Hitler prevzel kontrolo nad sudetskimi ozemljem

V svojem govoru v Egerju je diktator izjavil, da je izpolnil obljubo in ustvaril enotno Nemčijo. Vojaki odstranili češke napise in jih nadomestili z nemškimi. Vodja socialnih demokratov odpotoval v London, da pridobi angleško vlado za sodelovanje pri iskanju zavetja za begunce iz sudetskih krajev

Eger, Nemčija, 4. okt. — Diktator Adolf Hitler je včeraj osebo prevzel kontrolo nad Sudetskimi. Glavni trg v Egerju je bil ponorišče triumfalnih "osvojitvenih" ceremonij.

Hitler je vkorakal v svojo novo provinco istočasno z nemškimi četami, ki so prekorčale meje v štirih krajih. V svojem govoru je dejal, "da je izpolnil danjo obljubo, ko je potegnil deset milijonov Nemcev v nemško državo in ustvaril enotno Nemčijo. Nikdar več ne bo Sudetska odtrgana od Nemčije, kajti za sudetski Nemci stoji ves narod."

Diktator je prekoračil mejo pri Wildenauju včeraj zjutraj. Tam sta ga sprejela general Walther von Reichenau, poveljnik okupacijske armade v tretji sudetski coni, in Konrad Henlein, vodja nacistične stranke in vrhovni komisar Sudetske. Tu je Henlein vstopil v Hitlerjev avtomobil, nakar sta se skupno odpeljala v Asch, Henleinovo mesto, kjer je bila rojena nacistična stranka.

General Reichenau je v svoji kapaciteti kot poveljnik tretje sudetske cone objavil proglas. "Po navodilih voditelja (Hitlerja) sem prevzel eksekutivno oblast v osvojenih Sudetskih," pravi general v proglasu. "Upravičenemu veselju nad zmago morata slediti delo in izvedba novih nalog. Vsa naj se lojalno in pokorno poda na delo. Vsi prestopki proti oboroženi sili se bodo rešali pred vojnim tribunalom."

Bodenbach, Nemčija, 4. okt. — Pri oddelki nemških vojaških častnikov so dospeli v to območje mesto in v Tešen, ki leži na drugi strani reke Elbe, večer zjutraj. Stiriindvajset ur prej so se umaknili češki vojaki, potni in razočarani. S seboj so vneli topove in drugo orožje. V vseh mestih so bili postavljeni davoloci in napisi, ki proglašajo: "Eden narod in eden vodja" in "Mi pozdravljamo Hitlerjeve vojske." Slike Hitlerja in Henleina so bile v vseh oknih. Češki napisi in drugi znaki, ki so pričali, da je sudetsko ozemlje bilo češka posest, so bili odstranjeni in nadomeščeni z nemškimi.

Franzensbad, Nemčija, 4. okt. — To mesto, ki ga je Hitler obiskal v svojem zmagovalnem pohodu, je bilo poplavljen s protizidovskimi napisi kakor hitro so ga nemške čete okupirale. Na vse židovske trgovine so nalepili napise "Jude" (žid).

Praga, 4. okt. — Dva nasprotnika nacijev sta včeraj odpotovala v London, kjer bosta apelirala na angleško vlado, naj nudi pomoč beguncem iz sudetskih distriktov, katere je okupirala Hitlerjeva armada. Ta sta Wenzel Jaksch, vodja nemških socialnih demokratov, in John Wanka, predstavnik grupe nemških centristov.

Koliko ljudi je pobegnilo iz Sudetske pred Hitlerjevo armado, ni znano, toda v Pragi sodijo, da jih je najmanj 25.000. Gotovo je, da vsi ne bodo mogli najti zavetja v okrnjeni češki republikli in ga bodo morali iskati drugje.

Češkoslovaška se zdaj trudi, da zgradi temelje novemu ekonomskemu življenju v svojih sedanjih tesnih mejah. Izgubila je Sudetsko in Tešinske, ki so ga

Poljaki ponujajo prijateljstvo Čehom

Tešinske dobilo poljskega guvernerja

Varšava, Poljska, 4. okt. — Poljska vlada zdaj, ko je dobila tešinski distrikt, poziva Prago, naj pozabi na vse, kar se je zgodilo. Gazeta Polska izraža željo po sklenitvi lakreknega prijateljstva med Poljaki in Češkoslovaki. List naglašja, da mora prijateljstvo sloneti na načelu "enakopravnosti in svobode".

Dr. Michal Grazynski je bil včeraj imenovan za guvernerja Tešinske, pokrajine, ki jo je dobila Poljska od Češkoslovaške. Grazynski je odpuštil vse nemške inženirje, ki so bili administrator največjega industrijskega distrikta v poljski Šleziji. Sedaj pravijo, da bo odslovil vse češke inženirje v Tešinsku in jih nadomestil s Poljaki.

Poljska še vedno proslavlja zmago, katero je omogočila zveza z Nemčijo. Dobil je nagrado od Hitlerja, ker je pretrgala zvezo s Francijo. Zmaga je prišla, ko so poljske čete vkorakale v Tešinske. Vojaška okupacija tega ozemlja pomeni, da je Poljska dobila bogate premogovnike, tekstilne in kemične industrije, ki predstavljajo vrednost čez sto milijonov dolarjev.

V Varšavi ni nobenega znamenja, da bodo poljske avtoritete bolj obzirno nastopale proti češki manjšini v Tešinsku kot nastopajo proti Ukrajincem, Rutenem, Litvincem, Rusom in drugim manjšinam, čeprav poljski režim naglašja, da hoče živeti v prijateljstvu s Češkoslovaško.

Japonci zasedli strateške pozicije

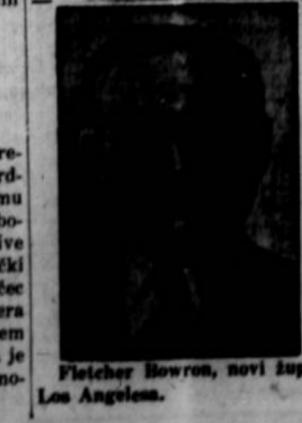

Kitajci utrpeli velike izgube

Sanghaj, 4. okt. — Po krvavi bitki, ki se je včeraj vršila ob reki Fušuj, so japonske čete zasedle strateške pozicije, se glasi japonsko poročilo s te fronte. Kitajci so se morali umakniti na vsej fronti. Čez tri tisoč kitajskih vojakov je bilo ubitih in ranjenih v tej bitki. Japonci pravijo, da so zasedli veliko količino municije in orožja.

Japonske kolone se pripravljajo na prekoračenje reke pri Jangsinu. To mesto je oddaljeno 75 milj od Hankova, kjer je začel hčere, v starem kraju pa očeta, brata in dve sestri. Bil je član društva 286 SNPJ.

Unija in kompanija sklenili dogovor

Racine, Wis., 4. okt. — Francis J. Haas, član državnega delavskega odbora in posredovalec federalnega delavskega odbora, je danes naznanil sklenitev dogovora med krajevno avtno unijo in Nash Automobile Co. Spor, ki je ustvil obrat v vseh tovarnah te kompanije v Wisconsinu pred dvema tednoma, je bil s tem poravnal. Člani avtne unije morajo ratificirati dogovor predno stopi v veljavo, kar se bo zgodilo jutri.

CHAMBERLAIN BRANI SVOJO ZUNANJO POLITIKO

Pojasnilo v parlamentu ni zadovoljilo poslance

PREMIER POHVALLIL ROOSEVELTA

London, 4. okt. — Ministrski predsednik Neville Chamberlain, ki se je vrnil v London kot junak, ker je "odvrnil" evropsko vojno, je podal nejasen obris dogodkov zadnjih dni v svojem govoru v parlamentu. Svoj govor je zaključil z apelom na ljudstvo, naj podpira oborožitveni program, čeprav je zadnji teden, po zaključku konference v Monakovem, svečano izjavil, "da je mir zagotovljen v našem času."

"Nihče naj ne misli, da mora Anglija prenehati z oboroževanjem, ker so predstavniki štirih velesil podpisali dogovor na konferenci v Monakovem," je dejal Chamberlain.

Premier je pred poslanci in veliko množico, ki je zasedla vse kotečke v parlamentu, pojasnil svojo zunanjo politiko, ki je rezultirala v sklenitvi dogovora na monakovski konferenci. Dejal je, da on upa, da bo dogovor sledilo splošno pomirjenje Evrope, toda poslanci niso bili zadovoljni s pojasnilom. Chamberlain je poveljal Mussolinija, Hitlerja, Daladierja in Roosevelta, potem pa je naznanil, da bo Češkoslovaška dobila posojilo \$150.000.000 v Angliji. On je že instruiral direktorje državne banke, naj takoj nakažejo Češkoslovaški \$50.000.000.

Predlog, da parlament da zaupnico Chamberlainu, je bil položen na mizo. Dan bo na glasovanje jutri. Opozicija, ki jo tvorijo laboriti, liberalci in nekateri konservativci, se pripravljata na boj. Da li bo kaj dosegla, je vprašanje, ker večina ljudstva vidi v Chamberlainu moža, ki je odvrnil vojno v Evropi.

Najbolj oster kritik premierjeve politike je Alfred Duff Cooper, ki je izstopil iz kabineta kot mornarični minister v znak protesta proti Chamberlainovi kapitulaciji pred nemškim diktatorjem. Včeraj je dejal, da je premier uničil prestiž Velike Britanije s svojo sramotno igro in kupčijo, ki jo je sklenil s Hitlerjem.

Klavniški delavci ignorirali injunkcijo

Sioux City, 4. okt. — Stavkujoči klavniški delavci, člani unije CIO, so ignorirali injunkcijo, ki jo je izdal sodnik O. S. Thomas v prilog Swift Packing Co. Unija je oklicala stavko zadnji teden, ko je kompanija odbila njene zahteve. Injunkcija prepoveduje piketiranje, toda včeraj je več sto stavkarjev oblegalo klavnico te družbe.

Državno sodišče zavrglo obsodbe

Lansing, Mich., 4. okt. — Državno vrhovno sodišče je zavrglo obsodbo devetih članov Črne legije, ki so bili spoznani za krivce umora na obravnavi pred sodiščem v Detroitu. Odredilo je ponovno obravnavo, ker je bila evidenca o krivdi obojaten na prvi obravnavi pomanjkljiva.

Mehika zasegla Hearstova zemljišča

Mexico City, 4. okt. — Uradno glasilo mehiške vlade je naznanilo zasego zemljišč ameriškega časopisnega magnata W. R. Hearsta. Ta zemljišča obsegajo 17.980 akrov. Konfiskacija je bila odredjena na podlagi zakona, ki je bil sprejet pred nekaj meseci.

Ruski general Bluecher aretiran?

Nova "čistka" v rdeči armadi

London, 4. okt. — Sem po preko Pariza dospela poročila, da je bil maršal Vasilij C. Bluecher, vrhovni poveljnik sovjetske armade na vzhodu, aretiran. Po "čistki" v ruski armadi, v kateri je bilo več ruskih generalov, med temi maršal Mihael Tuhačevski, postavljenih ob zid in ustreljenih, je ostal maršal Bluecher edina prominentna militaristična osebnost poleg vojnega komisarja Klementa Vorošilova. Bluecher je bil večkrat pozvan, naj pride v Moskvo, a je pozive ignoriral.

Moskva, 4. okt. — Govorice o velikih izpremembah, v kateri je bil zapleten maršal Bluecher, se že dolgo širijo v Moskvi. Poročila o njegovih aretaciji niso bila doslej še potrjena in ne zanimala v Moskvi. Sovjetske avtoritete sploh nočejo odgovarjati na vprašanja, ki se tičejo posameznikov.

Da so bile izvedene izpremembe v poveljstvu rdeče armade na vzhodu, dokazujejo poročila v sovjetskem tisku o komunistični konferenci. Konferenci je predsedoval Lev Mekhlis, prvi pomožni vojni komisar, ki je tudi načelnik politične sekcije rdeče armade. Vojni komisar Vorošilov se je udeležil te konference, na kateri so proslavljali njega, Stalina in Mekhlisa, toda sovjetski tisk ni omenil niti z eno besedico maršala Bluecherja.

Green ponovno napadel Lewisa

Obdolžil ga je, da se je zvezal s komunisti

Houston, Tex., 4. okt. — William Green, predsednik Ameriške delavske federacije, je včeraj obdolžil Johna L. Lewisa, načelnika Odbora za industrijsko organizacijo, da vodi gibanje, katerega je sam obsojal pred štirinajstimi leti kot enega izmed ciljev komunistične internacionale. Green si je privoščil Lewisa v svojem govoru ob otvoritvi konvencije svoje organizacije. Primerjal ga je biku, ki je postal divji, ko se je zvezal s komunisti.

Green je citiral stavke iz Lewisovega letaka, ki ga je spisal l. 1924. Takrat je trdil, da hočejo komunisti razbiti Ameriško delavsko federacijo in njene strokovne unije ter jih nadomestiti s industrijskimi. Green je omenil, da se je Lewis nedavno udeležil mednarodnega kongresa proti vojni in fašizmu v Mehiki in govoril pred 50.000 mehiškimi delavci, ki so okrasili oster z rdečimi zastavami. V svojem govoru je napadel fašizem, ne pa komunizma.

"Ameriška delavska federacija ne pobija samo fašizma, temveč tudi komunizem", je dejal Green. "Mi smo proti vsakemu 'izmu', ki je v nasprotju z ameriški tradicijami. Ameriško ljudstvo bo znalo ceniti, ako že ne cenil, dejstvo, da je Ameriška delavska federacija garancija proti invaziji fašizma, komunizma in nacizma."

Green je v svojem govoru ošvrkal tudi federalni delavski odbor. Očital mu je, da je zavezanik CIO, in naznanil, da bo ADF v prihodnjem zasedanju kongresa zahtevala amandiranje Wagnerjevega zakona in omejitev oblasti delavskega odbora.

FRANCOSKI PREMIER HOČE VEČJO OBLAST

Država zabredla v težko finančno zagato

LEVIČARJI ZAHTEVAJO POJASNILA

Pariz, 4. okt. — Politični krogi napovedujejo, da bo premier Edouard Daladier zahteval diktatorsko oblast, da potegne državo iz finančne krize, v kateri se nahaja. Daladier je prišel na vladno krmilo v zadnjem aprilu in dobil napol diktatorsko oblast, katere pa je potekla 31. julija. Zahteve po diktatorski oblasti so tradicionalni izhod iz zagate, kadar se dežela nahaja v finančni krizi.

Zdaj bo Daladier zahteval podaljšanje diktatorske oblasti do 1. januarja prihodnjega leta, da uveljavi finančne, gospodarske in socialne ukrepe in tako izvede državo iz resne situacije, v katero je zabredla. Nekateri napovedujejo, da bo premier dobil vse, kar zahteva.

Člani kabineta se bodo danes sestali na svoji seji, da odobrijo Daladierjevo poročilo glede češke krize in dogovor, sklenjen na konferenci "velike četvorice" v Monakovem. Pozneje bo Daladier govoril pred člani državne zbornice in pojasnil monakovsko kupčijo, ki je rezultirala v Hitlerjevi zmagi in razkosa-nju češke republike.

Socialisti, komunisti in drugi radikali so že naznanili, da bodo pobijali Daladierjevo zahtevo glede podaljšanja diktatorske oblasti. Več poslancev — od Gabriela Perija, vodje komunistov na skrajni levici, in Louisa Marina na skrajni desnici — je že naznanilo, da bodo zahtevali pojasnila od Daladierja o kupčiji s Hitlerjem, ki je bila sklenjena na monakovski konferenci na račun Češkoslovaške.

Španski fašisti obnovili ofenzivo

Angleška parnika bombardirana

Hendaye, Francija, 4. okt. — Fašistične armade, ki so počvale v času velike evropske krize, so včeraj obnovile ofenzivo na fronti ob reki Ebr. Uprizorile so več naskokov na pozicije vladnih čet na bojni črti med Corberro in Venta de Camposineso, nekaj milj severno od Gandese. Poročilo iz Barcelone se glasi, da so lojalisti odbili vse naskoke.

Barcelona, Španija, 4. okt. — Dva angleška parnika — Gothic in Thorpebay — sta bila tarča bomb fašističnih letalcev, ki so včeraj napadli Barcelono. Bombe so zanetile ogenj, ki pa so ga mornarji kmalu pogasili.

Uradne vesti društva SNPJ

Uniontown, Pa. — Članom in članicam društva 326 SNPJ naznanjam, da je bilo sklenjeno na zadnji redni seji 11. sept., da bo društvo obhajalo plesno veselico dne 8. oktobra. Vsi, da se udeležite te veselice. Prebitek bo šel v društveno bingajno.

Večkrat smo že razpravljali na društvenih sejah, kaj bomo ukrenili v korist društva. Naj bo povedano, da nas je vse poletje zadrževalo nazaj, tako da se nisimo mogli odločiti za nobeno stvar, ne za piknik ne za veselico. Glavni vzrok temu je brezposelnost, ki je prizadela skoraj vse. Nekateri smo že izšli iz nje, večina pa še tapre naprej, zato pa ne smemo obupati.

Dne 8. oktobra bo dan, ko se bomo imeli priliko pogovoriti o vseh teh kisljih dneh, ki smo jih preživeli in upam, da jih bomo pozabili vsaj za nekaj ur. Vabljeni ste vsi člani in članice društva 326 SNPJ in člani drugih enotnih društev ter ostalih organizacij. Dobrodošli v velikem številu! Mi vas pričakujemo v obilnem posetu. Kot vselej, se bomo tudi v bodoče izkazali, kadar boste vi imeli kaj podobnega. Na naši veselici bo igral izvrsten orkester White Eagle, ki ga lahko slišite z radiopostaje WHJB iz Greensburga vsako soboto ob 12.45 popoldne. Zraven tega bomo imeli tudi nekoliko prostega časa, da se bomo pomerili glede volitev, ki so že skoraj pred vrati, kajti november se približuje z naglico in vprašanje je, ali smo se že dogovorili koga bomo volili. To je zelo važno za slehernega volilca in volilko.

Nikar ne pozabite večera dne 8. oktobra. Pridite vsi k nam v Hrvatski dvorani na Franklin st., Franklin hall, Uniontown, Pa. Torej na svidenje 8. oktobra!

Louis Dornik, tajnik.

Marsikdo ni še nikdar videl toliko ljudi na enem pikniku, in to samo Slovencev, večinoma vsi člani SNPJ. Če bomo tako skupaj držali, je uspeh zagotovljen in SNPJ bo rastle tudi v bodoče, kar ji iz srca želimo.

V bližini je mnogo društev, ki so brez mala vsa imela svoje poletne prireditve v prijaznem Presto parku, le naše društvo št. 6 SNPJ je izjema. So. Chicago, Ill. — Kakor je bilo že poročano, priredijo tukajšnja društva SNPJ št. 8, 400 in 610 skupno božično veselico dne 18. decembra. Na zadnji seji zadnjega oddelka se ni bilo vse urejeno in vled nezadostno udeležbe se ni dosti ukrenilo. Zato imam nalogo, da skličem ponovno sejo, ki se bo vršila v četrtek, dne 6. okt. ob 7.30 zvečer v prostorih Calumet Field House. S tem pozivam ves pripravljani odbor in vabim tudi ostalo aktivno članstvo, da se te seje gotovo udeležijo.

Za odbor:
Mary Slobodnik, 490.

Johnstown, Pa. — Od vsespod se čitajo naznanila o raznih prireditvah, ki so namenjene agitaciji in gnotnim pripomočkom, zlasti pa pridobivanju novih članov mlad. oddelku SNPJ, ki letos praznuje svojo 25 letnico. Vsi, da se pridruže našemu društvu sklenilo na svoji zadnji seji, da priredi veselico v proslavo 25 letnico mlad. oddelka SNPJ dne 15. okt. v dvorani SNPJ s pričetkom ob 8. zvečer. Upam, da bo godba vsem všeč. Za lačne in žejne bo pripravljani odbor preskrbel vsake dovolj. Pozor, člani in članice! Vstopnina je 25c na osebo, in sicer za vse nad 16 let stare. Kdor izmed članov in članic se pa ne bo udeležil veselice, mora plačati 50c v društveno blagajno pri pobiranju acesmenta meseca oktobra. Zapišite si, da ne bo nikakega opravičenja! Zakaj bi samo eni in isti vse žrtvovali, drugi se pa posmehovali. Ako smo bratski, bodimo vsespod, ne samo takrat, kadar si bolan ali bolna.

Joseph Widmar, tajnik.

Cleveland, O. — Naznanjam članstvu društva Brooklyn št. 136, da začeni z oktobrom se vršijo društvene seje popoldne. Prihodnja bo v nedeljo 9. okt. ob 2. popoldne v navadnih prostorih F. Zeleznika. Isti čas se nadaljuje do meseca marca 1939. Prosim članstvo, da vzame to na znanje, posebno pa članice, ker bo ganje popoldanski čas bolj primeren.

Seja bo važna, ker se bo precej razpravljalo o kupčiji posestva, ki nam bo služilo za slovensko centralo v zapadnem Clevelandu. Klub zapadnih slovenskih društev bo sklical sejo za delničarje in obvezničarje. Tisti člani, kateri se niso še obvezali za pomoč klubu, naj se tudi udeležijo seje v petek 7. okt. ob 8. zvečer v Max Waackovih prostorih na W. 65th in Storer ave.

Carl Samanich, tajnik.

Canton, O. — Naznanjam članom društva Canton št. 315 SNPJ, da se bodo redne društvene seje pričele ob 1. popoldne v navadnem prostoru na isti dan. Prosim, da se udeležujete društvenih sej v večjem številu.

Federacije S. N. P. J.

Minnesota federacija

Eveleth, Minn. — Naša okrožna federacija društev SNPJ oborojuje dvakrat v letu. Dne 18. septembra se je vršila seja na Elyju, ki je bila velika. Neizvedljiva je bila velika. Nekateri zastopniki se zelo trudili, da se izpolnijo jedriniti, da se izpolnijo jedriniti, da se izpolnijo jedriniti.

Članice društva 130 smo bile dobro zastopane in društvena predsednica ses. U. Ambrozijeva je posegla skoro v vse debate, njene sugestije pa so tudi bile sprejete. Seja je potekla mirno in v popolnem soglasju. Elyj je bil imenovan za vratarja ali reditelja in je vestno vršil svoj posol. Ses. Benko iz Elyja mi je pojasnila novotarijo glede vrat. Br. Tomič iz Gilberta je bil še posebno dobrodojni zastopnik, ker je prinesel nekaj gotovine kot blagajnik na pikniku federacije. Br. Barle ne vidi, da smo vsi veseli in tako je prav. Br. Maks Marc je poročal, da se kmalu med nas vrne federacijski predsednik br. John Kobi iz Dulutha, kajti zdravje se mu počasi vrača. Zornica je bila tega poročila zelo vesela, ker smo ga res pogrešali.

Poročano je bilo, da v Minnesoti je največje žensko društvo št. 130 v Evelethu. Br. A. Pirc, tajnik, je dodal, naj to društvo vzamemo za zgled in naj se prizemo dela za pomnožitev članstva. — Ker vem, da vsak rad čita, kaj se godi v domači okolici, naj omenim, da je kandidat za reprezentanta Tom Vukolič govoril deset minut. Njega je odobrila farmarsko-delavska stranka. On je dober govornik in je veliko upanja, da bo izvoljen, ker se udeležuje v delavskem gibanju. Naša dolžnost je, da mu pomagamo do imolitve.

Nato smo se podali h kosilu, ki so ga pripravile elyjske kuharice in bilo je res okusno, le to mi je žal, da nisem videla niti ene kuharice. Premalo članice smo imeli, da si bi ogledali mestne zanimivosti. Opozorjen elyjske članice in druge rojake, da pridno obiskujejo naš dom ob sobotah in nedeljah, ker tam najdemo vedno dovolj in poštene zabave, s tem pa tudi pomagamo svoji lastni ustanovi. Prihodnja seja naše okrožne federacije se bo vršila četrto nedeljo v aprilu prihodnjega leta na Evelethu.

Clevelandka federacija

Cleveland, O. — Proslava 25 letnice mladinskega oddelka SNPJ, ki jo je priredila clevelandka federacija SNPJ dne 25. septembra v SND na St. Clairju, je za nami. Privedite je bila uspešna, ne toliko finančnega stališča kakor z moralnega. Pri popoldanskem programu je bila precejšnja udeležba, posebno od strani mladine, a še boljše je bilo zvečer pri plesu.

Eden izmed namenov vsake prireditve je seveda finančni uspeh, nekoliko prebitka za društveno ali feder. blagajno. Toda v današnjih razmerah je finančni uspeh izreden dogodek. Prvič, pri nas v Clevelandu imamo tako ogromno število društvenih prireditev v naših sedmih Narodnih domovih, da se malo kdaj srečata dva znanca, ne da bi vprašala drug drugega: "Kupiš tikit za našo veselico?" Drugič, te mizerne delavske razmere. Delavec, ki dela pri WPA za mizerno mesečno plačo \$60, ima menda mnogo drugih obveznosti, da porabi ta denar.

zvojanjem 25 letnice je bil naš glavni namen opozoriti klevelandke Slovence na mladinski oddelke SNPJ. Obenem je bila naša želja predstaviti slovenskemu občinstvu v metropoli naše nove in mnogo obetajoče mladinske krožke.

In ta namen je bil dosežen. Kakor sem rekel, mladina je bila zastopana v lepem številu. Nastop krožkov v petju, muziki in igri je bil lep, in gotov sem, da je napravil prijeten in trajen vtis na vse navzoče občinstvo. Ako bodo ti mladinski krožki od sedaj naprej prejel vsaj malo podpore od strani naših društev, potem sem gotov, da imajo pred seboj lepo bodočnost.

Na tem mestu se želim iskreno zahvaliti vsem, ki ste na kakršenkoli način pomagali pri tej prireditvi. Posebno se želim zahvaliti tistim, ki ste sodelovali pri programu, in sicer brat Louisu Belletu, ses. Simič in ses. Zarnik, Sežunovim sestram, Veri Milavec, ki je spremljala na piano in Vadalovemu kvartetu. Nadalje mladinski krožek iz St. Clair ave., Waterloo rd., Holmes ave. in Euclida, tako tudi voditeljem teh krožkov in pa mladinskemu pevskemu zboru Slavčki. Ravno tako gre moja zahvala vsem pridnim delavcem, ki ste pomagali bodisi v kuhinji, za baro ali pa v dvorani, in sploh vsem, ki ste se trudili za uspeh te prireditve.

Matt Petrovich, predsednik.

Fed. seja bo 16. okt.

Virdeu, Ill. — Prihodnja seja federacije SNPJ za centralni Illinois, h kateri spadajo tudi jednodina društva v St. Louisu, Mo., se ne bo odpravila na 9. oktobra, kakor je bilo poročano v glasilu z dne 28. sept., ampak se bo vršila dne 16. okt. Tako je namreč sklenilo društvo št. 47 v Springfieldu zato, ker za devetega oktobra ni bilo mogoče dobiti jednotlivih filmov. V sled tega bo br. Jakob Zupančič kazal slike in predaval po fed. seji dne 16. okt., to je ob 2. popoldne. Navzoče bo tudi gl. predsednik V. Cankar in tudi on nam bo kaj informativnega povedal. Uljudno se vabi vse članstvo in vsi rojaki od blizu in daleč, da vidite slike iz stare domovine. Seja fed. se prične ob 10. dop. in se vrši v Springfieldu v SND, 11th & Kansas. Po programu prosta zabava in ples. Vstopnina samo 25c.

Frank Hirsch, tajnik.

O slavnju mlad. jubileja

Cleveland, O. — V nedeljo 25. sept. je clevelandka federacija SNPJ slavila 25 letnico mladinskega oddelka SNPJ. Kdor je sprožil idejo mlad. oddelka, je vreden vsega priznanja. Proslava se je vršila s programom in sodelovali so sami člani SNPJ in člani in članice mladinskih krožkov. Ker sem bil na odru in ker ni moj namen ocenjevati programa niti ni moj namen osebno se zahvaljevati, kajti vsi, ki so sodelovali, so to storili za clevelandsko federacijo SNPJ, toda kot uradni federacije in ker sem imel dovolj opravka s to proslavo ter mi je znano, kako težko je prositi za sodelovanje, me veže dolžnost, da se v imenu federacije zahvalim vsem, ki so na en ali drug način pripomogli do uspeha, ki smo ga imeli na tej proslavi.

Program je odprl br. M. Petrovich in na kratko pojasnil pomen slavnju. Nato je v angleščini govoril br. F. Truden o mladini in mladinskih krožkih ter o mladinskem oddelku. Nato je nastopil mladinski krožek iz Euclida in podal par zelo priljubljenih godbenih točk. (Nerazumljivo je, zakaj se niso udeležili vsi člani, spadajoči k temu krožku.) Zatem je nastopil krožek iz Holmes ave. in pokazal svoje talente v godbi in petju. Nato je bil predstavljen krožek Naprednih Slovencev in je kot prva dva pokazal svoje mlade moči v petju in godbi. Nadalje je bil predstavljen krožek iz Waterloa, oziroma baseball team tega krož-

ka v krojih. Nadalje je ta krožek podal enodejanko "Sestrin Varuh" v slovensčini. Nadalje so nastopili v pevskih točkah br. L. Belle, sestri Sežun, sestrici Kravos, ses. A. Zarnik, ses. A. Simič in v dobro znani Vadalov kvartetu. Program je bil jako zanimiv in vreden cene, katero ste plačali. Pevske točke sester Sežun in sestre Kravos je spremljal F. Jankovič, ostale pevce in pevke pa Vera Milavec. Nastopil je tudi mladinski pevski zbor Slavčki ter podal par jako živahnih točk, spremljala miss Artelj. Lahko je žal vsem, kateri so šli gobe nabirati tisto popoldne, kajti ves spored je izvajala večina mladina in bil je lep.

Ponovno izrekam zahvalo vsem sodelavcem in delavcem, gospodinskemu odelku SND oziroma članicam Naprednih Slovencev št. 137, tako tudi vsem, ki ste se udeležili proslave ter pokazali svojo lojalnost napram naši organizaciji SNPJ. Ker prostor ne dopušta, naj nam oprostijo vsi tisti, kateri bi želeli bolj podrobno poročilo o programu i. t. d.

Voditelji posameznih krožkov so: za Euclid J. Ivančič in ses. A. Zele, za Waterloo rd. J. F. Durn, za Holmes ave. L. Mermolja in za St. Clair A. Simič. J. F. Terbižan, tajnik.

Seja illinoiske fed. 16. oktobra

Springfield, Ill. — Na zadnji seji društva št. 47 SNPJ je bilo sklenjeno, da se bo prihodnja seja okrožne federacije SNPJ vršila dne 16. okt. ob 10. popoldne v SND. Seja se je preložila zato, ker nismo mogli dobiti slik, ki jih bo predaval br. Jakob Zupančič. Takoj po seji se bo serviralo kosilo in ob 2. popoldne se prične kazanje filmov, potem pa plesna veselica. Vstopnina samo 25c za slike in zabavo. Vsi člani in zastopniki so prosi, da upoštevajo navedeni datum federacijske seje, to je 16. okt. ob 10. dop. v SND v Springfieldu, Ill. Na veselici in predvajanju slik bo tudi br. V. Cankar, predsednik SNPJ. Vabijo se vsi člani in članice ter prijatelji, da se udeležite. Videli boste slike iz stare domovine in se zabavali, vse to pa samo za 25c vstopnine. Na svidenje 16. okt. v SND v Springfieldu!

ORGANIZIRANI, ZAPRISEŽENI VLOMILCI

Bivši Amerikane organiziral vlomilsko družbo, ki je bila odkrita šele po 20 letih

V okolici Sv. Barbare v Hajozah so se že lepo vrsto let dogajali pogosti vlom in tatvine, ki jih orožništvo nikakor ni moglo pojasniti. Šele zadnje dni so odkrili, da je vse te vlomne izvršila dobro organizirana družba vlomilcev, katerih poglavar je bil Franc Haberko, ki se je pred kakšnimi 20 leti vrnil iz Amerike v svoji rodni Budišček. Tu je zbral kakšnih deset pajdašev in jih celo zaprisegel za štiri točke vlomilske discipline: ne izdati svojih pajdašev, zvesto stražiti pri vlomih, pomagati v sili tudi kot stražar pri spopadu z zasledovalci in pri aretaciji ne priznati krivde. To zaprisego so člani izvrševali in tako je trajalo 20 let, preden je bila družba odkrita. Izvršili so v teh letih 55 vlomov, pri katerih so odnašali ne kdo ve kako bogate plene, ki so jih nato prodajali največ na Hrvaško. Zdej so se vlomilci znašli v zaporu. Pri nekem vlcmu k posestniku Bizjaku v Gruškovcu so sledovi kazali na Haberko, ki je bil aretiran in nazadnje pod težo dokazov priznal dejanje in tudi izdal svoje pomočnike. Tudi so našli skladišče, v katerem je bilo še precej nakradnega blaga, ki so ga orožniki vrnili kakšnim 30 prizadetim posastnikom. Odkritje te družine je imelo za posledico tudi samomor Barbare Hrenjakove, katere dva sina sta bila člana vlomilske družbe. V strahu pred aretacijo je izpila precej ilicola in v nekaj urah umrla.

Arretirani vlomilci pridejo pred sodišče.

"Venera" slavi jubilej mladinskega oddelka SNPJ

Milwaukee, Wis. — SNPJ remains a happy family of 50,000 members under sound financial protection. Our rules and principles stand on basis of fraternalism, true sportsmanship, cooperation and integrity. If you want sound protection, join SNPJ. Please, remember that the SNPJ protects you in case of illness and injury, and also your beneficiaries.

Tako in slično se glase močn besede reklame na krasno izdelanih banderčih, katere bodo nosili naši malčki v povorki na dva bloka dolgem pohodu do dvorane Le škoda, da nismo mogli aranzirati tega pohoda, da se bi vršil podnevi, da bi s tem bolj vidno manifestirali pomemben srebrni jubilej mlad. oddelka SNPJ da bi s tem bolj učinkovito pokazali, kako zelo smo ponosni na naše uspehe na društvenem polju, da z resničnim ponosom manifestiramo porast mlad. oddelka za razvoj naše dične jednote.

Vse te napisane na krasnih banderčih hočemo za večerni program razveseliti na oder z velik zvezdo Venero v sredini, v okras in počast srebrnega jubileja in v reklamo naše bratske organizacije, uverjene, da bo izbrano besedilo napravilo na prisotne močan in dober vtis, da v tem dosežemo povoljen moralen uspeh.

Uverjene smo, da se s tem strinja tudi vse cenjeno članstvo stooštostno, da ob priliki proslave mlad. oddelka SNPJ, ki je za nas tako častnega in zgodovinskega pomena, naš srebrni jubilej, da s ponosom in na dostojen način pokažemo oblike naših principov in naglasimo pomen naše dične jednote.

S posebnim ponosom omenjam ob tej priliki tudi, da nam je ta krasna banderica izdelal član jednote, br. John Bartell, ki se je tako izrazil, da je pripravljen z veseljem pomagati olepšati počastitveni program srebrnega jubileja. In res, presenetil nas je s svojim očarljivo lenim delom, ki bi bil po vsej pravici v čast vsakemu zaslužnemu umetniku tega poklica. Sestavo besedila je na banderčih tako umetno in lično porazdelil, ga z okraski opremil in olepal z žarečo tvarino, da se erke lesketajo kot biseri. S tem je uspel, da so lična banderica čim učinkovitejša v besedilu in zaceo so tudi lep kras, da jih je radost pogledati.

V dolžnost si štejem, da na tem mestu izrečem br. John Bartellu moje iskreno priznanje in zeno naglasim, da smo lahko vsi ponosni, da imamo v svoji sredi tako nadarjenega samoukega umetnika. V slučaju, da bi kateri rojak rabil kaj slinčnega dela, toplo priporočam, da se obrnete na njega v vašo lastno zadovoljnost.

Ker je to sedaj zadnji klic vabila pred priredbo, je dobro, da že enkrat naglasim spored večernega programa, ki se v celoti glasil: Pohod malčkov v častni opremi se korakajoče po dvorani filmira, kratki govori gl. odbornikov, pogostitev otrok, okinčanje odra, ples z balončki za angleško govoreče člane z nagrado za dobitelja (na posebna veselca, kot je bilo 21. sept. od strani uredništva pomotoma poročano), končno pa presta zabava.

Iz tega se razvidi, da bo večerni program za vse zanimiv v isti meri, kot je popoldanski v kazanju najnovejših slik iz domovine. Pripravljalni odbor je posvetil posebno pozornost, da

bo program v najboljšem redu izvajan in da bo dobra potrežba tudi v vseh drugih ozirih. Manjkalo ne bo to pot niti prišnih kranjskih pipev in ribniških piščalk. Tudi to smo oskrbeli, da bo kot mali, toda zelo prijeten spomin na rodni kraj, da boste imeli priliko to dobiti.

V imenu društva "Venera" št. 192 SNPJ in v imenu načel naše dične jednote, vas vse kar najvljudneje vabimo, da se udeležite te častne prireditve naših malčkov v obilnem številu. In vam vsem krepko kličemo: Na veselo svidenje v nedeljo popoldne, dne 9. oktobra v dvorani K. of P. med 19. in 20. cesto na National ave.!

Za pripravljajni odbor: Christina Moseley, 192.

Poročilo o skupni prireditvi Philadelphia, Pa.

Philadelphia, Pa. — V nedeljo 4. sept. se je vršil piknik združenih hrvatskih in slovenskih društev v tem mestu. Bila je to prva prireditve vrste v naši naselbini. Skupni odbor je bil na delu več mesecev in pričakoval se je velik uspeh. Pripravili smo obširen program, ki se je pričel ob 2. popoldne. Predsednik pripravljajnega odbora je pozdravil zbrano množico, ki je štela nad dva tisoč ljudi. Nato se je izvajal spored. Namesto mestnega župana je nastopil njegov namestnik G. Coe Farrier, pomožni mestni solistator, ki je posegel v evropsko politiko ter precej okral diktatorje, obenem pa tudi tako zvano demokracijo. Omenil je tudi Jugoslavijo in jo precej pohvalil, slasti pa njene lepe ženske. Dejal je, da poleg Amerike je edino Jugoslavija, v kateri bi želel živeti. Seveda, ako bi govoril Kitajcem, se bi enako izrazil o Kitajski. Pozival je navzoče, naj bodo dobri Američani, kajti kljub vsaj brezposelnosti in krizi je še vedno boljše v Ameriki kot v militaristični Evropi.

Imeli so tudi kontest lepih deklet. Naše vrle članice društva 284 SNPJ se niso udeležile tekme. Ako se bi, kdo ve, rezultati bi bil lahko drugačni. Nato je govoril G. M. Bilčenič, ki je omenil le pomen te proslave za kolonijo v Philadelphiji. Za njim pa je govoril G. Yakim iz Pittsburgha v istem fonu. Zadnji je govoril v imenu društva Sloza 284 br. Frank Vrtarich iz Luzerna, Pa. On ni bil omenjen na programu, kakor je bilo to prvotno namenjeno, in to v sled tega, ker mu je gl. odbor SNPJ prepovedal nastopiti kot zastopnik jednote. (Morda so se bali, da pridobimo preveč članov?) Nastopil je le kot gost društva 284 in kot organizator CIO. On je bil edini, ki je pozdravil navzoče kot je bilo prvotno namenjeno v programu. Pozdravil ni le Hrvate in Slovence, nego tudi Srbe, katerih je bilo mnogo navzočih. Povedal je, da to je skupni jugoslovanski dan, ne pa kot nekateri hočejo le hrvatski dan. Priporočal je, da v bodoče še prirejamo tako proslave, ker bomo s tem pokazali ameriški javnosti, da se zavedamo svoje narodnosti in da smo obenem tudi dobri ameriški državljani. Dalje je omenil tudi politiko, zlasti politiko takozvanih demokratičnih držav, ki podpirajo fašizem in nacizem, namesto da bi pomagali španski ljudski vladi in Kitajski. Nato je pozval navzoče, naj se organizirajo v delavskih organizacijah, kajti le organizirano delavstvo se more uspešno boriti za svoje pravice in priti do boljšega kosa kruha. Da je njegov govor napravil dober vtis na navzoče, je dokaz v tem, ker je bil večkrat prekinjen s ploskanjem, in ko je končal, se je vse gnetlo okrog njega in mu stiskalo roke. Da je imel tudi nekaj nasprotnikov, je bilo očitno. Par reaktorjev je celo zahtevalo od predsednika, da mu vzame besedo, češ da ni bil javljen na programu. Človek pa ne more nikdar vsem ustreči. Za nas je dovolj, da se je devetdeset odstotkov navzočih strinjalo in odobravalo njegov govor. Dejstvo je, da je br. Vrtarich mnogo pripomogel do moralnega uspeha te prireditve.

Omeniti moram, da so nas posetili naši vrli člani od blizu in daleč, mnogo tudi takih, ki jih nismo niti pričakovali. Med

drugimi nas je obiskal br. Leo Bizjak iz Uniona, N. J., delegat 11. konvencije SNPJ in br. Kaucich z družino iz Newarka, N. J., dalje br. Karish iz Readinga in mnogo drugih. Ne smemo pozabiti, da je zlasti naše članstvo SNPJ mnogo pripomoglo, da je bil tako velik moralen in deloma tudi finančen uspeh. Predvsem gre hvala ses. Josephini Lavrich, ki je bila tajnica skupnega pripravljajnega odbora. Ako ne bi bila ona žrtvovala časa in denarja, kje bi bili danes. Priznanje gre tudi miss Beatrice Cicko, ki je bila vedno in povsod prva, ko je šlo za skupno korist. Da sta bili onidve najbolj poštvovalni, je dokaz v tem, ker sta dobili javno priznanje v obliki mabla darila v spomin na to redko prireditve.

Da, ta dan nam ostane še dolgo v spominu. Bil je velik moralni uspeh. Da nismo dosegli toliko tudi v finančnem oziru, se je zahvaliti reakciji, ki je hotela tik pred piknikom vse razbiti, a ker jim to ni uspelo, so se vsillili v ospredje in razpili iz skupne blagajne brez pooblastila in tako so deloma dosegli to, kar so iskali že od začetka, to je: nesporazum.

Anton Mahnich, 284.

Par nasvetov Bilčeviću in drugim

Philadelphia, Pa. — Kakor je javnosti že znano, smo imeli tukaj v Philadelphiji Jugoslovani skupni piknik enajsterih društev. Ali na žalost moram reči, da ta piknik je nosil ime "hrvatski dan". Gospod Bilčević, avtor hrvatskega dneva, je dal prvi pobudo za hrvatski dan tukajšnjemu prosvetnemu odboru hrvatskih društev. In ta odbor je šel na delo ter pozval vsa tukajšnja društva na skupno sejo, da bodo sodelovala za skupni piknik vseh teh jugoslovanskih društev.

Vsako društvo je moralo dati 10 dol. v pikniško blagajno za prve stroške. In potem, na poznejših sejah, so prinesli na dan, da to mora biti hrvatski dan, kar je bilo posledica, da so srbska društva in eno istrsko-primorsko društvo odstopila, naše društvo SNPJ pa je ostalo z njimi največ zato, da ne bo prepira. Vaak napredno zavedni delavec pa lahko vidi, da smo bili fino potegnjeni.

Potem se je vršil piknik, ki se je zelo slabo zaključil. Prinesel nam je samo prepir in pa jako slabo razpoloženje. Nastopili so razni govorniki, med njimi tudi naš gl. odbornik Frank Vrtarich, ki je prišel na povabilo našega društva. Njegov govor je bil kratek in jednat. Usmernen je bil korak naprej, za kar je žel od večine navzočih odobravanje. Nekaterim našim sodrugom pa se njegov govor ni dopadel in so ga hoteli ustavit. K sreči pa je bila navzoča naša napredno zavedna članica in jih ustavila s pripombo, da bodo povzročili prepir.

Po končanem pikniku so se delali računi, pri katerih je bil sam prepir. Denar so potrošili za več nepotrebnih stvari, in to nalašč, le da se maščujejo proti drugi skupini, ki je bila v manjšini. Končno so napravili račune tako, da tista skupina, ki je imela oglasne v programni knjižici in jih tudi plačala, je dobila denar nazaj, "kar ni pravilno". Večina je delala sabotažo.

S tem sem podal javnosti jasno sliko, kako se je zaključil naš jugoslovanski piknik na hrvatski dan. Sedaj pa par navodil gospodu Bilčeviću, avtorju hrvatskega dneva v Philadelphiji. Kadar se pride v Philadelphijo dajati pobudo za hrvatski dan, daj jim tudi nasvet, in to tak, da ne boš več tukajšnje jugoslovanske naroda begal kakor si ga. Nasvet jim daj nekako takole. Najprej naj skličejo hrvatski dan komunisti, drugič pa naj skličejo hrvatski dan napredno zavedni Hrvatje. (Ti ga ne bodo.) Tretjič, skličejo naj ga hrvatski katoliki. Potem mislim, da bo šlo. Ako pa hočeš, da praznujejo vsi Jugoslovani hrvatski dan, potem jim daj tudi njihovo ime.

Nadalje naj mu bo povedano, da beseda Jugoslovani pomeni

korak naprej, pomeni združene, pomeni slogo, pomeni moč. Beseda Jugoslovani pokriva vse jugoslovanske narode. Srbi, Hrvatje, Slovenci in ostali jugoslovanski narodi bodo prej osvobodili Hrvatsko nego Hrvatje sami. In še več: osvobodili bodo tudi druge jugoslovanske narode, ne samo Hrvate. Naprošen je, da moj nasvet upošteva.

To sem napisal, da ne boš več prišel delat prepir v Philadelphijo in da se ne bodo naši dobri člani več pljuvali na naših hrdatvenih sejah, kakor se je to zgodilo zadnjič. Končno pozivam vse tukajšnje Jugoslovane, naj pozabijo na prepir, katerega nam je prinesla tukajšnja hrvatska reakcija.

O slavnju mlad. oddelka SNPJ

Cleveland, O. — Prejšnjo nedeljo, dne 25. sept., se je vršila proslava 25 letnice mladinskega oddelka SNPJ v SND na St. Clairju s programom in veselico. Dan je bil izredno lep, prelep, zato menda tudi ni bila udeležba kot bi morala biti, zlasti pri popoldanskem sporedu. V tako lepem dnevu je res lepeše zunaj, če pa je slabo vreme, pa radi ljudje ostanejo doma, tako človek res ne ve, kakšno vreme bi "naročil". V glavnem bo menda brezbriznost, da ni bila večja udeležba.

Zvečer pa se je nabralo res veliko mladine z vseh strani in vse je bilo dobre volje, posebno v veliki plesni dvorani. Za plesne komade je skrbel orkester Franka Jankovicha. Pogrešali smo naših starejših članov popoldne in zvečer pri "jaslih".

Popoldanski spored je bil lep in zanimiv. Nastopili so sledeči krožki SNPJ: krožek društva 450 iz Euclida, krožek društva 142 iz Holmes ave., krožek društva 137 iz St. Clairja (ta je bil izvrstno organiziran) in krožek društva 53 iz Waterloa rd., ki je nastopil tudi s kratko pa zelo zanimivo in pomenljivo slovensko igrico, ki jo je aranžiral br. Jos. Durn. Ta krožek je nastopil tudi kot basebalska skupina. Pri tem ima največ zasluge br. Jos. Terbižan, tajnik federacije. Sami mladi fantje iz mlad. oddelka. V basebalskem teamu so nastopili tudi fantje društva Loyalties št. 590 SNPJ v uniformah. S pevskimi točkami so nastopili mladinski zbor, Slavčki (pevovodja L. Seme), sestri Sežun v petju in plesu, ses. Zarnik, ses. Tončka Simič, br. L. Belle in mali sestrici Kravasovi.

Najbolj so se postavili na programu Vadalovi s svojim izbornim kvartetom in petju in plesu. Čim so jih ljudje opazili in plesu, je naenkrat šnil glas-san aplavz po dvorani. Po končanju točk so morali vsako točko ponoviti. To se dogodi vselej, kjerkoli nastopijo.

Ves program je izvrstno uspel. Iskrena hvala vsem, ki so sodelovali na sporedu in se potrudili, da so pripomogli k celotnemu uspehu.

Bratje in sestre SNPJ! Človeku se res lepo zdi, ko vidi našo mladino, ki se tako živo zanima za našo jednoto in za različne svoje nastope. In kako so tudi ponosni, da so člani Slovenske narodne podporne jednote in da jim damo priliko, da se udeležujejo v eni ali drugi stvari v prid svojega društva in jednote. Le navdušenja in vodstva je treba. Od tega dvojeja je skoraj vse odvisno. Torej naprej s krožki in vso ostalo agitacijo za SNPJ!

Slavje mladinskega oddelka SNPJ v Milwaukee

West Allis, Wis. — Minilo je že 25 let, odkar se je tu v Milwaukeeju porodila dobra ideja, ki je obrodila dober sad — mladinski oddelk SNPJ. Vsa čast tedanjim delgatom naše dobre matere jednote, ki so ji dodali močno vejo z ustanovitvijo mladinskega oddelka, kar je v veliki korist in ponos vsem članom SNPJ.

Lani je društvo Venera 192 SNPJ slavilo svoj srebrni jubilej, kar nam je še vsem v živem spominu. Venerčanke vselej skrbijo, da se take obletnice dostojno proslavijo, zato se je društvo zavzelo, da lepo in dostojno proslavimo tudi srebrni jubilej mlad. oddelka SNPJ. To se bo zgodilo dne 9. oktobra v dvorani K. of P., ki se nahaja med 19. in 20. cesto na West National ave. Ker je že bilo poročano, kaj vse bo na programu v duševni užitek, se bom omejila na poročilo o telesnem užtku. Kazanje filmskih slik iz stare domovine bo vzelo nad dve uri. Četudi nam tam ni bilo dobro, se stare domovine vsi radi spominjamo, saj smo se tam rodili in prebili v nji naša mladostna leta, zato jo tako iskreno ljubimo. Večerni program se pa prične ob 7. zvečer, to bo korakanje mladine SNPJ v dvorano, br. Jakob Zupančič jo bo pa filmiral za jednoto, kar bo ostalo kot časten spomin na proslavo 25 letnice mladinskega oddelka SNPJ.

Sklenjeno je bilo, da pripravimo večerjo za vse. Da bo okuana, se boste pač lahko sami prepirali, kajti Venerčanke so tudi izvrstne kuharice. Večerja bo stala samo 25c za osebo, zato se pač ne bo splašalo, da bi človek odšel iz dvorane med popoldanskim in večernim programom. Kdor pa bo želel samo vložke, bo iste lahko dobil.

Vsem delavkam se naznanja oziroma se jih obvešča, da pridejo na svoje mesto točno, posebno tiste, katere imajo v svoji skrbji tikete, tako da boste točno ob eni uri popoldne v dvorani, kajti slike se začnejo predvajati točno ob 2.30 popoldne.

Uljudno vabim vse člane in članice SNPJ ter vse Jugoslovane, da se gotovo udeležite in z nami uživajte, ter da obenem skupno proslavimo srebrni jubilej naše mladine. Njihov dan je tudi naš dan, kajti oni so naša bodočnost — bodočnost naše organizacije SNPJ! Torej na veselo svidenje 9. okt. v omenjeni dvorani ob veliki udeležbi! Obenem vabimo tudi Čičažane, da pridejo na naše slavje, saj ni daleč k nam!

Naš SND in naše prireditve

Springfield, Ill. — V septembru je preteko 20 let, odkar se je vršila sedma konvencija SNPJ v tem mestu. Mnogi niso več med živimi, kateri so prišli na konvencijo in ki so bili aktivni v pripravah. Takrat je bilo težko za nas inozemce, ker je divjala svetovna vojna in tujerodci so bili obsvoženi v mnogih krajih. Vendar je konvencija potekala mirno.

Dne leti pozneje smo tukajnji in okoliški rojaki kupili poslopje in ga preuredili v Slovenski dom. Ker smo začeli z malim, ni odgovarjal našim potrebam, valed tega smo deset let pozneje na letni domovi seji sklenili, da vprašamo SNPJ za posojilo, ki smo ga tudi dobili in Dom povečali, tako da odgovarja našim potrebam in ima lepo dvorano. Prišla pa je kriza in druge homatiije in bi dom kmalu izgubili. Ali jednotin gospodarski osek nam je dal pogoje, da Dom prav lahko nazaj prevzamemo, in tako smo na letni domovi seji tudi sklenili. Jednoti smo lahko hvaležni. Kako nam je potreben Dom, bi spoznali šele takrat, ko ga ne bi več imeli. Naša nasebina ima še bodočnost, četudi ni velika. Springfield je glavno mesto države Illinois, je lepo me-

sto in prebivalstvo z vsakim letom narašča. Stanovanja in poslopja imajo visoko ceno. Sedaj gradijo poleg Doma novo državno cesto.

Letošnji jesen bomo imeli prvo veliko prireditev v domu v nedeljo, dne 16. okt. Popoldne bo federacijska seja ruštev SNPJ za osrednji Illinois. Popoldne pa se bodo predvajale filmske slike SNPJ, zakar je društvo 47 SNPJ skupno s federacijo povabilo br. Jakoba Zupančiča, da predvaja slike iz starega kraja. Povabili smo tudi br. V. Cankarja, predsednika SNPJ. Vabilu sta se oba odzvala; da prideta in da pripeljeta "stari kraj" s seboj. Potem bo ples in prosta zabava.

V soboto, dne 22. okt. zvečer pa se bo vršila vinska trgatve v korist Doma. Lanaka trgatve je bila dobro oblikana in bilo je lušno, letos pa se obeta še boljše.

Ne smemo tudi pozabiti prireditve kluba 47 JSZ, ki jo bomo imeli na soboto, dne 12. nov. zvečer. Člani in članice tega kluba so na vsaki veselici in tudi pomagajo pri delu, zato upamo, da bo tudi klubova prireditve uspešna. Tudi člani dr. Lincolnites 567 SNPJ so nam obljubili, da nas obiščejo, in tudi oni bodo imeli prireditve v Domu in sicer dne 6. nov. Torej se vidimo! Kdor pride v Dom, mu ne bo dolgčas.

Uboga Češka — Veselica društva 140 SNPJ

Brooklyn, N. Y. — Nevarnost svetovne vojne je začasno končala. Uboga češka republika, ki je stala trdno na pravih demokratičnih principih, je sedaj brez malega uničena — v korist rajlija Hitlerju in njegovim izkoriševalcem.

V New Yorku živi nad 80.000 Čehoslovakov. Sedaj so upravičeno potrjeni in s strahom gledajo v prihodnost svojih rojakov preko oceana in se pogovarjajo ter vprašujejo — co bude neko časa?

Hitler ne bo še miroval. On hoče odprto pot do Adrijanskega morja in do Črnega morja, vsekakor najprej do zadnjega. Ko si utere pot do Črnega morja in ne bo več potreboval Musolinija, bo začel trgati Jugoslavijo na kose, da dobi kontrolno nad njo. Avstrijo je podjarmil brez boja, del Češke tudi — in če bosta stali Francija in Anglija za njim, kakor sta stali doslej, bo tudi dobil vse brez boja. Kaj to pomeni? Nacizem in fašizem bosta zavladala Evropi in gorje demokraciji po vsem svetu!

V New Yorku se še vedno slabodele. Na tisoče in tisoče delavcev tava po ulicah s povešanimi glavami. Upali smo, da se bodo razmere izboljšale, ker bo tukaj svetovna razstava leta 1939. Izdelki pa prihajajo največ izdelani iz drugih držav, kjer so delavci ceneji, domačini pa so brez dela in zaslužka. Največ mehanikov v New Yorku je zaposlenih pri WPA, pri kateri delajo 49 ur na mesec. Plača od ure je \$1.75. Poleg teh je še mnogo ljudi brez dela.

Naznanjam, da prihodno soboto, dne 8. okt. priredi društvo Bratska Zveza 140 SNPJ prvo jesensko veselico v Slovenskem domu na 253 Irving ave., Brooklyn, N. Y. Vabljeni so vsa društva in posamezniki, posebno pa člani društva, da se v obilnem številu udeležite veselice. Igral bo znaní Jerry's Starlight orkester. Začetek ob 8. zvečer. Na svidenje!

Vinska trgatve

Elizabeth, N. J. — Naznanjam vsem članom društva št. 540 SNPJ, da prihodnja društvena seja, ki se vrši 9. oktobra, bo zadnja pred vinsko trgatvijo in veselico, katere se vrši 22. oktobra. Zato ste prošeni, da se v velikem številu udeležite prihodnje seje, da naredimo še vse, kar je potrebno za vinsko trgatve. Upam, da vstopniške tikete imate že

vsaki na rokah. Razprodajte jih vsak po svoji moči. Kajti čim več bomo naredili za veselico in razprodali tiketov, toliko na boljšem bo potek naša društvena blagajna.

Ker bo to zadnja veselica in vinska trgatve to jesen, zato uljudno vabimo vsa sosedna društva, kakor št. 687 v Manvilu, N. J., št. 56 v New Yorku, št. 140 in 580 SNPJ v Brooklynu, N. Y., da nas posetite na ta večer in se veselite z nami, o priliki smo pripravljani, da tudi mi vas obiščemo, kadar boste naredili kakšno zabavo. Pridite vsi in nam pomagajte do boljše uspeha na tej veselici. Za piti bo dovolj in tudi za jesti bomo imeli kranjske klobase, tako da bo vsak zadovoljen.

Torej na svidenje dne 22. oktobra ob 7. zvečer v Rivoli ballroom, 209 Ferry Street, Newark, New Jersey!

"Kralj na Betajnovi" na odru SDD

Cleveland, O. — Vsa družba je globoko v temeljih pokvarjena: državna oblast šteti krivico, cerkev se pajdaši z bogastvom in oblastjo, mandati se prodajajo, tako da lahko človek kandidira enkrat na levi, drugič na desni in pritisk korumpiranega javnega mnenja je tako močan, da se zločinec ne more izpovedati in očistiti tudi kadar bi se hotel.

Kantor, kralj na Betajnovi, je simbol krivičnega sistema današnje človeške družbe v drami "Kralj na Betajnovi," ki bo uprizorjena prihodnje nedeljo, dne 9. okt. v Delavskem domu na Waterloo rd. Drama "Kralj na Betajnovi" je tridejanka. Spisal jo je veliki pisatelj Ivan Cankar. Predstavi jo dramsko društvo "Anton Verovšek" ob svoji petnajstletnici, katero obhaja letos. Pričetek igre ob 3. popoldne. Po igri ples v spodnji dvorani.

Cankarjeve igre, pravimo, so težke za naše diletantске odre. Tudi drama "Kralj na Betajnovi" je zavita, četudi je povzeta iz kmečkega in malomeščanskega življenja. Da pa nam ne bo to delalo preglavic, smo si pomagali s tem, da smo povabili Etninā Kristana, urednika Čankarjevega Glasnika, da nam je on raztolmačil prizore in smisel drame "Kralj na Betajnovi," kajti on je zelo dober poznavalec Cankarja in njegovih del. Zato se letos nadejamo, da bo igra dobro uprizorjena.

Vi, cenjeni Slovenci in Slovenke, ste pa zabljeni, da posetite to znamenito predstavo in pomagajte slaviti "Verovšku" 16. letnico delovanja na dramskem polju. Zato v nedeljo 9. oktobra popoldne vsi v Slovenski delavski dom na Waterloo rd!

K proslavi 35-letnice društva Slavije

Chicago, Ill. — Mesec oktober je za vse slovenski napredni živeli v Ameriki izredno važen. Smelo lahko trdimo, da je velepomemben. Meseca oktobra 1903 se je zbrala mala skupina čikaških rojakov in je ustanovila društvo Slavijo, kateri so dali svobodomiselnost podlogo, bratstvo in enakopravnost. Pokojni Martin Konda, katerega dolgoletna želja je bila, da ustanovi popolnoma napredno bratsko organizacijo za vse slovenske priseljence, je v svojem listu takoj pričel agitirati, naj se razvije iz novoustanovljenega društva Slavije močna organizacija. Svoj list Glas Svobode je večinoma porabil za agitacijo in naslednje leto, aprila 1904, se je vršila prva ali ustanovna konvencija in delegati, katere so poslala že ustanovljena napredna samostojna društva, so z veseljem odobrili ustanovitev nove slovenske bratske podporne organizacije, katere glavni temelj je SVOBODOMISELNOST, BRATSTVO in ENAKOPRAVNOST. Kako potrebna je bila ta organizacija, dokazuje zgodovina, ki je kratka, toda velikega pomena za vse Jugoslovane. Nova organizacija, kateri so dali ustanovitelji ime Slovenska narodna podpora jednota, je v kratkem času prekosila obe že prej ustanovljeni organizaciji kljub silni protigitaciji, katero so vršili nasprotniki in iz "mrtvorjenega deteta" je zrastel

orjak, s katerim računajo sedaj vsi. Vsa ta protigitacija in raznovrstne, včasih umazane in zlobne mahinacije so bile brezuspešne in organizacija raste in napreduje.

In ni več kot pravilno, da vsi člani Slovenske narodne podporne jednote dostojno proslavijo ta zgodovinski dogodek. Društvo Slavija proslavi svoj "rojstni dan" s priredbo 16. oktobra in upati je, da se bodo člani, živeli v Chicagu in okolic ter bližnjih mestih: Joliet, Waukegan, Milwaukee, La Salle in mogoče še kje druge udeležili te proslave in tako praznovali rojstni dan Slavije — društva, iz katerega je nastala Slovenska narodna podpora jednota.

Odbor, ki ima v oskrbi to priredbo, se je zavzel, da bo tudi program temu dogodku primeren. Naj omenim samo tri glavne točke: br. Ivan Molek je priredil kratko skico z naslovom "Zgodbica o iskri, ki je užgala kres," v kateri bo pokazan pričetek in razvoj društva Slavije in jednote. Kdor pozna br. Moleka, ve, da on pripravi res nekaj dobrega in zanimivega. Nastopil bo Vadnalov kvartet iz Clevelanda, o katerem je bilo že poročano, da je vredno nekaj desetice plačati za poslušanje tega kvarteta. Nekaj izrednega bo — in tudi prvič v zgodovini slovenske nasebine v Chicagu — nastop orkestra Bergantovih sestster iz Lisabona, Ohio, članice SNPJ, ki bodo zabavale udeležence. Kdor je slišal ta orkester, je vsakdo priznal, da tako dobrega orkestra še ni slišal in člani v Clevelandu in sploh v jugovzhodnem Ohiu bodo temu pritrtili.

Apeliramo na vse člane dr. Slavija, da prodajo vstopnice med svojimi znanci in prijatelji ter drugimi rojaki, da bo dvorana SNPJ zopet enkrat polna. Vabijo se člani in rojaki, komur je le mogoče priti na to petintridesetletnico, da gotovo pride, ker žal jim ne bo in vsakdo bo odnesel prijeten spomin, kajti priredbe te vrste še ni bilo v Chicagu. Nastopila bosta tudi pevska zbor, mešan zbor Sava, odesek kluba št. 1 JSZ, in moški pevski zbor France Prešeren, o katerih je znano, da sta si že pridobila priznanje kot izredno dobra zbor. Priliko boste imeli zopet enkrat po dolgem času videti in se osebno pogovoriti z onimi člani, ki so bili pri "krstu" društva Slavije, in tako tudi pri rojstvu Slovenske narodne podporne jednote.

Ne pozabite torej priti v nedeljo, 16. oktobra, popoldne pred drugo v dvorano SNPJ, 2657 S. Lawrence Ave.

Odbor.

Prva združna večerinka

Detroit, Mich. — Kam boste šli dne 15. oktobra, rojaki Slovenci in Hrvati? Gotovo v SND na John R. Saj bo tega dne združna organizacija priredila svojo prvo večerinko in mi hočemo biti zastopani in velikem številu. Kajti naša želja je, da čimprej odpremo združno prodajalno, kar s tem bomo podpirali sami sebe.

Na tej večerinki boste lahko dobili zadevna, pojasnila o združnem gibanju. Naše ženske pa vas bodo tudi prav gotovo pocukale za suknjo in vam za ušesa zašepetale, da si kupite delnice združne prodajalne. Kajti denar je edino sredstvo, ki nam bo pomagalo do našega cilja. Sezite po delnicah, rojaki! Pomagajte vsak po svoji moči! Pa boste videli, da vsi skupaj lahko veliko dosežemo!

Valed tega se uljudno vabite, da si določite 15. oktober za našo prvo veselico. Na ta način nam boste pomagali odstraniti zapreke, ki nas ovirajo na poti, katero smo si začrtali, to je na poti združništva, do katerega bomo prišli s skupnimi močmi. Naše geslo naj bo: NAPREJ za ustanovitev združne prodajalne!

Naše ženske bodo tudi poskrbele, da bo na večerinki vsega dovolj. Saj jih poznate, da rade postrežejo z raznimi dobrotami. Torej na veselo svidenje v soboto, dne 15. oktobra ob 7. zvečer! Vstopnina 15c, vključena pa je tudi vhodninska nagrada.

Joe Koršič.

Od Chicaga do Clevelanda

IVAN MOLEK

Stari kraj v filmu SNPJ

Zadnje soboto zvečer je čikaška federacija SNPJ predvajala v jednotini dvorani poleg drugih jednotini filmov tudi najnovejšega, ki ga je br. Jakob Zupančič prinesel pred dobrim mesecem iz stare domovine, kjer se je mudil na kratkem obisku.

SNPJ si je v kratkem času nabavila za svojo propagando precej dobrih filmov — kajpada vsi ti filmi so amaterko delo, produkt naših "kameristov," toda večina mo po srečeni — z najnovejšim Zupančičevim prispevkom je pa zelo obogatila svojo filmsko zbirko. Napredek je že v tem, ker je to prvi jednotin film v barvah. Nič ne more zanikati, da film, ki-pokaže naravo ali ljudi v narurnih barvah, je veliko bolj privlačen in tudi zdravejši je za oči.

Pokrajinske scene v tem filmu so izredno lepe, na primer slapovi Savice in Vintgarja na Gorenjskem, dalje scene Ljubljane z gredami krasnih rož v parku Tivoliju, nadalje Kranjska Kamnika, Škofje Loke, Jesenic, Bleda in Bohinja; prav tako Vrhnika s Cankarjevimi spomenikom, Novo mesto in Črnomelj. Nič manj ne zaostajajo prizori s semnja v Črnomlju, s polja pšenice pri Vrhniku in več prizorov iz Trbovelj, na primer nastop mladinskega pevskega zbora Slavčka pred delavskim domov v Trbovljah. Uključenih je tudi nekaj prizorov iz Trsta. Vse te scene so dobro posnete in br. Zupančič zasluži priznanje za to delo, SNPJ pa čestitke na pridobitvi tako lepega filma. Vmea je kajpada nekaj nedostatkov. To so pred vsem one meglene pokrajinske scene, ki jih je naš kamerist snel iz daljave ali iz vlaka in iz katerih gledalec ne more dosti ali nič razbrati. Te razbrisane scene motijo ostale lepe slike in zato je najbolje, da se takoj odstranijo iz zbirke.

Čikaško občinstvo, ki je natlačilo jednotino dvorano, je brez dvoma uživalo ta film, kar je pokazalo z viharnim odobravanjem in vzkljki zadovoljstva. Nobene kritike nisem slišal — slišal pa sem dosti godrnjanja nad pikniškimi prizori, ki so bili predvajani pred starokrajским filmom. Ti prizori — ki se vlečejo in ponavljajo in ponavljajo — iz Ohaia, Pennsylvanije in drugih krajev so zanimivi le za gledalca iz dotičnih krajev, ki pozna filmirane osebe, so pa dolgočasni za ljudi v drugih krajih. Zato je priporočljivo, da se pikniški prizori najčesteje predvajajo v onih krajih, iz katerih pridejo.

Se nekaj o našem čikaškem občinstvu. Videl sem rojake, ki se pokažejo v dvorani SNPJ morda enkrat vsakih pet let in spet druge, ki jih sploh ne poznam in ne vem, če so že kdaj prej bili v jednotini dvorani. Reklame za ta film je bilo zelo malo. Le v Prosveti je bil omenjen dvakrat ali trikrat. Kljub temu so prišli naši ljudje iz vseh delov Chicaga in ob sedmih je že bila dvorana napolnjena.

Vprašanje je, zakaj ne pride to občinstvo ob drugih prilikah, ko je tedne in tedne toliko oglasjanja, tekanja sem in tja in ponujanja vstopnic. Odgovor je, da naše občinstvo pride brez najmanjšega truda — kadar pričakuje kaj lepega in dobrega. Vse naše organizacije, ki navadno tarnajo nad slabo udeležbo, se lahko zdaj nauče iz tega. Ljudje — tudi najvestejši obiskovalci naših kulturnih prireditev — se naveličajo enega in istega. Vsaka prireditve mora nuditi nekaj — novega in privlačnega in občinstvo pride brez kakšnega halibaluja!

Čikaški federaciji SNPJ, ki je priredila to filmsko predstavo, je treba čestitati na srečni izbori. Naj računa s tem tudi v bodoče in si nabavi kaj novega v filmu — nekaj iz nasega življenja!

Film je že davno posekal povprečno odrsko igro, kar Amerika najbolje dokazuje s svojimi kinoteatrir v vsakem bloku. Čas je, da se tudi mi enkrat amerikaniziramo!

Bratje in sestre v drugih nasebinah! Kadar pride jednotin starokrajški film med vas, ne zamudite prilike. Ne bo vam žal.

Pred dvajsetimi leti

(Iz Prosvete z dne 5. oktobra 1918)

Svetovna vojna. Nemci so izpraznili vsa premogovišča v Franciji. Avstrijsko bojno brodogovje je bilo uničeno v pristanu Drača. Avstrijska armada beži iz Albanije.

Program društev SNPJ v letu 1938

V tem letu je kampanja za mladinski oddelk SNPJ.

Mladinski oddelk SNPJ je letos star 25 let, zato se letošnja kampanja imenuje kampanja srebrnega jubileja.

Prikladno in pravilno je torej, da minimalna kvota te kampanje znaša petindvajset sto (2500) otrok — novih članov za mladinski oddelk SNPJ.

Da se doseže ta kvota, je treba, da sleherni društvo SNPJ dobi povprečno vsaj pet novih članov za mladinski oddelk.

Dolžnost vsakega društva SNPJ torej je, da v tem letu sprejme najmanj PET novih članov v svoj mladinski oddelk.

Nekatera društva so že dobila več ko pet otrok v prvem mesecu kampanje, ampak s kampanjo niso prenehala!

Člani slehernega društva SNPJ naj si postavijo nalogo, da pridobe v tem letu najmanj PET novih članov za mladinski oddelk!

To naj bo v programu vsakega društva SNPJ v tem letu.

Zdravniki so se premislili

Strah pred socializirano medicino izgublja oči pri ameriških zdravnikih. Pred dvema tednoma je imela organizacija ameriških zdravnikov, American Medical Association, izredno zborovanje v Chicagu in je do malega — izpremenila svoje staro stališče.

Zdravniki so sicer obsodili politično kontrolo medicine in se izrekli proti obveznemu socialnemu zavarovanju zoper bolezni — v isti sapi so pa sprejeli resolucijo, s katero so priznali, da mora biti vlada ODGOVORNA za zdravje revnih ljudi, ki nimajo denarja za privatno zdravniško pomoč! Prav tako so odobrili Rooseveltov načrt za ustanovitev federalnega departmanta za javno zdravje in v drugi resoluciji so izjavili, da se deloma strinjajo z Rooseveltovim programom za organiziranje federalne akcije za pospeševanje zdravja in blaginje.

To je komaj pol koraka naprej — vendar je veselo znamenje. Dokaz je, da napredni elementi v organizaciji zdravnikov prihajajo v ospredje.

Zdravniška organizacija bi najlaže odvrnila nevarnost politične kontrole nad medicino s tem, da bi sama začela s KOOPERATIVNIMI medikalnimi središči, klinikami in bolnišnicami, z namenom, da bi reveži, ki ne morejo plačati ato do tristo dolarjev za operacijo, dobili zdravniško pomoč po nizki ceni. Na dan z medicinskimi zadrugami!

Slučaj v Philadelphiji

V tej številki Prosvete sta dva dopisa iz Philadelphije, Pa. Pečata se z udeležbo tamkajšnjega članstva SNPJ proslave "Hrvatskega dneva" in vsak dopisnik poroča z druge strani, kar je pravilno. Slišati je treba oba zvona in potem je zadeva jasna za nas.

Za članstvo SNPJ mora biti jasno, pa naj bo kjerkoli, da je takšno prisostvovanje le — štafaža za druge podporne organizacije in njihove politične aspiracije. Bratje Hrvati imajo popolno pravico in svobodo, da na kakršenkoli način organizirajo svoje kampanje, podporne in politične — ni pa lepo od njih, da v te svoje kampanje vličejo društva naše jednote. Na drugi strani je PROTI interesom SNPJ, če se naša društva odzivajo in sodelujejo pri takih kampanjah, pa naj se sodelovanje vrši pod kakršnokoli pretvezo. Društvo, ki to stori, potem nosi moralno odgovornost za rezultat dotičnih kampanj. To je eno, drugo pa je, da iz tega se lahko izčimni spor, ki ne prinaša nič dobrega za prizadeto društvo in našo jednoto.

Posamezni člani lahko delajo kar hočejo na svojo odgovornost in po svojem prepričanju — ne morejo pa tega delati v imenu svojega društva in SNPJ!

Naša jednota ima svoje dneve in svoje kampanje, ima svoje principe in svoje socialne cilje in vsi zavedni člani morajo to razumeti. Naj bo slučaj v Philadelphiji — dobra hola, dobra izkušnja za v bodoče!

Poleg velikega števila podpornih društev imamo tukaj v Chicagu tudi tri zelo aktivne pevске zbornice. Ti predstavljajo najmanj 120 pevcev in pevk, med katerimi se jih nekaj še posebej uri in vežba v prelepi pevski umetnosti. Vsi so vredni pohvala v tem prizadevanju. Omenim naj le enega pevca.

Pred osemindvajsetimi leti se je rodil Cukaletov v sosednjem Waukeganu droben fantek, kateremu so dali ime Tomaž. Toda ni mu bilo usojeno posebno dolgo kobacati in kričati pod zlatim solncem ameriške svobode. Kajti že tri leta po njegovem rojstvu so se njegovi starši z njim vred odpravili na pot ter se vrnili na svoj dom blizu Vrhnik. Ko pa je Tomažek odrasel v Tomaža, se je leta 1925 vrnil sam v Ameriko ter obiskal v Chicagu, kjer mu je pred štirimi leti nekdo namignil, da bi ne bilo prav nič napak zanj, če bi se poskusil vežbati v petju. Je sicer težko garati podnevi za vsakdanji kruh, a zvečer pa se vaditi v notah. Toda podjetni Tomaž je poslušal tudi pametni nasvet ter nastopil trnjevo pot, ki ga gotovo pripelje do zaželjenega cilja, če vztraja do konca. Je še dokajšen kos po ti pred njim. Tako se naš Tomaž že štiri leta pridno vežba v petju ter uspešno pripravlja za tenorja v operi. Prihodnji mesec ima nastopiti v Donizettijevi operi "Lucia di Lamarmor."

nastopiti v Donizettijevi operi "Lucia di Lamarmor."

Zadnje soboto sem prvič poslušal njegovo petje. Prepel je nekaj slovenskih, laških, nemških in angleških skladb, a na klavir ga je spremljal njegov učitelj Gerald Grossen, ki je sam cel virtuoz v svoji stroki. Tomažev glas je prikupen, čist, čil, krepak, sonoren, izšolan in zelo obažen. Izlaska se povzpne do visokega G in še višje, če treba, ali tudi v nižini ne izgubi tiste sonorosti in svežosti. Vokalizacija je povsod povoljna, ali v slovenskih skladbah pa vendarle najboljša. To vse vzbuja upravičeno upanje, da bo Cukale s svojim lepim tenorjem v doglednem času še na odru ameriške opere častil in slavil ime svoje slovenske matere.

Tomaž Cukale je član tukajšnjega pevskega zbora "Prešerna", ki priredi svoj jesenski koncert dne 6. novembra popoldne v dvorani Slovenske narodne podporne jednote. Med potekom tega koncerta misli prvič v zgodovini "Prešernovega" zbora nastopiti v Donizettijevi operi "Lucia di Lamarmor."

POWER POINT, O.—The West Point Cadets, Lodge 746 SNPJ, are sponsoring a dance on Saturday, November 12, to be held in Kaplan's hall. You will dance to the music of Vic Tusek and his accordion. There will be plenty of refreshments of all kinds, plenty of room for dancing to those good old polkas and also popular pieces. This affair is to be on our anniversary, and we are looking forward to seeing a large crowd there. We will be reminding you of this affair from time to time. Good music, a nice dance hall, and a lot of pretty girls. So be there.

Spirit-o-Grams Announce Tenth Anniversary Dance, Saturday, Nov. 5

By Whoozit

ST. LOUIS, MO.—Spirits, do you realize that in just one more month we are launching our 10th Anniversary Dance?

In the short span of one month (by Nov. 5) we must be fully prepared to present an affair to our friends. An affair of which we may be justly proud, which will remain indelibly imprinted upon our minds as an affair in which all St. Louis Slovenes joined unanimously for a few moments pleasure and a moment in which they will again sense the importance of unity and solidarity.

The committee is feverishly at work preparing for this coming event, and may we take the opportunity to urge Slovenes from far and near to prepare to participate in our affair.

May we rely upon YOU to be present?

The writer urges the membership to strive to obtain advertisers in our beautiful program booklet which the committee is preparing for the dance. There will appear in this program a brief history of our lodge the Spirit of St. Louis. So please do not neglect this point, Spirits, because we've got to fill the book. The committee is relying upon YOU to do YOUR SHARE.

Those members who have not received their tickets will be able to do so at the next regular meeting. See the Chairman, Bro. Frank Mahlich, about ticket information.

The year is nearing the end and it is our duty, members, to sell these tickets so that we may not only increase the lodge treasury, but also bring NEW faces to our affair so that we may obtain new members.

And don't neglect the juveniles. We need juveniles and they will be most certainly welcome at our affair, because it is with the Spirits that they belong, i. e.: the younger English speaking set; the future of our organization depends upon them. This point cannot be stressed too strongly.

The hands of the clock move steadily onward, and for that reason, Spirits, we must work hard, and in intense unity. For the same reason your writer must close, with the request that ALL members be present at our next regular meeting which will be a very important one because it is our last meeting before our Tenth Anniversary Dance to be held at the Concordia hall, 13th and Arsenal sts., on Sat., Nov. 5. Therefore we will have many important issues to settle.

Badgerland News

MILWAUKEE, WIS.—It's rather hard to write, when there isn't much to tell about, but we're going to try to give you all that has been going on in great style. If there are any errors, please excuse it, because the Jolly Allis' dance was last Saturday, and we're all recuperating. (Eh, what, Lefty and Emil?) Everybody most certainly had a good time and the Badgers sure had a good representation there. I had the pleasure of meeting Michael Fleischacker there. There were some other Integritys that I haven't had the pleasure of being introduced to. (The girls, I know, were kept pretty busy.)

Speaking of dances and such, don't anyone forget the Badgers' Annual Swingaroo, which promises to be a gala occasion in hard time style. And by the way, I haven't seen "Zip" around lately; where are you hiding?

This coming Sunday, Lodge "Venera" is giving a combined program of moving pictures from Yugoslavia and the celebration of the 25th Anniversary of SNPJ Juvenile Dept. There will also be a balloon dance contest between the Jolly Allis and Badgers.

A prize will be awarded to the winners.

Everybody keep an eye open for Cleveland May 6 and 7. It may seem far off, but it will come fast.

No one has mentioned anything about a bowling team for Badgers yet, so how about you pin knockers getting a team together? This also goes for the fair sex. We had a very nice lineup last year. How about keeping it up and get ready to give the other SNPJs a run for their money.

Don't forget you people (meaning Jolly Allis, Pioneers, Calumet Sentinels, Integritys and everybody else) that the Badgers' Dance is Oct. 15 in the lower S. S. Turn hall.

To Ann and Angel of Harmorville: Len and Vic remember 404, but they would like to have your addresses. (Nothing serious, is it?)

Talk about that secret wedding is still in the air. How about telling all, Mary B? Did you have a sleepy ride home, Millie and Ann? On the side were Zap and Ann seen talking quite confidentially. Lefty had the yodeling blues Saturday; he always wanted to sing. And as for you,

Cavaliers Sponsor Dance Nov. 12

BURGETTSTOWN, PA.—Everybody's been asking members of the SNPJ Cavaliers lodge when another affair of theirs will be sponsored. Well, here's your opportunity to attend a dance on November 12 at the Slovene hall in Burgettstown. Our last dance on April 30 was the last doing, so won't you all come our way and help us celebrate once again? The date for this dance was selected a few months ahead of time, so here's hoping all neighboring lodges will keep November 12 open. Keep your eyes and ears open for more details.

At our last meeting the lucky winners of the drawing were drawn. Al Padar of the Wolverines of Detroit was winner of \$10; Anne Karosec of the Cavaliers received \$3, and Josephine Klarich of Wolverines of Detroit was winner of the \$2 award. The Wolverines seemed to be fortunate for some reason or other. Thanks to all others that bought tickets or helped in any way.

All Cavaliers are urged to attend the monthly meeting on October 9. Important matters concerning our dance are to be discussed, so make it your duty to attend.

Sympathy is extended to the Lounder family on the death of their father, the late Mr. Tony Lounder, who passed away on Friday, September 16.

I hope to be seeing you all at the Pioneers' Dance on the 16th, at the Jolly Juniors' dance on the 29th, and at the Cavalier dance on the 12th of November. HELEN HRIBAR, Lodge 741.

Lodge 254 to Hold Annual Fall Dance

BON AIR, PA.—Lodge Napredni Slovenci, SNPJ 254, will hold its annual Fall Dance on Oct. 15 at the Bon Air Slovene hall. We extend a cordial invitation to all lodges and friends far and near and assure you of a wonderful time. Plenty of music will be on hand to satisfy both old and young. Admission 25c for persons over 16 years.

We wish a speedy recovery to our member Bro. William Butara who underwent a serious operation for appendix. We hope that he will soon be around with us and again resume his studies at Pitt College.

Members of this lodge not attending the Oct. 15 dance will have to pay 50c into the lodge treasury and there will be no excuses, with the exception of the sick, as no member is better than the other. Some members never attend our lodge affairs. So come one and all and show your loyalty towards your lodge with 100% attendance.

JOSEPH WIDMAR, Sec'y., Lodge 254.

Columbine Lodge to Sponsor Fall Festival, Banquet

DENVER, COLO.—The regular meeting of lodge Columbine, 218 SNPJ, instructed me to notify through Prosveta the member not being present at the meeting, also members of lodge Colorado Rockies, 645 SNPJ, and at the same time the general Slovene public in Denver and suburbs—that lodge Columbine will hold their Annual Fall Festival and merry time on Saturday, October 22, in the Auditorium of the Slovene Home.

The program begins at seven o'clock in the evening with a banquet, at which local speakers and the western vice-president of SNPJ will be heard. Following the banquet, will be the entertainment and dance.

The price of admission, which includes all payments and collections, will be to the adults, regardless of membership, one dollar; for children in general not holding membership in SNPJ and under age of 12 years, will be half dollar; junior members under age of 12 years will be admitted free.

In behalf of the Lodge Columbine I extend a most cordial and hearty invitation to the general public and membership.

PETER GESHELL, President Lodge 218.

Emil, you'll get paid back for that operation you tried. So long, till next week when—a secret is to be given out.

Badgers wish to express their sincere sympathies to Mrs. William Travnik and the Travnik family on their recent bereavement.

Comments On This and That

Came "Sweet" Peace in Europe!—The American Medicos Righted Their Step

A week ago, America was on pins and needles awaiting an inevitable outbreak of the European war. The French, English, and Soviet armies were ready to defend Czechoslovakia, the last and only democratic republic in Central Europe, against Hitler's threat of invasion.

Then came a sudden turn in the situation. Mussolini received a telephone call from Chamberlain in London, whereupon he telephoned Hitler in Berlin, who immediately called a four-power (Germany, Italy, England, and France) peace conference in Munich, Germany.

The English and French governments responded favorably, and with lightning speed, the "Big Four" met and decided there shall be no war, that there shall be peace, and that Hitler shall have what he wants—and that England and France shall see to it that Hitler gets it! The Czechs were not consulted, and Russia was brushed aside.

War was averted, and sweet peace—the kind Hitler and Mussolini want—was assured at least for the time being. How this "peace" will be stomachied by Czechoslovakia and the democratic elements in general is a very acute and burning question.

It appears that what really happened is this: Hitler and Mussolini were not prepared for a general European war and to save their face and smash the Czechs at the same time, if possible, Chamberlain was employed. The latter played his part well in persuading Daladier, the wobbly and weak-kneed French premier, to forget Czechoslovakia and democracy. The rest was easy. The greatest bluff in modern history worked splendidly!

There are other elements in the game about which we will have an opportunity to say a word or two some time later. Our sympathies are with the betrayed and brutally-stricken Czech democracy, and we are firmly convinced there will be no honest peace in Europe nor anywhere else as long as brutal fascism and all other forms of dictatorship live and bluff. If democracy desires to live and march, it MUST call fascism's bluff before it is too late!

Lately we have witnessed an unexpected turn for the better in the leadership of the American Medical Association. At its special session in Chicago, this organization suddenly reversed its policy on socialized medicine and committed itself to partial support of the national health program of President Roosevelt's Committee on Health and Welfare.

Of course, the doctors at first talked about political control of medicine and frowned on compulsory health insurance; then they passed the resolution accepting the principle that medical care of the poor is a responsibility of the government!

After that they endorsed the establishment of a federal Department of Health, and appointed seven physicians to meet with a group of doctors of the federal government to discuss methods of harmonizing health and welfare activities of private and public medical workers.

This is a remarkable change in the reactionary medical camp of this country. The best way the A. M. A. can escape the dreaded political control is to begin its own COOPERATIVE medical enterprise with a view to low cost medical care for small wage earners.

SNPJ Cardinals Will Observe Tenth Anniversary October 15

BRIDGEPORT, OHIO.—Everything has gotten a flying start for the Tenth Anniversary of the SNPJ Cardinals 640. Of course, we'll have to tell you all about it. First of all, it's going to be held October 15 at the Boydsville hall. A play, "The Laughing Cure," will be one of the headlines on the program, and another headline is that we are very fortunate in being able to have Bro. John Podboy Jr., district vice-president of SNPJ from Strabane as speaker. I have heard Bro. Podboy speak and he comes to Bridgeport recommended by quite a few SNPJs.

The play really is a laughing cure. The cast includes Robert Kunik, Henry Potnik, Joseph Snoj, John Blatnik, Frances Greecher, Vera Hribnik, Anne Kotwis, Margaret Snoj, and Virginia Prince. They range from the age of 17 to 22; they are very enthusiastic and quite a few of them have been in plays for other organizations before.

The story of the play: Laura Hanson, born "without a sense of humor," much to the distress of herself and all about her. Her mental attitude leads to chronic dyspepsia, and her physician places the case with his nephew, St. George Carey, a fresh arrival from college, who prescribes "One laugh regularly every thirty minutes" as a sure cure for her trouble. Her difficulties in taking the "treatment" are gradually overcome and all the family assist in administering the dose according to directions. In the meantime Mr. Hanson, who has almost forgotten how to laugh, has confided to his clerks the method of treatment she is undergoing. The story spreads throughout the town, until every man, woman and child is laughing with her, to the consternation of her doleful friend, Mrs. Perry, but to the complete satisfaction of her own household and the physicians interested.

It is a very good comedy and there

are laughs from the beginning to the end. Louis Gorence is our director and has the assistance of Mary P. Lisk. Both are members of the Cardinals Lodge.

The rest of the evening will be spent in dancing to the polkas, for trots and what have you to the Snapee Entertainers' music. The program will begin at 8 p. m., but you will get plenty of time to dance, as we know you'll like the music. There is a nice bar and all kinds of refreshments will be had. Therefore, we are taking this means to invite all lodges, far and near, to be on hand to help celebrate our Tenth Anniversary. We assure you a grand time.

The Cardinals extend their heartiest congratulations to the new English-Speaking lodge of Sharon, Pa. We are very sorry none of us were able to be on hand to help celebrate, although plans were made by some of the members to go.

Yours truly spent her vacation on Bergant's farm at Lisbon, Ohio. The Bergant girls went to Coverdale to play at a picnic of the SNPJ Lodge. I'm sure the picnic was a success. The Bergant hospitality is tops.

One of our members, Louis Gorence, recently joined the ranks of the married. Helen Kowalsky of Blaine is the bride. Can't you persuade her to be one of us, Louis?

Put a circle on your calendar for the 15th of October and put down Cardinals' Tenth Anniversary and then we know you won't forget.

MARGARET SNOY, Lodge 640.

Deputy Mayor Henry H. Curran of New York has turned down a dog owner's request for a special dog playground on Riverside Drive.

He argues that if dog owners got parks for their pets, equal privileges would have to be granted to cat and canary owners. And even to parents.

SNPJ Jubilee Juvenile Campaign Enters Final Quarter Sprint

AMBRIDGE, PA.—The Slovene National Benefit Society's Juvenile Campaign is now entering its last and final quarter.

During the months of October, November and December the lodges have their final opportunity to achieve results in this Jubilee Campaign. Many of the lodges that, to date, have not produced results, have this last quarter to make some progress. Each lodge should be DETERMINED not to start the new year without a sizable increase in their juvenile ranks.

What factors must we consider to achieve a healthy response? My dear reader, that is a question you should ponder. And answer. No writer can assume to give the proper answer, suitable to your lodge and community.

Each interested member is familiar already with the fact that the Juvenile Campaign is a national campaign. Each knows that the Supreme Board members have in writings and in speeches spoken in behalf of the Campaign. Each knows that the society has given added impetus to the campaign by the promise of awards to each member actively engaged in this campaign.

Likewise, lodges of the E. S. Federation of Western Penna. know that prizes totaling \$150 will be distributed to the active lodges and members for efforts and results in this juvenile campaign.

The national organization and many Federations are backing the campaign. Every active, alert, progressive lodge can be expected to back this program.

No attempt will be made to go into detail about the value of acquiring new juveniles. It is readily understood that the juveniles of today are our best insurance for the life of the society for the many tomorrows. It is recognized that we, too, are anxious to keep our juveniles alive to our aims, active in our organization; we have no wish to see them off, alighting with other groups, losing them completely in that "shuffle" called Americanization.

These details are submitted to your attention, use them at your meetings and in your individual efforts. Add to them your own points of value to conduct your campaign.

If to date you haven't achieved good results, speak of the juvenile campaign at your meetings. If you are successful, submit for publicity your local efforts. In all ways center your lodge's, your membership's attentions on the campaign.

Let not inferiority trouble you. The policies for juveniles in this organization are splendid. Each lodge secretary can more fully explain policy details.

The friendly touch is an invaluable aid. In a neighborly spirit you can approach most prospects. Acquaint neighbors, friends of your lodge, of its worth, of its policies.

Each lodge secretary has information pertinent to the campaign. All secretaries should acquaint their members of this information.

MOHAWKS

LA SALLE, ILL.—Just a few years ago—well, anyway, it seems about that much, but it probably is a wee bit longer—the Mohawk Lodge had a very small membership and as we turn back the pages of time we often wonder what has become of those members that were the spark of the Lodge at that time.

If my memory serves me right, there were these charter members: Frank, Kathryn and Genevieve Spitzmiller, Mary, Ann and Jos. Kramaric, Martin and Anton Janko, Paula Gelob, Agnes and Gussie Mesnarich, Frank Dular, Louis and John Spelich, Louise Kuss and a few others that I can't recall at his moment. To those that their names are not mentioned my sincere apologies. The Mohawks in their infancy found it rather tough sailing but with the wholehearted cooperation these members really had the Mohawk Lodge at heart. For the sake of these members it would be fitting tribute to stage an old time Get-Together at one of the Mohawk meetings.

Times have changed, the Mohawk Lodge has surpassed the one hundred mark and still are getting more members. But we can't take the honor away of these charter members who have pioneered the Lodge through thick and thin to make it the solid foundation that it is today. So these "old-timers" the Mohawks haven't forgotten and we intend in the near

future to bestow upon you the honor richly deserved.

Campfire Chats
On Thursday night, Oct. 6, the Mohawk Lodge will meet and all its members are urged to attend as it is very important to everyone. With a very social events listed and the SNPJ Day for La Salle in 1939 the highlight on the program, plans must be made at this meeting and all committee must be started to keep the ball rolling. So make it your duty to attend. Also the Card and Bunco Party at Dance on Thursday night, October 22, for which final arrangements will be made. And as a reminder, kindly made out and sell your share of the tickets.

Pow-wow
The Mohawk Lodge Baseball Team has copped the Senior League Championship this season. Congratulations! Although the boys lost out in the playoffs in the Midwest League, they are to bring in the Championship of the local league. With a veteran team all set for 1939 the Mohawks have a thing in mind, and that is to bring back the SNPJ Midwest League at National Titles for 1939.

The Mohawks have always maintained that sports is a great benefit to the Lodge and not a detriment. Some members are inclined to think the Lodge is and always will be.

(Cont. on page 7.)

W. Va. Mountaineers' Meeting Oct. 9

PIERCE, W. VA.—This is to remind you members that our next meeting is on Oct. 9 at 2 o'clock at the usual place. Be there, all of you, as we have plenty of business to discuss. Much of this business has been postponed from time to time just because the members concerned were absent from the regular meeting.

SECRETARY, Lodge 736.

Illini? What Is It? It Is An ES Lodge

THE PUE, ILL.—What is it? What does it mean? Well, it is one of the finest little SNPJ lodges in the Illinois Valley. It is the Slovene National Benefit Society Lodge No. 754 of De Witt, Ill. Yes, ladies and gentlemen, that's what it is!

The "Illini" was organized in the month of January. A charter was granted in the month of May. The officers are Pres. Louis P. Machek, V. Pres. Tony Sieks, Sec'y. Joseph Jovan, and Treas. Fred Wendt. With the assistance of Dist. Vice President John Klasek, a great deal of credit in its organization must be given him. He's given guidance and information, at our meetings he has indeed been a great help to the organization.

We are now in the midst of a strenuous membership campaign. We also urge all the younger members of the lodge to transfer into this English speaking lodge. What do you say? Will you be a member?

In the very near future we are sponsoring a dance. This is to be one of a series of dances and social events to be held this winter. These dances are going to be held in order to build up a treasury to carry on our lodge activity. We are inviting all our neighboring lodges to come out and help us in our first social event. How about it, La Salle, Oglesby, Moline, Chicago, Milwaukee, Waukegan? Will you see us here? We'll show you a good time.

Well, keep an eye on us and we'll see you again.

"YIKE AND JOIE."

FLASHES

CHICAGO.—Moving pictures of the various SNPJ activities, picnics, etc., with first hand views of beautiful Slovenia were shown at the SNPJ Auditorium to a large audience last Saturday evening. The large attendance was evidence that our people are interested in seeing what their homeland, thousands of miles away, looks like after many years of absence. And this gives us an idea—Couldn't we have interesting movies oftener? (Of course we'd demand softer seats next time.) Not necessarily only of Slovenia, but of other interesting and educational scenes and stories, which could be secured from various agencies.

Bro. Jacob Zupan gave a short and concise account of each series and having taken the pictures he was able to relate the wherewithals. We understand that Messrs. Evans and Elliott operated the machines, projector and amplifier, and that all these (the men, projector and amplifier) were at our disposal thru the courtesy of the Cunard White Star Lines, for which we are thankful.—After the show we got together in the lower hall and chatted up all the offending problems including the pork and some tough beef. The admission to the combined affair was only 15c.

There isn't any doubt in our mind but that our people like movies. After the show remarks were frequent that not enough of the homeland pictures were shown. However, since more were not available we had to be content. We did enjoy those shown and from all appearances it would seem that more of them should be secured. We are handicapped, in this era of sound pictures, with altogether too few explanations. In years to come our new generation will not be able to make much of the films unless we give them still better markings. The films of the Society's activities are of twofold value—propaganda and historical. We should continue taking them, therefore.

Our bowlers are rounding out their stiff joints, muscles and charley horses and should be ready to step into it firmly from now on.—Frank Zvokel has undertaken a new profession. He has invested in a big new truck and is contracted for considerable and regular interstate hauling. We understand he gets to St. Louis, Mo., in a hurry. The work is hard, but with perseverance Frank will make it a go.—Another baby girl is coming in at the next Pioneer meeting. This time, the daughter of Marie Strauss. The little girl will be in good company because Marie's sisters are also Pioneers.—Frances Zaborac, only a juvenile, had to undergo an appendix operation. She is doing all right now and will soon be perfectly well.

We did some reminiscing the other day. A bundle of "things" came apart so we had to put them together again and so we nosed into some of the papers. They were from the year 1935. Among them our debate with Leonard L. Serdiuk, publisher of the

West Side News, about the New Deal. How true the arguments are even today.—The YA's 10th anniversary banquet brought back memories of the train we missed—and then caught up with, the jolly good time in Detroit and the taxi ride.—The Pioneer 10th Anniversary banquet, program and radio broadcast together with the booklet "The Pioneer"—the SNPJ English-speaking conference.—This thing called fraternalism—an account that is still interesting.—Righting wrongs by declaring war or better still it should be termed, "boiling steam."—Issuance of 2 pamphlets on membership by the Chicago District Federation of SNPJs.—Social Study Club's literature sales, special bus trip to Cleveland on the first SNPJ Day.—Say, all that in 1935. You bet and more! And all of it interesting, too.

Soon the juvenile campaign will be over. Then, you won't have the chance to get any big prizes. So bring in the new members now!

The German Bund in America is just as bold and cocky as Hitler. Of course, they want to gain something by this attitude. Do they want a plebiscite in Milwaukee? No. But they do want the American opinion with them when Hitler tackles his next "piece."

And the plans on our 13th annual dance are progressing reasonably well. We'll be borrowing an old covered wagon and a donkey soon so that we can parade it around town—for publicity purposes, of course. And we'd like to dress up a couple of bucking broncos as we used to do, and parade down 26th st. and Cermak rd. Of course, the broncos would need attendants. Is there anyone here who can ride such a beast for the 13th annual? Report to headquarters.

Chicago is saved; the cubs won the pennant. Now the fans are going bugs.—They will starve just to get to root for the ball team.—About sensible things, they can't be bothered. The ball team is our attraction.

Announce Plans for Thanksgiving Dance

LIBRARY, PA.—All has been quiet on the "Western Front" as far as the J. Z. R. are concerned; but that doesn't hold true for Europe. For Hitler has made a date for October 1 with Czechoslovakia to decide upon peace or war. Since his "one man band" started a rumpus, the joy of listening to the radio has faded away, for there are very few programs that are not interrupted with horrible news flashes concerning the general situation.

Now for some J. Z. R. news: Flash! Plans are progressing quite rapidly for the Thanksgiving affair. The committee (working at full speed) include—Chairman Helen Dermotta, Stella Ambrosio, Art Peternel, Tom Dennick, and Frank Ambrosio. What they have done thus far will be reported in later issues. To preserve the plans is our motto, so that they won't be too stale by the time Thanksgiving rolls along.

So much for that, and on to the bowling alleys. The captains who have been chosen at the last meeting have made arrangements to have the season start on Oct. 7 at the State Theatre Bowling Alleys. All the girls who are interested, confer with Helen Dermotta; the boys with Stanley Yopek.

Football's in the air! If it ain't one thing it's another. The Library Tigers (the majority of the players being J. Z. R.s.) opened the season on Sept. 18 with the St. Rosalia Preps. They dropped it and lost 33-0. But then that wasn't so bad when one considers the weight of the other team in comparison with that of ours. Along with that they have a few disadvantages to confront which doesn't help at all. One maybe that Coach Henry Lamuth is teaching away from home making it a little difficult to have a regular practice; the other, Charles Strimlan, Star backfielder, is now making touchdowns for Geneva College. But regardless of all their troubles, they expect to do better.

Now, in conclusion, may I remind all members to be present at our next regular meeting on Oct. 6. Important discussions, selection of delegates and the treat at the adjournment will make your time worth while. Come and see what you have been avoiding.

FRANCES DERMOTTA, Lodge 682.

Golden Eagles' Timber Tumblers Form League

GIRARD, OHIO.—This hodge-podge of a report is made necessary by the mailing deadline which is fast approaching. Further news on the bowling activities really caused this outbreak.

Bro. Luk and Milavec issued the call to all prospective timber tumbler last Thursday and about 18 answered the roll call. Thursday has definitely been selected as the bowling day and everyone should make it a point to appear by 7:30.

So now, after a lapse of several years, the Eagles will really have a league of their own. Four captains were selected and upon these four depends the even distribution of the bowling talent. Then a plan was originated that will enable each bowler to purchase his jersey with a little contribution each week. By the time the tournaments come around the Eagles will be prepared.

Last year's informal get-together was the basis for this year's league. By the scores of some of the more proficient students at this early stage we believe that the Eagles are to be reckoned with. Plenty of good fellowship and all-around joking took place at the initial meeting and it is only a forerunner of what is in store for the "gang" as the year progresses.

All things being equal, we believe we can safely say that the Eagles will be represented again at the Penn Federation tournament. Last year the boys were in pretty bad shape to bowl. Due to the New Year's celebration many had little or no sleep, but nevertheless we were among the early arrivals at the alleys. If the squad could manage to get to bed by at least 3 a. m. on the important day they could manage to get into the prize money. Anyway, it was a lot of fun.

In this paragraph we hope to refresh the memories of some of the Pa.'ers who promised to be with us on the night of Nov. 26. (Are you listening, Mike Kumer and Frank Previc?) Arrangements can be made for as many as care to come. Stay overnight and see how our city looks in the daytime. If you two fellows can convince others to pay us a visit, we believe that the Eagles will consider that as a further incentive to be represented at your New Year's Bowling Tournament. (Fair enough, fellows?)

Off the Record.—From promises made it seems that our next meeting will be well attended. Permission will be given shortly to announce the orchestra for Nov. 6. Someone from Cleveland will receive the call.—Joe Umcek caused an uproar by bouncing around on the bowling alley floor.

Buckeye Bits About Jitterbug Hitler, Hayride and Halloween Party

By Nellie

BARBERTON, O.—Notice to a misinformed public: Last week your scribe promised an article by "We Three" for this edition of the Prosveta, but the trio couldn't get together so—

Due to the Four-Power Conference in Europe, the world today is "at peace."

Hitler is a jitterbug. He has forced England, France, Czechoslovakia and even America to be his partners in a dance contest. On the floor of peace he whirled Chamberlain, Daladier, etc., around and around stepping on their toes time and time again and in his jitterbug fashion he even made them get down on their hands so that he could step on their fingers, too. The dance ends and winners are announced. Hitler gets first prize—Sudetenland. The rest of the world shares second prize—"peace." Is the second prize worth the struggle?—I have my doubts because I think it's a poney.

Hayride Review

A modern hayride is a grand way to spend the evening. After a bit of complications were settled, the spirited gang of Buckeyes and friends began the fun of the evening by singing and yelling all sorts of things much to the amusement of passersby. There was even a sort of parade with a line of cars following the hay wagon till the main thoroughfare was left behind. By the time the dance hall was reached everyone was feeling rather crazy (without benefit of booze—yet) so professional leekies would have learned a thing or three from the gang that night.

There was only one thing wrong. We didn't have a horse pulling the wagon. None seemed to be available until later that night—when we found them all in our throats.

Out-of-town visitors were limited to two Pennsylvanians, that nice couple, Mrs. and Mr. Paul Oblak of the Comets, and the Akron Zippers, Mayme, Mary, Josie and Ann. The girls added considerably to the fun and social success of the evening and left with us hoping we'd see them again very soon.

The party broke up at about 3:30 and we all went home, tired but mighty happy.

Buckeye Meeting

Our next meeting will be held on Oct. 6. At long last the Buckeye Blowoff is to be. Postponed from date to date this follow-up of the Buckeye Tenth Anniversary Success is to be held the latter part of this month in the form of a Halloween party. Final plans for the affair are to be made at this meeting, so all

members are urged to come and pitch in ideas for a fun producing affair. Remember, it's on the house, so the least we can do is try to make it a success.

After the meeting the entertainment committee is planning a shindig of some kind, so with all this on the Buckeye calendar we feel that extra persuasion for good meeting attendance is not necessary.

From the Grab-Bag

In the East, Slovenes are "Grinish." Here, they are "Griners." Farther west they are "Ginnies." And now, a local lad saw in the classified section of a daily an ad which read: "For sale, grinders, \$1.40 and up," and he wonders, "Could it be them?"

Signs about town. On the Wadsworth road—new dump. On the back door of a west side cafe—beer, walk in. In a downtown store window—our pants are down.

Sights about town. Joe Poje on the wrong side of the bar at the Dom. He's handing 'em out now. Agnes Troha on her way to a Barberton HI football game. It ended in a tie, Frank Oepek giving a helping hand to the local lasses in decorating the hall for a forthcoming dance. Glimpses of Ann Garbor in town and out of it. Always peppy.

And now, as the empty tank said to the automobile, "Now, now, Lizzie, time to stop."

Subject of changing the name of the Labor Day celebration from "SNPJ Day" to "SNPJ Sports Day" was brought up. However, since the

Brother Raymond Travnik suggested that some rules and regulations be made for the future tournaments, these rules to be published in the Prosveta so that all participants can become acquainted with the rules before entering or attending the tournaments. Brother Frank Groser suggested that any member having suggestions on these rules attend the Athletic Board meeting which is to be held immediately after this meeting, and present their suggestions to the Board.

Suggestion made that the Supreme Board furnish a large colored poster advertising The National SNPJ Day.

Suggestions made that tug-of-war be included in the athletics in our organization.

Letters were received from the Mohawk Lodge of La Salle, Illinois, and the Chicago District Federation of SNPJ Lodges of Chicago, Illinois, requesting that they be listed as nominees in the election for the city in which the 1939 National SNPJ Day is to be held. Others nominated at the meeting were Cleveland, Ohio, and Waukegan, Illinois. Brother Lotrich made a motion that for this meeting every member have the right to vote. Contrary motion made by Brother Raymond Travnik that only two members from each lodge be allowed to vote. Contrary motion was carried. La Salle, Illinois, was elected as the city to have the 1939 National SNPJ Day.

Motion made that in the future, any lodge wanting the National SNPJ Day in their city must send in a written notice to that effect to the Secretary

Little Fort News

Fun Again

WAUKEGAN, ILL.—Amid the stentorian blasts of war that have pounded from Europe around the world these days, there has been one welcome note of relief. This came in the news that on this coming Saturday, October 6, the Little Fort Lodge, SNPJ 568, will give a bingo and card party. This occasion will mark the opening affair in the long schedule prepared by the Little Fort strategists in their well-nigh Herculean efforts in re-vitalizing the Waukegan and North Chicago members of SNPJ.

The bingo and card party will be held in the Slovene hall, beginning promptly at 7:30 p. m. The committee has everything ready for the occasion: the music has been selected; the refreshments have been purchased; the tables have been arranged; the beer has been tapped (and tasted); the coffee is on the stove; and the candle is in the window to light your way to the scene of the party.

The lodge editors and the committee invite again the Pioneers and Integrity of Chicago, West Allis, and the Badgers to come. Come by car, railway, or the electric! Come, get your share of the prizes and the fun for a nominal charge!

Co-op Month

In celebration of Co-op Month, October, the Educational Committee of the Waukegan and North Chicago Co-operative Association has arranged for a program on Saturday night, October 15. This program will begin

at 7:30 p. m. in the Slovene hall. Everyone is invited to attend.

Among the various educational and entertainment features there will be: H. V. Kast, Manager of the Racine Consumers' Cooperative Society, will speak on the Cooperative Movement; movies taken at our annual picnic on July 30 and of our Co-operative stores will be shown. Refreshments will close the evening's get-together.

Adenda

It is with regret that we have to confess our negligence in not recording in these bulletins that September 26 marked the first anniversary of the death of E. A. Filene. . . It was he who helped so much in bringing the Credit Union Movement to its present peak of importance and usefulness in the United States. . . Copies of the useful-to-be "Coughs and Colds" are now available (free) from the lodge secretary. . . The Lodge secretary has also four books written by Louis Adams which can be loaned to any member. . . We ignore the crack made by one of our friends (7) that our paragraphs on the Credit Union last week should be put through the semantic test. . . Baby Ellen Celarec celebrates her birthday on October 7. . . She will be one of the most active juvenile members when she grows up. . . Some have wondered why a chip is no longer on our shoulders. Finance Committee Proceedings

Meeting of August 10, 1938

The meeting was called to order at 9 a. m. by the Chairman. Brothers Calkin, Lotrich, Olip, Petrovich, Vidler, Vogrich and Zupan were present. Minutes of the July meeting approved.

Brother Petrovich reported as follows:

1—He prepared the Finance Committee's report for the Supreme Board meeting, which report was later read and adopted.

2—The property on which we have loan 106 was sold.

3—Bill from Moody's service for the ensuing year was received.

4—The Ohio Forge stocks which we possess, were reviewed because of an offer from Prescott-Biggar and Company of Cleveland, Ohio, to purchase these shares. The offer was not accepted.

5—M. B. Vick and Company of Chicago recommended the sale of our State of Illinois bonds at \$127.75 offering U. S. Government Bonds in their stead. Although a reasonably large profit could be secured in this transaction, the Committee did not accept the offer because there was no advantage in the long run for the Society.

6—A letter from Moody's recommended the sale of Glades County at 85. The letter was placed on file.

7—Moody's Investors' Service recommended the acceptance of the refunding plan of Cameron County, Texas, bonds.

Brother Vidler reported as follows: 1—Owner of property on which we have loan No. 17 advised that it was not possible for him to make any payment on his loan at the present time.

A motion was duly made, seconded and carried that we ask for a quit claim deed. If our offer will not be accepted, foreclosure proceedings should be instituted.

2—A letter from Louis Smith advised us that a judgment was recorded against his property and that it would be necessary to make settlement of that judgment with quit claim deed.

The Committee agreed unanimously to foreclosure rather than to pay such judgment.

3—Brother Andy Unetich of Gary, Indiana, writes that he is prepared to sell our property on which we had loan 119.

It was agreed to sell and to ask for a \$1000.00 down payment.

4—A letter from the Six Point Realty Company advised that they accepted our proposals for their refinancing, was read and filed.

5—Brother John Gorsek Sr. advised that the stockholders of the Slovene Home in Springfield, Illinois, will hold a special meeting where they will discuss plans to take over the Slovene Home again.

After considerable discussion on this subject, Brother Zupan moved that we return the deed to this property to the stockholders for \$5000.00 cash. The motion was seconded and carried.

6—On a recent visit to Detroit, Michigan, Brother Vidler inspected our properties in that City and reported on the inspection.

7—He also reported regarding the confusion on Detroit's request for a loan for the Slovene Home. Explanations were made by other members of the Committee and a discussion held.

8—A bill for work performed on the Ashland Industries Building Corp. bonds was before the meeting again. Brother Lotrich returned it to the Secretary because the necessary material and work performed was not with the bill and, therefore, could not give an opinion or a recommendation.

Members of the Supervising Committee, namely, Bros. Malgal and Medvesek, were called in on this matter and conferred with the Finance Committee. The ultimate result was the approval of the bill.

Mr. Gates of Moody's Investors' Service came to this meeting of the Finance Committee and spoke at length about the many reasons why our Society should continue with their service. Each member of the Committee had questions and explanations to make.

Mr. Gates of Moody's Service explained that his firm had all of the facilities necessary to secure every information possible regarding bonds and investments which it was able to pass along to its affiliated groups. The Finance Committee has not used the recommendations of Moody's regarding the purchases and sales of bonds and that was the main reason for calling Mr. Gates to the meeting. It was explained to us that able men make up the Moody Institution and that they are able to delve into the problems of banking, finance, commerce and industry, and thereby, form opinions which they are able to pass on to us, which are fairly accurate. It was primarily because of this information which they are able to pass on to us, that the Committee agreed

to renew the services of Moody's. It was also agreed that a member of Moody's would visit our meetings more frequently and transmit such other current information which might be of benefit to the Finance Committee.

After Mr. Gates was dismissed, the Committee took a vote and approved the renewal of their service for another year by vote of 5 to 2.

Those voting for the retention of this service were Brothers Calkin, Olip, Petrovich, Vidler and Vogrich. Opposed were Brothers Lotrich and Zupan.

Brother Vogrich reported on the following matters:

1—During the past month, we invested \$24,200.00 in FHA mortgages; \$17,200.00 was placed with the St. Clair Savings and Loan and \$7,000.00 with the Yugoslav Building and Loan Association. In addition, we purchased U. S. Government Baby bonds in the amount of \$7,500.00.

2—Racine Hotel has been reorganized and we will receive \$8,000.00 in new bonds. In addition, we will receive eighty shares of common stock in the new corporation and \$400.00 in cash.

3—Loan 72J in the amount of \$600.00 was repaid.

4—Available for investing at this time: \$15,000.00.

Brother Calkin reported as follows:

1—The sale on which he was working for the Hrvatski Dom did not materialize. Ivancic, who has been operating the tavern, has closed it. He, however, has promised to take care of the building until such time as we can designate a new tenant.

2—The property on which we have loan 1—Printer is in the same status as it was a month ago.

3—The property at 5134 W. 25th St., Cicero, Illinois, has been sold.

The Supervising Committee reported on its investigation of the bill for the Ashland Industries Building Corporation Bonds. Altogether, 13 1/2 pages of documents are on file and on that basis, the bill was considered exaggerated.

Brother Olip moved that we purchase FHA mortgages from those submitted for this month's allotment available for investing. The motion was seconded and carried unanimously.

Brother Vogrich reported further that Channers Securities offered to exchange our Harris County, Texas, Drainage District Bonds which will be maturing in 1949 and 1954. The Committee did not accept the proposition.

Further, that Blair Bonner and Company were willing to take our Michigan Public Service Bonds at 94%. The offer was not accepted.

There being no further business, the meeting adjourned at 4:30 P. M. Matt Petrovich, Donald J. Lotrich, Chairman Recording Sec'y. F. A. Vidler, Secretary.

Attention, Members of Lodge 528!

CARNWALL, PA.—All the members of Lodge 528, SNPJ, are asked to pay their dues on time, as I will not pay for anyone any more. Many of them ask me to pay for them and then they forget to pay what they owe. Everybody is working and so they can afford to pay their monthly lodge obligations themselves and on time. You should realize the fact that I can't give money away, as I have my own obligations to meet. Be prompt with your dues and avoid unnecessary trouble.

Which reminds us that although the \$10,000 bill is the largest denomination in general circulation, the government also prints \$100,000 bills for bank transactions.

As soon as the demand becomes great enough, the 100 G's will be made available to any citizen.

A Los Angeles vigilante committee convinced the voters that if more than one picket is allowed at the entrance of a struck plant, "disaster" would overtake the city.

Funny how every other large American city has escaped disaster.

Labor in Chains

When Tony Hicks dropped off a freight train at Forrest City, Ark., a few weeks ago, he stepped into a sector of the country some three-quarters of a century out of date. The big planters there apparently hadn't heard yet that slavery was officially obsolete. Picked up by police on a trespassing charge, the 25-year-old Negro was bulldozed into pleading guilty, hauled through three counties and given the limit: \$100 fine plus \$39.10 costs, which included expenses of shipping him from county to county. Then he was handed over to a local planter to work out the fine and costs at 75c a day—chained in the shadow of heavily-armed guards.

What happened to Hicks is the experience of scores of itinerant workers, white and Negro, not only in that Arkansas county but in many of the cotton belts. The situation was forcefully called to the attention of the Department of Justice last fall when a mob of vigilantes organized by planters in Warren county, Ga., descended upon the Negro district and drove men and women into the fields. The cotton pickers, who had been paid only 30c a 100 lbs. (the average picker earned about 50c for a 12-hour, back-breaking day) had shown a preference for the 75c a 100 offered in an adjoining county.

An investigator sent down to Warren county by liberal organizations uncovered conditions typical of many parts of the agricultural south. "Each year as the cotton ripens," the investigator reported, "men, women and children are lured, coerced or driven into the fields to pick cotton at the price set by the planting interests. If the yield is heavy and labor scarce, the police may be called upon by the business interests in the nearby cities or towns to furnish the necessary labor to pick the cotton. Hence it may be said that in the south the police stage a sort of 'round-up' during the cotton picking season."

In Warren county, the mob went after barbers and bootblacks, garage workers and blacksmiths, and beat up anyone who refused to come along. Shots were fired in the air and into homes. Negro maids and cooks fled to their white employers for protection, or locked themselves in closets. Children sought refuge in a cemetery. The Negro minister and many others fled to nearby cities. Lights were dead in homes for fear they would attract the vigilantes. Planters patrolled the highways to keep off outsiders. Guards stood over the pickers in the fields. For weeks, until the cotton was gathered, the entire Negro population lived in terror.

Among the vicious practices of the planters—elsewhere in the south as well as in Warren county—is "buying the debt." After paying the debts of a tenant, the planter puts him to work on his own plantation to work it off. Wholly illegal, the device is effective for obtaining labor dirt cheap. Financial juggling by the planter prevents the worker from ever breaking even and he becomes virtually a chattel slave. Planters call it "buying the nigger."

Another tale of forced labor was uncovered in the turpentine camps of MacClenny, Fla. Pay ranged from 50c to \$1 a day, but all were forced to buy supplies at the commissary, which brought real wages down to about 25c a day. No one could escape alive. The guns of the guards, imprisonment on framed charges, and a web of spies and stool pigeons created the American equivalent of a Nazi concentration camp.

Federal prosecutions for peonage have been rare. Two years ago, in the Arkansas county where Tony Hicks was enslaved, City Marshal Paul Peacher was convicted of farm-

ing out prisoners to his own plantation and other private landowners. But the Hicks case demonstrates that southern planters, conniving with local authorities, still kick the law around. It's almost a year now since Atty. Gen. Cummings ordered an inquiry into charges of peonage in Warren county. Yet a report has not been made public. Brian McMahon, assistant attorney general, has long considered making a thorough inquiry into the situation. The Department of Justice must be sharply prodded, and trade unions everywhere should do the prodding. Any sore spot which permits American citizens to be forced against their will to labor for another should be thoroughly cleaned out before the infection spreads.

Recipes

"California Chicken" Pie Here is a delicious and inexpensive substitute for chicken:

Boil 2 diced carrots, 2 diced potatoes, 1 chopped onion, and 1 cup of peas together until tender in a little salted water. Make a white sauce of butter, flour and milk, add 1/4 teaspoon of salt, paprika and pepper. Mix sauce with a large can of tuna fish which has been flaked. Line a baking dish with pastry, fill with the vegetables and creamed fish in layers, cover with an upper crust, and bake in a hot oven until the crust is brown all over. Make a few holes in the top crust to allow steam to escape.

Spiced Grapes Now that grapes are ripe is a good time to make preserves and jelly for next winter. Here is an excellent conserve to serve with meats and the same recipe may be used for damson plums:

Five pounds grapes, 4 pounds sugar, 1 pint vinegar, 1 tablespoon cloves, 1 tablespoon allspice and 1 tablespoon cinnamon.

Remove the pulp from skins and cook until the seeds can be removed by running through a colander. Then add the skins and weigh. Add the remaining ingredients and cook all together until of a thick jam-like consistency.

Grape Jelly is a family favorite to

eat with toast or muffins, or to spread on waffles:

One gallon stemmed Concord grapes, 8 tart apples. Cut the apples in slices but do not peel them. Cook the grapes and apples together until well done. Strain off juice through jelly bag. Use 2 cups sugar to 1 cup juice. Return to fire and when ready to strike boiling point take from fire and put into sterilized jelly molds.

Corn Waffles

Mix and sift 1 1/2 cups of flour, 1 teaspoon of salt, 1/2 teaspoon of pepper, 2 teaspoons of baking powder. Add 2 cups of grated fresh corn, 1/2 cup of milk, 1 tablespoon of melted butter, and 2 eggs, well beaten. Mix thoroughly. Bake on a hot waffle iron, and serve very hot with melted butter and honey. If fresh corn is not available, canned corn may be used if it is thoroughly drained.

Baked Stuffed Tomatoes

Six tomatoes, 1 1/2 cups cooked noodles; 1 1/2 cup soft bread, 2 tablespoons chopped onions, 1 tablespoon chopped parsley, 1/4 teaspoon salt, 1/4 teaspoon pepper, 2 tablespoons butter, melted, 2 tablespoons milk.

Wash tomatoes and remove the centers. Stuff with the rest of the ingredients. Fit into a shallow baking pan or dish. Add half an inch of water and bake for thirty minutes in a moderate oven. Baste several times.

DISTORTED STORIES

WASHINGTON.—One consequence of the present interest by American employers in British labor law may be a vast number of distorted stories about its operation and the attitude of British labor towards it, union officials pointed out here.

Frank Gannett, reactionary newspaper publisher and bitter foe of the New Deal, returned from England singing the praises of the British Labor Disputes Act.

Gannett, who has little idea of the wants and needs of American labor, intimated that he had found British labor officials well pleased with its operation. "Capital and labor are doing a splendid job in England," the friend of Girdler and foe of the Wagner Act declared.

MY VISTAS

By MILAN MEDVESEK

War! War! War! This horrible word is heard everywhere, just as though it does not mean blood, torn bodies, hunger, poverty, and destruction of hard labor. Where is this world heading? . . . Is there no power anywhere which could stop this horrible insanity and paralyze it forever?

Man, will you ever come to your senses and destroy the power-drunk maniacs who are leading you directly into the wholesale butchery? Yes, we still have plenty to learn.

The governments do not have money for their starving citizens, but they have millions for ammunition and for war. If that money would be spent for the benefit and welfare of the citizens, we would not have to live in fear of tomorrow; instead we would live in prosperity.

In a broadcast Senator Nye made an attempt to picture the cost of the last war. He said that for what was spent on the last war, the following could have been done for the benefit of the people:

"Every family living in Russia, Italy, France, Belgium, Holland, Germany, Wales, Scotland, Ireland, England, Australia, Canada, and the United States could have been given a \$2500 home on a five-acre tract costing \$100 an acre, furnished with \$1000 worth of furniture. Besides this every city of 200,000 population of these countries could have been given a library, hospital and university, costing \$15,000,000. And not only this. All of the public property in Germany and Belgium could have been purchased, and the balance could have been invested at 5 per cent a year and the income from it would have paid 250,000 teachers and nurses at \$1000 yearly salaries."

These rough numbers picture only the material side, while the human suffering cannot be estimated in any kind of numbers.

It is pleasant for an immigrant to note that some of the outstanding autobiographies in American literature were written by immigrants. They are: Edward Bok's autobiography, Michael Pupin's From Immigrant to Inventor, Louis Adamic's Laughing

AN APPEAL FOR PEACE

OAKLAND, CALIF.—The following letter was sent to the President of the United States by the California Federation of SNPJ Lodges on Sept. 28, 1938:

Honorable Franklin D. Roosevelt, President of the United States, White House, Washington, D. C.

Dear Sir:

We the California Federation of the Slovene National Benefit Society, representing thousands of Slavs residing in the State of California, call upon you to use the powers of your good office as President of the United States, to bring about united action by the democratic nations of the world to halt this new move on the part of Fascism to destroy the Democratic Nations of Europe.

The attempted rape of Czechoslovakia by Nazi Germany is the latest and most serious move on the part of Fascism to plunge the World into war.

We are hereby in agreement with the text of your Chicago address in which you called upon the Democratic Nations of the World "to quarantine the aggressor."

The time for words is past. We call upon you to carry out your policy to lead the way in forming a United Front with the Democratic Nations as advocated in your speech, "to quarantine the aggressor."

FRANK SLABY, President.

in the Jungle and My America Stoyan Christowe's This Is My Try. It is significant that all of writers came from small countries, Holland, Serbia, Slovenia, and garia.

A few weeks ago I had written article in this column in which I cussed the hardships that confronted intelligent Slovenes who immigrated this country. With it I stuck hands directly into a hornet's nest.

To whom this concerns I must admit that I did not have any particular individual in mind, but that it was an attempt to analyze the American Slovene scene in general. Maybe analysis was not entirely correct, every individual has his own opinion so have I. What may seem right to you, may seem wrong to me, and versa.

On September 25, the Cleveland Federation of SNPJ Lodges celebrated the Juvenile Silver Jubilee with a performance. The program was good, different from what we are accustomed to see. The little men of the various Juvenile Circles, as an excellent entertainment hope that the SNPJ will yet live. Only—it is to be regretted that audience was so small.

Once in awhile I listen to the technicians on the radio. So often it sounds like Plato, but when one tries to review exactly what they have said, he usually cannot remember a thing else except a mishmash of lite phrases in regard to Just Freedom, Equality, Patriotism, Promises of the coming prospect without anyone's having to work it, of course, providing that the lister helps dethrone their rivals.

A couple of New England tourists unwittingly crashed the front page by asking a bystander in Washington what that big, white building was.

It was the capitol, of course, despite what the Republican newspapers say it isn't going to be paid red.

Now that the woodcocks are being taken care of, how about lifting the Spanish embargo?
