CLEVELAND. — Governer jeno Mr. Antonu Grdini ob nje Frank J. Lausche je poslal Mr. govi 80-letnici nadaljnje slavje, Antonu Grdini ob njegovi 80-letnici so bile prebrane brzjavne čestitke in kjer je slavljenec osebno čestital clevelandski župan Anthony J. Celebrezze.

ENAKOST VIET NAMA S FRANCIJO

Vietnamci sami pravijo, da je gesta bolj simbolična kakor pa konkretna politična poteza.

PARIZ. — Francija je storila v sredo prvi korak v smeri, da dovoli Viet Namu popolno neodvisnost in enakost v območju Francoske unije. Viet Nam je največja država izmed treh kulturnih vrtov, katere blagajnik je Mr. Grdina že 28 let, vse izvenje ustanovitev.

Med brzjanimi čestitkami je bila tudi čestitka kongresnice Mrs. Frances Bolton. Brzjavke je prečital municipalni sodnik Louis Petrush. — Organizacija Kulturnih vrtov mu je izročila ob tej priliki tudi lepo spominsko ploščo.

Drugo ploščo z vrezanim besedilom mu je izročila mestna zbornica za njegove velike zasluge, ki si jih je pridobil za место in zlasti za naselbino.

Prva teh pogodb bi priznala Viet Namu popolno neodvisnost in celotno suverenost, druga pogodba pa bi ustvarila Francosko-vietnamsko zvezo, temelječe na enakosti, v območju Francoske unije.

Vietnamski uradniki so požaravili to izjavo kot korak v pravilni smeri, toda so dejali, da je to "bolj simbolična kakor pa konkretna politična poteza".

Politični opozorovalci opazirajo na dejstvo, da obema deželama ni bilo mogoče doseči sporazuma pred otvoritvijo ženevske konference. Zato smatrajo to skupno deklaracijo samo kot protitež komunistični trditvi, da je Viet Nam samo lutarska država Francije.

Prezir za V. Dedijera

BEograd. — Vladimira Dedijera, edinega člena komun. osrednjega odbora, ki je zagovarjal Milovan Džilasa, odzaganega komunističnega veljaka, so delegati Srbskega komunističnega kongresa hladno in prezirljivo sprejeli. Nihče ni z njim spregovoril ali sel ob njegovu stran.

Prihod severnokorejskega letalca v Zdr. države

WASHINGTON. — No Kum-Sok, 22 let stari severnokorejski pilot, ki je preletel s sovjetskim jet letalom za časa korejske vojne k zaveznikom v Južno Korejo, bo prispel tekoči teden v Združene države. Semkaj bo prišel pod pokroviteljstvom državnega departmента.

Potovanje škorca

LAFARGEVILLE, N. Y. — Tuji si je naredil par škorcev — (robins) gnezdo na nekem vagonu lokalnega vlaka, s katerim vsak dan prevažajo mleko. Tako se škorca na svojem gnezdu prepeljata vsak dan dvajset milijadeč in potem zopet nazaj.

Sneg v Dakotah

V OBEH DAKOTAH je v sredo snežilo.

Ustavite muziko!

LINCOLN, Nebraska. — Dočim so tukajšnji policisti na svoji veselicu ob zvokih vesele godbe plesali, jim je neki tat odnesel iz garderobe za \$40 obleke.

Hitler je bil šolarček v primeri z moskovskimi mojstri!

VRHUNSKI komunistični poglavari v Vzhodni Nemčiji — Pieck, Ulbricht, Wollweber — so sovjetski državljanji. Izšolali so se v moskovskih politično-partijskih šolah in Kremelj jih je ob primernih trenutkih vrnil domovini. Tudi italijanski Togliatti Longo, Seccia in drugi so kljub italijanskemu potnemu listu dejansko sovjetski državljanini.

Prav na te ljudi je mislil Molotov, ko je na berlinski konferenci predlagal ustanovitev vse nemške začasne vlade, ki naj bi izvedla volitve.

Po teh preizkušenih receptih so sovjetski poklicni prekučuhni speljali razne neodvisne države Srednje Evrope pod kremelski diktatorski škorenj. Če bi nam-

re Zapad naselil Molotovi potegavščini, bi seveda do svobodnih volitev sploh ne prišlo, ker bi v tako vladu vtihotapljeni komunistični prekučuhni ponovili igro svojih tovarjev na Poljskem in Madžarskem, v Romuniji, Bolgariji in Češkoslovaški. Zapad je kremeljsko past hitro zaslušil, saj ga je prepričevala nedavna preteklost. Po vojni so začasno vlado "Narodne entnosti" na Poljskem druga za drugo priznale vse zapadne države, saj so v Kremelu svečano prisegali, da je ta vlada zgolj začasna in jo bo zamenjala druga vlada, ki bo izšla iz rednih in svobodnih volitev. Prav Molotov je bil tisti, ki je v Potsdamu

speljal, da je kralj Karel XIII izbral za kralja Španije.

Nastop kitajskega premierja v Ženevi

Lausche pravi, da je politika predsednika "zelo zdrava"

Lausche je bil na konferenci governerjev z vladnimi zastopniki v Washingtonu.

WASHINGTON. — Ohiskski governer Lausche je v sredo pojavil republikansko administracijo glede njenih pridobitev na mednarodnem polju. "Sedanja ameriška zunanjana politika je zelo zdrava", je rekel governer Lausche.

Henry Cabot Lodge, glavni amer. delegat pri organizaciji Združenih narodov, je zagotovil governerjem, ki so imeli takoj konferenco, da bo vztrajno nasprotoval sprejemu Rdeče Kitajske v organizacijo Združenih narodov.

Finančni tajnik George Humphrey je povedal governerjem, da je vsak dan več znakov, ki dajejo federalni vladi zaupanje v ekonomsko bodočnost Amerike. "Mi se ne pomikamo proti depresiji", je rekel.

Governer Lausche ni mogel prisostovati zadnji seji, ker je moral odleteti nazaj v Columbus, kjer so ga čakali važni posli.

NAJNOVEJŠE VESTI

CLEVELAND. — Republic Steel korporacija si je dobila pravico izkorisčanja džungel v južni Mehiki, kjer so največja ležišča titaniuma vsebujoče rude v zapadni hemisferi. (Titanium je tako imenovana kovina bodočnosti).

ZENEVA. — Tukaj je utrta pot za razgovore o indokitajski vojni. Razgovorov se bodo udeležili tudi zastopniki Vietminha.

SYRACUSE, N. Y. — Bratovščina železničarjev je proglašila stavko pri N. York Central Railroad, vzhodno od mesta Buffalo. Stavka se ima pričeti v pondeljek ob osmih zjutraj.

ZENEVA. — Med zapadnimi diplomati vlada mnenje, da igra amer. državni tajnik J. F. Dulles na konferenci izgubljeni igro, čemer je poleg splošnih neugodnih razmer v veliki meri krivo tudi njegovo osebno zadržanje.

"Prvkrat v zgodovini so sedaj Kitajci resnični gospodarji svoje usode" je rekel Chou. — "Ni je sile, ki bi preprečila Kitajski, da postane močna in prospirajoča država."

Za napetost dolži Ameriko "Dasi dvajset držav, ki imajo nad bilijon prebivalstva, priznava obstojo kitajske vlade, je Zdr.

Pokazal je, da bo njegovo glavno politično prizadevanje usmerjeno v geslo "Azijo Azijcem!" — Tajnik Dulles je zavrnil severnokorejske predloge glede volitev, češ da bi take volitve naredile iz Koreje lutarsko državo.

Kitajski premier je poudarjal, da so Kitajci zdaj prvikrat v zgodovini sami gospodarji svoje usode. Kitajsko vlado pričnava dvajset držav z biljonom ljudi, — zakaj je ne priznajo Zdr. države?

ZENEVA. — Chou En-Lai, države ne priznavajo, ker sanjam o vzpostaviti komintangskie klike (Nacionalist. Kitajci), ki jo je kitajsko ljudstvo že davno zapodilo iz dežele." Chou je dalje rekel, da je ameriška politika na Dalnjem vzhodu usmerjena v ustvaritev agresivne bloke, kar je glavni vir napetosti v Aziji.

Zahteval je odpoklic ameriških čet iz Azije in končanje povrnovega oboroževanja Japonske — kar vse je del amer. kampanje za ustvaritev kolonialne vlade na Pacifiku.

Dulles je v svojem prvem govoru na konferenci že takoj uvodoma črtal možnost napredka reševanja korejskega vprašanja, gledanega v luči Nam Ilovih predlogov.

Omenjajoč Nam Ilov predlog, da se odpoklicajo vse tiste čete, je Dulles dejal:

"Zdr. države ne žele indefinitivno obdržati svojih čet v Koreji. Toda nismo pa pozabili, da smo imeli že enkrat poprej svoje čete v Koreji, odkoder smo jih prehitro odpoklicali, in kaj se je zgodilo..."

Severnokorejski predlog se mora odkloniti, je dejal, "ker ne ustreza zahtevam svobodne, — združene in neodvisne Koreje, za katero se je prelilo že toliko krvi in za katero je bilo že toliko trpljenja."

"Zdaj, ko je bila agresija blokirana, naj komisija Združenih narodov nadaljuje s svojim delom za združitev Koreje. To je naš predlog", je rekel Dulles.

Odklonitev rdeče formule

ZENEVA, 29. aprila. — Šestnajst narodov, ki so se borili v Koreji proti komunistom, je gladko odklonilo severnokorejsko formulo za združitev Koreje.

Državni tajnik Dulles je odklonil ta predlog že včeraj, danes so se mu pa pridružili še delegati petnajstih držav.

Delegacije so si tudi edini v naziranju, da je strupen govor kitajskoga zun. ministra Chou En-Laija, ki ga je govoril v podporo severnokorejskega predloga, uničil sleherno upanje za resno razmotrivanje tega vprašanja na ženevski konferenci.

Nesrečnim ladi mož je prišel v Bolonijo kot spremlijevalec barona Ivana Herberta Lamberg-a in se ob nekem izletu sprl z baronom Jurijem Karolom in Ivanom Jakobom Moškom, oziroma z njunim domaćim učiteljem Jakobom Knechtлом iz Maribora. Konec prepira je bil ta, da je Knecht prebodel Debeljaka, ki je še tisto noč umrl.

Ko si je leta 1653. Ivan Ludo-vik Schonleben pridobil v Padovi doktorski naslov, so bili pri slavnosti navzoči njegovi rojaki: dr. Ivan Anton Kunstl, Ivan Burkard Kordičar iz Ljubljane, dr. Ivan Burkard iz Seno-žeč, in dr. Ivan Pekel (Pekeli-us) iz Loke.

Taki izredni dogodki so nam ohranili spomin na tega ali o-nega izmed naših dijakov, ki si je na italijanskih vseučiliščih izpolnjeval svoje znanje, a še mnogo več imen so nam zabe-ležili v Padovi in Boloniji "za-pisniki nemškega naroda" (acta nationis germanicae), h ka-teremu so naše dijake pri-stevati zaradi pripadnosti avstrijskih dežel k rimsко-nemškemu cesarstvu.

Na italijanskih vseučiliščih so se naši dijaki do dобра pravili Italijanci, katero so idno gojili tudi po svoji vrvi v domovino. Zato poroča leta 1633., škof Scarlichi papežu, da na Kranjskem izobraženi ljudje najraje govore italijsko. V Italiji pa so se naši rojaki navzeli tudi finega umetniškega okusa in navdušenja za stavbarstvo, slikarstvo, ki-parstvo in glasbo, ki posebno označuje našo kulturo v dveh stoletjih po reformaciji.

Srednje šolstvo je bilo ves ta-čas skoraj izključno v rokah je-zuitov, ki so ustanovili svoje kolegije po vseh večjih mestih. Razporedili jih v njihovih šol, na-nu vzgoje in jezuitskih šolskih smuž razpravljal na urugem mestu. Ni dvoma, da je razputstitev jezuitskega reda l. 1773. zadala našemu šolstvu hud udirec že zaradi tega, ker ni bilo dobiti kmalu nadomestila. Ljubljanski kollegij je štel takrat 43 članov: 27 duhovnikov, 4 magistri in 12 bratov. Patri so ostali večinoma na svojih mestih in opravljali pro-fesorско službo še v naslednjem desetletju. Bogoslovni profesorji so se l. 1734. preselili v Ino-most; stolice za modroslavje so bile odpravljene.

V Gorici so namesto jezuitov prevzeli gimnazijo "piaristi." Na Koroskem so osnovali benediktinci v Šent Pavlu l. 1777. nižjo gimnazijo, ko je pre-jenjal celovski kollegij. Preme-ženje razpuščenega jezuitskega reda je vladu zdržala v "šolski sklad." — Zanimiv zgled domačega učnega zavoda iz 17. sto-letja nam je gimnazija v Rušah pri Mariboru. Župnik Jurij Ko-

PODLISTEK

Cut Bank v Montani, kjer sva iskala prenočišča, je mesto s polovico toliko prebivalcev kot jih ima Lorain, Ohio. Pa s tem ne mislim zapostavljati Loraina in Lorenčanov. Še prednost jih dajem, ker pravim, da je Cut Bank le polovico tako velik. Razlika med prebivalci je tudi. V Lorainu ni "cowboyev," kot so tam v Cut Banku. Povsod si ga videl z velikim klobukom, v zelo tesnih hlačah, ki so bile nekoč plave, zdaj pa so take bare, kakoršno delo opravila po-leg jezdenja brankotov. Nekateri izmed naših šolarjev nosijo ozke hlače, da zgledajo, kot bi jih vili vanje. Sestre v šoli bi rajši, da nimajo cowboyev v razredih, ker je nevarnost do bo bodo hlače pri kaklem pripogibanju počile. Kaj pa potem?

Pojdimo nazaj v Cut Bank.

Torej iskala sva z Father Edwinom kraj, kamor bi položila svoje utrujene glave v nedelo večer.

Povsod so odmajevali z glavami. "We have no vacancies." Nimamo nič praznega." Noč je hitro legala na zemljo, midva pa nisva imela sobe, kjer bi se cez noč okreplčala. Igra, katere je bila naznanjena dvesto milij na široko, je privabila toliko široklobučnikov, da niso imeli kota za naju. To je pa zelo nerodno, če človek išče prenočišča, pa ga ne najde.

Zato sem rekel sv. Jožefu: "Ti veš, kaj se pravi iskati prenočišča zastonj. Daj, reci katero svoji nevesti, naši Materi, naj se nauj usmili."

"Try the new motel, near the ball ground," je vpil za nama moški, ki sva ga pravkar badrala za vsaj eno posteljo in sobo.

"Na, ti vozi jaz sem sit tega beganja po mestu," sem dejal nečaku.

Father Edwin je prejel za kolo in precej hitro, skoraj prehitro, potegnil v smer ball ground

"Hej, glej tamle nov motel in luč pravi, 'Vacancy,'" sem kričal od samega veselja. "Eno sobo z dvema posteljama imamo samo." "Bog te blagoslov." Močno je računal, pa sem ga vseeno skoraj objel."

Zveza oltarnih društev

Cleveland, O. — Zdi se mi potrebno opomniti na sklepe seje Zveze oltarnih društev, katera se je vršila dne 17. januarja pri fari Sv. Vida ob veliki udeležbi. Na tej seji smo razpravljale tudi o tem, kako bi v tem svetem Marijinem letu skupno Marijo častile, jo zahvaljevale za vse dobre in prosile za nove mislosti iz njenega studenca, za mislosti, katere moremo le po njem in pripomšči prejemati. Že ob ustanovitvi Zveze smo se oprle na njeni pomoči, zavedajoč se, da le po Mariji pridemo do Jezusa, njenega Sina.

Sklenile smo, da bomo v Marijinem letu skupno obiskale čim več Marijinih cerkva, da ji s tem izkažemo svojo ljubezen. V njenem mesecu maju bomo obiskele božjo pot Cary, Ohio. Tam bomo dopoldne, popoldne pa se bomo odpeljale v Frank, Ohio k žalostni Materi božji. Naše romanje je določeno za nedeljo 30. maja. Lepo bi bilo, če bi se čim več ljudi udeležilo tega skupnega romanja k Mariji. Pričasite se pri Oltarnem društvu svoje fare.

Pozneje bomo skupno poromele k Mariji Vnebovzeti in pa na hribček k Lurški Materi. Na praznici Sv. Rešnjega Telesa imamo skupno sv. obhajilo v cerkvi Sv. Pavla na 40. cesti, avgusta pa skupno romanje na našo slovensko božjo pot v Lemont. Priglasite se pravočasno in to v včinkem številu!

Delujmo v tem svetem Mari-

jinem letu in prosimo Marijo za mir vsemu svetu!

"Mi smo vojaki, ko-renjaki . . ."

Cleveland, O. — V nedeljo 25. aprila so imeli povabljeni priliko videti svojevrstno predstev. V hotelu STATLER so namreč nastopili gojenci katoliške deške šole "NAZARET Hall" v Grand Rapids pri Toledo, Ohio. Gojenci te šole imajo vojaško vzgojo. Vodijo jo sestre uršulinke iz Toledo, vojaško vzgojo pa vodi častnik ameriške armade.

Dečki imajo svojo uniformo, svojo godbo na pihala, svoje častnike, podčastnike in moštvo. Vse je urejeno prav tako kot prava armada. Imajo tudi iste redovne vaje. Vseh gojencev je v tekocem šolskem letu 92. Med njimi je tudi več Slovencev. Osebno poznam Edita Kovač, ki je sin Mr. in Mrs. Edwarda Kovač, ki imata svoj dom na Nottingham Road. So pa v šoli tudi še Križmanov, Tomšičev, Mršnikov in še nekaj drugih. Kovačev Edi je sergeant (narednik), ker bo kmalu šolo končal.

Dečki so se v nedeljo nekako pokazali tudi v Clevelandu, da so predvsem njihovi starši, prijatelji in drugi gostje videli, kaj znajo in kaj so se naučili.

Najprej je godba zaigrala tri komade in navzoč takoj navdušila. Zanimivo je to, da godbo podčuje sestra in sicer Mother Fideles.

Zatem je nastopila vojska. Vsa povelja od komandanta "celokupne vojne sile" mimo vseh častnikov, podčastnikov, prav tako tudi fanfaristi, bobnarji in zastavonoše, vse je bilo v rokah gojencev samih. Pokazali so vse redovne vaje, kakor tudi vaje s puškami. Človek se je lahko čudil poveljem in poveljnikom. Kdor je kdaj že poveljal, vedo to ni tako enostavna stvar, posebno ne pred publiko, ki je sicer dečki niso vajeni, kakor tudi ne korakajo po parketu, ki drsi in je težko zadeti pravi korak. Teda reči je treba, da so vse prav lepo izvršili in vsa povelja lepo izvedli. Malo izjem je bilo z najmlajšimi, ki so najbrže gledali okoli sebe in preslišali poveljnike in se na napačno stran obrnili. To je bilo pa gledalem malo za zabavo.

Takale šola dečkom zelo koristi. Vadi jih reda, strurnosti, nastopa in tudi nekaj pojma dobe kako izgleda vojak. Vedeti moramo, da vse to kar smo videli, dečki opravijo izven šolskega pouka. To je osnovna šola od 1 do 8. razreda.

Naj ob koncu izrecem še zahvalo gospoj in gospodu Kovač, ki sta nas povabila na to zanimivo prireditve. Z. N.

"Zgodovina bo proces proti škofu Rožmanu obnovila"

Rim, Italija. — Naš škof dr. Gregorij Rožman si lahko šteje v čast, da je prvi škof, ki so ga komunistične oblasti po zadnji vojni obsodile. Na žalost takrat Zapad komunizma in njegovih metod se ni poznal, zato proces proti škofu Rožmanu tudi med katoličani na Zapadu ni imel istega odmeya, ki bi ga zasluzil. Saj je večina katoliških listov obsodbo le kratko omenila in se vzdržala vsakega komentarja. Sele ko so sledili procesi proti drugim cerkvenim dostojanstvenikom, zlasti proti nadškofu dr. Stepincu in kardinalu Mindszentiju, je Zapad spregledal in se zganil. Ob krivih očitkih izdajstva in kolaboracionizma napram temu dvema je uvidel, da so bile tudi obtožbe, ki so jih komunisti iznesli napram škofu dr. Rožmanu, izmišljene.

Dečki imajo svojo uniformo, svojo godbo na pihala, svoje častnike, podčastnike in moštvo. Vse je urejeno prav tako kot prava armada. Imajo tudi iste redovne vaje. Vseh gojencev je v tekocem šolskem letu 92. Med njimi je tudi več Slovencev. Osebno poznam Edita Kovač, ki je sin Mr. in Mrs. Edwarda Kovač, ki imata svoj dom na Nottingham Road. So pa v šoli tudi še Križmanov, Tomšičev, Mršnikov in še nekaj drugih. Kovačev Edi je sergeant (narednik), ker bo kmalu šolo končal.

Dečki so se v nedeljo nekako pokazali tudi v Clevelandu, da so predvsem njihovi starši, prijatelji in drugi gostje videli, kaj znajo in kaj so se naučili.

Najprej je godba zaigrala tri komade in navzoč takoj navdušila. Zanimivo je to, da godbo podčuje sestra in sicer Mother Fideles.

Tako se ti procesi med seboj osvetljujejo. Prvi je pripomogel, da je zapad naslednje takoj pravilno razumel, ker je v njem že imel zgled take komunistične burke, drugi pa mečejo pravo luč nazaj na prvega, na katerega spočetka marsikdo še ni pravilno gledal, ker mu komunistična takтика še ni bila dovolj znana.

Tako se lik škofa dr. Rožmana v katoliškem svetu vedno bolj osvetljuje in dviga ter dobiva zasluženo priznanje. Naj nave-

dem, kaj piše vodila italijanska katoliška revija "La Civilta Catolica," ki jo izdajajo laški jezuiti, v svoji številki dne 3. aprila t. l. Svoj pregled o pregašnju katoliške Cerkve v Jugoslaviji pričenja takole:

"Ko so se 5. maja 1945 Titove bice bližale Sloveniji, se je ljubljanski škof dr. Gregorij Rožman umaknil od tam in se rešil v Avstrijo. Komunistična pobesnosť, ki je s krvjo pojila ozemlje, ki je bilo že v posesti Titovih, je vrgla nanj kot na glavnega zastopnika proti komunističnu smisljeno večine slovenskega naroda. Če se je škofa posrečilo ubežati iz njihovih rok, ni mo-

gel uteči njihovemu sovraštu. 21. avgusta naslednjega leta so v Ljubljani uprizorili proces proti njemu, ki se je končal 28. leta. Svoj pregled o pregašnju meseca z obsodbo na 18 let ječe, 10 let izgube državljan-

skih pravic in zaplemebo imovine. Značilnosti tega procesa se v ničemer ne razlikujejo od ostalih, s katerimi komunistična pravica svoje nasprotnike meče v isteg meseca z obsodbo na 18 let ječe, 10 let izgube državljan-

skih zavezočenc, ki je kmalu zgovorno pokazal pokolj več desetih duhovnikov in najboljih slovenskih fantov, kakor hitro je komunizem v deželi zavladal. Kajti — da o drugih ne govori — nad desettisoč protikomunističnih borcev, ki so jih Angleži vrnili Titovim partizanom, ti pa brez vsakega procesa ponosno postrelili, so bili cvet slovenske katoliške mladine."

Waukegan, Ill. — Nekateri ameriški poročevalci so navrhni in namazani z vsemi žavbami. Sodobni ameriški poročevalci ne hodi okrog in ne stika za novicami samo z svinčnikom ali peresom. Opremljen je tudi z najnovejšim fotografiskim aparatom, s katerim lahko snema slike po dnevi ob svetlem sončnem dnevu, ob oblačenem dnevu in tudi ponoči, ko je tema tako črna in debeła, da bi jo kar rezal kakor laški sir. Ne veš, kdaj te čaka in kdaj bo puhiil s svojim aparatom in te bo vje na svojo sliko. Z nekaterimi osebnostmi se tudi radi pošaljijo.

Z bivšim predsednikom Harry Trumonom se so poročevalci večkrat kaj pošalili. Vpraševali so ga po kakih stvareh, ob katerih se je mož razhudil in v takem slučaju ni bil nič kaj izbirčen z izrazi. Nekemu poročevalcu je nekoč objubil celo "punch in a nose." O yes, Harry is from Missouri in tamkaj so kampelci, kakoršne je težko najti še kje druge pod soncem.

Pred ne dolgim je bila na televizijski predstavi v New Yorku hčerka Harryja Trumana, znana Miss Margaret Truman.

OLAJŠANJE — Robert Browder, čikaški poštar, prekuša ob lepem vremenu voziček, ki ga je izdelal sam, da mu ne bi bilo treba nositi poštné torbe na hrbitu.

Nadomeščevala je znano Dorothy Kilgallen, ki vsako nedeljo vodikovo bombo. Baje je bila večer ob pol deseti uri ugiba na močnejša, kakor katera doslej, znani predstavi "What's my line?" Nič posebnega ni to, le pri meni je dvignilo malo pozornosti. Miss Truman je osebno dekle, ženska, kakor vsaka druga povprečna ženska. Včasih se rada postavi s svojimi nastopot pevk in ima tudi nekaj sposobnosti za to. Kot hčerka predsednika ZDA je imela precej prilike do dostopov v take umetniške kroge in do slovesa v takem umetništvu. Pri tem so jo nekateri hvalili, drugi zopet po svoje ocenjevali, namreč kritizirali. Tako se godi več ali manj vsem, ki stopajo na javno pozornico v tej ali oni stroki. Vsak sodi po svoje.

Pri njenem prvem nastopu na programu "What's my Line?" se seveda tu in tam tudi mala posmejala, včasih pa tudi začudila in je pri tem delala malo čudne izraze s svojim obrazom.

Ko se je tak v nekem momentu izredno čudno nakremila, jo je poročevalce s svojim aparatom vzel. Izraz na obrazu je res nekam začuden. Poleg nje je bil znani Steve Allen, ki se udeležuje tistega ugibanja vsako nedeljo večer in jo postrani motri in se ji smeji. Slike so pri Udrženju tiski razposlali v njihovi tozadevnji postrežbi vsem listom po Ameriki in tako so njeni slike tistega momenta pokazali vsej deželi. Kaj so ljudje o tisti sliki mislili, je sicer njihova zadava. Nekateri so vzeli za šalo, drugi so morda sodili po svoje. Kakega posebnega kredita pa menda tista slika ni prinesla ne slikarski umetnosti, ne deželi, pa menda tudi njej ne. Je le bolj gola nagajivost razposajenih poročevalcev. Margaret je najbrže ne bila preveč vesela, če tudi zna vzeti marsikaj za šalo.

Govorce o znižanju davkov v Washingtonu so menda le tako, besede, ki naj "troštajo" davkoplačevale, da bo bolje, namreč enkrat, če ne danes pa jutri. Dohodinske davke so nekaj znižali, menda kakih \$10. na \$1,000 dohodkov. Nekaj je že če bi pa drugie ne iskali, kaj bodo našli v žepih davkoplačevalev. Med tem, ko so za teh par dollarjev na leto znižali davke na zaslužek, se pa doma po mestih in okrajih izmisljajo, na kaj bi nastavili nove davke, da bi prišli do višjih davčnih dohodkov. Za kolikor te v Washingtonu olajšajo, te toliko bolj zagrabijo doma v domačem kraju. Kakor bi se zmenili, jaz ga bom izpustil, ti ga pa pogradi. Pa greš izpod dežja pod kap. So tiči! Ti ubogi davkoplačevalec si pa kakor miška, s katero se igra prefričan muc in te čofa s svojimi dolgimi in ostrimi kremlji, zdaj po tem, zdaj po drugem žepu.

Tam med bikinskimi otoki

so razstrelili zadnji mesec novo bombi bi se lahko naredlo, pa menda dodajo v vsako bombo par merc več tistih elementov, ki tako peklenko brenejo, da se kar svet potresе daleč na okrog. Enkrat znajo kačo bombo preveč nabasati, pa bo puhiilo nje in morda nas druge, kam tja za deveto goro, kjer ni ne muh ne komarjev... Potem bo pa mir...

— Listi poročajo, da bo letos

zelo velik turistični promet. Na stotoisoč Amerikancev se baje pripravlja na potovanja po Evropi in drugih delih sveta. Potovanje je zanimivo in potniki z bistrim opazovanjem se na potovanjih marsikaj naučijo. Množi pa seveda tudi potujejo iz razloga, da si malo žepe olajšajo, ker jih evenk v njih preveč teži. Potovanje torej "pomaga" vsestransko. Francozi, Italijani, Španci in Švicarji pričakujejo v tem oziru velik promet.

A. D. zanimalo vedeti, da ima-

mo v Ameriki nekaj nad 36 milijonov molznih krav, ki dajejo

letno povprečno okrog 115 milijonov funtov mleka. Država Wisconsin je znana kot prva država, ki proizvaja največ mleka in sira in v Wisconsinu pravijo, da je to edina zvezna država v USA, kjer je več krav, kakor pa ljudi.

ZGODOVINSKI ROMAN

MORJE

Francija je manj prikla-
DNA za demokracijo nego mar-
sikaka druga dežela... Zato
bom senat in državni svet po
povratku spremenil v zgornjo
in spodnjo zbornico, ki ju bomo
večinoma imenoval sam. V
njih bo sedelo pravo zastop-
stvo naroda, sami izkušeni tri-
govci, nobenega ideologa. Tako
bo imela pravo. Kajti prišli
bodo tudi taki cesarji, za katere
bo zadostovala običajna vzgoja
vladarskih princev."

V teh cesarjevih idejah se
razovede monarhist, hkratu pa
tudi skeptik. Pred podobo svo-
jega sina sicer pravi v tonu ni-
čemurnega očeta, da je najlep-
ši otrok v Franciji, vendar prav-
dobro ve, kako dolgo žive di-
nastije in kako kratkotrajen je
genij. Prav zaradi tega, ker v
naprej vidi propad svoje krvi,
ki ga je zasledoval v letopisih
vseh vladarskih rodbin, hoče
izključiti vse omahljivce, da bi
bil njegov naslednik zavarovan.

SLIKE SO LEPE

Prihodnjo nedeljo, 2. ma-
ja, se nudi lepa prilika za
vse, kateri bi želeli videti 1-
urno slikovno predstavo ob-
stoječo iz narodnih skupin:
"SLOVENCEV, HRVATOV in SRBOV". Vsaka skupi-
na izvaja v krasnih narodnih
nošah narodne plese, pojne
narodne pesmi ter vprizarja
vse one domače običaje, ka-
terih smo bili navajeni v sta-
ri domovini. V kolikor se na-
to stvar razumem, morem re-
či, da mi je slika, katero sem
imel priliko sam kazat v žup-
niji Sv. Nikolaja, zelo všeč.
Tudi vsak drugi, kateri jo je
videl, je moral priznati, da
jo je vredno videti. Poslo-
vodja te slike je gospod Geo.
Sarapa. Predstava se bo vr-
šila v Slov. del. domu na Wa-
terloo Rd. ob 4. uri popoldne.
Slike posnete po naši tradiciji
so za nas vedno najdražje in
najljubše. Obisk priporočam!

Zalujoči:

STARSI, SESTRE, BRATJE

So Euclid, O., 30. aprila 1954.

tem Ijudem posreči vcepiti Ren-
ski zvezni svojega duha, bo te
dežeze zalilo neizmerno trplje-
nje." Zdaj čuti tujega duha,
šele zdaj menda odkrije cesar
tudi v Nemcih narodni čut, ki
ga je spoznal pri Spancih; še tik
pred pohodom v Rusijo se mu
ta narod ni zdel vreden niti po-
štene nočne straže: "Ker ni v
Nemčiji ne Amerike ne morja
ne celo vrste trdnjav in ne An-
gležev kakor na Španškem, se
ni ničesar batil in se ne bi bilo
treba, tudi če bi bili Nemci ta-
ko leni, praznoverni in kutar-
ski, kakor so Spanci. Česa naj
bi se bilo batiti od tako dobrega,
pametnega, hladnega in potre-
žljivega ljudstva, ki mu je
vsaka nasilstvo tako tuja, da ni
bil med vso vojsko v Nemčiji
ubit niti en mož!"

Najprej jo velja utrditi z
mečem. Kje so zdaj njegovi
situacijski načrti, na katerih je
premikal po Evropi stotisoč!
Kje so lepe marokinske mape,
ki so v svojih ravnih vrstah šte-
vil vsebovale smrtne obodsobe
za neštete mladeniče, za najbo-
ljše pa tudi maršalske palice!
Od stare garde se je do Konigs-
berga prebilo 400 mož, od garde
na konjih 800, vrhu tega ne-
kaj tisoč prezehbljih v premrlih
častnikov in narednikov. To je
ostanek cesarjeve gigantske ar-
made, če ne štejemo obeh krilnih
armad, ki pa nista bili fran-
coski. Na svojem begu stopil
maršal Ney v prvo prusko u-
radno sobo. In ko poznani o-
brazi neverno strme vanj, kdo
je prav za prav, jim odgovori
kot resnično tragičen junak z
grandiozno besedo: "Jaz sem
zadnja straža Velike armade."

In ali je to res en narod?
Ali je bilo to cesarstvo, ki je

bilo pred desetimi leti likvidi-
ran z odstopom poslednjega
cesarja, ali je bilo sploh res kaj
drugega nego nekaka "meta-
fizička tvorba"? Samo trenutek,
samo dve leti bodo nemška
ljudstva edina; ko bo tujec pre-
magán, bo enota zopet razpadla
in bo potrebovala še pol sto-
letja in še enega grozecga Na-
poleona, da se bo naposred stra-
nila v narod, pa če tudi še ve-
dot k fragment. Napoleonov
čut za ljudskega duha se je
zakrnil in iz prepirov in lju-
bosumnosti med nemškimi kne-
zi je sklepal, da je razceplje-
nost nemških rodov stalna, na-
mestu da bi bil v teh ljubosum-
nih dinastičnih močeh videl e-

dino oviro, zaradi katere se
bratski rodovi niso mogli zdrži-
ti.

Ali veličastni dihljaji zgodo-
vine določajo včasi ritem kake
dobe tudi zoper voljo genija, ki
jo oživlja. V velikih krogih se
ta lesta duh povrača k svojemu
izhodišču. Kajti kakor je ne-
ko Bonaparte poražal vladarje
in dvigal narode v imenu svobode,
tako se zdaj dvigajo narodi, da bi v imenu svobode
porazili njega — vladarja. Se-
veda blodijo to veliko usodo
mnogotore majhne želje in sku-
pine in prav gotovo ni več legiti-
marnost nemških rodov stalna, na-
mestu da bi bil v teh ljubosum-
nih dinastičnih močeh videl e-

nost; bledi, nesložni, dekadent-
ni in brez velikih osebnosti sto-
nil govoriti v imenu Onega, ki
je zavezniški starci knezi zoper
se je ustvaril sam.

Blaga pokojna je bila rojena 20. marca 1890 v vasi Zalesina pri Delnicah,
Jugoslavija, odkoder je prišla pred 45 leti.

Pogreb se je vršil dne 13. aprila, 1954 iz pogrebnega zavoda Frank Zakraj-
šek in Sinovi v cerkev sv. Pavla. Pogrebo sv. mašo zadušnico je daroval Rev.
Steve Mrakusic, ki je spremil truplo iz pogrebnega zavoda v cerkev in nato na
pokopališče Kalvarija.

Iskrena zahvala Msgr. Jos. Mi-
sich, ki je mater obiskal v bolnišnici
in jo previdel s sv. zakramenti. Hvala
tudi Rev. Girth za poslednje zakra-
mente v bolnišnici.

Srčna hvala vsem, ki so položili
tako krasne vence cvetja ob krstu po-
kujnice in ji s tem izkazali svojo zad-
no čast in ljubezen.

Enako hvala vsem, ki so darovali
za svete maše, ki se bodo brali za
mir in pokoj duše pokujnice.

Dalje zahvala vsem onim, ki so
na dan pogreba dali na razpolago
svoje automobile ter mnogim tako
omogočili, da so se mogli udeležiti po-
greba.

Najlepša zahvala vsem, ki so pri-
šli mater kropit ter molit za mir in
pokoj njene duše, ko je počivala na

Fifteen scouts from St. Mary's Troop 285 had occasion to make the Day of Recollection last Sunday at John Carroll University. It was the first time for them. They all enjoyed the talks of Father O'Brien, S.J. They are looking forward to next year's meeting with eagerness. A week before that a Day of Recollection was held at the Stanislaus Retreat House in Parma. The Scout Masters, Robert Young and Edward Zagore, together, with Jos. Doles, the head of the Explorer Scouts and Louis Opalek from the Committee attended.

The Scouts are canvassing the parish for scrap iron during the coming week, if you may have some old iron lying around, put it aside and the scouts will call for it. They hope in this way to raise enough money for the summer camp, where they will spend a week outdoors.

Next Sunday, the Sodality will carry out the traditional May Crowning services. You are all invited to attend at 7:30 in the evening. Father Sullivan of the

Blessed Sacrament Fathers will give the talk. All those participating are asked to be in the Church hall at 7 o'clock.

Remember to attend the May Devotions during the coming month. They will be held each evening at 7:30. We will recite the Rosary, and the Litany of Our Blessed Mother together with the Marian Year prayer. Honor our Blessed Mother during her Marian Year by a faithful attendance.

The DADS Club are holding their GIVE AWAY next Sunday after the church services about 8:30 p.m. in the Study Club room. All the members are asked to attend together with their friends. Refreshments will be served immediately after the Give Away. A few tickets still remain, they will be on sale after the Masses on Sunday. This is going for the benefit of the scholarship fund.

A Gala Carnival will be held on our parish grounds from June 22 to the 27. There will be rides

Bozik to Take on All Comers:

Fred Bozik, the home-grown grappler who has been sidelined for the last six months with a back injury, will return to action Tues., May 4, when he takes on all comers in a special event at the Arena.

Bozik will battle any amateur wrestler who wishes to test himself against a pro. Bozik will limit his appearance to 30 minutes.

Opponents must be at least 21 and appear at the Arena at 7:30 p.m. the date of the show. They must furnish their own shoes and tights. Withdraw Offer of Guaranty

to Tribe:

Daytona Beach, Fla. — The Daytona Beach Chamber of Commerce recently withdrew an offer to guarantee the Cleveland Indians a minimum gate of \$40,000 for eight exhibition games if the American League team moves its training camp here in 1956. Florida's statutory law forbids such a financial guarantee by the Chamber of Commerce.

Cleveland recently renewed its contract to train in Tucson, Ariz., in 1955 and said it would indicate by June whether it would accept the Daytona Beach offer for 1956.

Cushioned Fences in Boston: To protect charging outfielders, particularly Jim Piersall, the Boston Red Sox have cushioned their fences and right field bullpen with expensive foam rubber padding. The idea is to prevent injuries.

Dillard Becomes Good-Will Man:

Harrison Dillard, the two-time Olympic track champion recently accepted an assignment for next fall as United States ambassador of good will. Dillard has obtained a leave of absence from his post as public relations man for the Cleveland Indians to tour several foreign countries next fall after the conclusion of the baseball season.

Referees to Retire at 55:

New York State Athletic Commission recently decided to retire all main event referees at the age of 55 and all prelim referees and judges at the age of 64. Referees affected will include Johnny Burns, George Walsh and Jack Appel.

Hockey Schedules
To Be Drawn Up Soon:

Schedules for the 1954-55 season will be drawn up by the governors of the International Hockey League at their next meeting in Johnstown, Pa., starting June 12. Officials of eight clubs assured the league recently at a meeting in Cincinnati that their clubs would be in competition again.

ABC Gets TV Football Rights:

College football will be televised over a new network next fall, under the tight restrictions imposed by the National Collegiate A.A. but with the benefit of an extensive series of supporting radio programs.

The NCAA television committee recently awarded to the American Broadcasting Co. the right to telecast the 12 Saturday afternoon games and Thanksgiving Day game or games which come under the NCAA restrictions.

It will run from Sept. 18 through Dec. 4. Each game telecast will present a full game, plus shows between the halves and 15-minute programs and postgame programs.

The American Economic System

For almost all of the 6,000 years of recorded history, people literally starved to death in every land on earth. In many nations, a great number still starve. We in the United States are so used to having enough to eat that we forget that a large part of the people in the world go to bed hungry every night. We forget that ours is about the only large group of people in the world who have never had a famine.

There's a reason for this. The reason is not natural resources, or physical or mental superiority over other peoples. After all, we Americans stem from every race and every country in the world — from nations which have more natural resources than we do. But our ancestors were effectively able to develop and use nature's resources only after they left their native lands and migrated to America. And they did this in the United States while working fewer hours than they had worked back in "the old country." Why?

There's a reason for this, all right. It is the simple reason of a free market economy, or comparatively free. Unfortunately, our market has never been completely free from governmental interference, and it is becoming less free every year. Thus we have been less productive and prosperous than we could have been; and, as long as the various restrictions against trade continue, we will not be as prosperous as a free people could be. But even so, our people generally have had more freedom of choice in buying, selling, producing, pricing, competing, working, worshipping, joining, saving, investing, earning, losing, and bargaining than have the peoples of other lands.

If everyone is prompt and cooperates, the Sodality May Crowning this year will be as beautiful as it has been in the past.

This and That from Washington

By Congressman Frances P. Bolton

MAY DAY FOR ALL THE FAMILY. This coming Saturday, May 1st, is Child Health Day and President Eisenhower has asked that all Americans observe it as "Family Play Day."

We are coming to the realization that above all else—children need the feeling of being loved. Food, clothing and shelter are important. But,

Mrs. Bolton as I wrote recently, "a child is a plant that does not grow without love."

This weekend, take the family out on a picnic or to a ball game or anything you can all do together and enjoy. I imagine some of you have forgotten how much fun it can be!

CLEVELAND MOVES INTO ACTION ON JUVENILE CRIME. The youth of America is a wonderful group—courageous, intelligent and eager. Tragically, indeed, is it that in spite of this there is such widespread juvenile crime.

I was delighted when I found that Cleveland's Civic Committee on Juvenile Delinquency has urged the strict enforcement of 200 city laws covering juvenile crimes—including the ordinance to keep children off the streets after dark.

This action, along with the outstanding work by the Cleveland Welfare Federation and the many civic groups, is an intelligent attack on the problem, much needed in the rest of the nation.

A Senate subcommittee has issued a very disturbing warning. It said, "The nation is losing its fight against juvenile delinquency."

These ominous words came from the Subcommittee to Investigate Juvenile Delinquency in the United States, headed by Senator

Robert C. Hendrickson (Republican of New Jersey).

Although this is only an interim report, the committee was very distressed over what it saw.

"We devote much attention, energy, and resources—and rightly so—to the fight against Communism," the report states. "To what avail is that fight if the moral fiber of more and more of our children is being undermined?... We are neglecting our biggest national resource—our children and youth."

I am sure many of you who are working on this problem will want copies of the report. It is Senate Document 1064 and I will be happy to supply copies on request.

CONGRATULATIONS, OHIO!

In a recent Newsletter I asked whether Ohio had yet set up proper standards for day nurseries. I was delighted to receive the following letter from Mrs. Gertrude Merkling, Director, Consultation Service, The Day Nursery Association of Cleveland:

"We felt that you would like to know that Ohio has recently passed legislation which provides for certification of all Day Care Centers, Foster Day Homes, and Group Homes for Day Care, and has provided specific standards to implement the law. We, in Cleveland, worked long and hard for this bill and feel very gratified that our legislators recognized the need for this sort of protection for young children."

It is through such efforts that our great state maintains its reputation for being a wonderful place in which to live.

GENEVA BACKGROUND. As you know, the important Conference on Korea and Indo-China starts Monday in Geneva, Switzerland. The State Department has issued a very interesting pamphlet, "Background Notes on the Geneva Conference." Write me at 450 House Office Building and I will be happy to send you a copy.

service in Korea. Welcome home Joe, we know that if you could lead men you will certainly lead these boys to many victories.

Have you made plans to attend the Scouts Square Dance. We will be looking forward to meeting you on May 7th, at the Hall on Holmes Ave. The Denim Dancers will be playing that evening.

A Thought For the Week:

Give me the money that has been spent in war and I will cloth every man, woman and child in the attire of which a king and queen would be proud. I will build a schoolhouse in every valley over the earth. I will crown every hillside with a place of worship consecrated to the gospel of Peace.

Last Tuesday one of our former Sodalis received the Ursuline Habit at clothing services which were held at St. Jerome's Church. Jean Zalar received the name of Sister Mary Ann Jose.

We extend our congratulations to the parents and promise Sister a faithful remembrance in our prayers.

Modern Slovenian Prose

(Continuation)

By E. A. KOVACIC

An outstanding literary figure was Narte Velikonja (1891-1945), born in the village of Oltica near Ajdovščina in the Slovenian Coastland. In 1945, the author was sentenced to death and executed by a Communistic "people's court" in Ljubljana. Beside a number of short-stories, Velikonja was the author of the outstanding novel "Višarska polena" (The Wood from Višarje). Later, he published two more novels, "Sirote" (Orphans) and "Besede" (Words), in the latter he described his native village with a skill of a great artist.

The youngest generation of the Slovenian authors starting its literary career shortly before World War II was partly sentimental and partly realistic. To escape from lyric in prose, Bogomir Magajna, a physician, turned to naturalism trying to combine the both extremes. The latter social-minded prose became frequently a political tendency in the works of Tone Šeškar. Similar was the start of Mirko Javornik, who later found the way to great travel descriptions "Srečanja z nepoznanimi" (Meetings with the Unknown) and "Pomlad v Palestini" (Spring in Palestine).

Modern naturalism, frequently combined with socialist tendencies came to existence in the works of Anton Ingolič, Miško Kranjec, and Lovrenc Kuhar (known under the pseudonym Prežihov Voranc). Ingolič described the Field of Ptuj with its people in the novel "Lukarji" and the life of wood-workers traveling on rafts on rivers in the novel "Na splavih" (On Rafts). The land and the people of Prekmurje found its writer in Miško Kranjec, who was often too naturalistic and pessimistic in his novels "Življenje" (The Life), "Os življenja" (The Hub of Life), "Povest o dobrih ljudeh" (The Story of Good People), etc. The works of

Prežihov Voranc (Lovrenc Kuhar) was the epic description of the Mežica Valley, but frequently with socialistic tendencies.

A contrast to the modern naturalism was given in the work of Vladimir Bartol, who searched for philosophic and psychological wisdom about men, while Ivan Matičić was beside shorter novels the author of an outstanding historical novel "Živi izviri" (Living Fountains).

Popular novelists of the period before World War II were Ivan Zorec, the writer of the trilogy on the history of the monastery of Stična "Belih menihov" (White Monks), Matija Malešič, and Janez Jalen. The latter continued Finžgar's popular novel with a closer connection between the nature and the people in the novels "Ovcari Marko" (Herdman Marko), "Cvetkovna Cilka", "Trop brez zvončev" (The Herd Without Bells), etc. Jalen proved to be also a good dramatist in his trilogy "Dom" (Home), "Bratje" (Brothers), and "Srenja" (Community).

We felt that you would like to know that Ohio has recently passed legislation which provides for certification of all Day Care Centers, Foster Day Homes, and Group Homes for Day Care, and has provided specific standards to implement the law. We, in Cleveland, worked long and hard for this bill and feel very gratified that our legislators recognized the need for this sort of protection for young children."

It is through such efforts that our great state maintains its reputation for being a wonderful place in which to live.

George V. Woodling, attorney, has met the challenge of the juvenile delinquency problem with a proposed Parent-Youth program based upon the development of youth and parents for better citizenship, and to establish a Parent-Youth Division in the State Department of Welfare to direct this program.

As a Sunday School Teacher for boys, and later as a Cub Scout Leader, and more so now since he is in the process of raising two boys, the problem of youth development and the prevention of juvenile delinquency has always been of prime importance to Mr. Woodling.

"Although there are many excellent organizations working diligently to combat this problem, there has not been a common front of concerted action. By integrating all the efforts put forth by churches, parents, established divisions, bodies, agencies, institutions and committees of State and local governments, we will develop a program for parents and youth which will provide the leadership and facilities for better citizenship," concluded Woodling.

"My plan is to bring parents

and youth closer together and to promote more family interests and recreation," says Mr. Woodling. "Each county will govern and regulate its own Parent-Youth Board, but State planning, coordination and cooperation will be helpful to the County Parent-Youth Boards on the local level. I feel that there is need for some organization which will enable and encourage parents to meet the problem of developing youth for better citizenship and to face youth with uniform and consistent standards of expectation—for example, hours of coming in at night and other cooperative regulations.

"As a unanimous vote, this week the members of the War Veterans Bar Association instructed their secretary to write a letter of commendation to Mr. Woodling to the effect that his program to prevent juvenile delinquency is a step in the right direction, and further, the organization is to submit a copy of Mr. Woodling's program to its Judicial and Legislative Committee for helpful suggestions.
