

Mussolini umaknil pogoje za afriški mir

Umaknanje Italijanov je spravilo Ligo narodov v novo zadrego. Angleški strategji zdaj nastavlja Italijanom past, iz katere se ne bodo mogli izviti. Nova seja angleškega kabineta. V Palestini se tudi pripravljajo na možnost vojne z Italijo

Zeneva, 24. sept. — Iz bojznosti, ki jo bo Liga pritisnila nanj in ga prisilila na sprejetje načrta, ki bi končal spor med Italijo in Abesinijo, je diktator Mussolini umaknil svojo ceno za mir v Afriki in s tem ustvaril novo zadrego v Zenevi.

Italijanski protipredlog, predložil je rimska delegacija predložila Ligi narodov, so se klasičirane kot neuradno mnenje. Iz tega razloga bo moral odbor petorice razpravljati o mirovnem načrtu, ki ga je nekaterimi pridržki sprejel Abesinija, in o italijanskem odgovoru, katerega je odbor predložil zadnjo soboto in katerega je Velika Britanija tolmači kot odločno zavrnitev mirovnega načrta Lige narodov.

Komitej petorice se bo danes ponovno sestal in izdelal poročilo, ki ga bo potem predložil petu Lige narodov. Od tega poročila bo odvisna tudi stališča, ki jih je zavzela Italija. Če bo predložena angleška interpretacija, bo italijanski odgovor pomenil zavrnitev mirovnega načrta, se moral svet Lige narodov odločiti za izvajanje sankcij na Italijo.

Svet Lige narodov bo moral v tem slučaju izdelati poročilo o razvoju afriške krize, in če bo Italija potem napovedala vojno Abesiniji, bo to kršitev Liginje pogodbe. Kakor hitro izbruhne vojna, se bo svet Lige narodov ponovno sestal in razpravljal o kazenski akciji proti Italiji.

Italijanski strategji v Zenevi bodo izogibni taki situaciji, da bi javno priznali umik. Da bi se izognili, bodo predložili predlog, ki je neoposredno odločitev, ali pa odprto odklonijo. S tem bi bile vse ovire odpravljene in svet Lige narodov bi lahko nadaljeval svoje delo in prevzel korake v smislu kovenanta.

London, 24. sept. — Premier Stanley Baldwin je sklical sejo kabineta in obrambnega sveta. Seja se odprta danes in bo v tem sestanku bodo razpravljali o situaciji v zvezi z italijanskim-Abesinjskim sporom ter o ohranjenju britskih kolonij v Afriki, ki so ogrožene zaradi gibanja italijanskega vojaštva v bližini.

Nepotrjena poročila se glase, da bodo britske čete, ki so bile poslane na Malto, odrinile proti Egiptu. Tu domnevajo, da so udeleženi krogi alarmirani zaradi koncentracije italijanskega vojaštva v Libiji in Eritreji, na jugu Sudanu in Egiptu, ki sta italijanski koloniji. Nekateri vidijo v italijanskem vojaštvu v Egiptu, da bi bil tak vpad največja blaznjava, ki jo more napraviti Italija.

Nadaljnjih 800 milijonov za reliefna dela

Hopkins upa, da bodo vsi brezposelni zaposleni v novembru

ICKES PREDLOŽIL SVOJE NAČRTE

Washington, D. C., 24. sept. — Predsednik Roosevelt je s posebno odredbo določil nadaljnjih \$800,000,000 za izvajanje programa reliefnih del. Harry L. Hopkins, načelnik federalne administracije reliefnih del, razpolaga sedaj s fondom \$1,375,000,000.

On še vedno insistira, da bo izpolnil obljubo, katero je dal Rooseveltu kongresu — da bo 3,500,000 oseb brisanih s federalne reliefne liste do 1. novembra in da bo vsa ta armada došla zaslužek pri reliefnih delih. Hopkins ima samo pet tednov časa, da izpolni to obljubo, kar pomeni, da bo moral vsak teden uposliti najmanj pol milijona mož.

Vsi projekti, katere je Hopkins odobril, so lahkega značaja in bodo nudili zaslužek brezposelnim v zimskih mesecih. Na pomlad bodo ti delavci premeščeni k gradnji projektov trajnega značaja, kakršne zagovarja Harold L. Ickes, tajnik za notranje zadeve in administrator javnih del.

Ickes je sinoči predložil listo svojih projektov predsedniku Rooseveltu. Gradnja teh projektov bi stala \$800,000,000, toda ugoditi ne bo mogel vsem aplikacijam, ker je bil sklad za financiranje teh projektov znižan s \$900,000,000 na \$435,000,000. Ickes je bil oviran pri sestavljanju svoje liste projektov zaradi restrikcij, katere je odredil Roosevelt, ko je v sporu med Ickesom in Hopkinsom odločil v prilog slednjemu.

Vsota \$350,000 za razbitje stavke

Polovico vsote je dobila stavkolomska firma

Los Angeles, Cal. — (FP) — Los Angeles Railway Corp. je potrosila \$350,000 za zlomitev stavke cestnih železničarjev in voznikov avtobusov v preteklem novembru.

To vsoto je omenil Samuel Haskins, glavni upravitelj korporacije, v svojem poročilu, katerega je predložil državnim železniški komisiji.

Kompanija, ki je takoj izprla stavarke in s pomočjo policije, ki je uprizarjala navale na cestne železničarje in voznike avtobusov ter simpatičarje, jih je končno porazila.

Iz poročila je razvidno, da je korporacija plačala \$169,960 Harrisovi detektivski agenciji za dobavljanje stavkokazov. Policijski kapetan Hynes, načelnik "rdečega" škadrona, je prejel \$50 na dan in njegova služba je trajala 21 dni. Korporacija mu je plačala tudi vse druge stroške. Avti za prevažanje stavkokazov so stali \$40,000, poleg tega pa je družba zalagala policijo s plinskimi bombami, s katerimi je slednja napadala stavarke.

Antifasistične demonstracije v New Yorku

New York. — Ameriška liga proti vojni in fašizmu je sklicala velike demonstracije na 25. septembra v Madison Square Gardnu. Harry P. Boj za skrajšanje delovnika v Kanadi

Delavski kongres podprl stališče mednarodne unije

Halifax, Kanada. — Kanadski kongres strokovnih in delavskih unij je na svoji letni konvenciji sprejel resolucijo, ki zahteva od parlamenta uveljavljenje trideset ur dela v tednu v vseh industrijah. Naznanil je, da je ta akcija potrebna, da se zviša kupna sila delavstva, od katere zavisi blagostanje dežele.

Vprašanje, ali naj se vladi dovoli določevanje minimalnih mezd, je izvalo dolgo debato in konvencija se je končno izrekla proti temu. Vroča debata se je razvila tudi glede taborišč za brezposelne in eksekutivni odbor je bil instruiran, naj pritiska na vlado, da odpravi taborišča.

Konvencija je odobrila zakon socialnega zavarovanja, ki je bil sprejet v parlamentu, obenem pa je urgirala ustanovitev sistema bolezenskega zavarovanja, nad katerim naj bi imela federalna vlada popolno kontrolo.

Delegatje so soglasno odobrili resolucijo, v kateri svečano izjavljajo, da bo kongres strokovnih unij sodeloval v vseh poskusih za ohranitev svetovnega mira. Resolucija urgira kanadsko vlado, naj napne vse svoje sile, da prepreči vojno. Delegatje so podprli stališče Mednarodne federacije strokovnih unij in Britskega delavskega kongresa, ki sta zahtevala izvajanje sankcij proti državi, ki izvoze vojno.

Akron središče kavčukarske unije

Nova organizacija bo izdajala svoje glasilo

Akron, O. — (FP) — Nova unija združenih kavčukarskih delavcev bo imela svoj glavni stan v tem mestu. Tako je sklenila prva konvencija te unije na svoji zaključni seji.

Francis Dillon, ki ga je predsednik Ameriške delavske federacije Green imenoval za predsednika unije avtnih delavcev, je predlagal, da avtni in kavčukarski delavci izdajajo skupno glasilo, toda njegov predlog je propadel. Konvencija je odločila za izdajanje lastnega glasila, ki bo izhajalo enkrat na mesec.

Pred zaključkom konvencije je bil napravljen nov poskus v dosegu sprave med unijo kavčukarskih delavcev in Ameriško delavsko federacijo. Sprejeta je bila resolucija, vsebujoča apel na ameriško delavsko federacijo, naj slednja nudi finančno pomoč in vodstvo pri formiranju nove organizacije. Coleman C. Claherty, ki ga je Green izbral za predsednika kavčukarske unije, a ga je konvencija odklonila, kar je razkačilo predsednika ADF, je bil povabljen, naj se udeleži prve seje eksekutivnega odbora nove unije.

Spor med rudarsko unijo in baroni končan

Konferenca načelnikov reliefnih del

Illinois hoče \$451,000,000 od federalne administracije

Chicago, 24. sept. — Ralph H. Burke, pomožni administrator reliefnih del v Illinoisu, je sklical konferenco načelnikov divizij federalne administracije reliefnih del. Vsi so bili informirani, naj bodo pripravljani na poplavo odobrenih reliefnih projektov, ki so bili predloženi federalni administraciji v Washingtonu. Število teh projektov je 3941, katerih gradnja bi stala \$451,000,000. Aplikacija za to vsoto iz blagajne federalne administracije reliefnih del je bila že vložena in sedaj čaka rešitve.

Robert J. Dunham, načelnik državne administracije, in Wilfred S. Reynolds, tajnik državne reliefne komisije, sta odgovorila v Washingtonu, da dobila nadaljnje fonde za nasičenje revežev iz federalne blagajne. Federalna reliefna administracija je pred nekaj dnevi ustavila dajatve in s tem izzvala krizo. Državna reliefna administracija potrebuje najmanj \$1,000,000 za oskrbo revežev v tem mesecu.

Uradniki državne reliefne komisije vidijo v tej potezi znak, da hoče federalna reliefna administracija prisiliti Illinois in druge države, naj one nosijo breme direktnega reliefa, medtem ko bo ona skrbela, da bodo "upostjivi" med brezposelnimi polagoma dobivali zaslužek pri reliefnih projektih.

Računajo, da je v Illinoisu med reliefnimi klienti 250,000 "upostjivih" oseb. Od tega števila jih je v čikaškem okraju 108,000, v ostalih illinoiskih okrajih pa 142,000.

Odmor v Mooneyjevem zaslišanju

Billings bo tudi pričal

San Francisco, Calif. — Proces zaslišavanja Toma Mooneyja pred državnim vrhovnim sodiščem je bil 23. t. m. pretrgan, ko je prišlo na dnevni red vprašanje, če je tudi Warren K. Billings deležen za razprave. Billings je bil pokrivljen umora desetih oseb valed bombe razstrelbe med parado za oboroženo pripravljenost v San Franciscu leta 1916 istočasno kakor Mooney, toda Mooney je sam predložil prošnjo za sedanjega razpravo. Billingsovi odvetniki so izjavili, da mora tu di nastopiti kot prič v svoj zagovor; zapretli so celo z injunkcijo proti temu procesu, če Billings ne dobi pravice pričanja.

Državno vrhovno sodišče je končno odločilo, naj tudi Billings nastopi kot prič. Billings, ki se nahaja v drugi jetnišnici, bo zdaj priveden v San Franciscu.

Kellogg izstopil iz svetovnega sodišča

Zeneva, 24. sept. — Frank B. Kellogg, bivši državni tajnik Združenih držav in avtor znanega protivojnega pakta, je prve dni tega meseca resigniral kot član mednarodnega sodišča v Haagu. Vzrok njegove ostavitve je, ker nekatere velesile ignorirajo njegov protivojni pakt.

Kompromisna mezdna lestvica sprejeta v Washingtonu. Stavka rudarjev je bila le odmor

INTERVENCIJA VLADE

Washington, D. C., 24. sept. — Devet zastopnikov rudarske unije United Mine Workers in devet zastopnikov družb mehkega premoga, ki so imeli večeraj popoldne nadaljnjo skupno sejo, se je zedinilo brez malega v vseh glavnih točkah nove mezdne pogodbe. Pogodba bo danes formalno sprejeta in 400,000 organiziranih rudarjev, ki so večeraj tehnično zastavkali, se lahko jutri vrne na delo.

Seji zastopnikov obeh strank je prisostvoval tudi pomožni delavski tajnik Edward McGrady kot posredovalec vlade. McGrady je bil po seji zelo optimističen; rekel je, da bo spor med rudarsko organizacijo in lastniki rovov mehkega premoga končan še pred nočjo s formalnim sprejetjem novega meznega pakta.

Ko je prišlo zadnjo soboto do zastoja v pogajanjih, je McGrady namignil baronom premoga, da bo njihova trmoglavoost krivca, če pride do daljše rudarske stavke in v tem slučaju bo reliefna administracija podpirala stavarke z življenjem in drugim potrebčinami. Sinoči je pa rekel, da te podpore ne bo treba, kajti stavka bo trajala k večjemu le dva ali tri dni.

Ko so se pogajalci sinoči razšli, je bilo med njimi le cent in pol razlike. Zastopniki rudarjev so popustili na devet centov povečala plače od tone premoga, dočim so zastopniki operatorjev ponudili sedem in pol centa. Ta diferenca bo danes poravnana. Nova mezdna pogodba bo kompromis na vsaj štiri.

Poročila o štrajku rudarjev so prišla od Pennsylvanije do Nove Mehike, vendar ta stavka se je prvi dan smatrala bolj za odmor ko kakšen boj. Stavka je bila popolnoma mirna, piketnih linij ni bilo in nobenih incidentov. Rudarji so enostavno ostali doma.

Springfield, Ill. — Okrog 25,000 rudarjev, ki so člani unije UMWA, je počivalo v ponedeljek in torek v Illinoisu, na delu so pa ostali člani progresivne rudarske unije, kjerkoli imajo pogodbo z operatorji. Izjema je bila v Harrisburgu, kjer so v ponedeljek ostali doma tudi člani progresivne rudarske unije. Voditelji te unije so kasneje pojasnili, da to je bila pomota, ker ima njihova unija lokalni spor z družbo.

Voditelji unije UMWA so sicer apelirali tudi na progresivne rudarje, naj se pridružejo stavki, toda William Keck, predsednik progresivne rudarske unije v Illinoisu, je odgovoril, da bi bilo smešno misliti na kak odziv.

V državi Iowi je počivalo 8000 rudarjev in v Indiani je ostalo doma 1500.

Ruska delavka obsojena na smrt

Leningrad, USSR, 24. sept. — Delavka, ki je bila uposlena v čokoladni tovarni v Leningradu, je bila večeraj obsojena na smrt, ker je kradla čokolado in jo prodajala na odprtem trgu. Njen mož, ki ji je pomagal pri tatvini, je dobil deset let zapor. Trije tovarniški pazniki in tri druge delavke, vsi zapleteni, so bili obsojeni v zapor od enega do sedmih let.

Društvo Delavec in mladina

So. Chicago, Ill. — V dolžnost si štejem, da na kratko poročam o aktivnostih društva Delavec št. 8, posebno z ozirom na prireditve v prid naše mladine, ki se je imela vršiti, a so jo vremenski bogovi preprečili kar trikrat zaporedoma. Seveda se je morala prireditve vršiti v dvorani, kar pa niti zdaleč ni to kar bi bilo na prostem, kajti poleti je v dvoranah prevročje in nihče ne mara vanje. Priljubljeni pa smo bili, da smo priredili zabavo za naše mlade žogarje v dvorani, da smo jih potem poslali na proslavo v Cleveland na delavski praznik.

Iskreno se zahvaljujem našim slovenskim in hrvaškimi trgovcem za darila, rojake, ki se priporočam, da jih ne pozabijo. Posebna zahvala gre br. J. Vučiću, ki je daroval žogarjem dve krásni sliki, ki bosta v lep spomin njim in društvu Delavec št. 8.

Gibanje za organiziranje mladih žogarjev, oziroma sportskega odtoka našega društva za mladino, se je začelo prošlega aprila. Zabeleži se vselje težaven, z do-

bro voljo in sodelovanjem pa gre naprej. Tako gre naprej tudi naš atletski odtok. Če bo društvo znalo ceniti pomen mladine zase in svoj napredek, bo društvo Delavec lahko s ponosom reklo, da je izvršilo veliko delo tekom svojega obstoja v 31 letih.

Društvo se v imenu mladih žogarjev iskreno zahvaljuje vsem za pomoč in podporo. Vse to skupaj je dalo in bo še dalo več veselja v pridobivanju novih članov, posebno v tekoči kampanji. Zato vsak član in vsaka članica stopi na plan in naj pridobi društvu vsaj enega novega člana ali članico v našo veliko delavsko podporo organizacijo SNPJ! Potem bomo lahko s ponosom zrli na leto 1935, ki je označeno kot 10letnica mladinskega gibanja pri SNPJ kar naj znači, da se privede pod okrilje SNPJ v tem letu mnogo, mnogo naše mladine!

Znano je, da je naša SNPJ gospodarsko trdna in močna, solventna in napredujoča ter največja med nami. Torej ni vzroka, da ne bi šli na delo s podvojeno silo, da ji pridobimo še večje število novih članov. Pomnite, da je naša jednota demokratična v vseh ozirih. Ona ne diktira nikomur kaj naj verjame in kakšnega prepričanja naj bo. To so stvari vsakega posameznika. SNPJ je bila ustanovljena na svobodnemiselnih podlagi, taka je in bo ostala!

Naprej, bratje in sestre, za večjo SNPJ! Na delo za nove članice!

Frank Gorenc (8).

Nagla smrt blagajnika

Brackenridge, Pa. — Dne 8. septembra je v bolnišnici po tridnevni bolezni preminil br. George Skof, član in blagajnik društva 375. Na 5. okt. je šel na delo, a usoda je zahtevala, da se ni več vrnil domov k svoji družini; odpeljali so ga v bolnišnico.

Bratje in sestre! Nihče ne ve kje in kdaj ga čaka smrt. Zato se pobrijajmo, da pripelejmo v društvo vse prijatelje in znance ter sorodnike. Pristopimo dokler smo zdravi. Vsakemu delavcu in njegovim družini je društvo naše jednote potrebno.

Društvo je izvolilo novega tajnika, čigar naslov je: Marko Skof, 1020 Nelson st., Brackenridge, Pa.

Mary Svedl, tajnica.

Veselica in banket

Barberton, O. — Društvo Triglav št. 48 priredi veselico z banketom v nedeljo 27. oktobra v dvorani društva Domovina na 14. cesti. Pričetek ob 5. popoldne. Prošeni ste, da si nabavite vstopnice pred 20. oktobrom, tako da se bo vedelo za koliko ljudi pripraviti vsega kar spada na banket.

Vstopnice za banket so 50c, samo za ples pa 25c. Toliko v vednost. Kadar vas bodo obiskali prodajalci vstopnic, ne odklonite, ampak jih kupite za vso družino, tako da bomo enkrat zbrani vsi Slovenci in Slovenke pri skupni večerji in se skupno zabavali prav po domače.

Obenem naznanjam, da smo povabili vsa barbertonska društva in upam, da se bodo vabilu odzvala v obilnem številu. Zato pa, bratje in sestre, delujete in nagovorjajte svoje prijatelje, naj pridejo na to zabavo in se bo jim žal. Odbor jamči

dobro postrežbo in zabavo na tej prireditvi.

Odzovite se v velikem številu dne 27. okt. Na svidenje na prireditvi!

John Yankovich, predsed.

Br. Joseph Sheek umri

La Salle, Ill. — Tukaj je umrl za pljučnico br. Joseph Sheek, član društva 337, katerega je bil dober član. V La Sallu zapuščala žena in 7 otrok, v starem kraju pa 4 sestre in 2 brata. Doma je bil iz Vipave na Primorskem.

John Derzich, tajnik.

Jesenska zabava

Los Angeles, Calif. — Društvo 402 priredjuje jesensku zabavo v soboto na 5. okt. v Hrvatskoj dvorani na 714 Alpine st. Početek zabave ob 7.30 na večer. Svirati če dobar orkestar. Na zabavi če se oddati v rukom izradjena ručnika (hand embroidery towels). U-laznina 25c; djeca izpod 12 godina brezplačno.

Pozivljemo sve naše članstvo, i naš narod iz mjesta i okolice, da nas posjete, kao i sva ostala društva i njihove prijatelje. Biti će dvije muzike, jedna u gornjoj i jedna u doljnjoj dvorani, ugodne zabave za mlade i starije. Za dobru podvorbu brine se odbor.

Božica M. Ružič, tajnica.

Domaća zabava 12. okt.

Milwaukee, Wis. — Pripravimo se za domačo zabavo društva Sloga št. 16, ki se bo vršila v soboto dne 12. oktobra v spodnjih prostorih S. S. Turn dvorane. To je krásna dvorana in zelo pripravna za take prireditve, posebno sedaj, ker je predelana kakor nalašč za take domače zabave.

Igrala bo izvrstna godba. Kdor pozna naša dva harmonikarja, Breganta in Bošina, ki se ne trudita nikdar, pač ve, da igrata take komade, ki so vsem v zadovoljstvo.

Naše članice so se že organizirale za ta večer, da bodo postregle gostom z najboljšimi jedil. Člani, ni torej lepšega kakor to, da se snidemo vsi skupaj in se zabavamo, obenem pa bolj spoznamo eden drugega kot bratje in sestre. Kdor se ne udeležuje društvenih sej, ne more pobližje spoznati članov svojega društva.

Postanimo bolj aktivni v prid društva. Posebno sedaj je čas za to, v času kampanje, ki bo kmalu pri kraju; le če tri mesece in bo zaključena. Kdor hoče biti deležen nagrade, mora malo poigritirati, da pridobi društvu nove člane. Čim več jih pride v društvo, toliko večje nagrade bo deležen.

F. Perko, tajnik.

Zdravstveni nasveti

Piše John J. Zaverčnik, M. D.

Zajčja bolezen (Tularemia)

Zajčja bolezen je nalezljiva in povzroča jo klica "tu'arense". Prenašajo jo neke vrste muhe in klopi, zlasti pa divji zajci. Lahko se je človek nalezil, ako ima opravka z divjimi zajci, ki imajo to bolezen, posebno če ima odprto rano, v katero se klica zarije.

Ta bolezen je običajna v novembru, ko se odpre lov na divje zajce. V zadnjih treh letih se je število slučajev te bolezni povečalo v državi Illinois. Preteklo leto je bilo naznanjenih 180 takih slučajev med lovci, mesarji in drugimi, ki so prišli v dotiko z divjimi zajci.

Napad je nenaden. Bolnika tresse mraz, boli glava, bljuva, ima vročico in občuti bolečine v mišicah. Vročica doseže 102 do 104 stopnje in traja lahko dva ali tri tedne. Zleze otečajo in pojavijo se bolečine ter zbiranje gnojja ob rani.

Okrevanje je počasno in lahko vzame dva meseca in več predno bolnik ozdravi. Zdravljenje se mora vršiti pod nadzorom zdravnika. Priporočljivo je, da se ledvice izpere z goriko vodo. Bolnika je treba obložiti z gorkimi obkladki, da se zmanjša vročica. Bolnikova soba mora biti temna

Proslava 25 letnice drustva "Na-
predne Slovenke st. 137 SNPJ
Cleveland, O. — Doba 25 let se
nam zdi jako dolga, v resnici pa
pride tako hitro, da si se mi-
sliti ne moremo. Tako je tudi hitro
poteklo 25 let, odkar se je usta-
novilo drustvo Napredne Slo-
venke, ki je v ponos clevelandski na-
selbini in upam, da tudi Slo-
venski narodni podporni jednoti. Na-
sa zgodovina je lepa; to smo spoz-
nali iz dopisov ustanovnih cla-
nic. Ker pa jaz nisem ena med
njimi, moram pa samo podati
porocilo mojega delovanja za do-
bo 16 let.

Na prvi seji, ko sem pristopila
v drustvo, sem bila izvoljena za
zapisnikarico. To delo sem opravi-
ljala 11 let, in sedaj kot pred-
sednica pa 4 leta. Vedno sem gle-
dala, da sta vladala pri drustvu
sloga in mir, pri cemer se mo-
ram pohvalno izraziti, da imamo
delavne in aktivne clanice, ki se
ne ustrašijo nobenega dela. Po-
seбно je lahko delati s tako prid-
nim odborom kot ga imamo Na-
predne Slovenke. Veseljeni odbor
je vedno kos svoji nalogi in ta-
ko gre naprej v najlepšem redu.
Zal, da v clanstvu ne moremo
tako napredovati; seveda je te-
mu kriva depresija in malomar-
nost. Upam pa, da se bomo cla-
nicke zavzele in pridobile nove
clanice predno bo kampanja kon-
cana.

Drustvo Napredne Slovenke je
tudi eno prvih v podpiranju na-
prednih in kulturnih ustanov, za-
to pa imamo duševni in finančni
uspeh pri naših veselicah. Naj-
bolj uspešno pa mora biti slavje
naše 25 letnice, katerega se bo
udeležil tudi naš glavni pred-
sednik Vincent Cankar iz Chicago.
Slavnost se bo vršila v nedeljo
dne 6. oktobra v Slov. nar. domu
na St. Clair ave. Drustvo apeli-
ra na vse clanice in njih prijate-
lje, da se gotovo udeleže te
proslave. Prostora bo dovolj, saj
bomo rabile spodnjo in gornjo
dvorano. Seveda v zgornji pa ples
z mladino. Naj omenim še to, da
se bo večerja servirala točno ob
6. zvečer. Zabavale vas bodo tudi
clanice z lepim programom.

Sedaj pa še enkrat apeliram na
vse clanice, da gredo na delo in
pridobijo nove clanice, zakaj na-
še geslo je: Vsaka napredna že-
na bi morala biti Napredna Slo-
venka!

Pozdravljam vse clanice, pose-
bno ustanoviteljice Naprednih
Slovenk! Na srečno svidenje na
banketu dne 6. oktobra!

Josephine Mocnik, preds.

Proletarstvo slavje in volitve
Cleveland, O. — Dne 25. sep-
tembra bo naš slovenski napred-
ni Cleveland zopet praznično o-
blečen, to pa ne radi kakega brez-
pomembnega slavlja Baragi, ki
ni doprinesel nič našemu narodu,
temveč bo slavje našega zve-
stega, vztrajnega borca in vod-
nika za emancipacijo delovnega
ljudstva lista Proletarec.

Proletarec prinaša med naše
ljudi že 30. leto socialistično mi-
sijo, upanje, novo vero za boljše
bodočnost. Že 30 let nas bodri, i-
zobražuje ter kaže pota vsem, ki
stopajo naprej, samo naprej za
povzdigo sebe in sočloveka. Lah-
ko se trdi, da je Proletarec naj-
več pripomogel ne samo pri raz-
širjanju socialistične ideologije,
temveč tudi pri res naprednemu
dejanju in nehanju med Slo-
venci v tej deželi.

Tukajšnji klubi 27, 29 in 49 J.
S. Z. ter njih pevski odseki bodo
priredili Proletarcu dne 29. sep-
tembra spominsko proslavo v De-
lavskem domu na Waterloo rd.
Pričetek programa ob 3. popold-
ne, nakar bo sledil ples in pro-
sta zabava do jutra. Vstopnina
samo 40c za osebo.

Program bo sledil: Nastop
godbe Bled, pevskega zbora Zar-
ja, govor Louisa Zorkota, ume-
ten ples (Miss Ster), govor Fr.
Barbiča, nastop godbenikov (Syl-
via, Antonia, Frances, Frank
Marincek in Vicky Penca), na-
stop pevskega zbora Delavec, go-
vor Roberta D. Dullea (župan-
ski kandidat soc. stranke), živa
slika in deklamacija (E. Slejko),
deklamacija v angleščini (Olga
Vehar), nastop Marinčekovega
kvarteta, duet (Josephine Turk

in Andy Turkman), igra Barbi-
čev trio in Molekova enodejan-
ka Biserno slavje.

Rojaki-delavci širom Clevelan-
da ter iz bližnjih naselbin ste u-
ljudno vabljeni, da prihitite na to
priredbo. Ne samo zato, ker bo
pester program in nedvomno za-
dovoljiv, temveč ker to slavje bo
slavje vsega naprednega gibanja
v naselbini. To bo slavje vseh, ki
imajo usmerjen korak naprej!
Ne pozabite 29. septembra!

Prvi oktober bo za nas važen
dan, na katerega ne smemo po-
zabiti, če se hočemo res iznebiti
brezposelnosti in mizeriji, ki jo
prinaša depresija. Ta dan bodo
primarne volitve, odločujoče vo-
litve za manjšinske kandidate.
Le po dva najmočnejša kandida-
ta prideta v poštev za redne vo-
litve v novembru. Vsak sloven-
ski državljan bi moral iti ta dan
na volišče in oddati svoj glas
stranki, ki zastopa njegove inte-
rese — to za delavske kandidate.

V Clevelandu imamo socialisti-
čnega županskega kandidata Ro-
berta D. Dullea, tajnika sociali-
stične stranke za državo Ohio,
slovenska soc. kandidata za var-
dno zbornico sta pa za 23. war-
do Louis Zorko in za 32. war-
do pa Frank Barbič.

Pomnite, ako glasujete za te
kandidate, da glasujete v prid se-
bi in svojemu razredu. Nič ne
pomaga potem tarnati o slabih
časih in brezposelnosti, če gla-
sujete za to, kar imamo sedaj
in se podpisate za nadalje ti
usodi. Edino delavske stranke i-
majo resen namen, ko pridejo do
moči, vzeti ves obrat v svoje
roke in urediti deželo tako, da bo
dovolj dela za vse in bodo delež-
ni vsi enakega soužitja. Ako ne
bomo zmogovili, vaš glas še ni
s tem proč vržen, pač pa je pro-
test proti temu kar se godi sedaj
in eden glas več za preureditev
te družbe. Vaš glas je popolno
proč vržen, ako glasujete za
to kar imamo sedaj.

Dne 1. oktobra bo važen dan!
Glasujmo v prid sebi in svojemu
razredu!

Leo Poljsak.

Razna poročila

Pueblo, Colo. — Ko je meseca
avgusta imel celokupni glavni
odbor sejo, je imel pred seboj tu-
di pismo drustva 21 SNPJ. Pi-
sma ni bilo pisano v imenu dru-
štva, ampak na željo nekaterih,
da bi se priobčevala poročila
brez podpisov. Na zadnji drustve-
ni seji je bilo pojasnjeno, da bi
bilo dobro amendirati pravila v
tem smislu. Nekateri želijo, da bi
bila v Prosveti kolona kot je bil
"Zarkomet." S tem se strinjamo.
Kritiziralo se je tudi dopisnike,
ki pišejo o pojedinah, pijači, pik-
nikih in takih rečeh, oziroma u-

rednika, ki priobčuje take stvari.
Tudi s tem se strinjamo.

Ampak kolona, kot bi bil bo-
doči "Zarkomet", bi morala biti
pisana z znanstvenega in pouč-
nega stališča in gradiva, druga-
če bi zbudila pomen. Če bi neka-
teri samo kazali napake in na-
vade svojih sodelavcev v naselbi-
ni, se norčevali iz vsega kar jim
ni po volji, kazali na ceremoni-
je katoliške cerkve in njene obre-
de, bi tako pisanje ali ščuvanje
ne bilo v korist ne jednoti še
manj pa delavcu v krušni liniji
in njegovi mentalnosti. Če bi pa
bodoči "Zarkomet" svetil in pri-
žigal mentalno stran zaspanih
delavcev, tedaj bi bil vreden i-
mena ali naslova.

Brat Zaitz je pojasneval ka-
ko je v Coloradu. Brat Zaitz se
je motil, ni pravilno sklepal. Bo-
ječnost pred zgubo dela ali reli-
fata, najbrž pri tem ni glavno. Go-
tovo bo pa najbrž, da nekateri
ljudje bi radi bili demokrati, re-
publikanci, socialisti, komunisti
in drugi isti, pa se boje zameri-
ti svojim in nesvojim ljudem v
naselbini.

Ne morem razumeti zakaj bi
se nekateri radi skrivali pod
pseudonimom, kadar pišejo o
poteku življenja v naselbini. Pse-
udonim je dober, kadar se piše
splošno za večji obzor meštaln-
osti človeka in ne zadene nikogar
ne pa kadar kažemo eden na dru-
gega.

Resnica bo pa, da se v splo-
šem bojimo eden drugega tudi
pri naših drustvenih sejah. Boja-
zan ali mrtvilo med nami je po-
sledica slabo obiskanim sejam
drustvenih stvari, dalje brezpo-
selnost, vse to vpliva na mlač-
nost in mrtvilo celega drustva.

Pri SNPJ, torej med nami je
v teku kampanja za pridobivanje
novih moči, novih članov. Pred-
sednik in tajnik spodbujata dru-
štva k delu in agitaciji. Vse to
malo pomaga, posebno v takš-
nih časih brezdelja in stradanja
Veliko bolj pomaga ali bi poma-
galo temu, če se pri drustvenih
sejah poučuje clanstvo v tem
smislu. In kdo drugi naj opozori
člane na dolžnost in pravice, ako
ne predsednik drustva? Na se-
jah bi se moralo vzpodbujati cla-
ne, da se potrudimo kjerkoli mo-
goče pridobiti novega člana, ne
samo da bo zavarovan za slučaj
bolezni in smrti, ampak da bo naš
"rank and file" organizacije, ki
ne klečeplazi pred nikomur.

Če pri drustvih noče tega vr-
šiti predsednik, naj imenuje
druge in jim odloči čas. V tem si
drustva lahko naredijo svoja pra-
vila. Predsednik jednote in tajnik
naj pa v glasilu opominjata dru-
štva, naj drustva na vsaki seji
določajo vsaj pol ure za splošno
razumevanje zavajalcev delavst-
va, kateri listi so nam prijate-
lji in kateri ne; kaj je resnična
demokracija in kaj je diktatura;
kje človeška rasa resnično stopa
v civilizacijo, kjer ne bodo
ljudje skrbeli kako se bodo pre-
živeli do smrti. Od časa do časa

bi drustva povabila dobre angle-
ške govornike.

S tem bi nastalo, vsaj mislim
tako, več življenja, več zaniman-
ja, več delavnosti ne samo za
jednoto, temveč tudi za splošen
razvoj ekonomskih razmer v de-
želi, v kateri živimo in smo del
tega naroda. Vsak delavec, ki se
tega zaveda, mora delati, da se
vsak nepoučen pouči, kaj je nje-
gova dolžnost ob volitvah, da bi
lahko bilo za nas vse dovolj de-
la in kruha, ako ne bi internacio-
nalni bankirji določali kako naj
se obrestuje bogastvo Zdrže-
nih držav.

št. 569 SNPJ se živahno pri-
pravlja, da svojo 10 letnico dne
2. in 3. nov. proslavi čim najbolj
mogoče impozantno. Priprave za
to slavje so v teku že več mese-
cev. Program bo v glavnem tale:

V soboto 2. nov. zvečer velik
banket v hotelu Auditorium v
towntownu. Popoldne in popol-
ne sprejemanje gostov, regi-
striranje in preskrba prenočišč.
Na banketu nastopi vrsta govorn-
ikov s kratkimi nagovori in po-
zdravi.

V nedeljo 3. nov. popoldne pr-
va konferenca angleško poslujo-
čih drustev SNPJ, popoldne slav-
nostni spored na odru dvorane
Havliček, zvečer pa ples in pro-
sta zabava. Program bo vsebo-
val kratke spominske in simbo-
lične prizore, par govorov in pe-
tje. Nastopil bo najpopularnej-
ši slovenski baritonist. Podrobn-
osti sledijo.

V Chicago bo omenjena dne-
prišlo veliko naše mladine, kaj-
ti vsako angleško drustvo bo za-
stopano na dopoldanski konfe-
renci, z delegati pa pridejo tudi
večje skupine mladih jednotar-
jev iz vseh delov Amerike, da ne
govorimo o starejših članih, ki
bodo tudi navzoči.

Ob tej priliki bo drustvo izde-
lalo posebno jubilejno knjigo, ki
jo bodo krasile razne ilu-
stracije ter opisi in čestitke.
Knjiga je že v delu in zelo va-
žno je, da se vse zadevno delo
odpošlje drustvenemu odboru v
prihodnjih par dneh. Sprejema-
jo se osebnostne in drustvene čestit-
ke, ki morajo biti dopolne naj-
kasneje do 15. okt. Na vsa slo-
vensko in angleško poslujoča
drustva apeliramo, da pošljejo
pozdrave in čestitke k 10 letnici
našega drustva, katere bodo pri-
občene v jubilejni knjigi "Pio-
nir". Oglasi se hvaležno spreje-
majo.

Na delo takoj! Pomagajte pr-
vemu in največjemu angleške-
mu poslujočemu drustvu ob nje-
govi proslavi 10 letnice gmotno
in moralno! Naslovite pisma na
drustvenega tajnika.

ZDRAVJE

Nega suhe kože

Presuha koža kaj rada poka, zato jo je
ba prav posebno negovati. Kdor svoje
ne neguje pravilno, utegne imeti hude po-
dice. Na koži se pojavijo razni izpuščaji,
ko imenovani ekcemi. Prav pogosto je mo-
na koži kriva tudi voda ali pa prebiska iz-
njava mineralnih snovi v telesu. Tudi mo-
delovanje golšne žleze utegne biti vzrok
suhe kože.

Suho kožo smemo umivati samo vsak dr-
dan z vodo, pa še tej vodi dodajemo rajši
raksa ali otrobov, da vodo zmehčajo. Mila-
smemo uporabljati, pač pa se lahko umiva-
z mlekom. Kožo moramo za vsako ceno vs-
dan mazati z mastnimi kremami ali z
Zlasti parafinovo olje je suhi koži zelo
ristno. Seveda je premalo, če se vsak dan
mo enkrat umijemo z vodo ali z mlekom;
se umivamo med dnevom z borovo vodo
borovim oljem.

Vsaki koži, suhi pa še posebej škodi šmin-
Utegne se zgoditi, da zaradi šminke koža
oboli, da je z ničimer več ne moremo ozdr-
viti.

Lepe roke

Lepota roke zavisi od njene oblike in
če roke. Obliko nam da mati pri rojstvu;
se ne da spremeniti. Toda tudi manj lepo-
manj gosposko oblikovana roka utegne s
vilno nego mnogo pridobiti. Negovana ro-
povzdigne človekovo zunanost, torej ni
"ksus"!

Tudi na vse plati zaposlena gospodinja
ra svojima rokama žrtvovati vsak dan po
kaj minut. Najbolj trpe roke žensk, ki opr-
ljajo vsa kuhinjska dela ali pa imajo oprav-
s kemičnimi snovmi. Te jih morajo še
posebno negovati.

Vsako naj si vsaj dvakrat na dan um-
roke v mlčni vodi s premaščenim milom
čestko. Seveda je treba roke takoj do suhe
otreti. Če kanemo na roko nekaj kapljice
monove kisline, koža nekoliko pobledi in
ne mehka in voljna. Ker izgublja koža za-
umivanja svojo naravno maščobo, jo je
zvečer natreti z mastno kremo; zlasti je
važno za že od narave suhe roke. V mr-
dnež je treba suho kožo celo podnevi omast-
iti.

Najbolj pa kazijo roke ozeblina. Kdor
ima, naj si kopa roke v vroči galunovi ra-
pini, v prevretek iz hrastove skorje ali
naj pomaka roke menjaje v vroči in mrz-
do, potem si jih pa namaže z mazilom za
one. Rdeče roke natremo s posebno kre-
žulje pa odmakamo v milnici in jih obrus-
s plovcem.

Zdravje in kruh

Zdravnik dr. von Norden je zbral v
kulturnih državah podatke in ugotovil, da
virajo navadne želodčne in črevesne bole-
zvine od preobilnega uživanja belega
ničnega kruha. Zato je popolnoma napak
zgrešeno, če zlasti mestni starši branijo
kom uživanje črnega rženega kruha, češ
da taka "zanikrna kmečka hrana" težko pre-
ljiva; ravno narobe.

Usoda nemških učencakov

Neka statistika iz Pariza ugotavlja, da
nemški narodno socialistični režim pri-
1202 nemška učencakova, da so ostavili sv-
mesta, večinoma profesure na nemških v-
učiliščih. Polovica teh učencakov je ostala
Nemčiji, kjer žive večinoma brez vsakih
stev in možnosti zaslužka, druga polovica
odšla v inostranstvo.

Majhen del teh emigrantov je dobil prim-
na mesta in možnost za delo. To so samo
njaki, ki uživajo svetovni sloves ali pa so
v strokovnih krogih zelo znani, ostali pa
posebno mlajši, ki še niso imeli prilike, da
se uveljavijo, živijo precej žalostno. Za
podpiranje so osnovali v raznih deželah
porne odbore, ki zbirajo zanje sredstva za
ljenje. Tako je dala Rockefellerjeva ustan-
v New Yorku 340,000 dolarjev za nemške
grante, na Angleškem so nabrali isto vs-
na Francoskem preko 70,000 dolarjev. V
dinjenih državah in Turčiji je ta čas
nameščenih po 40 nemških učencakov, v
lestini 21, Rusiji 11 in na Francoskem 2.

Anglija rabi "žive torpede"

Londoni listi priobčujejo kot sen-
vest, da je veliko podjetje, ki mu kot glav-
delničarji pripadajo člani visokega plem-
v Clydu začel graditi velike delavnice, v
kterih bodo izdelovali nov tip podmornic,
tak-
zване "žive torpede", kakor so jih začeli
diti tudi v Nemčiji.

Te podmornice imajo obliko velikih tor-
dov in prostora samo za enega človeka, za
gon rabijo stroji na stisnjen plin. Japonska
v vojne svrhe zgradila že cele serije takih
ladji, ki pomenijo skoraj gotov konec vs-
vojne ladje, ki bi se namerile nanjo, a ob-
tudi siguren konec edinega člana posadke.
nasprotju s tem, pravijo Angliji, da svo-
"živih torpedov" ne bodo uporabljali za voj-
namene, temveč predvsem za raziskovan-
trupov potopljenih ladij. Kdor hoče, naj
verjame.

USTANOVITELJICE DRUŠTVA 137 SNPJ

Drustvo Napredne Slovenke št. 137 SNPJ ima čast predstaviti javnosti svoje še živeče
ustanoviteljice, katerih je petnajst. (Na sliki manjka ses. Frances Milavec.)—Prva vrsta od
levo na desno: Ivanka Slogar, Ivanka Vencelj, Mary Znidaršič, Josephine Mežnaršič (dolgo-
letna podpredsednica) in Antonia Zaletel.—Druga vrsta: Frances Hudovernik (prva tajnica),
Ivanka Smole, Mary Majzelj, Anna Eršte (prejinja dolgoletna predsednica), Ivanka Semič-Do-
brnič (prva blagajničarka) in Josephine Jereb (sedanja blagajničarka).—Tretja vrsta: Fran-
ces Oblak, Frances Černe (sopraga Franka Černeta, organizatorja našega drustva) in Ivanka
Martinčič.—Drustvo praznuje svoj srebrni jubilej z banketom in plesom v nedeljo 6. okt. v obeh
dvoranah S.N.D. na St. Clair ave., Cleveland, O.

Obdržali so roke proč!

Ko so slovenski klerikali v Clevelandu
padli na glavo in začeli z agitacijo za spome-
nik Ivanu Cankarju, se je ves napredni živelj
v Ameriki prijel za čelo. Klerikali naj po-
stavijo spomenik Cankarju, ki je bil veliki
nasprotnik klerikalizmu v svoji domovini? To
bi ne bila samo groba groteska, temveč prava
sramota za vsakega iskrenega slovenskega
delavca, ki spoštuje Cankarja! To bi bilo naj-
večje hinavstvo, ki bi si ga dovolili posne-
malci — stoprocentni hlapi — starokrajske-
ga klerikalizma v Ameriki!

Prosveta je takoj napovedala boj temu na-
meravanemu hinavstvu. Naš bojni klic je bil:
Roke proč od Cankarja! Ne norčujte se iz
Cankarja, ne ponižujte ga! Cankar ni vaš!
Roke proč od Cankarja!

Danes naznanjamo, da smo zmagali. Zma-
gala je vsa slovenska napredna misel po Ame-
rici — zmagala je predvsem v Clevelandu!
Klerikali so se umaknili in pustili Cankarja
pri miru. Namesto Cankarju so postavili
spomenik škofu Frideriku Baragi, ki ni storil
nič za Slovence in še manj za slovenske de-
lavce. In to je popolnoma v redu!

Klerikalni rojaki v Clevelandu naj zdaj še
vrnejo dolg — naj vrnejo občini Ljubljane
Cankarjevo soho, za katero so jo potegnili.
Menda ne bodo tako umazani, da bi vzeli ne-
kaj zastoni, česar ne potrebujejo! Ta račun
naj še poravnajo in potem bo stvar — dva-
krat v redu.

Kaj je modernost?

Angleški znanstvenik A. Wolf je pred krat-
kim izdal knjigo, v kateri je jasno razložil,
kaj prav za prav pomeni modernost in kaj je
moderno.

Wolf, ki je profesor na londonski univerzi
in glava oddelka za zgodovino in metode znan-
osti na tej univerzi, piše v svoji znameniti
knjigi "History of Science, Technology and
Philosophy in the 16th and 17th Centuries", da
izraz "moderen, moderno ali modernost" po-
meni v striktno znanstvenem smislu vso ono
miselnost, katera bistveno nasprotuje sred-
njeveški miselnosti.

Z drugimi besedami to znači, da moderen je
vsak človek, ki usmerja svoje mišljenje in
ideje s stališča posvetnosti, to je s stališča
dejavnosti, razuma, znanstvenega raziska-
vanja, eksatnega opazovanja in preizkušeno-
sti. Moderni človek se zanaša na dejstva na-
ture. To stališče je bistveno nasprotno stali-
šču iz srednjega veka, katero se opira na dog-
me, na neko usiljeno zapoved in na neki mi-
stični ali namišljeni impulz, ki naj vodi mi-
šljenje, čutenje in dejanja ljudi.

To je velika razlika. Moderni človek ne
pravi, da "zna vse". To je stališče srednje-
veškega človeka, ki se baha, da ima monopol
"edinih in večnih resnic" in vse drugo zunaj
tega monopola ni nič. Moderni človek se ne-
prestano uči in polagoma odkriva ter spozna-
va resnico o sebi, življenju, svetu in vesolj-
stvu.

Wolf pravi, da moderna miselnost pričinja
s 16. stoletjem, ko se je pojavila znanost. Si-
cer je bila neke vrste antična modernost že v
starih Atenah in starem Rimu, ali padeč sta-
rega Rima je za vselej pokopal tisto moder-
nost in razviti se je morala ponovno, ko je
renesansa zrahljala železne okove dogmatične
miselnosti. Srednjeveška pamet se je krče-
vito upirala vsem pojavom znanstvenega raz-
iskovanja nature; srednjeveška pamet je bila
— in še danes je, kolikor še strši — vko-
vana v fikšno idejo, da ji je že vse "razodeto",
kar potrebuje, drugega ji pa ni treba. To mi-
stično "razodetje" je srednjeveška pamet čr-
pala iz starih knjig in niti za las ni smela po-
dvomiti o resničnosti svojega verovanja.

To srednjeveško naziranje je bilo krivo, da
se ni moglo človeštvo srednjega veka, ki je
bilo priklenjeno na to in slična naziranja, ni-
kamor premakniti. Celih tisoč let je stalo na
enem mestu in vsak materialni napredek je
bil nemogoč. Ta napredek je nemogoč, če ni
svobodnih in apliciranih znanosti, a te znan-
osti so nemogoče pri srednjeveški pameti, ka-
tera že "vse ve", ima "vso resnico" v malem
prstu in se zanaša le na magične nadnaravne
sile. Moderni človek se zanaša le na nose, na
svoj razum, iz katerega poteka vse njegovo
znanje.

To je razlika med modernim in srednjeve-
skim človekom. Moderna miselnost, iz katere
izvirajo vse pozitivne vede in vsa revolucio-

PRAVILA KONTESTA

Kontesta se lahko udeleži vsak član (in članica) SNPJ, ki je v tej članski kampanji, katera traja od 1. julija do 31. decembra 1935, pristopil k SNPJ.

Naloga vsakega kontestanta je, da v največ sto besedah slovenskega ali angleškega jezika napiše, kaj ga je privedlo k temu, da je pristopil k SNPJ in kaj pričakuje od SNPJ.

Kdor to pove najoriginalnejše, najzanimivejše in najboljše, dobi PRVO nagrado; oni, ki to povedo najboljše za prvih, dobe ostalih devet nagrad, ki so gori navedene.

Sodniki, ki določijo zmagovalce, so: gl. predsednik Vincent Cainkar, gl. tajnik Fred A. Vider in urednik Ivan Molek. Večina odloči.

Upošteva se le en dopis vsakega kontestanta.

Kontest se začne 1. oktobra in se zaključuje 31. decembra 1935. Dopisi kontestantov bodo objavljeni sproti v vsaki sredini številki Prosvete.

Ne pozabite! Kontest velja le za nove člane (članice), ki so prišli v tej kampanji, torej tudi za one, ki še pridejo do seje v decembru, na kateri morajo biti sprejeti. Kontestant ne sme napisati več ko sto besed, manj pa lahko napiše kolikor hoče. Piše se lahko v slovenskem ali angleškem jeziku in tako bo objavljeno. Vsak kontestant mora omeniti številko svojega društva in kdaj je bil sprejet v SNPJ ter pripomniti, da piše za kontest.

Obem je razpisan kontest za člane mladinskega oddelka. Ta kontest tudi traja tri mesece od 1. oktobra do 31. decembra 1935. Podrobnosti tega kontesta za otroke so navedene v septembrski številki Mladinskega lista.

Razsodbe gl. porotnega odseka

Zadeva društva št. 387

Brat Louis Bendina, član društva št. 387, Traunik, Mich., je vzel priziv na gl. porotni odsek proti odklonitvi bolniške podpore po glavnem bolniškem tajniku po društvu.

Glavni porotni odsek je vzel br. Bendina priziv v razpravo. Predsednik je vse prejete listine, ki se nanašajo na njegovo zadevo, iz predloženih zdnajvskih spisov, ki so razvidni, da br. Bendina ni bil toliko bolan, da ne bi mogel kaj delati. Na podlagi teh dokazov in podatkov je gl. porotni odsek odglasoval s tremi glasovi proti dvema, da potrjuje postopanje gl. bolniškega tajnika, kar v 15. točke člena pravil br. Bendina ni upravičen do bolniške podpore od 15. februarja do 25. maja 1935, in s tem potrjuje tudi razsodbo prvega razsodnika.

John Gorsek, predsednik; Anton Sular, John Terčelj, Frank Podboj, Frank Barbich, porotniki.

"Jolly Juniors" Repeat Campaign Record

Sygan Lodge Proposes 25 New Applicants; Vies for 1st Place Honors

Appears Easy Winner in Membership Drive as Additional Applicants Join Lodge

SYGAN, PA.—The campaign goes on! THE JOLLY JUNIORS PROPOSE TWENTY-FIVE MORE NEW MEMBERS FOR THIS MONTH! Unrelentless, earnest agitation by several faithful and hard-working members, accompanied by heretofore unexcelled lodge spirit, keeps the Jolly Juniors well up in front in the current membership campaign.

Boasting about our lodge? You bet I am! A lodge that can secure 32 new members in one month, then come around and propose 25 more the following month deserves much more merited praise than any individual could possibly bestow upon it.

In my last article there was made mention of the fact that we would have 60 additional members, with transfers, at the end of this month. May I apologize to other members of our lodge for underestimating their aggressiveness. We have procured sixty new members alone since the campaign began and with the transfers we have taken well over seventy-five into our ranks.

I feel safe in predicting that at the end of this campaign the Jolly Juniors will have over one hundred new members. Our goal, and I feel sure it will be attained.

The Jolly Jrs. Seventh Anniversary Picnic held on Aug. 15 went over with a bang and was a success financially, morally and socially. The sports program featured a great exhibition of mousball by the Ambridge Reveliers, who downed both the Veronians and the Strabane Pioneers. Soccer fans got a treat in the late afternoon watching the newly-organized J. Jr. soccer team defeat the strong Cedar Grove team to the tune of 3-2. Refreshments, fun galore, and dancing rounded out the day; and many due thanks to the above three lodges and their teams, to the Lucky Stars of Imperial, the delegation from Avella, Bridgeville, the Excelsiors, J. Z. Jrs., Cuddy, Midway Eighty-niners, and many other lodges which I may have missed in my observations.

TALE-SPINS:—The Veronians proved themselves a happy lot despite taking it on the nose in mousball from the Reveliers. . . . Sorry to hear the Revs lost the city championship of Ambridge. . . . T. Gantner will be our representative at the Chicago conference. . . . The public-address system was used to advantage by several lodges announcing their coming affairs. . . . The writer

Jolly Allis Lodge 686

West Allis, Wis.—Howdy, folks! Just another reminder of our big Anniversary Dance, which is to be held October 5, 1935, at South Side Turn hall in Milwaukee. The music will be furnished by Tony Yank and his popular orchestra. Refreshments galore, confetti, serpentine and souvenirs will all go in making this joyous affair. Everyone is invited, tickets are going fast, so be sure to get one and be here with us on that night.

Saw with joyous surprise in the Pioneer Bulletin that the Pioneers are trying to get a bus-load to our anniversary dance. Our good friends, Bro. D. Lotrich and Frank Grosser, taking charge. So, all of you members who were unable to meet this swell gang before, be sure to be at our dance.

Over the Back Fence Bro. Tony Kostanjevec is nominated as super-salesman selling ten tickets his first evening. Bro. Mickey

was introduced to many, including you, Jackovac, and was host to a couple of Veronians who asked for the identity of the Lone Eagle, but to no avail. . . . It's a great kick watching accusations fly at Tommy Gantner as the author of this column. . . . "Joy," of the Excelsiors, was also on the hunt for Lone Eagles, and on one occasion was oops! I had better stop! . . . Martin Spec, of the Revs, was on hand taking part in festivities. . . . Will our boys look snappy in their new soccer outfits? Boy, oh boy! . . . Our membership is well over one hundred now, with this month's proposals. . . . The Jolly Jrs. are planning a more extended social calendar for the coming winter. . . . Nothing more, thank goodness, say many, I'll bet, except that Anne Pietersek has graduated from knitting to the more intricate art of crocheting and that my identity is becoming known via mental telepathy, says someone. This mental telepathy business is a son-of-a-gun to mess around with and plays funny tricks occasionally, Miss E. R. A. Happy landings!

The Lone Eagle.

Spirit-o-Grams

By Whoozit

St. Louis, Mo.—The Pioneers may well be congratulated upon their ability to set the pace for other E. S. lodges. The name Pioneers presents a clear picture of this industrious group. Their pioneering efforts have, to a high degree, materially and beneficially, affected the youth of our SNPJ. May it further be said that the Pioneer accomplishments are still setting standards as they have in the past, and "We" sincerely wish them the best of success in the future. As fraternal brothers and sisters "We" are mighty proud of the Pioneers.

"We" notice the "Sunflower Seeds" have again burst into print. Sunflowers and Hearts, how about joining the Spirits in a trip to Chicago to visit the Pioneers' celebration in Nov? We could have other lodges join us on the way, thus making it a mammoth group of visitors. Remember, the more the merrier. Western lodges, let's hear your comment on this suggestion.

Gowanda Boosters, we blush along with the others mentioned in your

Aug. 28 article. In spite of the criticism accorded us, we must admit that your bouquet has been most refreshing and uplifting, and has spurred us on. However, we're sure the rest will agree with us when we say that Bro. Matekovich's articles are not only interesting, but also of the warmest fraternal nature and very enlightening. Keep it up, Gowanda Boosters.

Harmony is one essential very necessary in maintaining the stability of a fraternal organization. The Spirit-O-Grams have repeatedly expounded this fact in the interest of our SNPJ, not only locally, but for the organization as a whole. Local soundness naturally is reflected in the unit as a whole. We realize the fact that our organization ranks high among Slovenes. In behalf of this realization we strive to uphold the integrity of the SNPJ and to urge the promotion and maintenance of unity and harmony within our lodge.

Montana Stars Lodge 730

Butte, Mont.—The MONTANA STARS opened their regular monthly meeting with a 100% attendance, and it was a great success, with the proposal of several applicants. Nomination and election of a delegate to the English Speaking lodge conference at Chicago on Nov. 2. I was elected to the high honor of representing the MONTANA STARS and hope that we can map out a future that will go down in the annals of history as an asset to our organization of which we are all proud members.

I am writing this on a hospital cot at the St. James hospital, suffering from blood poisoning in left hand, but getting along swell and expect to be out in a day or so.

Our President, Joseph Perusich, was blessed with a new baby daughter. Congratulations, Joe, from all the Montana Stars.

We are hoping that the Butte Miners' Union gets its demands in their new agreement so that the prospects that contemplate joining us can do so without the fear of labor troubles.

Be sure and attend the next meeting at the home of John Perusich, at 1823 Lafayette st., at 2 o'clock sharp and bring the prospective candidates. We welcome local and other members to attend our meetings and will appreciate any suggestions for the good of the lodge. John Perusich, Lodge 730.

Integrity Broadcast

Chicago.—The regular monthly meeting was well attended. Everybody had a good time after the meeting. Why not you come to the next meeting?

Never before has the INTEGRITY gone into such preparation for any of its affairs as the one we are preparing for Nov. 23. But will we accomplish what we started? From the indication of the INTEGRITY members' cooperation there is no reason why it should not be a successful affair. We hope for the best. Johnnie Kochevar and his Merry-makers will furnish the music. We all like Johnnie and his boys. He is always our first choice for all our major affairs.

For the Nov. Dance, tickets are now on hand. Will you dispose of your share? The names below are for you to see what the members do in taking tickets in advance; also outside the lodge: Elrock A. C., 100; Michael Fleischhaecker, 100; Agnes Mejasch, 50; Lodge 610 SNPJ, 20; Josephine Baffetti, 5; Louis Kozuk, 5; Rose Roycht, 5; AL Roycht, 5; Emma Zagar, 5; Mary Roycht, 5.

Bro. Emil Heidenreich and myself attended the Lodge CALUMET SENTINELS meeting. We enjoyed it. Hope you come up and see us sometimes.

Bro. Emil Heidenreich was elected alternate for the English Speaking Conference, and your Secretary as delegate.

Sister Agnes Mejasch is in Warren, Ohio, visiting with her sister who was badly hurt.

How about the rest of the English Speaking Lodges, are you going to respond to our letters in regards to the ads for the "Integrity Broadcast"? Michael Fleischhaecker, Sec'y., Lodge 631.

Westmoreland Federation News

Latrobe, Pa.—THE WESTMORELAND FEDERATION is speaking now: Welcome! White Valley lodge into our midst.

The next Federation meeting will be held in Herminie, home of Keystoneians, on October 27 (Sunday). It will be just another grand reunion of lodges. Handshakes, greetings and salutations will precede the meeting. After the meeting a delicious luncheon is served and sometimes a goulash dinner. Then the old folks chew the rag, drink, and are merry. Go where the crowd goes—to Herminie on Oct. 27.

The Torches' membership is expanding surely but slowly. Right now the Torches are busy planning for a party we will soon have for the members. Bro. Ban with his wisecracks, Sis. Klappar with her good ideas and Bro. Bergoe with his keen sense of humor add spice to our gatherings.

An important date—for us to remember—is Sept. 28, when our neighbors—the Yough Valley Knights, are having a Polka Dance. Let's go, gang—and invade the land of the gallant knights.

Good news! Westmoreland and Cambria counties are already rounding up delegates for the conference in Chicago.

Bro. Urana of the good old Keystoneians and Bro. Culkar of the up and coming Friendly City Lodge will be in the delegation in Chicago. Both are diligent and old-timers in the SNPJ field. Six years ago Bro. Urana made a speech in Yukon for the SNPJ. Even then our Keystoneians were very active—when there was just a half handful of E. S. lodges in Pennsylvania. Keystoneians were among the first to organize and are still going strong on the firing line. Bro. Culkar likewise is an old-timer—ever since he was knee high to a duck (must have been a long time ago), for he's more than a six-footer now.

E. S. Lodges—NOW is the chance to show our colors. The Supreme

Golden Eagles

Girard, Ohio.—The Golden Eagles' Fall Dance will take place Oct. 19 at the Slovene hall at 8 p. m. Music will be furnished by Joe Umec and his orchestra. (I can just see everybody dancing the snappy polkas.) There will be plenty of popular music, too.

We sure would like to see our neighboring lodges attend our dance. How about you Buckeyes? You aren't going to disappoint us.—Joe Cherne is chairman for the dance.—Tickets are being sold by the committee.

There is a surprise for the member who sells the most tickets for the dance. Come on, let's see who gets the surprise. Sec'y.

Excelsiors' Extra

W. Alliquippa, Pa.—Now that October 26 is drawing near, it is with pleasure that the Excelsiors announce their anniversary dance. With the efforts of the committee and the cooperation of the members, this affair will be made a very appropriate one in commemoration of our fifth year of existence. Not having any detailed information on hand, as yet, details of this affair will be announced later. On the other hand, I may report that the committee has already been chosen, Ann Marolt being at the head of things (chairlady).

Regarding the committee, for the first time we are using a new plan proposed by one of our members, namely, the chairman or chairlady chooses the members whom he or she thinks capable of serving on the committee with him or her, and who will cooperate to the fullest extent. Up to this date, the system used for obtaining committee members, was either volunteering on the members' part, or appointment by the Proxy. We hope and trust this new plan will prove satisfactory, so it can be used for future affairs.

Although the last meeting was not as well attended as expected, quite a bit of business was disposed of. The chief item of interest was the

Board has granted us a wonderful opportunity. Let's make use of it. Let's make this conference a success—and let's not waste time. On to Chicago!

Hello, Pioneers of Chicago: Greetings on your tenth anniversary. Do you realize that all we people from the foothills of the Alleghenies—this means Y. V. Knights, Friendly City, Flood City, Keystoneians and Torches—are all emerging from our homes to meet you on your tenth birthday.

All these folks that are bringing "Leaping Lenas" to the conference, attention! Do all the delegates get a free ride? I wonder!

Friendly City Lodge is having a dance on Sept. 28. Let's follow the crowd—and go to Bon Air. Good time is in store for all.

Torches! Next meeting on Oct. 13, same place and time. Let's have a 100% attendance.

I'll be seeing you in Chicago. Jane Fradel.

Penny Pioneers

Strabane, Pa.—With outdoor dancing and picnic time passing on, I'm sure everyone can sum up the many enjoyable affairs they have attended; therefore we really hate to see the season closing. But, nevertheless, here's hoping the coming season may bring many successful events for all the lodges.

September 15 marked the day for success of the Jolly Juniors, anniversary picnic. A large crowd was present and all reported a wonderful time. Also many congratulations for your new membership. Let's hope they all work for the good of the Society.

Though the Pioneer boys lost the mousball championship, they are in full swing for football this season. Don't lose your grit, boys; with hard work you are bound to get somewhere.

The Pioneer Girls' Club also have pleasant plans for the coming season—as understood by the reports. The nearest being a "Penny Bingo Party" on Sunday evening, September 29, at 7 o'clock at Podboy's hall in Strabane. Valuable prizes will be given away. So all you bingo players gather up your pennies and head for Strabane.

Here and There:—Good luck for your future happiness, Mr. and Mrs. Tony Progar, our newlyweds, who are moving to their newly furnished home. By the way, congratulations are in order to our good friend, Frank J. Progar of Hartmarville, also. Everyone is anxious to hear the details of the Federation Banquet. Pioneer Girls' Bowling team will be a strong one this winter. Watch out, Alliquippa. A Pioneer.

choosing of a delegate for the Nov. E. S. conference, who is Mathilda Derglin, Sec'y. The dance committee was organized, and brief details concerning the dance were discussed, leaving the final decisions up to the committee, who will, no doubt, give their outline and intentions at an early date. There were also discussions pertaining to a private wiener roast for Sept. 21 at Clinton lake. Members were again enlightened by the Sec'y. regarding the campaign and its importance. A distant reminder that the next monthly meeting falls on Oct. 10.

Newsy Noisy Notes A recent picnic attended by the Excelsiors was that of the Strabane Pioneers on Sept. 8. A good time with our old friends was again reported. Wondering if they are keeping our anniversary dance in mind? According to the Penny scribes, a wonderful time was had by all Pennsylvanians who took in the Cleveland Labor Day celebration. "Wimpy" Corsi, who has charge of obtaining an orchestra for the anniversary dance, promises to select a well-known, pleasing kind. Am keeping in mind the editor's recent request for short contributions. Bye. "The Humming Excelsior."

All Lodges Take Notice

As we all know, the second day of November of this year has been set aside by the Supreme Board as the conference day for our English speaking lodges. It is very important date for members of our Society, and is of special importance to the younger element of our great fraternity.

The need and importance of conferences concerning the practical and definite application of the many ideas and principles which can and must be used in obtaining a fuller realization of our ambitions, can hardly be overemphasized.

The contemplated conference is a new thing in the fraternal world and is to mark the beginning of a new epoch and a new significance in the history of the life of the SNPJ. No other society of this kind has ever thought of giving its younger members the privilege of holding their own convention.

This, we believe, is another step of our Society towards new progress. The SNPJ has always been first in everything modern and progressive. Besides installing everything that is newest and best concerning insurance, it was the first to proclaim equal rights for men and women. It has been first in initiating true democratic government of its affairs. It was the first fraternal benefit society to recognize the necessity of free thought; and the first to advocate workingmen's rights and principles, etc., etc. And it is again first in recognizing the rights of the younger members to hold their own conferences.

The SNPJ has been pioneering on progressive ideas and principles ever since its establishment, and quite successfully. It has been very distinguished in the promotion of real fraternalism and in this respect considered as an illustrious example for all other societies. So it will be in the future if we want it to be. The future of our Society is in our hands and we MUST make it grow and prosper and continue to keep it in the highest esteem.

Yes—great is our SNPJ! A marvelous past and a most hopeful future—that's what these four initial letters actually represent! We have a good many reasons to be proud of it, and consider ourselves happy that we are its members. And we ought to show our gratitude to the Society by inducing all of our friends and acquaintances to become members. Let us not wait for a better chance or postpone action until a later day. The best time to talk to new prospects is right now, while we are all so much enthusiastic about the coming conference and so keenly interested in every thing concerning it, and while those special concessions for new members are still in effect.

While we look upon our English speaking lodges with much pride and expectation that they will do their utmost towards bringing this conference to a complete success, let us also carry on our campaign to a most satisfactory conclusion. That will be our best proof of gratitude and appreciation, and the best example of our loyalty and fraternal cooperation.

And at last, but not least, we must not forget that every English speaking lodge has a right to one delegate to this conference and that all such lodges are expected to elect their delegates and send their names and addresses to the head office as soon as possible.

E. S. Lodges, take notice and act forthwith, please! VINCENT CAINKAR, Supreme President.

Musketeers' Musings

Moon Run, Pa.—With the granted privilege of having an English Speaking Conference in November, each English Speaking lodge of the SNPJ should make use of this great opportunity and have its delegate represented.

In electing your delegate wouldn't it be a wise thing to do by forgetting the existence of friendship for the time being and elect one of your most active members? The most active is the most deserving, therefore he or she should be the one to represent your lodge.

(Musketeers, note: The election of our delegate for the Chicago Conference will be held at our next meeting, Oct. 3, 1935, at 7:30 p. m. e.s.t. Your presence is kindly requested, so please attend.)

Polka Dance Many of you, young and old, are just longing to attend a Polka Dance. You can stop your yearning now for the Musketeers are sponsoring a Polka Dance on Saturday, Oct. 12, at the Slovene hall, Moon Run, Pa. Your friends, my friends, new friends, old friends, friends from far and near will be there, won't you be there too? With a gayly decorated hall, a good orchestra to supply you with your favorite Slovene tunes, a small

fee for admission, dancing commencing at 8 p. m. and plenty refreshments.—What will detain you from attending?

—And about the good time we promise you, I really can't express it but the words are in my heart. The dance committee is working very hard in order to make this affair a huge success socially as well as financially. In your calendar of social events, reserve Oct. 12 for the Musketeers' Polka Dance. We expect to see you there.

This and That:—Hoping the Lucky Stars and Jolly Jrs. had successful anniversary affairs. John Kraljic leaving Detroit again. Sam loves to drive the new truck. When do we get our ride? Youngsters just couldn't wait till school started. In Soviet Russia every year boys and girls from the ages of eight to sixteen must spend a month in the camps. Musketeers intend to have a bowling team this year and a good one at that. You bowlers better watch out; our bowlers eat grapes. nuts. May I again remind you Musketeers to attend our forthcoming meeting, very important matters are to be transacted. Elizabeth M. Ambrusic, Lodge 706.

Flood City

Johnstown, Pa.—Plans for our annual Halloween dance, to be held on Oct. 19, are completed. Martin Serro's orchestra from Herminie was selected to play for this dance. (This music is heard every Monday over radio station WHJH.) Here's an opportunity for all the people of Johnstown and vicinity to see and hear him in person. We take this means of inviting the Keystoneians, Yough Valley Knights, Silver Stars, Clairtonians, and how about St. Michael, South Fork and Beaverdale? Flood City's representative at the English-speaking lodge conference in

Chicago.—Four new members were initiated into our Lodge at last Friday's meeting, three others came in by transfer and ten nominations were made as we pledged ourselves to initiate at least ten new members at our Oct. 18 meeting. We talked about our many activities stressing the 10th anniversary celebration and the English speaking conference; the English speaking conference; the writer will represent the Pioneers. Several members received gifts and Bertha Svetlik was the recipient of a free-combination ticket to our 10th anniversary banquet and program. After the meeting the Girls' Ball was put on a minstrel show to the delight of the big crowd, and the Ethnic brothers played a few pep numbers on their string instruments. The boys quaffed from the old keg and merriment prevailed.

News from the 10th anniversary include the story that Frank Perchin Jr., of Johnstown, Pa., who will represent Flood City at the Nov. 2 conference, has turned in two more completed sub books and that he is working on the fourth one now. Great guns, this boy really means business. Eddie Arkok makes it two for his family. Joseph Hudale also brings up the second for his family, and Elsie and Louise Micklautz are placed in the duo class also. Estelle Korike, Mae Tortorice, Anne Golub and Frances Pechota complete the list of returns since the last report. There is still time to get on the job and secure a free-combination ticket to the banquet and program. Two more lodges sent greeting ads and that brought the English Speaking Lodge representation to 17.

Favorable comment is going the rounds on the neat tickets prepared for our celebration. We tried to stress the importance of selling tickets last week. Our time for this work is exceedingly limited as ONLY 7 DAYS REMAIN TO THE BIG DATE. Most of our members have done very little thus far to help the project along. We leave it to you now to create the good will necessary to carry us over the top. We just absolutely must fill the hall for the program on Sunday. We know that the out-of-towners will help us, but we must first get the Chicagoans interested.

Please note that all reservations for the Banquet Sat., Nov. 2, must be made by Oct. 30. Delegates to the conference likewise should mail their reservations because the management must know in advance for how many to prepare. Just selling a banquet ticket isn't sufficient.

What about those personal greeting ads? Some of you who can afford to spend \$1.00 can greet the First All English Speaking Lodge conference thru "THE PIONEER" as some of the space will be devoted to the delegates and the conference. Figures are now being secured for the printing of the book and all the agents agree that it's going to be a smart book. We ask you to act at once if you wish to be represented.

Don't be left out of a book which will be read and reread 20 and 30 years hence.

On Thursday, Sept. 26, we'll have our Antiwar rally at the Unemployed Headquarters, 2544 S. Millard Ave. The admission is free. We ask our people to fill the hall and listen and take part in a discussion about war. You all know what Mussolini is trying to do to Ethiopia. The papers have been full of reports of the bickerings of this tyrant and the European nations. First, he ordered the mothers to bear children and now he wants to send them to the slaughter field. All of Europe is aghast with a feeling that war may break out any minute. Hundreds of Slovene and Yugoslav lads have been forced into Mussolini's army and into his expedition to Ethiopia. Big antiwar meetings all over the world can still prevent war. Come to the meeting Thursday. Our Social Study Club is the sponsor.

We have to thank our many friends for the way they helped our Unemployed Club at the social last Saturday. The place was packed and hummed with activity until late Sunday morning. This will enable us to keep our place heated for the winter.

Now, if you want to have another real good time during this Indian Summer weather, come to Kegel's Grove in Willow Springs, Ill., Sunday, Sept. 29. We'll have dancing to the tunes of Johnny's Merrymakers, games and a program, all for nothing, because the admission is free.

Thirty Pioneers are already lined up and we need only ten more for a special bus trip to West Allis, Wis., on Saturday, October 5, to attend JOLLY ALLIS' ANNIVERSARY. Frank and Luke Groszer are in charge of arrangements. The round trip fare is only \$1.25. We must know by Sept. 30 if you can go. Call Rockwell 2086 or 8426.

Sunday, October 13, 1935, is a very important date for all Pioneers. On that date we are to have a group picture of all Pioneers taken in front of the SNPJ hall and every Pioneer member is requested to be present. It is nine years since the last lodge picture was taken. We must have a full representation.

STRUGGLERS' SEARCH-LITE

Collinwood, O.
On Wednesday, Oct. 2, the Strugglers are holding their first social of the season, and are inviting all lodges to attend. All Struggler members will be admitted free, outsiders must pay 15c. Good music and fun galore for all who attend. Once again we appeal to all Struggler members to be present as nominations will be in order for our delegate to the Chicago Conference, which will be held on Nov. 2. Every Struggler will receive 25c worth of refreshment tickets free. Will you come?
Rec. Sec'y. Lodge 614.

The Reveliers' Column

Ambridge, Pa.—A rapid review of the Reveliers' meeting: Late in starting, with the ladies present in larger numbers. And carrying on a whistling conversation, which is very naughty, or was, back in school days. Mary Tonic, chairlady of the Oct. 12 dance, gave the report of the preparations for the dance. Ken Francis' Blue Blues orchestra to be featured, at the expense of \$75.00 for eleven good musicians. A contrast in attention. The move to put aside for athletics 50% of the Oct. 12 dance proceeds received; attention by only three members; breakage of glassware at the last picnic caused a real hub-bub. A report of the preparatory conference at Cleveland was submitted. Joe Beck was elected as Rev. delegate to the E. S. convention. Martin Spec named alternate. Recognition was given to the boys' mulligan team. The post-meeting social was short but nice. A luncheon of waters, dessert, cake and coffee was served. A short round of games followed. All over at 1 a. m.

Another item that was covered at the meeting. The Reveliers submitted 14 names to be recommended to the Supreme Board for selection as the committee to draw preliminary reports for the E. S. convention. The recommended names are William Trank, Thomas Ganter, Joe Brinora, August Riska, Jane Fradel, Don Lotrich, Vic Jakovac, John Spill, Maria Antonic, Marian Konchak, John Lokar, Henry Previc, Louis Kosela and F. J. Kress.

ALL THAT SORT OF THING.—All those interested in bowling are to meet at the Slovene club Friday evening Sept. 27, at 8 p. m. sharp. A league for the winter months will be formed. The ladies are invited, too. Compliments to Mrs. Terbizian for her last week's contribution. Welcome to the published reports of the Supreme Board.

The Revs' mulligan team closed its season by winning two games at the Jolly Jrs. picnic. In the first game the Revs defeated the Pioneers; the second was won over the Veronians. Post-cardings: Cookies Alich vacationing in Frankfort, Ill.; Dot 'n' Marian asking for a dinner date. Becek and Grosdeck won councilmanic nominations in the Ambridge primaries for the first and second wards, respectively. Kosela gained a renomination for an election board job. Political and ballot education is a sore need of the American masses. Although Bro. Lotrich deserves the greater credit for submitting a prepared program at the Cleveland E. S. conference, some recognition should be given Penny lodge members. Bro. Lotrich submitted the first eleven points. The Penny representation submitted three of the accepted 14 points. These were: (12) SNPJ summer school or means of education; (13) curtailment of time and expense of SNPJ conventions; (14) the granting of more authority to Federations to better function as SNPJ bodies in their respective localities. Football among the Revs: Martin Grandovic will soon enroll as a Temple University freshman. Albie Kubel is the regular fullback on the local high school team. So long, until again. Louis Kosela.

THE JOLLY JUNIORS' 7TH ANNIVERSARY

Bridgeville, Pa.—Picnic was very successful socially and financially with a record-breaking crowd ever to attend our affairs. Our thanks of appreciation go to Veronians, Pioneers and Reveliers mulligan teams, also to the members and friends of the above lodges and not to forget the Cavaliers of Burgetstown, Excelsior, J. Z. Jr. of Liberty, Lucky Stars and to the Slovene speaking

lodges—Midway 89'ers, Cuddy, Avella and last but not least, Sygan No. 6. The sport program results:—Ambridge Reveliers won a beautiful trophy in the mulligan elimination by defeating Veronians and edged out Pioneers in the second game. The soccer game the Jolly Juniors team won its first game by defeating a strong Cedar Grove Juniors by a score of 3 to 2. That's a good start, boys, and keep the ball rolling for more victories.

To the members of the Jolly Juniors, I take my hat off for their commendable cooperation with Prexy Charles Kaucic's Picnic Committee.

The Lucky Stars of Imperial, with their 5th anniversary dance over, may I congratulate your lodge on its 5 years of work in the SNPJ.

The Reveliers are having their annual Fall dance Oct. 12. Under chairlady, Jewel Petros, you can be assured of a good time.

Tommy Ganter, Sec'y., 669.

LODGE SPIRIT OF ST. LOUIS

St. Louis, Mo.—Sorry the following announcement is late, but just the same—the Spirits will hold a wiener roast Sunday, Sept. 29, at Jake Kacin's place, 7806 Elton (County-straight out Gravois). Those going should meet at the end of the Cherokee carline between 2 and 3 p. m.

This will be conclusion of the Spirits outdoor activities, so you should attend and enjoy yourself with the Spirits as there will be plenty of refreshments besides the "roast." Call Kacin's for more information.

The Spirits 7th Anniversary celebration will be held either Oct. 26 or 27 at the Sokol hall, 1439 Chateau. (More next week.)

Whoorit.

LODGE NO. 319

Cuddy, Pa.—Yes, a happy time is in store for each and every one at the Slovene hall, Sept. 28. And may we have the privilege of receiving the cooperation of other lodges including Sygan, Presto, Avella and Imperial to make this dance an outstanding event. The music will be furnished by Pete Salak and his orchestra. Now don't you forget you have a date to be at the Slovene hall, Cuddy, Pa., Sept. 28. Molly.

BANQUET AND DANCE

Cleveland.—October 6, 1935, will go down in history for the Napredne Slovene, Lodge 137, SNPJ, marking their 25th anniversary. 25 years is quite a long time for a group of women to keep together and to keep growing year by year. So on the historical date these women are having a banquet and dance by way of celebrating their anniversary. This affair is going to surpass any that they've ever had in every way.

At this time the 15 remaining charter members will be present and have their own table. Judge Frank Lausche will represent his mother, who was the first president of this lodge.

The chief hostess will be Mrs. Candon, a very active member, and suited to her post. The main speakers for the evening will be Bro. Vincent Calkar of Chicago, president of the SNPJ, and Judge Frank Lausche of Cleveland. There will also be singing on the program which will be furnished by the lodge's own talent. Supper will be served promptly at 6 o'clock so don't you dare eat anything at home beforehand, because this is one meal that you will remember and talk about. Dancing will follow immediately after the banquet. Music by Barbie's orchestra. Admission to this banquet will be only 75c, so get your tickets now.

There will also be dancing in the upper hall which will be in charge of the younger members of the lodge. Come and dance in the beautiful auditorium of the S. N. H. on St. Clair to the music of Jackie Zorc's 7-piece orchestra. You've heard Jackie play time and again, but wait till you hear his full band of 7 men. Don't pass up the opportunity. Admission to the dance is 30c.

What a banquet! What a dance! Come one, come all and get a full evening's enjoyment all the way around. First of all, the decorations will be carried out in silver and will be very unique, secondly, the food will be excellent and tasty (the Napredne Slovene are noted for serving good food), thirdly, their entertainment will be diverting, and last but not least, the music will be refreshing. Don't forget October 6 at the Slovene National Home on St. Clair Ave. Lower hall for the elaborate banquet and dance, and upper hall for dancing alone. Mollie Martinec.

FISHER'S PEAK LODGE NO. 714

Trinidad, Colo.—Attention, members of Lodge 714, SNPJ, "Fisher's Peak." At our regular meeting, Sept. 15, it was announced that all members who do not attend every 3rd meeting will be fined fifty cents. Members, please take notice, and attend meetings regularly, and avoid this fine.

Our next meeting will be held Oct. 20. Mary Sargie, Recording Secretary.

The Big Celebration

Chicago.—You from Detroit, you from Milwaukee, you from Cleveland, and you from every city and town where an English-speaking lodge exists: Do you fully realize the significance and the big proportions the two dates, November 2 and 3, have assumed? We think not. We think you would actually have to get an inside glance on the city of Chicago to get some idea of the rush and tumble of activities. All for two big days! We wonder if we can possibly crowd everything into those few brief hours.

The Chicagoans want to make sure that all the delegates will be properly taken care of and made comfortable during their stay in the city.

There will be meeting old acquaintances, making new friends. There will be the first conference of its kind ever held by the Society! There will be all the enthusiasm and spirit of a regular convention. There must be constructive work done.

Then will begin the Pioneer celebration proper. Auditorium hotel. How many meetings have been held to determine the place, the price, the accommodations, the program, the tickets, the menu, and details without limit! What a fitting event to inaugurate the celebration! Here is that "common meeting-place" to mingle informally, to meet still a wider circle of friends. The celebration of that day ten years ago when it was decided to give the young folks a chance "to prove what they can do" will have begun! The Pioneer celebration will be a celebration of the beginning of a movement that has gained momentum with each year.

The program Sunday will undoubtedly be the biggest project of its kind ever attempted by a Slovene organization. A large hall has been rented to take care of capacity crowds. Arrangements with the big "name" orchestra and professional talent are almost completed. The appropriations for these two acts alone are almost staggering. Every number on the day's program has been planned with the thought of effectiveness and significance.

Recording all of these events with a complete illustrated history of the Pioneers and, in general, of the whole movement will be "THE PIONEER." If present plans carry out, the entire lay-out and form of the book will be new.

Engravers are starting the work this week, so it is especially urgent that all of the advisory committee who have been notified to send their pictures sit down immediately and do so in order that we may have them at hand by the middle of next week.

It is urgent that every lodge desiring to send a greeting ad do so immediately as well as everyone who intends to send a personal greeting ad.

All engraver's work must be closed October 5 and all printer's work, October 15. Nothing received after these dates can possibly receive any consideration.

Members of the various English-speaking lodges: Take action, establish interest by helping to make arrangements and plans for a successful conference and celebration. It is not necessary that you be the delegate. All of your interest and aid and suggestion will be duly reflected by the one whom you have chosen to represent you. Mary Jugg, 559.

CLEVELAND MUNICIPAL ELECTIONS

Cleveland, Ohio.—The Socialist Party calls to your attention the fact that the distress and suffering which we face today, have their very roots in a wrong social and economic system. The system of capitalism, based on the profit motive, is responsible for our present plight. Unless we change this system, there is no hope for a better future. We know that it cannot be changed in one city alone; it must be attacked on a state and national scale. Yet the beginning of this great struggle for wresting power from the hands of the financial and industrial magnates, the big trusts and corporations, and their political tools, the Republicans and Democrats, must be made in the communities. WE MUST BREAK THE POLITICAL POWER OF THE MONEYED INTERESTS! For the workers much more is at stake in the municipal campaign than the mere election of the city administrators. We are challenging the very basis of the political power of the capitalist state.

Workers of Cleveland, our appeal goes out to you. Vote the Socialist Ticket. The day we use the ballot as a united people, the millions against the few, that day the few will lose their power over us. That day we, the millions, will begin to fulfill the promise we made to ourselves 147 years ago, namely, "to establish justice, insure domestic tranquility, promote the general welfare and secure the blessings of liberty to ourselves and to our posterity."

DO NOT SCAPE AT THE BALLOT BOX. VOTE A STRAIGHT SOCIALIST TICKET.

Our candidate for mayor is Robert D. Dulles, Councilmanic Candidates: 3rd Ward, Mrs. Dorothea Roepke; 23rd Ward, Louis Zorko; 24th Ward, Louis A. Golden; 25th Ward, Max E.

Bro. Barbich's Platform

Cleveland, Ohio. — (Concluded.) —MUNICIPAL OWNERSHIP AND DEMOCRATIC MANAGEMENT OF PUBLIC UTILITIES: A publicly owned transportation system. Expansion of the present light and power plant. Municipal gas distribution.

HEALTH: Expansion of the health facilities.

SOCIAL WELFARE: An adequate public social welfare program to replace the private community fund.

PUBLIC WORKS: Direct work under the city engineers instead of contract work in all municipal enterprises. The right of workers to organize in labor unions. Abolition of the private employment agencies. Expansion of the present city free employment bureau.

CIVIL LIBERTIES: Removal of police restriction on public assembly and freedom of speech. Unrestricted rights to peaceful picketing.

CIVIL SERVICE: Civil Service Commission of three members to be elected by the people.

CITY GOVERNMENT: Vigorous opposition to the city manager plan. The mayor to be elected as at present, but no city official to receive a salary of more than \$5,000 a year.

Some things that I would try to accomplish in the 32nd ward: Abolish the bus transportation and extend the street car tracks over Waterloo and E. 185th to the city limits, and connect the St. Clair-Nottingham to E. 185th. I do not believe in transferring at Five Points and waiting sometimes 10 or 15 minutes for another ride when it is not necessary.

Erection of a public park along Euclid creek. There are over 12,000 voters in the 32nd ward and they are entitled to a public park and the ground alongside is suitable for it.

A bathing beach and bathing house on E. 185th st. The water is there for the people and the people are entitled to it.

There are other things also that could be looked into better. Frank Barbich, Lodge 53.

Wohl; 30th Ward, John Newton Thurber; 32nd Ward, Frank Barbich.

Our Slovene candidate, Louis Zorko, was Socialist candidate for the State Assembly in 1932 and 1934. He is extremely active in numerous organizations in Cleveland. His affiliations and the various offices which he holds are as follows: Secretary of the Yugoslav Section of the Ohio Association for Unemployment Insurance, Recording Secretary of the Cleveland Federation of the Slovene National Benefit Society, Executive Board member of Cuyahoga County Socialist Party, member of Educational Bureau of Slovene National Home, organizer for Branch 27, Socialist Party, member executive board of Emergency Conference on Unemployment relief, Chairman of the Workers' Alliance of Cleveland, delegate to County Central of Socialist Party, delegate to Continental Congress held in May, 1933, in Washington, D. C., and delegate to Unemployment and Social Insurance Congress, held in January, 1935, in Washington, D. C.

A Socialist vote is a vote for the worker! Olga Vehar.

TWO BIG PROGRAMS

Chicago.—The Social Study Club is opening its series of fall meetings with two important events in the course of two weeks.

Ernest Erber, young Socialist from the National Party office, has been scheduled as the main speaker for the big mass meeting Thursday, September 26, at the Unemployed headquarters. Erber made a decided hit with everyone who heard him at the Cook County Socialist Picnic, and since that time has found an increasing demand for his services. Sandwiches will be served by the girls of the club. As formerly, there is no admission charge to these meetings.

Everyone should prepare to enjoy the BIG AMATEUR NIGHT PROGRAM a la Major Bowes to be held in connection with the Red Falcon exhibit and social Saturday night, October 5. Children and adults are invited to participate and present acts to add to the entertainment. Of special interest should be the exhibit of half-year's work produced by the Red Falcons under the supervision of Dorothy Sodnik. Music will be furnished; you are assured of a full evening's entertainment.

Mary Jugg.

Selecting Yours
When your lodge is choosing its representative to the E. S. Lodge conference in Chicago, bear in mind one thing and that is, forget friendship for a moment and cast your vote for your lodge's most active and loyal working member. Pay him or her your appreciation for their hard work. Cast your vote for the best worker, not for the best looking.

At the time of this writing news reached this writer that the following have already been elected to serve their lodges at the E. S. L. C.: Bro. Frank Perchin, lodge 712; Bro. J. Matekovich, lodge 728; Bro. Urana, lodge 613; Bro. John Spiller, lodge 688; Bro. John Kobe, lodge 739; Bro. Andy Grum, lodge 564; Bro. Strimlan, lodge 681; Bro. Herman Presseren, lodge 729; Bro. PIONEER NEWS

Chicago.—All Pioneers interested in making the trip to Milwaukee to attend the celebration of Jolly Allis lodge Saturday, Oct. 5, should let know either Frank Groszer (Rockwell 2086) or D. J. Lotrich (Rockwell 8426). So far twenty-two people have signed up. We must have at least 40 people, so that we will be able to get the ride for \$1.25 each. Let the above know by Saturday noon, Sept. 28; if we do not go by bus we will try to arrange cars for as many as possible. All those driving with cars and have room let us know. To Jolly Allis we say that they can expect some Pioneers either by bus or car. We'll be there. Frank Groszer.

YOUTH VALLEY KNIGHTS

West Newton, Pa.—Last Wednesday's edition of the Prosveta carried an announcement that the Youth Valley Knights were going to have a Polka Dance on September (Saturday) 28, featuring Frank Rebarnik and his Aces. However, we are indeed sorry to announce that due to last minute complications beyond our control, we have been compelled to cancel this date.

A great many of our senior members and loyal supporters were looking forward to this dance with great anticipation and we regret to disappoint them, but we will endeavor to realize their faithfulness by having a dance like this in the near future.

So be on the lookout for an announcement to this effect in the forthcoming editions of good old Prosveta. John Kobe Jr., Sec'y.

WHITE VALLEY

White Valley, Pa.—Events come and go—we anticipate and we remember—we hope and we reminisce. One event will be remembered a long time by all those who attended the Fall Dance sponsored by members of Lodge 326 Sept. 14 at White Valley, Pa.

It was indeed gratifying to see such a large group present at our dance—and they came from all around this section. We wish to express our appreciation and many thanks to all the lodges that attended. Lodges from near and far were represented. Some of the lodges that were present: Keystone's, Blue Moon Strugglers, Comets, Joy Seekers, Avella.

Cheswick, Hutchison, Verona and the Rogels from Clarksburg; last but not least, I wish to thank the members of Lodge 232 for giving their cooperation. The largest delegation attending was from Herminie and Pleasant Valley, Pa.

It is our one hope that you have all enjoyed your attendance. A most enjoyable evening was spent by all dancing and renewing acquaintances.

Be on the lookout and read the columns of Prosveta for there are more dances and events to take place soon.

Onward to a bigger and better SNPJ! Mary E. Gallicic, Lodge 320.

LODGE 732

Coverdale, Pa.—We, the "Colonials," are announcing a picnic which is going to be held Sunday, September 29, at Tschler's grove at Coverdale. Music which is going to be played by Luke Zidar and his Jolly Boys, will accompany both young and old. Fox-trots and polkas. We are extending a hearty invitation to our Senior members and all English speaking lodges within the radius of 40 miles, and we are sure that all that come to our picnic will spend a wonderful Sunday afternoon, which will be greatly appreciated. We are closing the picnic season at Coverdale, and wish to have a large crowd.

Minutes of the Semi-Annual Meeting of the Supreme Board of the Slovene National Benefit Society

held at the Society's headquarters in Chicago, Ill., August 8, 9 and 10, 1935

Finance Committee

We went over the work of the Finance Committee and also interviewed them on matters of investments, their relations to the Administrative Committee and on matters pertaining to investments and assets in general owned by our organization.

In our conversation with them, we learned of the particular complaints of the Finance Committee against the Administrative Committee which were already stated in their report. They declared that there should be only one committee with power to invest and the other with power to veto the investments decided on by the Finance Committee, if it had any doubt that the investment intended to be made by the Finance Committee is questionable, as these duties for both committees are defined in the By-laws.

We find that all investments by this Committee were made according to the procedure and rules in force in our Society.

No new investments were made in the southern states.

The Employees

There are, in the Insurance department now, nine employees, five of them regular and four temporary who are employed as extra help.

Brother Secretary explained that these extra clerks are necessary on account of various extra and new duties in the office, as improving the records, etc.

The Publications employ besides the two Supreme officers (Editor and Manager) five persons, i. e., three in the editorial department and two in the business office. The Printery employs two clerks and ten regular printers and others. Some of these work only part time.

For taking care and managing the office building and hall we have one employee. He submitted to us two recommendations: one to enlarge the bar-room and the other about rules to rent chairs and tables. On this, definite rules could be made by the Administrative Board.

Auditorium Income

We examined the records of the Building Manager, Brother Anton Troyer and found them in order. The income of the auditorium was as follows:

Table with columns: Month, Total, Percentage, Net. Rows for Jan, Feb, March, April, May, June, and Total.

The income of the Auditorium for the period of January-June 1935 was \$221.61 higher than in the same period last year.

Comparative figures of net Auditorium income for each of the past four six-months periods are submitted herewith:

Table with columns: Period, Net Income. Rows for January-June 1935, July-December 1934, January-June 1934, July-December 1933.

Croatian Hall

Brother Vincent Cankar submitted to our committee monthly reports of the receiver for the Croatian Hall, Mr. P. Mozoleski. His records were not audited by Brother Cankar and we present the figures as they are on the statements:

Table with columns: Month, Receipts, Expenditures. Rows for January, February, March, April, May, June, and Total.

The Croatian Hall is now rented by brother Joseph Kuhel. For the first three months he is to pay \$75 a month rent and then \$100. This agreement was made between him and the Administrative Committee. More about this and other properties was explained by members of the Administrative and Finance Committees.

Athletics

For the purpose of promoting athletics in our lodges the following amounts were contributed from our treasury:

Table with columns: Lodge, Amount. Rows for Lodge 575, Lodge 245, Lodge 559, Lodge 8, West. Penna. Fed., and Total.

Advertisements

Table with columns: Ad Type, 1935, 1934. Rows for Ads in Prosveta, Ads in other publications, Programs, Placards, Almanacs, On stage curtains, Miscellaneous advertisements, and Total.

Complaints and Charges

The chairman of the Supervising Committee received a lengthy communication on May 15, 1935, from Brother John Olip stating that there is confusion in the Supreme office in regards to new investments, which causes disagreements and strife between members of the Administrative and Finance Committee. In the same letter he made a complaint against Brother Cvetkovich on his delayed voting on matters of investments.

The chairman of the supervising committee, Brother Frank Zaitz, stated his position and recommendations in answer to Brother Olip's complaints in a circular letter which was sent to all members of the supreme board in the end of May.

The point of issue in Brother Olip's criticism and complaint we already discussed under the caption "Administrative Committee" and "Finance Committee".

Lodge No. 326 in Uniontown, Pa., sent us a protest against the Supreme secretary because a former member, Peter Pavlovic, was reinstated into the Society with all the rights as an old member. Brother Secretary explained to us the nature of this case and we are of the opinion that the decision of the Administrative Committee on the matter, against which lodge No. 326 protested, was the proper one under the circumstances.

There were other complaints mostly of minor importance of such nature that they should be addressed to the Judicial Committee and none to the Supreme office. In our reply we explained to the members what should be the proper procedure

in filing their complaints and cited the forms to be used.

Minutes in Prosveta

In order not to duplicate financial reports in the minutes published in Prosveta, we recommend that only such parts of reports are to be published that do not duplicate the same figures and other matter.

We will edit for publication our financial report from the statement of the accountants in a style that will be informative to the membership and in the same procedure as we have always followed heretofore.

This concludes our report. It was adopted unanimously at the meeting of our committee held on August 7, 1935.

Supreme Supervising Committee: FRANK ZAITZ, Chairman FRED MALGAI JACOB AMBROZICH

Meeting adjourned at 12 o'clock noon.

SECOND SESSION

Afternoon of August 8

First Vice-President, Bro. Somrak, called the meeting to order at 1 P. M.

All members of the Supreme Board were present. Bro. Zaitz submitted:

Accountants' Report

The following is the report of the accountants, retained by us to audit the books of our Society and to make reports, recommendations or any statement they deem necessary:

August 1, 1935.

Mr. Frank Zaitz, Chairman, Audit Committee, Slovene National Benefit Society, 2657-59 South Lawndale Avenue, Chicago, Illinois.

Dear Sir:

As instructed, we have made an examination of the books, accounts and records of the

SLOVENE NATIONAL BENEFIT SOCIETY INSURANCE DEPARTMENT

for the six months ended June 30, 1935.

Subject to the comments stated herein, we hereby certify that the accompanying exhibits and schedules are in agreement with the books, and, in our opinion, fairly and truly set forth the financial condition of the Insurance Department at June 30, 1935, and the results of its operations for the period stated.

Respectfully yours,

PHILIP B. HELLER & CO.

Certified Public Accountants.

A detailed audit of the cash records of the society was made by us for the six months ended June 30, 1935. We found all receipts recorded in the cash books properly deposited intact. All cancelled checks were examined by us and endorsements noted.

On July 23, 1935, we made a physical inspection of all securities at the safety deposit vaults, and together with our examination of securities at the premises of the society during the course of this audit, an accounting was made of all bonds, mortgages, tax warrants and interest coupons, except those coupons maturing in July, 1935, which had already been detached and put through for deposit or collection. All securities in the hands of brokers or on deposit, were verified by proper evidences on hand or by direct correspondence.

Subordinate lodge receipts increased \$2,253.20, as compared with a decline of \$1,421.74 in the previous period. Interest receipts declined \$8,578.00, primarily due to mortgage loan interest unpaid and the foreclosure and acquisition of these properties. Miscellaneous receipts indicate a gain of \$7,554.04, but this gain is represented entirely by a net profit on matured and exchanged bonds which accumulated by reason of the adjustment to par value on a number of securities exchanged and matured. The net gain in all receipts of \$2,492.13 is less than 1/4 of 1% over the previous period.

Payments to beneficiaries increased by \$15,757.61 due to a 15% increase in sick benefit claims paid in this period. Disability claims paid indicate an increase of \$3,750.76. General Expenses showed a substantial increase of \$5,731.56, or 20% over the previous six month period, due to heavy litigation costs and the usual first six months expenses that do not repeat: viz, safety vault rentals, State Insurance Department fees, bond premiums, etc.

In general, the records of the society were found in good order.

During the six months ended June 30, 1935, the society reached over 20% of its Adult Department assets in U. S. Government securities and in accordance with the provisions of its by-laws, may acquire municipal, county or state obligation bonds provided however, that the minimum of 20% is maintained. The Juvenile Department does not yet own the required 20% ratio.

We herewith extend our appreciation to your officers and employees for their cooperation during the course of our investigation.

Comparative Summary of Assets

The assets of all departments and funds are shown in the following table (figures in the last column, marked by a star, denote decrease):

Bro. Malgai had nothing to add to the report. All orders that he had received from the head office, he promptly carried out and made his reports to headquarters.

Bro. Ambrozich had also nothing to add. The report of the Supreme Supervising Committee was accepted without objection.

Bro. Vider submitted a written Report of the Supreme Medical Examiner

Dear Brothers:-During the first six months of this year, 950 adult and 647 juvenile members were admitted to the Society. Operations, disability benefits and compulsory claims were examined, of which 289 were approved. I appreciate the cooperation given me by the various members of the Board in assisting to handle all claims in an intelligent manner.

JOHN J. ZAVERTNIK, M. D.

The report was accepted without objection. Because some of the members of the Supreme Board had questions pertaining to the report of the supreme supervising committee and concerning financial matters, Bro. Cankar ruled, that next in the order of business would be a

Discussion of Financial Matters

In answer to a query of Bro. Cvetkovich, Bro. Vider said that our SNPJ is 105.35% solvent. Then he explained to Bro. Podboj that the average interest yield at the end of 1934 was 3.86%. Bro. Vogrich added, that for the present year the interest yield would be slightly higher, because during the current year many interest payments for previous periods had been made.

Bro. Petrovich expressed his desire, that the question of the responsibility for the purchase of bonds: whether that of the finance or administrative committee, be settled. He described his experiences, when, not long ago, the administrative committee in three cases stopped the purchase of bonds without valid reasons and without an investigation. So that this could not happen again, he made the following motion in the name of the finance committee:

Whereas the by-laws of SNPJ require that the

During the current period, the department disposed of its holdings in Hidalgo County, Texas Water Improvement #5, and sustained a loss of \$3,056.30, as follows:

Table with columns: Proceeds of R.F.C. Loan, Net Loss Absorbed.

We audited the individual accounts and found the aggregate thereof in agreement with the control account per books. All interest credited to the accounts were checked by us on a basis of 1/2 of 1% for the past six month period.

Income and Expenses

The six months ended June 30, 1935 created a net loss of \$1,955.06 as compared with the previous net income of \$1,007.32, thereby showing a decline in net results of \$2,962.38. This decline in net results was occasioned principally by the disposition of the Hidalgo Co., Texas, Water Dist. #5 bonds heretofore mentioned.

A summary of the income and expense for the past two periods is submitted below:

Table with columns: Income and Expense, Six Months Ended, June 30, 1935, Dec. 31, 1934, Increase/Decrease. Rows for Total Income, Total Expense, Net Income-Loss.

The records of this department were in good order.

Bro. Zaitz stated that with this the more important statements and computations from the report of our accountants are concluded, and that therefore the report of the supreme supervising committee is completed.

Bro. Malgai had nothing to add to the report. All orders that he had received from the head office, he promptly carried out and made his reports to headquarters.

Bro. Ambrozich had also nothing to add. The report of the Supreme Supervising Committee was accepted without objection.

Bro. Ambrozich expressed his thanks and parted.

The discussion concerning the motion of Bro. Petrovich and other members of the finance committee was continued. At times the debate was an informative character and occasionally did not pertain to the motion. Bro. president permitted this, because he considered it necessary in order to clear up the different opinions.

Bro. Zaitz explained his opinion in a lengthy speech. He called attention to the last convention which adopted the provisions in question with the intent that the finance committee should purchase the securities and the administrative committee have the power to stop payment for them, if irregularity were found. The supervising committee, however, it should not be forgotten that no action has been made, and that the interest of the Society would be best served by cooperative and mutual confidence of the members of the two committees.

Bro. Vegrich defended the actions of the administrative committee. In his opinion they decided every case according to their best ability. No one even thought of assuming any rights not belonging to them, and the administrative committee could take no other action according to the by-laws.

Bro. Vider regretted the repeated occurrence of these differences. He said that it was discouraging and that he, himself, was constantly working for the best interests of the Society.

Bro. Godina declared that the members of the administrative committee prevented the purchase of some investments, because they were certain that it was their duty to do so according to the by-laws.

Bro. Podboj considered this controversy unnecessary and that all that was needed was more operation.

Bro. Molek called attention to the fact that Bro. Petrovich's motion really represented an amendment to the by-laws. The cause of this disagreement is the unclearness of the by-laws.

Bro. Gradishek mentioned that the administrative committee was careful when vetoing, which was obviously correct.

Bro. Barbic considered the by-laws clear enough and expressed his desire that both committees cooperate and work in harmony for the good of the Society.

Brothers Tercelj and Malgai also discussed the by-laws.

Bro. Cankar stated that since there were a few more names on the speakers' list, it would be best to postpone this discussion to the next session. Meantime a special committee could be elected, to study appeals and complaints, and if there were no objections, nomination of three members to the committee was in order. There was no objection.

Brothers Lokar, Malgai, Somrak and Cvetkovich were nominated. All, except Bro. Cvetkovich, accepted the nominations. Bro. Cankar declared Brothers Lokar, Malgai and Somrak elected to the committee to examine appeals, complaints and applications for special benefits. There was no objection.

Bro. Cankar adjourned the meeting at 5 P. M.

THIRD SESSION

August 9-Morning

The meeting was called to order at 8 o'clock the morning. All members of the Supreme Board, except Bro. Ambrozich, were present.

The minutes of the first session were read and approved.

The minutes of the second session were read and with a few corrections approved.

Bro. Zupan, who was recording the minutes, mentioned that some reports were submitted in English and others in Slovene, and that it would be necessary to translate the English reports into Slovene and vice versa.

Bro. Molek moved that the recorder take care of all translations, and that the administrative committee fix the remuneration for this extra work. -Seconded and unanimously adopted.

Bro. Cankar decided that next in order of business would be to continue the

Discussion of Financial Matters. Bro. Petrovich read, for the second time, the motion of the members of the finance committee explained again the reasons why they had presented this motion.

Bro. Somrak said, that he was convinced that there was only one way to end the dispute between the finance and administrative committees, and that was to rule that only federal securities be bought. He therefore moved, that until the next meeting of the Supreme Board the Society's assets be invested in federal securities only.

Bro. Lokar had intended to make the same motion as Bro. Somrak made, therefore he heartily approved the motion.

Brothers Tercelj, Molek and Podboj spoke in opposition to Bro. Petrovich's motion.

Bro. Cankar called attention to the fact that there was a dispute about this matter at the last convention. When the provisions of the by-laws were accepted, it was believed that both committees would be responsible and they would function somewhat like the two branches of the American legislature. He then moved, that the Supreme Board interpret the provisions of the by-laws as follows:

The Supreme Board interprets the provision of the last sentence of section 2, article 4, which reads: "If the Administrative Committee shall in any case doubt any loan or security in which the Finance Committee intends to invest, it shall withhold payment and institute an investigation." to mean:

If the supreme administrative committee considers a contemplated investment bad or if it suspects that anything is wrong with the proposed investment, it shall be its duty to withhold payment and at once to institute an investigation. If the investigation discloses that the investment is poor or unsuitable for the Society, the administrative committee must advise the finance committee of the facts and state their reasons for refusing payment. If the finance committee persists that such investment be completed, it must so inform the administrative committee and state the reasons, why it persists. If then, the administrative committee insists, that the finance committee has good reasons for its attitude and believes that the contemplated investment is not bad or unsuitable for the Society, it can be completed. But if the administrative committee is not convinced, it must still withhold the payment and so advise the finance committee. If the finance committee then, notwithstanding, insists that such bonds be purchased or investment be completed, it becomes the duty of the supreme administrative committee according to section 3, article 4, of the by-laws, to submit the whole matter to the supreme supervising committee, whose duty it will be to investigate the matter and to act according to section 1, article 5 of the by-laws.

Bro. Cankar moved that Bro. Ambrozich be excused from further attendance. Motion was seconded and unanimously adopted.

Bro. Godina moved that Bro. Ambrozich be excused from further attendance. Motion was seconded and unanimously adopted.

Bro. Somrak presided.

Bro. Ambrozich reported that he had just received a telegram from his wife, advising him that his assistant had suddenly taken ill. Since it was therefore imperative that he return immediately to his work, he asked to be excused from further attendance.

Bro. Godina moved that Bro. Ambrozich be excused from further attendance. Motion was seconded and unanimously adopted.
