DAILY NEWSPAPER

NO. 148

CLEVELAND, OHIO, SATURDAY MORNING, JUNE 25, 1938

LETO XLI. — VOL. XLI.

### Relifni položaj v Clevelandu je postal jako resen. Ljudje postajajo lačni in nemirni

Cleveland. — Relifne blagajne v Clevelandu so popolnoma prazne. Kdo je kriv, nihče neče priznati. Župan Burton dolž državno postavodajo, a slednja dolž zanemarjeno in zapravlji vo mestno upravo v Clevelandu.

Toda med tem ljudje stradajo. Kdor je videl prizore na raznih oddajnih postajah, kamor je stric Sam postal nekaj živeza za silo, ta je videl dovolj gorja. Najhujše je bilo na 53. cesti in St. Clair Ave. in Na Aspinwall Ave. in Saranac Rd.

V teh okrajih stanujejo večna naši ljudje. Neka ženska je stala dve uri v vrsti, predno je mogla priti blizu oddajne postaje, kjer so dajali ljudem oranže, čeplje, grah in paradizike.

Postalo ji je slabo, in ker se nahaja v blagoslovjenem stanju, je padla v omedlevico. Siroto so

mrali poslati v bolnišnico. Najmanj 5,000 ljudi je čakalo, da pridejo na vrsto in dobijo nekaj sadja.

Mestna blagajna nima niti enega centa za relif, niti dovojenja, da si izposodi denar.

Državna postavodaja odlaša.

Kar dobijo siroti ljudje, se imajo zahvaliti zvezni vladi, ki pošilja nekaj zelenjave in sadja v Cleveland.

Zalosten je prizor na oddajnih postajah živeza. Stari in mladi, hromi in zdravi, otroci, ženske s sivimi lasmi in mladenečki rumenolaski, vse se drenja in koprni, da dobi nekaj funtov svežega sadja.

Zvezna vlada je izjavila, da ima za Cleveland še nekaj ton sadja, in ko bo to razdeljeno, potem ne nihče, kako in kaj prineže bodičnost.

### Nemci trdijo, da židje izvajajo kontrolo nad demokratisko in republikansko stranko

New York, 24. junija. Fritz Kuhn, vodja ameriških Nemcev, ki se potegajo za nemški nacijem, je izjavil včeraj, da je Amerika popolnoma dominirana od židov, kar se tiče gospodarstva in politike.

"Ameriški narod," je izjavil Kuhn, "ne pomeni danes ničesar. V gospodarskem in političnem oziru je popolnoma kontroliran od židov. Židje v Ameriki imajo absolutno kontrolo nad bankami."

Fašist Kuhn je nadalje izjavil: "Demokratska stranka v Ameriki je pod kontrolo židovskih velebankirjev Kuehn, Loeb & Co. To židovsko podjetje je končno pod kontrolo evropskih Rothschildov."

"Republikanska stranka v Ameriki," je nadaljeval Kuhn,

"je pa pod kontrolo znane židovske finančne firme John P.

Morgan & Co. 60 odstotkov vseh

uradnikov v Ameriki so baje židje," je dejal Kuhn.

"Zedinjene države imajo svoje najhujše nasprotnike v židih, toda Amerikanke bo vzel dolgo časa in mnogo težkih finančnih izgub, predno bodo to dognali.

Amerika bi bila idealna dežela, da ne bi imela v svoji sredini židovske izkorisčevalce," je končno rekel Kuhn.

#### Oh jea!

V Clevelandu se nahaja John D. Hamilton, načelnik republikanske stranke v Zedinjenih državah. V hotelu Statler je imel sinoči govor, tekom katerega je izjavil, da bo ustava Zedinjenih držav v kratkem mrtva, ako ne pridejo republikanci na pomoč. In na pomoč morajo priti na tačin, da na široko odprejo svoje blagajne in prispevajo za stranko, tako da bo mogoče v jeseni dobro agitirati, da bo izvoljenih čim več republikancev v kongres v razne governorske urade. "Mi smo strašno nazadovali zadnja leta!" je rekel Mr. Hamilton. "Čas je, da začemo misliti in gremo naprej. Hoover naj bo naš vzor!" Priporočamo, da Mr. Vatro Grill zopet postane vodja republikanske stranke v Clevelandu. "Vremena Kranjcem bodo se zjasnila" potem.

Delnice napredujejo

Na borzi v New Yorku naraščajo dnevno cene delnicam. V enem tednu je narastla njihova vrednost za 10 odstotkov. In kot kažejo vsa znamenja bo cena delnicam še napredovala. Tudi bondi imajo precej višo ceno od zadnjega tedna.

**BESEDA IZ NARODA****Hinavščina komunistov**

Brez primere je ta hinavščina komunistov! Vedno se postavljajo kot zagovorniki in pospeševatelji svetovnega miru, v resnici v in dejanju pa hujskajo na vseh končeh in krajih, da bi prišlo do svetovnega klanja. Seveda hujskajo na skrivaj. Volkovi v ovčjih oblekah! Slediči slučaj nam dokazuje to brezprimerne hinavščino komunistov.

Pred kratkim so priali teli na francosko ozemlje ob španski meji neki "nepoznani bombniki" in metalni letalske bombe. Kajpada je rdeča propaganda za zločin naprila Francu, "fašistom," kakor pravijo. Saj pri rdečkarjih je vsak "fašist," kdor žnjim ne tul v isti rog! Sam francoski ministrski predsednik Daladier je šel na špansko-francosko mejo, da se prepriča na lastne oči o učinku tege bombardiranja francoskega ozemlja. S tega potovanja je prinesel Daladier dokaze, da so metalni na francosko ozemlje rdeči španski letale iz Barcelone! Francov veleposlanik v Londonu je uradno obvestil angleško vlado, da Francova letala zadnje tedne niso prišla blizu francoske meje, kar je dokazala najstrožja preiskava.

Pa piše ga. Streiner, da ne ve za imena. O, ti grda laž! Kaj ne, da ne veš mojega imena in nikoli me ne vidiš korakati. Ravno tako druge ne. A prav dobro veš, da smo prvič začele šivati narodne noše v našem stanovanju. Zakaj torej tako grdo preziranje? Zadnjič smo izvolile Mrs. Brezovar, da voditeljico, pa bi jo prosila, da bi ona napisala par pravilnih besed, pa bi bilo O. K.

Zakaj prezirati imena takih, ki jih vsak pameten človek pozna in spoštuje, kakor je naša dobro poznana v spoštovanju. Napeljano je tudi, da jih bo lahko več šlo domov z večjim bogastvom, kakor bodo pa tja prišli. Torej, na svidenje vsem skupaj, če ne to potrajeti. A. L. B.

To so storili komunisti sami iz tega namena, da bi nahukali Francijo proti španskim nacionalistom, proti Francu, da bi mu Francija napovedala vojno. Kakor hitro bi se to zgodilo, bi zavrsala vojna po vsej Evropi in najbrže po vsem svetu.

In to je, kar si komunisti in njihovo osrednje vodstvo v Moskvi tako želi: *zanestiti svetovno vojno, iz katere bi nastala svetovna revolucija, v kateri bi se komunisti polasti gospodstva na svetu.*

Kaj zato, da bi padlo milijone žrtv, kaj zato, da bi bilo razdeljano, kar se je stoletja in stoletja gradilo, vse to ni komunistom nič mar! Saj to je njihova naslada: broditi po mlakah človeške krvi, kar jasno dokazuje vsa tridesetletna zgodovina komunizma. Da le oni pridejo na površje, čeprav skozi potoke človeške krvi. — Ni cudno, da tudi Francija sama spregledava hinavščino komunističnega vodstva iz Moskve, in je zato — da bi se čim preje končala vojna v Španiji, — zaprla svoje meje proti Španiji, da ne bi nobena stranka v Španiji več dobivala preko Francije vojne pomoči. Pri tem so seveda udarjeni rdečkarji iz Madrida in Barcelone. Hinavščina komunistov, ki vsi dobivajo povelja in navodila za svoje delovanje iz Moskve, ta njihova hinavščina je brez primere v svetovni zgodovini!

## Skrivnosti ruskega carskega dvora

ROMAN

Kot propadel človek je zapustil Felsing svojo domovino. V daljni Rusiji je upal obnoviti svojo eksistenco in življene. Že se mu je zdelo, da je šlo vse po redu, ko mu naenkrat zruši to nado zavodni direktor, postavljajoč ga na cesto.

Iz teh misli ga prekine osterglas električnega zvonca kot znak, da se je v sirotišču dogodilo nekaj izrednega.

Tako je pohitel v dvorano, kjer so se v takih slučajih zbirali učitelji. Dobili so visoki obisk. Veliki knez Konstantin, carjev brat, in njegova mlada žena, s katero se je pred osmimi dnevi poročil, princezinja Hela, sta prišla, da obiščeta zavod.

Direktor je hitel h glavnim vratom, skozi katera sta šla visoka gosta s spremstvom.

Veliki knez, resen in bled, preresen za mladega človeka v medenih mesecih. Njegov izraz je potrejal ono, o čemur je govoril ves Petrograd, da je sam car prisilil velikega kneza v ta zakon.

Direktor se je globoko priklonil pred visokima gostoma in ju povdel skozi zavodove hodnike in sobe.

Velika kneginja, duhovita in ljubezna mlada žena, se je živo interesirala za vse. Pregledavala je kuhinjo, kopalnico, spalne sobe, kapelico in vse ostale prostore ter je često vpraševala, da se ji to ali ono razloži.

Neprestano in pretirano direktorjevo klanjanje, večni sladkajoči smeh in male neiskrene oči, vse to ni učajalo veliki kneginji. Kmalu se je nehala obračati na njega, ter je svoja vprašanja raje stavila resnemu Felsingu, ki se je tudi nahajal v spremstvu. Ta je mirno odgovarjal in je samo s par besedami dajal jasen odgovor.

Ko sta Veliki knez in kneginja pregledala celo hišo, sta šla v veliko dvorano, kjer jih je pozdravila zbrana deca s kratko pesmico.

Ko je Velika kneginja zagledala sirote, so se v njenih očeh pojavile solze.

— Sirote brez staršev! — zašepeče ona in stisne njegovo roko. — Ni to strašno, Konstantin, da vsa ta deca, ki jo tukaj vidiva, nikdar ne bo občutila materinske ljubezni. Veliki knez je melanololično gledal pred sebe, skomignil z rameni in rekel:

— To je človekova usoda, moja draga Hela. Nesreča in siromaštvo ne more nikdo spraviti s sveta!

— Glej kako lepo je ono deťe! — vzkljikne Velika kneginja, opazivši med ostalo deco neko zlatolaso glavico, katere svetli očesni sta bili nepremično uprti v prijazno in lepo lice Veliki kneginje.

To je bil Vladimir.

Nekaj časa je Velika kneginja vprašajoča gledala dečka in nato vzkljiknila:

— Za Boga, to deťe ima ob-

Mlada kneginja se zopet obrne na Felsinga:

— Kakšne narave je deček? — Je tako dober in nadaren, — odgovori mladi učitelj.

— Zaslubi torej, da se človek za njega zavzame in da mu omogoči dobro vzgojo.

Brezdovomo, kraljevska visokost, — reče Felsing radostno, gladeč nežno dečkovo glavo. — Mnogo se bavim z malim Vladimirom in prišel sem do prepričanja, da izhaja iz dobre familije. Verjemite mi kraljevska visokost, v našem poklicu človek takoj začuti kakega rodu je dete.

— Deček me zelo zanima, — konča Velika kneginja razgovor. — Hotela bi popraviti njegovo usodo. Zbogom, gospod učitelj! Zbogom, moje dete midva se še vidiva.

Pogladi se enkrat dečka po glavici, poslovi se od ostale dece in peljana pod roko svojega soproga, zapusti sirotišče.

Kneževski par se popne na prekrasno trojko, ki ga je čakala pred vrat sirotišča in odpelje se v brzem galopu do krasne palače, katero je mlaudem paru na dan poroke poklonil sam car.

Kakor hitro sta prispevali v palačo, se Veliki knez opravil svoji soprogi, radi važnih poslov in odide v svoj delovni kabinet. Ko je bil sam, se začne razburjeno sprehabati po mehki perzijski preprogi. Njegove kretnje in njegov polglasni razgovor s samim seboj so kazali, da v njegovi duši besni strahovit vihar.

— Ne, ne varam se, — je govoril nesrečni princ sam sebi: — Oni deček v sirotišču?! To je Vladimir, to je moj sin; Moj sin v sirotišču?! Sin kraljevskega princa v zbirališču nesrečne, zapuščene dece, katero organi oblasti zbirajo po smrdljivih ulicah Petrograda.

— O Bog! Kako strašna je moja usoda. Vzeli so mi Sonjo, katero sem ljubil bolj kot vse na svetu, katero bom ljubil do zadnjega diha. Do danes ne vem, kaj je z njo. Kje je? V katerem s snegom pokritem jarku sniva svoj večni sen. A dete, mojega dragega Vladimirja, najdem v bedi,

**Echoes of Father's Day**

Both evenings, Saturday and Sunday, found the St. Vitus school hall filled to capacity with fathers, both young and old, together with friends and relatives. Everyone had a grand time until the very closing time. It was one of the most pleasant and sociable crowds that has assembled in the hall.

With Father Jager as the m.c. (master of ceremonies) both evenings got off to a jolly start. Numerous personalities were introduced to the assembly. There were golden anniversaries and wedding anniversaries; there were visitors from as far away as Colorado and Ely, Minn.

The programs on the stage were equally pleasing. First of all the Baraga Choral group under Father Jager's direction sang popular Slovenian folk songs during the intermissions of the three acts. They scored a hit and were encored for more renditions. Their accompanist on the piano was Miss Eleanor Karlinger.

On the stage were three one-act plays all well received by the audience. The latter two particularly as they honored the fathers and were of a humorous vein, brought a riotous laughter from the group. Certainly all the actors and their director, Father Jager, deserve highest praise for putting on such a smooth and excellent performance. It surely was a fitting climax and close to the activities on the stage for St. Vitus parish for this season.

Father Jager thanks all those who participated in the presentation, who helped behind the scenes, and who served refreshments. Father Jager also expresses his sincere thanks and appreciation to all the people who attended the Father's Day event and made it the tremendous success it was.

**Pamphlets**

To replenish the stock of pamphlets our rack received an entirely new shipment of 300 pamphlets. The order includes many new titles and many of the old-time favorites. It will be well worth your while to "shop" tomorrow at the pamphlet rack.

**Knights of Our Altar**

The procession of the Feast of Corpus Christi was well attended by the Knights of Our Altar. The High Mass was celebrated at 10 o'clock and sung by Father Jager. After the Mass the cross-bearer led the procession with the first Communicants; the Knights followed. Father Jager, carrying the Blessed Sacrament, was at the end of the procession, which was beautiful with all its solemnity.

A group of 20 boys are being taught the method of serving the priest at the altar. May you become faithful Knights of Our Altar!

**Golf Winner**

Tony Anzlovar is the winner of the first parish golf tournament. By coming the closest to the "bogey" score Tony with the individual trophy offered the winner by the Holy Name Society. At the same time, he won the first leg on a trophy donated by

Frank Pohar. To have permanent possession of the latter trophy a player must win it three times. With the first tournament completed in a big success, the Holy Name Society wishes to thank all the entrants and especially the chairman Frank Pohar whose hard work and energetic support made it a grand success. — Thank you one and all!

Next week the complete results will be published. In the meantime a chart of all the scores will be posted in the church lobby.

**Volunteers Wanted**

Volunteer workers from the Holy Name Society are working hard in decorating the rooms in the parish basement.

They are painting the rooms in the same manner as the church basement was done last year.

By next week the boys will have started on repairing our new meeting room. We hope to hold our next meeting in new quarters.

**Vacancy Filled**

Charles Winters fills the vacancy created by John Dejak's resignation from the outing committee. The outing committee will have a full report to make at the next general meeting. Be there, you'll not want to miss this year's outing! According to the committee it will be the best we've ever had. And if everyone cooperates to the extent that the committee is working, there can be no doubt about it.

**More About Golf**

Perhaps the successful golf tournament is the cause of it, but at any rate we hear that quite a few of our parishioners would be interested in an inter-Slovenian parish tournament. Such an affair would promote good fellowship and should produce some very keen competition. What say? Let's hear from you, St. Mary's, St. Christine's, and St. Lawrence's. Contact Frank Pohar at his service station at E. 61 St. and Superior Ave. as soon as possible.

**Baseball**

St. Vitus meets Immaculate Conception on Friday, July 1 on Diamond No. 3 at Gordon Park at 6:15 p.m. Come out and root for the team.

Last night the St. Vitus Holy Name team played its first game in two weeks. St. Paul's Shrine was met at Gordon Park. We are unable to furnish the details today, but the complete box score will be in next week.

With Kenny Greenwald, one of the best softball pitchers in the city, pitching for the St. Francis, our team lost a 4-3 decision. This game may be counted as a moral victory. From now on watch the team go! Johnny Luzar pitched a steady game for our team and the whole squad in general played a grand game. Keep it up, fellows!

**Sodality Open House**

An Open House for mothers will be inaugurated Friday, July 1, when the YLS holds its monthly meeting at 7:45 p.m. All members, seniors and juniors, are urged to escort their mothers at this gathering as it is a significant one to all Sodalists. Mothers will be admitted free but 15 cents is asked of each member to help carry the cost.

The Sodality room has been remodeled—painted, new fixtures, rearranged furnishings, etc. It looks twice its size—a real comfortable club room.

And we want our mothers to enjoy its opening with us.

After the regular meeting, entertainment—stage show and movies. Refreshments will also be distributed in the auditorium. And there will be souvenirs for all.

Remember, mother was a girl once, too. Don't you think she'd love to feel youth's spirit again—mingle in it? We'll have fun watching them have fun! Show them that you're proud to be a Sodalist! Date Ma up for Friday, July 1st.

**We're Off!**

Tomorrow we're off, Sodality members!

Both juniors and seniors to run loose in that part of God's country known as Lasko's Farm on the Grand River. You'll think its grand, too, when you take that refreshing dip.

If you'll want to play Indians, there will be canoes—but feathers must be supplied by members. And, of course, the hike! To walk and walk and enjoy the mysteries of the woods until you hear that insistent inner call: "I'm hungry, I'm hungry." And will that sandwich taste delicious! And those pickles, Ma's potica, and what have you!

There will also be games—all kinds. By the end of the day, you'll feel double-jointed. Even the next day you'll say, "Oh well, it was worth it!"

The truck will be waiting before Mr. Oblak's home on E.

**St. Mary's Spectator and Commentator****THOUGHT FOR THE WEEK****Be of Good Cheer!**

With so much in the news and events of everyday to depress us, it is hard to be of good cheer! Indeed, one nowadays needs some encouragement to keep smiling in the face of adversity.

"Be of good cheer!" "Be of good heart!" "Have confidence!" "Fear ye not!" — So said our Lord on various occasions.

And the Apostle admonishes not to be anxious about our affairs, but to trust in the loving kindness of God, "casting all your care upon Him; for He hath care of you."

Don't brood over what is past—forget it!

Be not anxious and too eager in the present.

Do your best; leave the rest to God, your good Father in heaven; keep your peace.

Don't worry about the future. What is the use of doing so. It doesn't remedy the troubled state you are in. It only aggravates the condition. Soon things shall come out of the chaos just as quickly as they went into it and we'll look back and wonder—what troubled us. And there shall be no answer!

Indeed, when you see trouble, blessings may really be in store for you. You will turn to God and shortly thereafter happiness shall return. Hope for the best. Accept what happens philosophically. Always act with a pure intention and with deliberation.

"Be of good cheer.—The Lord shall not forget ye."

**Reviewing the Procession!**

The Corpus Christi procession—the fourth of its kind—was truly a noble inspiration for devotion to Our Lord. The gayly decorated pillars, trees and white decked streets were really a treat to the eyes—but charming and attractive were the four main altars erected at the corners. The numerous individual home altars on E. 155th St. really brought

honors to the residents for their efforts.

Msgr. Hribar carried the Blessed Sacrament assisted in the ceremonies by Revs. Celestnik and Baraga. The procession was brightened by the presence of numerous cadet units and drill teams.

Expression of thanks goes to St. Joseph Society who were represented by the cadet units and the band, to the Frances Susel SZZ No. 10, and the Mary Lusin SZZ No. 41 drill teams, whose colorful uniforms added greatly to the procession. Numerous suggestions have come forth for next year's procession and a vote of thanks goes to all who helped to make this year's procession a great success. This procession was indeed a tribute also to Rev. Victor J. Virant and Rev. Ludwig A. Kuznik, who but a short time ago inaugurated this beautiful ceremony for celebration of Corpus Christi at St. Mary's, and both of whom have gone to eternal rest.

And the Apostle admonishes not to be anxious about our affairs, but to trust in the loving kindness of God, "casting all your care upon Him; for He hath care of you."

Don't brood over what is past—forget it!

Be not anxious and too eager in the present.

**Congratulations**

Sincerest congratulations are extended to the following who graduated from Collinwood last week: Pauline Blasko, Rose Braunstein, Rose Koren, Anne Jursinovic, Alma Grill, Rose Novak, Frances Obolnar, Dorothy Princic, Ralph Rovsek, Christine Sezun, Josephine Tercek and John Trepal. May success be yours.

**Irlira Notes**

Tomorrow evening the boys will don the chef's cap and wear fancy aprons to serve refreshments. The girls will be there to serve the beverages. It is to be a card party as well as a "get-acquainted party" for all those who have already made reservations to accompany us on our trip to Joliet and to Lemont.

Everyone is welcome to come with the crowd that's leaving the evening of July 2 and returning on the 5th. "The more, the merrier" is a much-used expression but it becomes very appropriate. Call Mr. Rakar

61st St. and will be ready to leave at 8:30 a.m. So set that alarm clock and attend an early Mass to get an early start.

Ge, members! Isn't it hard to wait? And aren't you glad you're a Sodality member—to have this opportunity to exercise your body and soul in the wide open spaces and feel the joy of living right?

**JUGOSLAVIA INTERESTED IN AMERICAN-JUGOSLAV SPORTS**

Our Jugoslav government through a watchful eye has seen that our American-Jugoslav youth are very active, particularly so in the field of athletics. Therefore they have invited Nick Radlick, national leader of Serbian sports events and active in local Inter-Lodge League to Belgrade, Jugoslavia to discuss possibilities of unifying American - Jugoslav sports into a national Jugoslav sports federation.

Also the government is interested in international contests which would bring together in competition American Jugoslavs and native Jugoslavs. This proposed excursion would be carried out in the summer of 1939. The delegation would call for 50 Jugoslav athletes. The above unquestionably would form closer relationships, create better understanding and more interest between the youths of America and Jugoslavia.

Below is the letter received by Mr. Radlick from the Honorable Minister of Physical Education.

(Translation)

Beograd, April 28, 1938.

Dear Mr. Radlick:

I thank you heartily for your hitherto existing collaboration with my Ministry, which enabled us to get in closer touch with our sports-people in America.

With greatest interest I watched your work with our youth, and I congratulate you for the wonderful results you obtained till now. I hope you shall also in future collaborate with us, and work on founding of a Jugoslav Athletic Federation in America, which would gather in its folds all our sportsmen from there. You can count on help from Jugoslavia, as both our Premier Mr. Stojadinovich and I, wish that strongest connections (relations) may be created between Jugoslav sportsmen in America and their brothers in their old country.

I expect your proposition for the planned excursion of American-Jugoslav sportspeople to Jugoslavia, for I wish the work in the realization of it could begin as soon as possible.

I hope you have gotten in touch with Croatian and Slovenian organizations (of sport) already, and hope you shall soon be able to send me information about them.

Please inform me through Miss Sondic as soon as possible, if your work (employment) would allow you

at LI 0781 or at 15708 Holmes Ave. for any information. You can also secure railroad tickets at Mr. Zupan's office or at Joseph Grdin's bookstore on St. Clair Ave.

The round-trip ticket can be used for 10 days, in case someone should like to remain in Joliet or in Lemont longer than the three days the choir is to be there.

However, if you're not taking the trip, that should not stop you from coming to our party tomorrow night. After all, you can never tell, you may have to do some unexpected packing on July 1 if you are one of these fortunate people who somehow always have the right number.

We thank our Msgr. Hribar and Fr. Celestnik for their most generous donations, as well as Mr. Svetek for his donation of a dollar.

**POSTLUDE:**

Bring along an extra supply of corn or beans (whichever you prefer) when you come to the school hall tomorrow evening—you may want to join in the fun. — After one of those hard-working rehearsals, Laddie Habjan comes out with "That was all right." There's an energetic kneader of the dough for you. He also does some fishing in his spare time. — Tony Seday listens to the radio in his car right up until the last minute before rehearsal. — As a last warning, don't miss our party tomorrow night at the school hall.

The train will leave the Cleveland Union Terminal at 10:30 p.m. Saturday, July 2 and return Tuesday, July 5 at 5:20 a.m. giving everyone plenty of time to get to work that morning.

On Sunday the group takes

**All Around Town**

part in the formal ceremonies of the laying of the cornerstone of the new KSKJ headquarters, attend a picnic in the afternoon and the following day visit Lemont.
