovili.

Na koncertu "Slovenska pesem" je bilo res živahno in nepozabno. Naj omenim, da kdor si je upal reči: saj sem zbor že slišal, je tokrat marsikaj zamudil, kajti to je bil eden najboljših koncertov, kar jih je zbor kdajkoli podal.

Posebno pohvalo namreč zasluži voditelj in dirigent zbora p. Vendelin Spendov, ki zbira in pripravlja pevce, pevke in seveda pevske točke. Prav tako pa zaslužijo našo pohvalo člani tega zbora, ki prihajajo od blizu in daleč k nedeljskim vajam.

Zbor "Slovenska pesem" bo zopet nastopil 26. junija na Heritage Day in še 27. julija na Baragovem dnevu, obakrat v Jolietu, Ill.

Ne dopustite, da zima razbije Vaš družinski budžet!

Saj veste, kako je. Ko se zniža temperatura, se poveša Vaš račun za dobavo naravnega plina. Vzrok tega je dejstvo, da plačujete v treh najhladnejših zimskih mesecih več kot polovico letnih stroškov za ogrev Vašega doma. Prihodnja zima bo pa lahko drugačna v tem smislu. Imate priložnost, da se vpišete na naš proračunski plačilni načrt. Ako to storite, mi pregledujemo vaše mesečne račune tako, da ugotovimo, koliko plačujete povprečno vsak mesec. Odslej boste plačevali to povprečno vsoto vsak mesec (tudi v zimskih mesecih). Ako boste tekom enega leta plačali preveč ali premalo, bomo razliko izračunali v dvanajstem mesecu. Na Vašem mesečnem računu bo še vedno označena tudi količina naravnega plina, ki ste jo porabili, kakor tudi druge podrobnosti.

Torej, svetujemo Vam, da se vpišete na naš proračunski plačilni načrt že danes! Izpolnite kupon v našem oglasu in ga vrnite nam po pošti. Ali pa lahko označite vsoto, ki jo boste našli v rdečem krogu na Vašem računu, ki ga boste prejeli ta mesec.

Suhe vrtime na Aljaski

Aljaska, o številnih ocenah najbogatejše naftno ležišče na svetu, se je v minulih letih spremenil v brezno, ki je pogoltnilo milijardo dolarjev petrolejskih družb. Leta 1968 so vrtilci v zalivu Prudhoe na severu Aljasko prodrali na doslej najbogatejše naftno polje ZDA, potem pa je ostalo nad 200 nadaljnjih raziskovalnih vrtn takorekoč suhih. Samo za raziskovalne pravice so naftne družbe v minulih desetih letih nakazale zvezni državi Aljaski skoraj dve milijardi dolarjev, sto in sto milijonov pa je šlo za vrtalne stroške. Naftne družbe kljub temu ne odnehajo: za črpalne pravice v Beaufortovem morju severno od Aljasko bodo na bližnji dražbi plačale po vsej verjetnosti še dve milijardi.

Žrtvujemo se za svoj tisk, ohranimo naš slovenski list Ameriško Domovino!

What is Issue 5?

Mayors of 18 suburban cities have joined Cleveland Mayor George V. Voinovich in endorsing Issue 5, Cuyahoga County's health and human services levy on the June 3rd ballot.

"Issue 5 is essential if Cuyahoga County is to continue to provide vital health and human services like the burn unit at Metropolitan General Hospital, foster care for displaced children and protective care for child abuse victims. Virtually everyone in the community benefits directly or indirectly from the broad spectrum of levy-supported services."

"And an important consideration for the voter is that passage of Issue 5 makes local matching funds available which return to the community more than \$375 million a year in state and federal funds."

Mayors backing the passage of Issue 5 include James H. Cowles, Bay Village; Harvey Friedman, acting mayor, Beachwood; Jack Kafer, Berea; Jack A. Hruby, Brecksville; Edna M. Deffler, Broadview Heights; John M. Coyne, Brooklyn; Angelo Wedo, Brookpark; Anthony J. Giunta, Euclid; Richard G. Anter, II, Fairview Park; Emil J. Lisy, Jr., Maple Heights; John G. Halak, North Royalton; William P. Mahoney, Jr., Olmsted Falls; Paul W. Cassidy, Parma Heights; Walter C. Kelley, Shaker Heights; Charles J. Smercina, Solon; Arnold C. D'Amico, South Euclid; Raymond J. Grabow, Warrensville Heights, and Alexander R. Roman, Westlake.

Ohio Congressmen Mary Rose Oaker, Ron Mottl, Louis Stokes and Charles Vanik and the Cleveland City Council are endorsing Issue 5. Both the Democratic and Republican parties have approved the issue as well as the Cuyahoga County Delegation to the Ohio Legislature.

Recommends Lipold

On Tuesday, June 3rd, Ohioans will be going to the polls to vote for their public servants. Among the candidates for County Judge is Albin Lipold. Mr. Lipold is a practicing attorney, a former assistant prosecutor for the City of Cleveland.

Mr. Lipold is proud of his Slovenian heritage. He has lived in our community and been active in Slovenian affairs. He prepared the rules and regulations for the Catholic Mission Aid Society (also known in Slovenian as MZA). It was he who did all the paper work to incorporate the CMA under Ohio laws. In this connection I worked with

Mr. Lipold and had first-hand knowledge of him. Mr. Lipold is honest, sincere, hard-working, and very conscientious. I believe that he would make a very good judge. Especially today, we need good men like Albin Lipold, candidate for Judge of Cuyahoga County, in public office.

Please tell all your friends and relatives to vote for Al-

bin Lipold next June 3rd.

The co-chairman for the committee to elect Albin Lipold is another Slovenian-American, the formerly in charge of U.S. Customs in this area, Mr. John Kovacic. This is a recommendation in itself for the election of Mr. Lipold to the judgeship.

OLD AGE HOME PLANS TO GO FORWARD

by Jim Debevec

The Slovene Home for the Aged on Neff Rd. in Cleveland held its annual meeting on Friday, May 16, at the Waterloo Slovene Home.

Members of the Board of Directors and the staff gave reports describing events of the previous year. The main topic for discussion was the proposed expansion from the present 87 beds to 150. President Albin Lipold said permission to proceed was granted at the special meeting in March and that the architects are proceeding with their work and bids from contractors are being solicited.

According to the permission to expand received from the State of Ohio the Home may spend up to \$1,859,000 in the expansion. If the bids should exceed this sum, we must re-apply to have the larger amount accepted.

In other matters it was noted that during the year \$63,822.50 was received in donations. The majority of contributions is from individuals.

Two-thirds of all the income the Home receives from the residents and from Medicaid goes to pay wages of the employees.

Marie Shaver reported that at present there are 87 residents, of these 63 are women and 24 are men. The average age is 84 and the average stay

per resident is 4 years. Forty-six residents are self-pay, while the rest are on Medicaid.

A house on the corner of Neff Rd. and Bella Dr. was purchased to make an access road to the Home from another direction.

During the meeting individuals and club representatives donated a total of \$11,330.00 for the Home. \$1,000 came from the employees themselves. The biggest single donor was St. Mary's Church (Collinwood) with a \$5,000 check from Father Victor Tomc. Joe Ferrera presented the check and urged the other Slovene parishes and national homes to help contribute to the Home for the Aged.

Two long-time members of the Board, Frank Kosich and James Kozel, declined to run for re-election. President Lipold praised them for their contributions to the Home and the Board of Directors at its first meeting last Tuesday evening voted both men Honorary Directors of the Home.

Re-elected for three-year terms were Albin Lipold, Josephine Hirter, John Cech and Ron Zele. Serving his first three-year term is an alternate from last year, Walter Lampe. Newcomers to the Board are alternates Josephine Trunk and John Strancar.

By TONY PETKOVSEK

Johnny Vadnal to be Honored at a Big Polka Week at Miskulin's. Although it will be a week long celebration at Miskulin's Lounge, 832 E. 200 St., beginning Monday, June 9, the highlight event will be a Tuesday Testimonial Breakfast at 11 a.m. for which tickets are now available. Kenny Bass is promoting this annual event which has honored a variety of local polka musicians. Complete details on the Vadnal event will follow in a future column.

Johnny Vadnal, Kenny Bass, Eddie Habat, and Lou Trebar were again nominated for the Polka Music Hall of Fame Awards coming up this summer and sponsored by the International Polka Association. Their names appeared on official ballots which were sent to polka promoters across the country. The four local musicians were among approximately 50 nominees for which only one will be selected.

Lojze Slak of Slovenia is Coming the First Week of July. The popular button box vocal ensemble, Lojze Slak, will be making its third Cleveland appearance beginning with a Thursday, July 3 concert at Euclid High. The group will also be at the AMLA Recreation Center in Leroy Township on the 4th and 5th of July. The event will commemorate the tenth anniversary of the sponsoring group, United Slovenian Society. Bob Timko Finally Found in Clearwater, Fla. Although he has been virtually out of sight since he packed his bags and moved to Florida, former bandleader and tavernkeeper was selling cars at Stone Buick in Clearwater. His

number has been unlisted and unavailable to former friends in Cleveland. He told an individual that he did not pack his accordion with his bags and has not played since he left Cleveland.

Harvey and June Mlachak have become new managers of the popular clubroom of the Slovenian Society Home on Recher Avenue in Euclid. They have worked for a number of years at local establishments in the Euclid area and are a very pleasant couple. They replace the Habats.

Teddy Kennedy Jr's appearance at the Bonnevill Tower in Euclid recently left everyone with a good impression. The 18 year old was stumping for his dad but the Euclid appearance was not too successful since only between 30 and 40 people attended.

In a radio interview this past week, Vice President Mondale told me that he met with the new President of Yugoslavia Kolisevski after he attended the funeral of Tito. He said the relations between the U.S. and Yugoslavia were the best they've ever been; that Tito and Carter were close friends; and that he was most encouraged about the future of Yugoslavia stating that the people there are tough, strong, and nobody would push them around.

Congratulations to a fine young band by the name of Brian Somrak on the release of their new and original single, "From Us to You". The group will be hosting a bus tour to the Mellody Bar in Milwaukee on the weekend of June 6.

Nationalities Endorse Pokorny For County Commissioner

The Nationalities of Cuyahoga County need to elect former Democratic County Commissioner Frank R. Pokorny at the June 3, 1980 primary election.

In the past, the Board of Commissioners had ethnic representation. Presently it does not. It is vital for nationalities to again be represented. You are urged to vote for the endorsed nationality candidate, Frank R. Pokorny, for County Commissioner. He is a proven friend and an experienced public official with 19 years as a member of the Ohio Legislature, and the Board of County Commissioners.

Pokorny has grown in experience, stature and maturity. He is once again ready to take a leadership role in County government.

Nationalities for Pokorny urge the return of nationality representation. Vote for Frank R. Pokorny on June 3, 1980. Steve Sulkowski of 3619 East 47th St., Cleveland, Ohio is serving as chairman.

About Issue 7 (Library Levy) and Reduce Your Taxes

The Cleveland Public Library with its 34 neighborhood branch libraries is a "good neighbor" to residents in every part of the city.

Five years ago when the "good neighbor" was in desperate need of help, Clevelanders rallied together and overwhelmingly approved an operating levy which provided tax dollars to keep Library doors open.

Today the picture is a good deal brighter. Even with inflation, the Library has stretched its funds to provide for 14 new construction or remodeling projects in the neighborhoods. Major, critical repairs have been made to the 55-year-old Landmark Main Library, downtown. Special services to the blind, handicapped and homebound have been preserved. Fresh, new books, popular paperbacks and musical albums are available everywhere. Longer service hours are in effect, including Sunday hours in both east and west side neighborhoods. Parents will remember the additional service hours added during the recent school strike. Behind-the-scenes improvements have been made: the Library has modernized and streamlined its management and processing methods in ways that are both time and cost efficient.

The current operating levy expires in 1980. The money has been stretched as far as it will go, but more work remains to be done. The Library is doing its best with the funds it has, but the need to renew the tax levy is critical.

URGES ISSUE 5

(County Health & Human Services)

Issue 5 is a 4.4 mill levy to support essential health and human services in Cuyahoga County. These services include those provided by the county hospital system, the county welfare department, and many other community agencies.

Passage of Issue 5 is vital for the well-being of the elderly, the sick, the disabled, the homeless, the orphans, and abused children.

Almost everyone in the county benefits directly or indirectly from these levy supported services. It is safe to estimate that on any given day more than 1/4 million Cuyahoga County residents are helped by Issue 5! Just a few examples: Each day 2,300 persons receive medical care from the county hospital system which guarantees high quality medical treatment to all citizens of the county. These services include the Burn Unit, the Rehabilitation Program for victims of strokes and spinal cord injuries, the Comprehensive Care Program for children with multiple handicaps, the contagious disease service, and the tuberculosis in-patient services.

Each year the county processes 200 children for adoption. Each year the county's foster care program provides substitute family living for 1,800 children. Each year 150,000 persons take advantage of services provided by the Central Medical Emergency Dispatch (CMED), the Poison Control Center, the Community Information Services, and the Suicide Prevention Center.

Passage of Issue 5 will raise about \$42 million per year. This amount will generate \$378 million of additional support each year in State and Federal funds. These State and Federal Funds are our very own income tax dollars coming home to work for us. If we do not retrieve them, they are used in other parts of the state and nation.

Issue 5 is a renewal of the existing 3.4-mill levy, plus the addition of 1-mill. This means that a taxpayer whose home is valued at \$30,000 will pay an additional \$10.50 a year in taxes. The owner of a \$50,000 will pay an additional \$17.50 a year.

Our Support**

On June 3, voters will be asked to renew Cuyahoga Community College's levy to provide for continuation of educational services. Voting yes will not increase our taxes. We urge you to vote yes for Issue No. 6 on June 3.

The low tuition, open admission, two-year community college is a unique educational experience. Cuyahoga Community College is truly everyman's college. It provides every resident with a passport to an enriched life for him and his children.

Where can those of us in need of job training or re-training learn marketable skills? Where can the high school graduate take his first step toward a bachelor's degree at minimal cost? Where else can the housewife planning to re-enter the job market get free guidance and support?

Our community college gives us the opportunity to succeed and to become what we would like to be and what we would like our children to be.

The college is making new efforts to offer additional programs in language and heritage studies. A "new citizens program" and cultural awareness center operates on the CCC campuses. At the annual meeting of the Nationalities Services Center, in the Lithuanian Community Center, Cuyahoga Community College Chancellor Dr. Nolen Ellison emphasized the similarity of interests the Services Center and CCC have in helping all

But we do need to make room for larger affairs. These are our present building plans but we do need help to finance the building.

If you can help us by being one of our investors, your money will be safe, and your money will earn a substantial amount of interest. We all

knod the rates for borrowing money at the banks at this time. We are trusting we have enough friends, in our Slovenian Land of friends, lodges, and organizations to come forward and help us out with the financing of the new proposed building.

It is with pride that we will continue our Slovene heritage and culture, for ourselves, our children, and our friends.
