CLEVELAND, O., SATURDAY MORNING, AUGUST 23, 1941

LETO XLIV. — VOL. XLIV.

KONCEM TEDNA

AMERIŠKA vlada ima še vedno upanje, da general Weygand bo izročil francoskih kolonij Afriki Hitlerju, čeprav se je francoska vlada popolnoma vdati. Toda naj pride kar je, ameriška vlada še dolgo ne prekine diplomatskih odnosov s Francijo. Imeti hoče tam svojega diplomata, pazno vleče na ušesa, kaj se v Nemčiji in tam okrog.

ED diplomat je mnenje, da ameriška vlada ne bo dovolila, da se v Ameriki ustvari po tej vojni tako svetovno policijo, h kateri bi poleg Amerike in Anglije stopile vse one države, ki so v vojni. Te države bi potem bile, da se nihče ne začne obojevati.

Ed dolgo in Anglija bo začela v velikem obsegu nabirati želez. Državah mehanike in inženirje, ki jih v Angliji zelo priljubljuje. Zlasti jim primanjkuje mehanikov za popravila letal. Objubil se bo sijajne plače in razne druge ugodnosti.

Ženske ne znajo držati jezika za zobmi, ni vselej res. Zed. država ameriškega mornarstva, ki je vedela o namestitvi sestanku med Rooseveltom in Churchillom več dni prej, pa ni črhnila niti besede o tem. Baje ji tega prijatelje niso bile odpuštile do smrti.

DEM se je čudno zdelo, zakaj je ameriški Rdeči križ dobil akcijo v Španiji, kjer je bil za \$4,000,000 ameriškega blaga. Zdej prihaja na, kako je špansko uradništvo, ki je naklonjeno nacijem, skušalo vrati to ameriško dobrodelno akcijo. Balj so se, da se Američani ne bi preveč priljubila letnemu španskemu narodu. Prišlo se je celo, da so carinski uradniki v Sevilji kradli moko iz Rdečega križa. Drugi uradniki se morala vršiti preiskave v zvezi z inventarji. Toda noč je začelo v skladišču gorjeti. Zed. Rdečega križa je bil uradnikov aretiranih, to je eden ni bil kaznovan.

POSTOVOLJCI iz Španije, ki so prišli prošli teden na rusko fronto, ne bodo najbrže videli bojnih linij. To namreč prostovoljci, ampak večinoma postopaki, ki jih je vladna postopaki v vojaško službo. Od ene divizije, ki je bila poslana na rusko fronto, to je bilo samo 1,200. Vršila se je kampanja med fašističkim stranko za prostovoljce, to je bilo samo 1,200 se jih je priglasilo.

EDNO Nemci potope kako ameriško ladjo, poberejo železne baker in med, ki ga morajo odtrgati. Znamenje, da teh ladij v Nemčiji zelo primanjkuje. Čase je akcija nemških podmornic na Atlantiku. Vozrak je, ker je v vojni podmornice v črno barvo, da jih ne vidi v Baltski proti Rusom.

EDNO Miss Rose Kaussek pošilja prijateljicam pozdrave iz Anglije. Pravi, da tam zelo lepo.

Na ta dan naj bi se naselbina praznično pokazala. Priskočimo finančno in moralno na pomoč, da pripomoremo do zmage.

Sklenjeno je tudi bilo, da se nabavi spominska knjiga, v kateri bodo vpisani vsi oni, ki bodo prispevali za kampanjo en dolar ali več. Koncem kampanje pa bo ta knjiga podarjena v trajen spomin Franku Lauschetu. Sprejelo se je še veliko drugih dobrih sklepov na tej seji.

Pokojni Andrew Tonej

Kot smo že včeraj na kratko poročali, je umrl za srčno kapjo Andrew Tonej, star 47 let, stanujoč na 6600 Bliss Ave. Tukaj zapuška žalujočo soprogo Jennie, rojeno Zgavec, doma iz Dolge Poljane pri Vipavi, sina Daniela, ki je farmacist pri mornarici in Leona, brata Josipa in več drugih sorodnikov. Doma je bil iz Spodnjega Otoka pri Radovljici, kjer zapuška očeta, brata Valentina in Ivana ter več drugih sorodnikov. Tukaj je bival 28 let ter je bil ves čas zaposlen pri White Motor Co. Bil je član društva Carniola Tent, št. 1288 T. M. Pogreb se bo vršil v ponedeljek zjutraj ob 8:15 iz Želotovega pogrebnega zavoda v cerkev sv. Vida in na pokopališče Kalvarijo. Naj počiva v miru, preostali so žalje.

Pozdravi iz Mehike

Prijatelj Jim Sepic pošilja pozdrave iz Monterrey, Mehika, kamor sta šla s sinom Charlijem gledat bikoborbo. Jim pozdravlja zlasti svoje fante pri Euclid Rifle klubu. Uredniku Jakutu pravi: "Škoda, da te ni tukaj!" Ne vemo, ali bi Jim rad videl, da bi se bil urednik sprijateljil z bikom v areni, ali kaj.

Sinko je!

Pri družini Mr. in Mrs. Tony Petkovek, poznanem gostilničarju na 965 Addison Rd. se je oglasila teta štorklja in pustila krepkega sinčka-prvorojenca. Srečna mamica in sinko se prav dobro počutita v Glenville bolnišnici. Čestitamo!

Nesporazum med Hrvati in Italijani

V severno Hrvatsko so prišle baje italijanske čete, da napravijo red. Hrvatsko vojaštvo zapuška vojašnice in se skriva. Italijani so zasedli Dubrovnik.

Bern, Švica, 21. avg. — Italija je poslala večjo armado v severno Hrvatsko, kjer je narod pobunil proti vladi. Tako je bilo poročano nocoj po radiju v hrvatskem jeziku iz Moskve. Zagrebški radio je pa danes apeliral na vojake redne armade, naj se takoj vrnejo v vojašnice.

Radijo iz Moskve poroča, da je prišlo do spopadov med mohamedanskim prebivalstvom in Hrvatj in da so hoteli italijanski vojaki posredovati. Tedaj so pa Mohamedanci padli po teh in jim prizadeli mnogo izgub. Vsled tega je poslala Italija nove čete na Hrvatsko. Vsako javno zborovanje je na Hrvatskem strogo prepovedano.

Vsi zagrebški časopisi so pred tremi dnevi prinesli apel od vlade, naj prebivalstvo naznani vsakega vojaka, ki je odsoten brez dovoljenja. Ako se vojaki vrnejo v teku 48 ur, ne bodo kaznovani.

Poročila tudi zatrjujejo, da so italijanske čete zasedle Dubrovnik. Toda ta vest ni potrjena.

Iz Berlina se pa poroča, da zahtevata Italija in Madjarska novo ozemlje od Hrvatske. Italija zahteva vso dalmatinsko obal in 50 milj ozemlja v notranjosti vse obale.

Jezerska vožnja v počast sodniku Lauschetu

Klubi mladih demokratov v okraju Cuyahoga bodo priredili večerno vožnjo po jezeru Erie v počast sodniku Lauschetu. To bo v petek 29. avgusta. Parnik Eastern States odrine od pomola na 9. cesti ob devetih zvečer. Na parniku bo tekmo vožnje ples, kontest lepotic in flor show. Razsodnika za kontest bosta sodnik Lausche in Ray T. Miller.

Cena vožnji je 60 centov. Ves čisti prebitek se bo porabil za Lauschetovo kampanjo. Vozni listki se dobe v našem uradu, pri Mrs. Makovec v SND, v demokratskem stanu 6724 St. Clair Ave., v Collinwoodu pa v North American banki na Waterloo Rd. in 156. cesti.

Kdor hoče imeti večer pristne zabave, naj se gre voziti tisti večer z mladimi demokrati po jezeru.

Pohod na Leningrad ustavljen

Rusi dobro odbijajo nacije na vseh frontah. Ruska zmaga na Baltiku.

London, 23. avg. — Poročilo iz Moskve danes zjutraj naznaja, da je ruska armada začasno ustavila pohod Nemcev na Leningrad. Finci pa poročajo, da so zavzeli mesto Kiviniemi v ožini Karelian in tako prišli v bližino 50 milj do Leningrada. Rusko poročilo zatrjuje, da se ruska armada dobro brani tako Fincev kot Nemcev, ki v kolobarju pritiskajo proti Leningradu.

Na Baltiku, zahodno od Leningrada, so Rusj potopili dva nemška transporta, tri pa naselili na plitvino. Potopljena sta bila tudi dva oborožena motorna čolna, ki sta spremljala transport.

Za glavno obrambno linijo okrog Leningrada pripravila civilno prebivalstvo barikade po cestah. V Leningradu se vrše javni shodi, na katerih civilno prebivalstvo prisega, da bodo našli naciji tukaj svoj grob, ako se približajo mestu. Ruske žene so pripravljene stopiti v boj ob strani svojih mož in braniti mesto do zadnje kaplje krvi.

Nemci sami priznavajo, da pošiljajo Rusj v boj ogromne rezerve in da je izid vojne še vedno neodločen.

Kupovanje na odplačila bo omejeno s 1. sept. na 24 raznih predmetih

Washington. — Federalni rezervni odbor je odločil omejitve nakupovanja na odplačila s 1. septembrom na 24 raznih predmetih. Tak je bil ukaz predsednika Roosevelta, ki hoče tako zmanjšati nakup hišnih potrebščin, da ostane tako več materiala za obrambno industrijo. V teh predmetih so vključeni avtomobili, kuhinjske peči, električne ledenice, šivalni stroji, pohištvo in drugo.

Jugoslovanski ministri pridejo v Ameriko

Washington, D. C. (Jugoslovanski tiskovni urad). — Te dni, najbrže proti koncu avgusta ali pa začetkom septembra imajo priti v New York sledeče odlične jugoslovanske osebnosti: dr. Ivan Šubašič, ban banovine Hrvatske s svojo ženo Vlasto, ter ministri: dr. Boža Marković, Bogoljub Jevtič s svojo ženo, Sava Kosanović in dr. Snaj (Slovenec).

Zadržali se bodo samo par dni v Zed. državah, nakar odidejo v Kanado, kjer bo njih stalno bivanje. Jugoslovanski tiskovni urad bo poročal o prihodu teh državljanov, čim bo zaznal dan prihoda.

Smrtna kosa

V sredo zvečer je umrla v Cleveland Clinic bolnišnici Mrs. Mary Spetič, rojena Zele, doma iz vasi Koče pri Slavini in stanujoča v Barbertonu. Tukaj zapuška žalujočega soproga Franka, v Johnston, Pa. pa brata Jacka, ki je dospel na pogreb. Zapuška tudi več drugih sorodnikov. Pogreb se bo vršil v ponedeljek zjutraj iz hiše žalosti, 263 — 29. St. N. W., Barberton, O. Naj ji bo ohranjen blag spomin, preostali so žalje.

ARMADA NI MORDA KAK OTROŠKI VRTEC

Fort Bragg, N. C. — Vojak John Habinyak, enoletnik iz New Yorka, je bil nečastno odpuščen iz ameriške armade, ob enem je bil pa obsojen na deset let in 9 mesecev ječe v vladni jetnišnici v Atlanti.

Vojak je bil sojen radi nepokorščine v petih slučajih in sicer:

1. Ni hotel izpolniti povelja poročnika Krausa, ki mu je ukazal očistiti svoj jedilni pribor.
 2. Na 4. julija mu je poročnik Kraus ukazal stati v pozor. John ni ubogal.
 3. Podpolkovnik mu je ukazal počistiti pred polkovno stražnico. John zopet ni ubogal.
 4. Poročnik Kraus mu je ukazal pomesti pod posteljo in okrog postelje. John je rekel, da ne bo in ni.
 5. Na 4. julija je nalašč pljuval po tleh v stotnijski jedilnici. Ko mu je narednik Lester ukazal, naj to počisti, zopet ni ubogal.
- Bil je klican radi nepokorščine k raportu in obsojen, kot gori omenjeno.

Sodnik Lausche in pater Zakrajšek bosta jutri govorila Slovcem v Brae Burn parku 25000 Euclid Ave. Pridite ju poslušati! Bo zelo zanimivo! Shod bo ob vsakem vremenu!

Prispevki za Lauschetovo kampanjo

V četrtek proti poldnevu so se odprla v naš ofic vrata, skozi odprtino se je najprej prikazala dolga in lepo dišeča cigara, za njo pa vedno smehljajoč obraz splošno poznanega in priljubljenega Johna Drenika iz Euclida. John pride v naš ofic samo na svete čase, samo ob posebnih prilikah. Kaj bi pa hodil. Oglase in drugo naroči po zastopnikih, bare pa pri nas nimamo, da bi nam John oddal kaj od svoje fine zaloge Erin Brew, Duquesne ali kipečega Budweiserja.

Pa se John in urednik Jaka nista dolgo gledala in ugibala o vremenu, o vojski in obrambni industriji. Niti cigare ni vzel iz ust, ko je segel po listnico, izvlekel iz nje ček in ga izročil Jakatu s pripombo: "Na, tole je za kampanjo našega spoštovanega sodnika Franka Lauscheta. Volil ne bom zanj, ne zato, da ne bi hotel, ampak ker mi v Euclidu bomo volili svojega župana. France je pa fest fant in pomagati mu moramo vsi!" Urednik se mu je lepo zahvalil, ne da bi vpričil prijatelja Drenika pogledal na ček, ker se to ne spodobi.

Toda Drenikov John ni še dobro zaprl vrat za seboj, ko se je poslovil od nas, že je planil urednikov pogled po čeku in sicer na desni vogal, kjer se pišejo številke. Križ božji, kaj ni stala tam moška številka, črno na belem, \$50.00 (petdeset copakov ameriške valute)!

Urednik je butil skozi vrata za Johnom, da bi mu še enkrat zmrmavil roko v zahvalo, toda Johnov avto je že dirjal proti slavnemu Euclidu. Vse se je kadilo za njim, pa ne vemo ali je bil dim od motorja, ali od cigare. Torej John, najlepša hvala v imenu Clevelandčanov. Kadar boste pa kaj v Euclidu potrebovali, bomo pa mi prišli na pomoč.

John Simončič, ki ima danes slovensko odprtijo svoje gostilne na 6524 St. Clair Ave. je prinesel tudi \$5.00 za Lauschetovo kampanjo. Iskrena hvala!

Potem jih je prišlo še več drugih, katerih imena in vsote bomo priobčili v ponedeljek.

Kaj pravite

Kako so ruski državniki in diplomati naglo spremenili svoje mnenje o Nemčiji, kaže naslednji dogodek.

Spomladi, ko je bil Hitler na tem, da napade Jugoslavijo, je jugoslovanski poslanik v Washingtonu, dr. Konstantin Fotić, telefonično rusnemu poslaniku Konstantinu Oumanskiju, da bi ga spomnil na prijateljsko pogodbo med Jugoslavijo in Rusijo.

"Prepričan sem," je rekel jugoslovanski poslanik v telefon, "da bo naša pogodba zdaj delovala in da bo Rusija pomagala Jugoslaviji v tej uri potrebe."

"Moj dragi kolega," je odgovoril ruski poslanik, "razumeti morate, da smatra Rusija kapitalistične vlade, kot so Zed. države in Velika Britanija, za večje sovražnike kot Nemčijo."

Ta pogovor je bil pred 6. aprilom letos. Na 22. junija pa, torej približno dva meseca potem, je jugoslovanski poslanik zopet poklical po telefonu ruskega poslanika. To je bilo potem, ko je Hitler padel po Rusih.

"Ali še vedno smatrate, da sta Velika Britanija in Zed. države večji sovražnici kot Nemčija?" je vprašal dr. Fotić Oumanskija.

"Moj dragi kolega," je odgovoril Rus, "lepo Vas prosim, ne govorite mi več o tem."

Kongresnik Sweeney pravi, da kandidira za župana v Clevelandu samo zato, da bo razgalil sedanjo republikansko mestno upravo, in ne za to, da bi škodoval kandidatu Lauschetu. Mi bi drznili skromno pripomniti, da če bo treba kaj "razgaljevanja," da je sodnik Lausche dovolj moza, da bo to storil in ne potrebuje za to nobene pomoči.

Frank Lausche je vložil pri volivnem odboru nad 120.000 imen na peticijah. Uradno jih zadostuje samo 3.000. S tem je Lausche dosegel rekord v Clevelandu. Najbližje mu je prišel bivši župan Burton (mi priporočamo Burtona), ki je leta 1937, ko je bil na višku svoje popularnosti, vložil 103.000 imen. Pa je bil tudi izvoljen z ogromno večino. Mi napovedujemo, da bo dobil Frank Lausche v primarnih volitvah nad 120.000 glasov in bo torej prvi med vsemi kandidati. Če ne bomo uganili, se bomo izkazali slabi preroki. Ampak to je pa tudi prvič, da smo komu napovedovali zmago in mu prisodili obenem številko glasov.

Senator Burton, bivši clevelandski župan, kritizira vlado, da preveč razmetuje denar. Seveda, Mr. Burton ni več clevelandski župan in mu ni treba hoditi z malho v Washington po denar. Takrat ni dal Washington nikdar dovolj novaca za Cleveland.

Milan Medvešek, gl. odbornik SNPJ, se je oni dan spravljal v uradni Prosveti na Slovensko žensko zvezo. Javno pozivlje "napredne" Slovenke naj puste SZZ in naj pristopijo k Progresivnim Slovenkam. Razumemo, da silna poraja Slovenske ženske zveze g. Medveška zelo tare in morda še koga drugega. Toda kaj bi rekel g. Medvešek, če bi začel kdo rabiti enako municijo in javno apelirati na katoliške Slovenke, naj zapuste SNPJ? Včasih smo slišali grozovnike, ki so naglašali, da so VSE slovenske organizacije dobre. Očividno vidi g. Medvešek samo svoj nos.

Tisti senatorji in poslanci, ki grmijo po radiu, shodih in enako, da nam obvezne vojaške vežbe ni treba, ne govore iz prepričanja, ampak si hočejo zgraditi žalostno kariero pri onem delu naroda, ki misli, da sedi Amerika v Abrahamovem naročju. Kdor pravi, da v teh časih, ko grme topovi vse okrog nas, ne potrebujemo armade, ne ljubi svobodne in demokratske Amerike. Kdor misli, da moremo v enem letu vzgojiti izvežbano armado, naj gre lupit krompir. Mi si upamo trditi, da je naša dežela storila veliko napako, ker je po prvi svetovni vojni pustila v nemar oboževanje in opustila obvezno vojaško vežbo. Zdaj bi lahko imeli rezervno 20.000.000 mož, pred katero bi imel rešpekt celo sam Hitler. Veseli bodimo, da nas ni nihče napadel nepravilne.

Akcija za odpomoč stari domovini ne najde dosti odziva pri ljudeh. Glavni vzrok temu je, kot slišimo v razgovorih z ljudmi, ker nihče ne ve kdaj in kako se bo pomagalo. Nekateri pravi, "kadar bom videl, da se bo lahko poslalo domov, bom pa dal." Drugi pravi: "Jaz imam doma svojce. Kadar bom lahko poslal, bom poslal svojim." Mi smo priporočali, naj bi začeli zbirati za zaboje živil, katere bi poslali jugoslovanskim vojnim ujetnikom. Mednarodni Rdeči križ v Švici je garantiral pravično razdelitev. Prepričani smo, da bi bila tista akcija uspela, ker bi bilo nekaj pozitivnega. Toda s svojim priporočilom nismo pridrli. Tako je pa zdaj vse mrtvo.

V zadnjem Saturday Evening Post-u poroča Cecil B. Brown, kako sta potovala z ameriškim atašejem, podpolkovnikom Louis J. Fortierjem, iz Bosne preko Zagreba v Beograd. To je bilo v času, ko je naša armada okupirala Jugoslavijo. Jako zanimivo in strašno obenem! Značilno je, ko Brown piše, kako so po Hrvaški tekali otroci iz hiš in vpili: "Heil Hitler!" Videla sta tudi hrvaške vojake, ki so imeli na sebi še jugoslovansko uniformo, toda na rokavu so imeli našte plavo-bele-rdeče trakove v znamenje, da so to dezertirji iz jugoslovanske armade. Toda videti je bilo, da jih Nemci popolnoma prezirajo, pravi Brown.

BESEDA IZ NARODA

Naš dan!

Medsebojno vzajemnost mišljenja slovenskih katoličanov v Clevelandu je pod pokroviteljstvom Slovenske zveze društev Najsvetejšega Imena vpostavilo pred dvema leti tako zvani katoliški dan. Kljub vremenim neprilikam sta oba dneva imela če že ne gromotni pa sta imela vsaj moralni uspeh.

Ta zveza tudi letos prireja in sicer tretji katoliški dan na prostem kot preteklo leto na prostorih Brae Burn, 25000 Euclid Ave.

Ali je to samo naključje ali kaj, da bo tako na tretjem kakor je bil na prvem isti govornik, ki ne bo zanimal samo katoličane, ampak tudi tistega Slovenca, ki je odšel na stran poti in se je oddaljil od mišljenja in udejstvovanja krščanstva.

Zato pa ste na ta dan vabljeni vsi, ki še čutite slovensko kri v svojih žilah. Zadnje čase se nekaj opaža, da ni tistega navdušenja kot bi ga upravičeno pričakovali, da ne zamudimo ure obiskovanja, ko se je vjhar najhujše preiskušnje razbesnel na naš rod. Saj danes se bije boj za obstanek našega naroda.

In do danes žal ne izdajo lepe besede onih, ki so v akciji skoro nobenih rezultatov. Dremlje, mo, ali pa smo postali topi in brezdujni, ali pa nosimo vsak svojo bol zaklenjeno v svojih prsih. Ne vem!

Prepričan pa sem, da se nam bo ob besedi njega, ki nam bo prvi kot očividec povedal kaj se je zgodilo v tednu trpljenja nad našim slovenskim narodom — srce raztajalo, ko nam bo podal jasno sliko pa tudi pokazal na potrebe, ki morajo biti zadeve ne samo katoličana, pač pa slehernega zavednega Slovenca. Zato, narod pridil!

Pred dvema leti je ta govornik Rev. Kazimir Zakrajšek, tik pred izbruhom vojne na ta dan tam povedal temne slutnje in žal, da nam bo sedaj po dveh letih kot odposlanec naše pošteptane domovine predstavil kaj se je zgodilo z našim nesrečnim narodom v tistih strašnih dneh okupacije. Mislim, da ga ni Slovenca med nami, ki bi ga ne zanimalo zvedeti kaj več o tem. Zato pa še in še: pridite v nedeljo, da dokažemo, da kot narod še živimo in nočemo še umreti!

Odbijala bo morda katerega ozkosrčnost, češ, da je to samo katoliški "business." Rojaki in prijatelji, če ti je mar obstoj našega slovenskega naroda, bodi uverjen, da mu je katoliška vera hrbtnica v njegovem obstoju. To niso mogoče moje misli, ampak opozoril bi rad samo na dva velika misleca in sicer na poznanega pisatelja in nekdanjega ljubljanskega župana Dr. Ivan Tavčarja, ki je zapisal: "Dasi sem naprednega (svobodomiselnega) nazora, toda priznam, brez slovenskega duhovnika bi slovenski narod že zdavnaj izgubil..."

In dalje besede Dr. Franceta Vebra priznanega strokovnjaka na modroslovnem polju so: "Duhovniki so bili naši prvi in so ostali naši glavni prepoveditelji, učitelji in voditelji, oni so iz ljudstva izhajali in v ljudstvu ostajali; bili so in ostali so nekak utešeni ljudski razum in utešeno ljudsko hotelje in brez njih bi bilo naše ljudstvo najbrže že zdavnaj izginjilo."

Če premislimo dobro te besede dveh naših odličnih mož, potem bomo lahko tudi razumeli, zakaj tak naval od uničevalca človeških pravic — Hitlerja — ravno na to stran. Hitler dobro ve, če bo uničil pastirje, bo lahko podavil tudi ovce. Kar upaj-

mo in Bog pomoz, da se mu to ne posreči. Verujemo, da mora končno le pravica triumfirati nad krivico. V teh dneh še trdneje upamo, da po Golgoti napoči jutro vstajenja našemu narodu. In svetli vzori Baraga, Slomšek, Jeglič, Krek, Korošec in drugi so nam porok: "da nivo, ki je imela take orače in take sejavnice ne pobeli slana in ne pomori toča in žetev bo obilna, ko pride čas." (Ivan Cankar v posmrtnici Jean Ev. Kreku.)

Ako pa bo kaj gromotnega uspeha od te prireditve, je vse namenjeno za sklad beatifikacije škofa Baraga, da mu, ko se poleže vojna vihra in vstane naš narod k življenju in bo združen v eno celoto, pospešimo do časti svetniške glorie. Zato pa sodelujemo v tem dnevu s svojo navzočnostjo in tako nam bo moralni in gromotni uspeh zagotovljen. Odbor, ki ima vse to delo v rokah in oskrbi, se bo gotovo potrudil, da bo vsak prijazen in točno postrežen, da ne bo nihče šel lačen ali žejen domov.

Sestanek prijateljev našega kandidata za župana

Minulo sredo zvečer se je vršil v Slovenskem delavskem domu na Waterloo Rd. sestanek društev in kulturnih delavcev in trgovcev iz naše collinwoodske naselbine, ki želijo, da bi bil izvoljen za prihodnjega clevelandskega župana sodnik Frank J. Lausche. Namen sestanka je bil, izvoliti nestranski odbor državljanov 32. varde za izvolitev sodnika Lausche za župana. Odziv pa je bil presenetljivo pičel, kar je navzoče začudilo, zlasti, ker nam je vsem znano, da vlada med našimi ljudmi silno zanimanje za Lauschetovo župansko kampanjo. So se živo zanimajo za to celo rojaki iz zunanjih naselbin, ki ne bodo imeli nobene koristi od tega, če dobi Cleveland z Lauschetom zmognega, poštenega, nepristranskega in samostojno mislečega župana; girardski Slovenski dom n. pr. je prispeval v njegov kampanjski fond pet in dvajset dolarjev, Gospodinjski klub pa pet dolarjev. Toda ti rojaki z nami vred čutijo, da bi bila njegova izvolitev vsem skupaj v čast, ker so z nami vred prepričani, da bi bil Frank župan, kakršnega Cleveland že dolgo ni imel v mestni hiši in da bi potem lahko pokazali nanj in povedali vsakemu tistih Amerikancev, ki menijo, da smo tujerodci ali otroci tujerodnih staršev manj vredni od "starih" Amerikancev, češ, ali imate vi kaj boljšega kot je naš Frank?

Vendar, čeprav je bila udeležba pičla, se navzoči niso razšli, brez da bi kaj ukrenili. Izvoljen je bil pripravljalni odbor, ki je dobil nalogo, sklicati nadaljni sestanek v nedeljo 24. avgusta ob pol desetih dopoldne v S. D. D. na Waterloo Rd. V tem odboru so: predsednik John Zaman, podpredsednik John Šorc, tajnik Vincent Coff in zapisnikar Ivan Jontez. Odbor je poslal na naslov collinwoodskih društev in kulturnih delavcev in trgovcev dopisnice, kdor pa je bil slučajno in nenamena prezrt, naj vseeno pride. Vabljeni so vsi iskreni prijatelji sodnika Lausche, ki želijo, da bi zmagal v bližnji se županski kampanji. Za politično prepričanje se ne vpraša. Naš namen ni, organizirati politične organizacije, ki bi delala za demokrate ali kogar koli drugega, temveč samo za Lausche. Naš odbor bo samostojen, nestranski odbor državljanov 32. varde, ki želijo

videti na županskem stolu sodnika Lauscheta. Politikov ni zraven sedaj in jih ne maramo. Ko bodo volitve končane, se bomo razšli v zavesti, da smo po svojih močeh pripomogli sodniku Lauschetu do zmage. To je vse.

Na nedeljskem sestanku se bo izvolil stalni odbor te organizacije, ki se bo imenovala "Collinwood Citizens' Committee for the Election of Judge Frank J. Lausche for Mayor." Ponavljamo: vabljeni so vsi iskreni prijatelji županskega kandidata Franka J. Lausche, ki so pripravljeni, pomagati k njegovi izvolitvi. Vsi ti naj pridejo v nedeljo dopoldne ob pol desetih v S. D. D. na Waterloo Rd.

Za pripravljalni odbor: Ivan Jontez, zapisnikar

Tukaj so se zadnje čase poročili sledeči pari: mladenič Rudolf Jančar iz 32. ceste z gospodično Mar. Rehoreg ter mladenka Emma Simonič z Wayne Dietrich. Obema paroma želimo kar največ sreče v zakonu.

Prijazne, radodarne in skrivnostne gospe Vile so zadnje čase obiskale več naših mladih družin in so pri vseh pustile prav lepa in dragocena darila. Pri družini Viljem Bučar so pustile prav krepkega prestolonaslednika, prvega v družini. Mrs. Bučar deklinško ime je bilo Agie Jančar iz 32. ceste; pri družini Frank Petkovec prijazno punčko prvorojenko in ravno tako pri družini Viljem Breščak brhko in čvrsto dečvo, tudi prvo v družini. Mrs. Breščak deklinško ime je bilo Jenie Primožič; pri družini Brove so se pa gospe Vile najdlje zamudile in so pustile tu dvoje daril in sicer punčko in fantka. Noja, bo pa vsaj enčas gmah. Mrs. Brove je hčerka John Kumšetove družine. Vsem tem srečnim mamicam in atetom naš najlepší poklon in čestitke, mlademu naraščaju pa želimo, da bi v vseh ozirih prav lepo uspeval in bil, kadar doraste, v veselje in ponos svojim staršem.

Iz bolnišnice se je po srečno prestani operaciji na slepiču vrnila Mrs. Valentin Gradšek.

V svoje nove domove so se vselili zadnje čase sledeči: Johnny Tomšič (Balentincov) z ženo in hčerko ter Dr. John Gerbec z ženo in hčerko, kakopak. Mrs. Gerbec je sestra Johnny Tomšiča, torej tudi Balentincova.

Več naročnikov Ameriške Domovine me je že vprašalo zadnje čase, zakaj ni več kolone "Če verjamete al' pa ne." Naročniki so mi povedali, da prav radi čitajo tisto, kar Jaka napiše v svoji koloni. Torej Jaka, kje si, da ne daš nobene glasu več od sebe? Si mar šel v Kanado ribe lovit, ali pa mogoče v Penno za srnami, če ne mar v staro kontro mejo "vahtat," da nam ne bodo požrešni in zemlje lačni sosedje tam preko meje odnesli tisto lepo goro Slivnico ali pa še celo našega visokega Špičastega stražarja z ljubkim studentom vred. Torej Jaka, če si še kje, kar menda si, oglasi se že vendar in če ne veš nič pravaanskega, pa bi se vsaj kaj zlagal. Saj tako nekateri pravijo, da so uredniki sami lažnjivci — pa menda ja ne!

Nadalje so mi naročniki tudi naročili, da naj v listu Ameriška Domovina omenim in gosposdu Antončiču, ki je direktor slovenskih radio programov, povem, da zelo radi poslušajo te pevce in pevke, kakor so na primer moški kvartet, v katerem Lube, Samsa in brata Bradač ter Louis Grdina, potem pa gospe Simčič, Lausche-Welf in Udovich, No ja, pa saj so to sa-

mi najboljši pevci. Seveda je pa še nekaj drugih, ki pa zelo malokdaj pridejo na radio in da ja ne pozabim naših lorainskih pevc Černe in Tomšič. Poslušalci nedeljskega radio programa se gosposdu Antončiču prav lepo zahvaljujejo tudi še za naprej za ves njegov trud. Prav gotovo pa gre hvala tudi vsem tistim, ki plačujejo za ta radio program, ker to stane lepe vsote denarja.

Obljuba in zaobljuba

Obljuba in zaobljuba sta si v dozvednem sorodu, vendar se pa v bistvu precej razlikujeta. Obljubi se pravi, da se je človek odločil nekomu nekaj dati — obljubiti in dati pa je preveč, je rekel nekoč Ribničan. Zaobljuba pa je bolj resnega pomena, ki nas veže do gotovih dejanj, če hočemo obdržati svoj značaj. Zaobljubo prelomiti ni značajno in ne ugledno, ker pa zaobljube delamo večkrat z nesrečnimi nameni temveč le v neki naglici se nam kaj zareče, je to tudi vzrok, da naše zaobljube dostikrat izgube svoj pomen.

Ko so našo lepo staro domovino raztrgali na kose vojni roparji, se je moj osebnih prijatelj izrazil napram meni sledeče: "Dokler bo moja domovina zasužnjena, se bom vzdrljal vseh javnih prireditelj, zaprl se bom sam vse in premišljal njeno žalostno usodo." Jaz sem pa še dostavil: "in jaz pa ne bom napisal nobenega dopisa več, dokler ne bo moja domovina rešena sužnosti."

Noben izmed naju ni v pravem, ker le tisti nekaj velja, ki moško vztraja ne le v sreči, ampak tudi v nesreči in žalostnih časih. To me je torej zopet napotilo, da sem prijel za pero.

Ko se je v januarju leta 1939 organizirala zveza društev Najsvetejšega Imena v slovenskih župnijah v Clevelandu, se je takoj na prvi seji, ki se je vršila v Newburghu sklenilo, da zveza vsako leto priredi po en javen shod. Določilo se je tudi stalni datum oziroma čas za shod, to je, četrto nedeljo v avgustu. To pa iz razloga, da bi se s tem ne škodovalo farnim prireditvam.

Do sedaj smo imeli že dve prireditvi. Prvo leto smo se poslužili Špelkotovih prostorov. Program je bil kaj pester in tudi govorniški program je bil kaj zanimiv. Govornik, Rev. Urankar se je celo izrazil: "Bog nam ni dal danes veliko sonca, dal pa nam je precej dobre volje."

Uspeh prvega shoda je bil obojestranski — v moralnem in finančnem oziru. Lansko leto se nam je posrečilo dobiti, dasi ne ravno veliko poznanje, vendar prvotrsne pikniške prostore tako zvane Brae Burn park na 25000 Euclid Ave., kjer se lahko zbiramo tudi v slučaju slabega vremena, je pa tudi obilo lepega senčnega prostora v slučaju hude vročine. Lansko leto smo se kljub slabemu vremenu prav dobro zabavali. Denarnega prometa je bilo toliko, da se o kakšnem deficitu še govoriti ni moglo in to že nekaj šteje, ker priprave so se vršile v velikem obsegu, kot da bo najboljši idealen dan, pa smo kljub slabemu vremenu imeli zadovoljiv uspeh.

Letos bomo imeli zopet shod na istem prostoru. Pravijo, da granata nikdar dvakrat ne udari na isto mesto, to vedo posebno dobro topničarji in to ve tudi podpisani, ki ima v tem tudi nekaj izkušenj. Če je lansko leto deževalo, bo letos lep sončen dan; če pa be dež, nas pa tudi ne bo ustavil, storili bomo kot smo lansko leto, pokazali bomo svojo dobro voljo, udeležili se shoda ter pomagali dobri stvari do večjega uspeha.

Na letni seji meseca januarja letošnjega leta se je razmotrivalo glede programov na naših prireditvah. Po mnenju

Rev. Slapšaka so govorniki vrtnih veseliceh in pravah neprikladni, ljudje lagajo važnosti takim govorom se je opazilo že večkrat prej zlasti pa lansko leto. Sklep pripravljalnega odbora je bil, da se govore lepo postavi. V tem času pa so se re tako preobrile, da sklep odbora nekoliko ntil.

Rt. Rev. J. J. Oman, glavni voditelj, ki je v prvi skupini z dobrimi nasveti ozirih, nas je to pot kar dosti elektriziral. Po njegovih posredovanju bomo leto našem shodu 24. avgusta v Brae Burn znanega govoru in bivšega ameriškega narija, urednika glasila niške družbe Rev. Kazimir krajška, ki je pred nek dospel iz nesrečne stanovine v Ameriko.

SATAN IN ISKARIOT

Po nemškem izvirniku K. Mays

Tukaj na meji med Ayurari sta se zanesla, da bi potovala po dnevi?"

"Ni bilo več daleč do naborišča?"

"Ali nista vedela, da je vpravljeno ozemlje najbolje ne? Sredi sovražnikov de- sta varnejša ko na meji!"

"Allah je pripustil, ker je tako zapisano v knjigi živ- ni?"

"Ali me boš spremljal domov? Uboga sem sicer, pa moje ime je Elate in vsi me imajo radi, rad- dostno bodo sprejeli mojega re- šenika."

"Tudi če je njihov sovražnik?"

"Sovražnik —? Kako moreš biti sovražnik Ayarov, ko pa si mene rešil smrti!"

"In vendar sem tvoj sovraž- nik."

"Ni mogoče —! Saj si sam prej dejal, da si daleč odtod doma! Katerega rodu pa si?"

"Moj rod je ljudstvo, ki šte- je nad petdeset milijonov lju- di."

"O Allah —! Kako velika je pač oaza, ki v njej živi toliko ljudi! Kako pa je ime tvoje- mu številnemu rodu?"

"Dežela se imenuje belad el- Alman."

"In kako je tebi ime?"

"Meni pa pravijo tod Kara ben Nemi. Moja domovina je daleč onstran morja."

"Pa praviš, da si sovražnik našega rodu —?"

"Sem, pa tudi nisem. Naše ljudstvo ne sovraži Ayarov, ve- lika večina naših ljudi tvojega rodu niti ne pozna, tudi jaz vas osebno ne sovražim. Pač pa po- tujem v družbi ljudi, ki so vaši sovražniki. Eden izmed njih je celo moj dober prijatelj."

"Koga misliš?"

"Pašine vojake in njihovega poveljnika."

Prestrašila se je.

"O Allah —! S takimi lju- di se družiš, ti —?!"

Gledala me je, kot da sem zagrešil kdo ve kak zločin in kot da bi se tak dober človek obče ne mogel družiti s pašini- mi ljudmi.

"Zakaj pa bi se ne smel dru- žiti z njimi?"

Razvnela se je.

"Trinogi so —! Haradž zah- tevajo, ki ga ne morem plača- ti, pa so prišli z vojsko nad nas. Ne veš tega?"

"Vem."

"In ker ste naši sovražniki, ne morem potovati s teboj."

"In boš tule sredi puščave poginila —?"

Vsa nesrečna je bila.

"O Allah —! S teboj ne mo- rem, — domov ne morem —, poginila bom z otrokom vred."

"Ne boš! Vzel te bom s se- boj."

"V naš tabor —?"

"Ne morem. Predaleč je, vo- de nimava, jesti tudi ne. In vr- niti se moram k svojim ljudem. Pogrešali bi me, iskali bi me in naleteli na tvoje ljudi, spopad- li bi se. Tega pa nočem, ker ni- sem vaš sovražnik."

"V svoj tabor me misliš vze- ti?"

"Da. Ne boj se nas! Mene pa še prav posebno ne! Nisem vaš sovražnik, ti ponavljam! Pogledj me! Ali sem podoben človeku, ki bi se ga bilo treba bati?"

Nasmehnla se je.

"Ne! Tvoje oko je prijazno in tvoj obraz je dober. Tebe se že ne bojim. Saj si mi rešil živ- ljenje —"

Pa pašinih vojakov se bojim —"

"Ni se ti jih bati! Ne vojsku- jejo se z ženskami. In razen te- ga te vzamem v svoje varstvo, nihče ti ne bo ničesar storil."

"Me bodete zvezali?"

"Nikakor ne! Svobodna boš."

"In smela se bom vrniti k svojim?"

Državljanom v 32. vardi

Kar smo Slovenci in ostali Slovani tako želeli in upali že leta in leta, smo sedaj dočakali in dobili.

Naš rojak, spoštovani sodnik Frank J. Lausche, se je na pri- tišk in prigrvarjanje odločil, da postane kandidat za župana v Clevelandu. Prepričan, da bo kot župan mesta Clevelanda imel bolj mučno in težko ter odgovorno delo, se je končno le odločil da kandidira, kljub te- mu, da je kot okrajni sodnik imel veliko bolj lahko pozicijo in skoro isto plačo.

Ponosni bomo lahko, ko bo jeseni zasedel županski stol in uredil mestne razmere, ki so se- daj pod republikansko admi- nistracijo tako zamotane in zmešane, da kar smrdi.

Naš kandidat za župana, g. Lausche, je pripravljen žrtvo- vati vse, da pride do zmage. Dan za dnem, večer za večerom bo po vsem mestu obdržaval go- vore, da ga bodo ljudje lahko osebno spoznali in da vidijo osebo, o kateri časopisi, brez iz- jeme, poročajo samo pohvalo. V resni si Slovenci lahko to šte- jemo v čast in ponos.

Sedaj naj se pa vsak Slovenec in vsaka Slovenka pripravi žrt- vovati se, bodisi v agitaciji ali z denarnimi prispevki za njego- vo izvolitev. Kadar so sklicani sestanki ali seje za našega bo- dočega župana g. Lauscheta, tedaj pustite vse na stran in udeležite se takih sej in sestan- kov.

Zelo važno pa je tudi, da ste registrirani in vaš naslov spre- menjen, če ste se od zadnjih volitev preselili. Če niste regi- strirani, ali če ni vaš naslov spremenjen v slučaju, da ste se preselili, tedaj ne boste mogli voliti za Franka Lauscheta. Da pa ne bo treba tistim, ki še ni- ste registrirani hoditi v mesto, je volilni odbor določil, da to lahko storite v Collinwood viš- ji soti v torek, 26. avgusta in si- cer cel dan, to je, od devetih zjutraj do devetih zvečer.

Lahko se registrirajo tudi vsi oni, ki bodo izpolnili 21. leto pred 4. novembrom in bodo lah- ko volili v primarnih in glavnih volitvah. Zapomnite si, da so te primarne volitve nepristranske in vam ne bo treba povedati k kateri stranki spadate, ker bo- do vsi županski kandidacije na eni in isti glasovnici.

Za prejembo naslova, pa se lahko zglasite v uradu zemlji- ške družbe Collinwood Realty Co., 15813 Waterloo Rd.

R. I. P.
Once again we pause to pay final respects to a friend who has left us to go on to his reward. This time it is Frank Drassler who left us so sud- denly last Monday. Frank was an energetic worker and aided us many times by taking part in our plays. St. Mary's will not be the same without him. May God have mercy on his soul and grant him eternal rest and peace.

St. Mary's Win

The second game played at Garfield Park against W. 25th Merchants proved less exasperating. The Sandlotter of the Week, Krajec, had a field day at bat, getting three hits. St. Mary's re- ceived 11 hits scored 10 runs, while Marn gave up but 8 hits to the Mer- chants. Frank Fortuna played excel- lently in center field, doing the impos- sible throughout the day.

lapsed on the way to rehearsal on the Thursday night preceding the May 4th performance and she was rushed to the hospital where her condition grew steadily worse. Blood transfusion after blood transfusion failed to save her life.

A starlet who will bear watching is Agnes Kosce. This dark-haired beauty is still in high school but she is rapidly developing into a very pleasing personality. She has the grace, the voice, the talents, the interest, and the enthusiasm necessary for a successful actress. Even if she does not reach stardom, which is difficult to doubt, the girl is bound to prove one of the better and more conscientious members of the dramatic club. For this she is greatly indebted to her years of training in the Baraga Glee Club. You will hear plenty of Agnes Kosce's stage successes before long.

Review of 1941-42 Season

By Audience

(Continuation.)

The Mother's Day Program On May 4 and May 11, 1941 the two one-act plays together with a short program by the Baraga Glee Club were so successful that the audience kept waiting for more.

The vision scene was presented dramatically and beautifully, adding not a little to effective presentation of this touching play.

Emily Arko appeared one of the first times on the stage and was cast as the grandmother, Jean Skander was the mother, while Agnes Kosce and Marie Grdina were cast as sisters of the heroine, Margaret Yartz.

As mentioned earlier, Margaret Yartz passed away on the very day she was supposed to have appeared on the stage to carry the lead. In her place, the director hurriedly gave the manuscript to Frances Pernach whose beauty, grace, and mastery of Slovenian is described in the preceding review.

This performance was the first of its kind, since it was dedicated to the memory of the deceased, a young actress, as I understand, who was beloved by everyone in the organization.

LAUSCHE FAST BECOMING POPULAR CANDIDATE FOR MAYOR OF CLEVELAND

By Rudy Lokar

Never in the political history of Cleveland has political pitch reached such a high point so early in an election year. The reason is clear enough to the dyed-in-the-wool politicians, be they Democrats or Republicans, because this year the Democrats, Republicans and Independents have something to look forward to.

Joymakers Will Hold Benefit Dance

On June 28, 1941 the Joymakers Club held their first barn dance of the current season at Glenridge Barn (formerly Manchuta's). The dance was a great success. There was the music of maestro Johnny Pecon, plenty of refreshments, and the crowd was excellent.

At the next meeting of the club came the report that every one attending this dance had enjoyed it immensely and that they were asking for another. After much consideration it was decided that one was to be held on August 23 at Glenridge Barn off Green Road.

Immediately the committee consisting of Harry Blatnik, Frankie Mocielnik, Johnny Krince and Eddie Gregonis got together to make plans for this coming affair. There was much to be done. Johnny Pecon's orchestra was again chosen to provide the music. Tickets had to be printed and distributed, licenses and permits had to be gotten, orders for food and liquor had to be filled etc. Everyone was abuzz.

Then the inevitable happened. One of their active members Johnny Krince was severely injured in an automobile accident two weeks before the dance. His injuries were so bad that he will be laid up in bed for months. Immediately the members decided that all the profits of this coming dance are to be given to this unfortunate member.

So if you want to spend an enjoyable evening and help a worthy cause please attend this dance.

R. KRAJEC STARS IN TRIPLE PLAY; SAINTS TAKE TWO

Ray Krajec, St. Mary's second baseman was selected as the Sandlotter of the Week by the Cleveland Press for his work in Sunday's game at Forest Hills against Hage's Sports. It happened in the eighth inning, Hage's had two men on when their pitcher hit a liner to right center. Ray leaped, caught the ball, stepped on second to double the Right fielder and threw to Tercek at first to complete a triple play.

Although Hage's received five hits while St. Mary's but two, superior defense work aided Rossa in winning this thrilling game. When Tercek reached first on an error in the ninth he advanced to second by stealing and to third on a grounder. He scored the initial and winning run when he slid into home plate on another grounder.

NEWS OF SOLDIERS

Participating in the Army maneuvers near Gillis, La. were members of the 112th Combat Engineers, which included Corporal August J. Jenovikar, 24, 1555 E. 214th St., Sergeant Joseph Rogel, 23, 15110 Miles Ave., and Private Edward F. Seseck, 26, 19211 Shawnee Ave.

Due to the serious illness of his mother, Henry Malensek, 1217 Norwood Rd., was deferred from military duty for two weeks.

A ten day furlough was granted to Pvt. Joseph J. Boben who is staying at the home of his parents, Mr. and Mrs. Joseph Boben, 1119 E. 67 St. Friends and relatives are invited to pay Pvt. Boben a visit before he returns to his duties in the Medical Corps at Fort Dix, N. J., August 28th.

Anton Habjan, who is in the U. S. Army at Fort Benning, Ga. has come home for ten days. Friends will find him at the home of his parents, Mr. and Mrs. Anton Habjan, 10314 Reno Ave.

Among these was one of our own, Judge Frank J. Lausche, idol of Cleveland Slovenians and the cosmopolitan groups of Cleveland. While he was enjoying the success, heartaches, and heavy duties of presiding over Municipal Court and Common Pleas Court, newspapers, civic organizations and private citizens constantly urged Judge Lausche to become a candidate for mayor.

All these pleadings were to no avail. Judge Lausche was rapidly becoming one of the outstanding jurists of the United States by his honest, humanitarian and militant performance as a Cleveland and Cuyahoga County judge, and close followers predicted that it would be only a short while before he would be elevated to a higher post. His record merited it.

Today, Judge Lausche has come to a fork in the road. He has resigned his position as judge to become a candidate for mayor in Cleveland. At least temporarily, Judge Lausche is straying off the road which could have been his for many years, in order that he may be a candidate for mayor.

There is no doubt in the minds of Cleveland citizens that Judge Lausche has made a great sacrifice for the general benefit of Cleveland citizens. He feels that due to critical times such as we are experiencing now, when truest leadership is needed in every city, village and town in these United States, he is ready, regardless of sacrifice on his part, to serve the city he was born and raised in, and act as its mayor. He sees many ways of improving the city government. He knows that Cleveland government can once again be put on the top plane along with other outstanding city governments, and that he can, and will, strive to better the city of Cleveland in general.

It is readily understood why the taxpayers and rentpayers of Cleveland will vote for Judge Lausche. These people have been bulldozed in the past, prior to election day, only to wake up later to find that another politician is the ruler of their city. In Judge Lausche, these people know they have a candidate who speaks and acts straight from the shoulder without any "ifs" or "buts." When Judge Lausche sets out to do a job he doesn't stop until it's done.

We feel that any man who will take a demotion as Judge Lausche is taking voluntarily, from Common Pleas Judge to Mayor of Cleveland, deserves the most enthusiastic support ever accorded a candidate for any post. Earlier this summer we observed in one of the daily papers that Mayor Blythin would gladly just change places with Judge Lausche instead of having an election. The present mayor knows that a Common Pleas judge's job is better all around than being mayor.

There is no doubt existing in the minds of Clevelanders that the next mayor of Cleveland will be Judge Lausche. However, regardless of the candidate is, he likes to win the position he is striving for by an overwhelming majority. We can give Judge Lausche this majority by seeing that every friend of ours is registered and eligible to vote at the coming primary and general elections.

Take inventory now! Is everyone in your family registered? How about your neighbors and friends? Get your friends to register now. Let's give Judge Lausche the biggest majority of votes ever cast for a candidate for mayor in Cleveland.

At the last Orel meeting the following new members were present: Stan Godec, John Bandi and Tony Cimprman. The Orels will enter several bowling teams into the new parish bowling league.

This coming Thursday night there will be a meeting of all the chairmen of the coming Orel Turkey Give-Away. Anyone else interested may come down. Meeting will be held in the school hall.

He is now stationed at Montgomery, Ala. *Cedar Point Hillites Well last Sunday morning saw some twenty Orels and friends pull out of this burg for Cedar Point. *The following noses were identified on the choo choo--Sam Zamec and wife Frances Bertha and Vidy, Bill Nemgar and Frances Strnad, Josephine Kobe, Pauline Erbenzik, Ann Zak, Ed Kuhel, Mike Kolar and family, Dot Kuhel, Ed Snyder and his g f, Frankie Brodnik, Mary Brodnik, Hank Zupancic and Ann Golobic. *Vidy (over 6 feet) trying to ride a midget bicycle at the park. *Hank Zupancic thought the girls forgot their lunches at train time and picked up somebody else's lunches (Were the lunches good?) *The girls enjoying Tony Pastor's torrid music. *Frank Brodnik didn't want to ride on a pony for fear that he would have to carry him back (Frank you would get a nickle back for lugging the pony into the home stretch). *Matt and Frank Mlinar missing the picnic to play out at Barberton, Ohio. Incidentally Frank won ten dollars out there, the lucky dog. *Everyone enjoyed himself (herself) and another Orel Affair has become a pleasant memory.

ENROLLMENT Children will be enrolled for St. Vitus School on August 27 from 10 to 12 o'clock in the morning and 6 to 8 o'clock in the evening. Please observe these hours. At least one of the parents should come with the child to be enrolled.

BARAGA GLEE CLUB OUTING "It all comes back to me now." I mean Sunday at Woodpecker's Grove where the Baraga Glee Club held their outing.

ENROUTE: Those two generous persons passing around breaded chicken for a mid-morning snack, Dick Doris Majer think she's the only one who knows how to insult people in French? The girls all extended their best wishes to Eleanor Karlinger who celebrated her birthday Sunday.

GRAND ARRIVAL: Helen Gobec, Bertha Sajovec, Mary Pauec putting on new faces even before disembarking. Whom did they expect to see?? Jo Rupar, Agnes Kosce, Fran Zak, among amateur photographers taking candid shots. Don't think they stopped there either, they were on the go all day long. All Vida Koprivec lacked on her striped shirt was a number. Misses Boogie Woogie Kosir, Giggles Petrinic, Pretzel Cutie Hegler, Joze Rupar, Dimples Virant, Kofe Korenchan and Curly Jo Kozel were hiking in mid-afternoon which ended in a Jam Session at Leroy, Ohio. Back to the farm for supper--they found a 10-gallon can of "bug juice" (Coloradoans please note: bug juice commonly known as orange-ade.) It was made by Eleanor Karlinger, Dee Zugel and Nettie Ganick, under supervision of Eddie Bradach and Mr. Oblak. It certainly hit the spot, they must have washed their (?) in it well. Fran Pernach and Urse Rakar playing nurse maid and farmerette. Boydid they saw the wood and no snoozing. Eating rye bread (only food left) around the fire was Mary Sivic and enjoying it, too. Mary Repar was very busy reading funny books. Another wonderful outing ended sitting around the fire and singing many songs, nightfall came all too soon for all who had one grand time. Show me the way.

TO GO HOME: Milly Erbenzik after being awakened by an automobile horn by a passing car declared "The nerve of that man waking me up! " "Urse" and Mr. Oblak our driver make a swell duo--Last but not least the usual stop was made at Race's where everything from an ice cream cone to an American Beauty Special tasted elegant.

Contrary to custom the girls arrived home early--10:30 P. M. and it was a real tired. "Good night." Your Reporter, "CURLY JO."

AN ENGINEERING PROBLEM! Ask anybody who has gone past the old church grounds on Norwood and Glass Ave. and they will tell you of some wonderful changes. For weeks now the hills and dales have been smoothed out and filled in and a grading machine been put into service so that the ground will be perfectly level. Credit for getting that work done goes to our untiring pastor, Rt. Rev. Mgr. Ponikvar.

You can ask Mr. Anthony Urbas, the school custodian and Mr. John Hrovat what a time they had fixing up the fence and the new concrete base which they personally designed and built just for the big occasion at the end of this month. And if you think it was fun working in that broiling sun during the heat wave a couple weeks ago, why, I would suggest that you don't tell it to these two boys. That is unless you don't care about how many more minutes you live after you would tell the gents just that.

Yes sirs, folks, everything is just about ready for that gala open air lawn fete which the United Lodges will hold on August 31 afternoon and evening. And there will be not only fun galore but gifts, 22 of them, which you will be able to get, any one of them or all of them. Don't forget next Sunday, August 31, is the big day!

FROM ORELS' OUTING The Orels' outing this year was held in the form of a train, bus, and boat ride combination. Some 30 people showed up and a grand time was had by all. Upon arriving at the Union Depot the Orels were met by Mr. and Mrs. Michael Kolar with their jovial youngsters, Micky and Bunny. Just ask Micky Jr. and he'll tell you all about it.

Mr. and Mrs. Sammy Zamej, and Francis's brother, Bill, from Minnesota enjoyed themselves immensely at the park. Wonder why we decided to keep tab on Ed Kuhel. Could it have been that he had the key to the lunch lockers?

Vidy decided to eat upon arrival but was disappointed after the rest decided "just to walk around" for awhile.

The Cyclone sure was a thrilling ride for Hank Zupancic as he claims he never rode on one of those so-called "jack-rabbits." No wonder Mary Brodnik didn't care to go on after much coaxing that it was nothing to go on. Why did Pauline Erbenzik and Ann Golobic split up on "Over the Falls"? Guess it was to balance the boat.

If you've never met the twins from St. Vitus parish, why they are non-other than our two jovial Holy Namers, Frank Brodnik and Hank Zupancic. Wonder what Frank would do without Hank or vice-versa?

Sure would like to get a hold of those pictures our cameraman, Vidy, took throughout the day.

On the Dodge' em, the Orels all managed to have the floor to themselves. Sure was one crack-up after another, but was careful of Hank's and Frank's head-on collisions. Was a grand mix-up.

At the last Orel meeting the following new members were present: Stan Godec, John Bandi and Tony Cimprman. The Orels will enter several bowling teams into the new parish bowling league.

This coming Thursday night there will be a meeting of all the chairmen of the coming Orel Turkey Give-Away. Anyone else interested may come down. Meeting will be held in the school hall.

First Public Appearance in America Since To Be at Slovenian Holy Name Outing commemorating Missionary Bishop Baraga

Judge Frank J. Lausche Will Also Be There

For the first time the world will hear some of the story of the Yugoslav invasion, when Rev. Casimir will speak at the annual Catholic Day Rally in Braedens, E. 250 St. and Euclid Ave. Father Zakrajsek arrived only last week from Lisbon via the clipper after traveling incognito through the southern countries of Europe. Judge Frank J. Lausche will also speak at the rally.

Commemorate Bishop Baraga Slovenian Catholics from all parts of Ohio and even from other states are expected tomorrow for the celebration sponsored by the Slovenian Holy Name Union. The annual event commemorates the greatest and most heroic representative of Slovenian immigrants in America, Bishop Frederick Baraga who was a missionary of the early Northwest Territory.

Bishop Baraga's cause for canonization in the Catholic Church has already been begun. This annual rally means to support the process of canonization, for it may be that Bishop Baraga some day will become the first Slovenian saint in America.

Arrangements have been made to greet Fr. Zakrajsek when he arrives at the Penny Station today. Local reporters and photographers will not only cover his arrival but the speech at the Brae Burn Gardens. Undoubtedly the story should have national as well as local interest.

Sponsored by H. N. Union The program is sponsored by the Slovenian Holy Name Union of Cleveland, which is composed of the Holy Name Societies of St. Mary's parish, St. Christine's parish, St. Lawrence's parish, and St. Vitus' parish. The union has actively promoted the cause of Bishop Baraga for several years.

There will be only two main speakers at the rally, Fr. Zakrajsek and Judge Lausche. Food and refreshments will be available for all guests. To get to the grounds, free bus service will be provided from the end of the carlines on Euclid Ave. and St. Clair Ave. at Nottingham Rd. From 2 to 5 and 5 to 7. Tony Malovasic's Blue Jackets will play for the dancers. Granted a beautiful day, there should be absolutely no complaint for anyone not to attend this rally.
