V SENATU DEBATIRAJO O BREZPOSELNOSTI

La Follette in Wheeler ožigosala administracijo radi negovanja komunističnega strahu, ki je brez pomena. Odpomoč brezposelnim mora priti!

Washington, D. C. — Zvezni senat je 3. marca tri ure debatiral o vprašanju brezposelnosti v Združenih državah. Bila je prva debata te vrste letos v senatu, ki dokazuje, da postaja problem brezposelnosti tako akuten, da ga kongres ne more več ignorirati. Debata je bila sprožena že zadnjo soboto, ko je senator Brookhart, progresivec iz Iowe, predlagal, da kongres dovoli iz zvezne blagajne 50 milijonov dolarjev za odpomoč brezposelnim.

Pondeljova debata se je sukala okoli ostre kritike, ki je bila naperjena proti Hooverjevi administraciji, katera je doslej brezposelnost popolnoma ignorirala, medtem ko hoče prepričati javnost, da ves nepokoj med delavci izvira iz ponovne "komunistične nevarnosti". Zahteva govornikov je bila, da oblasti prenehajo z "rdečim strašilom", vlada pa naj pomaga brezposelnim delavcem.

Senator Wagner iz New Yorka je obtožil Hooverjevo administracijo, da izrablja zavlečeno carinsko evakvacijo kot zastor di- ma, s katerim zakriva dejstva industrijske depresije. Senator Wheeler iz Montane je protestiral proti policijskemu pretepanju brezposelnih delavcev v New Yorku in Chicagu, ki se vrši pod pretvezo "komunističnega strahu". Wheeler je zahteval, da se pokliče k zaslišanju Matthew Woll, prvi podpredsednik Ameriške delavske federacije, ki je rekel pred nekaj dnevi, da je komunistična internacionala poslala \$1,350,000 v Ameriko za financiranje izgradov med brezposelnimi delavci.

Senator La Follette iz Wisconsinu je dejal, da je strašenje s komunisti naravnost smešno. Pešica komunistov v Ameriki je tako neznatna, da je ni vredno omenjati. Vsi delavci v Združenih državah so komunistični lokalni in vlačji v zapor majhno število oseb, a tem pa dela vtis, kakor da so vsi brezposelni delavci, ki demonstrirajo na ulicah, komunisti. Nedvomno je v teku kampanja, da se vsi delavci in delavke, ki so brez dela in v stiskah, poborjajo z rdečo barvo in ustrahujejo s policijskim kolom. Brezposelnost je resen ekonomski problem, ki se ne da rešiti s policijsko histerijo in z rdečim alarmom, je dejal La Follette.

Wheeler je pa rekel, da so nedvomno privatne detektivske agencije spej na delu s provokacijami in hujkanjem brezposelnih na izgrede, da bo kaj zaslужili. Mnogi takozvani komunisti so policijski špiuni, ki vidijo v reševanju položaja novo priliko za umazan business.

Wagner je povedal, da so občinske prenočevalnice v New Yorku nabasane z brezposelnimi stromaki in mnogi, ki ne najdejo tam prostora, morajo prenočevati na tovarnih ladjah v pristanišču.

Chicago. — Čikaška policija je prepreževala vse demonstracije brezposelnih, ki so jih napovedali komunistični voditelji za četrtek, 6. marca. Policija grozi z aretacijami vsem, ki se udeleže kakih demonstracij, in z deportacijo vseh udeležencev tujerodcev, ki niso državljani.

Senator Couzens iz Michigana je dejal, da je po njegovih informacijah okrog tri milijone delavcev brez dela. On priporoča, da se bivšim vojakom takoj izplača bonus v gotovini: to bo nekaj pomagalo. Drugi senator iz Michiganu, Vandenberg, je pripomnil, da kongres takoj sprejme

Delavska konferenca v Brookwoodu

Udeležilo se je okrog petdeset delavskih voditeljev

Katonah, N. Y. — (F. P.) — V prejšnjem tednu se je zbrala skupina delavskih voditeljev na konferenci, da razpravljajo o industrijski situaciji in izobrazbi delavstva. Zborovanje se je vršilo v prostorih Brookwood delavskega učilišča.

Jim Maurer, veteran socialistične stranke in concilman v mestni upravi Readinga, Pa., je vodil diskuzijo o politični akciji in izobrazbi delavcev. Na zborovanju se je veliko govorilo o vzajemnem delovanju delavskega časopisa in nalogah delavske šole. Delavska izobrazba je bila predmet govora A. J. Musteja, ki ga je imel ob zaključku konference.

Vsi govorniki so naglašali, da je glavna naloga delavskih šol vzgajati agitatorje, ki se posvečijo gibanju za organiziranje delavstva strokovno in politično. Na dneveni red je prišlo tudi poročilo o ustanovitvi novih delavskih učilišč v Saettlu, Denverju in Philadelphiji. Poletne šole za delavce v Bryn Mawru in v mnogih mestih na jugu, ki so bile ustanovljene v zadnjih letih, so se izkazale za zelo koristne, ker so vzbudile mnogo zanimanja med delavstvom za organizatorično delo. Brookwood je imel v prejšnjem letu rekordno število dijakov; tudi v tem letu se je prijavilo veliko števil kandidatov za vstop v šolo.

Razprava o neodvisnosti Filipinov

Filipinski komisar zanika trditve o civilni vojni med domačini

Washington, D. C. — (F. P.) — Pred senatnim odsekom za otoske in teritorialne zadeve se zaslusavajo glede neodvisnosti Filipinov nadaljujejo v prisotnosti filipinskih delegatov, ki pojasnjujejo o položaju na otoku.

Filipinski komisar Osias je v debati o izjavah opozicije, ki trdi, da bodo nastali verski spori in da bodo katoličani napadli mohamedance v slučaju, da se ameriška vlada izreče za neodvisnost, dejal, da so vse take trditve brez podlage. Verska nasprotja med Filipinci, je dejal Osias, niso niti tako ostru kot je boj med mokrači in suhači v ameriškem kongresu. V krogih, ki nasprotujejo neodvisnosti Filipinov, se večkrat povdarjajo plemenske razlike prebivalstva na otoku, ki pa niso nič večje kot v Združenih državah, kjer živi okrog petnajst milijonov zamorcev, je izjavil Osias.

vse načrte za javna dela, ki bodo stala milijone dolarjev.

Senator Black iz Alabame je pa za hitro omejitev — priseljevanja. Kanadsko in mehiško mejo je treba čvrsto zapreti.

Unije priskočile na pomoč stavkarjem

Parmelee kompanija je bila prisiljena odslužiti vohune, ki so izvajali nemire

Pittsburgh, Pa. — (F. P.) — Railway Audit & Inspection Bureau, ki je nabavljala stavkoka- ze za Parmelee Transportation Co., je morala prenehati s svojimi aktivnostmi na pritisk oblasti, ki so dognale, da so njeni vohuni in provokatorji odgovorni za nasilja proti stavkajočim voznikom taksijev. Predno je bila izdana odredba proti imenovani agenciji, je bilo aretiranih nad sto stavkokažov in vohunov, ki so terorizirali stavkarje.

Umor simpatičarja stavkarjev William Dreiholm je podžgal vznemirjenje, da so postali odločni v svojih zahtevih za priznanje unije. Posredovanje mestne uprave, da se izravna nesoglasja, ni prineslo nobenega uspeha, ker se je transportna kompanija zoperstavila glavni zahtevi stavkarjev, ki je priznanje unije.

Simpatije ljudstva so na strani stavkarjev, ki so pokazali svoj pogum v boju s kompanijskimi vohuni in pobojniki. Vse lokalne unije so priskočile na pomoč voznikom z živili in z denarjem.

IZVAJANJE SODNIJSKE PREPOVEDI

Nogavičarji apelirajo na mestno upravo, naj ne dovoli policiji forsrati injunkcije

Philadelphia, Pa. — (F. P.) — Ali je policija dolžna ubogati sodnika, ki izda injunkcijo proti piketiranju? To vprašanje so naslovili mestni upravniki nogavičarji, ki so zastavali pri Aberle Hosier Co., ki je izposlovala na sodišču injunkcijo proti piketiranju njene tovarne.

Vodje stavke so mnenja, da ni dolžnost mestne policije poseči v industrijski spor in ubogati sodnika, ki je znan kot velik so- vrtačen organiziranega delavstva. V tem smislu so poslali apel na mestno upravo, naj ne dovoljuje policiji, da bi bila o- rožje sodnika ter izvajala njegove ukaze.

Haitičani zahtevajo odhod diktatorja

Port-au-Prince, Haiti, 4. marca. — Voditelji haitičkih organizacij, ki imajo pol milijona članov, so večeraj povedali Hooverjevi komisiji, ki preiskuje razmere na Haitiju, da haitičko ljudstvo želi, naj ameriški komisar, general John H. Russell, zapusti deželo, ker je že sito ameriškega diktatorja.

Volitve v uniji pekarskih delavcev

Chicago. — Pri volitvah uradnikov Bakery & Confectionery unije so bili ponovno izvoljeni vsi člani eksekutivnega odbora. Charles F. Hohmann je predsednik in Henry Koch tajnik.

Lewisova kampa- nja na polju antracita

Podal se je na agitacijo, da pridobi rudarje za svoje načrte

Scranton, Pa. — (F. P.) — John L. Lewis, predsednik U. M. W. A., je pričel pospevati posebno pozornost rudarskim unijam na polju antracita, ki so ostale edina trdnjava nekdanjega rudarske unije. Z odcepitvijo dvanajstega distrikta, ki je prenehal s pošiljanjem prispevkov na glavni stan unije v Indianapolis, Ind., so unije na polju trdega premoga edini vir finančne podpore. Lewis je poslal Thomas Kennedyja na to polje, da ohrani prestiž mednarodne unije med rudarji.

Na zborovanju centralnega delavskega sveta v Scrantonu je nastopil Lewis kot glavni govornik. V svojem govoru je ostro bical postopanje uradnikov rudarske unije v Illinoisu, ki so dvignili revolto proti njemu. Ko se je nahajal v tem distriktu, je tudi zagotovil premogarske operatore, da ne bo stavke, ko poteče petletna pogodba, ki je bila sklenjena med njimi in rudarji po šestmesečni stavki l. 1925. Izjavil je, da bo nova pogodba podpisana v mesecu maju za dobo več let.

Lewis je dobro poučen o situaciji in ve, da bi stavka na polju antracita pomenila konec mednarodne unije, ker bi ta ne mogla nuditi podpore rudarjem. Blagajna mednarodne unije je prazna in Ameriška delavska federacija je morala na svoji zadnji konvenciji povrniti celo članarino, ki je spadala nji. V slučaju stavke rudarjev bi bil prestiz mednarodne unije popolnoma uničen, zato se Lewis boji.

Unije na polju trdega premoga so nudile finančno pomoč stavkarjem na polju mehkega premoga. Rudarske unije na tem polju, razen v državi Illinois, so bile po zadnjem štrajku praktično uničene, dvanajsti distrikt pa je revoltiral in prenehal s plačevanjem prispevkov v blagajno mednarodne unije.

En sam angleški kaplan se je upri vladi

Izjavil je, da rajši izgubi službo, kakor da ne bi molil za ruske kristjane

London, 4. marca. — Odredba angleške delavske vlade, ki je prepovedala vojaškim in mornaričnim kaplanom udeležiti se verske službe 16. marca, ko bo anglo-katoliška cerkev molila za "persekutirane" ruske kristjane, je našelata na odpor enega samega duhovna. Dr. John Carlisle se je oglašil z jeznim protestom proti vladi, češ, da je vlada naredila "grozno napako in žalitev svobodne cerkve". On rajši izgubi službo, kakor da bi se pokoril.

Kardinal Bourne je tudi protestiral proti odredbi vlade, ni pa dal nobenih navodil vojaškim in mornaričnim kaplanom svoje cerkve za 19. marca, ko ima rimsko-katoliška cerkev svoj "ruski dan".

Mrs. Dennett oproščena

New York. — Mrs. Mary W. Dennett, ki je spisala in raz- poslala po pošti knjžico "Sex Life", namenjeno šolski mladini, da se seznanji z resnicami o spolnem življenju, in ki je bila vled tega aretirana in obsojena v plačilo \$500 kazni, je bila 3. t. m. oproščena pred prizivnim sodiščem. Sodišče je izjavilo, da je knjžica spisana v najboljšem tonu izobrazbe, ne pa pohujšanja.

Spet stavka v Elizabethtonu

Elizabethton, Tenn. — V tukajšnjih rajonskih tovarnah je izbruhnila stavka, katero vodi unija U. M. W. A.

IZKORIŠČANJE DELAVK V AVTNI INDUSTRIJI

Tovarnarji se ne zmenijo za državni zakon, ki prepoveduje dolg delovnik in ga nemoteno kršijo

Detroit, Mich. — (F. P.) — Dočim je brezposelna situacija v tem mestu še vedno akutna in na tisoče delavcev stoji v dolgih vrstah pred vhodi tovarnen, so delavci v notranjstvi tovarne izpostavljeni grdemu izkoriščanju.

Delavke v tovarnah Briggs Body Co., ki izdeluje ogrodlja za forde, so prisiljene delati 12 ur ponoči. To je sicer očitna kršitev državne postave, toda nikdo se za to ne briga.

Povprečna mezda delavk v tem podjetju je \$12 na teden; dokler ni nastala industrijska depresija, so nekatere delavke zaslužile do \$18 tedensko. Sedaj je to nemogoče. Neka starejša ženska je povedala poročevalcu Federaliziranega tiska, da zasluži le deset dolarjev na teden in pristavila, da najhitreje in v najbolj mučeni delavke zasluži koma \$14 tedensko. Ni dosti prida delo tukaj, je pripomnila, toda za moje delo se je potegovalo petsto drugih.

Večina delavk opravlja akordno delo, ki zahteva veliko naglo- co in izurjenost. Kljub priganj- štvu, ki je odgovorno za mnoge poškodbe, je zaslužek nizek.

AKCIJA ZA ODPRAVO DRŽAVNIH KOZAKOV

Delavske unije in liberalci organizirali odpor proti terorju o- blasti, ki ščiti industrijske magnate

Harrisburg, Pa. — (F. P.) — Premogovna in železarska poli- cija ne bo več vihtela količkov nad rudarskimi in jeklarskimi delavci, ako bo uspeša kampa- nja delavskih unij in liberalcev, ki so se te dni organizirali, da vodijo boj za odpravo državnih kozakov. Glavni stan organizacije je v Harrisburgu.

Krajenje civilnih svobodščin je nekaj navadnega v državi Penn- sylvaniji, pravijo uradniki nove organizacije. V Pennsylvaniji se izvrši več aretacij radi krše- nja zakonov proti uporom, ki- tere stavarjev poslanih v zapor in več terorizma nad delavci kot v kateri drugi državi ameriške U- nije, kar dokazuje zgodovina de- lavskih bojev v zadnjih desetih letih.

Unije in liberalci so otvorili svojo kampanjo v trenutku, ko pride zadeva William Murdocha, Anne Burlak in William Brown- na, ki so bili obtoženi kršenja zakona proti uporom, pred sodišče. Aretirani so bili 1. maja ra- di udeležbe pri delavskih demon- stracijah.

Akcijo za odpravo premogov- ne in železarske policije podpi- ra Unija za ameriške civilne svobodščine. William Gilbert Nowell, protestantovski pridli- kar, ki je bil izgnan iz svoje župnije v Lowellu, Mass., ker se je potegnil in zagovarjal zahte- ve tekstilnih stavarjev, je na- čelnik nove organizacije. Kra- jevne postojanke te organizacije so bile organizirane v Philadel- phiji, Pittsburghu in nekaterih drugih mestih.

Osem milijonov za konstrukcijska dela

Seattle, Wash. — Uprava Great Northern železnice naznanja, da bo potrošila več kot osem mili- jonov dolarjev za konstrukcijska dela na svoji železnici. V na- črtu ima gradnjo mosta čez Columbia reko pri Marcusu, Wash., ki bo stal okrog pol mili- jona dolarjev. Ostalo važno bo- potrošila pri gradnji železniške proge v cascadeskem pogorju.

Ruski železničarji v Chi- cagu ne govorijo o veri

Chicago. — V nedeljo je pri- šlo 34 inženirjev sovjetske žele- zniške delegacije v Chicagu. Rusi so v Ameriki, da si ogledajo ameriške železnice. Pri- šli so kot gostje Pennsylvan- ske linije, ki je Ruse nastavila v Stevens hotelu. Čim so prišli v hotel, je bil tam reporter Tribune, da jih inkvizicira o "verski persekuciji" v Rusiji. Vodja delegacije je pa re- porterju modro odgovoril: "Nas- tu ne zanima vera niti politi- ka, pač pa nas zanimajo vaše železnice."

Zvezna regulacija elektrarn

Bonner predmet ostrih napadov v senatu

Washington, D. C. — (F. P.) — Priznanje, da so vse elek- trarske kompanije še sedaj v tesni zvezi, ki se nanaša na do- ločbe zakonov o meddržavni tr- govini in vied tega podvršene federalni regulaciji, je bilo ne- namenoma izrečeno po načelni- ku zveznega biroja za javne na- prave W. Tylerju, ki je bil za- slisan pred senatnim odsekom za meddržavno trgovino. Na Tyler- ja so kritični senatorji in ga pri- silili na izpoved, da so urad- niki v departmentu za notranje zadeve zanemarjali svoje dol- žnosti.

Tajnik Bonner, ki je bil po- klican na zaslišanje pred senatni odsek, da pojasni obdolžitve, ki so bile izrečene proti njemu, češ, da je pokazal preveliko naklon- enost napram trstu elektrar- ke, je skušal svrniti vse krivdo na zveznega sollicitorja Russella, ki je prvi pokazal na kršitev federalnega zakona od strani trusta, kateri je imel zaslonbo v tajniku Bonnerju.

Bonner se je potem hotel od- kržati sollicitorja z obdolžitvijo, da je Russell napravil več dolga v državi Montani, ki ga še sedaj ni izravnal. Russellu je bila po- tem dana prilika, da pojasni za- devo o dolgovi. Izjavil je, da je res prišel v finančne neprilike, ko je propadlo več bank v Mon- tani, toda dolgove je pozneje po- ravnal.

Senator Dill iz države Wash- ington je naglašal potrebo legis- lacije, ki naj bi ščitila odjemal- ce pred visokimi cenami, ki- tere morajo plačevati za porabljeni elektriko, obenem bi pa dovo- ljevala administraciji kontrolo nad elektrarskimi kompanijami.

Ghandi je dal ultimatum Angliji

Ahmedabad, Indija, 4. marca. — Mahatma Ghandi, vodja in- dijskih nacionalistov, je večeraj naslovil ultimatum na angleškega viceroja, lorda Irwina. Ultimatum glasi, da mora vlada v osmih dneh izpolniti zahteve zadnjega vseindijskega nacionalističnega kongresa; če jih ne izpolni, se za- čne po preteku osmih dni kampa- nja civilne nepokorščine. In- dijsko ljudstvo bo pozvano, naj docela bojkotira vse angleške o- blasti in naj ne plača nobenega davka.

28 oseb utonilo v Franciji, 36 na Poljskem

Varišava, 4. marca. — Svatov- ska družba 36 oseb, ki je potova- la na sanjah v cerkev k poroki, je utonila v jezeru Naroč pri Vilni, ko je vzela bližnjo pot po ledu, ki se je udri.

V Londonu konferirajo brez Francije

London, 4. marca. — Morna- rična konferenca, ki je počivala dva tedna radi francoske kabi- netne krize, se je danes obnovi- la brez francoske delegacije. Od- bori, ki so medtem urejevali razne načrte, so podali svoja poročila.

OBRAVNAVA PROTI MORIL- CEM DELAVKE

Pri prvi obravnavi so bili morilci oproščeni. Delavstvo nape- to sledi dogodkom na sodišču

Charlotte, N. C. — (F. P.) — Vzile protestom mestnega župa- na, da bo obravnava proti moril- cem Elle May Wigginsove vzela mestu dobro ime, se je ob- ravnavna vseno pričela na sodiš- ču okraja Mecklenburga. Ella May Wiggins, tekstilna delavka in mati šestih otrok, je bila u- streljena ob belem dnevu na jav- ni cesti 14. sept. prejšnjega le- ta po pobojniki, ki jih je naje- la Loray tekstilna družba, da u- ganjajo svoja nasilja nad stav- karji. Wiggins je bila članica National Textile Workers unije, ki je vodila stavko tekstilcev v Gastonju.

Obtoženci so bili identificira- ni kot člani drhali in Horace Wheelus je sprožil usodni strel. Po umoru je bilo večje število kompanijskih najetežev aretiranih, toda pozneje so bili opro- ščeni po veleporoti, ki je bila pod direkcijsko prosekutorja John G. Carpenterja, kateri je poka- zal veliko pristranost napram tekstilni družbi. To je povzročilo nejevoljo med ljudstvom, kar je prisililo governorja Gardner- ja, da je odredil posebno preis- kavo s posledico, da je bilo 14 oseb pridržanih za veleporoto. Izid preiskave veleporote je bil spet v prilog obtožencev: Vele- porota je opustila devet obto- žencev, pet pa je bilo pridržanih za sodnijsko obravnavo.

Carpenter je vodil prosekuci- jo proti sedmim organizatorjem tekstilne unije in dospel je, da so obtoženci prešli težke kani. On bo vodil tudi prosekucijo ob- tožencev, ki so umorili Elle May Wigginsovo, toda obravnavi bo prisostvoval državni pravdnik, ki ga je imenoval governor Gardner, da nadzoruje proseku- cijo.

Zunanji bolniki na raku iz- ključeni iz San Franciscu

Ni prostora za vse bolnike in po- skusno zdravljenje je omeje- no. Zgradili bodo veliko klini- ko

San Francisco, Cal. — Dr. Walter B. Coffey in dr. John Humber, odkritelja novega se- rumu proti raku, sta zadnji te- den odpovedala eksperimentalno zdravljenje bolnikom, ki pridejo izven Kalifornije. Zdravnika sta naznanila, da zunanji bolniki ne smejo več prihajati v San Fran- cisco, ker v sedanjih razmerah je še za domače bolnike prema- lo prostora. Poročila v listih o njunem uspešnem zdravljenju je privabilo na tisoče bolnikov v San Francisco, katerih pa nima- jo kam dati in tudi zdravnika ne moreta vsem kaj.

Doktorja sta zdaj naprosila časopisje, naj opozorijo bolnike zunaj Kalifornije, da ostanejo doma.

Los Angeles, Cal. — Dr. Coffey in dr. Humber nameravata v kratkem odpreti tukaj kliniko za zdravljenje raka z njunim no- vim serumom. Klinika se otvori s sodelovanjem dr. R. W. Star- ra in serum bodo dajali bolnikom dvakrat v tednu. V Los Angele- su že imajo začasno kliniko, v kateri zdravijo 300 bolnikov.

Detroit, Mich. — Več kot ti- soč brezposelnih delavcev je pred par dnevi demonstriralo pred mestno hišo. Zborovalec, ki so se zbrali na shodu na glav- nem trgu, je policija razgnala. Do izgrediv ni prišlo in množi- ca se je mirno razšla na svoje domove.

DRUŠTVENE VESTI

East Pittsburgh, Pa.—Članstvo društva št. 629 pozivam, da se vsi udeležijo redne mesečne seje dne 9. marca ob 2. popoldne v Delavskem domu. Rešiti imamo več važnih stvari, tako moramo tudi izpolniti glasovnice o starostnem zavarovanju. Na letni seji smo sklenili, da kdor izmed članov se ne udeleži vsake tretje seje, da bo moral plačati 50c kazni. Nikomur ni potreba plačati te kazni, ako se udeleži seje. Vsek zaveden član bo toliko skrbel, da se bo udeležil vsaj vsake tretje mesečne seje našega društva. Storitno vsak svojo dolžnost napram našemu društvu, kajti kadar smo v potrebi takrat zahtevamo, da naše društvo stori svojo dolžnost napram nam. Ravnamo se v vseh ozirih po pravilih naše jednote, pa ne bo nikdar nobenih sitnosti. Zato pa vsi bratje in sestre na sejo dne 9. marca!—Louis Juk, tajnik.

So. Chicago, Ill.—Naznanjam članom društva št. 8, da se bodo redne mesečne seje od sedaj naprej vršile vsaki drugi ponedeljek v mesecu v navadnih prostorih. Prihodnja seja se torej vrši dne 10. marca. (Vi pišete 9. marca, toda drugi ponedeljek v marcu pade na 10.—Op. ured.) Člani, ne pozabite na sejo. Apeliraj tudi na člane, da redneje in pravočasno plačajo assessment, to je 25. v mesecu. Vedite, to če vi ne plačate assessmenta do 25. v mesecu, vas mora tajnik suspendirati, ali pa plačati assessment iz svojega šepa za vas. Večkrat se dogodi, da se plača assessment za 30 do 40 članov, kar zneso še precejšnjo vsoto, češar pa tajnik ne zmore in mu ne preostaja drugega kot da vas suspendira. Prosim vse člane, da to upoštevate.

Joseph Kuhelj, tajnik.

Beaumont, Ill.—Pozivam člane društva št. 586, da se vsi kolik redno udeležujejo mesečnih sej. Vsakemu je dobro znan zaključek, ki smo ga sprejeli na letni seji decembra, ki se glasi, da bo vsak član suspendiran za 14 dni, ako se ne ravnja po tem zaključku glede obiskovanja sej. Zato vse vajbam, da se zagotovo udeležijo prihodnje seje, na kateri imamo rešiti važne zadeve. Opominjam tudi vse člane, da bolj redno plačujejo assessment na sejah ali pa vsaj pred 24. v mesecu. Moje finančne razmere mi ne dopuščajo da bi za koga zakladal assessment. Vsek član ali članica našega društva, ki ne plača svojega assessmenta pravočasno, se lahko smatra suspendiranega, dokler ne plača istega. Moja krivda ne bo, ako vas to zadene, temveč vaša lastna. Plačujte prispevke na seji ali pa na našem domu pred 24. v mesecu. Prihajajte na mesečne seje bolj redno in v večjem številu.

Frank Šušter, tajnik.

Gary, Ind.—Društvo št. 271 priredi zabavo dne 9. marca v Hrvatskem domu, 2300 Washington st. Ujudo vabimo vse jugoslovanske prijelence iz te okolice, da nas ob tej priliki posetijo. Vsek član našega društva mora plačati 50c, če se udeleži seje ali ne. Tako smo sklenili na prošli seji. Veliki izlet SNPJ v leto 1930

(Pod tem naslovom Izletni urad SNPJ od časa do časa poroča važne in zanimive stvari. Izrežite in shranite!)

Zanimanje v starem kraju

V stari domovini vlada veliko zanimanje za naš veliki izlet, kar je razvidno iz tamšnjega časopisa. Skoro vsi listi so poročali o tem izletu, tako slovenski kot hrvaški. Tu naj navedemo le par izčrpkov iz glasila Saveza organizacij izseljenika u Zagrebu, "NOVI ISELJENIK," ki je posvetil v svoji številki z dne 1. februarja celo naslovno stran našem izletu. Evo, kaj pravi pod naslovom: "Izlet članova Slovenske narodne podpore jednote u domovinu:"

"Kao što smo već javili, sprema se u domovinu ovog leta više izleta naših iseljenika iz Sjedinjenih Država. Među najavljenim izletima jedan je od prvih i najvećih izlet više grupa članova Slovenske Narodne Podpore Jednote. Naš je Savez Organizacija Iseljenika, skupa sa Organizacijom Iseljenika u Zagrebu, već pisao toj našoj velikoj iseljeničkoj podpornici organizaciji sa saradnju u pogledu aranžmana dočeka i boravka njezinih članova u domovini.

"Medjutim donajemo od Iseljeničkog Komisarjata u Zagrebu, da je posebni odbor na čelu sa ministrom n. r. Antonom Kristanom u Ljubljani primio detaljne obavijesti o dolasku tih grupa i da je već odredili i program njihovog boravka u domovini.

"Sve će se te grupe sabrati u Ljubljani dne 27. jula na velikoj svečanosti, koja će nositi ime AMERIČKI DAN U LJUBLJANI.

"Nakon toga će se arandirani izleti tih grupa po Jugoslaviji.

"Naš je Obavještajni Ured, na osnovu tog programa, izvjestio Organizaciju Iseljenika u Zagrebu, Splitu i Sarajevu i poručio da izvrše sve pripreme oko dočeka tih iseljeničkih grupa. Kako Oris u Zagrebu taj pripremi rad već vodi, obzirom na sve iseljeničke iseljeničke grupe, stavila se je već u doticaj sa odborom u Ljubljani za zajednički rad u tome pogledu.

Med doslej pripremljenim izletnicima je zastopanih enajst država, Illinois je na prvem mestu — skupno 17 izletnikov. Potem sledijo: Wisconsin 12, Ohio 9, Montana 8, New York 5, Kansas 5, Pennsylvania 5, Michigan 4, Wyoming 4, Colorado 3, Minnesota 1.

Danes štirinajst dni bomo objavili imena vseh do takrat prijavljenih izletnikov. Vaše ime bo tudi med njimi, ako do takrat izročite našem zastopniku, ali da pošljete na naš urad predplačilo.

Naročite Mladinski list, najboljši mesečnik za slovensko mladino!

ZAHVALA
Podpisana se najtopleje zahvaljujem vsem prijateljem in znancem, ki so naju presenetili dne 15. feb. t. l. Mr. in Mrs. Davis sta naju lepo odpeljala omenjeni dan ven, tako da nisva najmanj slutila, kaj vse nameravajo doma. Ko se vrneva zvečer ob 7. uri domov, je bilo povod tema v hiši. Mislila sva si, no že zopet so šli vsi otroci ven, ali na začetnje, ko sva odprla vrata, so se zasvetile luči in vsa presenečena sva zagledala vse polno prijateljev in znancev, ter polno obloženo mizo in vse okinčano. V resnici nisva vedela, kaj nama je storili, bila sva do solz ginjena. Na tem mestu izrekava najlepšo hvalo mrs. Oblak, ki je tako lepo naučila svojo hčerko Miss Mary Oblak, da nama je napravila v srce segajoč govor, hvala lepa tebi, hčerka draga, uživaj ljubav med prijatelji, ki si nama izročila tako lep šopek srebrnih rož. Lepa hvala tudi mojim otrokom, ki so nama podarili tako lep sestav "Dining Room Set," nisva si mislila, da imate toliko sočutja do naju — no pa saj sva tudi midva veliko trpela, predno sva vas vzgojila, da ste dorasli. Najlepša hvala vsem prijateljem, ki ste se udeležili in ki ste toliko darovali za naju, nikoli nisva mislila, da imava toliko prijateljev, kajti lahko rečeva, da je bilo nad sto ljudi navzočih, ki smo se po dolgih letih zopet enkrat sešli vsi Slovenci iz Elkharta, da — bilo je prijazno — gnilivo segajoče do srca. Zato pa hvala vam vsem skupaj. Obljubljava, da vam bova vračala tju-bezen našo nazaj, kajti to bo nepozabni spomin in bo ostal za vedno v naših srečih, ta srebrni jubilej najine 25 letnice življenja zakonskega nama ne odide več iz spomina. Torej hvala vam še enkrat vsem in za vse, kar ste storili za nas, midva vam pa ostaneva hvaležna do smrti. Mr. in Mrs. Gabriel in Josephine Smole, 829 W. Indiana Ave., Elkhart, Ind.—(Adv.)

Rojen je bil v Zagorju ob Savi in sedaj star 44 let, kjer tudi zapuška enega brata in štiri sestre. Bil je član društva št. 386 SNPJ v Library, Pa., in pa nemakega društva AUB in član Izobraževalnega in zabavnega doma. Da je bil resnično spoštovan in priljubljen, so pokazali obilni venci ob njegovi krsti in pa mnogoštevilni člani in članice, ki so ga spremlili na njegovi zadnji poti na mirovdor. Pogreb se je vršil civilno na narodno pokopališče na Heckettu. Dolžnost me veže, da se na tem mestu iskreno zahvalim vsem, ki so mi stali ob strani v tekih in žalostnih urah. Posebno se zahvalim mr. in Mrs. John Volkar, dalje mojemu bratu Johnu Suša, kakor tudi mrs. Amrožič in mrs. Intihar in vsem drugim, ki so darovali vence v blagi spomin pokojnemu. Lepa hvala družinam mr. in Mrs. John Suša, mr. in Mrs. John Volkar, mr. in Mrs. Jacob Volkar, mr. in Mrs. Martin Raspet, iz White Valley, mr. in Mrs. Mike Bolte, kakor tudi vsem moškim in fantom iz Library, Pa.; lepa hvala tudi šolski mladini. Posebno pa hvala društvu št. 386 SNPJ, nemakemu društvu AUB, ter članom Izob. in zabav. doma. Iskrena hvala tudi mojim bratom in njih soprogram mr. in Mrs. Joseph Suša in mr. in Mrs. Frank Suša, ki sta prišla spremiti mojega soproga na mirovdor. Najlepša hvala vsem članom omenjenih društev za obilo udeležbo pri pogrebu in hvala vsem, ki ste dali na razpolago svoje avtomobile. Lepa hvala tudi vsem, ki ste čuli ob njegovem mrtvaškem odru. Hvala vsem skupaj. Tebi, dragi soprogi in oči, želimo, počivaj v miru in lahka naj Ti bode ameriška zemlja. Spavaj mirno nevdramno spanje, ko spomlad zareli, bomo okrasili tvojo gomilo s cvetličami in jih zalivali z našimi solzami. Žalujoci ostali: Reza Jerman, soproga. Glasovi iz naselbin

Kratek pregled

San Francisco, Calif.—Pogledimo v razpore pred letom, v katerih smo se nahajali, politične delavske ter naše lastne. Kritični in razburjeni so se nekateri člani SNP, kar pa je bilo potrebno. Napadi so čisto lete, na naše napredne člane. Takle kritike in napadanja so neumestno početje, ki ne koristi nikomur. Streljati na naprednjake je nesmisel in se celokupni stvari meče le polena pod noge. S tako taktiko ne bomo prišli nikamor. Treba je več skupnega in konstruktivnega dela, o sebnosti pa moramo pustiti.

Br. P. E. Kurnik je bil za tekoče leto izvoljen predsednikom SND, predsednikom SIK in blaginjskim društvu Tabor Slovenov št. 304 SNP. Zakaj kritizirati in tirati takega naprednega in uglednega člana od dela, mesto da bi mu pomagali? Malo več slege in skupnega dela, pa bomo videli, da v slogi je moč. Ako pogledamo par let nazaj, vidimo, da je naše društvo v tem času zelo napredovalo v vseh ožirih. Zato pa delajmo vsi kot eden za boljši napredek našega društva in naše velike Slovenske narodne podpornice, jednote, katere je v resnici predstavnica našega naroda v Ameriki. Naše geslo bodi: Naprej!

Volitve v Kansasu

Arma, Kans.—Spet se letos vrše kongresne in razne državne volitve. Kandidatje obeh starih političnih strank se že sedaj privajajo okrog korita in očitajo eden drugemu razne nečestitosti. V Kansasu bodo volitve za oba zvezna senatorja, 8 kongresnikov, 40 državnih senatorjev, 125 zastopnikov nižje zbornice, za guvernerja ter za druge državne in okrajne urade.

Socialistična stranka v Kansasu bo postavila kolikor mogoče popolno listo svojih kandidatov za vse urade. V Armi obstoji slovenski soc. klub za Crawford okraj, h kateremu spadajo zavezni delavci iz bližnjih naselbin. Da bo klub povečal svojo aktivnost, ki je še posebno potrebna v volilnem letu, je v ta namen sklenil, da priredi veselo dne 12. aprila zvečer v Yale. Na programu je petje, deklamacije, ples in druga slična zabava.

Razna društva iz bližnjih naselbin prosimo, da ne bi prirejala veselice in omenjeni večer, temveč da posetite nas in tako pomorete do boljšega uspeha.

Anton Sular.

Naprej za našo SNP!

Sydney, C. B., N. Scotia.—Jubilejna kampanja SNP se sedaj nagiba h koncu, toda kampanja za nabiranje novih članov med našimi priseljenci se bo nadaljevala vseeno tudi v tem letu. Kampanja za nove člane ne sme nikdar prestat dokler obstoji naša jednota, ki je že mnogo dobrega storila za naše ljudi na tem kontinentu. Stori mo vsak svojo dolžnost, da bo SNP postal še močnejša.

Brat tajnik društva št. 676 in ustanovitelj tega društva pošilja vsaki mesec deset kandidatov za sedem mesecev, a sedaj o zaključku kampanje pa 15 novih kandidatov. Za meseca marec nam bo poslal spet nekaj novih članov. Kot izgleda gre z vsakim mesecem stvar boljše naprej. Strmimo vsi naše sile, da pomnožimo število članov v našem društvu in da tako pomagamo naši veliki jednoti.

Naprej za večjo SNP!

Stanley Markotich, tajnik.

Poziv na konferenco

Bridgeport, O.—Konferenca soc. klubov in društev Izob. akcije JSZ za vzhodni Ohio in bližnje W. Va., se vrši dne 27. aprila na Piney Forku. Spet sta dve društvi pristopili v akcijo. Vse kaže, da bo konferenca zelo zanimiva in živahna. Želijo je, da bi se še ostala okoliška društva prijavila, da pošljejo na to konferenco svoje zastopnike. Konferenca prične točno ob 10. dopoldne. Naj dodam, da sta soc. kluba v Bridgeportu in Piney Forku najmočnejša, ostali v tem okrožju pa še lahko postanejo močni, ako gredo na delo in organizirajo naše rojake, za kar jim bodo hvalile. Pošljite svoje

Belgijo, Svico, Češko, Avstrijo, Italijo itd.) ter severno Afriko (Tunizijo, Saharo) in bil končno ob svojem povratku nastanjen kot redni profesor alikantja in risanja na državni gimnaziji v Ljubljani. A želel videti in alikanti Ameriko, si je izposloval lanske spomlad daljši dopust ter se napotil proti novemu svetu.

Po trimesečnem bivanju v Clevelandu se je končno podal proti skrajnemu ameriškemu zapadu ter medpotoma marljivo slikal v Yellowstone parku, Seattleu, San Franciscu, Montereyu, Los Angelesu in okolici, Grand Canyonu itd. ter se končno zopet vrnil nazaj proti vzhodu. Tekom svojega dvomesečnega bivanja v filmski metropoli si je natančneje razgledal velike hollywoodske filmske studije ter se tudi osebnostno seznanil in slikal več naših tukajšnjih znamenitih zvezd in drugih visokih filmskih osebnosti — med drugimi Williamo Haynesa, Fanny Bricevo, Dolores del Rio, newyorškega magnata Vanderbilta, našo slovensko filmsko umetnico Zalo Zaranjo itd. V prostem času pa je seveda marljivo slikal kalifornijske pokrajine, stare španske misijone, oljna polja, vinograde, oranžne nasade, morje in obale, mohavsko pustnjo in drugo.

V razstavah ni Božidar Jakac nikak novinec ali začetnik, ker je dosedaj ali sam priredil ali pa z drugimi sodeloval pri nič manj ko 45 različnih razstavah v skoraj vseh velikih mestih Evrope (Dunaj, Berlin, Pariz, Bruselj, Barcelona, Praga, Varšava, Zagreb, Beograd, Ljubljana, Florenca itd.) Njegova clevelandska razstava pa bo še prav poseben zanimiva, ker bo v njej razobesil poleg svojih najnovejših tu narejenih del tudi številno zbirko domačih slik iz starega kraja (Slovenija in drugih krajev Jugoslavije), kakor tudi več svojih afriških del, ki so mu še preostala.

V nasprotju z mnogimi mladimi "revolucionarnimi (?) modernisti" razodevajo Jakova dela nekako fino, mirno in uneseno klasično eleganco in solidnost, ki je ravno zaradi tega toliko bolj prikladna in tem lažje razumljiva ne samo rafiniranemu umetniškemu poznavalcu, temveč istotako tudi navadnemu in neolastnemu ljubiku, ki ne rabi okornega tujega tolmačenja, niti ne mučnega napenjanja svoje lastne domišljije, da se končno vendar prepriča, da pomeni ta črta najbrž drevo in o naka kocka morda goro ali pa hibo, kar se tako rado dogaja pri naših sodobnih "ultramodernistih".

Želeti bi bilo, da se zavzamejo posamezna društva in klubi, domovi, čitalnice, šole, trgovine, kakor tudi vsi oni posamezniki, ki jim dopuščajo sredstva in razmere, za razstavljanje dela in jih pokupijo kar največ mogoče, predno jih odnese umetnik nazaj s sabo; saj dobra originalna umetniška slika je kakor dobro priletno vino: čim starejša, tem dragocenejša. Problemi priseljenca

(Vred napake v naslovu informacijskega biroja, ki se jim je vrnila v njihovem uradu, nas prosi H. F. Hlača, da ponatisemo članek "Problemi priseljenca", kateri je bil pred nekaj dnevi že prioben v Prosveti.)

Priseljeniški in naturalizacijski zakoni so vedno bolj komplicirani. Celo ljudje, ki imajo dolgo izkušnjo in temeljito poznanje v teh zadevah, si morajo dostikrat beliti glavo. Ni čuda, da priseljenec je dostikrat v zadregi in se mora obračati sem ali tja za nasvet. Srečen je, ako dobi pravi nasvet.

Ali celo v slučajih, kjer ni večjih komplikacij, kot navadno vlaganje te ali one prošnje v priseljeniških ali naturalizacijskih zadevah, ni stvar tako enostavna. Lahko je nasvetovati: "Za to prošnjo treba izpolniti tiskovino števil. toliko in toliko." Najprej treba pridobiti ali tiskovino. V mnogih slučajih — zlasti ako človek stanuje v kakem oddaljenem kraju — to pomenja zamudo časa, dostikrat zgrubo enodnevne mezde. Seveda lahko piše po tiskovino na pristojno oblast. Ali to tudi ni tako enostavno za priseljenca, ki težko dela ves dan. Potem pride izpolnitev tiskovine — treba izpolniti v angleščini na mnoga vprašanja — in nekateri tiskovine imajo dolgo vrsto

teh vprašanj, odgovor na katere dela preglednice dostikrat tudi človeku, ki ima višjo šolsko izobrazbo in zna dobro angleško.

Izmed raznih organizacij, ki pomagajo priseljencu preko teh in enakih težav, je Immigrant Information Bureau, 215 — 4th Avenue, New York City. Rojake bo zanimalo, da je ta urad sedaj pod vodstvom našega občanega rojaka, gosp. R. F. Hlača, ki je znan kot eden najboljših ekspertov v naturalizacijskih in priseljeniških stvareh in je o teh stvareh mnogo pisal. Zato lahko pišete v svoji materinščini. Ta urad preskrbi potrebne tiskovine, jih izpolni in odpošilja na pravo mesto — brez oziroma, kje stanujete. Na tak način si rojak pridobi denarja in časa. Mnogi ne obračajo na ta urad tudi, da jim poizve dan in ime parnika, s katerim so prišli, kar je velike važnosti za naturalizacijske in razne imigracijske prošnje.

Za one, ki živijo v New Yorku ali okolici, je urad poleg običajnih uradnih ur tudi odprt v sredo zvečer do 7. ure in v soboto popoldne do štirihi, — kar je jako ugodno za one, ki drugače ne bi imeli časa.

CANKARJEV SPOMENIK

Detroit Mich.—V Prosveti s dne 21. dec. sem čital dr. St. Vurnikov kritičen spis k polemiki o akciji za spomenik Ivanu Cankarju na Vrhniki. Pravi, da se je nekaterim na Vrhniki zahtelo postaviti Cankarju spomenik iz nekakega ponosa, ki so ga dobili po smrti tega velikega slovenskega književnika.

Ker se čutim prizadete, odgovarjam na kritiko, pod katero je podpisal "umetni zgodovinar." Dr. St. Vurnik bi si lahko v svojo zgodovinsko knjigo zapisal tale dogodek: Leta 1918, kmalu po Ivan Cankarjevi smrti, se je organiziral odbor za Cankarjev spomenik v Ljubljani, ne vem ali zato, ker je Cankar umrl v tujini, ali zato, ker se je nekaj letal v Ljubljani.

Vprašam vas, ali je tudi ta odbor delal iz krajevnega ponosa? Po mojem prepričanju so ti odbori — bili so ljubljanski ali vrhnikiški — započeli s akcijo za spomenik Cankarju radi njegovih književnih del, ker se paš zavedajo, da taki geniji zaslužijo spomenike, pa naj bodo še postavljani na Vrhniki ali v Ljubljani.

Vurnik piše, da je vrhnikiški odbor spetiral na ameriške Slovence za denarne prispevke in pri tem postopal tako tajno, da ni javnost tam nič vedela o tem načrtu.

Ce je bila stvar res tako tajna, kako so mogli izvesti o nji? Kje so dobili informacije o iz Amerike tolikih dolarjih?

Detroitski odbor npr. je objavil svoj apel za prispevke v "Prosveti", "Proletarcu", "Glasu Naroda" in "Enakopravnosti." To gotovo ni tajen načrt. Račune o dobljenih in odposlanih prispevkih je istotako objavil. Ameriški slovenski delavci so se odzvali apelu, ker žele, da se spomin Ivana Cankarja proslavi tudi s spomenikom, kakršnega on zasluži. Ali mu narod sploh more postaviti spomenik, kakršnega je Cankar vreden?

V Ameriki ni greh čitati Cankarjeve knjige. Njegove igre niso prepevane. Ljudstvo skušamo seznaniti s njegovimi deli ter mu jih priporočamo v naročitev.

Premotril sem s vseh vidov starokrajsko polemiko o Cankarjevem spomeniku in prišel do zaključka, da v nji odločujoče prevladuje sebični motivi in pa ljubosumnost. Gre le za vprašanje, kdo izmed kiparjev bo dobil naročilo izdelati spomenik. Vsa ta kritika — lahko bi rekli — izhaja iz borbe za kruh. Obžalujem, da nimamo naročil za toliko spomenikov, koliko je slovenskih kiparjev-umetnikov, posebno v Ljubljani.

Lani je bil v Ljubljani odkrit spomenik Napoleona. Ves meščanski svet mu je kladil s slavospevi — toda mar ima Napoleon res take zasluge za slovenski narod? Mar ni bil on posebej militarist, kakršni nima primerov v zgodovini? Za Napoleonom spomenik ni bilo kritiki. Sodelovala je gospoda, narod pa je vplil živijo. Avtor "Hlapca Jerneja" je pa še vedno brez bronastega spomenika.

Polemika o vprašanju, kakšen naj bo spomenik in kje naj se ga postavi, je sicer na mestu, toda ko je enkrat denar še shranjen, je neaktivni gostom lahko dajati nasvete vsakokrat lažje, kakor pa dolarje ali dinarje.

Nas v Ameriki niso vodili pri tej akciji nikaki sebični nameni. Hoteli smo pomagati pri delu za spomenik, in ker je bil vrhnikiški odbor pač edini, ki je res delal ter zbiral gmotna sredstva tudi doma, je umerno, da je dobil med ameriškimi prispevatelji najboljši odziv. Naša želja je, da bi pri tem podvezitju pokazali vsi prisrčni v starem kraju malo več skupnosti. Kaj bi mislil Ivan Cankar, če bi mogel slišati in brati, kar se piše o skromnih prispevateljih za njegov spomenik? "Prav nič niso se zvali moji Slovenci," bi najbrž dejal, napisal satirizirajoč podlistek, in bi se zopet udal politiku v rakvi.

Kolikor moremo, smo storiли in bomo, da dobi Cankar svoj prvi spomenik, in stori bomo vse v svoji moči, da bodo šle njegove knjige med ljudstvo v čimvečjem številu.

Anton Jurak.

Zavarovanje zoper brezposelnost

Senator Brookhart predlaga petdeset milijonov dolarjev podpore iz vladne blagajne brezposelnim delavcem. Sam pravi, da je to malo, toda bolje kot nič. Res je malo. Ako je pet milijonov delavcev brez dela—in pravijo, da jih je šest milijonov—in če bi vsi dobili podporo, bi prišlo komaj deset dolarjev vsakemu. "Bolje kot nič" je all right, toda ostalo bo pri nič. Brookhartov predlog bo zavrnjen, kajti stara garda, ki je na vladi, odklanja vsak "paternalizem." Sedanja ljuba vlada smatra, da delavci in ljudstvo sploh ni otrok, za katerega bi morala vlada skrbeti po očetovski (paternalizem). Američani smo individualisti; vsak naj sam skrbi zase. Saj nismo otroci!

"The Chicago Journal of Commerce", glasilo velikega businessa, se zgraža nad izplačevanjem podpore brezposelnim delavcem v Angliji in svari Ameriko pred angleškim "paternalizmom," če (Amerika) dopusti, da pridejo socialisti tukaj do moči. Potem bo tudi ameriška vlada plačevala vse mogoče podpore starim in brezposelnim delavcem, očetom in materam, bratom in sestram, tovarne in družine bodo socializirali in davki narastejo do neba visoko! Tako se norčuje velebizniški organ, ki je mnenja, da Američani niso otroci, ki bi morali imeti očeta v Washingtonu z globokim žepom.

Medtem pa industrijski, trgovinski in finančni baroni postopajo z delovnim ljudstvom še slabše kot s otroci. Namesto državne paternalizma imamo paternalizem korporacij, ki na vse mogoče načine skrbijo po "očetovski" za žep, zdravje in dušo delavcev. O, seveda, to ni paternalizem! Ako bi vlada dala direktno denarno podporo brezposelnim, bi to bila sramotna "charity." Če pa baroni vržejo stotisočak ali milijonek privatnim dobrodelnim organizacijam, da zgradijo "flopouse" za brezposelne reveže, je to velkopotezna akcija in vasa časnikarska drhal vplje hozoano velikim dobrotnikom!

Zavarovanje proti brezposelnosti mora priti kot začasna odpora, da se omili beda brezposelnih. In to akcija mora izvršiti vlada, ker je prevelika za zasebno akcijo katerekoli organizacije. Če bi se vse bratske podporne organizacije v Ameriki združile v svrhu podpiranja brezposelnih članov, bi ne zmogle tega. Prispevki članov v svrhu kolektivne zadovoljive podpore bi bili preveliki. Sicer poskušajo nekatere delavske unije (krojaška) s skladom za brezposelne, v katerega plačujejo tudi podjetniki gotovo vsoto, ali ta eksperiment je omejen le na dva ali tri mesta in uspeval bo le toliko časa, dokler so delodajalci pri volji pomagati. In podpora pri teh unijah je tudi omejena le na gotovo število dni v letu; ko jo član izčrpa, ostane brez podpore za tisto leto.

Ti poskusi dokazujejo, da je akcija te vrste pretežko breme za vsako organizacijo. Mogoča je, če jo izvaja vlada, tako da vsi prebivalci prispevajo in da je vsak upravičen delavec deležen podpore. Kadar bodo ameriški delavci nastopili enotno in samostojno v politiki, bodo imeli moč in tedaj lahko dosežejo vse, kar bo

do hoteli. Jasno je, da delavska zmaga ne pride čez noč. Prihajala bo polagoma, korakoma. Tako bo prihajala tudi delavska zakonodaja.

Prvo, kar delavci stane, bo, da pretvorijo korporacijski paternalizem v delavski, demokratični fraternalizem. Dorezelo delovno ljudstvo res ni več otrok, zato ne potrebuje nobenega očetovskega skrbstva od magnatov—potrebuje pa bratstva vseh enakopravnih ljudi. Namesto očetovstva mora priti bratstvo. Socialno zavarovanje zoper brezposelnost, starost, industrijske bolezni in nezgode itd., mora biti bratska akcija, ne očetovska ali materinska.

Vse to še ni cilj naprednega delavstva. To so samo sredstva za dosegajo cilja, za olajšavo borbe, ki vodi do cilja. Cilj naprednega delavstva Amerike je industrijska demokracija—je socialna pravičnost. To je naš cilj. Ko bo enkrat ta cilj dosežen, ne bo več brezposelnosti.

Federacije SNPJ

Illinoška federacija
Springfield, Ill.—Za parkrat se je čitalo v Prosveti, da se bi ustanovila Federacija društev SNPJ za centralni Illinois. Društvo št. 47 SNPJ je že stopilo v akcijo in izvolilo svojega zastopnika. Iz Prosvete je razvidno, da se je akciji pridružil tudi društvo št. 74 iz Virdana, Ill. Br. Frank Bersich predlaga, da se bi prva seja za ustanovitev Federacije vršila v Springfieldu. Z veseljem podpiram ta predlog iz razloga, ker Springfield je nekakšno središče glede društev SNPJ v centralnem Illinoisu, posebno še, če se bi akciji pridružil društvo 116 iz Lincoln, Ill.

Recimo, da ima zastopnik od društva št. 96 iz Livingston svoj avto in bi se ustavil v Stauntonu, kjer bi vzel s seboj zastopnika od št. 242. Potem bi se ustavili na Carlinvillu in tako naprej do Auburna. Ti zastopniki bi se pripeljali z južne strani. Z vzhodne strani bi se pa lahko pripeljali zastopniki iz naselbin Mascoutah, Nokomis, Witt in Taylorville, itd. S severne strani bi se lahko pripeljal br. Anton Stigl s svojo limozino, ali kdorkoli bi bil izvoljen zastopnikom od društva št. 116.

S tem sem le hotel dokazati, da je Springfield v resnici logično središče za našo federacijo, obenem pa imamo tu Slovenski dom, kateri mislim, da bo na razpolago za to prekoristno idejo. Federacije imajo namen, da se združujemo, ne samo pri SNPJ, ampak tudi pri ostalih organizacijah za skupni nastop, na primer v premogarski industriji. Ker smo v tej naselbini povečini le premogarji, bi bilo dobro že sedaj, če bi Federacija društev SNPJ že obstojala, da bi zastopniki društev delovali tudi na lokalnih sejah UMW, da bi poslali delegate na konvencijo ter bi tako pomagali streti Lewisovo mašino.

Konvencija UMW prične dne 10. marca tukaj, katere namen je, da se odstavi Lewis in da se postavi na njegovo mesto moč, kateri so v resnici že nekaj storili za UMW organizacijo.

Frank Krmelj.

Kanaška federacija proslavi 1. maj

Gross, Kans.—Kot že prošlih 22 let, tako bo tudi letos Kanaška federacija društev SNPJ proslavila mednarodni delavski praznik Prvi maj. Proslava se bo vršila v Frontenacu in obeta biti, kar se tiče programa, ena najboljših, kar jih je bilo do sedaj prirejenih. Odvisno pa je od vas članov, da bo majsko slavlje tudi po udeležbi eno izmed najbolj obiskanih.

Kot glavni govornik bo drugi podpredsednik SNPJ, naš mladi in agilni br. Donald Lotrich iz Chicaga. Brat Lotrich je dober

govornik; popoldne bo govoril v slovenskem jeziku, zvečer pa mladini v angleškem jeziku. Vse ostali program slavlja bo proizvajalo angleško poslušajoče društvo "Sunflowers" iz Arme.

Prosimo vse društva, ki spadajo k Federaciji, da podvzamejo agitacijo za obilo udeležbo, kajti uspeh te proslave bo tudi vaš uspeh.

Začetek slavlja bo ob 11. popoldne, program pa se prične proizvajati ob 2. popoldne. Vse drugo bo razvidno iz letakov, ki bodo poslani na vsa društva.

Za odbor: Joseph Bratkovic, Frank Lokaha, Anton Šular.

LJUDSKI GLAS

Svobodna beseda članov S. N. P. J.

Pismo brez naslova

Girard, O.—Zelo čudno se mi zdi, da se med nami ponavlja naša stara navada s tem, da nekateri ljudje še vedno radi pošiljajo anonimna pisma. Član ali članica, ki pošilja pisma brez naslova, pač ni vreden, da bi bil član društva. Boljše bi bilo, da bi bila takšna oseba član zdražbarjev. Čemu se skriva in pošilja pisma brez naslova?

Naše društvo Ljubljana št. 49 SNPJ ima svoje seje vsako prvo nedeljo v mesecu. O tem je seznanjen vsak član prvi dan, ko vstopi v društvo. Nove člane (kandidate) sprejemamo v društvo po jednotlivih pravilih. Torej ima vsak član priliko na dveh sejah poročati o dotičnem kandidatu, ako kaj ve proti njemu. Ako se zanima za društvo in jednoto, bo vsak član prišel na sejo, da bo vedel o društvenih zaključkih in bo tam na sejah poročal o vsem, kar se tiče društva. Tako delajo pošteni in dobromisleči ljudje. Kdor članov ali članice pa nima karjaje na sejo, o tem se ve, da ne bo nikdar delal za koristi društva.

Oseba, ki pošilja obtožila pisma na gl. urad ali kam drugam, nima dobrega namena. Tak pisma naj bi sploh ne upoštevati. Vsako društvo ima svoj odbor, da skrbi za društvene zadeve. Poleg tega pa je članstvo tudi toliko zavetno, da bo pazilo, da uredniki vrše svoje dolžnosti, če ne, se pa jih posvari.

Na letni seji sem slišal, da je naše društvo poslalo na glavni urad v problem letu \$3618.07. Iz gl. urada je prejelo \$875.75. Društvo je koristilo jednoto v istem času \$2742.32. Iz teh števk je jasno razvidno, da odbor društva št. 49 SNPJ dobro skrbi za svoje društvo in je v korist jednoto. Ako bi vsako društvo tako napredovalo kot naše, tedaj bi ne bilo treba nikakršnih naklad.

Ta dopis pišem radi tega, kar dotična oseba ne zaha na seje, marveč rajše sedi doma ter dela sovražstvo med člani in v naselbini. Da ne bom predalet zalet, naj omenim še to, da je zelo važno, da člani prmahajo redno na društvene seje. Važno, potrebno in koristno je, da se vsi člani in članice zanimajo za svoje društvo in o stanju njegovih financ. S tem tudi pokazemo, da imamo resno voljo koristiti društvu in naši jednoti. Le s treznim ravnanjem vsikdar in povsod se lahko napreduje. Potrebno pa je, da se otresemo predsodkov in malenkosti, iz katerih često izvira resne posledice in sovražstvo.

John Anžicek, član društva št. 49.

Demokracija v jednoti

Detroit, Mich. — U Prosveti broj 36. od srede 12. febr. o. g. izšlo je uredniški članek pod naslovom "Kakšno demokracijo hočete?" Ja bih ovdje odmah htjel navesti, da bi ja sigurno i večina članstva jednote želeli demokraciju ili vladu. Čije zaključki i rad bi bili v korist večine celokupnog članstva jednote, kao za razliku od demokracije ili vlade današnjih kapitalističkih država, ili kako to nas urednik u gore spomenutom članku tvrdi u našem slučaju vlade večine aktivnog članstva.

Gl. urednik Prosvete u gore spomenutom članku pita: Kaj je demokracija? I odgovara: Demokracija je u bistvu (forma)—politična, industrijska, socijalna itd.—je zdaj postranska vlada večine ljudstva. V našem slučaju je vlada večine aktivnog članstva. Po mom prepričanju je taj nazor neispravan. Demokracija nije uvijek i u svakom slučaju vlada večine nad manjšinom. Demokracija je samo "sistem vlasti," koja "priznaje" vladanje večine nad manjšinom; što, ali u bistvu svaka takozvana "većina" nije uvijek i u svakom slučaju.

Mi znamo, da u svakom današnjem takozvanim demokratskim državama jedna mala ščica organiziranih kapitalista ili državljana, koji imaju u svojim rukama državnu mašinu ili ekspektivo, to jest vlast za nadziranje i proizvodnje državnih zakona, škole, crkve, militarizma, policiju, novac, mate-

rijalna sredstva za proizvodnju životne potrebitine, novine za stvaranje javnog mnjenja itd. lahko vlada velikim dijelom neorganiziranog ljudstva. Jeli to onda vlada većine? I stoga, ako se pazljivo čitaju dopisi u Prosveti, gdje se članstvo djeluje u razne "blokove" kao činjenica, da se jednim članom dozvoljava, da se kritikuju i osmešavaju sa motivacijom, da je dopis oseban napad (u uredničkoj listnici), što u pismenom činu ne može biti ništa drugo nego pismena kritika osebe, a svaka pismena kritika osebe je u jedno pismeni napad osebe.

Ako se još uzme u obzir, da su dopisi u koloni "Ljudski glas" uslijedili najednako nakon 9. konvencije (prema smo i prije imali slobodu kritike), kao organizirani odgovori, da izazivaju ostale člane, izvan tih blokova. Onda se i nehotice mora doći do preprečenja, da u jednoti jedna organizirana manjina aktivnog članstva ima uz sebe celu ekspektivnu vlast jednote, to jest celi gl. odbor jednote, koji ima "vlast i čija je dužnost," da proizvedu pravila i zaključke celokupnog članstva jednote ter novac ili finansijska i ostala sredstva, kao novinu za stvaranje javnog mnjenja u članstvu i jednoti. I pomoću te ekspektivne vlasti vlada većinom većinom neorganiziranog aktivnog članstva.

Nick Rettich, član društva 121.

Presega vae meje

Bridgeport, O. — V Prosveti z dne 25. februarja v Ljudskem glasu je priobčena mešanica, ki jo je zmečkal neki Leo Bruce. To je pa že malo preveč. List kot je Prosveta bi pač ne smel kaj takega priobčiti, ker to je proti pravilom, da se rabi take izraze in primke kot jih rabi Brucej. Zakaj bi se Prosveto postavljalo v slabo luč radi ene osebe? Kritika je dobra, ako človek ve kaj kritizira, toda to kar ta človek piše spada na studenec pod Ljubljano. Tudi urednik bi moral videti, da take stvari niso za list. Odkar ta človek piše in se oglašuje, še ni podal niti ene pametne ideje ali besede. Osebe, ki on blati, so nam dobro znane kot dobri člani in jih on ne more diskreditirati s svojo nečedno osebnostjo.

Bruce se obreza tudi ob Proletarca. Seveda, to pa zato, ker Proletarec napreduje. Samo jaz sem mu pridobil več kot 200 naročnikov v štirih mesecih. Brucejeva "inkarija" jih ne bo toliko dobila nikdar, dokler bodo njegovi delničarji pisali take budalosti kot jih piše Bruce. Ako bi taki ljudje imeli odločevati pri jednoti ali njenem glasilu, bi kmalu SNPJ in Prosveta več ne bilo.

Saj Prosveta vendar ni tukaj zato, da bi vse sprejela v svoje kolone. Nasprotni listi se posmejujejo, ko vidijo, kakšne stvari se probča v Ljudskem glasu. Urednik naj nikar ne bo hlapec nezavednež. Uredniki naj pazijo, da ne bodo prišli v Prosveto kolone dopisi Brucejevega kalibra. Ne pustite, da bi se Prosveta spremenila v fanatični ter. Večina članstva je z vami. Pojdite naprej po poti napredka kot do sedaj. Bratu Bruce pa pripravam, ako ne more drugače preboleti fanatičnega prenapetja, da si da na svojo vročo glavo vsaki večer ko gre v postelj gorkih obkladkov od žabje volne. To bo gotovo pomagalo. Joseph Snoy, član društva št. 13.

Br. Kopal in njegovi odgovori
New York, N. Y.—V Prosveti z dne 5. februarja br. Kopal piše, da ni govoril o zaničenih slovanških študentih, potem pa je naštev, kako je bil preziran in kako so jim metali polena pod noge na univerzi.

Ali se br. Kopal spominja, da sem takoj po banketu govoril s poslanikom, najprej v angleškem, nato pa v slovenskem jeziku, ter mu razložil, da življenje v Ameriki in na ameriških univerzah ni takšno kot ga hoče br. Kopal prikazati, da so razmere med dijaki prijazne, brez predsodkov z ozirom na narodnost? Ali se br. Kopal spominja, da je takoj po tem debatiral z menoj in mi hotel dokazati, da je bil v pravem ter da razmere na drugih univerzah so drugačne?

Br. Kopal zanika, da je imel kakšno priporočilo pismo za br. Cankarja in da ni ne on ne Cankarjev brat vedel ničesar o SNPJ. Kako pa, da je takoj delo dobil pri jednoti? Čemu ni nje-mu bilo treba v rove ali tovarne, kakor so šli drugi priseljenici, temveč se je usedel brez izkušnje in brez poznanja te dežele k uredniški mizi z razmeroma visoko plačo? Br. Zajec je dobival le \$75 na mesec, medtem ko je on (Kopal) prejemal toliko na dva tedna. On je prišel v Ameriko na Cankarjev naslov in na vsak način ga je moral Cankarjev brat priporočiti V. Cankarju.

Br. Kopal priznava, da mu pokojni Zavertnik ni delal ovir, kar pač dokazuje, da je bilo s pokojnim lahko izhajati. Br. Kopal je lahko pohajal solo in tudi je; kadar je hotel v solo podnevi, je šel podnevi, Jožetu pa je obljubil, da bo zamujeni čas nadomestil ob kakšnem drugem času. Takih ugodnosti ne dajo nikjer, kakršne je imel br. Kopal pri SNPJ.—Br. Kopal tudi priznava, da ga je pokojni Zavertnik imel rad. Čemu pa je potem napisal članek v Prosveto pri odhodu iz uredništva, v katerem so bile refleksije na pokojnika in je on nanje pozneje odgovarjal v uredniških člankih?

Ko je pokojnik umiral, je šel med rojaki v Chicagu glas, da je br. Kopal izjavil: "Samo toliko časa bi rad, da Zavertnik živel, da bi me prosil odpustčenja." Menda bo br. Kopal tudi utajil?—Ker br. Kopal ve, da mu pokojni Zavertnik ni želel nič slabega, čemu pa ni z njim rajše kooperiral, mesto da se je umaknil in izjavil, da ne more izhajati pri listu, obenem pa prosil, da mu dajo v urejevanje le Mladinski list, kar je upravni odbor storil? Ako mu pokojnik ni storil nič zalega, kot priznava br. Kopal v svojem dopisu, čemu pa je šel v boj proti njemu in njegovemu delu?

Br. Kopal sedaj očita, da je ob neki priliki pokojnika pred leti enkrat v bolezni na postelji preložil. To se je zgodilo pred leti in br. Kopal je bil njegov sosed na farmi. Lahko je mogoče, da je bil slučajno poleg, sedaj pa se hoče prikazati za usmiljenega Samaritana, o čemer spregovorim še par besed prihodnje.

Joseph Zavertnik, član dr. 56.

MOŽITEV VDOVE ROŠLINKE

Vesela zgodba iz starih dobrih časov

Chicago. — Nedeleč od vasi, "kjer je mačka svetga deha snidla", je stala med košatim sadnim drevjem prijazna kmetaka dvonadstropna hiša; "pri Rošlinovih" so rekli. Ze poslopje samo je pričalo, da je "cel grunt". Nageljni, roženkraut, penangole in rozmarin so pričale, da je pri tej hiši tudi dekle, ki ne goji teh cvetlic samo radi veselja do rož, ampak v druge namene, kar je pričala tudi trava pod oknom, ki je bila zelo pohojena.

Vse gospodarstvo je vodila mati Rošlinka, ki je bila še brhka za svoja leta, "samo 45 let je minulo odkar so jo držali pri krstnem kamnu farne cerkve sv. Jurja". Bila je postavna žena in se zavedala, da je po moževi smrti edina gospodarica obsežnega posestva. Mož so ji položili k večnemu počitku pred nekoliko tremi meseci, in sedaj ni bilo nobenega pravega gospodarja pri hiši, kot je zatrjevala sama sebi. Pričela je resno premišljevat, da mora dobiti moškega k hiši, če ne, bo šlo vse narobe. Toda ne hlapca, ampak moža. Ob nedeljah po deveti maši se je "nevede" ustavila par minut pred cerkvijo in ogledovala gručo moških, kateri bi ji bolj "pasal". Na gruči, kjer so bili zbrani fantje, se ji je oko najdalj ustavilo. Na poti proti domu je v mislih zbirala ženina. Izmed vseh, kar jih je poznala, se ji je pa najbolj dopadel Rožmanov Janez, brh in krepek fant iz sosednje vasi, ki je lansko jesen prišel od dragoncev. Fant, da ga je morala vsaka dekle rada imeti. Bil je pameten, se ni pretepal z Bitenci, ni popaval po gostilnah in tudi z ženskimi se ni pečal; nekateri so celo rekli, da se jih še boji. In ravno tak bi bil za njo pravi.

Rošlinova mati je sklenila, da se zopet omoži. Toda ne s takim starim nadležnim vdovcem, ki ji bo celo noč prekaljal, ampak mladega korenjaka, da jo bo grel. Saj je sama tudi še mlada in ima tudi še vročo kri. Toda, kako ga dobiti. Noben fant je še ne pogleda ne, vsak se prijazen nasmejlja Manici, tej mlečnobi punčari. Spomni se na starega Balantača, ki je marsikateri par srečno "spravil skupaj", in ki je v štirih farah znan, da je najboljši posredovalec med vsami kandidati za zakonski stan. On veliki obhodi, je večni romar in pozna vse ženine. Njega mora dobiti na svojo stran.

Ta vesela zgodba, ki se je v resnici zgodila, je dramatisirana in v prvizori jo dramski odsek kluba št. 1 JSZ v nedeljo popoldne, 30. marca, v dvorani C. S. P. S. Vstopnice so že v predprodaji in dobite jih pri članih in članicah tega kluba, v uradu Proletarca in pri tajniku kluba. Cena je 75c.—P. O.

Mati Rošlinka je pa imela tudi že odraslo hčer; za Manico so jo krstili in ob zadnjem Marijinem prazniku, ko kaže zlezajo na drevo, je dopolnila ravno dvajset let. Tudi Manica je nemalokrat par minut počakala materjo po maši pred cerkvijo in se je veselo nasmejela, ako je Rožmanov Janez "nevede" obrnil glavo proti njej. Ako bi trala pod Maničinim oknom mogoča govoriti, bi se gotovo pritožila, da Janezova noga ne pusti, da bi rastla. Samoumevno, to je moralo ostati skrito pred vsem svetom, najbolj pa še pred materjo.

Banovečevi koncerti

Cleveland, O.—V nedeljo 23. febr. je absolvent tenorist Banovec zelo uspešen koncert v Clevelandu-Newburghu in je moral do mala ponoviti skoro ves program. Udeležba 100 procentna. Banovec v Springfieldu

Springfield, Ill.—Tukaj priredi svoj koncert naš odlični operni pevec Svetozar Banovec dne 23. marca v High School avditoriju. Vsem okoliškim rojakom je ta prostor znan, kajti svojačasno smo tam prirejali igre. O Banovcu menda ni treba veliko pisati, kajti iz poročil v različnih slovenskih listih ste lahko razvideli, da je on mojster v svoji stroki. Ti odmevi so nam v porok, da bomo imeli na Banovečevem koncertu v nedelju dne 23. marca obilo užitka in duševnega razvedrila.

Resnica je, da prevladujejo sedaj v tem mestu slabe delavske razmere, toda kljub temu lahko vsakdo zmore nizko ceno, ki je določena za vstopnino, da pohiti na Banovečev koncert. Vstopnice so že v predprodaji in si jih nabavite, kajti pri vratih bodo 25c dražje. Na svidenje na Banovečevem koncertu dne 25. marca v High School avditoriju! Frank Krmelj.

ZAKLJUČKI GL. POROTNEGA ODBORA.

Zadeva društva št. 125

Društvo št. 125, Leontina Township, Minn., je bilo obtoženo pred gl. porotnim odborom, da je kršilo 4. točko XVIII. člena pravil št. 1, da je dne 15. decembra 1929 zabranilo br. Jos. Musichu kandidirati v društveni odbor za leto 1930. Br. Musich kot kandidat navaja v obtožnici, da se mu je očitelo, da je v letu 1929, ko je bil društveni tajnik, preveril jednoti \$90, kar pa on zanika.

Društvo je bilo zaslusano po zapisniku gl. porotnega odbora dne 2. febr. 1930, ter se je dala priložnost družstvu do zagovora predložiti dokazila. Zapisnik o zaslišanju je bil predložen gl. porotnemu odboru.

Glavni porotni odbor je vzel za pretesno obtožnico in zagovor družstva in druge podatke ter preučil in presodil predložene dokumente. Na podlagi navedenih dokumentov je prišel do zaključka, da je društvo št. 125 krivo krivico br. Musichu, ker mu je zabranilo kandidirati v društveni odbor, in z očitanjem, da je poveril enotni denar. Društvo ni dokazalo br. Musichu, da je v resnici izkoristil jednotno blaginjo, za kar je bil obtožen v letu 1929, in kazni, katere je takrat izrekala društvena porota, je bila v protislovju s pravili, zlasti pa s 12-13. točko XXI. člena, zato ni bila veljavna in ne pride v poštev, in društvo radi tega ni imelo pravice zabraniti br. Musichu kandidirati v društveni odbor. Gl. porotni odbor je pronašel društvo št. 125 krivim kršenju pravil

FOR MEMBERS OF SLOVENE NATIONAL BENEFIT SOCIETY AND AMERICAN SLOVENES

WEDNESDAY, MARCH 5.

The Friendly Road

TODAY we may drive across the continent over a friendly road, made easy by the ingenuity, the labor of man. If there is a hard place, or a danger, in the road, a warning is given by a sign post.

The road of life has likewise been made friendly, and easier, although the industrial injustice is in evidence everywhere. Science, with friendly guide posts, marks the dangers that threaten health. Fraternal societies and other agencies, give warning of threatened disaster from poverty, since the present capitalist system makes it necessary that such societies must exist.

There is nothing that makes the friendly road more friendly and less dangerous than the helpful sign posts along the way. The public highways of life upon which we must all adventure are often strewn with perils, into which we would fall but for the warning sign posts. They are patient, silent monitors of safety, pointing, ever pointing, to dangers that threaten.

The Slovene National Benefit Society has many sign posts—subordinate local lodges. Through its many sign posts it has amply served our people in this country for the past twenty-five years, materially and educationally. What a friend each guide post—local lodge—is to our people in the many far flung Slovene settlements.

Many of our people have taken the advantage of our Society's guide posts, while they were at their prime, while healthy and strong. But there remained a large number of those who were too frivolous in their thoughts and suffered the consequences: they or their children were left friendless with nothing to fall upon in the hour of need. We, the younger generation must take upon ourselves to bring as many new members into the SNPJ fold as we possible can. We must be ever prepared for whatever comes. And at the same time we must see that our friends and acquaintances will also share the benefit of our organization.

Literary Contest Extended

THE TIME limit for entering short stories and poems in the Prosveta Literary Contest for the seven different prizes announced two months ago is herewith extended to April 1. This will give contestants ample time to write them after graduation in February. Three prizes are being offered, one of \$20, one of \$15, and one of \$10, for the best short stories received from adult members of the organization, and four prizes, each of \$5, for the best four poems entered.

The time has been extended at the express wish of some of the members wishing to enter their MSS. in the contest conducted by the organ.

The conditions in short are: Short stories should range from 500 to 1000 words, no word limit to poems; originality; subject—our organization's work, discernibility; adult members eligible, except the editorial staff; give full name and address and lodge affiliation; the editorial staff will be the sole judge of the competition.

The aim of the competition is to obtain original short stories and original poems bearing direct relation to our life as workers and members of the Slovene National Benefit Society.

Comrades Featuring "Color Blind"

Cleveland.—Comrades are at it again. They're always on the go! Always doing something!

This time, it's a play they're sponsoring, and from his reports, Otto Tekauc, play manager, means to put this comedy across in a real big way!

The name of the play is "Color Blind" and will be presented by the Comrades March 16 at the Slovenian Auditorium.

The cast is a very well selected one; and is under the direction of Bro. Vatro J. Grill, who is also a Comrade. Bro. Grill, experienced in the coaching of dramatics, promises remarkable results.

The story of the play deals with two very suspicious, jealous wives, who think their husbands are out enjoying the company of a very well known vaude star. Seeking revenge, they hire two men to pose as their suitors. And then! the husbands come home—find their wives with these two strangers—oh boy!—What then?—Wait and see! The solution to this question will be answered by the Comrade amateur stage stars—March 16. Don't fail to see it!

In a Nutshell

Lincoln—said that capital is the fruit of labor but the recent income tax returns show that the fruit is piling up in the baskets of the upper class of Wearie Willies.

Socialism seeks the collective ownership of modern industry. Please figure out why the private owners think that civilization would go to the bow-wow if they no longer owned it.

A London cable declares that as the preliminaries of the Naval Arms Conference are out of the way it is estimated that the American outlay for warships is a billion dollars. We are getting parity, all right, but it is a parity of stupidities.

The German owned rayon plants at Elizabeth, Tenn., have installed a company union. As American corporation magnates have for years declared this kind of "union" to be the "American plan," we are wondering if the American exploiters will denounce this German usurpation.

Now that Charles Evans Hughes has become Chief Justice we are expected to believe that he has emptied his head of all the economic and political views which he has employed in the service of big capitalist property. We prefer to turn to Mother Goose for our fiction.

A Qualified Son-in-Law

Mr. Isaacs: "You want to marriage mine daughter, eh?—well, could you lend me three thousand dollars for twelve weeks without security?"

Mr. Jacobs (readily): "Vhy, most certainly I could, Mr. Isaacs. But I wouldn't."

Mr. Isaacs: "Take her, mine son."

A great library contains the diary of the human race.—George Dawson.

The Tip-off

Cleveland, O.—In reading over the editorial column of last week's Prosveta we notice that the Western division of the SNPJ Athletic Assn. is going ahead with plans to pick their teams in bowling and basketball to represent them in the national contests at Detroit. Nothing has been heard from the Eastern division in this respect. We hope that the Eastern division representatives will take notice and make plans accordingly.

The boys bowling team is still shooting away for first place in the Inter Lodge League. They have been working hard and from present indications should finish in third or fourth place at the close of the season. Turk has been hitting the pins with a vengeance and in the game against the Collinwood Boosters rolled a neat 253 to take third place in the individual high game standings.

The girls' basketball team has been giving its opponents some very stiff competition during the games in the first round, which has just been completed. They have won three out of five games played and are now occupying second place.

We notice that Anna Zak and Frank Trudin have written to the Prosveta and hope to hear more from them in the near future. It seems that there are just a few of us who send in lodge news. Come on, Comrades, show them that you're still on the SNPJ roster. Write and let your neighboring lodges know what you are doing.

The Comrades wish to extend their congratulations to Bro. Antoniec who was appointed editor of the Cleveland Journal Sports Page. He has been interested in sports ever since he could walk and should make a success of his work. Contributors of sports news are requested to address all mail to him in care of the Cleveland Journal, 6418 St. Clair ave.

Members who still have tickets in their possession from our last dance are requested to mail them to John Speck, at 1042 E. 61. st. or leave them at Kushlan's as soon as possible.

The cast of our coming play is working conscientiously and promise to do their best to make it an A 1 presentation on March 16. Let us fill the auditorium of the SNH, and show them we appreciate what they are doing for the lodge, by selling every ticket we have received. Additional tickets may be secured at Kushlan's.

John J. Alic, President.

HAPPENINGS

Detroit, Mich.—The last Young Americans dance went over big. The colored orchestra proved to be a drawing card.—Last Saturday A. Grum and I started out for Canada. As we reached the Ambassador Bridge, the longest span in the world, Andy exclaimed, "Well, Herman, it won't be long till we'll be in another country, where men are men and the women know it."—Once being "over there" sampling the Canadian brands, it didn't take long and we were singing "Carry Me Back to Ol' Virginny."

We arrived in Detroit from "over there" just in time to attend the dance given by the two Socialist clubs. There we spent an enjoyable evening, and everyone had a good time.—Last week the city of Detroit lay off 750 aliens. That's what you call progress! Why doesn't the city of Detroit lay off about 750 'officials' and their relatives who don't do anything but draw nice fat salaries? Negotium should not be practiced, especially in hard times.

Rumors have it the motor corporations will lay off all men who are not American citizens. What is this prosperous country coming to? Let's hope that the so-called "Hoover Prosperity" dream will become a reality in the near future.

Fraternally, Herman Rugel, President Young Americans.

FLASHES

By Inezgnite

Kenosha's Stalwarts are Western Division basketball champs, by virtue of their victory over the Badgers of Milwaukee in a thrilling and concluding game of the tournament at Waukegan last Sunday. If ever two teams played good, clean basketball, these two teams, did. Milwaukee fatigued because of their two other victories of the day showed a powerful line of attack.

Our own Pioneers had the misfortune to draw Milwaukee in the opening battle at 11 o'clock a. m. only to lose 42 to 20. Our boys played hard, but the powerful team from the city, known for its past good beer, showed that skill and the art of basketball

can be attained by constant practice. James Jackino scored four baskets and a free throw for the Pioneers.

The Pioneer girls, however, fared much better. They easily defeated the Stalwart girls, 14 to 5. Most of the interest was centered on the championship game. Next in order of interest was the game of our winners.

In bowling the Pioneers placed second to the mighty Badgers. Stan-ko Zele carried the big whip for us by landing in second place in the singles event only one pin behind, and winning the all events. He and Isadore Zupancic topped first place in the doubles. Pioneer sports are prospering gradually. With another year's experience in the bag we expect our boys to come out even stronger in 1931.

Last week our boys continued their winning streak to four games; winning from the Lincoln A. C.'s 53 to 25 and whipping the Berwyn Parrots 29 to 19. Two more games will be played this week. One on Thursday, March 5, at Franklin park and the latter Saturday, March 6, at the Boys' Club gym. Both games start at 7:30 p. m.

The SNPJ Jubilee membership campaign ends this month. We Pioneers, however, must continue to bring the young folks into our ranks. We foster social and clean athletics as much as possible. Gradually we will attain the heights of our goal. Nominate your applicants at the next meeting.

The Pioneers are already planning for their Annual Picnic on Sunday, July 20. English locals are urged not to schedule events on that day. It will be held in Bergmann's Grove, Riverside, Ill.

Esther Friedman, nationally known among the labor ranks of the country, will lecture Wednesday evening, March 12, Comparison of the English Labor Party to the American Labor movement will be her subject. The lecture will be in English in the lower hall of the SNPJ and no admission charge will be made.

LODGE CRUSADERS

Lorain, O.—It has been a long time since we have read any articles from our Crusaders. Now is the time to start and show what we are made of. Let's go, folks! Remember our next meeting. Four new members were added to our Lodge on February 10; Sisters Udovic, Smole and Edlehauser, and Bro. Al Winkle.

Come on, make our lodge a bigger and a better one than it has been.—The girls are planning something which is supposed to be a surprise to us members. But anyway, here it is: They go bowling once a week to get in "shape" and be perfect for this spring. Here's wishing them luck so they'll succeed. "Polly."

BREEZES

By Windy

Euclid, Ohio.—The Progressive boys basketball team is getting in trim. They won their game with Cuyahoga Springs by a score of 36 to 26. Here are the boys who have made so many victories: Renner, Trebec, Cyetic, Nosse, Kulwin and Sezon. Under the management of Gill, otherwise called "Corky," the Progressive team will have a good chance for the championship.

Come to see these boys play the "Ramblers" Saturday, March 8, at Strugglers Basketball Carnival. Noble School on Babbitt Road is where this will be held. The enthusiastic girl cheerleaders, namely, Zele, Sezon, and Lebar will be there with Progressive colors flying high!

Plans for Progressive Vaudeville and Dance Sun, May 25, are getting interesting. There is to be play—called "Pearls." Who is going to be in it? Watch this column. My four winds will soon find out!

Cleveland Federation has a grand picnic scheduled for Sun., June 8. Keep that date open. You'll have plenty of fun if you come that day to the Euclid Village Slovene Hall.

"Lily," I'm glad to see you stand up for the Strugglers, yet I still tell the Progressives to write more in the Prosveta and be in the limelight. So far so good!

Oh, what a sight Rebecca, Lodi Mandile's monkey, was. She only had one black eye and a leg and one hand in splinters. Hope no other mishap has befallen her since she left Progressive Mystical Dance Feb. 22.

Daddy Kusar is getting the boys in trim for "Progressive boys ballet chorus" May 25. Don't miss Progressives' 2nd Anniversary!

Sun-o-Visions

By Gumshoe Slim

The biggest and best picnic that will be ever staged by any of the American-Slovene organizations in Chicago, will be held this season under the auspices of the Sunglare-Integrity Joint Picnic Committee. The Sunglars are represented on this committee by Sisters Rose Antolich, Mary Gartner, Suzanne Kracic and Matilda Racic, and by Brothers Felix Racic and R. J. Zvertnik, all experienced and able social leaders. Watch for the announcement date.

Gumshoe believes that advertising is largely responsible for the success of a lodge. His sleuthing ability decided that every ticket to every dance or picnic should also be an advertisement for the lodge. He became generous and donated the following rubber stamp to the lodge whereby all tickets are stamped on the back side with this saying:

"For insurance and sociability join the SUNGLARES Lodge No. 632 SNPJ. Meets monthly—second Friday 2301 S. 54th ave., Chicago, Ill."

Tickets for the Sunglare May dance to be held on Saturday evening, April 26 at Vacek's Hall in Cicero, Ill., are going strong. Everyone is buying them.

The Sunglars believe that athletics in the SNPJ should be conducted in the spirit of the resolution which was adopted at the 9th regular convention of the SNPJ where under the terms of the resolution the National Athletic Board has sole jurisdiction over athletics and the only way so how the money for athletics shall be spent. As such a National Board was elected last September, it should be given an opportunity to demonstrate its ability before any other body within our society shall usurp its authority.

As long as the appropriations for athletics shall be about five hundred dollars a year, the Sunglars believe it is a wiser policy to spend such money for championship games instead of dividing it among the lodges for suits and other athletic paraphernalia as division of money among lodges will lead to favoritism—the road of destruction.—As it will produce nothing else but jealousy and hatred among the lodges, as those lodges that will receive such subsidy will not be satisfied because they will not receive enough while those lodges that will receive no support will howl that the ones that did receive such money are being favored. Whereas, in a system of championship games, the small as well as the large lodges have an equal opportunity of winning the national honors which helps to create the real fraternal spirit.

Let us Sunglars get a few more members so that we can have enough material to organize a men's and ladies' indoor baseball this season. Let's go—more members and more and better athletics!

On Saturday, March 15, we all must attend the Integrity Whoopee dance at Nunbeter Hall, 1617 Clybourne ave., Chicago. The name "whoopee" suggests sufficient amusement for us, so let us be there and make whoopee.

STALWARTS

By the Bachelor

Kenosha.—Again a reminder—April 1 is soon here. You know the free initiation closes on this date. Don't hesitate or it will be too late. Get that "new member" now.

"Say it with new members." It's the real way to show your love for our Stalwarts. Brothers and Sisters, why let down on the loving—

Report of the directors, L. Robsel, Rose Pavlic and R. Pensa states that the characters in the play, "Safety First," are showing real talent in their rehearsals. And they promise a real "treat" for the spectators, when the play is on the "boards," Sunday, April 27—the day of the Stalwarts Anniversary doings.

A grand rush for the Kenosha hospital is expected after June 1. The reason? Our Sister, Ann Ilavacek, will graduate from the Nurse training school and will be a full fledged nurse at this said hospital on this date—June 1. Hope none of our Stalwart Brothers get killed in the "rush," Ann.

Our Stalwart boys were commended by the city officials for their great help to the injured in the great North Shore train wreck here recently. Yes, sir, when there's help needed or any act of kindness to be rendered, you'll always find a Stalwart on the job.

We're sorry to hear that three of our brothers, J. Mocnik, Ossie Odar and Steve Chudada will leave soon for Colorado to work for Uncle Sam

on the Boulder dam project. It will be a bad blow for the Stalwarts, as these "Musketiers" were always hard and willing workers for the betterment of our lodge. Sorry to see you go, fellows.

Cy Harris, muscle man, was elected callisthenics director for the girls, who participate in the body and muscle building program sponsored by the Stalwart Lodge every Friday night at the Armory. Bro. Harris' four years of experience of teaching this "racket" to different clubs in our city makes him well qualified for the position.

Entries are pouring in from all sections of the country for the Stalwarts' great Waltz contest—Sunday, April 27—Stalwart Lodge Anniversary. Come on, Badgers, let's hear from some of your famous exponents of this dance.

Boy, here's news! The Stalwarts will be on the "air" in the first of the series of Lodge broadcasting by our local station W.C.L.O. Watch for details of this great event.

Strugglers' Snapshots

By Lily

Collinwood.—Well, "Rebecca" is on her way to Ada, Ohio, although Lindy had to send her C. O. D. I hope that she arrives safe and sound.

The next headliner will be, Strugglers Basketball Carnival and last but not least the Comrades will stage the play of the century called "Color Blind." According to Johnny Alic, it's going to be a whiz.

Lindy has entered the business world and here is wishing him success as great as the honorable Bachelor degree.

We, the Strugglers, wish to express our sympathy to Mr. and Mrs. Vidrich and the Friendly City Lodge for the loss of their very active sister who was also a charter member. Sister Vidrich's chair will be vacant but in our minds her memory will live forever.

Lodge V boy's dance last Sunday went over with a bang. A large crowd was present.—Lodge Boosters dance, headed by active president Sister Matko, sure remained a mystery till the Struggler Harmony Aces turned into the fray.—Sisters C e s n i k quartet received high praise for their remarkable showing on the WJAY. Wouldn't it be swell if next year we are able to have a Struggler's hour?

Get Set! Go! The Strugglers are on the warpath getting all set for their 3rd anniversary, May 4. Dimples, Moonbeams, and Speedy with Martin Koss of Bridgeport, the long distance bachelor will lead the parade, I hope. The Strugglers await you with wide open arms.

CORRECTION

In the article in Prosveta of Feb. 19 from Lodge 627, SNPJ, Portland, Oreg., a misprint was made. It should read, Bro. Jerry Sudar, instead of "Sundar." Also, Bro. J. Sudar was a member of local 366 HBZ, not 336 HBZ.

LOST: A PURSE

Cleveland, O.—I lost a black pouch purse with an amber top. Wednesday night, Feb. 26, about 15 to 10, between 62nd and 68th street. Besides other articles the purse also contained a white pearl rosary which meant a great deal to me. If any member found it or knows of any person that found a purse described above, please be so kind and return it to Kushlan's store or to the St. Clair Bath house. I will greatly appreciate it; there is a reward.

Anna Zak.

Member Lodge Comrades.

EDITOR'S NOTE

Detroit, Mich., "Babe & Kiki"—What about your signature?—"Kid n' Scottie"—A note to that effect appears in this issue.—"Coley"—The same holds for you—"Luke & Johannes"—Signature?

Cleveland, O., T. J. Jr.: Your piece will be printed next week, as a similar article by A. E. appears in this issue.—J. J. A.: The same applies to you. Please write on one side of the paper only.

Cleveland, O., Whiskbrooms:—Next time please use pen and ink or type-write your notes, as contris written with pencil are not accepted.

Cleveland, O.—Catherine M. Oblak:—Very sorry your notice didn't come for the Feb. 26 issue; as this week's official organ comes out March 5, printing the note for the lecture to take place on the same date would be meaningless.

ANSWER TO THE JESUITS

By Ernst Haackel

Professor Ludwig Plate drew the following conclusions from the debate: "That genuine scientific research is impossible within the province of the ultramontane church; that the sharp, irreconcilable contrast between science and the orthodox Christian religion came out very clearly at the discussion; that even scientific investigators are well aware of the limitations of their knowledge, and that there are ultimate questions to which no answer can be found."

All these objections to the mystic falsification of the doctrine of evolution by Erich Wasmann as the type of the Thomist, apply equally to the sophistical misrepresentation of genetics by Eberhard Dennert, founder of the Kepler League.

Two years later Wasmann made a vain attempt to rescue "Catholic natural science" and thereby destroy monism. He delivered three lectures at Innsbruck, which differed from his Berlin lectures only in that they contained still more violent attacks against me personally, against my anthropogeny and against monism.

THE KEPLER LEAGUE. The younger brother of the Catholic Thomist League, the new Protestant-Kepler League, was founded in November, 1907, by one of the most zealous representatives of "Christian Natural Science," Dr. Eberhard Dennert, principal of a Protestant school. The aim of the League was set forth in his first pamphlet—"to further the knowledge of natural science among the people at large. The aim also is to carry on the fight of natural science against monism." That the latter was the chief object of the League is shown by the circumstances preceding the formation of the League and its entire later attitude. In the very first volume of the League's publications Dennert said: "It is the religious and moral dangers with which monism threatens the life of the entire people that led to the formation of the League." In the preface to the same volume he expressly states: "The members of the Kepler League stand on the ground of theism."

In many other passages of his numerous works he emphasizes the very Christian character of his mystic, dualistic philosophy. The work of his that most clearly shows the purpose of his careless agitation is *Der Darwinismus und seine Einfluss auf die heutige Volksbewegung* (Darwinism and its Influence upon the Modern Popular Movement). In it we find definitely formulated the "teachings of the Christian Philosophy." We learn that: "The world is limited by time and was created by an eternal person God. 2. The method according to which God created the world has not been revealed to us, nor has it anything to do with the case (7). 3. God made man the crown of creation by putting his spirit into mortal matter and giving man moral liberty. 4. God guides and rules this world according to immutable natural laws made by him. It is conceivable and therefore possible (1) that God, their creator and lord, can break those laws."

There are six more of these in the same spirit, and the entire treatise constitute the content of the Kepler catechism, by which Dennert as the "scientific director" of the Kepler League would give its Christian philosophy a firm foundation.

Every unprejudiced thinker instantly perceives that the catechism does not rest upon the firm foundation of scientific experience, but upon mystic revelation, the very opposite pole of scientific experience.

LEAGUE OF FALSIFIERS. In my statement of December 24, 1908, "Falsifications of Science," occasioned by the severe attacks of Brass and Tartuffe, I showed up in their true colors the Jesuitic accusations of my opponents. I called the Kepler League a league of scientific falsifiers. I might have said the same of the Catholic Thomist League, because their methods and aims are absolutely similar. The Keplerists indignantly denied the charge and dubbed it a "monstrosity." I ask the gentlemen: "Is it no monstrosity of the leading authors of the Kepler League, acting upon the false charges of Dr. Brass, to call me in numerous articles and pamphlets a scientific liar and falsifier?" That is, call a scientist a falsifier of science who for half a century at a personal sacrifice pursued one goal, to learn the truth in nature, and by the help of its teachings free all thinking men from the yoke of superstition.

As a matter of fact, it is both Jesuitical leagues who have falsified the whole idea of the cosmos by their endeavor to amalgamate the monistic results of modern natural science with the mystic, dualistic dogmas of the miracle-believing church.

Dr. Rudolf Hoernes, professor of paleontology and geology at Graz, said in one of his articles: "The Keplerists are not concerned to free science or serve truth. All they care about is to establish firmly the temporal dominion of the church, for which end they are willing to adopt any means." In another article, speaking of my alleged falsifications of pictures of embryos, he writes: "The truth is, the leaders of the Keplers League want to do the utmost damage to the theory of evolution by discrediting one of its most prominent representatives. At last they want to prevent to the greatest possible extent the dissemination among lay persons of a teaching that interferes with their philosophy. And it is in disseminating that teaching among lay persons that Haackel performed special services."

THE JESUITIC PRESS. The severe warfare I have been forced to carry on for forty years with clerical and conservative press has enriched me with noteworthy experiences of its Jesuitical tactics and practices. In recent years it took the occasion of the embryo dispute to say particularly brutal and perfidious things. I therefore feel that here is the place to show up its conduct.

Dr. Arnold Brass wrote two polemical pamphlets, *Wahrheit* (1906) and *Affenproblem* (1908), which were immediately greeted with joy by all the enemies of intellectual progress and enlightenment. Correspondents to the reactionary press gave them the widest publicity. Hundreds of important and minor papers forthwith published Brass's false charge to the whole world. To none of them did it occur to find out the real truth about these "overwhelming" accusations or refer them to competent trained men. And when scientifically trained men of their own accord made statements in rebuttal, as they did in several places, the clerical and conservative press ignored them. Dr. Brass's overwhelming charges were repeated with visible glee.

It is highly regrettable that a large part of the Liberal press was duped by these Jesuitical tactics. Many unbiased papers lent credence to the charges and gave them wider currency. The chief cause of this is the general ignorance of the biologic facts involved in the embryo dispute. It was very silly in Dr. Brass to make his attack in a dark spot remote from the general fields of culture and offering peculiar difficulties even to the trained specialist. An example of the extent to which the Liberal press was deceived is offered by the case of "Tartuffe," which aroused much comment. (To be continued.)

Lodge News Notes

WEST ALLIS STATIC

West Allis, Wis.—Well members, now is your time to show your support for the Slovene Auditorium and for No. 104, SNPJ. You all want a Dom, don't you? You can help to have it sooner by all turning out to Kralj's Hall, March 22, on 51st and Sherman. They're going to have a Dom! zabava; you can expect a lot of fun.

On March 30, No. 104, SNPJ, is going to give two short one act plays at Labor Hall, 55th and National. Dancin' after the plays. Be sure you'll all be there.

Hey, Jolly Allis, you better step on the gas and get more new members. The hours of the Jubilee Campaign are fast ticking to a close. Why can't we make the hundred mark this year? There's lots more Slovene people in West Allis that would make good SNPJ members. Remember that while the campaign is on a new member does not have to pay his initiation fees, and also the one who proposed him gets a Silver Ring. It sure is worth working for.

The Chicago Gophers seem very sportsman-like over losing the game here in Milwaukee. That's the spirit we want to see more of. Here's wishing them better luck next time and hope they found West Allis a nice place and favor us with their presence at some of our dances.

Fraternally, Stephanie Kodre.

LODGE NO. 683

Library, Pa.—On February 8 the "Joseph Zvertnik" Lodge held a Valentine dance which was a great success, owing to the attendance of neighboring lodges. The Pioneers of Washington County were very well represented. A real spirit is possessed by the members of the above mentioned lodge and we hope that each and every one of them were just as happy to be here as we were to have them. A few "Keystone Trojans" and "Keystonians" were also present and there is only one possibility, and that is that they have no regrets for attending—or have you? We hope not. But say! What's the matter with the fairer sex? There were more male members present at our last dance than female. Come on girls, show them that you have as much "pép" as they have. Some very good steppers attend our dances, girls. Yes sree!

The members of the "Joseph Zvertnik" Lodge spent Sunday evening, February 16, in a very good manner by attending a play presented by the Pioneers of Washington County, Cannonsburg, Pa. It sure was a "wow" and the members who made up the cast, as well as the committee, are to be complimented on their very good work. We hope that "Bottles" is at last settled down with only one wife. We had a wonderful time after the play, for which the Pioneers are wholly responsible. Our only regret is that the evening was entirely too short.

A Novelty dance, March 15, Library Hall, Library, Pa.

"All right folks, don't forget these three things, for we are sure that all who attend will have a wonderful time. Glance back on the other dances held by this lodge. We want this to go over "Bigger and Better than Ever." It can be done—but only with your co-operation. You can't afford to miss it. Come and dance to the melodious tunes of "Bobbie" Throop's Orchestra, the boys who say it with music.

Hoping to see as many of the members of neighboring lodges present, as possible, I am,

Bertha Intihar, Rec. Sec'y.

WOLVERINES DANCE

Detroit, Michigan.—Well, here are the Wolves again with something new and big that has never been done by the Wolves before. There will be a big Confection Dance with lots of whoopee and fun in store for everyone that attends this dance which will be March 8 at the Slovenian Workers' Home, 437 So. Antwerp ave. The confetti will be given free with every admission. So, let's all come and have a good time like we never had before. The music will be by the Wolverines Orchestra. Come one and all, young and old, be merry and bold. Everyone try to get hold of the best booklets that advertise this dance. Don't forget March 8.

Integrity Rambling

Chicago.—When you come to the end of the 13th day of March assemble yourself and come to the regular monthly meeting at 1617 Clybourn avenue. Be there early to participate in the order of business and enjoy yourself to the delightful strains from the instruments of the Integrity Red Peppers. Several important items will be in order for discussion.

All plans have been carefully mapped out for the big "Whoopie Dance" which will be given by the Integrity Lodge on March 15 at the Nubetter hall, 1619 Clybourn avenue. The music will be furnished by the well known Integrity Red Peppers. Be on hand to get your share of en-

joyment from the Integrity Ramblers.

Take notice! Have you any friends or relatives who are not members of the SNPJ? If so make them arrange so as to meet you at the Integrity meeting on March 15. The campaign will be open for another month, so this will give you an opportunity to get your Silver Jubilee ring. Be sure you bring your prospects in. On for a bigger and better SNPJ.

Our orchestra needs your support. Everywhere that they have gone they have made a hit. They are working hard in advertising our lodge. To many the name of Integrity has spread only through the efforts of our orchestra. Are they worthy of our assistance? You are to give your own answer. Let's get behind them and show that they are not alone.

Though only a new organization the Rigid Club has set a firm foot on the road toward success. In order to join this club you must be able to pass the Bar. After you had successfully passed the Bar you become a member automatically. Are you with the Rigid Club?

A Rigid Rambler.

"HEARTS OF AMERICA"

Kansas City, Kans.—We are again tempted to call the attention to our members, the membership campaign which now has been in progress for 13 months, and it is urgent to do more active campaigning during the remaining two months. It probably is necessary to state the fact here that the results so far have been shown to an extent which probably were never recorded. Above all it seems as though that some of our members have not thus far grasped the importance of adding new members to our organization.

It is evident, that the burden of securing new members is a very important task of each individual member and with just a little effort, great things can be accomplished. "Hearts", now turn toward your captain of your team and show him what material you are composed of. Remember we have two captains, our famous brother Frank Cop is one and our industrious brother Thomas Krasidk is the other. Thus far our Brother Cop's side is leading the toll of membership. This looks bad for our opposers, remember the winners have a party on the losers, so you must all help for your side to win.

At our last meeting plans were made for a trip to visit the "Sunflower" on their third anniversary dance which will be held at Frontenac March 15. A special M. P. bus has been chartered for this purpose. The fare for each member will be \$3.75 to and from, that is if the bus is filled to capacity. Those desiring to go, get in touch with the president not later than March 8. The bus will leave from the Croatian Slovene National Home not later than at 11 o'clock Saturday morning, March 15. Plans were made to return some time Sunday afternoon. "Sunflower", we will see you March 15.

Fraternally, Stanley Baloh, President "Hearts of America."

PROGRESSIVES NOTICE

Euclid, Ohio.—March 11 brings us again to our monthly meeting. There is to be an important vote to be cast that night. It concerns the old age benefit. Every Progressive ought to try his best to be there. We all have a right to vote on by-laws of SNPJ. Let's use that right to the fullest extent!

Some "Mystical Dance" tickets have not been returned. Until they are returned we cannot have a full report on the proceeds of the dance. Please remember, bring all returns in the meeting night.

How are our plans for the Second Anniversary coming along? Who is going to act in "Pearls"? May 25 is the date you should work for. Show the other Cleveland SNPJ lodges what we can do. We have the material and we have the members. Now all we need is co-operation.

Progressives, look up your acquaintances and see if you can't bring a new member in this coming Tuesday eve. Dues will be collected at 7 p. m. sharp.

Amelia A. Kantz, Secretary.

PIONEERS OF CHICAGO

Chicago, Ill.—The question "What's wrong with Pioneers?" has been with us for the last year. Pioneers are as good as they can be and could be expected. All our affairs are well attended by members and non-members of our locality. Meetings are kept in good order and all work in harmony.

For the last year or so it was heard that Pioneers are not sociable. This is quite an attack on Pioneers. To get acquainted with such a large membership, it's quite a task. It has been said that Pioneers keep in herd and that they are unsociable. Get in the Pioneers Lodge, be active, act on committees, have the "I will" spirit, and you will find out that Pioneers are the lodge that you should

belong to, and you will enjoy being one of them. Do not judge the lodge by few individuals; judge it as a whole and you will find it's a k.

Friendship means everything. Join the Pioneers and you'll make friends. If you have a friend, you have everything; without one you have little. A friend will like you for what you are; will always praise you for your goodness, and make excuses for your meanness.

Pioneers should hold more sociable entertainments after meetings, so that members can get more acquainted among themselves.

Fraternally, John Kopach.

SUNFLOWER SEEDS

Pittsburg, Kans.—At last it's here, the Sunflowers Third Anniversary dance, to be held Saturday, March 15, at the Slovene Auditorium in Frontenac at 8 p. m. Our "Cowboy" says this will be the greatest night of all nights. The best orchestra will be on hand. We cordially invite the Rangers, Roses and all senior members of the SNPJ in this district to attend. The Hearts of America shall be our guests on this occasion. Refreshments and entertainment galore. Let's all make whoopee to the wonderful melodies of those melodious pitchers. Tickets are on sale now and can be had from Wm. J. Strah. See you all in Frontenac March 15 at our 3rd anniversary dance.

Fred Ralph, Committee...

WAUKEGAN DRAMATICS

The "Waukegan Educational Dramatic Club" of Slovene National Home, will present "Prisega o polnoči," a four act drama, March 9, Sunday, at 3 o'clock. Tickets now on sale. Advance 50c at the door 60c.

The cast consisting of our best, eligible and promising actors will make it an enjoyable feature. No one should miss it, as some of our Little Fort members are giving their talent to make this production a successful performance. "Bill Gardner's Ambassadors," eight piece orchestra of Chicago will furnish the snappy tunes for the evening's dancing. The older folks will be entertained by Jack Nagode's Concertina.

On April 20, Easter Sunday, the "New Coed," a college comedy will be presented by the young folks of the Club. More will be said of the "New Coed" in later dates.

Committee.

"COLORADO ROCKIES"

Denver, Colorado.—Our masquerade dance "went over big." We thank the committee for their wonderful work. Don't forget our second anniversary dance in May. Our Lodge is growing, but we still want more members. Members, get your friends and relatives join the SNPJ; they'll never regret it. Let's make our lodge a big organization, the largest and most popular lodge in Denver. We can do it if we resolve now that we will build our lodge. You all still have time to get your Jubilee ring. (Your letter reached our office after the Feb. 26 issue went to press. Editor.)

"Bubbles."

LODGE FRIENDLY CITY

Conemaugh, Pa.—Members don't forget to bring your lodge dues to the meetings. They may be paid from 7 to 11 o'clock the second Thurs., in every month. It is very difficult for me to collect dues from one home to another. Each should realize that it is for his benefit that he pays dues. Don't break your new year's resolution to "pay your assessments regularly. I am trying to do my share, please do yours. Sophia Breely, Sec'y, "Friendly City" No. 684.

LODGE NO. 634

Sheboygan, Wis.—All right. Moderns. Keep up the big race that has been raging on for the last few months. Go out for more new members NOW! Don't wait. Now is the time, while the Jubilee Campaign is on. Make it a few dollars less for your friends by getting them to join now. Ask your relatives, your friends; make this a big drive.

I urge all our members to attend the next meeting. See if we can make it a perfect attendance for this first time in the history of the Modern. Big doings. Come and see.

Frank Resnik.

A CARD OF THANKS

Milwaukee, Wis.—The Milwaukee Gophers wish to thank the 35 Chicago Gophers as well as Sheboygan Gophers and all Milwaukeeans for the wonderful turn out at our last party. Your stay with us shall never be forgotten. Hope to meet in the near future. Thanks one and all.

Milwaukee Gophers, M. F. S., Rec. Sec'y.

LODGE PROGRESSIVES

Euclid, O.—I am sure everybody enjoyed the Mystical Dance given by Progressives. The attendance was great and everything seemed to proceed on nicely. In short, our dance was a complete success.

LODGE NO. 265

Russellton, Pa.—Our next regular meeting will be held March 9 at 2 p. m. Every member is requested to be present, as important business will be transacted.

Voice of the Members

CRITICISM

Strabane, Pa.—After reading the articles of Bro. Richard Zvertnik and Rudie Dergans about the "youthful" representatives, I believe that the matter of athletics of the SNPJ and the payments of expenses for traveling should be given a good airing.

I am positive that athletics are a benefit to any lodge composed of young people, but there are also officers of a lodge who can make athletics be a hindrance to them. I have made the above statement, due to the fact that the officers of our branch have been against athletics of any kind for the last eight months, and a motion was passed at the last regular meeting "that to satisfy the wishes of a few officers," no baseball team will represent the Pioneers of Washington County No. 589 for the year 1930.

Bro. Zvertnik states that the "youthful" representative claims that the policy of paying transportation is wrong. I agree with the "youthful" representative in that matter, as the Athletic Board was very liberal with the money when they paid to the Pioneers of Washington County No. 589, \$112.62, upon the demand of Bro. John Kutch, and not upon the demand of the Pioneers of Washington County No. 589. I wonder what the Athletic Board members will think, when they read that the bus only cost us \$88.00 and the balance of the \$112.62 was used to cover up the mismanagement of the trip to Cleveland, and not to save our Lodge from bankruptcy, as Bro. Kutch had the Board believe.

August H. Riska, Member Supreme Board.

TO BE AGREEABLE

Pittsburg, Pa.—Read Bro. R. Zvertnik's criticism regarding the controversy on athletics. I thought that we old members have made a lot of grave mistakes the last twenty-five years, but I see now that, as much as we are just poor, ordinary laymen, without higher education I can say that the old members have done a good job in the last twenty-five years. Let us hope that the young will do a great deal more in the next twenty-five years: "I am sure they will—if they will be more tolerant toward each other. It isn't so very hard, after all, to be agreeable, if you only try to be." Bro. R. Zvertnik likes to kick and enjoys it so much that I suppose he will have to keep it up. We tolerate it—and that's all.

Michael Plesch, Member Lodge 118.

ATHLETICS AND SPORTS

Mulberry, Kans.—Reading the article in Voice of the Members, by Bro. R. J. Zvertnik, concerning athletics and sports which we discussed at our yearly (January) Supreme board session, I, as one of the representatives, was accused of wanting to dispose of athletics and sports in the SNPJ. I must state that this report is false. I stated "nothing of the kind."

Speaking of athletics and sports, I must say that in the past two years they haven't done anything else but caused hard feelings among our youth. Both championship games did so; first, the Strugglers were accused of having professionals on their team; second, they did not play, because of being a little (?) and the grounds being leased only till a certain hour. Therefore, the game could not be played. These traveling expenses had to be paid without any results. Are we going to continue with a rotten system like this? We all know that athletics and sports cannot be a success in such a short time, but with all of these mistakes we don't seem to be making any changes or trying to better them.

I heard of one team that went to play an exhibition game, and because they didn't win, the result was—a case in court. If things like this continue among our athletics and sports, how can some of us support them? Speaking of financial support for our own Lodge, we have never gotten a cent, not because we didn't ask for it. On June 26 I wrote Bro. Calkin asking him if the Supreme board would help us buy baseball suits for our team. He advised that they were going to give the lump sum to the Athletic Board, and we would receive aid from them. On August 10 I wrote to Bro. Lokar, as he was president of the board, asking the Athletic Board the same. He answered that they had such a mix up Sept. 1, that he gave up his chair. Has our Lodge been dealt with justly through the athletics and sports? Are we going to continue with our athletics and sports in this manner? If the Athletic Board would work systematically, such things would be avoided, and not let one make a mess of it.

Speaking of championship games, they should be arranged differently, regardless of the celebration that day or the banquet that evening. If the train or bus should happen to be an hour late, that is not too late to play. We must have results from these championship games, if we are going to pay for them, and not have a bunch of sore heads, because of the time and place not being arranged properly. We must arrange these things properly, not only for those playing the championship game, but to show results in athletics and sports to our membership.

During the yearly Supreme board's session a representative from the Athletic board came and gave us a report. We knew his report before

he gave it to us; he reported of how they disposed of the money and that they need more money. He did not state any good points or bad, either. Nothing to interest our membership, that is, out of the jurisdiction of the Eastern and Western Athletic Board. We must look forward to them also. I must state to the writer that I did not make any such statement. "That nothing creative shall come out of athletics, so they are a general failure." But I did say that if the system didn't change and deal justice to other lodges—build a good platform to work on. If we don't, we might as well not have athletics and sports—for just some. I do not feel as though we could class athletics and sports in the SNPJ along with our Supreme board meetings and conventions. They have been working successfully for over 25 years, and haven't yet worked up a system to do away with them, and we have our honest organization.

I can say that I have always done the best I could for athletics and sports in the SNPJ, and will continue doing so, if our youth (not "youth") looks at both sides of it and brings it to the road of success.

Frank Lekaha, Member Supreme Board.

SPIRIT-O-GRAMS

By Whoosit.

Granite City, Ill.—Received word from the Integritys saying they will be represented in a great number at "We's" Easter Dance April 20. Yes, the "Red Peppers" orchestra too! So, don't miss out on this treat, friends. Line up, we pray that you, too, will be with us to share the fun galore! Let's hear from you.

The Spirits' bowlers don't worry, they're sure stepping on it—after that taste of defeat in Springfield. Beware now, Links bowling teams, because the "Spirits'" teams are—! If you can't guess, you'll find out when you arrive in St. Louis April 20.

See where the Integritys "Chi. Rose" departed for Milwaukee for several days. The Spirits' Bachelors say there will be another "Rigid" club in that fair city.—Are "we" rite, Chi. Rose? By the way, "Rose," the "lemon pie" will be set before you when you arrive in St. Louis, as the "Spirits" never break their promises.

Believe it or not—the Libertys of Madison, Ill., are holding their first dance and entertainment April 20, at the Roumain Hall. Sorry that the "Spirits" and Libertys' dates are the same. The Libertys will have as their honorable guest that day the President of the SNPJ, Vincent Calkin. Two plays will be given in the afternoon; one in Croatian—"Začarani Ormar," and the other, "His Wife's First Husband," both being one-act comedies.

"We" would like to see some of your articles in the Prosveta, Bro. T. Okal of Madison.

A group of air-minded "Spirits" were seen viewing various plane models at the recent International Aircraft Exposition which was held at the Arena. Wonder if they selected a plane to accommodate "We Gang" for that trip to Kansas, which the "Spirits" are planning. Perhaps several "Flowers" will return as "Captives" of the "We Gang."

See you next week!

LODGE NO. 677

Detroit, Michigan.—The Wolverine Lodge is giving its second dance this year. This is going to be a confetti dance on March 8 at the Slovene Workers' Home on Antwerp. The Wolverine Orchestra will furnish the music for this big occasion. Bring your friends and acquaintances with you. Come one and all for a real good time.

H. Rosch, Jub. Com.

Comrades Behind the Footlights!

Cleveland.—It won't be long now! Only two and a half weeks until we see the Comrades behind the footlights!

What an interestingly humorous play! And the way the Comrades are going to produce it! Oh—it's going to be a side-splitting, hilarious evening!

Can you imagine the man of the house, being the butler in his own home, while a stranger poses as his wife's husband—and when these two ridiculous characters meet—well—watch developments!

And then there is the dumb maid! The dummy! How awkward she is! You should see the ardent lovelorn that goes on between her and "Ambrose."

Then there's Sarah! The big, husky woman, who falls desperately in love with the daisy! Such a mixup!

Come to see the Comrades untangle this complicated affair when they stage "Color Blind" on March 16 at the Slovenian Auditorium.

Music for dancing which will follow in the upper hall only, will be furnished by the "Sovereign Orchestra."

Watch this column. It will give you some exceedingly interesting facts, pertaining only to the members of the east.

Do you know who they are? Watch and wait! We'll tell you all about them!

Kenosha Stalwarts Win Mid-West SNPJ Cage Title; Defeat Badgers, 19-17; Pioneer Girls Beat Stalwart Girls, 14-5

Glavan Stars for Losers; Roycht, Eva, Artach, Rodeman Lead

Chicago, Ill.—The Kenosha Stalwarts won the Mid-West tournament, defeating the Badgers by a 19-17 score. It was a close game all the way and had the fans on their toes all the time.

Glavan, the smallest player on the Badger team, was the most valuable player in the tournament. In the first game of the tournament, the Badgers defeated our Pioneers by a score of 42-30. It was a roughly played game. Captain Louis Klancnik fractured his nose in the latter part of the game. Jachino was high point man with nine points. He and A. Klancnik were the only Pioneers able to hit the loop. Other players that played were, Artach, Graser, Peternell, Hudale, Petrik and Melchart.

The game before the final game between the Pioneers Girls and the much touted Kenosha girls, was won by the Pioneers Girls by a score of 14-5. The Pioneers played their best game of the year. Roycht was high point girl with three baskets and Eva was right behind her with two baskets and a free throw. On the defensive; Artach had her hands full taking care of Rodemond, Kenosha star forward. Doris and Michalek also played a stellar game on the defensive.

About forty-five Pioneers were at the games. The Hambone Chewers were there full strong. While in the city, where the tournament was held, the Chewers made a few raids. Among them was Zagar's Bakery. The trophy did not go home with us. Nevertheless we were homeward bound with the spirit of the "good losers."

The Scorer.

PIONEER SPORTS

Chicago.—Do you realize that some of the Pioneer girls are trying to organize a bowling team? Why don't all you Pioneer Sisters cooperate? Even though it is too late to enter in the SNPJ Tournament, it is not too late to practice so as to be able to compete in the next tournament. Start learning the game now, so that you'll be experienced by the next bowling season. We did not enter a team in this year's SNPJ Tournament due to the fact that not enough girls came out to practice.

Even though I am a newcomer at the game and my scores are not anything to brag about, I am not disgruntled. I get a thrill every time I make a spare or strike.—Helen Arko is the star bowler of the girls; the other evening she had a score of 146; that's double of what I score.—Rose Olip is another one of our bowlers. She has been coming out regularly to our practices.—Rose Koren, the other regular bowler, has certainly improved; when she started she had an average of 44; her present average is 75.—Louise Zele is willing to help our team anytime.—Ann vidgaur sure can throw that ball.—Alice Artach, Sylvia Homets and a few others have been out to practice. Why don't all of our Pioneer girls come out for bowling?

We bowl every Wednesday eve at about 8:30 at the Ace Arcade Bowling Alley (W. 26th street between Hamlin and Avers). Would like to see you next Wednesday eve.

SPIRITS' BOWLERS

St. Louis, Mo.—Talk about a close race for top honors, the Spirits Mixed Double bowling league certainly is a tight one. There is just a three game difference between first and last place and half of the schedule has been completed.

The schedule for Sunday, March 9 is as follows: Mary Kacin and William Straka vs. Mary Yanka and Charles Kacin. Annabelle Klein and Harold Klein vs. Bernice Patrick and Bernard Breely. Sis. Roshel and the writer draw the bye. Leo Kraus.

Everybody had a good time.

Publicity Committee—B. C.

WOLVERINE SPORTS

Detroit.—Undeclared in seven conference games and traveling at a swift clip, Wolverine basketball team this following week will go into the stretch of the big SNPJ championship race. Wolverines have two contests rated as tough remaining on their schedule, but they will be played nearly a week apart giving Manager Hren plenty of opportunity to prepare his small squad for each of these games. The first of these games will be played at Norstrum Gym on March 13 and the admission will be the small sum of a quarter which none of you enthusiastic fans will ever regret paying. This is the first time two Detroit teams will clash for the championship of Eastern Michigan.

L. & J.

STALWARTS' ATHLETICS

Kenosha.—In their last bowling competition for this season the Stalwarts by their great "barrage of strikes" downed the "Idlers" by a total of 84 pins. H. Kralj of the Stalwarts with his famous hook under control "sucked" them for a 512 total.

Committee.

while G. Johnson, 605, was high man for the Idlers. In a double match F. Seiberlich and G. Miller of the Stalwarts versus G. Johnson and R. Mead, the Stalwart pair were winners by a margin of 64 pins. R. Dergans.

BADGERS SPORTS

Milwaukee, Wis.—Badgers defeated the Gophers in a basketball game played in Milwaukee last Saturday, by a score of 28-14. Smolich with 11 points was high scorer for the Badgers, while Krasovich with three points to his credit topped the Gopher score.

Anton Obluck.

SNPJ MEMBER CAPTAIN OF CARNEGIE ELEVEN

Pittsburgh, Pa.—Bro. John Dreshar of Irwin, Pa., member of SNPJ, was recently selected to captain the 1930 Carnegie Tech football team by Coach Wally Steffin and Bob Waddell. It was announced March 1, Bro. Dreshar, who led the team last year, is the first man in Carnegie's athletic history who has twice been named captain of a grid team.

Bro. John Dreshar, 23, a guard, is a junior in the school of industrial education.

ENROUTE TO WAUKEGAN

Chicago, Ill.—WHOOZIT! How all the Pioneers did enjoy themselves in Waukegan, going there, and coming back on the North Shore.

It was at nine o'clock Sunday morning when we (over forty Pioneers) took off train at the Adams & Wabash station for Waukegan. We just barely got seated when the Hambone Chewers started to hang up posters, trying to advertise their club. Even the conductor on the train got interested in this particular club and wanted to know what the initiation fee was to join in it.

When we were well on our way some of us began telling wise cracks, others gazed out at the scenery, and still others more humorously inclined, looked over the Sunday jokes. Time went fast with such a jolly bunch and before we knew it, we were at the North Chicago Junction. From thence we took a Townerline Trolley to 10th Street in Waukegan and then we walked to the gym where the games were going to take place.

At the gym excitement seemed to prevail all through the games as there was competition in all of them. Both the Pioneer boys' and girls' teams played in the tournament, but it took the girls to bring home the bacon this time.

Yes, then again we had to be on our way as our special car was due at 7:00. We piled into the car hurriedly, and now we seemed even more jolly than in the morning, especially the boys. Wonder why? Soon we participated in singing such songs as "Al' me boš me boš kaj rada imela!" and other Slovene songs.

Certainly the Pioneers always have a good time when they go on a trip like this one. Wonder where we will go next? Sylvia Homets, Pub. Com.

A party consisting of about forty-four Pioneers, witnessed the tournament held in Waukegan, last Sunday. The boys were not playing up to their usual standard, and lost to the Badgers. The fact that it was their first season playing basketball, must be considered. We know that they will do better next time.

But the Pioneer basketball honors were upheld by the girls. They played against the Kenosha girls and came out victorious. The score was 14-7. Many remarked upon the girls' splendid team work.

Food may be unromantic but it is essential. It was a good nine blocks to the restaurant. The boys having to walk, worked up an enormous appetite; so that after a hearty dinner, Mr. Anthony Zagar invited us to his Bakery Shop where he so generously allowed us to help ourselves. We certainly did full justice to the bakery. Our sincerest thanks are extended to Mr. Zagar and we'll do business with him again

Young American Dance

Detroit.—On February 15 the Young American Dance 444, SNPJ, made another dance of with the big dance, the greatest dance of the season. The ball room was the largest, and the best that the Lodge ever held a dance in. The orchestra was composed of colored musicians and also the best of the Lodge ever had, and if you ask anyone who was there they will tell you that we should have an orchestra like that at every dance. This orchestra caused a lot of trouble, and we regret that we had to change our dance from the "Slovenian Workers' Home" to the "Workers' Home on Ferry" on such a short notice, as many were informed that the dance would be held at the first place and then didn't receive notice of the change. We feel sorry for those who were disappointed.

The change was made because the Directors of the Slovenian Workers' Home would not let the Young Americans have a colored orchestra, all musicians being union players. At one of their meetings a delegate of Young Americans members was present. The Directors would not have a colored orchestra play there. They then told the committee to resign the dance, and that they would refund our deposit double. The committee protested as it was impossible to do this because the place was advertised. The directors promised us to pay the deposit on the colored orchestra, and wanted us to hire a white orchestra. This the committee couldn't do, because the orchestra was contracted, and would have to be paid if they play or not. The directors promised to pay half of the cost of the orchestra, if we would get another orchestra, also, the directors said if we bring the colored orchestra there, that certain individuals were planning to throw rotten eggs at them, so we couldn't come in. The Young Americans committee could not agree on their terms and told them that the Lodge will have to decide on this matter. The committee set out to look for another band and found one that could be rented for forty dollars and big enough to put the Slovenian Workers' Home on the inside and still have dancing room. At the meeting the Lodge voted in favor of changing the place of the dance. The president, secretary and chairman of the entertainment committee were the only ones who wanted to change the orchestra. The Slovenian Workers' Home Directors have caused a lot of hard feelings among the members and some of them were in favor to start a law suit.

To the Slovenian Workers' Home Stockholders: Your board of directors have caused hard feelings with the Young American Lodge which consists of three hundred members, who have been patronizing your going about seventy-five per cent, except when they had a dance of their own, or if a Slovenian club or lodge held a dance on the east side, who have been paying many an admission to your dances. This question will come before you at your next stockholders' meeting, and it is up to you if you think that the younger generation does not help you, and as many of you say that the Home is built for the benefit of the younger generation and they will soon have the Home as the older members will soon fade away or get too old to attend the dances. At the last dance the Slovenian Workers' Home held there were only eight old people and eighty five youngsters who patronize your dances; pretty soon the youngsters will leave you if you don't give them what they want; they want jazz and they will get it if they have to go to other dances where they can have real music for the same money. Are you going to leave a few dollars to do what they did to the Young American Lodge, without a meeting of any kind, without any restrictions on the Home? A certain director called on the phone that the Young American Lodge can't hold their dance. Is that fair and square? Would it not be better if they would have called a special meeting and make a decision on the matter and then tell us? Why should one or two run the whole thing? Also, at the meeting it was said that members of the Western Lodge were against us for having colored orchestra, and will not attend this affair, which I don't think was the truth, because they attended our dance almost a hundred per cent, and I think they all had the best time of their life. Thanks to the Western Lodge for the fine cooperation they are showing us, and we will return it as usual. The Western Lodge had trouble with the directors some time ago, and I am sure stockholders, how can the young people deal with such tactics? Never did the Young Americans get a square deal from the Slovenian Workers' Home when they held their dance there. Why did we rent the hall on the west instead of the east side? Because many stockholders criticized us for not backing the Slovenian people helping them. I must admit that at the Workers' Home on Ferry we were not service and plenty of it. The manager was always present, and alert. The dance was a great success. Many who attended asked us why we don't hold one of these dances every month. The rent for the hall was five dollars cheaper than at the Slovenian Workers' Home. The crowd was big, the profits run in the hundreds (exact amount we know not, and everybody had a good time). The committee is also planning a few more dances before the warm weather comes.

Brother Anton, Jurec Jr. gave a party in honor of the Entertainment Committee Friday, Feb. 11, at his home. They tell me everyone had a good time. The committee say they have a party every time they meet, but Jurec's party was the best as it was all fun and no work. Fine cooperation the committee is showing. Keep it up—One Who Knows.

"Ripples"

Milwaukee, Wis.—What's the matter with the publicity committee? Oh, they're all right, but we never hear from them, so here we are members of the C.C.C. (Coffee Clutch Club), and while we are knitting socks, we will unravel the yarn.

If our basketball players and bowlers keep up their good work, the Badgers will soon be on the map. You may not be an athlete, but you have a voice, so do your share by rooting and attending every game.

Ker-Choo! Ker-Choo! Ah ha, that's the result of a pajama party—next time wear your woolsens—but nevertheless it was a swell party and the Badgerettes all extend thanks to the hostess for her wonderful reception.

In response to the many requests for another Domaf's Zahava, we have arranged another one for Sat., March 8. Remember, everybody—Tamie's Hall, for a good old-fashioned good time.

Um-am, looks like the Badgers made quite an impression in Kenosha with Sis. Delick leading the grand march and Sis. Oblick with Bro. Hodnik winning the waltz contest, topped off with our basketball victory, it sure put the Badgers in the spotlight. What a break for the Badgers!

Notice: If the Three Musketeers do not comply with the Editor's repeated requests for their signatures to articles, we will deem it necessary to hold a christening soon as a final attempt to aid the evidently nameless "Three Musketeers."

Don't be surprised if some of the Badgerettes decline offers of seats, it's just a case of "soreness," you see, they're learning to skate and meet the floor quite often, which explains their sudden preference for standing.

In the midst of all our fun we must not forget our sick members. Sis. Agnes Perme who is in the Sacred Heart Sanitarium, and Sis. Jennie Owen who is at her home, 406 Scott st., pay them a visit and cheer them up.

The Gophers certainly must carry four-leaf-clovers or lucky horseshoes with them, for after a successful evening they narrowly escaped boarding the ill-fated North Shore for home. Hope your luck lasts forever.

Will we reach our goal? Remember the Membership drive ends in March so bring in your members now!

Your Pep! Your pep! Your pep! You've got it, now keep it, You've got it, don't lose it, Your pep! Your pep! Your pep! "Pee Bee Twins."

Torches of Progress

By "Lindy"

Collingwood, Ohio.—Just one more month and the membership drive is up. Bear in mind: Did you do your share or were you just an on-looker? Let's make each day count. Bring them in, Strugglers.

Don't forget our Basketball Carnival Feb. 8. Come out and help the team keep a clean slate. Three all star teams—Progressives, Strugglers and world champions Bleep Knit girls.

Lodges, please keep May 4 and July 6 open.

It is rumored that a new lodge is in sight again. This time it will be Ferrell, Pa.

Our Beacon president sure can cook. The meals we have eaten were delicious and we will see you again, Sister Matko.

Cleveland Federation of SNPJ Lodges passed a motion at last meeting to organize English SNPJ locals throughout all of the state of Ohio. Ohioans, if your territory is ripe, let us in on the news. We want to help you.

Of three affairs held on Feb. 22, all were successful; lodge Cleveland's 20th anniversary, Progressive whoopee dance, and the Boosters' frolic.

Lodges, don't fail to enroll for a good cause, join the Educational Dept. of J. S. F. A small fee means a big task completed. Full information at next meeting.

With our heartfelt regrets we wish to express our sympathy to Mr. and Mrs. Vidrich for the loss of their daughter and an SNPJ active worker.

HON. JUDGE JULIUS KOVACHY SPEAKS

Was Strugglers' Guest Last Meeting Another link was added to the Strugglers' chain of progress Wednesday, Feb. 12, when the Strugglers had Judge Kovachy as their honorable guest at their last meeting of which the majority of the members were present. The honorable Judge was introduced by Bro. Lohar, President of Strugglers, as a guest speaker. His topic was, "How to become successful." The speech was very interesting. The main points expressed by him were, that in order to gain success a person has to do a lot of sacrificing and that the roads to success are many and open, with slight obstacles and detours which anyone even those with the slightest idea of knowledge can easily overcome. He also mentioned how a noted journalist, A. C. Bott, started in life and today he is the author of the American's foremost book on success, namely, "America, give me a chance!" The speech in detail would cover pages, but as my space is limited I can only give the main views. Honorable Judge was given a rousing cheer of applause when he concluded stating he is always ready to help the Slovenes. Dancing and card party followed the speech. The music was furnished by "Strugglers' Harmony Aces, radio favorites."

Members' Voice

Pittsburgh, Pa.—Brother Krizman of Cleveland is very much discontented and believes that the Editor of E. S. Page of Prosveta is wrong, because he published something that Bro. Krizman doesn't like, something that some of us have read long ago, and were not provoked at all. In fact, I enjoyed it and feel many others did. He dug out a pile of "data and facts." And that is something, so he thinks, and I am the last man in this world to begrudge him this pleasure, for such is human nature. We have to endure it, like the itch we sometimes have.

Tolstoy, a great Russian philosopher, said in his latter days: "People are like stumps and stones; they wound you on the road of life." I admire him, much more so, since Bro. Krizman's "letter" appeared in the Prosveta. Bro. Krizman should take the trouble of reading "The Spanish Inquisition," for it might help him

to see and understand just what the high and holy clergy have done in Middle Ages, and all "in the name of God and Christ." Thousands of people were tortured and murdered, while priests were presiding at these "holy offerings," gleating over the sufferings of their victims just because they didn't like them or their views; they were tortured and murdered as "heretics." Read what they did to Jan Hus and scores of others, and you will have a picture of TRUTH.

Twenty-five years ago, as well as today, the clergy denounced the SNPJ; hardly a week passes now that we don't see something written in clerical Slovene papers attacking the SNPJ and the Prosveta. The late Brother Jozef Zayertnik had to fight with them all his life—in Europe as well as here. But today we don't have to fear the dreadful inquisition, and we don't have to take orders from Rome or Moscow. No matter how he will feel at 35 or 40, the wheel of progress will go on just the same. The Babbite can not stop people to think for themselves.

Michael Plešar, Member Lodge 118.

Rarin' to Go

Detroit, Mich.—Well, folks, I'm still broadcasting. I heard that some fellows would like to clean up on me. Well, it won't be long before I am going to give those guys a chance, by giving myself up. But I won't until these lodges wake up. I also heard some one say that I left town. No, I did not, I am still in Detroit and expect to stay here, as far as I know. I'm not so afraid that I'd have to leave town, although everybody is nagging about me.

Nope, I'm still rarin' to go. I still mean what I said, that the basketball team is a Friendship team. Everybody doesn't get a chance. By that I mean that there are some fellows who don't even get a try-out in the game. Just the first team is put in and they are all tired out by the time the game is over. Why doesn't everybody get a chance? For the simple reason that it is a Friendship team. I read an article last time that a member put in, saying that I was a knocker instead of a booster. Well, I'm not a knocker, I just want the members to wake up.

"The Bystander."

Beer Suds from Milwaukee

The Gophers' dance was some success. Everybody of note or otherwise was there. Everybody dressed in to the Gopher dance early, but had to wait in line with the rest of the gang and by the time I got in, I had to go home. Now you can get an idea of the crowd we had.

I don't believe that many people lived in Milwaukee, and if they did, it must be awfully homelike there, with all the Gophers in Milwaukee.

Many of the Pioneers were here too. I tried to discover some Chicago Pioneers in the pockets of a desperate looking man, but I could find nothing but chewing gum. Ah!!! These Chicago men ain't so deadly.

Getting back to the Badgers, the biggest social event of the season was pulled off at the home of Sister Irma Bilgits. The event was a Pajama party (attended solely by the girls, if you please) with a little luncheon thrown in for excretion. Some of the ringleaders of this side of Lido, Palm Beach and Deauville were in evidence.

All you hear around here today is, "Bay, you going down to Waukegan Sunday to see the Badgers win the Western Basketball Title?" Bay, we are going—Make way, Little Fort, here come the Badger Boosters.

If we don't win the Western Title, we'll claim a foul in the third round. Or maybe we'll blame the speed of the North Shore. Keye Delick.

Golden Eagles' Sidelights

By Bill Cekuta Girard, O.—What's this that's going to happen in Girard May 10? Why, the Golden Eagles SNPJ lodge is celebrating its 2nd anniversary. According to statistics it's going to be greater than our Valentine dance. Hoping that all local and nearby lodges will do the Golden Eagles a favor by keeping this date open May 10.

March 10 — "Style Show." All Golden Eagles take notice. This will be an important meeting and your presence will be requested. Well there is only about a month left to get a Jubilee ring. Get busy at once. Bring a new member.

The Eagles have some good bowlers which was proved Feb. 20.—We are glad to see Gala Zimmerman out of the hospital, as we all wish her a speedy recovery. —The Eagles' Rhythmic Boys (The Melody Makers) have the reputation of being the hottest and peppiest dance band in this part of the country.

RESPONSE

Detroit.—I read Raymond Cernick's Cle Elum, Wash., recent article in the Prosveta. It sure looked good to see the old Home town in print, especially when you're nearly three thousand miles away from it. Nice doing, Ray, keep up the good work. Seems to me that there are enough of the younger set in Roslyn and Cle Elum to start an SNPJ English speaking lodge. Why not start the ball a—rolling, Ray?
