

VESTI

IZ SLOVENIJE

IZ KANALA OB SOCI nam poročajo, da je tam ljudstvo zopet silno razburjeno. Izgubilo je v nekaj tednih kar tri duhovnike. Oblast jim je prepovedala stanovati v obmejnem pasu. Sv. Goro je moral zapustiti priljubljeni duhovnik Pavel Podbregar, ki je skupno s še enim frančiškanom oskrboval svetogorsko svetišče. Z Gorenjega Polja je moral oditi Rev. Franc Vidic, iz Ročinja in Srednjega pa tamošnji župni upravitelj Rev. Stanko Zorko, ki je zbežal preko meje v Italijo.

IZ ISTRE POROČAJO. — Župnik iz Ospa Rev. Franc Zlobec je še vedno zaprt. Zaprt je radi priljubljenosti in spoštovanosti, ki ga uživa med verniki dveh obširnih župnij. Tega gorečega duhovnika je bilo treba odpraviti, da ne bi dobri verniki iskali pri njem opore in tolažbe v trdem boju za verske dobrine. Skoraj izpred oltarja in brez obzora so ga odpravili in ga vrgli za dva meseca med prisilne delavce v Sičolah. Vsi so pričakovali, da se bo po dveh mesecih vrnil med svoje župljane. Obdržali so ga pa v zaporu in oblasti nečesto povedati vzroka zakaj. Vse kaže, da hočejo Rev. Zlobca za vedno onemogočiti, da bi se povrnil v svoje župnije. Kar ni so doleteli Rev. Pegana, ker je popravljal cerkev, Rev. Basiča v Korthah, ker so mu župljani prostovoljno obdelali vrt in križev pot Rev. Zlobca so le delna potrdila kako temeljito spojinjuje "ljudska oblast" navodila in naročila partije.

SPREMEMBA PRIIMKOV V TRSTU. — Kakor je znano so svoj čas fašisti zahtevali in s postavo določili kako naj se vsak tržaški Slovenec piše. Slovenske priimke so enostavno poitalijančili uradno. Ta krivica je še doslej ostala. Pa namesto da bi sedanja uprava enostavno razveljavila tisti dekret, predpisuje razne prošnje, ki jih mora vsak napraviti in dokumente, ki jih mora predložiti da bi dobil svoje staro ime nazaj.

Družinski poglavar bo moral predložiti prošnjo za spremembo priimka v prvotno izvirno obliko konskemu predsedniku. Prošnji je treba priložiti prepis odloka, s katerim je bil priimek spremenjen in krstni list prošilca. Po potrebnih ugotovitvah bo konski predsednik izdal odlok o spremembi priimka v prvotno obliko. V primeru, da bi konski predsednik prošnji ne ugodil, bi lahko prošilec vložil poziv na oddelek za pravne zadeve pri ZVU.

Tri na dan

Vsa čast takemu, ki se povzpne do najvišjih časti, ne da bi prišel tje z umori in poboji. To je revolucija z evolucijo. Te pa ne poznajo za železnim zastorom.

Diktature ne morejo obstati, ker diktatorji nimajo naslednikov, ampak samo tekmece.

Kadar je v čredi volkov eden ranjen, planejo ostali po njem in ga raztrgajo. Tako je tudi v deželah diktatur. Le malo se potrpi in videli bomo, kako se bodo trgli med seboj volčje.

V BREZAH PRI RIBNICI je umrl Ivan Arko. Sin njegov je frančiškan p. Gabrijel Arko, sedaj v Argentini.

Truman ne popušta
glede delavskega zakona

Washington. — Predsednik Truman je izjavil, da bo nadaljeval borbo za novi delavski zakon in ne bo sprejel nikakega kompromisa in tudi ne tistih kompromisnih predlogov, na katere so nekateri voditelji delavskih unijs že pristali. Predsednik sodi, da je zakon kakršnega je predložil nujen za miren in soliden razvoj delavskega stanu in mirne odnose med delavci in delodajalci.

Izrael v Zvezi Narodov

New York. — Izrael je bil sprejet v Zvezo Narodov. Arabske delegacije so ostro protestirale in zapustile dvorano pred glasovanjem. Devet držav se je vzdržalo glasovanja. Združene Države so glasovale za, Velika Britanija se je vzdržala skupno z Belgijo, Brazilijo, Dansko, Švedsko, Grčijo, Turčijo in El Salvador. Proti so glasovale samo arabske države.

Še težave z Rusi v Berlinu

Berlin, Nemčija. — Berlinska blokada se je samo deloma dovolj končala. Sovjetski kontrolni organi pa so zaustavili vse nemške tovarne avtomobile, ki so hoteli zapustiti Berlin in voziti proti zapadu, češ da morajo imeti posebna dovoljenja od sovjetskih oblasti in sovjetske komande vzhodnega Berlina, čeprav potujejo in stanujejo v zapadnih conah Berlina. Zapadne sile so protestirale.

Le eno življenje imamo — pogledimo na obe strani predno stopimo čez cesto.

Vse ulice morajo
biti pokrite s krvjo

Priča pred sodiščem izpoveduje kar je slišal v komunistični šoli — Tudi ameriška revolucija mora biti krvava.

New York. — Nova priča proti vodilnim enajsterim komunistom, ki jih sodi porotno sodišče radi delovanja, ki je imelo namen s silo spreminjati ameriško vlado in javno upravo, Mr. William Cummings iz Toleda je pričal, da se je udeleževal komunistične šole v Chicagu v decembru leta 1945. Priča je povedal, da je v tej šoli govoril komunistični direktor za vzgojo, Mr. Siskind, da Sovjetska Zveza vzgaja komunistične oficirje in politične voditelje za civilno vojno na Kitajskem in da Moskva ima vse vodstvo civilne vojne na Kitajskem v svojih rokah. Poleg tega je dal isti Mr. Siskind takle prosopt komunistične revolucije v Ameriki: "Ljudem je ušlo, da revolucija zahteva vse ulice krvave in sploti mnogo prelivanja krvi. Tudi v Ameriki bomo imeli, predno dosežemo mir, mnogo krvi na ulicah. Vse bodo krvave." Razglasil je takrat še tele politične nauke: "Črni bodo sami doleteli ali hočejo svojo posebno državo na jugu. Narodni odbor komunistične stranke sodi, da črni hočejo imeti zemljo, ki so jo toliko let obdelavali za svojo gospodarstvo in lastnike. Ameriški komunisti morajo biti prepričani, da so najbolj zapostavljeni delavski razred na svetu. Delavstvo mora neprestano dobiti pouk in navodila kako je treba sovražiti vojsko in policijo, ker sta samo orodje kapitalističnega sistema." Te in take nauke je dajal tudi Gilbert Green, ki je bil eden izmed instruktorjev v komunistični šoli in je sedaj — med obtoženimi. On je predsednik komunistične stranke za Illinois. Cummings je tudi povedal, da so komunisti imeli pisbeno šolo za Ohio, blizu Clevelanda v letu 1945. Ta šola je pa trajala samo en teden.

Ohijski senat hoče
zboljšanje plač učiteljem

Columbus. — V ohijski legislaturi so demokrati doživeli hud poraz, ko jim je senat odglasoval posebno pomoč za učitelje v znesku 19 milijonov in pol in dal lokalnim administracijam še posebej 12 milijonov več, kot je bil uradni predlog gubernorja. Glasovanje je bilo 24 proti 6. To se pravi, da so se uradnemu predlogu uprli tudi mnogi demokrati. S tem se je ohijski proračun še povečal za 40 milijonov, kolikor je znašal že itak najvišji proračun v zgodovini te države. Značilno pa je, da so senatorji republikanci sedaj sprejeli ti isti način financiranja lokalne administracije, ki je veljal do pred dvema leti pod Lauschetom, pa so ga takrat, ko so zmagali, spremenili.

Dewey v Angliji

Southampton, Anglija. — Gubernor Dewey je prišel v Anglijo. Takoj je izjavil častnikarjem, da nima nikakih izjav, da je samo na počitnicah, da bi se pa v Angliji rad kaj naučil in bo zato zelo rad pregledal nekatere angleške farme, industrijske ustanove in naprave.

za Madrid

Washington. — Tudi senatorja Taft in Brewster sta se pridružila skupini, ki zahteva, da USA postavi svojega ambasadorja v Madridu. Taft je rekel, da je skrajni čas, "da se federalna administracija otrese uplivov in obzirov ki so jih usilili komunisti v Zvezi Narodov. Dokler imamo ambasadorja v Moskvi ni prav nobenega razloga, da ga ne bi imel tudi v Madridu."

Lausche še vedno
proti novim davkom

Columbus. — Gubernor Lausche je izjavil, da bo šel v poslansko zbornico državne legislature in jo skušal pregovoriti, da ne sprejema zakonov, ki nalagajo državi nove obveznosti za katere nima kritja. Misli je s tem posebno na zakon o povišanju učiteljskih plač in drugih davkov za šole, ki ga je sprejel senat. Če ta zakon obvelja, bodo morali biti v Ohio razpisani novi davki, Lausche pa je pred volitvami obljubil, da pod njegovo administracijo novih davkov ne bo.

Truman bo zahteval
kritje primanjkljaja

Washington. — Kljub temu, da je velika opozicija v demokratski stranki proti novim federalnim taksam, je izjavil predsednik Truman, da jih bo zahteval, ker drugače bo federalna vlada zašla v prevelik deficit. Predlagal bo iste takse, kot jih je že zahteval v januarju. Vodilne osebnosti v kongresu pa pravijo, da verjetno predlog o novih taksah v tem zasedanju ne bo prišel na vrsto.

Tudi Taft in Brewster
zahtevata ambasadorja
za Madrid

Washington. — Tudi senatorja Taft in Brewster sta se pridružila skupini, ki zahteva, da USA postavi svojega ambasadorja v Madridu. Dokler imamo ambasadorja v Moskvi ni prav nobenega razloga, da ga ne bi imel tudi v Madridu."

Slovanski kongres
je komunističen

Izpovedi poljskega generala — Poljski komunistični vohuni v Ameriki.

Washington. — Poljski general Izidor Modelski, ki je bil uradni vojni ataše pri ambasadi v Washingtonu pravi, da je žena sedanjega poljskega ambasadorja Mrs. Joseph Winiewicz član sovjetske tajne policije. Zaslisan pred kongresnim odborom je povedal še več imen poljskih komunističnih vohunov v Ameriki. Tako je "diplomata" Ignacij Zlotovski, dejansko bil vohun za informacije glede atomske energije, drugi poljski vojaški član ambasade je bil med organizatorji komunističnega napada lansko leto v Bogoti, ko je tam zborovala Pan-Amériška zveza. Ta bivši poljski oficir je povedal tudi nekaj konkretnih okolnosti, ki dokazujejo, da je Ameriški Slovanski Kongres v resnici komunistična organizacija.

Pričevanja

Zasliševanja pred sodiščem v New Yorku in pred ob-
bori kongresa v Washingtonu odkrivajo kako je komunizem
deloval in deluje v Ameriki. Naj bi novice o izpovedi teh
prič ne šle mimo ušes dobrih Amerikancev in državljanov.
Priče izpovedujejo kot svobodni ljudje, kot prostovoljne
priče. Popisujejo kaj so kot komunisti ali kot udeleženci
v delu komunističnih organizacij sami doživeli. Brez ozira
na to koliko bodo ta pričevanja vplivala ali na zakonodajo,
ki se pripravlja v kongresu ali pa na proces, ki teče, so tako
važna, da bi jih nihče ne smel preslišati.

Te izpovedi so najbolj krepak demanti vednega ponav-
ljanja komunističnih sopotnikov, da v Ameriki komunisti-
čne nevarnosti ni. Ta pričevanja so dokaz, da tisti, ki trdi-
jo in ostentativno ponavljajo, da je sedaj neko histerično
preganjanje komunizma v Ameriki, ki da ga ni, prav s tem
opravljajo komunistično raboto. Priče pravijo, da komuni-
zem je tu in se prav resno prizadeva doseči svoje cilje med
nami. Tiste, ki trdijo, da si komunistično nevarnost izmi-
šljujejo ameriški kapitalisti in reakcionarji, da bi naslikali
hudiča na steno, da bi ga mogli pobijati za navidezne, spričo
teh izpovedi, ali lažejo ali pa kažejo, da nič ne mislijo in so
v svojem slepem sopotništvu najkoristnejša budala.

Resnični, zavedni komunisti se pred vsem trudijo, da
bi prekrili in pred javnostjo kolikor mogoče zateptali izpo-
vedbe tistih, ki so v komunistični organizaciji delali kot
zaprtniki ameriških federalnih in državnih oblasti, tam po-
slušali in opazovali kot "komunisti", pa so sedaj prišli na
dan s svojo pravo vlogo in povedo kaj so doživljali. Te hoče
komunistična družba "ubiti" z enostavno frazo, da so to
običajni pokvarjenci, ki so vohunili vedno le za denar in
jim torej ne gre nobena vera. Skrbno se pa sopotniki in
komunisti izogibljajo, da bi navajali kaj ti ljudje kot priče
izpovedo. In samo to je za stvar važno.

Vedno bolj prihaja na dan, da je obveščevalna organi-
zacija državnih in federalnih oblasti stalno bila precej do-
bro informirana kaj "tovariši" počno. Imela je svoje ljudi
v komunističnih vrstah v vseh krajih in v raznih delokro-
gih. Bili so to ljudje iz raznih stanov in ljudje raznih kva-
litet ali bile so to oči, ki so videle in ušesa, ki so poslušala.
Oblast je vedela kaj "tovariši delajo" pa če tudi je izgle-
dalo, da so tajni in podtalni. Razumljivo je, da družba po-
skrbi za take opazovalce. Družba namreč, ki smatra komu-
nizem za svojo nevarnost in sicer težko nevarnost. Kakor
je pri velikih nalihih treba postaviti posebne opazovalce, ki
gledajo porast vode in opozore je preti nevarnost ljud-
skim bivališčem, kakor je ob ognju treba postaviti poleg
gasilcev tudi opazovalce, ki povedo, kam bi mogli segati
plameni, kakor je v vojni obveščevanje o namerah sovražni-
ka bistveni del vseh prizadevanj za uspeh, tako je v borbi
proti komunizmu in za varovanje družbe pred krvavimi re-
volucijami potrebna dobra opazovalna služba. Če bi bil
komunizem redno, zakonito politično gibanje, ki se hoče
posluževati rednih, zakonitih sredstev za svoje uspehe, mu
opazovanje itak nič ne bi škodovalo. Ravno to, da se ko-
munisti toliko razburjajo nad svojimi "izdajalci" in "vohu-
ni" v svojih vrstah, kaže, da so hoteli in hočejo biti tajna,
podtalna, rovarska in nevarna družba.

Drugi del prič so bivši resnični komunisti, ki so iskro-
no delali v komunistični stranki, pa so kasneje iz kakr-
šnihkoli razlogov stranko zapustili in sedaj povedo oboje:
da so bili komunisti, da so kot komunisti delali in kaj so
delali, zakaj so se kot člani ali uradniki spili s komunisti-
čno stranko in v kakih odnosih so sedaj z njo. To so ljudje,
ki so vsi pripadali Marxizmu, vsi nastopali kot skrajni za-
govorniki njegove levičarske izvedbe, vsi teoretični prista-
ši razrednega boja in celo revolucije a se jim je zgabilo, se
je v njihovih dušah in spoznanjih vse zlomilo, ko so se pre-
pričali, da komunistično sovjetsko vodstvo zahteva od njih
da izdajajo svojo domovino, da pripravljajo strašno preliva-
nje krvi, da morajo delati za nesrečo svojih bratov in sester,
da so kot člani in delavci v komunistični stranki samo orodje
in sužnji železne, brezobzirne diktature v stranki. Nekateri
med njimi so doživeli v sebi globlji prevrat in so iz revolu-
cionarjev postali vneti zagovorniki krščanskih pojmov o
družbenih dolžnostih, drugi so zapustili komuniste, ker ni-
so mogli spraviti v sklad svoje iskrene privrženosti domo-
vini z zahtevami po izdaji in z zahtevami, da morajo delati
za zaslužnje Amerike sovjetskemu svetovnemu imperia-
lizmu, tretji so se razšli s komunističnim vodstvom v manj-
ših sporih v taktičnih naziranjih in pogledih na metode
stranke.

Vsa ta pričevanja skupno dajo mirnemu opazovalcu
lepo sliko razvoja komunističnega gibanja med nami in ta

slika je dovolj popolna, da se vsak zave neprestanega ognja,
ki gori med nami in grozi, da se razvije in razpali v pušav-
ski vihar in požar, ki vse uniči, da bi na razvalinah svojega
in mojega in našega in vašega zgradil svojo strašno trdnja-
vo komunistične oblasti, ogromno kaznilnico v kateri bi cel
ameriški narod bil jeznik, le nekaj komunistov bi bilo pa-
znikov in valjptov, ki bi nas vse bitali po ukazih iz Krem-
lja. Za ta valjptski in krvniški mesta se bori nekaj stoti-
soč pokvarjencev, fanatikov, in zapeljancev, ki v zboru po-
jo in godejo pod taktirko Moskve za njene namene in cilje.
Pričevanja so svobodna. Nihče ne priča, če noče. Pri-
če se same prijavljajo.

Radi svojih izpovedi se priče nimajo ničesar drugega
bati, kot tega, da jih lepega dne od komunistov naročeni
ubijalci spravijo ob življenje. Nihče nima radi svojih izpo-
vedi strahu pred oblastjo ampak pred obtoženim komunisti-
čnim gibanjem. Saj so celo vsi obtoženi pred očmi cele
Amerike svobodni in častni državljani in jim dejstvo, da so
pod obtožbo ni vzelo niti trohe pravic in časti, ki jih uživa-
jo. Saj celo obtoženi komunisti dalje nastopajo kot politi-
ki, ki kritizirajo vse ameriške ustanove, ameriško vlado in
politiko dalje po določilih mednarodnega komunizma in ni-
majo strahu pred nikomur in ničemer, vstevši samega pred-
sednika Združenih Držav. Prav ob tem dejstvu stopa pred
svet veličastna slika Ameriške Svobode, ko na drugi strani
vsak dan doživljamo, da v komunističnih državah vsaka
najmanjša sumnja v nezmožnost komunističnih mogot-
cev stane človeka življenje ali vsaj svobodo.

Velika je Amerika v svoji svobodi, strašno je suženj-
stvo v okovih komunistične tiranije in strupeno nevarna je
laž, da komunistične nevarnosti ni. To so nauki in dejstva
ki izhajajo iz pričevanj.

Newburške novice

Mislil sem enkrat kar mol-
čati o tej strašni tragediji, ki
se je dogodila zadnjo nedeljo
proti jutru. Ne bi rad, da se
težke srčne rane prizadetih ob-
navljajo ali povečujejo. Ubogi
starši! Naj jih Bog tolaži v
tej bridki uri. Na drugi strani
pa čutim, da me veže dolžnost,
da sva rim vse skupaj proti gr-
di nekrščanski razvadi precej
številne današnje mladine, ki
hoče od sobote do nedelje imeti
za razuzdano ponočevanje in
beganje od ene pivnice do dru-
ge.

Troje mladih življenj je bilo
uničenih zadnjo nedeljo jutro
na tako grozovit način, da člo-
veka stresa groza, ko pomisli
na to.

Sedaj se izgovarja morivec,
da je imel dolgi nož pri sebi le
slučajno, ker je prihajal od ne-
kega "wiener roast". Če tudi
bi bilo to res, je še vedno vpra-
sanje, ali je v obrambi pri na-
vadenem pretepu res potreba ra-
biti morilno orožje, da se brani
proti morebitni glofuti ali ka-
kemu ročnemu udarcu? Sodni-
ka bo to gotovo vzele v poštev
in kaznovala zločinca, kot za-
služi.

Na drugi strani pa naj bo ta
pretresljivi slučaj dandanašnji
mladini, zlasti tistim, ki hočejo
vso noč obrniti za popivanje,
gamblanje in druge nečednosti,
v močno svarilo proti nadalje-
vanju tako grdih razvad.
Pride polnoč je čas k počitku,
da je človek sposoben drugi dan
za službo božjo, h kateri ga ve-
že stroga tretja božja zapoved.

Pa ne samo mladi in neože-
njeni ostajajo vse noči od zu-
paj. Kolikokrat nam celo ot-
roci v šoli povedo, nistem bil pri
sv. maši, smo bili snoči predolgo
zunaj. Vsaj starši z otroki,
tako bi pameten človek mislil,
bodo skrbeli za pravi red v dru-
žini. Pa žalibog, da ni vselej
tako. Kaj pa zgled takih star-
šev? Boga hvalim, da so to le
izjeme in še te redke, pa je še
tež preveč, ker jih je čim dalje
več. Bog pa ni svojih zapovedi
odpovedal ampak še danes nam
govori: "Če hočeš biti zveličan,
spolnuj zapovedi."

Kar pet faranov nam je smrt
pobralla od prvega maja do se-
daj. Poleg omenjenih zadnjih,
nas je zapustila tudi Terezija
Ferfolia, mati poznanih Ferfo-
lija Bratov. Veličasten pogreb je
pokazal, koliko prijateljev je
imela.

Za njo je nepričakovano za-
pustil ta svet Louis Kužnik. Bil
je sicer že nekaj časa bolan po
malem, a nikdo ni pričakoval,
da bo kaj hujšega. Neko jutro
pa je kar mirno zaspal. Predno
se je domaći zavedli, je bil v

na okrepčila brez katerih itak
prave veselice in zabave ni.
Komur ni za ples, bo lahko se-
del k mizi z družbo prijateljev
in bomo katero rekli... to se
razume.

Torej, bratje in člani, prija-
telji, možje in žene, fantje in
dekleta ne pozabite priti v ne-
deljo v Slovenski narodni dom
na St. Clair Ave., kjer bo do-
volj lepe zabave za vse. Pose-
bno pa člani se morate zaveda-
ti, da imamo pri društvu vsi
enake pravice in tudi vsi enake
dolžnosti, zato pa jih imejmo
tudi na veselici.

Kakor sem že omenil, ta ve-
selica ni samo za društvene
člane, ampak prav prijazno va-
bimo tudi vse naše prijatelje in
prijateljice, da pridete in se
razveselite z nami, ki že vsi tež-
ko pričakujemo tega dneva in
še prav posebno pa težko čaka-
jo na to slavnost naši društve-
niški — ustanovniki, ki so bili
pri rojstvu našega društva.

Ko boste videli vso prijaznost
in vljudnost naših društveni-
kov, si boste morda zaželeli, da
bi tudi vi postali član tega
društva in tako je tudi prav,
kajti zavarovalnica je dobra in
asegment pa tudi ne previsok.
Torej fantje na noge za novimi
člani in obenem pa ne pozabite,
da je v nedeljo naša veselica in
proslava 40 letnice našega dru-
štva. Na svidenje v Slovenskem
narodnem domu na St. Clair
Ave.

Ob 20 letnici društva Naš
Dom št. 50 SDZ

Cleveland, O. — Hitro je po-
teklo 20 let odkar smo ustano-
vili to naše društvo. Seveda ta-
krat smo bili še vsi čvrsti in mlaj-
di in veseli. Naše žene ali bolj-
še polovice nas niso klicale "ti
star" ampak prav lepo
"sweetheart" in pa vabile na
ples. Da, takrat je bilo res lu-
stno. In takrat smo tudi pošiljali
vse svoje dopise o društvi v
Ameriško Domovino, ki je bila
glasilo Slovenske dobrodelne
zveze.

Javno moram priznati, da so
veliko naših dopisov priobčili več
kot pol preveč, zaka pa so bili
bore malo plačani. Zato se pa
sedaj po 20 letih še enkrat za-
hvaljujem uredništvu Ameriške
Domovine v imenu vsega naše-
ga članstva za vso reklamo, ki
smo jo bili deležni v tem listu
zadnjih 20 let. Marsikateri mi-
slil, da je kar tako lahko ustano-
viti društvo. John Požar in pod-
pisani sva nabrala prvih 14 čla-
nov.

Ko sva imela te pripravljene,
sva povabila takratnega gl.
predsednika, sedaj že pokojne-
ga Johna Gornika, ki tajnika
Primož Korojca in dr. F. J. Ker-
na. Mislite si, kako sva bila bla-
mirana, ko so ti prišli, da bi vpri-
sili in zdravniško preiskali no-
ve člane, pa še polovico prija-
vjenih kandidatov ni prišlo na
pregled. Glavni odborniki so na-
ju tolažili, da ne smeja obupati
in da le s korajzjo na delo in ko

Končno nam je Gas Co. dovo-
lila plin tudi za šolo. To polet-
je bomo, če Bog da, postavili
nov "gas boiler" v šolo. Da se
poravnajo stroški, bomo tudi
letos imeli piknik in to sicer na
10. julija v Basta's Grove, to je
isti prostor, kot smo ga imeli
lani. Na pikniku pa bomo od-

Cleveland, O. — Naj kar ta-
koj pravim, da naše društvo
praznuje 40 letnico svojega ob-
stoja. Ta slavnost pa se bo vr-
šila v nedeljo 15. maja v Slo-
venskem narodnem domu na St.
Clair Ave. s plesom, ki se pri-
čne ob pol devetih zvečer. Igral
pa bo Lou Trebarjev orkester
v avditoriju, kjer se bo plesalo,

NAŠA MICKA IMA
TUD BESEDO

"France, na ofic pazi, saj bo-
sta dekleti prec nazaj," se je
naš obrnil na pomožnega uredni-
ka Franka Tureka, ko je bil ra-
vno prišel od opoldanskega fu-
tranja.

jih zopet kaj dobiva, naj pokliče-
va. In res, ko so zopet prišli, je
bila naša kvota za ustanovitev
društva dosežena. Tako smo šli
naprej in danes šteje naše dru-
štvo 220 članov v obeh oddelkih.

Sedaj je lahko delati, ko ima
človek podporo zadaj. Sicer so
pa tudi nam takrat pridno po-
magale naše pridne žene, ki so
darovale veliko svojega dela in
jela. O, da ste jih videli, kako
so se kosale med seboj, katera
bo napekla boljše krofe in poti-
le za naše prve piknike in vese-
lice. Mnoge so nam pomagale,
a se imen vseh ne spominjam
več, delale pa so vse za božji lon.
Tako si je tekem let tudi naša
blagajna opomogla, da se dru-
štvo lahko vzdržuje.

Podpisani in John Požar bi
bila zopet rada enkrat vesela v
taki družbi po 20 letih, le žal,
da je John Požar tako opešal.
Da, bolezen ne izbira in pobere
ali potiplje zdaj tega zdaj dru-
gega. In v takih slučajih pa je
naš najboljši prijatelj naše dru-
štvo in podpora organizacija.

Torej, cenjena članice dr. Naš
dom št. 50 SDZ, prejmite lepo
zahvalo od nas vseh članov in
prav tako tudi sosedov, ki niste
članice našega društva, pa ste
nam vseeno vselej in ob vsaki
priliki tako rade in izdatno po-
magale ter delale z nami roka
v roki.

Bojim se, da mi bo urednik
pristrigel ta dopis, ker tako na-
široko pišem, češ, saj imate svo-
je glasilo, pa tja piši. Ampak to
je pa tako, ker sem pred 20 leti
pisal za ustanovitev tega društva
v Ameriški Domovini, želim tu-
di sedaj imeti priobčenih par vr-
stic ob naši 20 letnici.

Apeliraj na članstvo dr. Naš
dom št. 50 SDZ, da se v polnem
številu udeležite naše društvene
dvasjetletnice, ki jo bomo obha-
jali 21. maja v Slovenskem na-
rodnem domu na 30. cesti. Pri-
četek ob osmih zvečer. Vabim
pa tudi vse znanee in prijatelje,
da nas posetite omenjeni večer.
Kar se tiče postrežbe, ste lahko
kar brez skrbi, da bo vse prvo-
vrstno in prav tako bo dobro
poskrbljeno tudi za tiste, ki jih
radi podplati srbe. Z bratskim
pozdravom in na svidenje!

France Stemberger.

"Kam pa greste?" se je
Frank čutil, ki ni nič vedel, da
jo miali naš boss popihati na že-
gnanje v poboljševalnico.

"Eh, pravijo, da bi se neko-
liko vlegel, ker so mi odpoveda-
le baterije," mu je pojasnjeval
naš. "Micka in Jean me bosta
odvlekli, saj bosta takoj nazaj.
Samo, da me postavita pred vra-
ta bolnišnice, vlegel se bom že
sam, saj sem bil že parkrat tam
in se vem kako zadržati."

"Pa ne boš šel v tiskarno in
se poslovil od fantov," sem mu
reklal.

"Oh, saj ne grem na Willard
ali kam drugam daleč. Predno
bodo zvedeli, da sem šel, bom
že nazaj," mi razodene svoje mi-
sli on, ki je naš boss v oficu in
doma.

"Ne pozabi, da gremo v nede-
ljo na farne," naroča France.
"Glej, da boš do takrat nazaj."

"Če bi me slučajno ne bilo na-
zaj do nedelje, bom pa molil, da
bo dež. Kaj pa bi brez mene na
farmah. Dobro se držite v oficu
in ne dajte se! Kakor je rekel
Puntar na Rakeku svojemu si-
nu, ki je bil namenjen, da bo
doma imel: "Pusti babe, pa krav
se ahtaj!" Saj veš, kaj mislim,
France."

"Kako bi ne vedel, saj te že
deset let poslušam! Le pozdra-
vi se, pa kmalu se vrni. Če bi
pa ravno naneslo, da bi te ne bi-
lo na farmah, ko bomo mi Loža-
ni tam, bomo pa enega v tvoj
spomin."

"Da bi vam v želodcih oble-
žal, da bi se vam zaletelo, da bi
...", mu je očital naš, ki je bil
hud pri sami misli, da bodo šli
fantje na vasovanje brez njega.

"Tok pojdemo že, no,"
sem začela siliti jaz. "Če si že
namenjen, pojdi, ali pa doma
ostani." No, pa smo se odpelja-
li z našo koreto. Vozila je na-
ša Jean, ker se jaz še nisem
navčila. Samo šele žlahtati
znam. Spetoma naju je on lepo
vabil, kako naj komandiramo
ofic in dom, naj bova lepo pri-
dni in pametni, da bo vse v le-
pem redu, kadar bo nazaj pri-
šel. Poudarjal je, naj se nihče
ne veseli, da bi bil dolgo odsot-
en, ker ve, da bo kmalu na-
zaj.

Na vsa usta sem mu hitela
zatrjevati, kako da bomo vsi
pridni in da pri naši hiši abso-
lutno ne pride v poštev prego-
vor, da kjer mačke ni doma, da
miši plešejo, kar mu je bilo
močno všeč. Samo če je res,
je omenil, pa menda samo za-
stran lepšega.

Potem me je vprašal, če kaj
vem, ali bi bil kdo od poznanih,
da bi nekoliko klicil in bi se
ga nagovorilo, da bi šel v bol-
nišnico.

"Se enega bi bilo treba," je
rekel, "da bi prišel v bolnišnico
in da bi znal marjašati. Odvet-
nik Kushlan je tam in jaz bova
dva, da bi le še enega dobila.
Prav škoda, da je že ozdravel
odvetnik Mihelich. Ako bi imel
nekaj časa pri sebi Mihelicha
in Kushlana, bi mi plačala bol-
nišnico in zdravnika, če bi igra-
li v tleh. Daj no, Micka, če
boš za koga zvedla, da bi malo
krehal ali stokal, nagovori ga,
naj se ukorda v bolnišnico za
par tednov. Če moreš, daj ta-
kega, ki ima groš in ki ga rad
da. Škoda, da je Jim Sepic
tako daleč. On bi prec zbolel,
če bi mu rekel, da je neobhodno
potrebno in da enega manjka
za marjaš. Dokler je bil še tu-
kaj, sem mu samo omenil: "Tje
in tje bom šel." Pa je takoj
dostavil: "Kdaj pa gremo!"

"Vidiš, Micka, danes je pet-
in se bom lepo naspal v bolniš-
nici. Jutri bo sobota in bom
poiskal Kushlana, pa se kate-
ga bova staknila tam, pa jo bo-
mo udarili v tleh, da se bo kar
kadilo. Samo zastran pijače
bo nekoliko nerodno. No, bomo
pa kam ven poslali ponjo."

Tako je naš modroval spo-
toma v bolnišnico. Vse je imel
tako lepo naspelano, pa se mu
je na vse mile viže pokrotviči-
lo, da nikoli tega.

Oni delajo to v bogastvu. Če pregledujemo lanske darila za ubožce, se po veliki večini ne moremo pritoževati. So nekateri, ki bi bili lahko več storili (saj veste, vse je vpisano in vsak lahko bere, koliko je kdo lani daroval) po večini pa so ljudje usmiljeni in pomagajo po svoji moči in to

"Kaj pa Klara?"

7. poglavje

Gospa Klara je bila vesela, da ni bila med tistimi, ki niso smeli zvedeti. Vsa stvar jo je zelo zanimala. Bila je tudi nekoliko razburjena — a se je trudila, da Judita tega ne bi zapazila. Cutila je, da to ni ne-zgoda, ki ne bi zapustila nobenih posledic, nobenih sledov. Prepričana je bila, da je prišlo v pogon nekaj novega, in da bo ta nova stvar razburkala Juditino življenje. A se je prepremagala in ni nič preveč izpraševala.

Zvedela je o nesreči takej naslednji dan, in Judita ji je povedala, da je Noel že telefoniral majorju Stroudu, ta pa mu je povedal, da je major Crosby še vedno v nezvesti.

"Rekel je Noelu, naj se nikar ne vznemirjava — jaz mislim, da mu je zdravnik tako naročil — potem pa je še povedal, da je tudi sam bil nekoč v nezvesti osem in dvajset ur, ko se je prebudil pa bil zdrav ko riba. Toda on je nepobojljivi optimist, in jaz takim ljudem nikoli ne morem verjeti."

"Zdi se, da se ti in Noel zavzemata zanj z vsem srcem od vsega početka, namreč za Čipa," je pripomnila gospa Klara. "Prav, jaz bom vajino sodbu branila proti komurkoli."

"Mislim, da bi ga tudi vi takoj imeli radi. Samo da tega ne bo kmalu zvedel," je rekla Judita.

"Ne? Zakaj ne?"

"Ker je zelo plač človek. Njegove sode so najbolj plahe, kar sem jih kdaj videla. Ne vidiš v nji ne fotografije ne okrasa, celo nobenega romana ne. Saj veste, da lahko mnogo uganete, če vidite podobne reči, ker vam pomagajo. Pri njem pa ni najti niti enega ključa. Na nek način pa je prav to najvažnejši ključ, da nobenega ključa ni. Kakor da bi bil radi svoje plahosti poskušal zabrisati vse sledove. Po mojem ne mara da bi ga ljudje poznali."

"Če ga je že moral podreti avto," je rekla gospa Klara, "je še sreča, da si ga podrla prav ti. Kajti lahko bi bila to storila ta ali oni Tom ali Dick — ali pa Miss TTom ali Dick."

"Vesela bi bila, če bi tudi on nezdgo gledal v taki luči," je odgovorila Judita. "Kako pa kaj Luiza?"

Gospa Klara je upala, da bo o Čipu zvedela kaj več, a je vendar vselej naglo cutila, kdaj je bilo treba začeti govoriti o drugih stvareh.

"Pri svojih ljudeh je v Norfolk. Pisala je Eriku, da ji ta sprememba zelo dobro dene, vendar pa da čuti dolžnost, da se h koncu tedna povrne. Seveda ji je Erik odpisal, naj ne misli manj temveč ostane tam, dokler ji bo ugajalo."

"Kako jo je moralo to razjeziti! Saj si je samo tega želela, da se vrne kot mučenica, ki je prišla samo zaradi pove-lja. Kakšna ženska! Ali se vam ne zdi kakor čudež, da se Erik ne zaljubi v kako drugo?"

Gospa Klara je zmajala z glavo.

znansko peče zavest, da edina oseba na svetu ki bi mu morala biti najbližnja in ki bi ga morala najbolje razumeti, nameroma stoji ob strani. Cuti, da z Luizo ni uspel — Erik pa ne uspeh sovraži."

"Če ni uspel, ni njegova krivda," je dejala Judita. "Saj je poskušal z njo na vse načine. Če bi bil nekakšen nihče, bi ona uživala, da se more poniževati do njega. Dokler pa bo to, kar — priljubljen in privlačen — bo tudi ona ostala to, kar je — ljubosumna in zagrenjena. Jaz se le čudim, kako da jo še more prenašati."

"Kakor Erik, tudi jaz nehoti še vedno upam," je kakor sama zase dejala gospa Klara.

Dan ali dva nato jo je Judita dobila, ko je brala pismo starega Stefana.

"Precej piše o Connie," ji je povedala. "Ali ni čudno, da se

spet povrača v naše življenje? Tako le piše Stefan:

"Zdaj pa še nekaj based o Connie in njenem grofu. Večkrat sem že govoril z njim, pa se mi zdi kakor kak strup v stoji mlakuži. Zelo bi bil vesel, če bi jo ti mogla prepričati, da ga zapusti, kajti psuje in ponižuje jo kjer jo vidi. Včeraj mi je izpovedala, kar sem sam že dolgo sumil, da je namreč zaigral večino svojega premoženja in mnogo njenega v Monte Karlu, in da neprestano zahteva še in še. Po mojih mislih bi bilo najbolje, da pride Erik semkaj, če mu je le mogoče. Grof jo strahuje in njeni živci so napeti do kraja. Mislim, da ji grozi, ubožici. Kaj pa ti meniš, da bi bilo treba storiti?"

"Tukaj je prenehal," je rekla gospa Klara, "in dokončal pismo naslednjega dne. Ti bom

še to prebralaš"

"Včeraj me je prekinila Miss McPherson, ki mi ni dovolila, da bi še kaj pisal. Pustil sem torej pismo odprto, in danes sem tega vesel, kajti prišlo je še nekaj. Connie je davi odpo-

tovala v Pariz, ne da bi se bila od koga poslovila. Misli, sem, da mi bo vsaj pismeno rekla zbogom, pa mi ni. Ne vem, kaj je stvari prignalo tako daleč, a sumim, da bo plesalka Made-moiselle Pauline vmes, za katero

je grof zadnje čase zapravil mnogo časa in še več denarja, bi dejal. Miss McPherson, ki zna biti tudi človeška, se je precej živo zanimala za Connieno zadevo, in mi pravi, da je prav gotovo zadnje noči Connie imela z grofom hud prepir. Pa naj

MORNING NEWSPAPER

This and That from Washington

By Congressman Frances P. Bolton

WASHINGTON is filled to overflowing with visitors. The halls of the Capitol are almost impossible during many hours of the day. Perhaps they realize that there are only a few weeks left in which to view the traditional Chambers where for almost 90 years the laws of this great free land have been made.

The Congress, with all committees now located in the Capitol wings, are to be evacuated after June 30th to permit rebuilding operations. Temporary frame buildings are being erected at both ends of the building in which the contents are to be stored while the roof repairs and the changes are made.

ONE of the long delayed war claims bills has again been reported favorably by the Committee on Foreign Affairs of the House: the Swiss Claims Bill, H. R. 4392. It covers, largely damages for inadvertent and unavoidable bombings by our air forces and comes to about \$13 million, which, with interest, would require about \$15 million. It is to be hoped that the Congress will at last take favorable action with prompt appropriation following.

In addition, the Committee reported favorably a bill, H. R. 937, covering various claims for losses sustained by foreign service officers, etc., during the war. Some of these date back at least 8 years and need action.

Hearings on the Brannon agri-

cultural program proposals are developing a pretty general opposition by the farmers. Only the Farmers' Union seems to have a good word to say for it.

There has been considerable reaction against the Senate's refusal to give consideration to any bill touching upon immigration. This would block the fine effort being made by Congressman Francis Walter (D. Pa.) to make it possible for us to give priority to individuals whose training and experience would be of help here. I have in mind certain medical, nursing and scientific personnel.

MANY of the Congress availed themselves on Wednesday evening of the invitation of Time and Life to view their motion picture version of General Eisenhower's book, "Crusade in Europe". Most of the pictures were taken by the Army, Navy and Air Force. This vivid reminder of war's ruthless destructiveness should provide food for thought and give pause to all who habitually feel war to be the only method to settle differences, while at the same time emphasizing the common sense of the view that no great country upon whom has been placed responsibility for peace can afford to be less than strong.

It is interesting to note that Senator Byrd, Chairman of the Joint Committee on Reduction of Non-Essential Federal Expenditures, says, "The fiscal year of our Government is bleak." He points out that 1 out of every 9 of the labor force of the country is a public employee—local, state or federal—total of 6.8 million. "Nothing the government does," says this Democratic Senator, "is economical. Everything is wasteful." He calls for "heroic retrenchment".

York Chorus Concert and Dance

"York Chorus" of Brooklyn, N. Y. which is under the direction of Jerry Koprivsek, will give a Spring Concert and Dance at the American Slovenian Auditorium, 233 Irving Avenue, Brooklyn, N. Y. Sunday, May 22nd, 1949 at 8:00 p. m.

Dance music will be furnished by Jerry Koprivsek's Orchestra and the admission to Concert and Dance will be \$1.20 including tax.

A special arrangement had been made by the Committee to hold a reserved section of seats until 5:00 p. m. for those who buy their tickets in advance. Tickets can be bought from members or by mailing a check or money order made out to Rose Hoffman, 555 Ouderdonk Ave., Brooklyn 27, N. Y. For further information call Rose Hoffman at HE 6666 3-4463.

Some of the numbers that will be sung by the full chorus are: Espana, Sweet and Low, Old Mother Hubbard, Sing On, Stars Are Brightly Shining and others.

Soloists will be Arthur Lake, baritone, Henry Mertz, tenor and Nan Gibbons, soprano. Featured also will be a girls trio comprising of three of our Slovenian girls, Stan Romano, Jean Patali and Geraldine Koprivsek. They will sing their newest songs in English and Slovenian numbers by the male chorus and women's chorus will also be sung.

The York Chorus is a popular Ridge-

wood, L. I. mixed Chorus to which many of our young American-born Slovenian men and women belong. It is the practice of the Chorus to accept new members after its concerts. Therefore, those interested in joining, come to the York Chorus Concert on Sun., May 22nd, where your application for membership will be gladly accepted. Tickets will also be sold at the door.

More Information on Television

The television installers, dealers and distributors serving Greater Cleveland will present their views to the City Council regarding the proposed city code governing the installation of television sets and antennas. Evidence will be presented to the City Council by qualified engineers regarding grounding of electrical circuits, and the impracticability of using AM, FM or television antennas as lightning arrestors.

At a meeting attended by representatives of these groups held on April 29th, a steering committee was appointed to obtain information regarding similar codes in other cities. This committee consists of Messrs. Orin, Arnold Wholesale Co. Miller of Strong, Carlisle and Hammond, Brown of Brown Radio Service, Crane of Television Distributors, Inc., Potapchuk of Television Service Laboratories, Ball of Ball Radio Service Co., and Mikulas of Kane Company.

City codes covering the installation of television sets and antennas are in formative stages in several cities, but similar codes have been labeled in New York, Chicago, Buffalo, Newark and Philadelphia as being unnecessary.

The various groups attending the Cleveland meeting are desirous of having a just and equitable code. It is understood that a proposed code is now being written for presentation to the Council. It should be noted that there are no present local legal requirements or codes governing the installation of television antennas or sets in private homes, apartments or hotels in Cleveland. When the code is finally adopted it is extremely doubtful whether any need for changes in present installations will exist. Present installations have been made in accordance with the National Electrical Code, Underwriters Specifications, as well as applicable city industrial codes and fire regulations. Approved lightning arrestors have been used where necessary.

The committee would appreciate telephone calls from installers, dealers or distributors who are interested in passing along their experience regarding such codes.

WHO IS TIRED OF FREEDOM?

This country has had freedom for almost two centuries. That freedom has permitted our citizens to mold their own destinies. As a result we are not only blessed with a fruitful life but have developed into a nation which more than any other, follows the Golden Rule in the hope of helping others.

But like a blight that threatens the mightiest stand of timber, socialism has been introduced in the United States. This type of governmentalism leads people to believe that they will be relieved of much of the burden of making a living—that the government will be able to produce and care for them. But no mention is made of the increase in taxation caused by greater government spending. Paying the tax bill has placed a constantly greater demand upon the citizen's pocketbook.

Individual opportunity has receded from its crest in this country. Have the people lost sight of the great heritage left to them? Are they like the boy who was given full freedom in the candy store and consequently made himself sick by abusing it? The American people are headed for a stomachache as they swallow bigger and bigger doses of socialism now being fed them in sugar-coated form by Washington politicians.

STRAIGHT FROM WASHINGTON

By
STEPHEN M. YOUNG
Ohio
Congressman-at-Large

Washington — The debate in the House of Representatives on repealing the Taft-Hartley Law was replete with fireworks, oratory and humor. Representative Christopher (D. — Mo.) urging repeal of the Taft-Hartley Law, said he had been farming for fifty years. He said he had "looked for long hours at the north end of a south-bound mule." A colleague interrupted, "Why are there so many more north ends than there are south ends?" "Well, it is just the difference in the way people want to travel. That is all."

DOG EAT DOG

"How easy it would be," continued Congressman Christopher, "to forget about the Wagner Act and the Taft-Hartley Law and return to the good old days we used to have and which some Republicans profess to want to go back to, when we did not have any regulation, where the strongest and fittest survived, where it was dog eat dog and the devil take the one who got behind. We followed that course from 1920 to 1932. The dogs ate the dogs, and in 1932 there were a lot of them."

WASTE

A Congressman seeking recognition to urge repeal for the Taft-Hartley Law finally after two days, was allowed five minutes. He said, "You know, this House of Representatives wastes more time than any place I was ever in in my life, and yet it is harder to get a little of it here than anywhere else I know of."

BRANNAN'S PROPOSAL

Agriculture Secretary Brannan has come forward with a farm program of economic significance. He has fixed a goal for total farm income every year and would use loans and direct subsidy payments to insure that farmers realize this income. The Secretary states this would be better for the farmers than the present Aiken plan and that consumers would benefit by paying lower prices for potatoes and other necessities. This plan will be studied and will arouse considerable debate but this new farm policy will not be adopted during the present session of Congress.

Secretary Brannan's program calls for plenty of food for everybody and at lower prices. He suggested, for example, that if milk prices were allowed to drop to fifteen cents a quart, total consumption would climb twenty-five per cent. He claims his plan would save the government the embarrassment of using taxpayer's money to keep prices high on food other taxpayers have to buy. Under his plan, he says both farmers and consumers will benefit. The thing

disturbing most Congressmen is will this cost the taxpayers more money than the present system.

Secretary Brannan's income support program, if adopted, would require that whatever is produced on the farm would be consumed. Under the price parity system, part of what is produced is withdrawn from normal consumption and, if not destroyed, put to less effective use. This new farm subsidy program is based on an economy of abundance rather than an economy of scarcity. In simplest terms, his proposal is to let farm prices fall as farm surplus grows. The butcher and the grocer would buy more for much less and consumers would benefit by paying lower prices.

HOUSING

Government low cost housing will surely be provided during the present session of Congress. Senator Bricker led the opposition in the Senate. Paul Douglas, new Illinois Senator, conducted Senators on a trip through the Washington slums and in one alley, lined with shacks they found a man and wife and nine children living in two rooms. Following this demonstration of the acute need for slum clearance, even in the nation's capital, the bill went through the Senate by a large majority. Chalk this up as a defeat for the real estate lobby which was so potent last year.

ADJOURNMENT

This session of Congress is likely to adjourn in July. It is a good bet that President Truman will then call the Congress back into a special session about Nov. 1, perhaps earlier. President Truman and his advisers are said to feel if Congressmen return to their districts they will soon learn that the people are behind "Harry." They say the Administration program is likely to have even smoother sailing in the fall.

THE LAST OF THE WASHERS AS IT DRIES ON THE LINE

The surprises of surprises, as it could be told by 'Believe It or Not Riply' happened on the bowling lanes as the Dave Shoes found their way into first place on the very last day of Bowling. The Zellers and the Sveteks five held the lead for the entire season; the last day found neither team in the coveted position. It happened this way. Going into the last day of the Bowling season there were three tied for first, the Dave Shoes, the Zellers and the Svetek five. The Dave shoes were matched with the Council men, and they were really in the groove when we look over the scores. The entire team bowled like they never bowled before. Ed Zagorac came through with a 562 series and a 217 high game. Felix Korosec followed with a 527 and a 207 high game. Capt. Zorko had a 516 and 202 and George Achin Jr. enjoyed a 508 and 206 game. This was enough to sweep the series and take the top place, with a Blind the Dave's finished with a 2503 three game series which is mighty good bowling in our league.

It looked very much like the Sveteks were going to tie for the first place; they won their first two games, but just couldn't get that last one. Joe Cerjak helped to smother the fire.

with a 532, and a 211 high game. — J. Churney sneaked over the 500 series with a 508. This double victory was enough to give the Sveteks the second place in the finish.

The Zeller Shell Service had to settle for third place, as they were being beat by the Waterloo Beverage team. S. Robinhood helped to put the brakes on the Service men with a 574 series and a 233 high game. Frank Mozdina of the losers was the only 500 man and he just made it with a 503 series.

The Nottinghams took three from the Hcm. Equipment. J. Zeller did it with a 540 series and a 202 high game; John Sodja came in to help along with a 512 series.

A spinster received and accepted a proposal of marriage. Then she began worrying about her false teeth—she hadn't mentioned them to her future husband. So she asked her doctor what she should do—to tell him or not.
The doctor replied: "Get married and keep your mouth shut."
