

Želite zastoj potovati v staro domovino. Berite, mogoče se vam posreči

Mogoče bi radi dobili ali si kupili lep radio aparat? Mogoče bi radi sinkotu ali hčerki podarili cekin za pet dolarjev, mogoče bi celo radi imeli cekin za deset dolarjev? In če ste žejni, bi radi imeli kozarec hladilne pijače, kot jo zna proizvajati naš John Potokar. Ali pa imate doma sinkota in hčerko, ki bi se rada vozila na lepem biciklju?

Mogoče bi radi postali naročnik "Ameriške Domovine," pa slučajno nimate denarja, da bi plačali? Ali pa imate avtomobil in rabite "spot light," vredno \$17.50. Mogoče vaše dekletke, katero imate tako radi, potrebuje urico zapeljivo? Ali pa ti, mož in žena, bi rada imela lep stol doma, vreden \$50.00, ali pa ti, slovensko dekletko, mogoče potrebuješ novo obleko, in ti, naša gospodinja, bi rabila nov električni likalnik, in fant, če se hočeš prikupiti dekletu, moraš ponesti ji krasen šopek cvetlic. Kaj ne, koliko ponujamo! In vse se bo dobilo.

Mogoče mislite iti v staro domovino na obisk prihodnje leto? Popolnoma zastoj se lahko peljete iz New Yorka do Ljubljane, kar vam garantira Mihelich potniška tvrdka. In kako dobi-te vse to, kar smo omenili?

Pri vašem društvu lahko dobite listek, ki vam daje pravico do enega izmed omenjenih daril. Listek velja samo 25 centov. Slovenski trgovci, ki bodo pripravili prihodnji slovenski radio program, so pripravili žrtvovati za radio program \$3.500. Stotine naših ljudi se je oglasilo lansko leto, ki bi in ki so darovali denar za slovenski program.

Letos se ne bo sprejemalo nobenih darov. Kdor pa ljubi slovensko pesem, ki bo nešena letos ponovno po radio širom Amerike, naj si nabavi nekaj listkov za krasna darila, ki so jih poklonili slovenski trgovci, da na ta način pripomorejo k programu, ki bo veljal nad \$6,000 za prihodnjo sezono.

Mogoče boste na pikniku, mogoče doma, mogoče v tovarni, mogoče pridete v slovensko trgovino, vsepovsod boste dobili prvo šro, da vzamete enega ali več listkov. Ni treba nič darovati, samo preskrbite si enega ali več listkov, pa lahko potujete v staro domovino brezplačno, dobite cekin, postanete naročnik, dobite krasno uro in vse, kot smo zgoraj omenili. O podrobnostih tega živahnega kontesta bomo še poročali.

Iz življenja naših ljudi po Ameriki

Iz Sheboygana, Wis., se poročajo sledeče:

Pred nekaj dnevi se je v Sheboygan, Wis. naselbino priklatal nek slepar, se izrazil, da bi se rad tukaj naselil in dobil stanovanje pri dobrih ljudeh. Rekel je, da je prišel iz Milwaukeeja, da se mu v Sheboyganu zelo dopade in da bo tukaj delo iskal ali pa začel s kakim biznisom. Ali ta slepar je študiral vse kaj drugega.

Prevarant se je kmalu seznanil z Martinom Draganom. Poprosil ga je, da bi mu pomagal iskati stanovanje, ker njega ljudje v Sheboyganu še ne poznajo. Kmalu, ko sta prišla v mesto, se je njima pridružil še drugi slepar, zaveznik prvega in ju vprašal po nekem zdravniku, katerega v mestu nihče ne pozna. Tudi rojak Dragan mu je odgovoril, da mu dozdevni zdravnik ni poznan.

Po tem razgovoru se je novodošli slepar izrazil, da ga zelo veseli, ker se je seznanil s Slovincema. Prvi slepar je drugega sleparja vprašal, odkod prihaja. Odgovoril mu je, da iz Holywooda, Cal., in da ga je njegovo oče poslal v Sheboygan, da razdeli \$25,000 med siromake. Rekel je da je njegov oče sila bogat in ima veliko premoženje v Californiji. Ker pa je hudo bolan, je njega poslal, da razdeli omenjeno vsoto med siromake, češ, da bo potem mogoče ozdravil.

Pogovor je nanesel na vprašanje, če ima Martin Dragan kaj denarja; ako ga ima, da bi ga dal njima shraniti z namenom, da bi ga "pozneje veliko več nazaj žobil." Povedala in prepričala sta ga, da "znata" delati denar, toda poprej morata imeti Draganovega. Res so se domegnili, da pričnejo z "operacijami" drugo jutro, ko bo banka odprta, da Dragan lahko vzame iz nje svoje prihranke. Slepar številka ena je dobil tisto noč prenoči-

šče pri rojaku Draganu, ki naj bi naslednji dan postal — "bogataš."

Operacija, sta sleparja povedala "srečnemu" rojaku, bo čisto enostavna: denar položijo v škatljo in Draganu ne bo potem treba več delati. Tisto noč je pa "novi bogataš" sanjal poleg sleparja številka ena o milijonih in v sanjah delal načrte, kako bo porabil to veliko bogastvo.

Kot dogovorjeno se drugo jutro odpravijo proti Security National Bank, kjer je imel Dragan vložene svoje prihranke. Ta krasni načrt pa je pokvaril rojak Anton Stiglitz, ki je zaposlen v omenjeni banki. Ko Martin stopi pred njegovo linico in pove, da želi dvigniti svojo vlogo, se je Stiglitz začudil in ga vprašal, čemu to? Ker je Martin dobro poznal, se mu je njegovo početje čudno zdelo in poleg tega se mu je tudi dozdevalo, da on ne more rabiti kar naenkrat tako velike vsote.

Naš Martin, v želji, da postane bogat in da mu "ne bo treba več delati," pa je zahteval, da hoče dvigniti svojo vlogo. "Mar ni to moj denar!" je z zanosom zatrdil Martin. Mr. Stiglitz mu je pritrđil, vendar pa ga je še nadalje spraševal, kaj misli z dvignjeno vlogo storiti. Naš Martin mu je končno izjavil, da ga "sreča čaka."

Namesto, da bi mu Stiglitz odštel bankovce, je segel po telefonu in poklical policijo. Njegov sum je namreč dozorel, da tukaj ne more biti vse v redu. Predno pa je prišla policija, sta oba ptička že odkurila izpred bančnega poslopija, kjer sta čakala svojo lahkomišelnost žrtev in nedvomno tudi opazila, da postajajo tla vroča pod nogami. Ko je policija prišla, je od Martina izvedela celo povest.

Martin sicer ni postal bogataš in tudi ne siromak. Temu se ima največ zahvaliti prevdarosti rojaka Stiglitz, ki mu je re-

Prohibicija je prinesla Ameriki nešteto novih zločinov

Delavci trdijo, da ameriška vlada pomaga propagandi boljševikov

Washington, 18. julija. Matthew Woll, podpredsednik American Federation of Labor, je danes obdolžil Zedinjene države, da indirektno podpirajo kampanjo boljševikov v Ameriki. Mr. Woll je pričal danes pred kongresnim odborom, ki preiskuje sovjetsko propagando v Ameriki, in je tekom pričevanja izjavil, da je ameriška vlada dovolila poslancem boljševizma, da so se utihotapili v Zedinjene države, dasi je vlada dobro vedela, da bodejo dotični poslanci delovali proti ameriški vladi. Ameriška vlada se je dala "nalimati" od zatrdil sovjetskih poslancev, češ, da so prišli sem iz trgovskih ozirov, dočim je resnica, da je vladi moralo biti znano, da so prišli sem za komunistično propagando. Zato se Wollu zdi skrajno čudno, zakaj je kongres sklenil, da preiskuje propagando komunistov v Ameriki, dočim je sama vlada pomagala, da se boljševiška propaganda širi v tej deželi. Woll je predlagal preiskovalnemu odboru, da vlada ustanovi poseben urad, ki se bo pečal z boljševiško propagando v Ameriko in slednjo zatiral ob vsaki priliki.

Šil težko prislužene prihranke. Naš Martin bo sicer še delal, vendar pa je upati, da ne bo šel več na limanice podobnih sel-parjem in da ne bo več sanjal o "nenadni sreči" in o milijonem premoženju.

Ta dogodek naj služi tudi ostalim rojakom širom Amerike kot dobra šola, da ne nasedejo sleparjem, ki jih hočejo čez noč obogateti s sličnimi prevaranci-jami. — "P."

Tilby Smith je bil spoznan krivim in obsojen na električni stol

Jefferson, Ohio, 18. julija. Tekom včerajšnje porotne obravnave so razne priče izjavile, da je bil Tilby Smith, ki se nahaja pred poroto, obtožen umora svoje žene, ne samo morilec, pač pa se je pečal tudi s prodajo opojne pijače. Zanimivo je bilo pričevanje mirovnega sodnika Phipps, iz Sharon, Pa., ki je pričal, da Smith nikakor ni blazen ali slabe pameti, pač pa zelo prebrisan agent, ki je ponovno hodil v Pennsylvanijo, kjer je ponovno delal razne spletke in, kupoval zganje. Smith se je nahajal zaporedoma na sodniji v Sharonu, kot pričal ali kot zagovornik kakega prijetelega butlegerja. Poleg tega pa, da je Smith sam kupoval pijačo in jo dajal tudi drugim, je pa bil navaden izdajalec, se je izjavil mirovni sodnik Phipps. Imel je navado, da je prihajal v Sharon, Pa., kjer je naznanjal imena kršilcev prohibicije mirovnemu sodniku, vselej je imel s seboj dokaze, ki so pričali proti dotičnemu, tako, da sodnik ni imel druge prilike kot zapovedati aretacijo dotičnega kršilca. Včeraj popoldne je bilo pričevanje gotovo, in danes bo najbrž 12 porotnikov odločilo, ali se pošlje Smitha na električni stol. Vsi porotniki so bili vprašani, predno so zavzeli svoje mesto, če verujejo v smrtno kazen. Porotniki so se izjavili, da verujejo. Takoj potem, ko bo Smith zaslišal svojo obsodbo, se začne obravnava proti ljubici, Mrs. Maude Lowther, ki je sprožila strel, ki je ubil Smithovo ženo, dočim ji je Smith dal revolver v roke in jo naprosil, da ubije ženo.

V petek popoldne je bila ob-

Roparji udri v čistilno podjetje v Collinwoodu in odnesli mnogo blaga

V noči med četrtkom in petkom so udri štiri roparji v podjetje za čiščenje oblek, znano pod imenom Saranac Dry Cleaning, ki se nahaja na 15103 Saranac Rd. Medtem ko je eden roparjev s samokresom prisilil nočnega paznika v sobi, ki se rabi za skladišče, da se je podal, naktar ga je zvezal in privezal k mizi z žico, ki se rabi pri električnem likalniku, so ostali trije roparji pokradli nekako 300 oblek, ki so bile že sčističene in pripravljene, da se razpeljejo lastnikom. Roparji so bili toliko predrzni, da so naložili vse obleke na kompanijski truk, naktar so se odpeljali proti Euclid Heights. Truk se je pozneje našel na Lee Rd. škoda, povzročena od roparjev, se ceni od \$2,500 do \$3,000. Pri tem podjetju je vposljen tudi naš rojak Mr. Steve F. Pirnat, ki se nahaja tam kot glavni čistilec.

ravnava gotova, potem ko je državni pravdnik Nazor govoril skoro dve uri. Med drugim je rekel: "Ako vi, porotniki, tega človeka ne spoznate krivim umora prve vrste, tedaj je najbolje, da uničimo vse postave!" In porotniki se niso dolgo pomišljali. Odsojni so bili 35 minut, ko so se vrnili v sodno dvorano in izjavili, da je Smith bil pronajden oglasno krivim umora prve vrste. Na to je sodnik obsodil Smitha v smrt na električnem stolu. Umreti mora 29. oktobra, ali natančno pet mesecev potem, ko je povzročil umor svoje žene. Te dni se začne obravnava proti njegovi ljubici, Mrs. Lowther, ki je sprožila strel, ki je umoril Smithovo ženo.

Policija aretirala očeta in mater, 13 letno dekletko skrbi sama za domačijo

Že včeraj smo poročali, da je policija v Washingtonu, D. C., aretirala Mr. in Mrs. John Ochenduska, ki sta se potikala okoli poslopja, kjer biva poslanik poljske republike. Oba sta iz Clevelanda, in se še nahajata v zaporu v Washingtonu, dočim čakajo trije otroci v Clevelandu na povratek staršev.

Trinajstletna hčerka družine, Stella, med tem skrbi za hišo in za svoja dva mlajša brata. Kuha, snaži in dela na domu, ki se nahaja na 6527 Fullerton Ave. In Stella je prava gospodinja kljub svojim trinajstim letom. Njen bratec Raymond, ki je star šele 6 let, neprestano joka za materjo, katere od nikoder ni, in sploh razumeti ne more, zakaj mama ne pride domov.

Stella tolaži, se smehlja, dočim pripoveduje 9 letnem bratcu Johnu, da si mora lepo počestiti lase in umiti umazane roke od igranja zunaj. Predno sta oče in mati odpotovala v Washington, sta pustila doma \$11.00, in iz tega premoženja mlada Stella že štiri dni vodi gospodinjstvo, nakupuje potrebščine in plačuje račune. Pometa, pere, riba in čisti po hiši. Točno skuha zajtrk, kosilo in večerjo, toda pri tem vedno gleda z žalostnim očesom proti vratom, kdaj se bodo odprla, in se bosta prikazala mama in ata.

In ta nespametna policija! Zaporedoma so se že oglasili policisti v hiši. In tako radovedni so! Stella jih gleda, gleda in odgovarja in neumno se ji zdi, ker ji stavijo toliko vprašanj, zakaj, kako, kje in kdaj. In rekli so ji, da jo bodo poslali v poboljševalnico, ker je sama premlada, da bi načeljevala gospodinjstvu. Policija ima povsod nos, kjer ji tega ni treba.

In časnikarski poročevalci! Eden za drugim prihajajo, povzvedujejo, vprašujejo in strešajo sitnosti, fotografirajo in slikajo. V treh dneh je bila Stella fotografirana 12 krat, dočim prej v svojem življenju še ni šla k fotografu. Stelli se zdi vse to neumestno. Pa pravi, da so pripovedi v angleških časopisih o njeni družini sama — laž.

Medtem pa se nahaja njen oče v Washingtonu v zaporih. Bile je pred šestimi leti, ko je bila Stella šele 7 let stara. Njen ata je bil tedaj nevarno poškodovan pri delu v tovarni. In Stella ne ve prav dobro, kaj se je zgodilo, samo toliko ji je znano, da njer ata odtedaj ni mogel več delati. Celó oblačiti ga morajo, ker je sam preveč hrom in polomljen, da bi se oblekel.

In od tedaj, ko je očeta pobilo v tovarni, se je vlekla tožba na sodniji za odškodnino. Nikjer nista dobila pravice, oče in mama. Pa je rekla mama: "Pojdiva v Washington, naš poslanik nam bo pomagal!" In ata in mama sta šla v Washington. Dasi sta bila že nad 10 let v Ameriki, pa nista znala angleškega jezika, ata in mama. Poljsko sta govorila.

Prišla sta pred poslaništvo, kjer sta pojasnila slučaj. Seveda, poslanik tudi ne more čez noč posredovati pri sodniji, kako in kaj. Povedali so na poslaništvo, da se bo poslanik zavzel za stvar. Pa nista verjela. In ostala sta, oče in mati, pred poslopjem poslaništva, češ, zastop-

nik naše domovine nama mora izposlovati odškodnino. Toda nadlegovati poslaništvo, je resna stvar.

Aretirana sta bila oba, ata in mama, in odpeljana v zapor. Poljski poslanik v Washingtonu, ko je zvedel za to zgodbo, se je za oba zavzel ter ju oprostil iz zapora. Danes prideta ata in mama domov k Stelli, ki je posnažila in očistila hišo kot to zna narediti 13 letno dekletko. Je to zgodba priproste družine iz vsakdanjega življenja.

Prisilni porodi v Italiji.

Ze večkrat zaporedoma je laški diktator Mussolini opominjal laški narod, da je absolutno potrebno, da se v Italiji zviša število porodov na leto, kajti Italija nikakor ne more postati velika, razven ako se njeno prebivalstvo pomnoži tekom dvajsetih let vsaj za 20 milijonov.

Toda kolikor moči in sile ima Mussolini sicer v Italiji, te moči pa nima, da bi zapovedoval zakonskim, koliko otrok naj producirajo, kajti to je ena stvar še v Italiji, katere fazisem ne more kontrolirati, dočim kontrolira že vse drugo.

V notranjem ministerstvu se je ustanovil poseben urad za statistiko rojstev. In ta urad opravlja žalostno dolžnost, da mora javnost blufati, kajti pravega naraščanja v Italiji ni, dasi je Mussolini tako zapovedal, a zakonci pa mislijo zopet svoje in "štrajkajo" na tihem proti signoru Mussoliniju.

Glede mladinskega naraščanja v Italiji podaja jako zanimive podatke prof. Corrado Gini, ki je bil direktor centralnega urada za rojstno statistiko, pa je padel pri Mussoliniju v nemilost, bil odslovljen in se moral umakniti iz mesta, katerega je sicer jako vestno zastopal.

Prof. Gini prikazuje iz uradnih statistik, da rojstva v Italiji, namesto da bi po Mussolinijem ukazu se množila, — padajo. Kot za vzgled podaja profesor Gini sledeče številke.

Leta 1902 je štele prebivalstvo Italije 32,500,000 ljudi. In ravno istega leta je bilo v Italiji rojenih 1,100,000 otrok, kar je v okroglih številkah označeno.

Leta 1925 je štele Italija približno 40,000,000 prebivalcev, toda število rojstev je v istem letu znašalo samo 1,150,000, torej pri osmih milijonih prebivalcih se je število rojstev pomnožilo samo za 50,000 na leto.

V letu 1926 pa je število rojstev padlo napram letu poprej, in rodilo se je samo 1,100,000 otrok, ali ravno toliko kot v letu 1920, ko je Italija štele 32,000,000 prebivalcev. Še slabše pa je bilo v letu 1927. Meseca aprila dotičnega leta je Mussolini enostavno zapovedal očetom in materam Italije, da morajo pomnožiti na vsak način število rojstev.

In kaj se je zgodilo? Leta 1927 je bilo v Italiji rojenih 1,050,000, torej za 50,000 manj zopet kot leto prej, ali z drugimi besedami povedano, v dveh letih je Italija nazadovala v rojstvih za 100,000 duš, ker je duce Mussolini zapovedal, da se mora število rojstev zvišati.

V letu 1928 se je zopet poslabšal položaj, kajti uradna statistika kaže, da je število rojstev ponovno padlo za 35,000, dočim se je število smrti v istem letu zvišalo za 19,000, to je, v letu 1928 je 19,000 oseb več umrlo kot v letu prej, a 35,000 jih je bilo manj rojenih kot v prejšnje leto.

Za leto 1929 statistika še ni gotova, dasi bi bila že lahko objavljena, sumi se pa, da so številke tako žalostne, da bo Mussolinijeva vlada najbrž opustila urad, ki se peča z nabiranjem podatkov.

Da je Italija v zadnjih 30. letih napredovala v prebivalstvu je pripisati dejstvu, ker so se porodi množili letno, predno je Mussolini prišel na krmilo vlade, poleg tega je pa dobila Italija po sklenjenem miru skoro dva milijona ljudi v Primorju in južni Tirolski. Temu se ima zahvaliti, da se je prebivalstvo pomnožilo, a za prihodnja leta, ali vsaj za toliko časa, dokler bo Mussolini gospodaril v Italiji, slednja nima pričakovati poviška v prebivalstvu, pač pa raje znižanja.

Italija torej še ne bo kmalu tako velika kot pričakuje Mussolini, ki je izjavil lansko leto, da mora Italija šteti leta 1940 najmanj 56,000,000 prebivalcev. Laške matere in očete je so tozadevno na štrajku, dočim smrt bolj marljivo deluje kot je delovala kdaj prej.

DOPISI

Jugoslavija, 2. julija — Spet sem se namenil poslati vam par vrstic, v katerih pozdravljam vse moje prijatelje in znance. Zadnji teden sem bil še nekoliko pogledat po naši Gorenjski in sem za gotovo mislil, da bom prinesel domov kakšna dva srmjaka, da bi jih dal Rainbow Hunting klubu za present. Pa morda so jim že puške prodale, ker se nič ne oglašijo, ali jih je pa malo sram, ker so bili zopet premagani od Euclid Rifle kluba, ker od takrat se niso nič oglašili. Zato je menda tudi najboljša, da nisem nič vjel.

Prav iz sra sem se radoval, ko sem videl v Ameriški Domovini na sliki skoro vse Neuburčane, ko so obhajali 10 letnico S.N. Doma. Prav ganilo me je, ko sem zopet opazoval znane obraze mojih prijateljev in znancev. Da bi se le zopet

kmalu videli zdravi in veseli Pozdravljam vse člane Rainbow Hunting kluba in Euclid Rifle kluba in vam kličem: na veselo svidenje kmalu!

Frank Gliha, član Rainbow kluba.

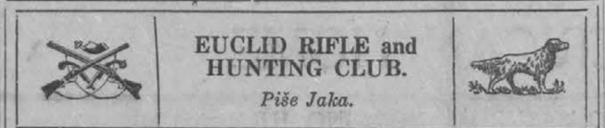

Glas iz bele Ljubljane.—Naša nova naselbina zelo lepo napreduje. Ljudje so vedno židane volje; zabave imamo vsakovrstne. Prihodnje nedeljo pa mislim da bodo prekosedaj vse, kar smo jih še dosedaj imeli na našem lepem zelenem vrtu. Kadar se naše ljubljanske dame česa podstopijo, takrat je gotovo pričakovati nekaj posebnega.

Članice Slovenske Ženske Zveze št. 14 priredijo v nedeljo 20. julija svoj piknik. Na tem pikniku bo smeha in zabave toliko, da ga bodo vozili v samokolnici. Imamo mnogo

jako lepih daril za dirke, za stare in mlade, debele in suhe in tudi majhnih se ne bo izpuščilo. Zatorej, potrudite se in pridite od blizu in daleč, ker ne bo vam žal. Taka zabava kakor bo ravno tukaj, se ne vidi povsod. Za to pripravljani od-

bor vam bo gotovo postregel kar bo najbolj mogoče. Torej na svidenje v nedeljo 20. julija v Slovenskem društvenem domu na Recher Ave., Euclid, O.

Piše Jaka.

Tako dobro naši fantje menda pa niso še nobeno sredo streljali kot zadnjo. Ne bo dolgo, pa ne bo kaj pobirati po tleh. Fantje se vežbajo za tekmo z Neuburčani. Še Leganu se ni preveč roka tresla, kar bi bilo pričakovati, ker je Franca prišla iz stare domovine.

Tekma z Rainbow Hunting in Fishing klubom se vrši v nedeljo 3. avgusta na Novakovih farmah. Naš klub se zbira pred Slovenskim domom na Holmes Ave. Točno ob eni uri odrinemo vsi skupaj. Te tekme naj se udeležijo kar največ naših članov.

Iz stare domovine pozdravlja vse člane Jim Šepic. Pravi da je cviček dober, brinječek pa še boljši. Marjašajo pa tako, da vse v kraj leti. Jim je omenil, da sta hotela iti z Urško preko meje v Italijo. Pozabila sta vzeti seboj vizum za v Italijo, pa jih na meji straža ustavila. Mislila sta se že vrniti, pa se jim spomni, da je član slavnega Euclid Rifle kluba. Pokaže polentarjem naš lovski znak, pa je makaronarjem kar sapo zaprlo in so na

vse pretege hiteli: "Avanti, šinjori, avanti!" Vidite, celo polentarjem naš klub imponira! Zadnje sredo smo tako streljali:

PROHIBICIJA PRED POROTO

Neki odvetnik iz Spokane, Wash., je hotel prikazati ljudstvu, koliko hudega je že storila prohibicija, zato jo je obdolžil mnogih prestopkov (seve namišljeno) in jo pripeljal pred sodišče. Obtožnica se glasi:

Tožitelj — ljudstvo; obtoženka — prohibicija.

Odvetnik: "Obtoženka, vstanite! Vi ste obtoženi raznih pregreh in prestopkov zato vas je ljudstvo postavilo pred veliko poroto, kjer se vas bo sodilo po zakonu.

Obtoženi ste, da ste se pod krinko reforme in morale obesili ljudstvu na vrat s trditvijo, da bo vnaprej vladala pravica in blagostanje, da bo v deželi nastala prosperiteta in zadovoljnost med narodom.

Obljubili ste postaviti šole na vsak hribček in odpraviti gostilne za vsakim vogalom. Obljubili ste, da se bodo ječe izpraznile in naše kaznilnice zaprle radi pomanjkanja kazencev. Da bo prišel mir in zadovoljstvo v vsako hišo in da se ne bo skrnil zakon, ki zagotavlja vsake-mu svetost hiše in ognjišča. Radi teh vaših obljub vas je ljudstvo sprejelo z odprtimi rokami v svojo sredo.

Sedaj ste pa obtoženi, da ste zlorabljali to ljudsko zupanje, da ste se pregrešili proti vsemu, kar ste prej obljubili. Mesto da bi napravili ljudstvo srečno, ste ga v teku desetih let, odkar vam je zaupalo, še bolj osiromašili tako, da je sedaj revnejše in nesrečnejše, kot je bilo kdaj poprej. Namesto ene gostilne na vsakem vogalu, ste nam jih usilili deset. Namesto praznih ječ, moramo sedaj zidati nove in vlada bo morala potrositi sedem milijonov dolarjev za povečanje kaznilnic. 80,000 vladnih zapornih povelj radi kršenja vaše suhe postave je bilo izdanih v letu 1929, ne vstevši onih, ki so bili aretirani po državnih zakonih. Samo v mestu Spokane je bilo aretiranih 3100 kršilcev vaše postave. Toda to je samo majhen odstotek vseh kršilcev postave, ker velika večina se zna varovati in jim ni mogoče do živoga.

Obtožujem vas torej prestopka zoper javno varnost in zdravje, krivih izvajanj, podkupovanja

in korupcije vaših uradnikov, in sedaj sovraži sosed sosedu, prijatelj prijatelja. Mesto postehni uradnikov za javno varnost, imamo ogleduhe in izdajalce. Ustvarili ste tako stanje, da je sedaj vsak varuh postave podooben Judežu ki čaka na svojih trideset srebrnikov.

Kakšen zagovor imate, gospa prohibicija, napram tej obtožbi? Ali se čutite krivim ali nekrivim?"

Prohibicija, molči. Dokazi proti njeni so preštevili. Porotniki se podajo v posebno sobo k posvetovanju. Vrnejo se nazaj v sodno dvorano čez dve minuti in proglašajo gospo prohibicijo—krivim.

Na podlagi tega vstane sodnik in obsodi prohibicijo — v smrt!

Slika nam predstavlja Miss Alice Bradač, po domače Škrlakovo, katera je pred nekaj tedni graduirala iz St. Alexis bolnišnice kot bolniška strežnica.

Alice je hčerka John in Marije Bradač iz Reno Ave. Njeni starši so prišli semkaj pred 30 leti iz fare Krka na Dolenskem. Ves ta čas so bivali tukaj v tej okolici in so dobro poznani kot vrli meščani in pionirji pri fari in družtvih.

Alice je pohajala v šolo sv. Lovrenca in ko so se preselili na Reno v John Adams High School kakor tudi v Business College. Od tam se je podala v St. Alexis bolnišnico, kjer je z vestnim delom in marljivostjo izdelala vse predpisane pred-

mete, četudi je morala radi boleznih za nekaj časa svoje pripravljavne šole prekiniti.

Alice je bila vedno pametno dekle. Zato smemo pričakovati, da bo tudi v svojem novem poklicu uspešno delovala. Za limo ji vsega najboljšega kjerkoli bo. Čestitamo mladi graduantinji, kakor tudi družini Bradač.

Slika predstavlja Alojzija Godec in Alojzijo Turk, ki sta jako poznana in priljubljena med Slovenci in tudi med drugimi narodi po celem Clevelandu. Oba sta bila rojena v Clevelandu. Alojzija Godec je bil rojen 1. februarja 1907, kot sin dobro poznane Godečeve družine iz Newburga. Mlad Slovenec si je izbral kot tovaršico na svoji poti skozi življenje pridno Alojzijo Turk iz Green Rd. v Warrensville, O. Lojzka je bila rojena 23. julija 1912. Izbrala sta si dan 23. julija, da si prisrežeta večno zvestobo v farni cerkvi sv. Lovrenca v Newburgu, kamor jih bodo spremili sledeči tovarši in tovaršice: Joseph Turk in Mary Sukovič, Anton Godec in Stella Simec, John Turk in Josephine Sraj, Louis Nose in Sofie Stepic.

Zvečer se vrši poročna slavnost na nevestinem domu na Green Rd., Warrensville. Vabi se vse prijatelje in znance, da jima izkažemo čast, kot se to spodobi takemu paru. Tudi jaz, kot dopisovalec ali stranski mešetar, jima želim vse najboljša ter veselo zabavo na dan poroke. Bog vaju živi!

gri, po priprosnji tukajšnjih ljudi. Naša naloga je, da prepodimo ena dva medveda, ki nosita svoje kosmate tace po tukajšnjih gozdovih v veliko nevoljo in napoto kravam, koštrunom in ljudem. Podrobnosti tega našega izleta ne bom sedaj opisaval, ker mi manjka za to potrebne fantazije in pisalnega stroja, kar je oboje potrebno, da se vrže med ljudi zabavna in zanimiva storja. Pišem naslonjen na široki hrbet Janeza Breskvarja, ki mi ga je dal na razpolago za par minut, ne da bi kaj računal za to. Okrog sebe vidim 15 obrazov različne zunajnosti, raznih želja in hrepenenja. Ti obrazi se z vsako minuto daljšajo in pretrejujejo, ker se zaloga piva in "arcnij" manjša z vsako minuto in vidno kopni.

Imena članov te slavne medvedje ekspedicije ste gotovo že brali v Ameriški Domovini, ki se je brez potrebe vteknili v naše privatne zadeve in razbojnala po svetu naše cilje in težave. Ko pridemo (če bomo sploh prišli) domov, bom popisal proslavni ta naš zlet, ki je največji, kar si ga je še upalo podstopiti in izvesti kako družstvo, zadruga ali bratovščina.

Včeraj (v petek) je bil naznanjen odhod točno ob 1:49 popoldne in smo se potem lovili kake dve uri po St. Clairji in Collinwoodu, dokler nismo bili po naključju po tretji uri skupaj in smo planili tje proti Pennsylvaniji, da čim prej pridemo iz obližja do obližja z medvedji, jazbeci in dihurji. Poč nas je vodila gori čez Rožnik in ker je bilo vroče, smo po pet milj vožnje ustavili in vsak enega pili. Potem smo ustavljali na vsako miljo po enkrat, da smo dali našim avtom dovolj počitka (!).

Bili smo že skoro na meji Pennsylvanije, ko se je spomnil Breskvarjev Janez da je pozabil doma krtačo za snazenje čevljev in je hotel po vsej sili nazaj v Cleveland. Sele, ko smo mu dopovedali, da gremo v gozde, kjer si voščijo dobro jutro in lahko noč samo medvedvi in voleje, se je udal.

Seboj smo imeli zalogo pijače in jedače za petek, soboto in nedeljo za petnajst velikih in težkih mož. Pa nam je ta zaloga, sam ne vem kako, že v petek večer pošla in smo sinočji telefonirali na clevelandsko policijo, naj nam takoj dopošlje nekaj zabojev piva. Mislim da smo se obrnili na pravi naslov. Saj če policija ne bo vedela za dobro pivo, kedo bo?

Kje prav za prav smo, ne vem in mi tega tudi nihče drugi ne bi vedel sedajle povedati, kot Jakšičev France, ki je edini med nami, ki pije samo kofe. On mi je pripovedal, da smo nekje v Pennsylvaniji, na to stran New Yorka in južno od Kanade. Je rekel, če bi se peljali še kakih pet milj, pa bi bili v Avstraliji. Križ božji, kako smo daleč! Danes popoldne bomo sili lovit karpe in ščuke s Allegheny reko. Za vado bomo rabili salamo in kuhano sunko, ker ni črvov. Danes večer se pripeljajo za nami Veslov France, Gornikov Janez in Princov Rudy (Dutsch), in morda še kdo, ki ga bo skominalo po medvedih in pivu. Jutri ob eni uri se prične banket z na raznuju pefenimi piškami, ki jih bo spekel France Vesel. Po banketu se pa začne piknik, če bo ostalo še kaj pijače, če je ne bo, bo pa samo prosta zabava z medvedji. Danes popoldne bo skuhal Frank Cullitan kranjsko-irsko župo, če bomo mogli dobiti kje v bližini kak kotel. Smo poslali Vilčka Lauscheta ponj, ki je predsednik te ekspedicije in ki mora za take stvari skrbeti. Pozdrav vsem, ki boste to brali, pa se drugim povejte!

ONE THORN OF EXPERIENCE IS Worth a Wilderness of Warning. —Lowell.

Ray J. Grdina Says

During the long, shaky reign of prohibition, many stories peculiar to the enforcement and the breaking of the law have been brought to the attention of the public through the press of the nation. Some of them have been humorous and some have been downright pathetic. Recently the United-Edwards Press told of the Eastern minister, the Rev. J. Earle Edwards, conducting a vacation Bible class in Queens, who, for homework, had his pupils snooping around their respective neighborhoods, locating the addresses of drink resorts thus discovered to the teacher, who in turn handed them over to the prohibition agents.

Perhaps a sense of duty prompted the Rev. Mr. Edwards to do his bit in the matter of making the district free from houses peddling liquors. For that he cannot be condemned. Selling liquor is against the laws of this country and, as a citizen, it is his privilege of reporting such violations. However, the means do not always justify the end. This is especially so in this instance. The parents of the pupils sent their children to the Rev. Mr. Edwards' Bible class to learn about God and religion and not the ways and methods of liquor detecting. Personally, we've had years of Bible instructions and never once can we remember when detective work was included as part of the course. And from all reports the Bible has not been changed one iota since the days we sat in a classroom and pulled the hair of the pupil in front of us.

From what higher and noble authority the zealous Rev. Mr. Edwards receives his right to change a Bible class into a detective agency we do not know. In fact, we have a vague suspicion the only authorization he had for his action was his own distorted and overtaxed sense of public duty. This, we grant you will admit, is insufficient for such an action. One of the principal unwritten laws of God and man is to mind your own business, and when a man starts children out in life with the practice of minding their neighbors' affairs, something should be done about it. Fortunately for us, Bible class conductors of Rev. Mr. Edwards' hue are few and far between, and fortunately for the Rev. J. Earle Edwards, he is living in a country where no provision is made for rewards for justifiable homicides.

SUNSHINE

And turning from the sublime to the ridiculous, or rather, from the ridiculous to the sublime, we learn of a hotel, the La Veta, in Gunnison, Colo., which will give each of its guests a free meal every day. The sun falls to shine in the city. That, at first, seems very magnanimous, but after consulting the weather records of the town we find that, after all, the proprietors of La Veta are not suffering from a case of extreme big-heartedness, but rather are taking advantage of ideal weather for a good publicity stunt. Figures show that during the eighteen years, covering the period from Jan. 1, 1912, to Dec. 31, 1929, sun has shone on Gunnison every day but ten. During this period 1921 was the only year in which there was more than one day that the sun failed to shine, old Sol hiding out on the folks on Dec. 18 and Dec. 29. The longest stretch of sunny days covered more than three years, starting on Dec. 16, 1914, and running through to Feb. 27, 1918.

"Undoubtedly, that is a record of some sort or other, but what we got a kick out of was that it reminded us of our own weather here in Cleveland—it's so different!

VACATIONISTS

While we have nothing special on our mind, we may just as well take time out and thank all our friends for the cards they have been sending us while away on their vacations. You know, the staff of the American Home Junior is just as interested in your vacation as they are in their own (if they get any) and we do appreciate it when you drop us a line telling us where you are, whom you are with and what you are doing. We can work much better when we know that at least somebody is having a lot of fun!

The heat of the day is not always the cause of people getting hot-headed.

MAXINE STEINITZ GETS THRILL OUT OF VOYAGE START

Writer and Companion Cry as Leviathan Leaves New York Dock

Editor's Note: This is the first of a series of articles written exclusively for the American Home Junior by the author who is now making a tour of continental Europe.

By MAXINE STEINITZ

Aboard S. S. Leviathan, July 16—We are on our way for half an hour now and have not had time to look back on the last few exciting days. I can hardly think to write this little note, which must necessarily be very short, as the return mail is to be picked up soon.

Our excitement began as we boarded the train for New York at the new Union Depot. In New York we thrilled to each new sight and wished we had more time to look around. It's impossible to go into detail as you all want to see New York yourselves, and that can be best enjoyed when you discover each scenic spot through your own efforts.

The first sight of this huge liner—passing the United States passport examiners—and the stepping on deck leave unforgettable impressions. Both dock and deck rails were crowded to capacity with passengers and visitors. Hats, hands, flowers and kerchiefs waved back and forth by the excited crowds. When the final gong sounded and the visitors were hurried off, there were many hugs, kisses, shouts and tears. (We Miss Genevieve Schneider and myself, shed a few general principles.) Dreamy music by the deck band moved some of the even more hardened souls to tears.

We have passed the New York skyline, which was outlined against a screen of smoke from the sixteen pilot boats which guided our liner. On the other side we saw the ever-impressive Statue of Liberty—now we are passing Staten Island and soon will be out in the open sea. An airplane is circling the boat and entertaining the rubberneck passengers. The high tension in which we have all been is changing to one of calm, keen interest.

We have already located our cabin, but do not like it, as it is too far down, but there is a possibility that we may be able to change that, though. Our deck chairs are reserved and we are even ready for a good, big dinner. No—not seasick yet. We're fortified against that with cotton and lemons.

We have a few more thrills awaiting us now, when we'll get our mail and read the steamer letters, which thoughtful friends have provided for our leisure.

When we get better acquainted and our excitement has calmed down we'll write again. I hear the dinner gong. Hurrah!!!! (Sounds like a wash tub.)

K. K. K. CLUB

Members Motor to Cedar Point for Week-End Party

The K. K. K. Club is erupting again. It has been dormant for awhile, but the last week-end found the members in renewed activity. The Misses Ann Gornik, Josephine and Alice Pucel, Fannie Walland, Rose Lausche, Marie Kmet, Rose Skebe and Mary Ferlin motored to Cedar Point Saturday morning and registered at the Breakers Hotel. And, believe it or not, they all slept in one room—but on four double beds. Marie Kmet says it wasn't a hospital ward either.

On Sunday morning the girls took the Seaboard to Sandusky and attended church. They passed the rest of the day in spending money on the concession stands at the Point, having their fortunes told and playing golf on the miniature courses.

The girls arrived home Sunday evening in time to wipe the dust off Alice Pucel's new Plymouth coupe and then registered at their respective homes for good night.

Modern Maidens

Miss Lillian Sitter was hostess to the members of the Modern Maidens' Club and three recent pledges at her home Wednesday evening.

The pledges are the Misses Mary Fath, Rose Potochar and "Danny" Kurant. They will be initiated as full fledged members in the very near future.

Three Slovenians Paddle to Point

Skully, Gornik and Zakrajsek Canoeing to Cedar Point

Finding the neighborhood sort of dull and devoid of thrills, three Slovenian lads ventured a novel stunt, heading for Cedar Point via a canoe on Lake Erie. Louie Skully, "Butch" Gornik and "Nig" Zakrajsek, the canoeing trio, left Cleveland Tuesday at 1 p. m., and unless handicapped by stormy seas will reach their destination today. If all goes well the adventurous outfit expects to be back in their native haunts some time Monday, with nothing more to show for their efforts than a splendid coat of tan and a few blisters.

The latest official report upon the progress of the intrepid paddlers was a card received by the gang at Nick's pool room Thursday. It was stamped Lorain, O. According to the report, they are having lots of fun and send their regards to all their landlubber friends in the community.

Hanna Pitches Team To S. D. Z. Win

Crusader Hurler Haits Saints as Relief Pitcher

With Chuck Hanna rushing into the breach after the SS. Cyril and Methodius bats collected three runs off Lindy's deliveries in the first inning, the Modern Crusaders came from behind to nose out the Saints, 7 to 6, in the only game played in the S. D. Z. softball league last Sunday. The other scheduled game between the league-leading Slovenian Young Men's Club and the Clairwoods went to S. Y. M. C. via the forfeit rule when the Clairwood aggregation failed to put a team on the field.

The untested victory enabled the Young Men to strengthen their hold on first place, as Cleveland, now in second, was idle for the day. The defeat was the seventh straight for the Crusaders, though not moving them up in the standing, put them in a position where a victory over either one of the two leading teams will pit them right in the thick of the fight for the lead.

Tomorrow's tilts bring together Mir and the Clairwoods on No. 6 at Gordon Park and Cleveland and the Saints on No. 7. Cleveland is expected to cop its tilt with the Saints, thus advancing on the idle S. Y. M. C. while Mir should experience little difficulty in handling Clairwoods' eighth straight defeat.

DANCER

"Dodo" Fabian, Popular Dancer, Leaves for New York Today

Miss Emily "Dodo" Fabian, accomplished Slovenian classical dancer, leaves today for New York City, where she is to continue her studies of the dance. Miss Fabian has been receiving dancing instructions in Cleveland for the past ten years, and though still in her teens, has established a reputation as one of the best local dancers. She will be accompanied by her mother on the trip to the American metropolises.

At present her teacher, Nickolai Semenov, has arranged an audition for Miss Fabian July 25.

INTER-LODGE TO ELIMINATE

Series Like One Used in Local C. A. B. A. to Start First Week in August

An elimination series, identical to one conducted by the C. A. B. A., will determine the 1930 champion of the Inter-Lodge Softball League. This was decided at a league meeting last Friday night. According to the plan, the first round of play will be completed before the series is started. According to the C. A. B. A. system, one defeat puts the team in the second division, a defeat in the second division eliminates the team from further competition. The finalists in the first and second divisions then play for the title. Teams to compete in the series are: S. Y. M. C. (SDZ), Loyalties, Comrades and Progressives (SNPJ), George Washingtons and Colliwood Boosters (SSCU), Pioneers (OPU), Spartans (SSPZ) and the Orel Gym Club.

In the playing so far this season, the Loyalties, George Washingtons and Slovenian Young Men's Club have been setting the pace, though the rest of the teams have been playing some mighty fine ball and at times have risen to great heights, upsetting the dope by trimming one of the leaders. Witness the defeat of the S. Y. M. C. at the hands of the Orels and the Comrades. According to the dope, the Loyalties and the S. Y. M. C. should be the finalists in the series, which starts the first week of August.

Plans were also discussed at the meeting to hold a great public dance some time in the fall. The date and place of the affair will be announced later. With all the lodges and clubs entered in the league co-operating, this dance should prove to be one of the largest of the coming season.

Teams are requested to keep the newspapers posted as to the results of their games, for only in this way can a complete record of the series be kept.

Pictured above is the popular "Dodo" Fabian, who leaves today for New York, where she will continue her dancing studies.

SLOVENIAN GIRLS WIN FROM WOODHILLS

"Whitey" Doljak Whiffs Ten as Team Wins, 17 to 3

With her teammates hitting timely behind her stellar pitching, "Whitey" Doljak led the Slovenian Girls to a seven-inning 17-to-3 victory over the Woodhill A. C. lassies in a league game at Woodland Hills Wednesday evening.

But six bingles were collected off Doljak's slants, while she whiffed ten of the Woodhill girls. Blatnik and Laurich scored circuit smashes and Doljak collected a pair of bingles to lead the batting onslaught.

Neighborhood fans will have a splendid opportunity of seeing the girls in action Wednesday evening, when they take on the May Co. ball tossers at Gordon Park. The game gets under way at 6:30.

BABY SHOW

Frankie Simms, Slovenian Boxer, Judge in Contest Held at East Madison

The cutest, fattest, smallest, the best dressed baby and the one with the largest eyes, all had their day at East Madison playground Wednesday when the annual baby show was staged by chief playground instructor, Eddie Kovacic. Twenty-five prizes were awarded by Judge Frankie Simms, local boxer, who had fifty-five contestants to select from.

The show was held as part of the city playground program, which calls for one feature each week. The contest was limited to "four-year-olds" and under, and though twenty-five major awards were given, each contestant received something.

Orel Gym Exhibit Tomorrow Offers Feature

Annual Outdoor Demonstration at Pintar's Starts at 2:30

The annual outdoor Orel gym exhibition will be held tomorrow. And as in the past, the Orel organization has again a few new features and novelties to present their audience. One of these features, carded for tomorrow's performance, is a giant human pyramid built on the horizontal bars. The work done by the gym class is under the direction of gym captain Joe Susnik. An orchestra will furnish the music for the drills.

The exhibition will start promptly at 2:30 p. m. at Pintar's farm. After the performance a general entertainment and picnic will be held. An orchestra has been hired for the benefit of the dancers, while an entertainment committee of fifty people will see to it that all attending have a good time.

For the benefit of those desiring to attend, directions for reaching the farm are here given: Those driving, take Lake Shore Blvd. to E. 260th St. (Upsun Rd.), drive south until you reach the farm. Do not take St. Clair Ave., as the road is being repaired and a detour is necessary. Those taking street cars will be met by a truck at the end of the Nottingham car line.

LASSIES FROLIC

Slovenian Girls' Baseball Team Has Wiener Roast at Rainbow's End

To break the monotony of the strenuous championship drive, the Slovenian Girls of the City Softball League, took time out last night and staged a wiener roast and good-time party at Rainbow's End on the Chagrin River.

Canoeing, swimming, eating and dancing made up the major portion of the evening's hilarity, while a few even went so far as to play a little Scotch golf on the miniature course near by.

Walt McHenry, popular Parkersburg (W. Va.) professional ball player and accomplished story teller, now vacationing at the End, amused the campfire audience with several of his famous tales.

AT CHAGRIN

Young Ladies Spend Week at Batch-Lure-Four Cottage on River

With two cottages at their disposal, the Misses Louise and Alice Gornik, Alice and Vera Milavec and Bertha Prince made the week of July 7 a most enjoyable one for themselves. Eating and sleeping at the Batch-Lure-Four cottage on the Chagrin River, the girls did the major portion of their frolicking at Camp Pair-O-Dice at Brady's Point.

Tennis, canoeing, swimming, hiking and dancing were the main diversions of the vacation.

CIMPERMAN-VEHAR MARRIED AT CHURCH OF ANNUNCIATION

The Rev. John Kelly Performs Ceremony Uniting Couple; Reception at J. D. N. Hall

The Rev. Fr. John L. Kelley read the marriage service which united Miss Mary Carolyn Cimperman and Anthony Vehar Jr. at the Church of the Annunciation this morning.

Cedar boughs, palms and baskets of gladioluses were used in the church decorations. The cedar boughs were arranged about all the pillars, making a pretty and unusual display. Miss Josephine Vehar, sister of the groom, sang "Ave Maria" at the Offertory and Mr. C. E. Kleinschultz played the organ.

Miss Cimperman is the daughter of Mr. and Mrs. John Cimperman 4770 W. 190th St., and was given in marriage by her father. She wore a long-sleeved gown of ivory satin, with a fitted lace bodice and a long full skirt. Her veil was of ivory tulle, bound in lace and draped into a cap, which was fastened with a wreath of orange blossoms at the back of the head. She carried a shower bouquet.

Bridal attendants were: Miss Jennie Cimperman, maid of honor, and the Misses Mary Vehar, Molly Kozely, Mary Klaus, Alice Zeleznik and Mary Sanker, bridesmaids. All wore similar gowns, in pastel shades, with matching hats and ivory slippers.

Frank Cimperman acted as best man, and ushers were Messrs. Joseph Hunter, Joseph Sustersic, Anthony Potocar, Frank Zupan and Frank Kavc. The groom is the son of Mr. and Mrs. Anthony Vehar Sr., Astor Ave.

Music for the wedding reception at the J. D. N. Hall, McGowan Ave., will be furnished by the Jack Zorc ensemble.

Following their return from a two weeks' honeymoon in Loring, Ont., Canada, Mr. and Mrs. Cimperman Jr. will be at home at 13812 Astor Ave.

Bits About Them

MODERN

Is the one word that best describes the young lady whom it is our pleasure to present to you this week. Typically modern, carefree, saucy and pert, breathtakingly candid and outspoken.

ANNE A. GASPAREC

Is our conception of the female species of American youth model 1930. Born in Cleveland June 11, 1911, has lived here ever since, deserting the portals of this fair town only once, and that for Ashtabula for a vacation.

Middle name is Antoinette, and she wears her brown hair behind her small ears in the latest approved Greta Garbo fashion.

Was working for the brothers who made the figure \$22.50 famous until this week when she felt the present depression via the lay-off route. Before that used to draw down igby cughday at the Min. Lamp Works.

Learned her A B C's at St. Paul's, East Madison, Willson and East Tech Hl. Has green eyes and likes clothes of the same color, and her exact height is 5 feet 5 1/2 inches, and she tips the beam at 120.

Is a member of Mary Magdalene KSKJ, Sokols and the Modern Coquettes, a sewing club, of which she takes charge of the cash receipts and disbursements. Coquettes have folded tents for the summer, however.

Broke into limelight by drawing down large picture on front page, second section of recent edition of Cleveland Press. Photo showed her displaying the latest in sun-tan swim suits. Also made Press sport page in basketball costume. This before finals in Inter-Frat League.

Chief hobby is playing on championship teams, serving three years with East Madison playground team, which copped title every time. Played on Sokols when they pulled down Inter-Frat championship, and at present is holding down the first sack for the Slovenian Girls, who are headed for city girls' softball crown.

Besides bucket and baseball, goes in a mighty big way for wave disturbing in nearby Lake Erie. Was picked on American Home Junior All-Inter-Frat team as guard and threatens any minute to take up golfing.

At present moment is nursing sprained ankle received while jumping railroad ties, and, though she can do it with a vengeance, isn't exceptionally keen on dancing, but she does like sewing and right now is working on hope chest.

Likes medium-sized, blond males with blue eyes, beans, sauerkraut and cornmeal, short dresses, informal affairs and is still able to blush.

Reads quite a bit, likes novels and has just finished "A Maid and a Million Men," author forgotten. And she is learning banjo beating at Fisher's.

Favorite flicker femme is Nancy Carroll and she dotes on the fillum antics of one Johnny Mack Brown. And she wouldn't advise any man to marry her on the basis of her cooking ability.

Doesn't like housework, ironing skirts, ornaments, or too inquisitive people. Her favorite stunt used to be to put beans on stove and then let them burn while she played ball outside.

Has a fine coat of tan, is still single and figures on staying that way for quite a while. When asked why, she replied: "Now, wouldn't I look cute, a married woman, running around in bloomers, playing sports? And how I like sports!"

Has no height of ambition, as she claims she hasn't got around that far in her thinking yet. Uses very little powder and paint and occasionally a drop or two of Coty's odor water.

Most emb. mom. occurred at House Council Testimonial Dance for Inter-Frat winners when she came two hours late for awarding of honors. Aibi was, car stalled, but nobody believed her, thus affording the embarrassment.

Eyes sparkle, answers all questions quickly, precisely and in a low, well-modulated voice that belies her small-featured and saucy looking face.

SPOMINI Z DIVJEGA ZAPADA

Maurice Constantine Weyer

Vedno bolj grozeča se nama je zdela bodočnost. Lepa preteklost je bila mrtva. Kupček pepela, komaj za spoznanje večji od tistega, ki bo ostal za Davidovo kočjo... Predstavljal sem si ga, kako se napravlja, da upelji svoj dom, neprestano novih prič svojega junaškega življenja iščočega, da jih vrže lačnemu plamenu v žrelo: prazne zaboje od gina, svoje visoko mehikansko sedlo, ki je že od daleč dišalo po konjskem hlevu, uzdo, stremena, lasso. Vse je bilo zamašeno! Kajti samega sebe zagnati v ogenj, sem vedel, mu bo njegova zdrava pamet branila. Dokler živiš, živj spomin. Naj bo pokopano, kar je bilo, naj prerjia umre, žalost ti večno ostane.

Napoleon me je silil k odločitvi. Treba je bilo obrniti konje v dolarje. Zastoj nisva marala prenašati šest tednov stotine milj daleč utrujenost, lakota in žejo, veter, dež in vihar. Vsi ti dnevi v sedlu, mračni in veseli, morajo dati kaj evenka. Prodati, to je bilo treba, prodati!

Z denarjem, ki sem mu ga bil dolžan, je nameraval Napoleon čim prej v deželo Oklahoma, da tam nadaljuje svoje staro cowboysko življenje.

V Moose-Yaw sva se ustavila. Mož iz Winnipega, ki je nosil trd klobuk po strani, smotko v ustih, obrabljene modre hlače iz slabega blaga, izpod katerih so se svetili popolnoma novi lakasti čevlji, mi je ponudil sprejemljivo ceno za del mojih konj. Banka mi je izplačala ček, ki ga je bil s samozadovoljstvom in nemarnostjo izpolnil na mizi v baru. Whisky in soda sta se zlatile v kozarcih za štiri unče.

Zvečil je s svojim zlatim zobovjem čik in mi dajal dobre nasvete: Jerry Walker. Na severozapadu pokrajine Saskatchewan, zadaj, za peresnim jezerom, bom našel primerno naselbino, je menil; tam so kmetje, ki so se naselili iz Ontarija, angleškega, škotskega in irskega porekla, in v prvo obdelujejo zemljo. Zemlja pa je lahka, za moje konjčice baš pripravna. Ko je začel mož iz Winnipega klepetati, ni mogel nehati in mi je povedal nešteto podrobnosti. Zapalil si je smotko za pet centov, ukazal prinesiti četrti whisky in mi obširno razkladal, da porabijo moji konjčici manj krme nego težki konji iz Ontarija. Čiste nožice mojih konj da ni so tako občutljive za bramor, ki na zapadu razsaja, kakor kosmati členki tistih debelih konj. Na vzhodu je živnozdravnikov toliko kot nič. Radi tega je v vsakem oziru prikladnejše uporabljati domače konje, ki so trdi in vztrajni ter najbolj prenašajo težave podnebja. Vsak novi argument mu je povečal žejo in njegov obraz se je vznemirljivo temnil. Kakor da se mi je kamen odvalil, sem se odahnil, ko je bilo njegovega predavanja o konjski kupčiji konec, ne da bi bila debeluha prej zadela kap.

Zame in za Napoleona so sledili trdi dnevi. Morala sva vo-

diti najino čredo brez škode skozi bodičasto žico, s katero je bil preprežen ves kraj. A še huje je bilo, ko so ograje končale. Kajti prišla sva v najplodovitejše ozemlje Kanade, iz čigar trdnih, vijoličastih tal je poganjala bogata setev. Če bi jo konji pogazili, bi bila kazen občutna. Raztresene, med obdelanimi vrtovi, so stale ljubke, veselo poslikane lesene kolibice. Simpatična radovednost naju je spremljala in na mnogih krajih sva uživala veliko dušno gostoljubnost. Slanine, jajc, zelenjave, puddinga, mleka in peciva v izobilju. Kmetice prijazne zunajnosti so naju priljudno vabile v svoje domove. Prinesli so nama več kot preveč vode in mila v velikih rožastih skledah. Polagoma je utonil spomin na Bretone, na Duhoborce in Mennonite.

A kmalu sva pustila naselbino za sabo. Prejezditi sva morala precej divjo pokrajino, ki je bila ravna, globoko ležeča in mestoma poraščena z gozdovi. Celo prava stepa vmes je bila posejana s pritlikavim bičevjem. Rastlo je okrog mlakuž, v njih so se zrcalili oblaki, kadar niso plavale po njih divje race. Naši konji se niso več tako plašili pred divjimi zajci, kakor pred časom na veliki južni preriji, tembolj pa so se strašili pred leščarkami. A vprav te so nam bile slastne večerje! Zvečer sva jih pekla na ražnju. Neznosni so bili brezštevilni in neutrudljivi moskiti. Skušala sva se jih ubraniti z dimom svežih vej, ki se je vil v gostih plasteh pri tleh. Celo konji so se podajali v tesnih gruclah v ta blagi obrambni dim. Najina čreda se je v ostalem že počasi pričela nomadskemu življenju, Sama od sebe je nastala neka disciplina, tako da nama ni bilo več treba tako pogostoma skakati iz sedla, da zajameva kakega ubežnika. Vkljub temu smo napredovali le počasi, ker sva pustila med potoma konje dolgo pasti. Povsod je bilo tečne mrve v izobilju, a trava je bila povsem drugačna od one, ki smo je bili v znanih krajih vajeni.

Tudi nočni orkester je bil zdaj drugačen. V začetku, še preden je utonilo sonce na zapadu za bičevjem, je klic skovirjev oznanjal od veje do veje je novico o umirajočem dnevu. Nato je zatulil prvi volk. Hip za tem so kobile zarezgetale svojim žrebetom. Kajti volk je gospodar kanadskih noči in le dobro merjena breca kobile mu zna vcepiti spoštovanje do žrebetovega življenja. Pri drugem tuljenju volka je bila čreda že pripravljena k obrambi. Žrebeta na sredi. Potem je mirno pasla dalje, brez hlastanja, golila, grmičje in teptala travo. Potem se je oglasil kozodaj: boa purri! boa purri! ... in spet grozni klic skovirja in velike uharice. Do gozdnega roba je bilo slišati tih let nočnega orjaka, njegova ogromna, preteča senca se je smukala med mesecem in nama ... Krik zadavljenega zajca ... Zagonetni čestest v gozdu

... in še bolj zagonetni vzdih, o katerih nisi vedel, ali jih poraja slast ali bolečina. Ljubezen in smrt sta pletla okoli naju omamne kroge. Menjaje sva poslušala to dražljivo in okrutno glasbo, kajti eden naju je vedno bdel in čuval čredo ter svojega tovariša. Čim se je zvasvil dan, sva po hitri južini skočila zopet v sedlo. In potem naprej, skozi prirodo, ki je bila prepletena z vsemi odtenki modre in zelene, a najbolj rdeče barve, od lahno rožnate do bleščeče sile maka.

Dnevi so postajali daljši. Malo da niso razpokali od nategovanja, a jutranja zarja je zopet spravila vse v red... Jezdila sva po peščenih zemljah, kjer so se posamezne pritlikave kakteje in krivi bori brezbrizno zoperstavliali suši. Konjska kopita so nama metala trd in boleč prah v oči. Isti prah, pomešan z najinim potom, je postal čvrsta lupina umazanije, ki se je tudi pri večernem taborenju nisva mogla docela rešiti. Tudi komarji so storili svoje, da nisva se je mogla rešiti.

A ko sva imela sipine za seboj, se je pokazal skrit med vejami topolov, prvi dim. Bilo je dobro se spominjam—nekega jasnega, kakor opal prozornega večera. Napoleonov žrebec je zarezgetal, kajti zavohal je neznan družice. Od tam je prišel odziv. Psi so zalajali.

Krenili smo na vprav zorano polje. Bela in rdeča, iz svežih debel zgrajena domačija, s hlevi in shrambami, belimi in bleščečimi, se je ponudila našim očem. Radovedni obrazi so se pojavili pri vratih, živahno mahanje z rokami je opozarjalo na naju.

(Dalje prihodnjič).
