Ravno tako gre priznanje in pohvala tudi ostalim društvom, ki so pripomogla do lepe vsote novo vpisane zavarovalnine.

Zelja podpisane je bila, da bi lahko že v tem poročilu omenil, da znaša skupna zavarovalnina en milijon dolarjev. Sicer se mi želja ni izpolnila, zato upam, da bo uspeh tekem novembra meseca toliko lepši tako, da bom v prihodnjem naznanilu lahko poročal, da znaša v sedanji kampanji skupaj vpisana zavarovalnina nad \$1,000,000.00.

Bratje in sestre! Čas kampanje se bliža koncu! Še dobrih sedem tednov, in kampanja bo zaključena. V tem času se da še veliko storiti. Sedanja kampanja je kampanja društev uradnikov in uradnic, zato bi ne smelo biti niti eno društvo, ki bi v tej kampanji ne pridobilo nekaj novih članov in članic.

Pojdimo torej na delo vsi brez izjeme!  
Zeleč obilo uspeha!

Josip Zalar, gl. tajnik.

### Splošne volitve v Jugoslaviji

Belgrad, 12. nov. — AP. —

Danes je do malega znan popoln izid naših nedeljskih splošnih volitev za zvezne poslance in senatorje za ustavodajno skupščino, pri katerih je z ogromno večino zmaga lista kandidatov narodne ali osvobodilne fronte z maršalom Titom na čelu. Dasiravno so zadnji čas voditelji nasprotnih strank apelirali na ljudstvo, da naj bojkotirajo pri teh volitvah in vseeno, ali navzlic temu je narodna fronta zmaga, kakoršne zmage se še ne pomni v Jugoslaviji, volile so namreč tudi ženske; volilno pravico so imele vse osebe v starosti od 18 let seveda, če niso bile vsled gotovega vzroka izključene od volitev.

Od 8,020,671 oseb, ki so imele volilno pravico, je bilo 90% glasov oddanih za kandidate narodne fronte; torej je samo 10% volilcev sledilo apelu voditeljev nasprotnikov za bojkotiranje. In vendar je bila v vsakem volišču poleg glavne skrinjice še ena, kjer bi lahko vsak nasprotnik kandidatov ali liste narodne fronte oddal svoj glas za svojo ali nasprotno kandidata; toda takih oddanih glasov je bilo prav malo.

Ker je došlo tozadevno naznanilo v angleščini še pravočasno (zadnjo soboto), ga lahko citate na današnji Our Page, drugo pa sledi prihodnji teden. Tudi nekaj jako zanimivih pisem iz starega kraja bomo objavili drugo sredo.

Washington, D. C. 13. nov. —

Da se uredi vprašanje uporabe atomske bombe v bodočnosti, je vlada naših držav povabila angleškega ministrskega predsednika Attleeya in kanadskega premierja Kinga, ki sta oba došla v to mesto in se danes udeležila skupne seje obeh zbornic, kjer je bil Attlee navdušeno pozdravljen.

Pri tej priliki je imel Attlee pomemben govor ko je trdil, da ne smemo vedno misliti na vojno in kako bi se iste ubranili, pač moramo skušati da se civilizacijo ohrani na krščanskih principih bratstva in človekoljublja. Tako temeljito podlago miru moramo vcepiti v srca vseh ljudi. Združene države, tako tudi vse druge države naj delajo medsebojno samo v korist zaščite celega sveta in dosege svetovnega miru, kar trdnopam, da se bo doseglo z Zvezo združenih narodov.

Govorniku so senatorji in poslanci navdušeno ploskali.

#### LETALSKA NESREČA

Rim. — Dvanajst ameriških vojakov, ki so bili na potu domov in dve bolničarki so bili ubiti v letalski nezgodi na letališču Palermo. Letalo je tresčilo na tla in začelo goreti. Samo en mož posadke je ostal živ.

### Zahteve Italije

Washington, D. C., 8. nov. —

Italija je dala razumeti v notah, katere je izmenjala z ameriško vlado in kateri vsebina je bila pravkar objavljena v Washingtonu, da hoče obdržati kolonije, ki so tvorile njen imperij v Ameriki, z izjemo Abesinije. Izrekla se je tudi za ureditev meje s Francijo v Alpah in za odstop Dodekaneških otokov na Egejskem morju Grčiji. Italijanski imperij v Afriki je še vključeval štiri libijske province, Eritrejo in Somalijo. V notah je Italija priznala neodvisnost in suvereniteto Abesinije in dala zagotovilo, da bo Abesinija dobila izhod do morja, če bo ona obdržala afriške kolonije.

Italija se je izrekla tudi za rešitev problema južne Tirolske, katero je dobila po zaključju prve svetovne vojne. V južni Tirolski žive Nemci in Italijani, toda večino tvorijo Nemci. Italija je predlagala sklenitev kompromisa glede Trsta s sprejetjem takozvane Wilsonove linije. Trst naj bi ostal pod Italijo, luka pa naj bi postala mednarodna in odprta državam ob Donavski kotlini. Jugoslavija naj bi dobila Reko in Zader, bivši italijanski mesti.

Italijanski premier Ferruccio Parri in zunanji minister Alcide de Gasperi sta poslala note predsedniku Trumanu in državnemu tajniku Byrnesu, ki pa jih nista komentirala. Note so bile izmenjane pred londonsko konferenco zunanjih ministrov petih velesil.

#### VOJNA POŽRLA OGROMNO NARAVNEGA BOGASTVA

Harold L. Ickes, naš tajnik notranjih zadev je nedavno v nekem znanem mesečniku objavil poročilo, koliko naravnega bogastva ali mineralij je našim Združenim državam požrla minula svetovna vojna. Ako bi bila vojna trajala morda še 10 let, bi bila marsikaka izmed dolinavedenih mineralij povsem izčrpana.

Od 1. januarja 1940 do 1. jan. 1945 smo naši materi zemlji vzeli do 5 bilijonov ton raznih rudnin, ali mineralij; pri tem je vpoštetih 516,158,000 ton domače železne rude. Največ se je v vojne svrhe porabilo premoga, 3,061,000 ton; s to množino bi se lahko zakrilo vse mesto New York, v 12 čevljev debeli plasti.

Dalje se je tekem vojne pri nas porabilo 2,278,000 ton svinca; 3,642,000 ton cinka; 5,000,000 ton bakra, 14,169,000 ton bauxitisa; 200,750 ton tungstena; 112,000 moly denuma; 17,118,000,000 ton žvepla; 68,000,000 ton soli; 3,155,000 ton pepelike (potaša) in 1 bilijon ton ali 7,325,000,000 sodčkov petroleja.

#### DEMOBILIZACIJA AMERIŠKE ARMADE

PISMA IZ STARE DOMOVINE

PISMO IZ TRSTA: Mr. Jacob Gustinčić, 18800 Abby Ave., Cleveland, O. je prejel iz Trsta sledeče pismo, katero na njegovo željo objavljamo: Trst, 2. sept. 1945. Dragi Jakob in družina! Upajoč, da ste še živi in zdravi, sem se po dolgem času namenila, da vam zopet pišem par vrstic. Sama ne vem, o čem naj vam napišem.

Antona Trdana iz Prigorice pri smeli v Ribnico. "Obleke nismo dobili pet let nobene, torej smo za obleko jako slabi. Tudi soli, sladkorja, mila in šibic nismo dobili, ko je bil Nemec tukaj. Tisti, ki so držali z Nemci, so imeli pa vsega zadosti. To so bili izdajalci našega naroda. Kaj pa Charlie Šme, Mrhar, Zobeč, kako se kaj imajo?"

IZ TRAVNIKA PRI LOŠKEM POTOKU (Po "Enakopravnosti") Mr. Antonija Ogrinc, 366 E. 161. St., Cleveland, O., je pred časom pisala svojem v vas Travnik št. 32 pri Loškem potoku, Novomeško okrožje. Sedaj je prejela odgovor od brata Alojzija Kordiša, ki ji piše, kako so morali trpeti tisti, ki so se borili s partizani za svobodo.

PISMO IZ RADMIRJE V SAVINSKI DOLINI (Ponatis iz Jug. Obzora) Mrs. Mary Bevetz, iz 2122 So. Allis St., Milwaukee, Wis. je dobila od svojega bratrance Alojza Zavolovška v Radmirju v Savinski dolini sledeče zanimivo pismo: Radmirje, 9. 9., 1945. Dragi sestrična! Po dolgih letih nam je ljubi Bog dal ušak, da Ti lahko potožim, kaj vse nas je našlo v tej nesrečni vojski.

IZ PRIGORICE PRI RIBNICI (Po "Novi Dobi.") Ely, Minn. — Podpisana sem prejela pismo od mojega brata Fani, ne morem Ti popisati, koliko smo jaz in vsa družina prestali v teh petih letih. Devet mesecev sem bila v internaciji, drugače pa zmerom v gozdu spati; pa ko bi vsaj tam mirno. Izgubila sem zaročenca in brata Janeza, ki zapuščala mlado ženo in hčerko. Izgubili smo zdravje, izgubili smo vse.

SOL Če morate v Ameriki hoditi v restavracijo, boste vedno opazili nekoliko ljudi, ki avtomatično pograbijo solnico, kadar se jim približa natakarica z naročeno jedjo in začno potresati juho, bržlo ali kar že je. Za nje velja, da kuharica vse premalo soli, dasi v dobrih kuhinjah navadno sole dovolj in se jim včasih zgodi, da celo kaj presole. Zdravniški listi so začeli svariti pred tem zapravljenjem soli, o katerem ima mnogo jedcev zelo napačne pojme.

Ksaver Meško:

### Starca Matije pravice

1. Vodi sam Bog, kje in kako se je spočelo, kdaj se je začelo. Kakor da je padlo z neba, kakor da je iz tal zrastle, je bilo nenadoma na svetu in se ni dalo več ubiti in uničiti. V vseh ustih je bilo, vsepovsod se je glasilo:

"Matija ne bo več nosil križa!"  
 Ko je slišal Matija, stari nosilec križa pri gorski cerkvi Sv. Urha, to čudno trest prvič, se je samo nasmehnil in zaničljivo zamahnil z roko. Niti odgovoril ni, niti ne povprašal, odkod da se je vzela ta ničeva in ničem na govorica. Čemu tudi? Saj je vedel: "Ni mogoče!"

Petindeset let, od sedemnajstega leta sem, je vedno nosil on križ pri procesijah. Z radostjo in s ponosom ga je nosil ob slednji priliki in svečanosti. A najbolj se je vsako leto veselil velikonočnega jutra in tedanje častne svoje službe. Zakaj tako slovesno kakor vstaje nje Gospodovo se ni vršila vse leto nobena procesija pri Sv. Urhu. Pri vseh sosednjih cerkvah so praznovali vstajenje Gospodovo že prejšnji večer. Zato so velikonočno jutro priromali in privreli verniki k Sv. Urhu z vseh sosednjih hribov. Že ob treh zjutraj so se pomikale po vseh potih in stezah dolge procesije proti beli gorski cerkvi. Vse dolgo leto, niti ob Urhovem žegnanju, ni videl Sv. Urh toliko ljudstva kakor na velikonočno jutro. In vse dolgo leto ni nosil Matija križa s takim resnim veličastvom in s takim ponosom kakor velikonočno jutro. Petindeset let je bil ta dan zanj največji in najlepši praznik v letu. Kako bi moglo biti zdaj drugače, drugače kar čez noč? Ali naj postane hipomana najsrečnejši njegov dan v letu najžalostnejši? Po kakšni božji in človeški pravici? Ker je star? Ali ni osivel ob delu in v poštenju? In ko je vendar v starem telesu še mlada, vroča

ljubezen do Križanega, ki ga je nosil petindeset let z vernim srcem, z ljubeznijo in s ponosom! In gleda li Gospod na leta? Na srce gleda, na vero in ljubezen gleda, ne na zunanosti, je slišal tolikokrat v cerkvi. Tam pa vendar ne oznanjujejo laži in goljufi!

Ne, ni mogel verjeti. A s tem, da ljubeče in vroče njegovo srce ni verjelo, ker ni moglo doumeti take krivice, ni spravil zle govorice s sveta, ji ni zabranil prostega, prešernega poleta po vsej fari, od sela do sela, od hiše do hiše, od ust do ust. Vsepovsod je slišal šepetati in glasno govoriti:

"Letos pa Matija ne bo več nosil križa."  
 Tedaj se je vznemiril. V velikem nemiru se je napolnil k Mihi, cerkveniku pri Sv. Urhu.  
 "Miha, pa si ti slišal?"  
 Težko so mu šle besede iz srca in iz ust. Zakaj kako naj izprašuje z lahkim srcem o stvarih, ko je pa jasno kakor beli dan, da je vse le izmišljeno s hudobnim namenom, da ga žalijo in jezijo in se norčujejo z njim.

"Kaj bi naj bil slišal, stric Matija?"  
 "Da jaz ne bi več križa nosil."

"Kaj ne bi slišal! Saj vemo vsi: Močnikov Lojze ga bo."  
 Malo da Matija ni omahnil pod tem udarcem, kakor je padel Gospod na križevem potu pod udarci sovražnih rabljev.  
 "Glej, kako hladno in neumljeno to pove! Kako hudo u-dari!" — je pomislil z bridkostjo. A se je s silo premagal in se ojunčil.

"Miha, ti se pač šališ. Kako ga naj zdaj naenkrat nosi Močnikov, ko sem ga jaz petindeset let!"  
 "Nič se ne šalim, stric Matija. Krvava resnica je."  
 "Resnica? Kako da resnica —?"

Gledal je cerkvenika kakor prečudno prikazen. Prav nič ni mogel umeti njegovih besed. Zakaj kako bi naj bila resnica, kar je vendar krivica, da v nebo vpije!

"Ne morem govoriti drugače, kakor kar je res. Prisojnik je določil tako, cerkveni ključar."  
 "Prisojnik?" — Matiji je stopil pot na čelo. — "Ta? Tedaj pač verujem. Ta me sovraži, saj veš."

"Kaj bi vas sovražil! Misli le, da ste že preslabotni. Lojze pa je fant, da ga je veselje pogledati."

"Saj ne tajim, da je močan. A kako bi naj bil jaz postal kar čez noč čisto zanič? Ko sem pa

bil petindeset let dober Bogu in ljudem."

"Zadnja leta ste res precej opešali."

"A da nesem križ, sem še dovolj močan... Moj križani Jezus, da me hočejo kar tako zavreži — kakor so Judje tebe!"  
 Malo da ni zaplakal.

"Ko bi vsaj počakal moje smrti. Morda itak ne bom več dolgo. A da so me vrgli tako v stran!"

"Pa vendar ni takšen med ta služba."

"Med ali ne. In če bi bila tudi pelin! A če sem jo opravljal nad pol stoletja — pomisli Miha! Tebe še davno na svetu ni bilo, ko sem jaz že nosil križ. A zdaj! Krivica je to, pred Bogom in pred ljudmi."

"Pa govorite s ključarjema." Matija se je zamislil.

"Z Močnikom bi se dalo govoriti. A Prisojnik! Sovraži me, odkar sem pričel proti njemu. V pravdi zaradi meje, saj veš."  
 "Vem. A kaj bo to!"  
 "Glej, Miha, govoriti sem moral vendar resnico, ko sem pa prisegel na sveto razpelo! Kako bi upal še kdaj vzeti križanega Boga v roke, če bi bil prisegel po krivem! Samo pomisli, Miha!"

"Seve niste mogli in ne smeli. Zato vam Prisojnik tega tudi zameriti ne more."

"Je zameril, je. Ves čas od tedaj — tri leta so že minila od tiste dobe — ni izpregovoril besedice z menoj."

"Saj poznate Prisojnika; sam svoj človek je."

"In trdega srca! Ko je bil izvoljen za ključarja, sem si takoj rekel: 'Ne bo prav, Matija. Nesreča bo.' In prišla je."

"Ne bo tako hudo, stric. Pojdite k njemu, pa se lepo porazgovorite med seboj."

Matija je razmišljal.

"Težka mi bo ta pot!" je vzdihnil potr in v skrbeh.

II.  
 Res, bila je težka pot. "A zaradi Križanega grem. Če sem ga nosil petindeset let, z veseljem in s pobožnim srcem, ali ga naj zdaj kar zapustim, kakor so ga zapustili nekdanji vsi njegovi prijatelji v njegovem trpljenju? Ali bi ne bil smrten greh?"

Težka je bila pot. Dvakrat težka navkreber, proti Prisojnikovi hiši: težka starim nogam, težka nemirnemu, žalostnemu srcu.

Bahato je stal Prisojnikov dom na hribu. Beil se je daleč naokoli, ponosno in prešerno se je ogledoval po njah in senožetih naokrog. Na prvi pogled je videl vsak prišlec, kako težava, truda polno mora biti delo na tem strmem svetu. A

navzlic temu je bila zemlja oskrbljena kakor mlada nevesta iz bogate in radodarne hiše. Zakaj Prisojnik je bil v vseh rečeh strog mož; nihče ni lenaril v njegovi hiši, ne poleti, ko so prebivalci doma na hribu v vročih nočeh dobili komaj nekaj kratkih ur za počitek, in ne pozimi, ko so vozili in nosili gnoj na njive in senožeti, cestokrat v smrti nevarnosti: en napačen korak, in človek zdrči s tovorom vred v dolino, še plaz se nasuje morda nanj, da je tem bolj gotovo plen smrti.

Officials of the winning societies have our sincere congratulations and thanks.

Thanks and commendation is also extended to all societies who helped write the commendable amount for the period. It was the hope of the undersigned to include in this report that the campaign had netted us one million dollars in new insurance. My wish was not fulfilled, but I renew my hope that the drive during the current month will be so successful that it will be possible for me to report that \$1,000,000.00 in new insurance was written.

Brothers and sisters! The final days of the campaign are in offing. Only six more weeks and the drive will close. In that time much can be accomplished. The present drive is a campaign among the officers of societies, therefore, let it not come to pass that there will be one society that had not enlisted new members.

Let us all, with no exceptions, go to work!  
I wish you a grand success!

John Germ, Supreme President of KSKJ, and Joseph Zalar, Supreme Secretary, stand beside him.

## WAUKEGAN JOES MARK 45th ANNIVERSARY WITH BANQUET; SUPREME OFFICERS ATTEND

Waukegan, Ill. — More than 500 persons attended the anniversary banquet of St. Joseph's Society, No. 53 KSKJ, which was held at the Mother of God hall, Sunday, Oct. 28.

The event marked the 45th year of fraternal work of the society and the organizers of this group were particularly honored in the various speeches made during the course of the program by the Hon. Mayors Frank Wallin of Waukegan and John P. Dromey of No. Chicago; the supreme officers, John Germ, supreme president; Joseph Zalar, supreme secretary; and Math Slana Jr., supreme treasurer.

The Rev. Fathers Butala, Setnicar, Hiti and Cepon, who officiated at the church services in the morning, were in attendance at the banquet and each group spoke briefly on the work of the local KSKJ society.

Joseph Zorc acted as toastmaster for the occasion and a fine program of talent was presented to the audience, including Miss Valentine Umek, Richard Pierce, the Jolly Fellows from Milwaukee, Robert Miks, Stanley Bailey and Donna Jean Bailey, Bertie How-

ley, Mrs. Gertrude Repp and John Kovacek. Mr. and Mrs. F. R. Staut, directors of the Milwaukee Yugoslav radio program over Station WRJN, were among the many guests at the banquet who were out of town visitors. Local guests included August Cepon, Ald. Frank Pogliayen and City Clerk Mike Opeka.

Frank Jerina, president of the society, expressed his appreciation to all the guests and visitors for their co-operation in making this anniversary the most successful event ever staged by the local fraternal Catholic society in its history of 45 years.

John Germ, the leader of the Slovene Catholic union, commended the local society for its fine work in the recent membership drive which now places the total membership of the organization past the 40,000 mark. He also commented on the splendid organization work being carried on and the fine service being offered to the local St. Joe's membership.

The day's program ended with a victory dance in the evening.

### PITT LODGE SETS COMMUNION DATE

Pittsburgh, Pa. — At the regular meeting of Mother of Seven Sorrows Society, No. 81, on Oct. 21, the members decided that we would receive Holy Communion in a body on Sunday, Nov. 25, at St. Mary's Assumption Church, 57th and Butler Streets at the 8:00 Mass. This Mass will be offered for the deceased members of our lodge and we hope that there will be a large number of members present. The month of November as you know is dedicated to the Poor Souls and therefore it is fitting and proper that we receive Holy Communion in a body at this time. Then too the month of November is the anniversary month of our lodge and since our lodge has been progressing in number as well as in cooperation and sis-

terly love, we can also be grateful for God's blessing in this regard and be thankful — expressing our thanks by receiving Holy Communion. Our members who have passed away — and especially the former officers of the lodge—you can be sure are praying for us and for our future success; therefore, let us pray for them too. Regarding the campaign for new members, we have only a few more weeks left. The committee has been working very diligently in this regard and we hope that some more of the members will help us to write up some more insurance before the end of the year. Any help that you can give us will be appreciated—I might call to your mind that if you have just a

This is why the U. S. Treasury is asking for \$11,000,000,000 in the Victory Loan, which began October 29 and ends December 8:

(1) Care of the wounded and rehabilitation of veterans. This job is going to be one of the nation's biggest expenses for years to come. Mustering-out pay, education, loans and general administration of the G. I. Bill of Rights must be added to care of the wounded.

(2) Cancellation and termination of war contracts. Huge sums are still required to pay for war materials which were ordered, produced and delivered months ago.

(3) Inflation. While unemployment will rise during the reconversion period, the big bulk of American wage-earners will still be earning high wages and will have the most money accumulated that they've had for years.

If this extra money is saved, it can provide a backlog of buying power and steadying influence for years to come. Conversely, if people should try to spend it now before many consumer goods are available, chaos can result.

(4) Bringing men home. It's just as expensive as sending them over, and the process will go on for an indefinite period.

(5) Maintaining armies of occupation. Housing, feeding, giving medical care to at least two armies abroad is a costly business which will go on for some time—we don't know how long.

A new KSKJ member today means a bigger KSKJ tomorrow. A bigger KSKJ tomorrow means a better KSKJ—and a better KSKJ should be the aim of every member!

## FROM THE OFFICE OF THE SUPREME SECRETARY

### INFORMATION REGARDING SPECIAL ASSESSMENT

At the last convention it was decided that the full face value of the death benefit certificate be paid to the beneficiaries of deceased soldier members.

The convention empowered the Supreme Committee to establish a so-called "Patriotic Fund" and levy a special assessment to pay death claims of deceased soldier members.

The Supreme Committee complied with the decision of the convention and ordered that a special assessment of 10 cents per month per member be levied.

Inquiries have been received from some of the societies asking when the special assessment would be discontinued.

One of the societies sent in a resolution appealing to the Supreme Committee to abolish the special assessment and the balance remaining in the Patriotic Fund be transferred to the regular Mortuary Fund.

In reply to these inquiries and further questions which may arise, the following explanation is offered:

1.) It is true that Resolution No. 19 adopted at the last convention provides that the special assessment be levied only for the duration of the war; it is also true that active war hostilities have ceased; it is also true that we have celebrated both V-E Day and V-J Day. On the other hand it is also true that up to the present time the end of the war has not yet been officially declared by the government of the United States.

2.) There are still millions of soldiers in service among which there are 3,771 KSKJ members. These members are still undoubtedly exposed to more hazards than they would have been subjected to in civilian life.

3.) Up to the present time death benefits totaling \$90,000.00 have been paid to the beneficiaries of the 122 deceased soldier members. The total Patriotic Fund assessments amounted to only \$73,894.30.

4.) From time to time death reports are still being received from Washington for missing soldier members and there is no way of determining just how many more such claims will be received. It is understood, of course, that the full death benefit must also be paid to the beneficiaries of missing soldier members later declared officially dead by the War or Navy Department.

The foregoing facts plainly indicate that for the time being the special assessment cannot be discontinued.

This matter will be given further consideration by the Supreme Committee at its annual meeting next January. The decision of the Supreme Committee in this respect will be published in the Glasilo.

It is the desire of the Supreme Committee to discontinue the special assessment as soon as it is practicable to do so.

At the same time I am also sure that the membership appreciates the fact that the Supreme Committee must exercise every precaution to protect the financial status of the Union.

Fraternally yours,  
JOSEPH ZALAR, Supreme Secretary.

## JOLIET KEGLERS "SWEAT OUT" SESSION AS MERCURY CLIMBS; ROLL AVERAGE SCORES

Joliet, Ill. — Last week the bowlers of the Joliet KSKJ Men's Bowling League had the pleasure of enjoying free "Turkish Baths" during their bowling session. With the temperature outside hovering in the high 70's, the boys really sweated it out on the alleys, as in a few frames, most of the bowlers' shorts were soaked with perspiration. Rice as a cereal food and for use in main dishes and desserts is one of the oldest and most important cereals. The ways and means of making rice palatable are very important as everyone will admit that plain boiled rice is flat and palatable. Consider the following ways of using rice as a dessert and as a vegetable cereal.

**Glorified Rice**

1 pint can shredded pineapple, 1 cup pineapple juice, 1 package lemon jello, 1 cup boiling water, 2 cups cold, cooked rice, 1 cup whipping cream, 1/2 cup sugar, 1/2 cup blanched almonds, chopped, 1/2 cup pecans, chopped.

Drain pineapple. Dissolve jello in boiling water, and add pineapple juice and allow to thicken. When set, whip to consistency of heavy cream. Add pineapple pulp to rice, and fold into whipped jello. Add sugar to whipped cream; add the nuts, and fold into the jello mixture. Set in cold place to hold its shape. May be served plain or with whipped cream, garnished with maraschino cherry. Serves 8.

**Spanish Rice**

1 cup rice, 2 tablespoons fat, 1 cup canned tomatoes, 2 large onions, sliced, 2 green peppers, chopped, 3 cups boiling water, 1 teaspoon salt, 1/2 teaspoon chili powder.

Wash rice; saute in fat until lightly browned. Add remaining ingredients and simmer 20 to 30 minutes, or until rice is tender. Makes 6 portions.

**Rice Crown Betty**

1 cup graham cracker crumbs, 1/2 cup brown sugar, 2 cups cooked rice, 4 tart apples, 1/2 cup maple syrup, 2 tablespoons butter, cinnamon.

Spinkle a casserole with 1/2 cup graham cracker crumbs. Dot with butter, then sprinkle with 2 tablespoons sugar and cinnamon. Cover with a layer of 1 cup cooked rice. Cover again with balance of crumbs, butter, sugar and cinnamon. Cover with apples, peeled and sliced. Pour over all the maple syrup. Bake in a hot oven 400 degrees until apples are browned and tender.

**Swiss Rice**

1 teaspoon salt, 3 to 3 1/2 milk, 1 cup rice, 1 pint whipped cream, 1/2 teaspoon vanilla, canned raspberry or cherry juice.

Add salt to milk. Cook rice in milk in double boiler until tender. Cool and add vanilla. Fold in all but 1/2 cup the whipped cream. Pile lightly in sherbet glasses. Add enough fruit juice to remaining whipped cream to color nicely. Serve cold. Serves 6.

**Rice Parfait**

1 1/2 cups milk, 2 cups cooked rice, 1 cup sugar, 1 cup chopped nutmeats, 1/2 teaspoon salt, 1 teaspoon vanilla, 1 cup whipped cream.

Combine all ingredients except vanilla and cream, freeze in mechanical refrigerator until a stiff mush. Remove mixture from tray, beat with rotary beater, add vanilla and cream, return to refrigerator and finish freezing. Serve with Apricot sauce.

The unusual warm weather of the week really gave some extra work to the wives...

washing and ironing the bowling shirts... which were wrinkled by the excessive perspiration... am glad that Hank Adamich, Chick Kuzma, Bill Ramuta, John Nemanich, Bob Tezak, George Gasperich and Eddie Ramuta, ex-service-men are giving a good account of themselves... even after being away for a few years... they got back into their bowling strides without too

much trouble... and are enjoying, on the whole, better bowling averages than they had before the war... on Thanksgiving Day, the League is offering a High Mass in thanksgiving for the welfare and safe return of its members in the Services... next week we will hold our first handicap (Thanksgiving) individual sweepstakes of the season... with every bowler getting a prize... and the top prizes will be the envy of everyone... for some reason or other, in past seasons, the best scores were always shot in the Thanksgiving sweepstakes... let's see if history repeats itself this year... next week we expect to see another ex-service-man bowler in our midst... it is rumored that Joey (Cannonball) Horvat is to be discharged in a few days... received a note from former league secretary and bowler Bob Kosmerl, that he is back in gay Paree... and that he may stay there for a long spell... here's a wish that every member and reader really enjoys Thanksgiving (this year especially)... for Peace is here again... and we have a lot to be thankful for—in this great land of ours... it seems to be God's Paradise on Earth... and despite war and other adverse conditions, we still have the best living conditions in this troubled world of ours... the standings:

**Navy's New Repellent Holds Mosquitoes at Bay Five Hours**  
Washington, D. C. — NMRI 407, the Navy's newest and most potent mosquito repellent, is now being tried out under field conditions in Guatemala. In laboratory tests, it held mosquitoes at bay more than five hours. The average time to the first bite was 322 minutes, Lt. Michael Pijoan reported.

Associated with Lt. Pijoan in the mosquito repellent studies at the Naval Medical Research Institute were Lt. (j. g.) L. A. Jachowski Jr. and Pharmacist's Mates 3rd class Henry J. Gerjovich and M. L. Hopwood. Henry, a graduate chemist of Brooklyn College, is the son of Ivan Gerjovich, teacher of tamburitza.

For men working or fighting in the jungle, mosquito repellents are important in spite of the development of DDT. The latter brings sure death to many insects, but it kills slowly. A chemical rubbed on the skin which scares the mosquitoes away before it bites would give good protection against malaria, yellow fever and dengue which are spread by mosquitoes.

**Under Tropical Conditions**  
Because fighting mosquitoes in the jungle is quite a different proposition from protecting yourself from a few bites when you sit outdoors on a summer evening, the Navy's medical scientists developed a "sweat test" for the new repellent's. Tropical conditions, with a temperature of 90 degrees F. dry bulb and 80 degrees wet bulb, were maintained in the cage full of hundreds of mosquitoes. The scientists and their assistants smeared some repellent on one of the arms and then sat with it inside the cage, holding a clock on the mosquitoes to time the first bite.

To make sure that the repellent would work under conditions of dripping sweat as well as "pool sweat," the kind that stays on the skin instead of dripping off, the testers engaged in vigorous exercise for some of the tests.

During the war dimethyl phthalate was the most commonly used insect repellent, but its repelling time was only 80 or 90 minutes. NMRI 201, announced by the Navy several months ago, had a repelling time of about five hours in the laboratory. When used by several groups in the jungle, this time was about twice as long. Better ones have since been developed, among them 407 and 448.

The latter has a somewhat shorter repellent time than 407, 289 minutes on the average in laboratory trials, but it is much cheaper, costing less than one dollar per pound.

These two chemicals, which even now may only be known by their numbers in the long series tested at the Naval Medical Research Institute, are hydrogenated naphthols. Mixing them with another chemical, 2 phenyl cyclohexanol, prolongs their repelling time.

**Two Years of Work**  
The repellents were developed in the course of more than two years of work during which many chemicals were screened and the most promising subjected to further work on the new repellents.

Point fat helps make medicines, sera, oils and thousands more essential. Save every drop. One pound is now worth 4 red points.

**ANNUAL MEETING NOTICE**

West Allis, Wis. — We remind all members of Blessed Virgin Help of Christians Society, No. 165, that you are urged to attend the annual meeting Sunday, Dec. 2 at 2 p. m. promptly. We have important subjects to discuss, so, at least once a year, you should attend the meeting because there will be election of officers.

Each member is asked to bring along a 25c gift which we will exchange. Refreshments will also be served after our meeting.

Due to war conditions we did not have any dances or any other affairs. At our last meeting it was decided that we will have a Masquerade Ball, Saturday evening, Feb. 23 at Wavell's Hall, So. 60th and W. Burnham St. Our musicians are Frank Sezon and his band. A good time will be had by all. Mark the date Feb. 23 on your calendar.

We decided that our lodge together with the Slovenian Women's Union Branch No. 17 will sponsor a card party for the benefit of the Building Fund. This will be held on Dec. 30 at 8 p. m. in the church hall. Keep this date in mind as we need the co-operation of every member to make it a success.

I am also proud to announce that our four bowling teams are in full swing. We bowl every Sunday afternoon at the Capitol Bowling Alleys.

On the sick list is Anna Terkan who recently underwent an operation and is still at St. Mary's Hospital. I also wish all members who are ill a very speedy recovery.

Best of luck, and wishes to our member, Frances Radovic, who became the bride of Edward Meyer, and to Sophie Moze and Frank Farjan. Congratulations to you all!

I am also happy to inform you all that no misfortune was met by any of the 38 of our members who are in the armed forces. Just recently Joseph Horvath was discharged. I sincerely hope that the other 37 members will follow, suit very shortly.

Mary Petrich, sec'y.

study. After the naphthol derivatives were found to be apparently effective a whole series of them was synthesized and subjected to various chemical manipulations until repellents that "are final and have solved the problem" were developed.

These new repellents are odorless and colorless liquids. They are used like a lotion.

The Department of Agriculture, Pan American Union and Office of Inter-American Affairs have co-operated and assisted in various phases of the work on the new repellents.
